Student Health Insurance

Coverage: All full fees students (8 or more credit hours) are automatically covered by the health insurance program when the full-time registration fee is paid. Students are insured at home or school, while traveling, and during all vacation periods 24 hours a day during the policy period. Coverage for the Fall Semester begins on the first day of class and ends on the first day of the Spring Semester. Spring Semester benefits continue through August of that year. Student health insurance benefits are available to dependent's and to part-time students who pay less than full-time fees but are enrolled in at least three credit hours of class each semester.

Refund: Students not wishing to keep this insurance coverage can apply for a refund of the insurance fee by filing a petition with the ASBSU student health insurance representative within 10 days from the beginning of the semester (see posted dates). The student insurance representative's office is located in the SUB ANNEX II, (telephone 385-3863) and should be contacted for consultation on the program and claims procedures.

The **STUDENT HEALTH CENTER** is a separate program that is NOT connected with the health insurance. All **full-time** students are eligible for medical assistance or service from the Student Health Center with or without insurance.

Boise State University Parking

Traffic and Parking Regulation Brochures

Available in the Parking Services Office (Room 118, Admin. Bldg., 385-1681). The regulations apply on all University property, at all times, unless otherwise specified.

Reserved Parking

Reserved permits cost \$65 per year. \$28 of the permit is deposited in the University's Scholarship Fund and is tax deductible.

A vehicle registration card must be completed prior to issuing an assigned permit number for your designated lot. You must park in your designated lot only and in any legal parking space. There are no individually assigned spaces. Restricted lots are reserved from 7:00 a.m. until 3:00 p.m. Monday through Friday and your reserve permit is NOT VALID in the GENERAL PERMIT parking lots between 7:00 a.m. and 3:00 p.m. Current Reserve Permits may be renewed from May 1 until the first week of August. Remaining reserve permits will be sold to students, staff or faculty on a first come, first served basis.

General Parking

General permit parking is available in the unreserved portion of the Towers

lot, the west side of the Pavilion Lot and designated campus roads or parking lots. Only one permit is issued for the price of \$15 and is valid only when properly displayed in a registered vehicle. A vehicle registration card must be completed to obtain a permit.

A General permit **does not** guarantee you a parking space. It **does not** allow you to park in fire lanes, handicap spaces, loading zones, no parking or yellow painted areas.

Metered Parking Spaces

Heavy traffic areas such as the Administration and SUB parking lots have metered parking spaces identified for the convenience of short-term visitors, students, staff or faculty. Each space is regulated with half-hour, one-hour, or two-hour parking meters at a cost of 25¢ per half-hour.

Open Parking

The east side of the Stadium Parking Lot is the **only area** on campus that does not require a permit. This enables visiting seminar participants, special meeting groups, etc., to park on campus without incurring a parking violation.

Evening Parking

After 3:00 p.m. permits **will** be required for evening use of the parking facilities. The cost of an Evening permit is \$5.00. Evening permits are valid from 3:00 p.m. until 7:00 a.m. only. Daytime permits are valid in the evening. No parking will be allowed in fire lanes, yellow zones, no parking areas, handicap spaces or signed designated reserve spaces.

Campus Housing Parking

University apartments and residence hall parking permits are available in the Parking Services Office and are required for University Courts, University Heights, University Manor, and all residence halls. Apartment permits are issued free of charge, while residence hall permits are issued with the purchase of a General Permit.

Handicapped Parking

Students, staff, and faculty with physical disabilities may purchase a Handicap Parking Permit for \$15 with a written request from their physician to the Dean of Student Special Services. This permit allows parking in designated handicapped spaces or in any reserved or general permit required parking lots. **The permit does**

not allow free parking in metered parking spaces.

A temporary handicap permit may be obtained at no charge for a maximum of 30 calendar days. The temporary permit may be extended beyond the 30 days with the purchase of a general permit.

Summer Parking

Permits are required for summer use of parking facilities. All rules and regulations are enforced. Permits purchased for Fall or Spring semesters are valid during the summer. Summer Only Permits will be available from the last day of Spring Semester and are only valid until the end of summer. (See current parking brochure for fee schedule). The general permit portion of the Stadium parking lot will be open parking (no permit required) for the summer only.

This office does not set policy or rules and regulations for parking on campus. Its function is to efficiently operate, manage, and enforce the University's parking rules and regulations. Any comments or concerns should be submitted in writing through this office to the University Administration and Parking Advisory Committee. Please

refer to the Parking Brochure for the deadline dates for submitting an appeal or paying a fine and a description of violations.

Towing and Impoundment

Parking control officers may use their discretion in towing away vehicles. This practice may be used when a vehicle is: (1) obstructing or blocking the flow of traffic; (2) parked in a loading or yellow zone, fire lane, handicapped space, reserved lot, etc.; (3) owned by a "continual violator" or by someone whose parking privileges have been revoked; (4) blocking or obstructing another vehicle.

Continual violators are individuals who accumulate three (3) or more parking violations. They are subject to towing until all violations are cleared with the parking services office.

Financial Aid

385-1664

The primary purpose of financial aid is to provide financial assistance and counseling to students who would be unable to attend the University without such help. Financial aid is available to fill the gap between the student's potential resources and yearly educational expenses. The ultimate responsibility for meeting educational costs rests with the individual student and parents.

The Financial Aid Office is located in Room 117 of the Administration Building and has a comprehensive financial assistance program which includes a variety of scholarships, loans, grants, and part-time employment. Financial aid eligibility is determined by a careful analysis of the student's financial resources from information furnished on the Financial Aid Form (FAF) submitted to the College Scholarship Service (CSS). A uniform method of analysis man-

dated by Congress determines a student's financial need. Every attempt is made to ensure a fair distribution of the resources available to the University. Students should contact the Financial Aid Office early in the semester prior to the first semester of enrollment to learn what assistance might be available and how to apply.

To receive financial aid, an eligible student must: (1) be enrolled for the purpose of obtaining a degree, diploma or certificate; (2) be in good academic standing; (3) be progressing toward a degree/certificate at the rate defined below; and, (4) complete degree requirements within the maximum time frame provided by this policy.

Enrollment Status

Full-time Undergraduate	12 credits per semester
Part-time Undergraduate	6-11 credits per semester
Full-time Graduate	9 credits per semester
Part-time Graduate	5 credits per semester

Good Academic Standing

Students on academic probation at the end of the Spring Semester are not eligible for financial aid. This includes transfer students who are admitted on probation and continuing students who are readmitted by their deans.

Satisfactory Progress

During any year in which a student receives financial aid, the student must be making satisfactory academic progress by completing a minimum number of credits as calibrated below.

No. of Sem.	Bachelor's		Associate		Master's	
	Full Time	Part Time	Full Time	Part Time	Full Time	Part Time

Maximum Time Frame Allowed for Completion of Degree

Type of Degree/Certificate	Full-time	Part-time
Bachelor's	6 years	9 years
Associate	3 years	4 years
Master's	2 years	3 years

Vo-Tech & Certificate Programs: Within normal program length (i.e. 11 months, if an 11-month program)

To qualify for the part-time completion time frame, the student must have enrolled part-time at least 50% of the total time. At a minimum, a Satisfactory Progress Review will be conducted annually after spring semester grades are available. A student who does not complete the minimum number of hours required has the following options:

1. Enroll in the necessary number of hours during the summer term without summer financial aid. Successful completion would re-establish aid eligibility for the following fall semester as long as the student is not on probation and meets all other eligibility requirements.
2. Enroll without financial aid and reapply for aid consideration once the minimum credit hour requirements have been made up.
3. Appeal in writing for an exemption from this policy. Extenuating circumstances must be clearly documented.

The following shall not be counted as credits completed: F, audit, with-

drawal, and incomplete. Remedial courses (E-010, etc.) will be counted as equivalent hours completed unless the student fails the course.

Complete Withdrawals will be counted as semesters attended.

EXCEPTION:

Students who earned at least 12 credit hours (excluding remedial credits) with a 2.5 GPA during the most recent semester at BSU, and who have not exceeded the maximum time frame allowed for completion of degree/certificate, can file an Appeal For Exception with the Financial Aid Office and receive one additional semester of aid eligibility while making up any deficit.

ADVANCEMENT BETWEEN DEGREE PROGRAMS: Normal advancement must be shown between degree programs (i.e., certificate to BA, associate to BA, BA to MA [but not MA to certificate]).

REINSTATEMENT: Students must no longer be on academic probation or deficient in the minimum number of credits completed to reinstate their eligibility for financial aid.

APPEALS: The Financial Aid Office will consider written appeals for exemption of the Satisfactory Academic Progress Policy if the poor academic record occurred at least three years prior to application for financial aid. Other documented extenuating circumstances will also be considered and the Financial Aid Office may grant an exemption for a limited period of time. Appeals may be submitted until one week after mid-term grades are due in the Registrar's Office. Appeals will not be considered for previous semesters.

Student Union & Activities

Pardon our dust! With the official ground breaking ceremony on February 1, 1990 the Student Union & Activities entered the world of the hard hat. This ceremony capped over 30 months of careful planning and design development to expand and renovate the Union and marked the beginning of 400 days of construction. We look forward to the challenge of bringing a high level of service to you while operating from a wide variety of spaces around campus. We are committed to bringing you Student Union & Activities programs that are bigger and better than ever. Try us and see for yourself!

Interruptions in service? Minimal, but inevitable. We will publish those necessary inconveniences and also, general information in advance. Watch for our newsletter, the Union View, for the latest in construction informa-

tion. Before you think this is a lot of trouble for a paint job, grab your DeLorean, fill up Mr. Fusian, and come with us to look at what's in your future...The remodeling of the student-friendly Union will provide even more room to study, relax and recreate for both the resident students and those who make the daily commute to BSU. Highlights that we're excited about include:

- an expanded **Residential Dining Area** that will be used for studying after meal hours.
- on the second floor, a **beautiful open air lounge** with a view of the mountains on the north side of the Union for informal chats, studying, or just hanging out.
- **art exhibits** by BSU and community members in a variety of media as well as selected touring exhibits.
- an expanded bookstore **on the first floor of the Union** to provide more products and services to students.
- more room for **your student government and recognized student organizations** because of a 20,000 sq. ft. addition between the Union and the Special Events Center.

This may sound fine for normal daytime activities, but there's never anywhere to go on campus after about 5:00 p.m. Well, picture this . . . you're behind in your reading, you have two papers due, and that test is tomorrow. You have been cramming for 4 hours without a break and you'd like to take off for just a little while to that cool coffeehouse in Old Boise or, better yet, a premium ice cream parlor where the butterfat content is higher than the national debt. STOP! Come to the Union. One of our many new services will be an **after hours cappuccino/ice cream bar**. A quick walk to the Union and you enter a bright, diverting place that will relieve your stress quotient by at least 50%. A place that was made to assault the senses with the aroma of freshly ground coffees and the sight of hot colors of neon that will not dim when the sidewalks are rolled up after classes

each night. Wake up and smell the coffee! Enjoy.

We hope this mental tour through our blueprints has intrigued you and given you something to look forward to in the Spring of 1991.

STUDENT RESIDENTIAL LIFE 385-3986

The Office of Student Residential Life assists students with their residential experience. It is responsible for the residence halls and University apartments.

Students with problems or questions related to their housing situation can come to Room 214, Administration Building or call 385-3986 for assistance.

The office also tries to identify the needs of students related to their residential experience. Through individual counseling or new programs these needs can best be met. This includes married students, single parents, single students, off-campus students, and residence hall students. The office supervises all applications, assignments, and billings for on-campus and University apartments, and maintains listings for off-campus accommodations.

RESIDENCE HALLS

The University has five residence halls, serving over 780 students: Barnes Towers is a coed hall for 300 students; Chaffee Hall, also coed, has a capacity of 290; Driscoll and Morrison Halls accommodate 82 students each; with Driscoll serving as a women's facility and Morrison as an upperclassman coed hall. Lincoln Hall houses 28 residents in four suites.

Residence Hall Student Government

Each hall has a Hall Council made up of elected executive officers and floor/suite representatives. This organization has a very direct voice in

the programs and policies governing student life in the respective halls.

How To Apply

Applications are available upon request. The completed form and a \$60 application fee/security deposit should be returned to the Office of Student Residential Life as soon as possible to ensure assignment.

Residence Hall Association (RHA)

RHA is the organization which represents the central governing body of the students in the residence halls, with the Resident Directors serving as advisors. It is affiliated with the national organization, and is directly involved in programming and policies for the halls.

Resident Advisors (RAs)

Each hall has Resident Advisors who are selected students trained to assist the residents. The RAs serve as resource people, advise students and student groups, help individuals with problems, implement policies, and basically are there to listen and offer assistance.

Residence Hall Judicial Boards

Students who are suspected of a violation of a University or residence hall policy are referred to a Judicial Board composed entirely of students. There is the right of appeal from the board to the Associated Student Body Judiciary.

Program Fees

The residence halls have a required program fee. The fee is used by each hall government for programs, activities and a variety of interest group projects selected by the students.

Semester and Spring Breaks

The residence halls are officially closed during semester and spring breaks. Any student desiring to remain in the halls for all or either of these periods or a portion thereof will be required to pay a per night rate.

Residence Hall Acceptance

Accepting and processing of the housing contract by the Student Residential Life department does not constitute approval of academic admission to the University and the ap-

plication for admission is not an application for housing.

Contract

Housing is provided to students who agree to contract for the academic year or for the remainder of the academic year should the student move in after the year begins. Eligibility to live in a residence hall is dependent upon an individual being accepted by the University as a regularly enrolled student. Priority assignment will be made to students carrying 8 or more credit hours. Students who drop below 8 credit hours may be asked to move from the hall.

UNIVERSITY APARTMENTS

Boise State University has three complexes, with approximately 170 apartment units.

How to Apply

Applications are sent to all students and prospective students who request them. Upon receipt, the students should submit the completed form and a \$50 deposit to the Office of Student Residential Life as soon as possible to be placed on the waiting list. The student will be contacted when the apartment she/he applied and is eligible for becomes available. It is the responsibility of the student to notify the Office of Student Residential Life of any change in telephone number, address or plans.

Eligibility

Priority is given to married students and single parents with a child or children; however, where space permits, one bedroom apartments are made available to single students. In all cases, the tenant(s) must be enrolled as a full-time student(s) at Boise State University.

OFF-CAMPUS HOUSING

The office provides very limited services to students who are seeking off-campus housing. Listings are maintained on available apartments or houses that come to our attention. However, we are unable to go beyond simply making these listings available to anyone who can come

to Room 214 of the Administration Building.

Equal Availability

The University is an equal opportunity institution, and offers its living accommodations without regard to race, color, national origin or handicap (as provided for in a Title VII and Title IX and Sections 503 and 504 of the Rehabilitation Act of 1973).

Application Process

To apply for either the residence halls or University apartments, write to:

Students may interact with a computerized Career Guidance System called SIGI PLUS. Up-to-date occupational information on the current employment and wage outlook along with descriptions of occupations or careers in Idaho can be obtained by using the Idaho Career Information System (ICIS). SIGI PLUS and ICIS are available on a computer in Room 124 of the Administration Building.

Career Planning and Placement also assists graduating students and alumni by providing information about job hunting techniques and employment opportunities.

Graduating students are encouraged to establish a placement credential file with the office early in their final year. This permanent file contains references and other valuable information which can be provided to employers or graduate

schools. The office also arranges for a variety of employers to interview graduating students on the campus and maintains listings of job openings.

ART, MUSIC AND THEATRE ARTS

Throughout the year the **Art Department** sponsors a variety of art shows of both regional and nationally known artists. In conjunction with these shows, the Gallery invites artists to present workshops. These workshops vary in nature from sculpture to photography and are open to all students. Each spring, the Art Department sponsors a senior show. Outstanding student art work is displayed during the year. The Art Department is located in the Liberal Arts Building, second floor, room LA-252.

The **Music Department** offers a wide variety of opportunities for involvement by students, both as participants and as spectators. The Marching Band, Symphonic Band and University Singers are open to all students without audition. Meistersingers, Orchestra, Music Theatre, Jazz Band, and other ensembles are open to students by audition. The Opera Theatre and Summer Music Theatre are open to students and community people by audition. Academic credit is available for most of these groups and activities. All student musical groups perform regularly on the campus and most participate in a tour each spring. The Faculty Artist Series Recitals are scheduled throughout the school year.

The **Theatre Arts Department** schedules four to eight productions each year that are open to all students. Full-time University students may obtain a free ticket to each major production. The department also hosts a secondary school festival in February of each year and offers a musical each spring in the Main Hall of the Morrison Center with professional guest artists. Upper division students are encouraged to direct and produce their own plays. Academic credit is sometimes available for such individuals.

Details about concerts, recitals, and productions can be obtained from the Theatre Arts Department office, phone 385-3957 or the Music Department office, 385-1771. Both departments are located in the Morrison Center, first floor, room MC-C100.

The **Morrison Center**, located on the west end of the campus near the Boise River, is one of the finest performing halls in the country, bringing a new era of artistic excellence to Boise and Southern Idaho. The Morrison Center provides an excellent setting for performers and audiences alike to enjoy a ballet, musical, symphony, chorus, opera, ensemble or a solo performance. The **Main Hall** features a ten story stage house and the room will accommodate over 2,000 patrons. The Hall can be acoustically tuned for a solo performance or a full musical production. Facilities available for disabled persons include wheelchair seating on both levels, self-contained broadcast units for the hearing impaired.

The **Academic Component** allows the Music and Theatre Arts Departments to teach students in well-equipped areas that include private studios, music theory classrooms, rehearsal rooms, electronic laboratories, a scene design studio and a theatre laboratory. In addition, the proximity of the performing hall gives the students the opportunity to participate in all phases of a major performance, from the technical setup and rehearsal to the management of the event itself. The ground floor includes four large performing or rehearsal spaces, each with a multiple use potential for both community and the university, and each with special acoustical features.

The **Stage II Multiform Theatre** seats 225 and houses many of the Theatre Arts Department productions.

The **Recital Hall** seats 200 and is used for solo and ensemble performances and as a classroom by the Music Department.

The **Choral Rehearsal Room** is just off the main lobby and can be used as a reception area for premieres and other performances in the **Main Hall**. Another large room is used for band and orchestra rehearsals and both have special acoustics.

Boise State University has an excellent women's intercollegiate program which includes seven sports. As a member of the Big Sky Athletic Conference, Boise State University competes in cross country and volleyball in the fall; gymnastics, basketball, and indoor track and field in the winter; tennis and outdoor track and field in the spring. Each sport holds a conference championship at the end of the regular season and qualified teams plus individual champions frequently proceed from there to the national championships. A special effort is made to include all women interested in competition. Women desiring to become members of one or more of these teams should contact the coach as early as possible to receive information concerning practice schedules.

MEN'S ATHLETIC PROGRAM

Boise State University encourages intercollegiate athletic competition for men students who have the ability and wish to experience competition beyond the intramural and club sport level. As a member of the Big Sky Conference, the University competes in football and cross country in the fall; basketball, wrestling, and indoor track in the winter; and outdoor track, tennis, and golf in the spring. The Department of Men's Athletics provides excellent coaching to the men who participate in the intercollegiate athletic program. Intercollegiate contests are played under the rules of the National Collegiate Athletic Association (NCAA), of which the University is a member, and the Big Sky Conference. All men who wish to participate in the intercollegiate athletic program are encouraged to contact the coach of the sport they are interested in (listed below under "Big Sky Athletics") for information concerning eligibility and practice schedules.

Student Government 385-1440 or 385-1547

Purpose

Student Government promotes educational, social and cultural activities; acts as the official voice of the student body; and facilitates student participation in the university community for the betterment of Boise State University.

Our key objective is to build for both today and tomorrow and to create programs, opportunities and skills desirable in achieving the maximum in education.

The rewards for involvement encompass the feeling of accomplishment along with exposure of meeting new and interesting people and appreciation for the time and talents of other individuals as well as your own.

Government Organization

The Associated Students of Boise State University (ASBSU) provides for the organized conduct of student affairs and promotes the education, social and cultural activities of students, while facilitating student participation in the university community. The ASBSU is organized into three branches: **Executive**, **Judicial**, and **Legislative** (Student Senate).

The **Executive** branch of student government includes the Student Body President, Vice President and a Treasurer appointed by the ASBSU President.

The **Legislative** branch of student government is the Student Senate with one elected Senator from each College/School plus one Senator-at-Large for every 1,000 full fee paying students. The ASBSU Vice President serves as Chair of the Senate.

The **Judicial** branch of student government is composed of five (5) student members and two (2) teaching faculty with equal voting rights. Only the student members are eligible to serve as Chief Justice.

Executive Branch

The ASBSU President, Vice President, and Treasurer administer the affairs of the Associated Students and carry out the policies adopted by the Student Senate. They coordinate relations with other student associations and with the University Administration. The student body President is the Chief Executive Officer and official representative of the student body and has the authority to: approve or veto any rule, act or action adopted by the Student Senate; make appointments to various offices, boards, and committees with the approval of the Student Senate; submit a budget for all associated student programs to the Student Senate for their approval; and, call special meetings of the Student Senate.

The Student Body Vice President presides over the Student Senate each week and assumes the duties of the Student Body President during an absence or a vacancy.

The Student Body Treasurer maintains the financial records of the student government, submits monthly financial reports to the Student Senate, and assists the Student Body President with the preparation of the annual budget message to the Student Senate.

ACADEMIC REGULATIONS

Faculty Advisors

All new full-time students are assigned to a faculty advisor prior to registering for classes. The faculty advisor will assist in identifying academic requirements, possible educational and career goals, a program of study, and in completing the *Proposed Course Schedule form*. Full-time students registering for eight credit hours or more must meet with their advisor for approval of their course load or to change courses.

Students who are undecided about a major are advised at the **Academic Advising Center**, Math/Geology Building, room 102. Students who are interested in General Business are advised at the **Student Services Center**, Business Building, Room 203.

You may change from one faculty advisor to another after the first semester in attendance by contacting the Advising Coordinator of your college. To ensure a successful educational experience and to improve one's chances of earning a degree you should establish a close working relationship with your faculty advisor.

Grading System

Each letter grade you earn in a course is assigned a quality point value per credit hour that is used to compute Grade Point Averages:

A = 4 quality points per credit hour
B = 3 quality points per credit hour
C = 2 quality points per credit hour
D = 1 quality point per credit hour
F = 0 quality points per credit hour

I = **Incomplete** = 0 quality points until work is completed (see below)

P = **Pass** = credit earned but no quality points

W = **Withdrawal** = 0 quality points and credit

AUD = **Audit** = 0 quality points and credit

NR = **No Record** = 0 quality points and credit until a grade is assigned

Grade Point Average

Add total quality points earned and divide by total credit hours attempted. Credit hours for grades of "P" are not used but credit hours of "F" in a Pass/Fail course are used in calculating your GPA.

Incomplete Grades

An incomplete grade may be assigned if your work has been satisfactory up to the last three weeks of a semester but cannot be completed because of circumstances beyond your control. Arrangements must be made directly with the professor to:

1. Make up the work within the first half of the next semester of attendance.
2. Request an extension of time from both the professor and Department Chairman.
3. Re-enroll in the course.
4. Request the incomplete be changed to a "W".

If you fail to contact the professor by mid-semester of your next enrollment the professor can:

1. Change the incomplete to a letter grade (A - F).
2. Change the incomplete to a "W" (Withdrawal).
3. Extend the incomplete into the next semester.

Dean's List

Undergraduate students who complete twelve or more credits of graded academic work in a given semester and earn a 3.5 or higher grade point average are officially recognized by placement on the Dean's List. Students who earn a 3.5 or higher grade point average for all of their academic work are officially recognized at the time of graduation in the commencement program.

Classification of Students

All registered students are classified according to the number of credit hours or degree earned.

Special -	no degree intent - courses of interest only
Freshman -	has earned 0 through 25 credit hours
Sophomore -	has earned 26 through 57 credits or is enrolled in an Associate, Diploma or certificate program
Junior -	earned 58 through 89 credit hours
Senior -	earned 90 plus credits or is enrolled in a second B.S. or B.A. degree program
Graduate -	has earned a B.A. or B.S. degree and is enrolled in a graduate level degree program.

Students enrolled for 8 credit hours or more are required to pay full fees but may not be considered as full-time students under certain academic policies (see the University Catalog for enrollment verification to other agencies).

Complete Withdrawal from The University

To withdraw from the University in "good standing" you must officially request and sign a ***Complete Withdrawal Form*** in the Dean of Student Special Services Office. Vocational Technical students must first clear with a vocational counselor before reporting to the Student Special Services office. If you are physically unable to come into the office, then telephone or write to the dean for a ***Petition for a Complete Withdrawal***. The petition must be completed, signed, and returned by you before we can close out your academic records for the semester.

It is not necessary to request a withdrawal from the University after a semester has been successfully completed or between semesters. Re-

member, if you enroll in any courses for credit and do not complete the requirements or withdraw, a grade of "F" will be recorded on your transcript.

Right to Appeal: You have the right to appeal to the Dean of Student Special Services for any exception to the requirements of any regulation because of an emergency or medical reason, a hardship or extenuating circumstance that can be verified. The Dean of Student Special Services Office will investigate and confirm your situation before a record change is approved or denied.

Administrative Holds and Withdrawals

During a semester, registration for classes can be canceled for any of the following reasons: delinquent financial accounts (bad checks, library fines, overdue loans, bookstore or housing accounts, etc.); incomplete admissions file (no transcripts, test scores, etc.); falsification of official records; registering for classes while academically disqualified; failure to respond to any official summons or behavior that exhibits a clear and present danger to yourself and others. The faculty can also drop you from a class if you register for credit or audit and never or seldom attend or if you do not meet the course prerequisites.

Academic Probation and Dismissal Policy

A student whose academic work falls below the level indicated in the table below is placed on academic probation. A student who continues on academic probation at the end of the next semester of attendance is subject to dismissal from the University. Transfer

students admitted on probation must earn at least a 2.00 GPA their first semester or be subject to academic dismissal.

Total Cumulative Credits Earned	Minimum BSU Cumulative GPA
0 - 6	1.00
7 - 32	1.60
33 - 64	1.80
65 or more	2.00

A. Academic Probation

1. At the end of a semester (fall, spring or summer) an undergraduate student who does not attain the cumulative grade point average required for the total number of hours earned (including transfer or nontraditional credits) is placed on probation for the next semester of enrollment. Notification of probationary status is by letter (to your most recent mailing address) sent two weeks after the close of a semester.
2. A student on academic probation whose cumulative GPA improves to the acceptable level will be automatically removed from probation.

B. Dismissal

The student who continues on academic probation at the end of the next semester of attendance will be dismissed from the University. If the student's GPA for the next semester of enrollment is 2.00 or higher the student remains in a "continued probation" status until the cumulative GPA is 2.00 or

higher. Notification of dismissal is by letter (to your most recent mailing address) sent two weeks after the close of a semester.

C. Reinstatement

1. A student dismissed from the University may be reinstated by receiving favorable action on a petition to the academic dean of their major. This is the *only* route to reinstatement and applies even to the student who has attended another institution since being dismissed from this University. Readmission to a college may be accompanied by academic performance requirements which are more stringent than those of the University. Failure to meet conditions specified for continuation as a major in a particular college may prohibit a student from future enrollment in that college even though the University minimum academic requirements are satisfied.
2. Normally, a student is reinstated on probationary status. If, however, the student's GPA meets the minimum requirement, the dean may elect to admit the student in good standing.

D. Restrictions

A student on probation is ineligible to participate in University sponsored extracurricular activities. (See Eligibility for Extracurricular Activities section of this Handbook.) A student on academic probation is

ineligible to receive financial aid. (See financial aid section of this Handbook.)

Student Records

When a student enters the University and submits the requested personal data, there is an assumed and justifiable trust placed upon the University to maintain security of that information for the protection of the rights of the student. To protect students against potential threats to their individual rights inherent in the maintenance of records, the many disclosures requested regarding student records, and in compliance with the Family Educational Rights and Privacy Act of 1974; the University has adopted BSU Policy 4205-D (Student Records). The policy statement in its entirety is contained in the Administrative Handbook of Boise State University. Any students, faculty or staff who have questions regarding records policies of Boise State University may consult with the Vice President for Student Affairs.

The following is considered to be public or directory information unless you specifically state you do not wish to have it released:

Name
Local Address/Telephone Number
Major Field of Study
Dates of Attendance
BSU degree, Date Degree Conferred

All official academic records are maintained by the Registrar's Office. Copies of your transcripts may be obtained by making a request in writing or in person.

STUDENT POLICIES & PROCEDURES

STUDENT BILL OF RIGHTS

Preamble

Ideally, each member of the University community assumes individual responsibility for her or his personal freedom and obligations. The university community expects all members to discipline themselves, individually and collectively, and it requires adherence to the standards of conduct appropriate for an academic community. It must and will take appropriate action when a member's conduct places the best interests of the community in jeopardy. Each student, as a member of this community, is responsible for being familiar with the policies of Boise State University.

Students are both (1) citizens and (2) members of the academic community. As (1) citizens, they enjoy the same freedoms of speech, peaceful assembly, and right of petition that other citizens enjoy. As (2) members of the academic community, they assume the obligations inherent in that membership and as representatives of the University. These obligations include a creditable demeanor for themselves first and the institution second, reflecting intelligence, maturity, concern for the rights of others, and regard for the educational mission of the University.

For the purposes of applying this statement, a "student" is defined as any person who is regularly enrolled in the University as an undergraduate student, graduate student or who is admitted as a nonmatriculated student or who is pursuing extension studies.

Freedom of Association

Students are free to organize and to participate in voluntary associations of their own choosing, subject only to reasonable University regulations insuring that such associations are neither discriminatory in their treatment of other members of the University nor operated in a manner which substantially interferes with the rights of others. Freedom of association may not be forbidden because of the general political or philosophical objectives of any particular group. However, campus groups or organizations are under a strong obligation to avoid representing their actions or views as those of the University.

Recognized Campus Organizations

A recognized organization is a group of BSU students organized for a stated purpose which has official recognition from the ASBSU. Affiliation with an extramural organization shall not of itself disqualify a student organization from institutional recognition nor from the use of University facilities, although reasonable provisions may be made to safeguard the autonomy of a campus organization from domination by outside groups. (See Student Organizational Policies in this Handbook.)

Freedom of Speech and Assembly

No rule shall restrict any student expression solely on the basis of disapproval or fear of his/her ideas or motives. Students and student organizations shall be free to examine

and discuss all questions of interest to them, and to express opinions publicly and privately. Modes of expression or assembly that are manifestly unreasonable in terms of time, place or manner may be forbidden. This does not, however, abrogate the students' accountability as citizens to the laws of the larger society.

1. Students and student associations shall always be free to support causes by orderly and peaceful assembly which do not infringe upon the rights of others. Such expressions are to be made clear to the academic and larger community that they represent views of the students or student associations and not the University.

2. Student groups are allowed to invite and to hear any person of their choosing. Routine procedures required by an institution before a guest speaker is invited to appear on campus shall be designed so as to insure that there is orderly scheduling of facilities and adequate preparation for the event. Institutional control of campus facilities shall not be used as a device of censorship. It shall be made clear to the academic and larger community that sponsorship of guest speakers does not necessarily imply approval or endorsement of the views expressed, either by the sponsoring group or the institution. (See Speaker's Policy in this Handbook.)

Freedom of the Press

There shall be no ideological censorship in the determination of printed matter available on campus; access to publications is not to be denied because of disapproval of their content. Any student publication supported by compulsory student fees or by substantial institutional subsidy shall, however, be subject to the rules and regulations of the State Board of Education acting as trustees of Boise State University or their designees.

Freedom in the Classroom

The classroom is not an unstructured political forum; it is the center for study and understanding of described subject matter for which the instructor has professional responsibility and institutional accountability. S/he should respect the confidential nature of the relationship between instructor and students. S/he should avoid exploitation of students for private advantage and should acknowledge significant assistance from them. S/he should protect students rights as defined herein. Control of the order and direction of class, as well as control of the scope and treatment of the subject matter, must, therefore, immediately rest with the individual instructor, free from disruption by students or others who may be in disagreement with the manner in which s/he discharges his/her responsibilities. (See Maintaining Order in this Handbook.)

1. A student has the right to be informed in reasonable detail at the beginning of each term of the nature of the course, the course expectations, the evaluative standards, and the grading system that will be used.
2. A student has the right to take reasonable exception to the data or views offered in the classroom and to reserve judgment about matters of opinion, without fear of penalty.
3. A student has the right of protection against improper disclosure of information concerning his/her grades, views, beliefs, political associations or character which an instructor acquires in the course of his/her professional relationship with the student.
4. Students shall have protection through orderly procedures against

prejudiced or capricious academic evaluation. At the same time, they are responsible for maintaining standards of academic performance established for each course in which they are enrolled. (See Academic Grievance & Academic Dishonesty Board in this Handbook.)

Student Records

When a student enters the University and submits the requested personal data, there is an assumed and justifiable trust placed upon the University to maintain security of that information for the protection of the rights of the student. To safeguard student privacy, student records are not to be made available to unauthorized on-campus or off-campus personnel without the express consent of the student. Administrative staff and faculty members are expected to respect confidential information about students which they acquire in their capacity of providing counsel and advice. The student shall have the right of access to his/her official University record.

Equal Protection

The University has an obligation to apply its rules equally to all students who are similarly situated. This does not mean, however, that the University is required to refrain from taking action against some offenders because there are others who cannot be identified or who are not similarly charged. If in violation of any rules or policies of the University, procedural fairness is guaranteed to any student of the University. Such fairness incorporates adequate notice of the charges, the opportunity for a fair hearing, and the right of appeal. (See Judicial Procedures in this Handbook.)

CODE OF CONDUCT

The following policies are designed for the general well-being of all members of the University community. Any violations may result in disciplinary action and/or legal action.

1. Academic Dishonesty

Cheating or plagiarism in any form is unacceptable. The University functions to promote the cognitive and psychosocial development of all students. Therefore, all work submitted by a student must represent his/her own ideas, concepts, and current understanding. In an attempt to promote these ideals, dishonesty in the University can be defined generally as cheating or plagiarism in any form. The following are examples which can be used as a guide to the student in interpreting the above general definition, but is not meant to be an exhaustive list:

- a. Buying or in any way using a term paper or other project that was not composed by the student turning it in;
- b. Copying from another exam paper either before or during the exam;
- c. Using crib notes or retrieval of information stored in a computer/calculator outside the exam room;
- d. Having someone else take an exam or taking an exam for someone else.
- e. Collaboration on take home exams where it has been forbidden;
- f. Direct copying of another term paper; or
- g. Failure to give proper credit to sources.

The course instructor is responsible for handling each case of dishonesty in the classroom except where a major or repeated offense is involved. In proven cases of cheating a student will be dismissed from the class and a failing grade issued. If the instructor and the department chair concur that a

case ought to be referred for further University action (which could include suspension or expulsion from the University), the dean, or his/her designee, of the college in which the student is majoring will appoint a special hearing board consisting of three (3) faculty and three (3) students. The dean, or his/her designee, will preside over any hearing and will accord due process. The Academic Grievance and Academic Dishonesty Board would be the appropriate appeal body in such an instance. If a student feels he/she has been unjustly dismissed from class and given a failing grade, the Academic Grievance and Academic Dishonesty Board would be utilized as in any other case of an academic grievance. (See BSU Policies 4100-D and 4101-D.)

2. Alcoholic Beverages

a. Illegal possession or consumption of alcoholic beverages is prohibited in college or university owned, leased or operated facilities and on campus grounds.

b. Alcoholic beverages may not be possessed or consumed under any circumstances in areas open to and most commonly used by the general public. These areas include, but are not limited to, lounges; student union; recreation rooms; conference rooms; athletic facilities; Barnes Towers, Chaffee, Driscoll and Lincoln residence halls; and other public areas of university owned buildings or grounds.

c. Sale of alcoholic beverages is prohibited in college or university owned, leased or operated facilities, and on campus grounds.

d. Students who violate any of these policies will be subject to sanctions as have been established by institutional administration.

e. Guests and visitors shall observe these regulations while on campus or other college or university property. Noncompliance may subject a person to sanctions imposed by the college or University as well as to the provision of local and state law.

STATE LAW

Idaho law states that it is illegal to sell, serve or furnish beer, wine or other

alcoholic beverages or intoxicating liquor to a person under 21 years of age. It is illegal for any person under 21 years of age to purchase or attempt to purchase, procure, possess or consume any alcoholic or intoxicating liquor.

There are a number of minors attending Boise State University and as a state institution, the University is legally obligated to comply with the state law.

3. Drugs

Possession, manufacture, distribution, use or sale of drugs and narcotics classified as illegal, except those taken under a doctor's prescription, is prohibited on University owned or controlled property, in University related housing or at any University sponsored or supervised function.

4. Falsification of University Records

Willful falsification of official records or documents, or omission with the intent to deceive is prohibited. Included in this regulation, but not limited to the following examples, is the forging, alteration, or misuse of University documents, records, academic record change forms, fee receipts, identification cards, meal tickets, parking decals, financial aid forms, telephone billing cards, ASBSU forms or documents and computer tampering.

5. Harassment and/or Hazing

Any practice by a group or an individual that detains, embarrasses, or degrades a member of the University community, endangers his/her health, jeopardizes his/her safety, or interferes with class attendance or the pursuit of education, is prohibited. Included in this policy are actions or statements of a sexual nature which are intimidating, harassing or abusive along with implied or stated threats.

6. Illegal Entry

Any unauthorized or forceful entry, whether actual or attempted, into any University facility or building is prohibited.

7. Lawful Orders

Failure to disperse or to leave, disrupting or obstructing a University

building or facility, room or other premise, or to cease the use of loudspeakers, amplifiers or other forms of noise after being given notice or a lawful order to do so by a duly authorized agent or administrative officer of the institution is prohibited.

8. Theft

Theft or the conversion of another's property, personal, public or institutional is prohibited.

9. Destruction or Damage of Property

Malicious destruction, damage or misuse of University or private property including but not limited to library materials, fire equipment and alarms is prohibited.

10. Disorderly Conduct

Detention, threatening or physical abuse of another person, obstructive or riotous acts in or associated with the University community is prohibited. The above includes verbal or physical abuse of any member of the BSU community on or off campus where the situation involves the educational purposes or objectives of the University.

11. Lewd or Indecent conduct is prohibited as defined by city and/or state ordinances.

12. Gambling in any form is prohibited as defined by city and/or state ordinances.

13. Firearms or Dangerous Weapons

a. BECAUSE OF THEIR RECOGNIZED DANGER, FIREARMS, ILLEGAL KNIVES, EXPLOSIVES, CHEMICAL OR INCENDIARY DEVICES WILL NOT BE KEPT ON UNIVERSITY OWNED OR CONTROLLED PROPERTY OR IN STUDENT LIVING QUARTERS. Possession of explosives, chemical or incendiary devices, loaded or unloaded firearms on campus, except as expressly authorized by law or institutional policy, is prohibited. The Boise City Code interprets air rifles, pellet or BB guns as being weapons or firearms.

b. Possession and use of fireworks in any University building or on campus is prohibited.

c. Occupants in University housing and off-campus housing, living within the city limits are subject to Boise City Ordinances and State laws.

14. Group Offenses

Living organizations, societies, clubs, and similarly organized groups are responsible for compliance with University regulations. Upon satisfactory proof that a group encouraged or did not take satisfactory steps to prevent violations of University regulations, that group may be subject to permanent or temporary suspension, loss of recognition or charter, social probation or other action.

15. City/State Laws and other Institutional Policies

Violation of any city or state laws, University or ASBSU policies, may result in a sanction imposed under this code.

16. Official Notification

Failure to comply with any official notification, written or verbal, of a duly authorized administrative, faculty or judicial representative of the University may result in disciplinary action.

SANCTIONS

Sanctions which may be imposed upon an individual or group proven guilty for violation of the Code of Conduct or any other misconduct on or off campus may include any one or a combination of the following:

1. Expulsion

Is an action indefinitely terminating a student's registration at the institution. Any request for re-enrollment must be submitted in writing to the Student Policy Board, in care of the Vice President for Student Affairs.

2. Suspension

Is an action terminating registration in all or some classes for a prescribed period of time not to exceed two years. Any request for re-enrollment prior to the end of the prescribed period of time must be submitted in writing to the Student Policy Board,

in care of the Vice President for Student Affairs. (After re-enrollment there is normally a probation period to be determined by the judicial board which rendered the original decision.)

3. Conduct Probation

Is a written sanction with or without loss of designated privileges signifying that additional disregard for the Code of Conduct will constitute grounds for suspension or expulsion. A specific time period of probation will always be prescribed. Other conditions or restrictions may also be included or a combination of sanctions imposed.

4. Loss of Privileges

Is a disciplinary action excluding a student from participating in certain activities or enjoying certain privileges for a prescribed period of time. Loss of privileges may include, but is not limited to:

a. removal from campus living quarters or other University housing;
b. relinquishment of a student office;
c. loss of such other privileges as may be consistent with the offense committed and the rehabilitation of the student.

5. Censure

Is a written reprimand warning the individual that repeated infractions of the Code of Conduct could result in further sanctions by the Judiciary. The possible loss of a minor privilege or privileges and/or a fine restriction may also be imposed.

6. Restitution/Compensation

Restitution is the paying of fines or payment of damages for violations that caused the physical loss, damage or injury to property or person(s) and may be imposed with any of the above sanctions where appropriate.

Compensation may also be imposed for a particular act or violation of the code where said payment of a fine or the performance of a service is reasonable and appropriate.

Failure to comply will result in cancellation of the individual's registration and a HOLD on readmittance until the obligation is met.

PART I. Filing Complaints

A. Except in cases of Academic Grievances and Dishonesty, if any member of the University community feels s/he has a legitimate grievance against any other member or group of the University community s/he should contact and consult with the Office of Student Activities (or the Office of Student Residential Life if the situation is related to University residential facilities or programs). Likewise, if any member of the University community feels s/he has been discriminated against on the basis of race, color, national origin, sex, creed, age or handicap (as provided for in Title VI, Title IX and Section 504 of the Rehabilitation Act of 1973) s/he should contact the Office of Student Activities or the Affirmative Action Director. (For further information, see BSU Policy 1001-A.)

The purpose of any consultation specified above is to assure compliance with the procedure for filing complaints. **(For Academic Dishonesty cases, see Academic Grievance and Academic Dishonesty Board Section in this Handbook; for Affirmative Action or Sexual Harassment cases, see Administrative Handbook Policies BSU 1001-A and 1002-A.)**

B. If, after consultation, the complainant wishes to pursue the judicial process, the following information should be filed with the Office of Student Activities (or the Office of Student Residential Life if the situation is related to University residential facilities or programs):

1. A concise STATEMENT OF FACT specifying the charge(s), the individual(s) or group(s) being charged, factual details of the incident or grievance, names of witnesses or participating grievants, and any applicable dates, times and places.

2. A STATEMENT OF FACT by each additional participating complainant

or witness is encouraged but not required.

3. Any evidence, if applicable.

C. The Office of Student Activities (or Student Residential Life where appropriate) will notify the complainant and defendant of date, time, and place of any hearings and provide any other information necessary. The responsibility for summoning witnesses rests with the complainant and/or defendant.

PART II. Defendant's Rights

The Office of Student Activities (or Student Residential Life where appropriate) will notify all parties or groups named in an official complaint that charges have been filed.

A. The defendant(s) have the following rights as described below:

1. A hearing by a Judicial Board.
2. Notification of the specific charges filed and procedures involved in a Judicial Board hearing.
3. Access to all documents or evidence pertaining to the complaint entered by complainant(s) and/or witness(es).
4. Notification of the date, time, and place of the Judicial Board hearing at least seven (7) calendar days in advance. (Three (3) calendar days in advance for Residence Hall students where a hearing is involved with a Residence Hall Judicial Board or an appropriate administrative hearing officer.) The defendant(s) may in writing waive the seven (7) calendar days notice of hearing (or three (3) calendar days for Residence Hall Judicial Board cases).
5. Opportunity for appeal of any Judicial Board decision and adequate time to prepare appeal (see Part IV, Appeal Procedures).
6. A declaration in writing is necessary to waive a hearing by a Judicial Board and have the case adjudicated by the appropriate Student Affairs officer or by a committee composed of the faculty justices of the ASBSU Judiciary and ASBSU Judiciary advisor. However, in all instances where a hearing for disci-

plinary action would be necessary during the last two weeks of either semester or during the summer session, the complaint would be heard by the appropriate administrative hearing officer and not by a judicial board. In this instance, the avenue of appeal is through the appropriate Student Affairs officer rather than the Judicial Board.

B. The defendant(s) may consult with the Office of Student Activities (or Student Residential Life where appropriate) and file:

1. A STATEMENT OF FACT responding to the charges and citing any factual details or information not stated in complainant's STATEMENT OF FACT.
2. A STATEMENT OF FACT by any witness(es).
3. Any evidence, if applicable.
4. A waiver of NOTICE OF HEARING, if desired.
5. A waiver of hearing by Judicial Board, if desired.

PART III. Hearing Procedures

A. The defendant(s) may appear in person at a hearing. If the defendant(s) do(es) not appear, the Judicial Board will proceed with a review of the case at the stated date, time, and place.

B. It is the primary responsibility of the defendant to represent herself/himself.

C. The defendant(s) may have an advisor at the hearing.

D. Hearings may be open or closed at the option of the defendant(s). The Chief Justice or chairperson will have discretionary power to limit the number of observers at an open hearing.

E. A complete written or taped transcript of the hearing will be recorded and preserved by the appropriate judicial body until all appeals have been filed or heard.

F. The decisions and sanctions, if applicable, will be made available to

the defendant(s) at a time and place specified by the Judicial Board. It is the responsibility of the defendant(s) to secure his or her copy of the decision.

PART IV. Appeal Procedures

A. All appeals shall be submitted in writing setting forth a concise statement of fact clearly establishing one or more of the following grounds for appeal:

1. The decision or sanction was unreasonable;
2. The Judicial Board or Hearing officer was biased; or
3. The Judicial Board or Hearing Officer misinterpreted the Student Code of Conduct or University policies upon which the complaint was based.

In cases involving new evidence, the appeal should be submitted to the original judicial body and a new hearing requested.

B. Appeals from the lower judicial body should be made to the next higher body through the Office of the Vice President for Student Affairs; i.e., Residence Hall Judiciary to ASBSU Judiciary to Student Policy Board. When a student or group appeals a decision of a judicial body, all recommended action is placed in a pending status until the appeal process has been exhausted. In the event a case has been heard by an administrative hearing officer, the appeal would be to the next appropriate administrative hearing officer through the Office of the Vice President for Student Affairs; i.e., Director of Student Residential Life to Director of Student Union and Activities to the Vice President for Student Affairs.

C. Appeals must be submitted within seven (7) calendar days of the time the decision is made available in writing with copies to the original and last judicial body. (Residence Hall students who are appealing a decision from a Residence Hall Judicial Board or from the appropriate administrative hearing officer must sub-

mit appeals within three (3) calendar days of the decision.)

D. When a written appeal is received, the appropriate judicial body will convene to review the appeal and related written documentation in order to determine whether to accept the appeal. The review of an appeal will be done in a closed session. If an appeal is accepted, the appropriate judicial body may, at its own discretion, act on the appeal on the basis of written documentation or may conduct a new hearing.

HEARING BOARDS Student Policy Board

By delegation of the President of the University, the Student Policy Board, under the chairmanship of the Vice President for Student Affairs, is designated as the primary agency for the development and administration of the Student Code of Conduct, Student Judicial System, and other student policies and procedures relating to student life on the campus of Boise State University.

The Student Policy Board is the highest board in the judicial appellate structure and as such will hear appeals from cases heard by the ASBSU Judiciary. In instances where it is necessary for the Student Policy Board to become the judicial body of first jurisdiction, one-half of the Board will become the hearing body and the other half an appeal body as designated by the Vice President for Student Affairs.

The ASBSU Judiciary and all other judicial bodies are subordinate to the Student Policy Board. The appropriate Student Affairs staff members working in their respective areas of responsibility have the authority to establish residence hall councils or

standards committees to hear cases concerning violations of group rules and regulations. The council or committee may recommend to the appropriate staff member sanctions such as admonition, censure, probation or disqualification and/or loss of privileges. The judicial bodies are subordinate to the ASBSU Judiciary.

The Student Policy Board is composed of two (2) members of the faculty, two (2) Student Affairs staff members, four (4) students-at-large, the ASBSU President (ex officio), the Chief Justice of the ASBSU Judiciary (ex officio), one (1) student Senator (ex officio), and the Vice President for Student Affairs who serves as chair. The ASBSU President, Senator, and Chief Justice serve as ex officio (nonvoting) members for policy matters, but are ineligible for participation in judicial matters.

ASBSU JUDICIARY

The supreme judicial power of the Associated Students is vested in the ASBSU Judiciary whose authority is delegated from the President of the University and is derived from the Associated Students. The ASBSU Judiciary has the authority or original jurisdiction in all cases involving alleged violations of ASBSU and/or University regulations or policies. They will review all complaints with reference to the above unless referred to a lower tribunal or unless said complaints fall under the jurisdiction of the Academic Grievance & Academic Dishonesty Board.

Appeals from decisions or recommendations of the ASBSU Judiciary will be made to the Student Policy Board. This procedure of appeals has been agreed upon and accepted by the Student Senate and the President of the University.

3. To delegate local authority to lower ASBSU recognized judicial bodies.
4. To hear appeals from decisions of lower judicial bodies.
5. To enjoin ASBSU government officials from taking action contrary to the decisions of the ASBSU Judiciary.

Academic Grievance & Academic Dishonesty Board

Responsibility: The Academic Grievance and Academic Dishonesty Board has the ultimate authority in academic matters. No further appellate provision will be available at Boise State University. (See **Administrative Handbook Policy 4101-D.**)

Purpose: To establish a procedure to maintain high academic standards and performance and to protect objectivity and fairness in assigning, administering, and evaluating student performance in all matters of grievance pertaining to academic conduct, instructional procedure or testing.

A. Procedure: Academic Grievances

In order to obtain a hearing by the Academic Grievance and Academic Dishonesty Board, the plaintiff should:

1. Present the grievance to the concerned faculty member first, then to the department head if no solution is reached, and finally to the dean or his/her designee of the college if the grievance is not resolved in steps 1 and 2.

2. If the problem is not resolved after contacting the faculty member, department head, dean or his/her designee of the college, then present the grievance to the ASBSU Vice President.

3. Once the ASBSU Vice President has accepted the complaint, the plaintiff is required to file a *Grievance Complaint Form*.

4. After the *Grievance Complaint Form* is returned, the ASBSU Vice President notifies the defendant of the complaint and requests him/her to respond on the *Academic Response Form*.

5. When the form is completed and filed, the ASBSU Vice President shall establish the time, place, and date of the hearing.

B. Procedure: Academic Dishonesty

1. If an instructor wishes to have a cheating or plagiarism offense referred for University action, s/he will confer with the department head.

2. If the department head concurs that the incident should be referred for additional action beyond failing the student in the course, the case will be referred to the dean or his/her designee of the college in which the student is majoring.

3. The dean or his/her designee of the college will appoint a special hearing board consisting of three faculty and three students with the dean or his/her designee as chair.

4. In such a hearing, University judicial procedures will be utilized as outlined in *BSU Administrative Policy 4100-D* and the Student Handbook.

5. The Academic Grievance & Academic Dishonesty Board will be the final hearing board in the event of an appeal.

- C. The Board is empowered to mandate or recommend changes relating to student grades and behavior and to uphold or recommend sanctions re-

lating to academic conduct, instructional procedure, and testing.

- D. Mandates and recommendations regarding the student will be referred to the Vice President for Student Affairs for implementation. Mandates and recommendations regarding faculty members will be referred to the Executive Vice President for implementation.

The Academic Grievance and Academic Dishonesty Board's Membership consists of seven (7) Student Senators, with an attempt being made to select one from each college or school of the University; seven (7) faculty members appointed by the Chairperson of the Faculty Senate, one from each college or school; and one (1) representative from the Division of Student Affairs appointed by the Vice President for Student Affairs. The ASBSU Vice President shall serve as Chairman of the Board and shall vote only in the case of a tie. All other members have equal voting privileges.

Residence Hall Judicial Board

A Residence Hall Judicial Board system has been established in the residence halls to hear cases which involve residents of the halls and infractions of policies and procedures. Judiciary power is vested in two (2) judicial boards composed of one appointed member from each residence hall and a chairperson. When a problem arises within a residence hall involving a resident(s), it should first be taken to a Resident Advisor or the Resident Director and then to the Director of Student Residential Life. If a satisfactory solution is not reached, the complaint or problem will be referred to a Residence Hall Judicial Board. Any appeals from the Residence Hall Judicial Board will be referred to the ASBSU Judiciary, through the office of the Vice-President for Student Affairs.

Panhellenic Council Judicial Procedures

The Panhellenic Council maintains a committee to mediate concerns and complaints between member sororities. If a sorority has a concern involving another sorority, a written report is filed with the Panhellenic President. The president will attempt to mediate the concern between the parties involved in accordance with the specific Judicial procedures outlined in the National Panhellenic Conference Manual of Information. A copy of this notebook is on file in the Student Activities office.

If any party feels that the decision rendered by the Panhellenic Council is unfair, the decision may be appealed to the ASBSU Judiciary when the charges are based on the Code of Conduct or University policies. When the charges are based on Panhellenic's internal rules, such as rush rules, the Panhellenic Council's decision may be appealed to the National Panhellenic Council. The Assistant Director of Student Activities can advise the parties involved on these judicial procedures.

Inter-Greek Judicial Committee

The Inter-Greek Judicial Committee will convene to deal with disputes and charges between or against University fraternities and sororities. The Committee will be the initial hearing board for alleged infractions of internal Greek rules, University, or civil regulations. If any individual or group wishes to file a complaint, they should contact the Student Activities office for advice on how to proceed.

The university's judicial procedures, as stated in this handbook and the ASBSU Judiciary Board Hearing Procedures, shall serve as the procedures for the Inter-Greek Judicial Committee. The university advisor to the Greek organizations will attempt to mediate the concern between the parties involved. If, after consultation, the complainant wishes to pursue the matter, a formal hearing of the Inter-Greek Judicial Committee will be held.

If any party feels the decision rendered by the Inter-Greek Judicial Committee is unfair, the decision may be appealed to the ASBSU Judiciary in accordance with the Appeal Procedures stated in this handbook.

The Inter-Greek Judicial Committee is composed of two representatives (one being the president) from each fraternity and sorority and the presidents of the Panhellenic Council and the Inter-Fraternity Council. Each member of the Judicial Committee shall have one vote. The University advisor to the Greek organizations shall convene the first meeting of the Inter-Greek Judicial Committee and shall serve as procedural advisor to the committee. The members of the committee shall elect a chairperson who shall preside at all meetings and hearings and shall vote only in case of a tie.

STUDENT ORGANIZATION POLICIES

Student organizations and activities policies are made jointly by the ASBSU Senate and the University Administration and are administered by the Director of Student Union and Activities. The Student Activities Office staff is available for consultation and advice on policies, procedures and expenditures pertaining to student organizations as well as planning, scheduling, and implement-

ing programs, activities, and social events.

A. Organization Defined

1. Any group of students living or acting together, electing officers and/or assessing dues or fees for their mutual benefit.
2. All voting members and officers must be full fee paying students at this Institution.
3. All groups of students fitting the definition of an organization must be officially recognized by the University through the ASBSU Judiciary.

B. Recognition Agreement

Recognition of a group or organization extends to them the privilege of identification with the University and the use of Institutional facilities. The group agrees to accept those regulations and policies necessary for the protection of the University's essential functions, for equal sharing of time and space, and to assure the reasonable health and safety of the community.

Recognition of student groups does not mean that the University supports or adheres to the views held or to positions taken by such groups. Responsibility for any actions which violate federal, state or local laws must be assumed by the group itself.

C. Recognition Steps for New Organizations

1. Set an appointment and meet with the Assistant Director of Student Activities (SUB Annex II) to review the recognition process and sample constitution.
2. Turn in an *Intent to Organize* card to the Student Activities secretary to indicate your intent to start a new organization.
3. Develop a constitution and by-laws for the organization (see constitutional requirements below).
4. Submit three (3) copies of the proposed constitution to the Student Activities secretary.
5. Complete an *Organization Officer Card* listing the organization's officers and advisor, their addresses and telephone numbers and submit it to the Student

Activities secretary. This information must be updated within four weeks after the beginning of each fall semester and within ten days of any election.

6. If the student organization is affiliated with a community, state, regional or national organization, file a copy of the constitution or other information of the parent organization with the Student Activities secretary.

7. Review the constitution with an appointed student justice of the ASBSU Judiciary to prepare it for the Judiciary Board's review.

8. An elected or appointed representative of the organization shall meet with the ASBSU Judiciary Board. During the review of the constitution, the ASBSU Judiciary may recommend changes to clarify the language or to comply with the eight constitutional requirements as outlined below.

9. Make recommended changes of the constitution and submit three (3) copies of the final draft to the Student Activities secretary. The student justice appointed to your organization will review the final draft.

10. Upon the completion of all of the above requirements and recommended changes in the constitution, the ASBSU Judiciary will grant official recognition to the organization (see *Getting Organized* manual available in the Student Activities Office for definition of official recognition).

Constitutional Requirements

There are at least eight (8) articles that are necessary in a new or current constitution in order to be recognized and to maintain recognition.

1. Statement of Purpose. The statement of purpose for the organization.

2. Affiliation.

a. Affiliation with Boise State University clearly stated — What does that affiliation mean? What are the obligations and responsibilities?

b. Affiliation with a community, state, regional or national organization (if applicable).

3. Non-Discrimination Statement.

It is the policy of the University to oppose and prevent discrimination on the basis of race, color, national origin, sex, creed, age or handicap (sex: excludes organizations which have been determined exempt according to federal law). The University requires each organization to include a nondiscriminatory statement in their charter, constitution or bylaws. The University also requires each organization to submit a copy of the charter, constitution, and bylaws of the parent organization. This is necessary to determine whether discrimination for the aforementioned reasons is encouraged on any level.

4. Eligibility of Members. Reflecting minimum University academic requirements. Voter eligibility. All officers and voting members must be full fee paying University students.

5. Authority of Officers. How their authority is exercised, where it is vested, and how these officials are replaced.

6. Selection and Removal of Officers. Method used, specific time, and type of vote.

7. Sources of Financial Support.

8. Constitutional Revision. Any changes in a group's constitution require the approval of the ASBSU Judiciary. The steps for approval are the same as those for new organizations.

D. Temporary Recognition Status

1. Temporary recognition status is assigned to new organizations for a maximum of two (2) months for the purpose of organizing as a recognized group, recruiting members, developing a constitution, and holding elections.

2. The following are limited organization privileges extended to temporary organizations:

- Use of rooms in the Student Union for organizational meetings;

- Use of the Poster Distribution System and other campus publicity services for promoting your organization;

- Fund raising limited to the collection of dues from members in order to establish an organizational treasury.

E. Maintaining Recognition Status

The privileges of Official Recognition Status will continue when organizations fulfill all of the following conditions:

1. Complete an *Organization Officer card* within four (4) weeks at the beginning of each fall semester and within ten days of any election;

2. At least one student officer for the organization attends the student organization information meetings scheduled each fall semester;

3. Collect mail at least once a week from the organization's mailbox in the Student Activities Office, SUB Annex II;

4. Abide by the organization's constitution and stated purpose;

5. When the constitution is revised, submit three (3) revised constitutions to the Student Activities secretary for review and approval by the ASBSU Judiciary.

6. Abide by Boise State University policies, local, state and federal laws.

F. Ad Hoc Organizations

The ASBSU Judiciary, through its own procedures, is authorized to grant temporary recognition to a student group organized for a one-time event or single purpose of supporting or opposing a candidate or issue on a ballot measure in any special or regular ASBSU election.

G. Loss of Recognition

A group is no longer officially recognized when it has ceased to function as evidenced by:

1. Notice of dissolution from of and/or advisor;

2. Failure to hold any meetings over a twelve-month period;

3. Failure to submit a current roster of officers within four weeks of the

beginning of each fall semester or within ten days of an election;

4. Failure to have a representative attend the mandatory student organization meeting held during each fall semester;

5. Failure to pick up mail from the organization's mailbox at least every week.

H. Withdrawal of Recognition

The Vice President for Student Affairs and/or the ASBSU Judiciary may withdraw recognition whenever conditions as outlined in this Handbook are violated or the rules and policies of the ASBSU and/or the University are violated. Prior to withdrawal of recognition, the group will be warned, given the opportunity to take corrective steps or be given a hearing before the appropriate board or council.

I. Activity Scheduling

Any organization recognized by the ASBSU may schedule, sponsor or hold activities utilizing appropriate University facilities, property, buildings and grounds, providing that all events are scheduled in the Student Union Reservations Office, Mechanical Technical Building, room 102, for events held in the Union or through the appropriate office administering other facilities.

Procedures

1. An officer of recognized organizations must contact the Student Union Reservations Office and obtain a *Facility Requisition* for events held in the Student Union.

2. The sponsoring organization is responsible for the conduct, control, and handling of the event at all times. Maintenance, security or other staff are present to assist and advise only. Should an organization or the University feel that an event is beyond the organization's control, a decision may be made in order to ensure personal safety and/or to prevent damage to University property.

3. Tentative dates and room assignments for pending events in the Stu-

dent Union may be scheduled with the Reservations Office. However, the event must be either definitely confirmed with a completed and approved *Facility Requisition* or the dates canceled at least two weeks prior to the tentative date. All facility requisitions must be submitted to and approved by the Student Union Reservations and Catering Office. Please notify the Student Activities Office in the case of cancellation of events outside the Student Union.

a. No publicity may be released until the *Facility Requisition* is completed and approved.

b. All advertisements and posters must be removed the afternoon after the event.

4. Times for decorating the facility used should be indicated on the *Facility Requisition*, and must be confirmed in person with the director of the facility used well in advance of the date scheduled.

5. *Facility Requisitions* must be picked up at least three weeks prior to the event to allow adequate time for completion of the form (ie., approval of dates and facilities) and for completing all necessary arrangements.

6. Without the approved *Facility Requisition*, the possibility strongly exists of conflicting dates, competitive events on the same date, and pre-scheduled facilities. It is in your best interest to make sure your event is organized and planned well in advance.

Eligibility Requirements for Extracurricular Activities

In its official capacity as the primary agency for the development and ad-

ministration of the Student Code of Conduct, Student Judicial System, and other student policies and procedures relating to student life on the campus of Boise State University, the Student Policy Board requires that:

1. In order to represent the University or a recognized student organization in any extracurricular activity of an intercollegiate nature such as debates; regional or national student, fraternal or organizational conferences; competitions, workshops, clinics, cheerleader or beauty contests, etc., a student must:

a. Be currently enrolled as a student;

b. Not be disqualified or suspended from the University; and

c. Meet the standards (academic, enrollment, behavior) of the University organization being represented.

2. The minimum standards for the selection and continuation of individuals as officers, or appointed officials of student organizations or the Associated Students of Boise State University are:

a. Maintenance of a cumulative GPA of 2.00 or better; and

b. Enrollment as a full-fee paying student by the tenth day of each semester and continuation as a full-fee paying student through the academic term. In periods between Fall and Spring and between Spring and Fall semesters, a student is still eligible to continue in her/his position as long as s/he met the requirements in the previous semester and is intending to continue as a full-fee paying student the following semester.

The Student Policy Board encourages ASBSU and other student organizations to set additional standards that they deem necessary and beneficial to that organization.

The Student Policy Board feels that the duty of relieving a student from the position s/he holds because of lack of compliance with the aforementioned requirements is the responsibility of the appointment official(s) of that organization.

OTHER UNIVERSITY POLICIES

UNLAWFUL CONDUCT OR INTERFERENCE ON UNIVERSITY PROPERTY

Reference: Idaho Code, Section 33-3715 and 33-3716.

33-3715. Interference with conduct of institutions of higher learning — Legislative intent. The legislature, in recognition of unlawful campus disorders across the nation which are disruptive of the educational process and dangerous to the health and safety of persons and damaging to public and private property, establishes by this act criminal penalties for conduct declared in this act to be unlawful. However, this act shall not be construed as preventing institutions of higher education from establishing standards of conduct, scholastic and behavioral, reasonably relevant to their lawful missions, processes, and functions, and to invoke appropriate discipline for violations of such standards.

33-3716. Unlawful conduct — Penalty.

1. No person shall, on the campus of any community college, junior college, college, or university in this state, hereinafter referred to as "institution of higher education," or at or in any building or facility owned, operated, or controlled by the governing board of any such institution of higher education, willfully deny to students, school officials, employees and invitees:

- a. lawful freedom of movement on the campus;
- b. lawful use of property, facilities, or parts of any institution of higher education; or
- c. the right to lawful ingress and egress to the institution's physical facilities.

2. No person shall, on the campus of any institution of higher education, or at or in any building or other fac-

ility owned, operated, or controlled by the governing board of any such institution, willfully impede the staff or faculty of such institution in the lawful performance of their duties, or willfully impede a student of such institution in the lawful pursuit of his educational activities, through the use of restraint, abduction, coercion, or intimidation, or when force and violence are present or threatened.

3. No person shall willfully refuse or fail to leave the property of, or any building or other facility owned, operated, or controlled by the governing board of any such institution of higher education upon being requested to do so by the chief administrative officer, his designee charged with maintaining order on the campus and in its facilities, or a dean of such college or university, if such person is committing, threatens to commit, or incites others to commit, any act which would disrupt, impair, interfere with, or obstruct the lawful missions, processes, procedures, or functions of the institution.

4. Nothing in this section shall be construed to prevent lawful assembly and peaceful and orderly petition for the redress of grievances, including any labor dispute between an institution of higher education and its employees.

5. Any person who violates any of the provisions of this section shall be deemed guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine not to exceed five hundred dollars (\$500), or imprisoned in the county jail for a period not to exceed one (1) year, or by both such fine and imprisonment.

SPEAKER'S POLICY

Students and student organizations shall be free to express their view and to examine all issues of interest to them. They are also free to support causes by orderly and peaceful assembly which do not infringe upon the rights of others or with the regular and essential operation of the institution.

Scheduling of Speakers

Officially recognized student groups are allowed to invite or to hear any

person of their own choosing. As with any activity, routine procedures are required before a speaker is invited to appear on campus. These procedures are desired only to insure orderly scheduling of facilities, financial responsibility, and adequate preparation for the event. University control of campus facilities will not be used as a censorship device. It shall be made clear to the academic and larger community that sponsorship of guest speakers does not necessarily imply approval or endorsement of the views expressed by either the sponsoring group or the University.

All recognized sponsoring groups or committees are to obtain a *Facility Requisition* from the Student Union Reservations Office, complete the necessary information and file the form with the Reservations Office in the Mechanical Technical Building, room 102.

A. Political Speakers

Only Student Union facilities may be used for the presentation of a candidate's view during political campaigns and only when approved by the Vice President for Student Affairs.

B. Controversial Speakers

In highly controversial issues, it is recommended that speakers with opposing views be invited and given equal facilities and consideration. The sponsoring student group will not necessarily be held responsible for unforeseeable illegal actions on the part of their guest speaker, but will be held responsible if they have prior knowledge or intend themselves to sponsor events in violation of the law or to purposely incite illegal acts. Guest speakers are accountable for their actions under valid general laws and are not immune from legal action if so warranted.

FUND RAISING

For the purpose of this Handbook, the term "fund raising" refers to those recognized student organizations which intend to raise additional

monies not included in the ASBSU budget through the solicitation of donations, the charging of admission or the selling of products or services.

1. The authority to approve or disapprove all activities and requests involving the solicitation of funds or fund raising for whatever purpose is vested in the Vice President for Student Affairs.

2. The Vice President for Student Affairs has delegated his authority as follows:

a. For all fund raising activities by recognized student organizations (except as written in Section 2b below), prior application must be made and approval granted through the Office of the Director of Student Union and Activities.

b. For all fund raising activities within University residential facilities by residential organizations, prior application must be made and approval granted through the Office of the Director of Student Residential Life. Other recognized organizations conducting fund raising activities within University residential facilities must obtain approval from the Director of Student Union and Activities and the Director of Student Residential Life. Residential organizations conducting fund raising activities outside of University residential facilities must obtain approval from the Director of Student Residential Life and the Director of Student Union and Activities.

c. In all cases, a written application form is required and the following information must be included: the name of the sponsoring organization, the product or service being sold, the purpose for which profits will be utilized, and the location of the proposed activity.

3. Student organizations should check with city officials for off-campus solicitation regulations.

CAMPUS FOOD SALES

The University contracts with a commercial food service vendor to provide an exclusive contract for the merchandising of all campus vending and food service sales. The one and only exception to this policy is

the provision that allows recognized student organizations to apply for a "Food Service Waiver" in conjunction with an approved fund raising activity (see Fund Raising, Section 2). Forms and additional detailed provisions for a student organization "Food Service Waiver" may be obtained from the Director of Student Union and Activities in the Mechanical Technical Building 102.

SOLICITING

1. **Soliciting Agents** are defined generally as any sales person selling a product or service for personal profit or gain. This definition includes religious proselyters, charity and donation representatives.

2. University Policy:

a. All solicitation of students for funds for whatever purpose is prohibited on campus unless authorized by the Vice President for Student Affairs.

b. No canvassing of the residence halls, Student Union or other University owned buildings for potential customers is permitted. This includes door-to-door or person-to-person selling.

(1) An agent may visit or conduct business with a specific student only when invited or requested by that student.

c. Sales representatives may use certain restricted facilities in the Student Union with the express written consent of the Director of Student Union and Activities. They are also encouraged to advertise in the recognized student newspaper.

ANIMALS ON CAMPUS

All public laws, both city and state, apply to any type of animal on the campus grounds. Animals are not allowed inside of any University building, with the exception of guide dogs and animals maintained for educational purposes.

AIDS POLICY

B. Students testing positive for **HIV** antibody or having been diagnosed as having **AIDS** shall be permitted to attend classes and utilize university service in an unrestricted manner.

C. The determination of whether an infected student should be able to attend class, remain in University residence halls or participate in University activities shall be made on a case-by-case basis by a team composed of the student and/or his/her representative, the attending physician, and appropriate University personnel. In those cases where the student is unable to return to class, a medical withdrawal will be permitted.

MAINTAINING ORDER

Reference: BSU Policy 4104-B.

I. **Policy:** As designees of the chief administrative officer charged with maintaining order on the campus and its facilities, members of the Boise State University faculty are responsible for ensuring orderly conduct in areas under their direct supervision.

Therefore, a member of the University community, in fulfilling his professional and contractual obligations, may dismiss a student from the course for the remainder of the semester when a student violates any of the following specific policies

listed under the Code of Conduct in the Boise State University Student Handbook.

A. Harassment: Any practice by a group or an individual that detains, embarrasses or degrades a member of the University community, endangers his health or interferes with class attendance or the pursuit of education is prohibited.

B. Lawful Orders: Failure to disperse or leave, disrupting or obstructing a University building or facility, room or other premise or to cease the use of loudspeakers, amplifiers or other forms of noise after being given notice or a lawful order to do so by a duly authorized agent or administrative officer of the institution is prohibited.

C. Disorderly Conduct: Detention, threatening or physical abuse of another person or obstructive or riotous acts in or associated with the University community is prohibited. The above includes verbal or physical abuse of any member of the Boise State University community on or off campus where the situation involves the educational purposes or objectives of the University.

D. Official Notification: Failure to comply with any official notification, written or verbal, of a duly authorized administrative, faculty or judicial representative of the University may result in disciplinary action.

In addition to the above Student Code of Conduct, students may be dismissed for violation of Idaho Code 33-3715 and 33-3716.

II. Procedure for Dismissal From One or Two Class Periods Only: A written report of any student dismissed from class must be submitted to the appropriate academic dean, with a copy to the department head, no later than one working day after the dismissal.

III. Procedure For Dismissal for the Remainder of the Semester: The faculty member, if s/he feels it is warranted, may choose instead to dismiss the student from the course for the remainder of the semester. If the instructor does dismiss the student from the course for the remainder of the semester, s/he must submit a concise Statement of Fact specifying the reasons for the dismissal, the individual(s) or group(s), the factual details of the incident, the names of witnesses, and any applicable dates, times or places. This Statement of Fact must be submitted to the appropriate academic dean, with a copy to the department head, no later than one working day after the incident. Immediately upon receipt of the Statement of Fact, a hearing should be scheduled to afford the student and the faculty member opportunity to present their positions to the dean.

The student and the professor are to be notified by the dean, or his designee, no later than two working days after receiving the Statement of Fact if the dismissal is upheld. If the faculty member, department head and/or dean feel further disciplinary action is necessary, a complaint may be filed with ASBSU Judiciary.

IV. Procedure for Appeal: If the dismissal is upheld by the dean and the student desires to appeal the decision, an appeal request must be filed with the Academic Grievance and Academic Dishonesty Board within three (3) working days of the above notifications.

DEAD WEEK

No examination will be given by the faculty of the University during the week prior to the week when finals are formally scheduled, except in those laboratory, performance and evening division courses where it is necessary.

Any final examination given will be conducted during the officially sche-

duled time slots. Exceptions will be allowed only on an individual basis, to be arranged between faculty and the student.

STUDENTS ON JURY DUTY

We must recognize that our duties as citizens are not in any way changed by becoming a student. With this in mind, it is a mission of the university to encourage good citizenship. Therefore, we encourage students to be responsible citizens by fulfilling their obligation when called upon for jury duty. When jury duty could cause educational hardship, **students should petition the jury commissioner for dismissal or postponement of duty**, withdraw from school or courses, or negotiate arrangements with their instructors.

In negotiating with instructors, students are responsible for:

1. Furnishing instructors with concrete evidence of their jury assignments immediately.
2. Furnishing instructors with concrete evidence (date, time, and court) of their service immediately after serving.
3. Making arrangements to obtain course notes and assignments from other students. (This is NOT the instructor's responsibility.)
4. Take responsibility for all course work or make up work.

Where reasonable, faculty should provide options which include:

1. Make up exams
2. Extended times for papers and projects.
3. Renegotiation of performance and presentation dates.
4. Renegotiation of attendance policies.
5. Information about assistance for students in meeting course responsibilities. (tutors, note takers, etc.)
