PART I
GENERAL INFORMATION
BOISE JUNIOR COLLEGE

HISTORY

Boise Junior College was organized in the spring of 1932 in response to a demand for higher education in Boise. During the first two years, 1932-34, the college was sponsored by the Episcopal Church, with the Right Reverend Middleton S. Barnwell, Bishop of Idaho, as its first president. In June, 1934, in response to an appeal from Bishop Barnwell, a board of public-spirited individuals assumed the responsibility of directing the school, and as a result a non-profit corporation was formed whose stockholders were Boise citizens interested in education. The buildings formerly housing the college had once been used for a girls' academy under the direction of the Episcopal Church. The Church generously donated the use of the buildings for the operation of the school.

In September of 1939 Boise Junior College began its first academic year as a public institution. In February, 1939, an enabling act permitting the formation of junior college districts was passed by the legislature, and signed by the governor. In accordance with the provisions of this law, the qualified school electors of a designated district voted by a large majority in favor of the establishment of Boise Junior College district.

In the fall of 1939, a city bond election for funds to build a college plant was approved by a 10-to-1 majority. The city of Boise donated the old municipal airport on the south bank of the Boise River for the new campus. By September, 1940, the administration building had been completed. During that school year a heating plant and gymnasium were built, followed by the erection of the student union building financed by the student body and the board of trustees of the private Junior College, the assembly-music building, and a vocational shop. The Junior College city-county health unit building is also located on the campus.

THE PLAN

The program plans to meet the needs of those students who have graduated from high school and desire to continue their education with one of the following goals in view:

1. Those who plan to enter a senior college and need courses of a general preparatory nature, including pre-professional courses.

2. Those who are interested in carrying their education a year or two beyond the high school level in preparation for immediate entrance into the general field of business and the professions.

3. Those who desire two years of general or cultural education beyond high school.

4. Adults who wish to continue general or special education; when it is desirable night classes can be arranged for this group.
GENERAL INFORMATION

THE PLANT

Boise Junior College is located between Capitol Boulevard on the west and Broadway on the east, on the south bank of the Boise River across from Julia Davis Park. The campus, spacious and beautifully situated, is near the business district where many of the students find part-time employment. In this central location, the campus is easily reached by bus, stage and train.

The administration building contains classrooms, laboratories, general administrative offices, and the library. The library, in the east end of the administration building, includes a large general reading and reference room and stacks. The library is open forty-three hours weekly, and all books are easily accessible on the open shelf. Periodicals and daily newspapers are regularly received. The college library consists of approximately 11,000 volumes. Further library facilities in Boise are available to college students through the courtesy of the Boise Public Library, the State Traveling Library, and the State Historical Library.

The assembly hall seats seven hundred and fifty and provides not only a place for assemblies and social activities, but also quarters for the music department with practice rooms and studios. Equipped with a large stage, the building provides facilities for dramatic and musical performances.

A student union building provides a place for the students' social activities. This building is on a convenient part of the campus and is equipped with a large dining room, modern kitchen and fountain, comfortable lounges, and office space for extracurricular activities. It is supported by the student body and the board of trustees and is the means of pleasant associations for students while not in classes.

A large gymnasium, amply equipped with dressing rooms and showers and facilities for indoor sports, enables the college to carry out an extensive and varied physical education program. Adjacent to the gymnasium is the athletic field, and near-by are hard-surfaced tennis courts.

The health clinic houses the city and county health unit and offices of the college physician and nurse. Facilities of this building are available to the college for laboratory purposes and for classes in public health. This building harmonizes with the general architecture of the other campus structures.

A vocational building of concrete construction faced with brick to match the other buildings on the campus houses the radio and machine shops. Adjacent to this is a separate building housing the woodworking shop.

A Guidance Center is located at the Boise Junior College for the purpose of assisting veterans in the selection of training, courses, and vocational objectives, as well as personal problems and matters connected with the veterans' benefits. The Center is staffed by three Junior College faculty and by nine Veteran Administration personnel.
HOUSING ACCOMMODATIONS

The Junior College has no dormitories on the campus, but there are fine homes in the city of Boise which offer various types of accommodation for students. Rooms for men are available at the Young Men's Christian Association. There are forty-eight housing units located on the campus for married veterans attending Boise Junior College. Applications should be addressed to the manager of the housing units.

There are many opportunities for women students to work for their board and room, with or without extra pay, in homes approved by the Dean of Women. Also, there are homes offering rooms for rent, as well as room and board.

The Dean of Men has charge of housing for the men, while the Dean of Women lists the approved residences for the women. The Registrar will be glad to furnish, upon request, a list of approved rooming houses or a list of approved locations for working for room and board. All women students from out of town are to select their Boise residences from these approved lists.

CULTURAL ADVANTAGES

Boise Junior College is located in the state capital, where students have the opportunity of observing the operation of all phases of the state government, legislature and courts, and many phases of the federal government, including the District Court.

Boise enjoys a mild climate and is a city of beautiful homes. There are splendid hotel facilities, many wide-awake civic organizations, churches of all the leading denominations, four radio stations, two well-equipped hospitals, an art museum, herbariums and aquariums, a state library of 40,000 volumes, and the Boise Public Library of approximately 50,000 volumes. The Boise Junior College Lyceum, a series of lectures and entertainments to be sponsored each year by the associated students, was inaugurated in 1944. A limited number of memberships are made available to other than students. Boise is favored by membership in the Community Concert Series, featuring artists of national and international fame. The Community Concert Association brings to Boise five outstanding musical attractions each year. A student may obtain a membership in this organization for $3.00. A number of other fine concerts are given by local organizations throughout the year. The College A Cappella Choir and Pep Band make an annual tour through Idaho and nearby states.

HEALTH PROGRAM

Boise Junior College provides a health service for students in attendance. Each student will be required to take a physical examination at the beginning of his Freshman Year, or upon entering Boise Junior College for the first time.

Medical examinations are to be taken by the student at an appointed time. For those who enter too late the fall term, or for any other reason
fail to keep the appointment, and for those entering the winter term, a
day will be set aside for make-up examinations at the beginning of the
winter term.

The medical advice of the college physician, Dr. Bruce Budge, is
available one hour daily at the Health Center without charge to all stu-
dents. Also between the hours of 9:00 and 12:00 A.M. a nurse will be on
duty. The student may receive, as well as medical advice, treatment of
any minor ailment or injury requiring bandaging and medication.

The College does not assume responsibility for the complete medical
care of all students at all times. When specialists, consultants and special
nurses or hospitalization are required, fees for such services are met by
the student. All medical services and supplies in case of chronic or pro-
longed illness, or accidents, beyond ordinary first aid emergency treat-
ment, are at the expense of the student, and he is free to choose his
physician on a private basis.

STANDARDS

Boise Junior College has been for several years an active member of
the American Association of Junior Colleges. It is a member of the
Northwest Association of Secondary and Higher Schools, and is fully
accredited by that organization, by the State Board of Education, and
the University of Idaho.

SCHOLARSHIPS AND LOANS

The American Association of University Women awards yearly a
scholarship to some girl in the graduating class of Boise High School. The
choice is made by a committee composed of members of the Association
who are also members of Boise High School faculty, and three members
appointed at large. In making awards, scholarship and need are considered.

The Exchange Club of Boise gives two full scholarships yearly to
worthy students, who may be either entering freshmen or sophomores.

A scholarship of $50 is granted by the Provident Federal Savings and
Loan Association of Boise, with the recipient selected on the basis of an
essay contest participated in by Boise High School seniors.

A scholarship is given by the Junior Columbian Club to a girl graduate
of Boise High School or St. Teresa's Academy.

Pioneer Chapter, Daughters of the American Revolution, gives a tui-
tion scholarship each year to help some girl with a good scholastic record
carry out her plans for a higher education.

Two or more girls graduating from Boise High School are recipients of
tuition scholarships given each year by the Girls' Club of the High School.

Zeta Chapter of Beta Sigma Phi has established a scholarship to be
presented each year to a girl graduate of Boise High School who has
majored in commercial subjects.
The Altrusa Club of Boise has established a scholarship loan fund. This is a revolving fund designed to help as many girls as possible continue their education beyond high school.

Scholarships are given by the Valkyries, women’s service organization of the Boise Junior College, to girls of the college who have a high scholastic standing and who are in need of financial aid in order to continue their higher education.

The Associated Women of Boise Junior College award $50 scholarships to girls from one of the high schools in Ada County.

SAM BALLANTYNE LOAN FUND—Mr. Sam Ballantyne of Boise, Idaho, has made available for students attending Boise Junior College a loan fund. The principal requisite for obtaining such a loan is a demonstrated sincerity in securing an education. Applications for such loans should be made to the President of the institution.

SCHOLARSHIPS TO GRADUATES OF THE JUNIOR COLLEGE

The American Association of University Women awards a scholarship to a young woman graduate of Boise Junior College who will attend the University of Idaho. The selection is made by a committee composed of the women members of Boise Junior College faculty who are also members of the Association, and three other members appointed by the President of the Association.

Whitman College, Occidental College and the College of Idaho each grant a yearly scholarship to some student selected from the graduating class of Boise Junior College. These awards are announced at commencement.

Other scholarships are offered by outstanding colleges and universities to graduates of Boise Junior College who rank high in their classes. In recent years several such awards have been made by Stanford University.

SCHEDULE OF FEES

Veterans who plan to attend on the G.I. Bill of Rights under P.L. 346 or 16 must, upon registration, present their certificates of eligibility.

Those unable to present a certificate of eligibility at the time of registration will be charged tuition and fees. Upon presentation of said certificate, complete refund will be made.

(T payable in Advance)

Tuition:

DISTRICT RESIDENTS—

Regular Students (per term) ........................................... $16.67
Part-time Students (per term credit hour) ............................ 1.50
(10 credits or less)
ADA COUNTY RESIDENTS—
 Regular Students (per term) ........................................... 25.00
 Part-time Students (per term credit hour) ......................... 2.25
 (10 credits or less)

NON-RESIDENT—
 Regular Students (per term) ........................................... 50.00
 Part-time Students (per term credit hour) .......................... 4.50
 (10 credits or less)

General Deposits:
Paid by all students who enroll. Against this deposit is charged
laboratory breakage, library fines, and damage to or loss of
college property. The unused balance is refunded upon official
withdrawal from college or completion of academic work ............ 5.00

Sponsoring athletics, entertainment, dramatics, publications,
glee club, and other activities the Student Executive Board
decides to include (per term) ........................................... 6.00

Special Fees:
Final examination at other than scheduled time ..................... 1.00
Graduation Fee ............................................................ 3.00
Student Cap and Gown Rental .......................................... 1.50
Transcript: One sent free; extras, each ................................ 1.00

Late Registration Fee:
Students whose registration is not completed, including payment
of all required fees, during the days specified as registration days
will be charged a Late Registration Fee of $2.00 for the first day
and 50 cents additional for each day thereafter up to a maximum
of $5.00.

General Fees:

MUSIC COURSES—
A Cappella Choir (per term), Vocal or Instrumental En-
semble (per term), Orchestra (per term) .............................. 1.00
Private Lessons: Voice, Violin, Piano, Organ, Cello or other
Instrumental, one lesson (half hour) weekly (per lesson) .......... 2.00
Class Lessons: Piano, Voice or Violin (1 hour per week) (per
term) ........................................................................... 10.00
Rental of organ for practice (1 hour per day) (per week) ....... 2.00
Rental of practice room with piano for 1 hour daily, 6 days
a week (per term) ......................................................... 4.00

LECTURE COURSE FEE ...................................................... 1.00
Philosophy, Sociology, Psychology, and History.
ART STUDIO (per term) .................................................. 1.00
LABORATORY (per term) .............................................. 4.00
Chemistry, Physics, Engineering Drawing, Surveying, Biological Sciences, Home Economics, Practice Teaching, Geology, Typing or Office Machines.

PHYSICAL EDUCATION AND HEALTH—
Health and Medical (per term) ..................................... 2.00
Towel Fee (per term) ...................................................... 1.00
Swimming and Bowling .................................................. Fee to be set

Vocational Courses:
Machine, Woodworking or Radio shop fee per credit hour (per term) ......................... 8.00

Aviation:
Fees for ground school and flight training will vary from term to term, depending on the phase of training and the number of hours the student flies. The fee per hour for ground school is 70 cents plus books and supplies; $7.15 per hour for solo practice and $9.65 per hour for dual instruction. These fees include insurance.
The above fees subject to change without notice.

REFUNDS
Students who withdraw from the College during the first six weeks of a term will be entitled to receive the following refund on tuition, general fees, and student body fees (if activity ticket is returned) paid for that term:

If withdrawal is made within the first two weeks of a term, 75% will be refunded; after two weeks and within four weeks, 50%; after four weeks and within six weeks, 25%; after six weeks, no refund will be allowed.

Application for refund must be made to the Business Manager at the time of withdrawal and within the time limits mentioned.

Refunds in Applied Music will be arranged with the instructor concerned.

AUDITING OF ACCOUNTS
All funds for public purposes within the College and subject to the jurisdiction of either the College or the Associated Student Body and which are contributed to or collected by any student or faculty member shall be deposited with the Business Manager, subject to withdrawal upon written approval of the proper authorities. An accounting of all receipts and expenditures in the funds shall be made by those responsible for their collection immediately after they shall have been disbursed, this accounting to be audited by the Business Manager.
PART II
ADMISSION REQUIREMENTS
REGULATIONS
GRADUATION
ADMISSION REQUIREMENTS

Applicants for admission must be at least 16 years of age and must present satisfactory evidence of good moral character.

CREDENTIALS—Students applying for admission to the Junior College are required to furnish credentials as follows:

(a) An original transcript of high school credits signed by the principal, superintendent, or other authorized official.

(b) Official transcripts and statements of honorable dismissal from each institution attended after high school graduation.

(c) Personal data on the regular application-for-admission blanks.

Blanks for furnishing personal data may be obtained on application to the Registrar. High school, normal and college records should be furnished on the transcript blank of the institution at which the work was taken. All credentials must be sent direct to the Registrar of the Junior College at Boise, Idaho, not through the student. Prompt attention to these details will avoid delay in registration.

PERMITS TO REGISTER—Applicants for admission whose credentials have been accepted will be given permission to register for the following term. Applicants will be saved much inconvenience and uncertainty if all their credentials are received by the Registrar in sufficient time for the settlement of any question through correspondence and the receiving of permits to register before the proposed date of admission.

Veterans who plan to attend on the G.I. Bill of Rights under P.L. 346 or 16 must, upon registration, present their certificates of eligibility. Those unable to present a certificate of eligibility at the time of registration will be charged tuition and fees. Upon presentation of said certificate, complete refund will be made.

ADMISSION AS REGULAR STUDENTS

BY CERTIFICATE—Admission to the Junior College is based upon credentials showing:

(a) Graduation from an accredited four-year high school and presentation of fifteen acceptable units, or

(b) Graduation from an accredited three-year senior high school and presentation of twelve acceptable units.

(c) The admission of veterans and other students who have not been graduated from high school, but have achieved educational competence worthy of recognition by colleges while in active service or during at least a year in civilian life since leaving high school, is provided for. Eligibility for admission will be determined on the basis of Educational Development Examinations and Service Records.
A "unit" represents a high school subject taught five times a week in periods of at least 36 weeks. A certificate of secondary school record should be filled out and signed by the superintendent, principal, or other official of the school in which the work was done. It should show the length of each course in weeks, the length of each recitation, and the grades of scholarship attained, including a record of all failures and conditions. All certificates accepted toward admission to the Junior College become the property of the Junior College, and are permanently filed among its records. They can not be returned to the student, but certified copies will be issued if needed.

Academic units shall be defined as English (composition and literature), foreign language, mathematics, social studies and natural science.

Elective units may be taken from the academic subjects named as well as from vocational and other subjects commonly given in high schools, with the following exceptions:

(a) Spelling, penmanship, reviews, project work in conjunction with regular courses, and work which is primarily of the nature of extracurricular activities.

(b) Less than one unit in foreign language, shorthand, typing or bookkeeping.

(c) Less than one-half unit in any subject.

(d) More than one unit in physical education or R.O.T.C.

Requirements for admission to the Junior College are summarized below. Students planning to attend Senior College after completing work in the Junior College must present evidence of having had the high school courses listed under the title of the proposed Senior College course. (For provisions for making up high school deficiencies, see page 22.)

LETTERS AND SCIENCE, LAW (AND BUSINESS)†:

Minimum specified requirements as listed above, including two units* of foreign language.

ENGINEERING:

Minimum requirements and
Advanced Algebra: \( \frac{3}{2} \) unit
Solid Geometry: \( \frac{3}{2} \) unit
Physics to satisfy one of the units in Natural Science.

EDUCATION:

One unit of high school mathematics (general, business or advanced arithmetic) and one unit of natural science will meet the requirements in these fields. An additional unit of English (applied English, if desired) is required of this group.

II. For Semi-Professional Curricula

For students not planning to qualify for an Associate of Arts title, but whose intention it is to complete 96 hours in one of the Semi-Professional curricula, or in an undesignated field, the requirement for entrance is graduation from high school with 15 acceptable units. The only exception applies to students enrolling for the Radio course, for which algebra and plane geometry are required as prerequisites.

---

* One unit may be earned in junior high school, in which case, however, the unit shall not count as one of the nine academic units required from the senior high school.
† Exceptions may be made for Business, depending upon the requirements of the college or university to which the student plans to transfer.
ADMISSION REQUIREMENTS

ADMISSION AS SPECIAL STUDENTS

Persons over twenty-one years of age who are unable to meet requirements for regular students and desire to take special studies may be admitted as special students upon presentation of satisfactory evidence that they are qualified to enter upon the work. Save in very exceptional cases, students will not be admitted directly from the secondary schools to the status of special students. In such cases, the principal of the last high school attended will be consulted. All persons who have not completed secondary school are urged to do so before applying for admission to the Junior College.

Graduates of accredited high schools are not admitted as special students, but are expected to qualify for regular undergraduate standing in accordance with the general rules.

A special student is not eligible to become a candidate for graduation until entrance requirements are satisfactorily met.

ADMISSION WITH ADVANCED STANDING

(a) FROM OTHER COLLEGES:

Students entering from other colleges must present official transcripts mailed direct to the Registrar. Students entering from other institutions must comply with the same regulations as to their former scholarships as are applied to students previously enrolled in the Junior College.

(b) FOR MILITARY EXPERIENCE:

Credit for in-service military experience shown on service records will be allowed in accordance with the recommendations set forth in “A Guide to the Evaluation of Educational Experiences in the Armed Services,” published by the American Council on Education.

LATE REGISTRATION—A student who enters more than three weeks late may not engage in extracurricular activities unless he has been in attendance at some other college that term, or has attained an average of at least 1.25 quality points, if previously enrolled at Boise Junior College.

PART-TIME STUDENTS—A part-time student is a student who has registered for ten hours of work or less. A part-time student is barred from all major extracurricular activities.

ADMISSION WITH DEFICIENCY IN GROUP REQUIREMENTS

Students who qualify for admission to the Junior College but who fail to meet specific group requirements may be admitted with deficiencies to take courses for which they are prepared. All such deficiencies must be removed before graduation with an Associate of Arts title. Students entering with deficiencies will make up the deficiencies with college courses
generally without college credit, or by taking work in a secondary school while taking part-time work at the Junior College. College courses can not be substituted for high school algebra and geometry. When college courses are taken to make up deficiencies, the time spent in such classes shall count twice as much toward making up such deficiencies as does an equal amount of time spent in high school.

REGULATIONS

PROBATION AND DISMISSAL

Any student who, during his career at the Junior College, fails to receive a passing grade in at least ten credit hours (if he is a full-time student), or who fails to pass in at least two-thirds of his work (if he is a part-time student) shall be placed on probation for the ensuing term.

Students dropping to the status of probation may not take part in extracurricular activities or hold office.

A student on probation may not register for more than twelve hours without permission of the Dean. A student on probation, except an entering freshman, may not participate in extracurricular activities during a probationary term unless he attains an average of C during the first six weeks of that period, in which case he will be allowed to participate for the rest of the term. After two successive terms of probation, a student shall be subject to dismissal from the College. At the discretion of the President, he may be dismissed at the end of the first term of probation if he is failing in more than 50 per cent of his work.

A student whose character and conduct are generally unsatisfactory may be dismissed from the College. The President reserves the right to handle special cases needing discipline.

SPECIAL NOTE—Students from accredited secondary schools who have completed the required number of units, but have not graduated, may be admitted subject to the same grade regulations as graduates. (See scholarship requirements below.)

SCHOLARSHIP REQUIREMENTS—Students who qualify for admission, but who rank in the lowest one-fourth of their graduating class or who fail to present recommending grades in at least two-thirds of the required units, will be admitted only on probation. Recommending grades are those which are at least one “step” (letter or other symbol) above the lowest passing grade in a system using four passing grades. In a purely decimal system, recommending grades are those which are at least ten points above the lowest passing grade.

Students on probation shall take minimum loads and are especially urged not to take part in outside time-consuming activities. Students placed upon probation during the second term shall take a lighter load than formerly and shall try other courses as a means of determining their interests.
Students entering upon probation because of unsatisfactory high school record may take part in extracurricular activities during the first term of their attendance at the Junior College. However, if such probation is extended, the student may not then take part in any extracurricular activities of the college until he is removed from probation.

GRADING SYSTEM

A. (90-100) Distinguished work—Three quality points per hour.
B. (80-89) Superior work—Two quality points per hour.
C. (70-79) Average work—One quality point per hour.
D. (60-69) Passing work—No quality points per hour.
F. Failure—No quality points per hour.

Inc. Incomplete may be given only in cases where work has been satisfactory up to the last three weeks in the term. Work not made up within six weeks after the beginning of the student's next term in college automatically becomes a failure, unless special extension of time is granted by the faculty.

W. Official withdrawal within the first three weeks of the term or while doing passing work. For procedure, see regulation below.

WITHDRAWAL

A student may officially withdraw from College only by securing a withdrawal permit from the Registrar, and having it signed by the same. He may withdraw from individual courses by having the permit endorsed by his instructor and signed by the Registrar, with whom it is filed. If a student withdraws before the end of the first three weeks of the term, his grade shall be a W. After that time a grade of W shall be given if he is doing passing work at the time of withdrawal; if not, a grade of F shall be given. Withdrawal later than the end of the ninth week of the term is not possible. A student who discontinues a course without an official withdrawal shall receive a grade of F.

MAXIMUM LOAD

No student shall be allowed to enroll for more than 17 hours without special permission, or unless more hours are specified in his curriculum.
GRADUATION

ASSOCIATE OF ARTS

Boise Junior College confers the title of Associate of Arts upon students completing 96 quarter-hours with a grade point average of C in one of the curricula listed on pages 28 to 42, or in a general curriculum.* Requirements in the General Curriculum are: 9 hours of English, 9 hours of social studies, 6 hours of physical education, and one year's work in each of three of the following groups: (1) foreign languages and English; (2) mathematics and science; (3) social studies; (4) business and home economics; (5) fine arts.

DIPLOMAS

A diploma is granted to any student completing 96 quarter-hours of work for which the Junior College gives credit. This must include six hours of physical education. Semi-professional courses meet the requirements for a diploma. An average grade of C is required.

* Completion of this curriculum does not necessarily meet upper division requirements in any specific field in case of transfer to another college or university.
