TINY ALICE

by Edward Albee

Presented by
Boise State College
Theatre Arts Department

DEAR AUDIENCE

Tiny Alice is not a conventional play. It may seem strange, even obscure. Indeed, if one expects conventional kinds of actions, characters, and sequences, the play will be only confusing. I therefore invite you to clear your mind of any preconceived expectations, make yourself comfortable and allow the play to bring you whatever it may. If you will allow yourself to be simply receptive to what happens on the stage, I believe you'll be in for a most rewarding experience. The play is simple. Its time is now, its place - here. Enjoy its simplicity.

THE CAST
