Financial Aid

385-1664

Admissions handles all the paperwork involved in keeping your admissions records up-to-date from the moment you first apply for entrance until the day you graduate and receive your degree. If you need to know whether the University received your application, high school or other college transcripts, or how much it costs to register, where to register, when, and how, the Admissions people in Rooms 101 (Admissions Window), 103 and 105, first floor of the Administration Building, are there to help.

University Admissions Counseling/ Visitors Center — 385-1401

2015 University Drive

General admissions and program counseling as well as referral services are available through the Admissions Counseling Center. Services provided to foreign students, non-traditional students and recent high school graduates include: general admissions procedures, orientation programs, tours of the University, career counseling and interest testing, program and course selection.

The primary purpose of financial aid is to provide assistance and counseling to students who would be unable to attend the University without such help. Financial aid is available to fill the gap between the student's potential resources and yearly educational expenses. The ultimate responsibility for meeting educational costs rests with the individual student and/or parents.

The Financial Aid Office is located in Room 117 of the Administration Building and has a comprehensive financial assistance program which includes a variety of scholarships, loans, grants, and part-time employment. Financial aid is determined by a careful analysis of the student's financial resources from information furnished on the Financial Aid Form (FAF) submitted to the College Scholarship Service (CSS). A uniform method of analysis approved by the U.S. Office of Education determines a student's financial need. Every attempt is made to ensure a fair distribution of the resources available to the University. Students should contact the Financial Aid Office early in the semester prior to the first semester of enrol-

ment to learn what assistance might be available and how to apply.

To receive financial aid at BSU, an eligible student must (1) be enrolled for the purpose of obtaining a degree, diploma, or certificate; (2) be in good academic standing; (3) be progressing toward a degree/certificate at the rate defined below; (4) complete degree requirements within the maximum time frame provided by this policy.

Enrollment Status

Fulltime Undergraduate	12 credits per semester
Parttime Undergraduate	6-11 credits
Fulltime Graduate	9 credits per semester
Parttime Graduate	5 credits per semester

**Students who drop below these levels are not eligible for financial aid and will be required to repay financial aid funds received.*

Good Academic Standing

Students on academic probation are not eligible for financial aid. This includes transfer students who are admitted on "probation" and continuing students are "readmitted" by their deans.

EXCEPTION: Financial aid will not be withheld for students on probation who earned at least 12 credit hours with a 2.5 GPA the most recent semester at BSU and have not exceeded the maximum time frame allowed for completion of degree/certificate.

Satisfactory Progress

During any year in which a student receives financial aid, the student must be making satisfactory academic progress by completing a minimum number of credits, as calculated below:

Lounges

There are two very large lounges that make up the northwest corner of both the first (Boisean Lounge) and second (Ada Lounge) floors of the SUB. Both have huge fireplaces and excellent panoramic views of the campus: a great place to rest and relax between classes.

Telephones

Four pay phones are located directly behind the main lobby stairway on the first floor. A campus telephone is located at Union Station to call any campus extension free. It cannot be used for off-campus calls. Blue paging telephones are located on the first floor next to the Union Station and on the second floor, adjacent to the Ballroom and in between the Big Four meeting room and the Nez Perce room. Public pay phones are also located outside the Ballroom.

Vending Machines are located in the Recreation Center on the first floor of the SUB. Other machines are also located in the residence halls and all academic buildings.

Student Residential Life 385-3986

The Office of Student Residential Life assists students with their residential experience. It is responsible for the residence halls and University apartments.

Students with problems or questions related to their housing situation can come to Room 214, Administration Building, for assistance.

The office also tries to identify the needs of students related to their

residential experience. Through individual counseling or new programs these needs can best be met. This includes married students, single parents, single students, off-campus students, and residence hall students. The office supervises all applications, assignments, and billings for on-campus and University apartments, and maintains listings for off-campus accommodations.

Residence Halls

Boise State University has four residence halls, serving approximately 750 students: The Towers is a coed hall for 300 students; Chaffee is also coed and has a capacity of 290; Driscoll and Morrison accommodate 82 students each, with Driscoll serving as a women's facility and Morrison an upperclass-member coed hall.

Residence Hall Student Government

Each hall has a Hall Council made up of elected executive officers and floor/suite representatives. This organization has a very direct voice in the programs and policies governing student life in the respective halls.

How To Apply

Applications are available upon request. The completed form and a \$60.00 application fee/security deposit should be returned to the Office of Student Residential Life as soon as possible to ensure assignment.

Residence Hall Association

RHA is the organization which represents the central governing body of the students in the residence halls, with the Resident Directors serving as advisors. It is affiliated with the national organization, and is directly involved in programming and policies for the halls.

Resident Advisors

Each hall has Resident Advisors who are selected students trained to assist the residents. The RAs serve as resource people, advise students and student groups, help individuals with problems, implement policies, and basically are there to listen and offer assistance.

Residence Hall Judicial Boards

Students who are suspected of a violation of a University or residence hall policy are referred to a Judicial Board composed entirely of students. There

is the right of appeal from the board to the Associated Student Body Judiciary.

Program Fees

The residence halls have a required program fee. This fee is used for programs, activities, and various types of interest group projects as desired by the students.

Semester and Spring Breaks

The resident halls are officially closed during Semester and Spring Breaks. Any student desiring to remain in the halls for all of either of these periods or a portion thereof will be required to pay a per night rate.

Food Service

The Food Service provides six optional meal plans:

- Option 1: any 10 meals Mon-Fri
- Option 2: any 10 meals Mon-Fri & \$137.50 worth of discounted points
- Option 3: any 10 meals Mon-Fri & \$287.50 worth of discounted points
- Option 4: any 15 meals Mon-Fri
- Option 5: any 15 meals Mon-Fri & \$137.50 worth of discounted points
- Option 6: any 15 meals Mon-Fri & \$287.50 worth of discounted points

The six meal plans include two basic weekday options with a variety of add-on cash credits which can be used when the regular dining room is closed and on weekends.

Residence Hall Acceptance

Acceptance and processing of the contract by the Director of Student Residential Life does not constitute approval of academic admission to the University and application for admission is not an application for housing.

Contract

Housing is provided to students who agree to contract for the academic year or for the remainder of the academic year, should the student move in after the year begins. Eligibility to live in a residence hall is dependent upon an individual being accepted by the University as a regularly enrolled student. Priority assignment will be made to students carrying 8 or more credit hours. Students who drop below 8 credit hours may be asked to move from the hall.

UNIVERSITY APARTMENTS

Boise State University has three complexes, with a total of approximately 170 units.

How to Apply

Applications are sent to all students and prospective students who request them. Upon receipt, the student should submit the completed form and a \$50.00 application fee to the Office of Student Residential Life as soon as possible to be placed on the waiting list. Then, when the apartment is available for which the student has applied and is eligible, the student will be contacted. It is the responsibility of the student to notify the Office of Student Residential Life of any change of phone number or address.

Eligibility

Priority is given to married students and single parents with a child or children; however, where space permits, one-bedroom apartments are made available to single students. In all cases, the tenant(s) must be enrolled as a full-time student(s) at Boise State University.

OFF-CAMPUS HOUSING

The office provides very limited services to students who are seeking off-campus housing. Listings are maintained on available apartments or houses that come to our attention. However, we are unable to go beyond simply making these listings available to anyone who can come to Room 110 of the Administration Building.

Equal Availability

The University is an equal opportunity institution, and offers its living accommodations without regard to race, color, national origin, or handicap (as provided for in Title VI and Title IX and Sections 503 and 504 of the Rehabilitation Act of 1973).

Application Process

Art, Music and Theatre Arts

Throughout the year the Art Department sponsors a variety of art shows of both regional and nationally known artists. In conjunction with these shows, the Gallery invites artists to present workshops. These workshops vary in nature from sculpture to photography and are open to all students. Each spring, the Art Department sponsors a student show. Outstanding student art work is displayed during the year.

The **Music Department** offers a wide variety of opportunities for involvement by students, both as participants and as spectators. The Marching Band, Symphonic Band and University Singers are open to all students without audition. Meistersingers, Orchestra, Music Theatre, Jazz Band, and other ensembles are open to students by audition. The Opera Theatre and Summer Music Theatre are open to students and community people by audition. Academic credit is available for most of these groups and activities. All student musical groups perform regularly on the campus and most participate in a tour each spring. The Faculty Artist Series Recitals are scheduled throughout the school year.

The **Theatre Arts Department** schedules four to eight productions each year that are open to all students. Full time BSU students may obtain a free ticket to each major production. The department also hosts a secondary school festival in February of each year and offers a children's theatre tour every spring that performs before thousands of elementary school children in the local area. Upper division students are encouraged to direct and produce their own plays. Academic credit is sometimes available for such individuals.

Details about concerts, recitals, and productions can be obtained from the Theatre Arts Department office, phone 385-3957, or the Music Department office, 385-1771. Both Departments are located in the Morrison Center, first floor, Room MC-C100.

The **Morrison Center**, located on the west end of the campus near the Boise River, is one of the finest performing halls in the country, bringing a new era of artistic excellence to Boise and Southern Idaho. The Morrison Center provides an excellent setting for performers and audiences alike to enjoy a ballet, musical, symphony, chorus, opera, ensemble, or a solo performance. The **Main Hall** features a ten story stage house and the room will accommodate over 2,000 patrons. The Hall can be acoustically tuned for a solo performance or a full musical production. Facilities available for disabled persons include wheelchair seating on both levels, self-contained broadcast units for the hearing impaired, and a reader service for the visually impaired.

The **Academic Component** allows the Music and Theatre Arts Departments to teach students in well-equipped areas that include private studios, music theory classrooms, rehearsal rooms, electronic laboratories, a scene design studio and a theatre laboratory. In addition, the proximity of the performing hall gives the students the opportunity to participate in all phases of a major performance, from the technical set-up and rehearsal to the management of the event itself. The ground floor includes four large performing or rehearsal spaces, each with a multiple use potential for both the community and the university, and each with special acoustical features.

The Stage II Multiform Theatre seats 225 and houses many of the Theatre Arts Department productions.

The Recital Hall seats 200 and is used for solo and ensemble performances and as a classroom by the Music Department.

The Choral Rehearsal Room is just off the main lobby and can be used as a reception area for premieres and other performances in the Main Hall. Another large room is used for band and orchestra rehearsals and both have special acoustics.

Passed by the Student Senate as Senate Resolution #7 on January 21, 1987. Passed by the Students of Boise State University by Special Election on February 11 and 12, 1987.

Code of Ethics

Preamble: These principles are intended to aid student leaders (elected and appointed) individually and collectively to maintain a high level of ethical conduct. These are intended to be standards by which each leader may determine the propriety of his/her conduct in relationship with other leaders, fellow students, other members of the university community and with the public.

1. The principle purpose of student government is to promote educational, social, and cultural activities; to act as the official voice of the student body, to facilitate participation in the university community, and to work for the betterment of the university.

2. To further these ends, it is essential that student leaders merit the confidence of the constituents, endeavoring to be at all times models of honesty and integrity.

3. Student leaders should strive to continually improve their knowledge about issues of concern to students and to seek out all sides of issues before making decisions.

4. Student leaders should attempt to safeguard themselves and the university community against those who would misuse their power and authority in ways harmful to the good of the students.

5. Student leaders should strive to build for today and for tomorrow by creating programs and opportunities for students to improve their learning and skills, and to learn new skills which will improve their quality of life and aid in achieving the maximum educational benefit from the university.

6. Student leaders should encourage involvement of students and other members of the university community without regard for race, creed, or color, and without regard for political or personal bias.

7. It is the responsibility of student leaders to follow the rules and regulations of the university, the state and city, and the United States of America. It is the further responsibility of student leaders

to see that others in the university also follow these rules; and if student regulations become obsolete or irrelevant to see that these rules are updated according to the rules set down by the appropriate governing body.

Academic Regulations

Faculty Advisors

All new full-time students are assigned to a faculty advisor prior to registering for classes. The faculty advisor will assist in identifying academic requirements, possible educational and career goals, a program of study, and in completing the Proposed Course Schedule form. Full time students registering for eight credit hours or more must meet with their advisor for approval of their course load or to change courses.

You may change faculty advisors after the first semester in attendance by contacting the Advising Coordinator of your college. To ensure a successful educational experience and to improve one's chances of earning a degree you should establish a close working relationship with your faculty advisor.

Grading System

Each letter grade you earn in a course is assigned a grade point value per credit hour that is used to compute Grade Point Averages:

A = 4 grade points per credit hour
B = 3 grade points
C = 2 grade points
D = 1 grade point
F = 0 grade points

I = **Incomplete** = 0 grade points until work is completed (see below)

W = **Withdrawal** = 0 grade points and credit

AUD = **Audit** = 0 grade points and credit

P = **Pass** = credit earned but no grade points

NR = **No Record** = 0 grade points and credit until a grade is assigned

Grade Point Average

Add total grade points earned and divide by total credit hours attempted.

Note: **Do Not** add in credit hours awarded for grades of P. (See the University Catalog under Academic Information.)

Incomplete Grades

An incomplete grade may be assigned if your work has been satisfactory up to the last three weeks of a semester but cannot be completed because of circumstances beyond your control. Arrangements must be made directly with the professor to:

1. Make up the work within the first half of the next semester of attendance.
2. Request an extension of time from both the professor and Department Chairman.
3. Re-enroll in the course.
4. Request the incomplete be changed to a "W."

If you fail to contact the professor by mid-semester of your next enrollment the professor can:

1. Change the incomplete to a letter grade.
2. Change the incomplete to a "W."
3. Extend the incomplete into the next semester.

Dean's List

Undergraduate students who complete twelve credits of graded academic work in a given semester and earn a 3.5 or better grade point average are officially recognized by placement on the Dean's List. Students who earn a 3.5 or better grade point average for all their academic work are officially recognized at the time of graduation in the Commencement program.

Classification of Students

All registered students are classified according to the number of credit hours or degree earned.

Special - no degree intent - courses of interest only

Freshman - has earned 0 through 25 credit hours

Sophomore - has earned 26 through 57 credits or is enrolled in an Associate or certificate program

Junior - earned 58 through 89 credit hours

Senior - earned 90 plus credits or is enrolled in a second B.S. or B.A. degree program

Graduate - has earned a B.A. or B.S. degree and is enrolled in a graduate level degree program.

Students enrolled for 8 credit hours or more are required to pay full fees but may not be considered as full time students under certain academic policies (see the University Catalog for enrollment verification to other agencies).

Complete Withdrawal from The University

To withdraw from the University in "good standing" you must officially request and sign a **Complete Withdrawal** form in the Dean of Student Special Services office. Vocational Technical students must first clear with a vocational counselor before reporting to the Student Special Services office. If you are physically unable to come in to the office, then telephone or write to the dean for a **Petition for a Complete Withdrawal**. The petition must be completed, signed, and returned by you before we can close out your academic records for the semester. You will also receive a pro-rated refund of fees during only the first four weeks of classes.

It is not necessary to request a withdrawal from the University after a semester has been successfully completed or between semesters. Remember, if you enroll in any courses for credit and do not complete the requirements or withdraw, a grade of "F" will be recorded on your transcript.

Right of Appeal: You have the right of appeal to the Dean of Student Special Services for an exception to the requirements of any regulation because of an emergency or medical reason, a hardship, or an unusual or extenuating circumstance that can be verified. The Dean of Student Special Services Office will investigate and confirm your circumstances before a record change is approved.

Administrative Withdrawals

Your registration as a student can be cancelled for any of the following: delinquent financial accounts (bad checks, library fines, overdue loans, bookstore or housing accounts, etc.); incomplete admissions file (no transcripts, test scores, etc.); falsification of official records; registering for classes while academically disqualified; failure to respond to an official summons or behavior that exhibits a

clear and present danger to yourself and others. The faculty can also drop you from a class if you register for credit or audit, and never or seldom attend, or if you do not meet course prerequisites.

Academic Probation and Dismissal

A student whose academic work falls below the level indicated in the table below is placed on academic probation. A student who continues on academic probation at the end of the next semester of attendance is subject to dismissal from the University.

I. Academic Probation

- A. At the end of a semester (fall, spring, or summer) an undergraduate student who does not attain the cumulative grade point average required for the number of hours attempted is placed on probation for the next semester of enrollment. Notification of probationary status is by letter (to most recent mailing address) sent within two weeks of the close of a semester.
- B. A student on academic probation whose cumulative GPA improves to the acceptable level will be automatically removed from probation.

II. Dismissal

The student who continues on academic probation at the end of the next semester of attendance will be dismissed from the University unless the student's GPA for the most recent semester of enrollment was 2.00 or higher. Notification of dismissal is by let-

ter (to most recent mailing address) sent within two weeks of the close of a semester.

III. Reinstatement

- A. A student dismissed from the University may be reinstated by submitting and receiving favorable action upon a petition to the academic dean of the college from which the student was dismissed. This is the only route to reinstatement and applies even to the student who has attended another institution since being dismissed from BSU. Readmission to a college may be accompanied by academic performance requirements which are more stringent than those of the University. Failure to meet conditions specified for continuation as a major in a particular college may prohibit a student from future enrollment in that college even though the University minimum academic requirements are satisfied.
- B. Normally, a student is reinstated on probationary status. If, however, the student's GPA meets the minimum requirement, the dean may elect to admit the student in good standing.

IV. Restrictions

A student on probation is ineligible to participate in University-sponsored extracurricular activities. (See Eligibility for Extracurricular Activities section of this Handbook.) A student on aca-

ademic probation is ineligible to receive financial aid. (See section on Financial Aid for further information.)

Student Records

When a student enters the University and submits the requested personal data, there is an assumed and justifiable trust placed upon the University to maintain security of that information for the protection of the rights of the student. To protect students against potential threats to their individual rights inherent in the maintenance of records, and the many disclosures requested regarding them, and in compliance with the Family Educational Rights and Privacy Act of 1974, the University has adopted BSU Policy 4205-D (Student Records). The policy statement in its entirety is contained in the Administrative Handbook of Boise State University. Any students, faculty, or staff who have questions regarding the records policies of Boise State University may consult with the Vice President for Student Affairs.

STUDENT POLICIES & PROCEDURES

STUDENT BILL OF RIGHTS

Preamble

Ideally, each member of the University community assumes individual responsibility for his/her personal freedom and obligations. The university community expects all members to discipline themselves, individually and

collectively, and it requires adherence to the standards of conduct appropriate for an academic community. It must and will take appropriate action when a member's conduct places the best interests of the community in jeopardy. Each student, as a member of this community, is responsible for being familiar with the policies of Boise State University.

Students are both (1) citizens and (2) members of the academic commun-

ity. As (1) citizens, they enjoy the same freedoms of speech, peaceful assembly, and right of petition that other citizens enjoy. As (2) members of the academic community, they assume the obligations inherent in that membership and as representatives of the University. These obligations include a creditable demeanor for themselves first and the institution second, reflecting intelligence, maturity, concern for the rights of others, and regard for the educational mission of the University.

For the purposes of applying this statement, a "student" is defined as any person who is regularly enrolled in the University as an undergraduate student, graduate student, or who is admitted as a non-matriculated student, or who is pursuing extension studies.

Freedom of Association

Students are free to organize and to participate in voluntary associations of their own choosing, subject only to reasonable University regulations insuring that such associations are neither discriminatory in their treatment of other members of the University nor operated in a manner which substantially interferes with the rights of others. Freedom of association may not be forbidden because of the general political or philosophical objectives of any particular group. However, campus groups or organizations are under a strong obligation to avoid representing their actions or views as those of the University.

Recognized Campus Organizations

A recognized organization is a group of BSU students organized for a stated purpose which has official recognition from the ASBSU. Affiliation with an extramural organization shall not of itself disqualify a student organization from institutional recognition nor from the use of University facilities, although reasonable provisions may be made to safeguard the autonomy of a campus organization from domination by outside groups. (See Student Handbook: Student Organization Recognition Procedures.)

Freedom of Speech and Assembly

No rule shall restrict any student ex-

pression solely on the basis of disapproval or fear of his/her ideas or motives. Students and student organizations shall be free to examine and discuss all questions of interest to them, and to express opinions publicly and privately. Modes of expression or assembly that are manifestly unreasonable in terms of time, place or manner may be forbidden. This does not, however, abrogate the students' accountability as citizens to the laws of the larger society.

1. Students and student associations shall always be free to support causes by orderly and peaceful assembly which do not infringe upon the rights of others. Such expressions are to be made clear to the academic and larger community that they represent views of the students or student associations and not the University.

2. Student groups are allowed to invite and to hear any person of their own choosing. Routine procedures required by an institution before a guest speaker is invited to appear on campus shall be designed so as to insure that there is orderly scheduling of facilities and adequate preparation for the event. Institutional control of campus facilities shall not be used as a device of censorship. It shall be made clear to the academic and larger community that sponsorship of guest speakers does not necessarily imply approval or endorsement of the views expressed, either by the sponsoring group or the institution. (See Student Handbook: Speaker's Policy.)

Freedom of the Press

There shall be no ideological censorship in the determination of printed matter available on campus; access to publications is not to be denied because of disapproval of their content. Any student publication supported by compulsory student fees or by substantial institutional subsidy shall, however, be subject to the rules and regulations of the State Board of Education acting as trustees of Boise State University or their designees.

Freedom in the Classroom

The classroom is not an unstructured political forum; it is the center for study and understanding of described subject matter for which the instructor has professional responsibility and institutional accountability. S/he should respect the confidential nature of the relationship between instructor and student. S/he should avoid exploitation of students for private advantage and should acknowledge significant assistance from them. S/he should protect student rights as defined herein. Control of the order and direction of class, as well as control of the scope and treatment of the subject matter, must, therefore, immediately rest with the individual instructor, free from disruption by students or others who may be in disagreement with the manner in which she/he discharges his/her responsibilities. (See Student Handbook: Maintaining Order.)

1. A student has the right to be informed in reasonable detail at the beginning of each term of the nature of the course, the course expectations, the evaluative standards and the grading system that will be used.

2. A student has the right to take reasonable exception to the data or views offered in the classroom and to reserve judgment about matters of opinion, without fear of penalty.

3. A student has the right of protection against improper disclosure of information concerning his/her grades, views, beliefs, political associations or character which an instructor acquires in the course of his/her professional relationship with the student.

4. Students shall have protection through orderly procedures against prejudiced or capricious academic evaluation. At the same time, they are responsible for maintaining standards of academic performance established for each course in which they are enrolled. (See Student Handbook: Academic Grievance Board.)

Student Records

When a student enters the University and submits the requested personal data, there is an assumed and justifiable trust placed upon the University to maintain security of that information for the protection of the rights of the student. To safeguard student privacy, student records are not to be made available to unauthorized on-campus or off-campus personnel without the express consent of the student. Administrative staff and faculty members are expected to respect confidential information about students which they acquire in their capacity of providing counsel and advice. The student shall have the right of access to his/her official University record.

Equal Protection

The University has an obligation to apply its rules equally to all students who are similarly situated. This does not mean, however, that the University is required to refrain from taking action against some offenders because there are others who cannot be identified or who are not similarly charged. If in violation of any rules or policies of the University, procedural fairness is guaranteed to any student of the University. Such fairness incorporates adequate notice of the charges, the opportunity for a fair hearing and the right of appeal. (See Student Handbook: Judicial Procedures.)

CODE OF CONDUCT

The following policies are designed for the general well-being of all members of the University community. Any violations may result in disciplinary action and/or legal action.

1. Academic Dishonesty

Cheating or plagiarism in any form is unacceptable. The University functions to promote the cognitive and psychosocial development of all students. Therefore, all work submitted by a student must represent his/her own ideas, concepts and current

understanding. In an attempt to promote these ideals, dishonesty in the University can be defined generally as cheating or plagiarism in any form. The following are examples which can be used as a guide to the student in interpreting the above general definition, but is not meant to be an exhaustive list:

- a. Buying or in any way using a term paper or other project that was not composed by the student turning it in;
- b. Copying from another exam paper either before or during the exam;
- c. Using crib notes or retrieval of information stored in a computer/calculator outside the exam room;
- d. Having someone else take an exam or taking an exam for someone else.
- e. Collaboration on take home exams where it has been forbidden;
- f. Direct copying of another term paper; or
- g. Failure to give proper credit to sources.

The course instructor is responsible for handling each case of dishonesty in the classroom except where a major or repeated offense is involved in proven cases of cheating a student will be dismissed from the class and a failing grade issued. If the instructor and the department chair concur that a case ought to be referred for further University action (which could include suspension or expulsion from the University), the dean, or his/her designee, of the college in which the student is majoring will appoint a special hearing board consisting of three (3) faculty and three (3) students. The dean, or his/her designee, will preside over any hearing and will accord due process. The Academic Grievance Board would be the appropriate appeal body in such an instance. If a student feels he/she has been unjustly dismissed from class and given a failing grade, the Academic Grievance Board would be utilized as in any other case of an academic grievance. (See BSU Administrative Handbook Policies 4100-D and 4101-D.)

2. Alcoholic Beverages

- a. Illegal possession or consumption of alcoholic beverages is prohibited in college or university-owned, leased or operated facilities and on campus grounds.

- b. Alcoholic beverages may not be possessed or consumed under any circumstances in areas open to and

most commonly used by the general public. These areas include, but are not limited to, lounges, student union buildings, recreation rooms, conference rooms, athletic facilities, and other public areas of college or university-owned buildings or grounds.

- c. Sale of alcoholic beverages is prohibited in college or university-owned, leased or operated facilities and on campus grounds.

- d. Students who violate any of these policies will be subject to sanctions as have been established by institutional administration.

- e. Guests and visitors shall observe these regulations while on campus or other college or university property. Non-compliance may subject a person to sanctions imposed by the college or university as well as to the provisions of local and state law. (Adopted by the State Board of Education, December 1, 1977.)

STATE LAW

The Idaho law states that it is illegal to sell, serve or furnish beer, wine or other alcoholic beverages or intoxicating liquor to a person under 21 years of age. It is illegal for any person under 21 years of age to purchase or attempt to purchase, procure, possess, or consume any alcoholic or intoxicating liquor.

There are a number of minors attending BSU and as a State institution, the University is legally obligated to comply with the State law.

3. Drugs

Possession, manufacture, distribution, use or sale of drugs or narcotics classified as illegal except those taken under a doctor's prescription is prohibited on University owned or controlled property, in University related housing, or at any University sponsored or supervised function.

4. Falsification of University Records

Willful falsification of official records or documents, or omission with the intent to deceive, is prohibited. Included in this regulation, but not limited to the following, is the forging, alteration, or misuse of University documents, records, fee receipts, identification cards, meal tickets, parking decals, financial aid forms, telephone billing cards, ASBSU forms or documents, computer tampering.

5. Harrassment

Any practice by a group or an individual that detains, embarrasses, or

degrades a member of the University community, endangers his/her health, jeopardizes his/her safety, or interferes with class attendance or the pursuit of education, is prohibited.

6. Illegal Entry

Any unauthorized or forceful entry, whether actual or attempted, into any university facility or building is prohibited.

7. Lawful Orders

Failure to disperse or to leave, disrupting or obstructing a University building or facility, room or other premise, or to cease the use of loudspeakers, amplifiers, or other forms of noise after being given notice or a lawful order to do so by a duly authorized agent or administrative officer of the institution, is prohibited.

8. Theft

Theft or the conversion of another's property, personal, public, or institutional, is prohibited.

9. Destruction or Damage of Property

Malicious destruction, damage or misuse of University or private property including but not limited to library materials, fire equipment and alarms is prohibited.

10. Disorderly Conduct

Detention, threatening or physical abuse of another person, obstructive or riotous acts in or associated with the University community is prohibited. The above includes verbal or physical abuse of any member of the BSU community on or off campus where the situation involves the educational purposes or objectives of the University.

11. Lewd or Indecent Conduct is prohibited as defined by city and/or state ordinances.

12. Gambling in any form is prohibited as defined by city and/or state ordinances.

13. Firearms or Dangerous Weapons

a. BECAUSE OF THEIR RECOGNIZED DANGER, FIREARMS, ILLEGAL KNIVES, EXPLOSIVES, CHEMICAL OR INCENDIARY DEVICES WILL NOT BE KEPT ON UNIVERSITY OWNED OR CONTROLLED PROPERTY OR IN STUDENT LIVING QUARTERS. Possession of explosives, chemical or incendiary devices, loaded or unloaded firearms on campus, except as expressly authorized by law or institutional policy, is prohibited. *The Boise City Code interprets air rifles, pellet or BB guns*

as being weapons or firearms.

b. Possession and use of fireworks in any University building or on campus is prohibited.

c. Occupants in University housing and off-campus housing, living within the city limits, are subject to Boise City ordinances and State laws.

14. Group Offenses

Living organizations, societies, clubs and similarly organized groups are responsible for compliance with University regulations. Upon satisfactory proof that a group encouraged, or did not take satisfactory steps to prevent violations of University regulations, that group may be subject to permanent or temporary suspension, loss of recognition or charter, social probation, or other action.

15. City/State Laws and other Institutional Policies

Violation of any city/state laws, University or ASBSU policies may result in a sanction imposed under this code.

16. Official Notification

Failure to comply with any official notification, written or verbal, of a duly authorized administrative, faculty or judicial representative of the University may result in disciplinary action.

SANCTIONS

Sanctions which may be imposed upon an individual or group proven guilty for violation of the Code of Conduct or any other misconduct on or off campus may include one or a combination of the following:

1. Expulsion

Expulsion is an action indefinitely terminating a student's registration at the institution. Any request for reenrollment must be submitted in writing to the Student Policy Board, c/o the Vice President for Student Affairs.

2. Suspension

Suspension is an action terminating registration in all or some classes for a prescribed period of time not to exceed two years. Any request for reenrollment prior to the end of the prescribed period of time must be submitted in writing to the Student Policy Board, c/o the Vice President of Student Affairs. **(After reenrollment**

there is normally a probation period to be determined by the judicial board which rendered the original decision.)

3. Conduct Probation

Conduct Probation is a written sanction with or without loss of designated privileges signifying that additional disregard for the Code of Conduct will constitute grounds for suspension or expulsion. A specific time period of probation will always be prescribed. Other conditions or restrictions may also be included or a combination of sanctions imposed.

4. Loss of Privileges

Loss of Privileges is a disciplinary action excluding a student from participating in certain activities or enjoying certain privileges for a prescribed period or time. Loss of privileges may include, but is not limited to:

- a.** removal from campus living quarters or other University housing;
- b.** relinquishment of a student office;
- c.** loss of such other privileges as may be consistent with the offense committed and the rehabilitation of the student.

5. Censure

Censure is a written reprimand warning the individual that repeated infractions of the Code of Conduct could result in further sanctions by the Judiciary. The possible loss of a minor privilege or privileges and/or a fine restriction may also be imposed.

6. Restitution/Compensation

Restitution is the paying of fines or payment of damages for violations that caused the physical loss, damage, or injury to property or person and may be imposed with any of the above sanctions where appropriate. Compensation may also be imposed for a particular act or violation of the code where said payment of a fine or the performance of a service is reasonable and appropriate. Failure to comply may result in cancellation of registration and a hold on readmittance until the obligation is met.

JUDICIAL PROCEDURES

PART I. Filing Complaints

A. Except in cases of Academic Grievances and Dishonesty, if any member of the University community feels he/she has a legitimate grievance against any other member or group of the University community he/she should contact and consult with the Office of Student Activities (or the Office of Student Residential Life if the situation is related to University residential facilities or programs). Likewise, if any member of the University community feels he/she has been discriminated against on the basis of race, color, national origin, sex, creed, age or handicap (as provided for in Title VI, Title IX and Section 504 of the Rehabilitation Act of 1973) he/she should contact the Office of Student activities or the Affirmative Action Director. (For further information, see BSU Policy 1001-A).

The purpose of any consultation specified above is to assure compliance with the procedure for filing complaints. **(For Academic Dishonesty cases, see Administrative Handbook Policies 4100-D and 4104-D; for Affirmative Action or Sexual Harassment cases, see Administrative Handbook Policies BSU 1001-A and 1002-A.)**

B. If, after consultation, the complainant wishes to pursue the judicial process, the following information should be filed with the Office of Student Activities (or the Office of Student Residential Life if the situation is related to University residential facilities or programs):

1. A concise **STATEMENT OF FACT** specifying the charge(s), the individual(s) or group(s) being charged, the factual details of the incident or grievance, names of witnesses or participating grievants and any applicable dates, times and places.
2. A **STATEMENT OF FACT** by each additional participating complainant or witness is encouraged but not required.
3. Any evidence, if applicable.

C. The Office of Student Activities (or Student Residential Life where appropriate) will notify the complainant and defendant of date, time and place of any hearings and provide any other information necessary. The responsibility for summoning witnesses rests with the complainant and/or defendant.

PART II. Defendant's Rights

The Office of Student Activities (or

Student Residential Life where appropriate) will notify all parties or groups named in an official complaint that charges have been filed.

A. The defendant(s) have the following rights as described below:

1. A hearing by a Judicial Board.
2. Notification of the specific charges filed and procedures involved in a Judicial Board hearing.
3. Access to all documents or evidence pertaining to the complaint entered by complainant(s) and/or witness(es).
4. Notification of the date, time and place of the Judicial Board hearing at least seven (7) calendar days in advance. (Three [3] calendar days in advance for Residence Hall students where a hearing is involved with an Inter-Hall Judicial Board or an appropriate administrative hearing officer.) The defendant(s) may in writing waive the seven (7) calendar days notice of hearing (or three [3] calendar days for Inter-Hall Judicial Board cases).
5. Opportunity for appeal of any Judicial Board decision and adequate time to prepare appeal (see Part IV, Appeal Procedures).

6. A declaration in writing is necessary to waive a hearing by a Judicial Board and have the case adjudicated by the appropriate Student Affairs officer or by a committee composed of the faculty justices of the ASBSU Judiciary and ASBSU Judiciary advisor.

However, in all instances where a hearing for disciplinary action would be necessary during the last two weeks of either semester, or during the summer session, the complaint would be heard by the appropriate administrative hearing officer and not by a judicial board. In this instance, the avenue of appeal is through the appropriate Student Affairs officer rather than the Judicial Board.

B. The defendant(s) may consult with the Office of Student Activities (or Student Residential Life where appropriate) and file:

1. A **STATEMENT OF FACT** responding to the charges and citing any factual details or information not stated in complainant's **STATEMENT OF FACT**.
2. A **STATEMENT OF FACT** by any witness(es).
3. Any evidence, if applicable.
4. A waiver of **NOTICE OF HEARING**, if desired.

5. A waiver of hearing by a Judicial Board, if desired.

PART III. Hearing Procedures

A. The defendant(s) may appear in person at a hearing. If the defendant(s) do(es) not appear, the Judicial Board will proceed with a review of the case at the stated date, time and place.

B. The defendant(s) may have an advisor at the hearing.

C. Hearings may be open or closed at the option of the defendant(s). The Chief Justice, or chairperson, will have discretionary power to limit the number of observers at an open hearing.

D. A complete written or taped transcript of the hearing will be recorded and preserved by the appropriate judicial body until all appeals have been filed or heard.

E. The decisions and sanctions, if applicable, will be made available to the defendant(s) at a time and place specified by the Judicial Board. It is the responsibility of the defendant(s) to secure his/her copy of the decision.

PART IV. Appeal Procedures

A. All appeals shall be submitted in writing setting forth a concise statement of fact clearly establishing one or more of the following grounds for appeal:

1. the decision or sanction was unreasonable;
2. the Judicial Board or Hearing Officer was biased; or
3. the Judicial Board or Hearing Officer misinterpreted the Student Code of Conduct or university policies upon which the complaint was based.

In cases involving new evidence, the appeal should be submitted to the original judicial body and a new hearing requested.

B. Appeals from the lower judicial body should be made to the next higher body through the Office of the Vice President for Student Affairs, i.e., Residence Hall Judiciary to ASBSU Judiciary to Student Policy Board. When a student or group appeals a decision of a judicial body, all recommended action is placed in a pending status until the appeal process has been exhausted. In the event that a case has been heard by an administrative hearing officer, the appeal would be to the next appropriate

administrative hearing officer through the Office of the Vice President for Student Affairs, i.e., Director of Student Residential Life to Director of Student Activities/Student Union to the Vice President for Student Affairs.

C. Appeals must be submitted within seven (7) calendar days of the time the decision is made available in writing with copies to the original and last judicial body. (Residence Hall students who are appealing a decision from a Residence Hall Judicial Board or from the appropriate administrative hearing officer must submit appeals within three (3) calendar days of the decision.)

D. When a written appeal is received, the appropriate judicial body will convene to review the appeal and related written documentation in order to determine whether to accept the appeal. The review of an appeal will be done in a closed session. If an appeal is accepted, the appropriate judicial body may, at its own discretion, act on the appeal on the basis of written documentation or may conduct a new hearing.

HEARING BOARDS

Student Policy Board

By delegation of the President of the University, the Student Policy Board under the chairmanship of the Vice President for Student Affairs, is designated as the primary agency for the development and administration of the Student Code of Conduct, Student Judicial System, and other student policies and procedures relating to student life on the campus of Boise State University.

The Student Policy Board is the highest board in the judicial appellate structure and as such will hear appeals from cases heard by the ASBSU Judiciary. In instances where it is necessary for the Student Policy Board to become the judicial body of first jurisdiction, one half of the Board will become the hearing body and the other half an appeal body as designated by the Vice President for Student Affairs.

The ASBSU Judiciary and all other judicial bodies are subordinate to the Student Policy Board. The appropriate Student Affairs staff members working in their respective areas of responsibility have the authority to establish residence hall councils or standards committees to hear cases concerning violations of group rules and regulations. The council or committee may recommend, to the appropriate staff member, sanctions such as admonition, censure, probation, or disqualification and/or loss of privileges. The judicial bodies are subordinate to the ASBSU Judiciary.

The Student Policy Board is composed of two (2) members of the faculty, two (2) Student Affairs staff members, four (4) students at-large, the ASBSU President (ex officio), the Chief Justice of the ASBSU Judiciary (ex officio), one (1) student Senator (ex officio), and the Vice President for Student Affairs who serves as chairman. The ASBSU President, Senator and ASBSU Chief Justice serve as ex officio (non-voting) members for policy matters, but are ineligible for participation in judicial matters.

ASBSU Judiciary

GENERAL PROVISIONS

The supreme judicial power of the Associated Students is vested in the ASBSU Judiciary whose authority is delegated from the University President and is derived from the Associated Students. The ASBSU Judiciary has the authority or original jurisdiction in all cases involving alleged violations of ASBSU and/or University regulations or policies. They will review all complaints with reference to the above, unless referred to a lower tribunal or unless said complaints fall under the jurisdiction of the Academic Grievance Board.

Appeals from decisions or recommendations of the ASBSU Judiciary will be made to the Student Policy Board. This procedure of appeals has been agreed upon and accepted by the Student Senate and the University President.

3. To delegate local authority to lower ASBSU recognized judicial bodies.

4. To hear appeals from decisions of lower judicial bodies.

5. To enjoin ASBSU government officials from taking action contrary to the decisions of the ASBSU Judiciary.

Academic Grievance & Academic Dishonesty Board

Responsibility: The Academic Grievance & Academic Dishonesty Board has the ultimate authority in academic matters. No further appellate provision will be available at Boise State University.

Purpose: To establish a procedure to maintain high academic standards and performance and to protect objectivity and fairness in assigning, administering, and evaluating student performance in all matters of grievance pertaining to academic conduct, instructional procedure, or testing.

A. Procedure: Academic Grievances
In order to obtain a hearing by the Academic Grievance & Academic Dishonesty Board, the plaintiff should:

1. Present the grievance to the concerned faculty member first, then to the department head if no solution is reached, and finally to the dean or his/her designee of the college if the grievance is not resolved in steps 1 and 2.

2. If the problem is not resolved after contacting the faculty member, department head, dean or his/her designee of the college, then present the grievance to the ASBSU Vice President.

3. Once the ASBSU Vice President has accepted the complaint, the plaintiff is required to file a Grievance Complaint Form.

4. After the Grievance Complaint Form is returned, the ASBSU Vice President notifies the defendant of the complaint and requests him/her to respond on the Academic Defendant(s) Form.

5. When the form is completed and filed, the ASBSU Vice President shall establish the time, place, and date of the hearing.

B. Procedure: Academic Dishonesty

1. If an instructor wishes to have a cheating or plagiarism offense referred for University action, he/she will confer with the department head.

2. If the department head concurs that the incident should be referred

for additional action beyond failing the student in the course, the case will be referred to the dean or his/her designee of the college in which the student is majoring.

3. The dean or his/her designee of the college will appoint a special hearing board consisting of three faculty and three students with the dean or his/her designee as chairman.

4. In such a hearing, University judicial procedures will be utilized as outlined in BSU Administrative Policy 4100-D and the Student Handbook.

5. The Academic Grievance & Academic Dishonesty Board will be the final hearing board in the event of an appeal.

C. The Board is empowered to mandate or recommend changes relating to student grades and behavior and to recommend changes relating to academic conduct, instructional procedure, and testing.

D. Recommendations regarding the student will be referred to the Vice President for Student Affairs. Recommendations regarding faculty members will be referred to the Executive Vice President.

The **Academic Grievance & Academic Dishonesty Board's** Membership consists of seven (7) Student Senators, with an attempt being made to select one from each College or School of the University; Seven (7) Faculty members appointed by the Chairman of the Faculty Senate, one from each College or School; and one (1) representative from the Division of Student Affairs appointed by the Vice President for Student Affairs. The ASBSU Vice President shall serve as Chairman of the Board and shall vote only in the case of a tie. All other members have equal voting privileges.

Residence Hall Judicial Board

A Residence Hall Judicial Board system has been established in the residence halls to hear cases which involve residents of the halls and infractions of policies and procedures. Judiciary power is vested in four judicial boards composed of one appointed member from each residence hall on each board. Each board is chaired by a specified President from one of the residence halls. When a

problem arises within a residence hall involving a resident(s), it should first be taken to a Resident Advisor or the Resident Director and then to the Director of Student Residential Life. If a satisfactory solution is not reached, the complaint or problem will be referred to a Residence Hall Judicial Board. Any appeals from the Residence Hall Judicial Board hearings will be referred to the ASBSU Judiciary.

BSU Panhellenic

The BSU Panhellenic Council maintains a committee to mediate concerns and complaints between member sororities. If a sorority has a concern involving another sorority, a written report is filed with the Panhellenic President. The president will attempt to mediate the concern between the parties involved. If this is unsuccessful, an ad hoc Judicial Committee will act on the matter. The specific Judicial procedures are outlined in the National Panhellenic Conference Manual of Information. A copy of this notebook is on file in the Student Activities office.

If any party feels that the decision rendered by the BSU Panhellenic Council is unfair, the decision may be appealed to the ASBSU Judiciary.

BSU Inter-Fraternity Judicial Committee

If an individual or group believes there has been an infraction of IFC, University or civil regulations, they should contact the Student Activities office for advice on how to proceed with one's grievance. The basic procedure (as outlined by Article V of IFC's By-laws) is an informal hearing including all parties concerned to see if an amicable solution can be reached. If, after consultation, the plaintiff wishes to pursue the matter, a formal hearing of the IFC Judicial Committee will be held.

If any party feels the decision rendered by the IFC Judicial Committee

is unfair, the decision may be appealed to the ASBSU Judiciary.

The Judicial Committee for the Inter-Fraternity Council is composed of two representatives from each fraternity who have been elected to the Council. Each elected member of the Judicial Committee shall have one vote. The IFC advisor (chosen by the administration and approved by the Council) will preside at all Judicial Council Committee meetings and vote only in case of a tie.

STUDENT ORGANIZATIONAL POLICIES

Student organizations and activities policies are made jointly by the ASBSU Senate and the University Administration and are administered by the Director of Student Activities and Student Union. The Student Activities Office staff is available for consultation and advice on policies, procedures and expenditures pertaining to student organizations as well as planning, scheduling, and implementing programs, activities, and social events.

A. Organization Defined

1. Any group of students living or acting together, electing officers and/or assessing dues or fees for their mutual benefit.
2. All voting members and officers must be full-fee paying students at Boise State University.
3. All groups of students fitting the definition of an organization in No. 1 above must be officially recognized by Boise State University through the ASBSU Judiciary.

B. Recognition Agreement

Recognition of a group or organization extends to them the privilege of identification with the University and the use of University facilities. The group agrees to accept those regulations and policies necessary for the protection of the University's essential functions, for equal sharing of time and space, and to assure the reasonable health and safety of the community.

Prior to applying for formal recognition, a student group on campus may

obtain permission from the Assistant Director of Student Activities to schedule three meetings in the Student Union Building for the purpose of organizing as a recognized group. Recognition of student groups does not mean that the University supports or adheres to the views held or to positions taken by such groups. Responsibility for any actions which violate federal, state, or local laws must be assumed by the group itself.

ACTIVITY SCHEDULING

Any organization recognized by the ASBSU may schedule, sponsor or hold activities utilizing appropriate University facilities, property, buildings and grounds, providing that all events are scheduled in the Student Union Reservations Office for events held in the Union or through the appropriate office administering other facilities.

Procedures

1. An officer of recognized organizations must contact the SUB Reservations Office and obtain a "Facility Requisition" for events held in the Student Union.
2. The sponsoring organization is responsible for the conduct, control, and handling of the event at all times. Maintenance, security or other staff are present to assist and advise only. Should an organization or the University feel that an event is beyond the organization's control, a decision may be made in order to ensure personal safety and/or to prevent damage to University property.
3. Tentative dates and room assignments for pending events in the SUB may be scheduled with the Reservations Office. However, the event must be either definitely confirmed with a completed and approved "Facility Requisition" or the dates canceled at least two weeks prior to the tentative date. All Facility Requisitions must be approved by the Student Activities Office. Please notify the Student Activities Office in the case of cancellation of events outside the Student Union.
 - a. No publicity may be released until the "Facility Requisition" is completed and approved.
 - b. All advertisements and posters must be removed the afternoon after the event.
 - c. Times for decorating the facility used should be indicated on the "Facility Requisition," and must be confirmed in person with the Director

of the facility used well in advance of the date scheduled.

5. "Facility Requisitions" must be picked up at least three weeks prior to the event to allow adequate time for completion of the form (i.e., approval of dates and facilities) and for completing all necessary arrangements.

6. Without the approved "Facility Requisition" the possibility strongly exists of conflicting dates, competitive events on the same date, and pre-scheduled facilities. It is in your best interest to make sure your event is organized and planned well in advance.

Student Organization Recognition Procedures

Recognition Steps

Individuals and/or groups seeking to organize for the purpose of achieving recognition status should first visit the Student Activities Office (Room 204-205, Student Union Building). The Student Activities Office staff are available for consultation and advice on policies, procedures, and expenditures pertaining to student organizations and will make a sample constitution available for review. A group may be recognized upon completion of the following requirements:

1. The following information must be turned into the Student Activities Office:

- a. Nine (9) copies of the group's proposed constitution.
- b. List of officers, addresses and telephone numbers (2 copies).
- c. Two (2) copies of charter members, addresses and telephone numbers.
- d. If the local group is affiliated with a national organization, the national organization's constitution or other information is to be filed.
- e. In the event of a change in officers or their status, a list of said changes will be filed with the Student Activities Office no later than 10 days following election.

2. The group's proposed constitution will be sent to the ASBSU Judiciary for review, and an elected officer or appointed representative of the club or organization will be notified so that they may attend the review and answer

any questions that might arise.

3. During the review, the ASBSU Judiciary may recommend changes to clarify the language or to comply with the eight constitutional requirements as outlined below. Upon completion of any recommended changes, the ASBSU Judiciary will approve the constitution.

Constitutional Requirements

There are at least eight (8) articles that are necessary in a new or current constitution in order to be recognized and to maintain recognition.

1. Statement of Purpose. The statement of purpose for the organization.

2. Affiliation

a. Affiliation with Boise State University clearly stated — What does that affiliation mean? What are the obligations and responsibilities?

b. Affiliation with a national group and their constitution (if any).

3. Non-Discrimination Statement.

It is the policy of the University to oppose and prevent discrimination on the basis of race, color, national origin, sex, creed, age or handicap (sex: excludes organizations whose primary purpose is to provide social activities for their members). The University requires each organization to include a non-discriminatory statement in their charter, constitution or by-laws. The university also requires each organization to submit a copy of their national and/or local charter, constitution and by-laws. This is necessary to determine whether discrimination for the aforementioned reasons is encouraged on national or local level.

4. Eligibility of Members. Reflecting minimum BSU academic requirements. Voter eligibility. All officers and voting members must be full fee paying BSU students.

5. Authority of Officers. How their authority is exercised, where it is vested and how these officials are replaced.

6. Selection and Removal of Officers. Method used, specific time and type of vote.

7. Sources of Financial Support.

8. Constitutional Revisions. Any changes in a group's constitution require approval by the ASBSU Judiciary.

Ad Hoc Organizations: The ASBSU Judiciary through its own procedures is authorized to grant temporary recognition to a student group organized for a one-time event or single

purpose of supporting or opposing a candidate or issue on a ballot measure in any special or regular ASBSU election.

Loss of Recognition: A group is no longer officially recognized when it has ceased to function as evidenced by:

a. notice of dissolution from officers and/or advisor;

b. failure to hold any meetings over a twelve-month period;

c. failure to submit a current roster of officers within ten days of an election;

d. failure to have a representative attend the mandatory student organization meeting held during each fall semester;

e. failure to pick up mail from the organization's mailbox at least every four weeks.

Withdrawal of Recognition: The Vice President for Student Affairs and/or the ASBSU Judiciary may withdraw recognition whenever conditions as outlined in this Handbook are violated or the rules and policies of the ASBSU and/or the University are violated. Prior to withdrawal of recognition the group will be warned, given the opportunity to take corrective steps, or be given a hearing before the appropriate board or council.

All campus organizations are subject to the rules and regulations listed previously under "Student Organizational Policies" in Part IV, under "Student Policies and Procedures."

ELIGIBILITY FOR EXTRA- CURRICULAR ACTIVITIES

1. In order to represent Boise State University or any other student organization in any extra-curricular activity of an inter-collegiate nature such as debate, student conferences, fraternal or organizational conferences, cheerleaders, etc., a student must:

a. Not be disqualified or suspended from the University or be on academic, social or conduct probation.

b. Be currently enrolled as a full-fee paying student.

c. The ASBSU President, Vice President, Treasurer, and Senate members shall have a minimum 2.25 cumulative GPA standing at the time of election to office and must maintain minimum

University standards throughout their tenure in office.

2. The Student Policy Board in its official capacity as the primary agency for the development and administration of the Student Code of Conduct, Student Judicial System, and other student policies and procedures relating to student life on the campus of Boise State University strongly recommends to those appointment officials that a cumulative GPA of 2.00 or better be set as a standard for academic acceptance in the choosing of individuals to represent the Associated Students of Boise State University. The Student Policy Board encourages student campus organizations to set additional standards that they deem necessary and beneficial to that organization. The Policy Board feels that the duty of relieving a student from the position he/she holds because of lack of compliance with the aforementioned requirements is the responsibility of the appointment official of that organization.

3. Exceptions: Rule 1a does not apply to students engaged in activities that are required as part of a class or students participating in intramural sports.

OTHER UNIVERSITY POLICIES

UNLAWFUL CONDUCT OR INTERFERENCE ON UNIVERSITY PROPERTY

Reference: Idaho Code, Sections 33-3715 and 33-3716.

33-3715. Interference with conduct of institutions of higher learning — Legislative intent. The legislature, in recognition of unlawful campus disorders across the nation which are disruptive of the educational process and dangerous to the health and safety of persons and damaging to public and private property, establishes by this act criminal penalties for conduct declared in this act to be unlawful. However, this act shall not be construed as preventing institutions of higher education from establishing standards of conduct, scholastic and behavioral, reasonably relevant to their lawful missions, processes, and functions, and to invoke appropriate discipline for violations of such standards.

33-3716 Unlawful conduct — Penalty.

1. No person shall, on the campus of any community college, junior college, college, or university in this state, hereinafter referred to as "institution of higher education," or at or in any building or facility owned, operated, or controlled by the governing board of any such institution of higher education, willfully deny to students, school officials, employees and invitees:

- a. lawful freedom of movement on the campus;
- b. lawful use of property, facilities, or parts of any institution of higher education; or
- c. the right to lawful ingress and egress to the institution's physical facilities.

2. No person shall, on the campus of any institution of higher education, or at or in any building or other facility owned, operated, or controlled by the governing board of any such institution, willfully impede the staff or faculty of such institution in the lawful performance of their duties, or willfully impede a student of such institution in the lawful pursuit of his educational activities, through the use of restraint, abduction, coercion, or intimidation, or when force and violence are present or threatened.

3. No person shall willfully refuse or fail to leave the property of, or any building or other facility owned, operated, or controlled by the governing board of any such institution of higher education upon being requested to do so by the chief administrative officer, his designee charged with maintaining order on the campus and in its facilities, or a dean of such college or university, if such person is committing, threatens to commit, or incites others to commit, any act which would disrupt, impair, interfere with, or obstruct the lawful missions, processes, procedures, or functions of the institution.

4. Nothing in this section shall be construed to prevent lawful assembly and peaceful and orderly petition for the redress of grievances, including any labor dispute between an institution of higher education and its employees.

5. Any person who violates any of the provisions of this section shall be deemed guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine not to exceed five hundred dollars (\$500), or imprisoned

in the county jail for a period not to exceed one (1) year, or by both such fine and imprisonment.

SPEAKER'S POLICY

Reference: Idaho State Board of Education Policy Manual; Policy No. 707.2. Students and student organizations shall be free to express their view and to examine all issues of interest to them. They are also free to support causes by orderly and peaceful assembly which do not infringe upon the rights of others or with the regular and essential operation of the institution.

Scheduling of Speakers

Officially recognized student groups are allowed to invite or to hear any person of their own choosing. As with any activity, routine procedures are required before a speaker is invited to appear on campus. These procedures are desired only to insure orderly scheduling of facilities, financial responsibility, and adequate preparation for the event. University control of campus facilities will not be used as a censorship device. It shall be made clear to the academic and larger community that sponsorship of guest speakers does not necessarily imply approval or endorsement of the views expressed by either the sponsoring group or the University.

All recognized sponsoring groups or committees are to obtain a Facility Requisition from the SUB Reservations Office, complete the necessary information and file the form with the Reservations Office in the Student Union.

A. Political Speakers

Only Student Union facilities may be used for the presentation of a candidate's view during political campaigns and only when approved by the Vice President for Student Affairs.

B. Controversial Speakers

In highly controversial issues, it is recommended that speakers with opposing views be invited and given equal facilities and consideration. The sponsoring student group will not necessarily be held responsible for unforeseeable illegal actions on the part of their guest speaker, but will be held responsible if they have prior knowledge or intend themselves to sponsor events in violation of the law or to purposely incite illegal acts. Guest speakers are accountable for their actions under valid general laws

and are not immune from legal action if so warranted.

FUND RAISING

For the purpose of this Handbook, the term "fund raising" refers to those recognized student organizations which intend to raise additional monies not included in the ASBSU budget through the solicitation of donations, the charging of admission, or the selling of products or services.

1. The authority to approve or disapprove all activities and requests involving the solicitation of funds or fund raising for whatever purpose is vested in the Vice President for Student Affairs.

2. The Vice President for Student Affairs has delegated his authority as follows:

a. For all fund raising activities by recognized student organizations (except as written in Section 2b below), prior application must be made and approval granted through the Office of the Director of Student Activities/Student Union.

b. For all fund raising activities within University residential facilities by residential organizations, prior application must be made and approval granted through the Office of the Director of Student Residential Life. Other recognized organizations conducting fund raising activities within University residential facilities must obtain approval from the Director of Student Activities/Student Union and the Director of Student Residential Life. Residential organizations conducting fund raising activities outside of University residential facilities must obtain approval from the Director of Student Residential Life and the Director of Student Activities/Student Union.

c. In all cases, a written application form is required and the following information must be included: the name of the sponsoring organization; the product or service being sold; the purpose for which profits will be utilized and the location of the proposed activity.

3. Student organizations should check with city officials for off-campus solicitation regulations.

CAMPUS FOOD SALES

The University contracts with a commercial food service vendor to provide an exclusive contract for the merchandizing of all campus vending and food service sales. The one and

only exception to this policy is the provision that allows recognized student organizations to apply for a "Food Service Waiver" in conjunction with an approved fund raising activity (see Fund Raising, Section 2). Forms and additional detailed provisions for a student organization "Food Service Waiver" may be obtained from the Director of Student Activities/Student Union in SUB 204.

SOLICITING

1. Soliciting Agents are defined generally as any sales person selling a product or service for personal profit or gain. This definition includes religious proselyters, charity and/or donation representatives.

2. University Policy:

a. All solicitation of students for funds for whatever purpose is prohibited on campus unless authorized by the Vice President for Student Affairs.

b. No canvassing of the residence halls, Student Union or other university-owned buildings for potential customers is permitted. This includes door-to-door or person-to-person selling.

(1) An agent may visit or conduct business with a specific student only when invited or requested by that student.

c. Sales representatives may use certain restricted facilities in the Student Union Building with the express written consent of the Director of Student Activities and Student Union. They are also encouraged to advertise in the recognized student newspaper.

ANIMALS ON CAMPUS

All public laws, both city and state, apply to any type of animal on the campus grounds. Animals are not allowed inside of any University building, with the exception of guide dogs and animals maintained for educational purposes.

MAINTAINING ORDER

Reference: BSU Policy 4104-B.

1. Policy: As designees of the chief administrative officer charged with maintaining order on the campus and its facilities, members of the Boise State University faculty are responsible for ensuring orderly conduct in areas under their direct supervision.

Therefore, a member of the University community, in fulfilling his professional and contractual obligations, may dismiss a student from the course for the remainder of the semester when a student violates any of the following specific policies listed under the Code of Conduct in the Boise State University Student Handbook.

A. Harrassment: Any practice by a group or an individual that detains, embarrasses, or degrades a member of the University community, endangers his health, or interferes with class attendance, or the pursuit of education is prohibited.

B. Lawful Orders: Failure to disperse or leave, disrupting or obstructing a University building or facility, room or other premise, or to cease the use of loudspeakers, amplifiers, or other forms of noise after being given notice, or a lawful order to do so by a duly authorized agent or administrative officer of the institution is prohibited.

C. Disorderly Conduct: Detention, threatening, or physical abuse of another person, or obstructive or riotous acts in or associated with the University community is prohibited. The above includes verbal or physical abuse of any member of the Boise State University community on or off campus where the situation involves the educational purposes or objectives of the University.

D. Official Notification: Failure to comply with any official notification, written or verbal, of a duly authorized administrative, faculty, or judicial representative of the University may result in disciplinary action.

In addition to the above Student Code of Conduct, students may be dismissed for violation of Idaho Code 33-3715 and 33-3716.

II. Procedure For Dismissal From One or Two Class Periods Only: A written report of any student dismissed from class must be submitted to the appropriate academic dean, with a copy to the department head, no later than one working day after the dismissal.

III. Procedure For Dismissal for the Remainder of the Semester: The faculty member, if he/she feels it is warranted, may choose instead to dismiss the student from the course for the remainder of the semester. If the instructor does dismiss the student from the course for the remainder of the semester, he/she must submit a concise Statement of Fact specifying the reasons for the dismissal, the individual(s) or group(s), the factual details of the incident, the names of witnesses, and any applicable dates, times, or places. This Statement of Fact must be submitted to the appropriate academic dean, with a copy to the department head, no later than one working day after the incident. Immediately upon receipt of the Statement of Fact, a hearing should be scheduled to afford the student and the faculty member opportunity to present their positions to the dean.

The student and the professor are to be notified by the dean, or his designee, no later than two working days after receiving the Statement of Fact if the dismissal is upheld. If the faculty member, department head and/or dean feel further disciplinary action is necessary, a complaint may be filed with the ASBSU Judiciary.

IV. Procedure for Appeal: If the dismissal is upheld by the dean and the student desires to appeal the decision, an appeal request must be filed with the Academic Grievance and Academic Dishonesty Board within three (3) working days of the above notifications.
