First ISA Event of the School Year, Huge Success!!!

Saturday, October 23rd was the first event of the school year presented by the International Student Organization . . . a bowling and pizza party in the Game Center at the SUB. As you can see from the smiling faces in these pictures, it was a good time! One student commented, *“After having a great time at the ISA event . . . I want to [contribute] more to ISA.”* We hope a lot of you feel that way and will continue to be involved as more activities are planned.

ISA President, Adil Bentahar said, *“I would like to thank you warmly for coming to our first event. We had expected 50 as maximum, but we were excited to spend good time with 70 of our friends, international and non-international.”*

Many thanks to the ISA officers for organizing this party: Adil, Anis, Natalie, Andie and Neph, ably assisted by the ISA adviser, Christy.

Fleur de Lis Project

Date:
Saturday
October 30

Location:
Capitol Gateway Plaza's
Parking Lot:
1109 W. Myrtle Boise
Down Town.

Hello,
My name is Jorge Kleiss. I am from Venezuela, and I attend The College Western Idaho. I'm also one of the Assistant scoutmaster for Troop 100. I invite all Scouts to help me build the first Fleur de Lis made out of aluminum cans in America.

This activity started about 10 years ago in Mexico.

Then it started in Venezuela. I personally have participated in three of the events as a Boy Scout in Venezuela.

Our goal is to build a Fleur de Lis that is 50-75 feet wide.

To meet that size, we will need a minimum of 10,000 to 15,000 cans.

After the Fleur de Lis is finished, all the collected cans will be sold, and the money will be donated to the Boys and Girls Club.

Everyone is invited to this activity: packs, troops, crews and adults. The more cans we bring, the bigger will be the donation.

- ✓ **Drop off cans between 8-10 a.m.**
- ✓ **Fleur de lis construction begins at 10 am**
- ✓ **Prize to the Scout unit that brings the most cans by weight**
- ✓ **Fun activity stations during the day are been scheduled: Leave No Trace, Recycling, Games (If your unit wants to sponsor a station, I contact me as soon as possible)**
- ✓ **Bring Scout essentials (sun screen, water, etc.)**
- ✓ **Your unit also needs to send an email to confirm your participation**

More info please contact:

Crush the cans like this:

1. Step on the center until flat.
2. Flatten the ends onto the center.

Each Scout collect at least 100 aluminum pop cans for the 100th anniversary of Boy Scouts of America.
(But bring as many as you can.)

Course Description

Foreign Language 123 (FORLNG 123) is a one-credit course in which students will spend 25 hours with international students from the Intensive Language Program at Boise State University. Students will meet every week to reflect on the service and relate it to the course material in the Modern Language course in which they are or have been enrolled. Three class periods a month will be shared with the international students.

What is Service Learning?

Service-Learning (SL) is a course experience that uses community service to reinforce classroom learning objectives. Service-Learning students can make valuable job contacts, acquire letters of recommendation, and gain knowledge of scholarship opportunities all while giving back to the community.

How does this relate to my Modern Language course?

As a Modern Language student, you will be given the opportunity to expand on your current communication skills and share various language skills with your international peers. In addition, through this course you have an opportunity to gain interpersonal and global communicative experience while enhancing your cultural awareness and fostering your civic responsibilities.

What are the prerequisites for this course?

In order to enroll in this course you need to have taken, or be currently taking a Modern Language course or you may request a permission number. You must contact the instructor for a permission number.

How can I enroll in FORLANG197?

Go to Bronco Web and register for the course before the end of the second week of class.

Where can I learn more about Service Learning?

The Service-Learning office is located in the Gateway Center. Call us at (208) 426-1004 or email us at servlern@boisestate.edu. You can also check out the Service-Learning website: <http://servicelearning.boisestate.edu/>

Spring 2011

ESL Composition Classes

Consider the following 3-credit writing classes for Spring 2011 if you are a Non-Native English Speaker or English as a Second Language Learner. Sections of these courses offer a multicultural experience with instructors who are sensitive to the challenges of second language learners. Placement into these classes is based on the Michigan Test. Contact the Assessment Center for testing information. 426-2762
