ADMISSION REQUIREMENTS

REGULATIONS

GRADUATION

Junior College Division
Vocational Technical
Senior College
ADMISSION REQUIREMENTS TO THE COLLEGE

Applicants for admission must be at least 16 years of age and must present satisfactory evidence of good moral character.

Credentials.—Students applying for admission to the Junior College Division are required to furnish credentials as follows:

(a) An original transcript or transcripts of high school credits showing four complete years of school, signed by the principal, superintendent, or other authorized official. Early acceptance may be obtained at Boise College on the basis of a seven-semester high school transcript showing cumulative Grade Point Average of 2.50 (C+) or better, assuming other factors in matriculation are satisfactory.
(b) Official transcripts and statements of honorable dismissal from each institution attended after high school graduation.
(c) Personal data on the regular application-for-admission blank.
(d) Complete physical examination on form provided by the college.
(e) Two photographs—billfold size (approximately 2” x 3”).
(f) Character references on form provided by the college if the student is transferring from another college or if he has been out of high school for more than one year. Character references are required of all students who plan to live in a dormitory.
(g) Official score card from American College Testing Program (ACT). Tests are administered five times each year to high school seniors throughout the nation. Students who miss the regular tests will be tested during registration week for an additional fee. (See SCHEDULE OF FEES AND CHARGES).
(h) An Application Processing Fee of $10.00 will be assessed beginning the fall semester 1968 for new enrollees to Boise College. This fee will be non-refundable.
(i) Applicants for Vocational-Technical programs must take the General Aptitude Test Battery (G.A.T.B.) at any State Employment Security Agency. The ACT tests are not required for Vocational-Technical applicants.
(j) Students who plan to enroll in the Nursing, Dental Assistant, and Vocational-Technical programs must arrange for a personal interview with the directors of these programs prior to acceptance.

Blanks for furnishing personal data may be obtained on application to the Director of Admissions. High school and college records should be furnished on the transcript blanks of the institution at which the work was taken. All credentials must be sent directly to the Director of Admissions of the Boise College at Boise, Idaho, not through the student. Prompt attention to these details will avoid delay in registration.

Permit to Register—Applicants for admission whose credentials have been accepted will be given permission to register for the following semester. Students should plan to have all credentials submitted one month before registration to settle any questions that may arise and to receive by mail a Permit to Register one week before registration. Before a student may register, he must have a permit signed by the Director of Admissions.

Students who complete matriculation after the cut off date must pick up their PERMIT TO REGISTER in the Director of Admissions Office.

Veterans who plan to attend under the G.I. Bill of Rights or Veterans Orphans under the War Orphans Act, must, upon registration, present a certificate of eligibility. Those under P.L. 815 and P.L. 894 unable to present a certificate of eligibility at the time of registration will be charged tuition and fees. Upon presentation of the certificate, complete refund will be made.

For information concerning the G.I. Bills contact the Veterans Administration Center first.

A. ADMISSION AS REGULAR STUDENTS

By Certificate.—Admission to the Junior College is based upon credentials showing graduation from an accredited high school and presentation of 15 acceptable units earned from the ninth grade through the twelfth as listed below under Summary of High School Requirements. Twelve units must have been earned during the tenth, eleventh, and twelfth grades.
A "unit" represents a high school subject taught five times a week in periods of at least 36 weeks. A certificate of secondary school record should be filled out and signed by the superintendent, principal, or other official of the school in which the work was done. It should show the length of each course in weeks, the length of each recitation, and the grades of scholarship attained, including a record of all failures and conditions. All certificates accepted toward admission to Boise College become the property of the college, and are permanently filed among its records. They cannot be returned to the student, but certified copies will be issued if needed.

Academic units shall be defined as English (composition and literature), foreign language, mathematics, social studies, and natural science.

Elective units may be taken from the academic subjects named as well as from vocational and other subjects commonly given in high schools with the following exceptions:

(a) Spelling, penmanship, reviews, project work in conjunction with regular courses, and work which is primarily of the nature of extra-curricular activities.
(b) Less than one unit in foreign language, shorthand, typing or bookkeeping.
(c) Less than one-half unit in any subject.
(d) More than one unit in physical education and one in ROTC or two in ROTC.

Requirements for admission to the College are summarized below. Students planning to attend senior college after completing lower division work should present evidence of having had the high school courses listed under the title of the proposed senior college course. (For provisions to make up high school deficiencies, see page 34).

**B. ADMISSION BY EQUIVAENCY CERTIFICATE**

Any application that is accompanied by a High School Equivalency Certificate will be processed exactly as it would be if a high school diploma were presented. Inquiries should be addressed to the State Department of Education, State House, Boise, Idaho.

**C. ADMISSION BY EXAMINATION**

Applicants who have attained the age of eighteen years and who have achieved passing scores on all five of the General Educational Development tests will be admitted as Special Students (see below) in lieu of a high school diploma or an equivalency certificate, providing that the applicant has been away from high school for at least one year preceding his application.

**D. ADMISSION AS SPECIAL STUDENT**

Persons over twenty-one years of age who are unable to meet requirements as regular students and desire to take special studies may be admitted on special status upon presentation of satisfactory evidence that they are qualified to enter upon the work. Save in very exceptional cases, students will not be admitted.

*For students who do not plan to pursue an academic course in a senior institution or for those who plan to transfer to an institution which does not require geometry from high school, one unit of other academic work will be acceptable.
†General Science is acceptable as an academic unit but not as a natural science.
mitted directly from the secondary schools to this status. In such cases, the principal of the last high school attended will be consulted. All persons who have not completed secondary school are urged to do so before applying for admission to the Junior College.

Graduates of accredited high schools are expected to qualify for regular undergraduate standing in accordance with the general rules. A special student is not eligible to become a candidate for graduation until he has satisfactorily met entrance requirements or until he has completed 32 semester hours of work in the college with a grade point average of 2.5 or better.

E. ADMISSION TO VOCATIONAL-TECHNICAL COURSES

Any person who is seriously interested in becoming a skilled craftsman or technician will be admitted to these courses if he complies with all admission requirements and meets the qualifications for the designated program. Graduation from high school is not necessary provided the student has been out of high school at least one complete semester. Certain prerequisite courses are required for various programs, such as one year of high school algebra and one year of high school geometry for entrance to the Drafting and Design or Electronics Technology programs. The College does not admit applicants under eighteen years of age who are attending high school at the time of application. In rare instances, however, a high school student may be admitted provided his high school principal requests his admission. Students in the Vocational-Technical program who plan to enter certain extra-curricular activities must meet regular entrance requirements. (See eligibility requirements). Credits in Vocational Shop or Technical Education courses are not transferable toward an academic degree.

F. ADMISSION WITH ADVANCED STANDING

Students entering from other colleges must present proof of honorable dismissal and official transcripts mailed directly to the Director of Admissions. Students entering from other institutions must comply with the same scholarship regulations as are applied to students previously enrolled in the college. After registration students are classified as Freshmen, Sophomores, Juniors, Seniors and part-time.

G. ADMISSION WITH DEFICIENCIES IN GROUP REQUIREMENTS

Students who qualify for admission to the College but who fail to meet specific group requirements may be admitted with deficiencies to take courses for which they are prepared. All such deficiencies must be removed before graduation. Students entering with deficiencies will remove them by taking college courses, generally without college credit, or by taking work in a secondary school while taking part-time work at the college. College courses cannot be substituted for high school algebra and geometry. When college courses are taken to make up deficiencies, the time spent in such classes shall count twice as much toward making up deficiencies as does an equal amount of time spent in high school.

H. CHALLENGING COURSES—GRANTING CREDIT BY EXAMINATION

It is possible for a student to challenge a college course when he feels that because of his past background, education, and experience he can pass an examination covering the subject material of a course. Requests for consideration are made through the Office of the Dean of Faculty.

REGULATIONS

A. GRADING SYSTEM

A. (90-100) Distinguished work—Four quality points per hour.
B. (80-89) Superior work—Three quality points per hour.
C. (70-79) Average work—Two quality points per hour.
D. (60-69) Passing work—One quality point per hour.
F. Failure. No quality points per hour.
Admission Requirements

Inc. Incomplete may be given in cases where work has been satisfactory up to the last three weeks in the semester. Work not made up within the first half of the semester after the student returns to college automatically becomes a failure unless special extension of time is granted by the instructor and Dean of Faculty. If an incomplete has been awarded and the student returns after a two years’ lapse the automatic F rule does not apply. He may elect to remove the incomplete, re-enroll in the course, or allow the incomplete to remain on the record.

W. Official withdrawal during the first four weeks of the semester or while doing passing work. For procedure, see regulations below.

A student who receives a grade below C in a given course may repeat that course in residence to raise his grade, if in the meantime he has not taken an advanced course for which the first course is a prerequisite. If a course is repeated the first grade remains upon the record, but the last grade only is counted in computing the student's grade points.

Grade point average (G.P.A.) is computed by dividing the total number of quality points earned by the total number of semester hours carried.

B. CLASSIFICATION OF STUDENTS

After registration students are classified as Freshmen, Sophomores, Juniors, Seniors and part-time.

Freshman — From 0 semester credits through 27.
Sophomore — From 28 semester credits through 64.
Junior — From 65 semester credits through 96.
Senior — 97 semester credits and over.

A student enrolled for 10 semester hours or more will be considered a full-time student.

A student who is carrying less than 10 credits but has met entrance requirements for regular students will be classified as a part-time student.

C. ATTENDANCE AND ABSENCE FROM CLASS

Students are responsible for their attendance in the courses for which they are enrolled. No absences, whether approved by the college for participation in college-sponsored activities, or necessitated by sickness or other personal emergency, are "excused" in the sense of relieving the student of responsibility for work assigned or carried on by a class during his absence. It is his responsibility to arrange with his instructors to make up work which he is forced to miss. Absences are reported through the Registrar's office to the student's advisor and to the Dean of Men or Dean of Women.

A student who has been absent from a meeting of a class has lost some of the content of the course, regardless of the cause of the absence. If any student accumulates absences to the extent that further participation in the class seems to be of little value to him and detrimental to the best interests of the class, the instructor shall warn such student that further absence may cause him to fail the course.

D. ACADEMIC PROBATION AND DISMISSAL

A student whose work is of such a character that it appears he cannot continue in the college with profit to himself and credit to the institution may be placed on probation and, subsequently, disqualified. In general, satisfactory performance means orderly progress toward graduation requirements with a cumulative grade point average of 2.0 or better.

Any student whose grade point average is 1.5 or lower following his first semester in college will be placed on probation. A student placed on probation for the second consecutive semester may, upon recommendation of the Scholarship Standards Committee after a review of his record, be disqualified and dropped from the college.

A student may be denied permission to re-register in the college if, after at least two semesters, his cumulative grade-point average is twelve points below a grade-point average of 2.0. This calculation is made by multiplying by two the total credit hours in which he has been enrolled and subtracting
twelve. If the answer so obtained is not exceeded by the student's total quality 
points, he will be subject to this regulation. Permission to re-enter may be 
denied by the Dean of the Faculty on the recommendation of the Scholarship 
Standards Committee.

A student disqualified for the first time for either of the above reasons 
may be permitted to re-register by one of the following methods:

1. Permitting a semester to elapse before applying for re-registration.

2. Securing the approval of the Scholarship Standards Committee with 
the concurrence of the Dean of Faculty. The student must obtain 
an official Application for Reinstatement form from the Dean of Fac-
ulty. If a student desires special consideration for the Fall Semester, 
his application must be on file no later than August 15, and no later 
than January 1 for consideration for the Spring Semester. In very 
special cases, a student who is disqualified as a result of his Fall 
Semester performance may have until noon of the first day of the fol-
lowing Spring Semester registration to file an Application for Rein-
statement form, if his faculty advisor files a written petition on behalf 
of the student.

In the case of second or successive disqualifications, a student must fol-
low item 2 above to secure reinstatement.

In either of the above instances, the student will re-register on probation-
ary status.

A student may be dropped from the college rolls at any time his character 
and conduct are found to be generally unsatisfactory.

The President reserves the right to handle special cases involving proba-
tion or dismissal.

Students on probation shall take minimum loads and are not eligible to 
represent the College in any extra-curricular activities. Students on probation 
during the second semester shall take a lighter load than formerly and should 
try other courses as a means of determining their aptitudes.

E. ADMISSION ON PROBATION

Transfer students from other colleges and universities who have failed 
to clear the probationary provisions outlined above may, upon petition, be 
granted permission to enroll on probation by the Dean of Faculty upon recom-
modation of the Scholarship Standards Committee.

F. WITHDRAWAL

Withdrawal from Individual Courses. A student may withdraw from in-
dividual courses by securing a permit from his advisor, which must be en-
dorsed by the advisor and each instructor involved, then presented to the 
Registrar for signature, and then cleared with the Business Office. The date 
on which the Registrar signs the permit will be the official withdrawal date.

Complete Withdrawal from College. A student may officially withdraw 
from college (all courses) only by securing a withdrawal permit from the Dean 
of Men or Dean of Women, and having it signed by same. The student then 
goes directly to the Dean of Student Personnel Services for signature and 
is then sent to the Registrar. After clearance with the Registrar the student 
is sent to the Business Office for final clearance.

Withdrawal Grades. If the student withdraws after the first four weeks 
of the semester (including registration week) he may receive a grade of "W" 
only if his work is passing as of the official withdrawal date; otherwise, a 
grade of "F" must be awarded. During the last three weeks of the course 
(including final examination week) a student may not withdraw from in-
dividual courses or college totally with the grade(s) of "W". In cases where 
a strict application of this regulation seems—in the opinion of an instructor 
an advisor, or a student—to work an unreasonable hardship, the matter will 
be presented to the Dean of Faculty, who may refer it to the Scholarship 
Standards Committee for recommendation of action to be taken. A student 
who discontinues a course, without having completed an official withdrawal 
shall be awarded a grade of "F".
General Information

G. MAXIMUM LOAD

No student shall be allowed to enroll for more than 17 hours without special permission, unless more hours are specified in his curriculum.

H. COURSE PRE-REQUISITE WAIVER

Specific course pre-requisites may be waived upon written approval of the Division Chairman in whose division the course is offered with concurrence of the Dean of Faculty.

A student seeking to have pre-requisites waived must justify his request on the basis of background, education, and experience to the satisfaction of the Division Chairman.

BOISE COLLEGE GRADUATION REQUIREMENTS

A. ASSOCIATE OF ARTS

Boise College confers the title of Associate of Arts upon those students completing a minimum of 64 semester hours with a cumulative grade point average of 2.0 in the curricula of art or music or who have majors in other fine arts, the social sciences, or humanities providing that they meet the requirements in the General Curriculum.* For the Associate of Arts these requirements are: six hours of English composition, four hours of physical education activities,** and six hours in each of the following three groups: humanities including English offerings other than English composition, foreign language, and fine arts; social sciences; and natural sciences and/or mathematics; PLUS an additional six units in any one-of-the-three.

B. ASSOCIATE OF SCIENCE

The title of Associate of Science will be conferred upon those students completing a minimum of 64 semester hours with a cumulative grade point average of 2.0 in one of the suggested professional or pre-professional curricula listed on pages 56 to 66 or in a general curriculum.* These curricula are Business Administration, Office Administration, Education, Engineering, Forestry, Home Economics, Dental Hygiene, Pre-Dental, Pre-Medical, Pre-Psychology, Pre-Veterinarian, Nursing, Medical Technology, and Physical Education. Students with majors in the natural sciences and mathematics will also receive this title provided that they meet the requirements in the General Curriculum. These requirements are: six hours of English composition, four hours of physical education activities, and six hours in each of three of the following groups: humanities as listed above; social sciences; natural science and/or mathematics; business; and home economics; PLUS an additional six hours in any one of the three selected.

C. DIPLOMA

A diploma is granted to any student completing 64 semester hours of work for which the College gives credit. These must include four hours of physical education activities** and six hours of English composition or Communication Skills. Semi-professional courses meet the requirements for a diploma. A cumulative grade point average of 2.0 or better is required.

Vocational-Technical Education students are not required to take the four hours of physical education activities to qualify for a diploma.

*Completion of this curriculum does not necessarily meet upper division requirements in any specific field in case of transfer to another college or university.

**To be selected only from 47-150, 47-151, 47-152, 47-153, 47-158, 47-159, 47-166, 47-167, 47-168, 47-169, 47-170, 47-174, 47-175, 47-176, 47-177, 47-187, 47-188, 47-189, 47-190, 47-191, or 47-479.

Four semesters of Physical Education activity are required for graduation from Boise College. Exceptions will be made for veterans who are cleared by the Registrar to receive Basic Training credits in lieu of Physical Education and Health and for those presenting to the Registrar a waiver signed by the Boise College physician. This waiver must be secured by the student during the semester covered by the waiver. The Boise College physician may be contacted at the Health Center.
ADMISSION REQUIREMENTS TO UPPER DIVISION

A. JUNIOR STANDING
A student must have earned 64 acceptable semester credit hours of college-level work before he is classified a junior.

B. UPPER DIVISION COURSES
Upper Division courses are open to a student who:
1. Has completed stated course pre-requisites and
2. Is not on academic probation and
3. Has completed 60 semester credits of college work.
A Lower Division student who has a G.P.A. of 2.0 or better may take Upper Division courses if:
1. The Upper Division course is required during the Sophomore year in a specific curriculum in which the student is majoring, or
2. The student has the written permission of the Division Chairman in whose division the course is offered.

C. CONTINUING STUDENTS
Continuing students at Boise College have first preference in entering the upper division as juniors provided they have earned 64 credit hours of college-level work and have G.P.A.'s of 2.0 or better. Students need not re-apply to the College but must inform the Registrar's Office of their intention to return.

D. FORMER BOISE JUNIOR COLLEGE STUDENTS
Former Boise Junior College students, who have not attended any other accredited higher education institution since leaving Boise Junior College and who wish to enter as juniors must:
1. Have earned 64 semester credit hours of college-level work;
2. Have a Grade Point Average of 2.0 or better;
3. Have completed the College's Application for Admission Form;
4. Have physical examination completed and reported on the College's Physical Examination Form if the last physical examination on file at the College is three or more years old.

E. TRANSFER STUDENTS
Transfer students from other colleges and universities who wish to enter as juniors must:
1. Have earned 64 semester credit hours of college-level work;
2. Have a Grade Point Average of 2.0 or better;
3. Have completed the College's Application for Admission Form;
4. Have transcripts from all other accredited higher education institutions previously attended sent directly to the Registrar from the school officials responsible;
5. Have physical examination completed and reported on the College's Physical Examination Form;
6. Have character references, on forms provided by the College, completed and sent to the Registrar;
7. Not be under disqualification at another college or university;
8. Submit two 2" x 3" recent photographs (no snapshots).

F. ACCEPTANCE INTO PROGRAM
A student must declare his major upon entering the upper division. The Registrar will evaluate the student's transcripts for acceptance into the College. The student will be sent to an advisor for assistance in formulating a program to fulfill all requirements for his declared major. The student is ultimately responsible for the selection of courses for his major and the degree.
G. PERMIT TO REGISTER

Applicants for admission whose credentials have been accepted will be given permission to register for the following semester. Students should plan to have all credentials submitted one month before registration to settle any questions that may arise and to receive by mail a Permit to Register one week before registration. Before a student may register, he must have a permit signed by the Director of Admissions.

REGULATIONS

Upper division students are equally bound by all rules, regulations, and policies that apply to the other college students regarding Petitions, Challenging Courses, Grading System, Eligibility for Extracurricular Activities, Attendance and Absence from class, academic probation and dismissal, admission on probation, withdrawal from courses or college, and maximum loads.

STUDENT ACTIVITIES

A. STUDENT GOVERNMENT

Every full-time student of Boise College is officially a member of the Associated Students of Boise College (ASBC). This membership entitles each student to vote in all student body elections, to participate in a variety of extracurricular activities, attend athletic events, and receive the student newspaper without charge.

The Students Executive Board (SEB), is the chief executive body of the ASBC and consists of the student body president, vice president, secretary, treasurer, and each of the four class presidents.

The Student Senate (SENATE), is the legislative branch of the ASBC and is composed of one Senator from each recognized organization on campus, the Senator from each class, and the members of the Executive Board.

The Student Executive Board and Senate are designed to promote democracy, scholarship, leadership, and interest in student activities through various committees and assignments, such as: The Social committee, Inter-service Club committee, Judiciary committee, Homecoming committee, and all other activities included in the ASBC budget.

B. STUDENT PUBLICATIONS

The Boise College Roundup is the official weekly newspaper of the associated students. The student leadership of the paper is divided between two editors selected by the SEB. Positions on the staff are open primarily to students enrolled in Journalism.

The Les Bois is the college annual or yearbook, published by the associated student body. The editor is appointed each year by the SEB and positions on the staff are open to all interested full-time students.

Impulse is a cooperative effort of the students and faculty of the Humanities Division in the form of a semi-annual book of poetry, short stories, and art.

C. CLUBS AND HONORARIES

Participation in departmental clubs and honoraries, service clubs, and campus activities is an important part of student life. Adequate opportunities are available for every eligible student to pursue his extracurricular interests. Student honorary and service honorary organizations include Phi Theta Kappa, open to students with an academic grade point average of 3.5 or higher; Tau Alpha Pi, a vocational honorary; Golden Z's, open to women with a 3.0 average or higher; Valkyries, a women's service honorary; Circle K, men's service honorary; and Delta Psi Omega, national dramatic honorary. Other service organizations include the Esquires, open to ex-servicemen with two or more years of active duty and a 2.0 average; Pi Sigma Sigma, men's service club; Intercollegiate Knights, national men's service club; Life Lines, women's organization emphasizing the need for blood and pledges to blood banks; Associated Women Students, open to all women on campus. Approximately fourteen class organizations and seven religious clubs, plus five or more special interest groups carry on a large number of campus projects and activities.

D. RELIGIOUS ACTIVITY

There are more than ample opportunities for worship in the Capital City of Boise. The many churches welcome students into their fellowship and provide additional programs for the students. The interfaith Council, composed of representatives from each of the religious clubs on campus, coordinates and promotes religious programs at the College.
REQUIREMENTS FOR EXTRACURRICULAR ACTIVITIES

A. ELIGIBILITY

1. In order to be eligible to represent Boise College or any student organization in any extracurricular activity of an intercollegiate nature such as: debate, Model United Nations, trips of the band, choir, or other activities, fraternal or organizational conferences, business education day, etc., (except athletics) a student must:
   a. Not be suspended or disqualified from the College or on academic or conduct probation.
   b. Be currently enrolled as a full time day student in good standing carrying at least ten (10) academic credits of work.
   c. Have earned at least (10) semester hours of credit with at least a 2.00 GPA during his last previous semester at this College or;
   d. If a first semester freshman, have the written approval of his academic advisor.
   e. Have a 2.00 Cumulative GPA or better.

2. Membership in any of the Service Clubs, Class or Special Interest Organizations (other than those required for credit), activity groups and committees not specified below require the student:
   a. Not to be suspended or disqualified from the College.
   b. To be currently enrolled as a full time day student in good standing, carrying at least ten (10) academic credits of work.
   c. To have earned at least ten (10) semester hours of credit, or;
   d. If a first semester freshman, have the approval of his academic advisor.

3. To be eligible for any student office, or student body office, or committee chairmanship, a cumulative 2.00 GPA must be achieved, and a 2.00 GPA must be maintained for the duration of office.
   a. The president must have a 2.00 to qualify.
   b. To be eligible for a student body office a candidate must have completed 60 credit hours of work.
   c. The minimum requirements for class officers shall be:
      1) 30 credit hours for sophomore offices;
      2) 60 credit hours for junior offices;
      3) 94 credit hours for senior offices.
      4) Freshman candidates shall be required to have a 2.20 cumulative GPA or equivalent from high school.

B. FACULTY ADVISOR’S RESPONSIBILITY

It is the responsibility of the faculty advisor, director, or coach to see that the eligibility of all candidates for office is certified by and filed with the Student Personnel Office before such candidates run for office and at the end of each grading period.

HOUSING

All full time freshmen, not living at home, are required to live in the residence halls on campus. Students over twenty-one or married are not included in this regulation. In special cases written permission may be granted by the Dean of Men or the Dean of Women to live off-campus. Students who feel they have a special situation may petition either the Dean of Men or the Dean of Women. In the case of women under twenty-one, special permission will be granted only to live with a close relative.

ALL students are required to report any change of address (temporary or permanent) to the Student Personnel Services Office prior to moving.

Students living off-campus or at home are subject to the same standards of conduct expected of students living in College housing and residence halls.
A. ON-CAMPUS HOUSING: RESIDENCE HALLS

The College maintains three permanent residence halls and one residence home with accommodations for approximately 500 students. Living conditions are comfortable and conducive to successful academic progress and to participation in the wholesome activities of campus life. The women's residence halls (Morrison, Driscoll, and Falk House) will accommodate approximately 200 students and the new men's residence hall is designed to house 300 students.

Morrison and Driscoll halls are virtually identical, with forty-eight single and fifteen double rooms divided into ten suites of from six to eight women each. The new men's residence hall is divided into two separate three-story units of approximately fifty men to a floor living in twenty-four double rooms, two single rooms, and a Resident Advisor's room per floor. Both units are connected by enclosed corridors to a central lounge and control unit that includes a large carpeted formal lounge, recreation area, T.V. lounge, mail boxes, control desk, office, and the Resident Director's apartment. Each floor of the new men's hall is in a sense a separate living unit with a small informal lounge, study room, small kitchenette, and laundry facilities.

Laundry facilities are available in each of the residence halls. Linen (sheets, pillow, pillow cases, and bath towels) are NOT provided and the student must also furnish blankets (2), iron, and a study lamp (lamps are not needed in the new men's hall). All residents are required, as part of the housing contract, to take their meals in the new Student Union dining room. Students in the residence halls and others who have meal tickets are expected to dress for Sunday dinners.

Applications for room reservations should be made as early as possible before the opening of the school year. Contracts for residence hall accommodations are for room and board for the entire academic year. Applications must be made on an official contract form and accompanied by a security deposit of $25.00.

(CHARGES ARE SUBJECT TO CHANGE WITHOUT NOTICE)

Arrangements for the payment of room and board fees must be made in advance with the Business Office before a room assignment can officially receive final confirmation. The application-contract is BINDING FOR THE ENTIRE ACADEMIC YEAR. Payments, however, are made by the semester.

MEAL SERVICE CALENDAR for the year 1967-1968:

- **Fall Semester** — August 20, 1967 through December 21, 1967
  (Except Thanksgiving vacation November 22 through November 26)

- **Between Semesters** — December 21, 1967 through January 7, 1968
  (Meal service will be suspended. The Snack Bar will be closed).

- **Spring Semester** — January 8, 1968 through May 12, 1968
  (Except Spring Vacation March 22 through March 25)
B. APPLICATION PROCEDURE

All inquiries and letters requesting information and application-contracts should be sent directly to:

RESIDENCE HALL SECRETARY
STUDENT PERSONNEL SERVICES OFFICE
BOISE COLLEGE
1907 College Blvd.
Boise, Idaho 83707

Applications for residence halls will be processed as soon as the following procedures have been completed:

1) A completed application-contract (signed by parents or guardian for students under twenty-one) is sent to the Boise College Business Office with:
   2) A $25.00 Security Deposit enclosed. Check or money orders should be made out to, "Boise College." This deposit is not to be construed as a partial payment for the cost of room and board. It is held (after assignment) as a damage deposit and is refundable when the student permanently moves out of the residence hall. Security Deposits are forfeited if cancellation of a room assignment is not received prior to August 1st for the fall semester and January 1st for the spring semester.

3) After the above two items are processed a tentative room assignment is made and the student notified.

4) This room assignment is officially confirmed after the student contacts the Business Office to pay or make arrangements for room and board fees.

C. OFF-CAMPUS STUDENT HOUSING

All unmarried students under 21 years of age must obtain the approval of the Dean of Men or the Dean of Women to live off campus. Lists of available housing are on file in these offices. Housing agreements must be initiated and filed with the Dean of Men's office.

Students over 21 years and/or married need not obtain approval but are welcome to use the Dean's Housing lists.

All students are required to report any change of address, both temporary and permanent.

D. MARRIED STUDENT HOUSING (COLLEGE COURTS)

Eighty housing units are available for married students. They are located one block off campus and rents are low. Rates for apartments are $50.00 to $55.00 for one bedroom, $60.00 for two bedroom, and $65.00 for three bedroom. (Charges are subject to change without notice.) Electric refrigerators and ranges are installed in each apartment. Coin-operated washing machines and dryers are located on the site. Heat, water, hot water, and garbage disposal are furnished. Other facilities are not furnished.

Applications for these units should be made directly to Married Student Housing Office of Student Personnel Services, Boise College. A $50.00 security deposit is required. If notification for a cancellation of a reservation is not received by August 1, the security deposit is forfeited and no longer refundable.

COLLEGE HEALTH SERVICE

All students are required to file a complete physical examination with the Director of Admissions Office before they are admitted to Boise College for the first time. The medical examination form is included in the student's application for admission packet.

Limited medical assistance is provided at the Ada County Health Center, located on the west end of the campus. A nurse is on duty between the hours of 9 A.M. and 12 Noon each day for minor ailments and injuries, at the Ada County Health Center.

All full time students are required to participate in the student health and accident insurance program which provides coverage on or off the campus.
from the beginning to the end of each semester. The health and accident
insurance provides for liberal hospitalization, medication and laboratory
services, as well as a major portion of medical and surgical fees.

The treatment of pre-existing illnesses is not included in either program.
The responsibility for providing any special care required by a physically
handicapped student rests with that student and/or with his parents or
guardian.

GUIDANCE PROGRAMS

The guidance program at Boise College is coordinated by the Dean of
Student Personnel Services and is designed to reach every student. Regard-
less of the nature of his problems, the student at Boise College is afforded
the opportunity to discuss them with a faculty advisor of his choice, per-
sonnel dean, or with a professional counsellor.

The student in need of vocational guidance finds at his disposal the
services of a specialist at no extra cost. In addition to knowledge gained
from the entrance tests, taken before his registration, information is avail-
able through tests that range from inventories of his interest to measures
of his various aptitudes and abilities.

Each full-time student is required to take the standard American College
Testing program test battery before entering Boise College as a first-time
freshman. Students who take these tests during their senior year in high
school will not be retested at the College.

All tests are used for guidance and placement rather than for selective
admission.
