### Compensation Time Payout

**Payroll**
**Denise Ooley**

The payout for hours accrued under “Pre Comp” (not “Comp”) will be paid off on the July 8th paycheck. If you do not want the time paid off, the time will need to be used on or before June 25th.

The University is required to pay, in cash, unused compensatory time, or “comp” time, to employees who are considered “covered” under FLSA (the Fair Labor Standards Act). **This payment will be charged directly to the department’s budget.** Comp time payments will impact the “Irregular Salary” budget. If there is insufficient budget in that category to cover comp time expense, please contact the Budget Office (426-1273).

Supervisors now have the ability to view leave balances for their direct reports, as well as the leave balances of employees within their departments, and also leave taken by their employees for the calendar year. At http://broncoweb.boisestate.edu/ log onto BroncoWeb, BroncoWeb Main Menu, Self Service, Manager Self Service, Leave Balances - All Direct Reports.

Managers can require employees with comp time balances to schedule time off in order to use their comp time.

If you have questions, please contact Denise Ooley at 426-3433, Crystal Pidjeon at 426-3739, Rex Hadley at 426-1812 or Susan Eaton at 426-3192.
