II. Election Manager
   A. The Election Manager is appointed by the ASBSU President to see that Elections are
      publicized, efficient, and effective under the guidelines of this Code. Per Executive
      Code IV.E., ze may appoint students to an Elections Committee to help fulfill hir
      duties, as defined below.

4. Formally recognizing Candidates and Teams
5. Maintaining Candidate information online during the campaigning period
6. Providing Campaign Materials for Candidates as defined in this Code
7. Taking necessary measures to ensure Elections adhere to this Code

III. Qualifications and Declaration of Candidacy

A. Qualifications

1. To be included on the ballot and to qualify for election, a Candidate must be a full-fee-paying student at the University. A Candidate must be in good standing with the University. A Candidate must have a cumulative GPA of 2.5 or higher.
2. Candidates for Executive Elections must be full-time students.
3. Candidates for Assembly Elections may be part-time or full-time students.

B. Declaration

1. Election Packets
   a. Candidates will be required to turn in complete Election Packets by a certain date, as specified by the Election Manager and the packet itself, in order to be placed on the ballot.
   b. These packets include an application for candidacy, which requires at minimum the name, student ID number, contact info, and expected graduation date of a potential Candidate.
   c. For Assembly Elections, all qualified students are deemed eligible Candidates and may receive Write-In votes on election day(s). Candidates in the Assembly Elections are still required to turn in a completed Election Packet in order to be on the ballot and Campaign, as explained in III.B.1.a. and IV.C.4 of this chapter, respectively.
   d. For Executive Elections, Candidates who do not meet this deadline may still turn in a packet (which will not require petition signatures) and campaign as a Write-In Candidate.
2. Candidates are encouraged, but not required, to attend an informational meeting. Candidates are responsible for the content of informational meetings even if they do not attend.
3. For Assembly Elections, if a Candidate has a major in more than one (1) Academic Department, ze can choose which Academic Department to run in. Candidates are not able to run in more than one (1) Academic Department in the same Election.
4. All Candidates declare their candidacy individually, with the exception of Candidates for President and Vice President who declare candidacy jointly as an Executive Ticket.
5. To prove ze is a serious and viable Candidate, each Candidate will ask Qualified Voters for a signature showing support for the Candidate. This process is referred to as Petitioning. All signatures will be verified by student ID number by professional staff. The amount of signatures required for each elected position is as follows:
   a. President & Vice President: 100 signatures (total)
   b. Assembly Speaker: 100 signatures
   c. Secretaries: 50 signatures
   d. Assembly Members will not be required to petition.

   B. All Candidates must adhere to the ASBSU Ethics Code.
   C. Campaigning
      1. Personal conversations, in any form, are not considered Campaigning and cannot be regulated by ASBSU.
      2. Campaign Materials are required to be submitted to the Election Manager only when the materials use ASBSU supplies or funds. ASBSU-funded Campaign Materials may be censored if they are discriminatory in nature based on Financial Code IV.C.1.
      3. No items of significant value may be distributed for the purpose of Campaigning. Clarifying example: A t-shirt which promotes a Candidate or Team does not have significant value; a computer with a sticker that promotes a Candidate or Team does have significant value.
      4. A Candidate may begin Campaigning once ze has submitted a completed Election Packet to the Election Manager.
   D. Where to Campaign?
      1. Academic buildings: Campaigning is acceptable in academic buildings, but it must not take place in the classroom during instruction times or otherwise disrupt classes that are in session. Campaign Materials may be posted only on public bulletin boards and in department offices with proper approval by the department. Campaign Materials may not be publicly distributed inside academic buildings.
      2. Policies regarding the Student Union Building, Recreation Center, and University Housing will be determined by the respective departments. Documentation of these policies will be provided to Candidates in Election Packets.

2. Voters will be able to view everything on the ballot without having to vote at that time.

3. Online voting will follow an Instant Runoff Voting (IRV) system if available.

4. Any proposed Constitutional revision or amendment will be clearly indicated on the ballot. It is at the discretion of the Constitutional Convention members to decide whether each change will appear as an independent voting issue or if changes will appear as one voting issue.

5. Any effort to falsify voting is subject to disciplinary procedures through the Student Ethics Officer and the Ethics Committee.

6. Qualified Voters may not allow someone else to vote for them by proxy. Any Candidate encouraging such behavior is in violation of this Code.

7. If it is discovered that online voting has been altered or tampered with, the Election Manager or ASBSU President will take immediate action to correct the problem. If election results have been compromised, new dates for the Election will be set by the Executive Council.

8. If any Candidate is disqualified or resigns from office within one month of the conclusion of an Election, the Candidate with the next highest number of votes will assume office. If one member of an Executive Ticket is disqualified or resigns in this time frame, the entire Executive Ticket is removed from office and the Executive Ticket with the next highest number of votes will assume office.

E. Tabulation of Votes

1. Online votes will be tabulated by noon the day following the last day of polling and announced as soon as possible unless prevented by extenuating circumstances.
