Green Room Gossip - Facts about Theatre at BSU

The Theatre Repertory class has been very active this semester presenting scenes from plays to the students in Introduction to Theatre. The group also participated in Nostalgia Week at the Student Union and entertained the Rotarians at an afternoon meeting. The Theatre Repertory Players were such a hit that they have been asked to perform for the Rotary Ladies on May 7 at the Hillcrest Country Club. Theatre Repertory is under the supervision of D. F. Corbett.

Roger L. Bedard and his Children's Theatre Troupe have been busy every Tuesday and Thursday since April 9th touring two plays to local elementary schools. By the end of the tour on May 13, they will have performed over twenty times before more than a thousand youngsters.

The Department of Theatre Arts is in the process of selecting the plays and dates for the 1974-75 season. If any theatre patron has a suggestion for a show to be included in the season, please let the department know in writing. For various reasons, we cannot always follow the suggestions but find them most helpful in determining the wants of our public.

D. F. Corbett, assistant professor of theatre arts, will be on a leave of absence for the coming year to pursue advanced study at the University of Oregon. Theatre students and staff wish him well in his work. He will be sorely missed for the year, especially at the annual High School Theatre Festival; so hurry on back, Del, for the 1975-76 season.
