Although this file was scanned from the highest-quality microfilm held by Boise State University, it reveals the limitations of the source microfilm. It is possible to perform a text search of much of this material; however, there are sections where the source microfilm was too faint or unreadable to allow for text scanning. NOT EVEN YOUR FRITOS will be safe from shock waves a nine marauding musicians (alias the Bongo Banditos, Pancho's Poachers, The Baja Marimba Band) "raid" Boise State College Sunday evening by silencing students, faculty and townspeople with a slow and lazy Latin sound against hard Dixieland. Julius "Spanish Flea" Wechter will lead his comical comrads into the BSC gymnasium at 8 p.m. for what will be the "toughest" concert ever heard west of the Columbia. Sponsored by the BSC Social Committee, the Baja Marimba concert is open to the public with a "first come, first served" basis on seats. General admission is $2 for balcony and $2.50 for first floor; BSC students will receive a 50cent discount on both fares. Tickets may be obtained at the SUB information booth, Holsinger's Music and from any Esquire member.

MacbethBeginsYear With Foam Castle

"Just for you Shakespeare," chants the new Subal Theatre and players of Boise State College with their debut of "Macbeth".

The Subal Theatre, setting created by Technical Director Ronald Krempetz, extends its stage arms of lightweight polyeurethane foam stone walls directly into the audiences' mists. The old dirt blackened stone and fishnet portable walls engulf the audience in the ugliness and brutality of medieval castle life. Aiding Krempetz's setting to draw the audience back in time is the Elizebathan style theatre created by John Warwick and staff.

Extending the atmosphere of old Dunsinane are the actor's costumes of rough woolens, animal skins and furs. A total of 86 different costumes will be used, one of which being Duncan's coat weighing 40 pounds.

The play officially opens September 12 with a scholarship benefit night for an invited audience. The public is welcome to all following performances excepting September 16 and 23, Monday nights when the theatre will be dark. The continous daily performances will begin each night at 8:15 p.m.

Extending the presentation into the longest played by the college, the Subal players will also preform a matinee to invited guests of the college September 21.

Tickets are .75 for students; $1.50 for adults. Reservations may be made through the college.

Don't miss seeing this powerful, action packed preformance of "Macbeth" casting Sam Johnson, Macbeth; Linda Watkinson, Lady Macbeth; Jeff Grimes, Duncan; and John Eichman, Macduff.

Film Shows WWII Realism

THE BRIDGE, a motion picture from Germany, will be shown Friday at 8 p.m. in the Liberal Arts auditorium. Admission is free to BSC students with activity tickets, and 50 cents to the general public.

THE BRIDGE is based on true events which occurred in the last days of World War II when the German Army, desperate for more men, began to draft high school boys. The film shows the experience of one group of boys who are assigned to guard a bridge.

It has been highly praised as a realistic picture of war and was nominated for an Academy Award. It will be shown in German, with English sub-titles.

President Asks for Addition To Expand Library Floors

A proposed cost of $2,616,000 for an addition to the Library Building was put before the State Board of Education by BSC President John B. Barnes, Friday, Sept.6. The addition will be four stories constructed on the west side of the present building.

$2 million dollars of the requested money will come from the 1969 Legislature and the permanent building fund and the remaining $616,000 will be obtained from federal funds available through the Higher Education Facilities Act.

Dr. William H. Carlson of the Department of Libraries and Library Planning for the Oregon State system of higher education, a consultant obtained by the Boise State College Board of Trustees, recommended the changes. Carlson recommended that $500,000 a year be expended in developement of the library.

President Barnes stated that the present library is inadequate now that BSC is a full four year school.

Carlson suggested that the college use a more professional library staff instead of student help.
