GENERAL INFORMATION

Fees and Charges

check. Upon completion of the withdrawal process, a refund check will be prepared and issued in approximately two to three weeks from date of withdrawal.

DELINQUENT ACCOUNTS

The cancellation of the registration and withholding of academic credit of any student with a delinquent account or an unsatisfactory financial relationship with the business office is authorized without notice if the student has been contacted. This regulation may be invoked at the discretion of the Coordinator of Administrative Services in cases of disregard of the settlement of returned checks, loss of property or breakage, dormitory or housing breakage, library fines and losses, telephone toll charges, overdue notes, etc.

DISHONORED CHECK POLICY

A charge of $5.00 will be assessed each time a check is returned; this amount will be charged to the student and he will be notified. If not cleared within 10 days, a second notice will be sent and a "hold" placed on his records.

Any check that is registered in payment of registration fees and subsequently returned by the bank will result in automatic postponement of the student’s registration and the student will be subject to a late registration fee.

HELD PACKETS

Registration Fees are due and payable at the time of Registration. If packet is not cleared by full payment within one class day of registration, the packet will be returned to the Director of Admissions, and the class cards put back in the files for other distribution. If financial assistance is required, the following possibilities are suggested:

1. Financial Aids Office
2. Bank Loan
3. Family Loan

Once a packet has been returned to the Director of Admissions for stripping, a subsequent registration is required when fees can be paid.

AUDITING OF ACCOUNTS

All funds for public purposes within the College and subject to the jurisdiction of either the College or the Associated Student Body and which are contributed to or collected by any student or faculty member shall be deposited with the Chief Accountant, subject to withdrawal upon written approval of the proper authorities. An accounting of all receipts and expenditures in the funds shall be made by those responsible for their collection immediately after they shall have been disbursed, this accounting to be audited by the Chief Accountant.

INSURANCE COVERAGE

All full-time students at Boise State College are required to take Blue Cross insurance coverage which is paid with regularly assessed institutional fees. Students who are covered by family or other plans may obtain a refund through application to the Blue Cross office.

Boise State College carries liability insurance covering all on-campus and official college functions including student activities.

Office of the Dean of Student Personnel Services

The office of the Dean of Student Personnel Services coordinates the activities of the various offices and departments of the College that provide direct service to the student. All services are considered supportive to the instructional program and are designed to provide direct assistance to students in the attainment of their immediate and long range educational goals.

The staff of the Dean of Student Personnel Services administers a student services program encompassing student government, housing, organizations and activities, health, College Union, counseling, financial aids, admissions, registration, placement, as well as High School and College relations.

Office of the Dean of Women

The Dean of Women is responsible for the general welfare of individual women students. Along with the Dean of Men, she serves as a professional resource for the Dean of Student Personnel Services. Much of her time is spent in individual counseling of women with personal, social or educational problems, as well as with residence hall, sorority, off-campus and organizational advising and programming. She is concerned with faculty-student relations and with research and programming on educational opportunities and career alternatives for women.

The Dean of Women's office administers and advises the Resident Advisor program, the operation of the women's residence halls, Interdormitory Council, Panhellenic Council, the individual sororities, and other women's organizations. She also conducts interviews with students withdrawing from Boise State College.

Office of the Dean of Men

The Dean of Men has the primary responsibility for the general and individual welfare of all male students. Along with the Dean of Student Personnel Services as a resource, back-up, and coordinating professional in all areas of student life. Specifically, he is involved with personal, academic, and social counseling, as well as with fraternity, residence hall, off-campus, organizational, and other advisory services, programs, and planning.

The Dean of Men's office administers and advises the Student Judicial system, eligibility certification, withdrawal from college, Interfraternity Council, Interdormitory Council, Resident Advisor program, Student Handbook, new organizations, individual student recommendations, and student-faculty-community relations.

Office of the Director of Admissions and Records

All matters relating to admission to the College and to credit for work at other schools and colleges are administered by the Director of Admissions. Applications for admission, and inquiries about admissions should be addressed to the Director of Admissions, Boise State College, 1907 Campus Drive, Boise, Idaho 83707.

In addition to admissions, this office has general administrative responsibilities for academic retention and readmissions activities, maintenance of student academic records, certification of completion of requirements for undergraduate degrees, registration procedures, and eligibility for athletic participation. This office also administers relations between students and the Selective Service Boards, Social Security Administration, and Veterans' Administration Affairs.

Office of the Registrar

The Office of the Registrar is responsible for direct maintenance of student academic records. All inquiries concerning credit earned at Boise State College or credit earned at some other institution should be made to The Office of the Registrar, Boise State College, 1907 Campus Drive, Boise, Idaho 83707.

College Union

The College Union Building is designed to offer students, faculty, staff and the community a wide variety of facilities for social, recreational, study, dining, and meeting needs. Services available on the first floor of the Union are the snack bar, information center, which handles ticket sales to Boise State activities, Programming Office, Scheduling Office, a full-service Bookstore, and Barbershop. Also located on the first floor is the games area which has a six lane bowling alley, pool tables, coin machines, a quiet games area, rental equipment area, and a special outdoor recreation program.

Two spacious student lounges are available, one located on the first floor and one on the second floor. Both are equipped with fireplaces and provide a view of the entire campus. On the second floor of the Union are numerous meeting rooms and banquet facilities, a T.V. lounge, the Main Dining Room for boarding students, the Ball Room with a capacity of 900 and offices for the College Union Director, Associated Students, Alumni Association, and Arbiter.

The third floor of the building consists of an elegant student lounge—"The Lookout"—with a panoramic view of the city of Boise, the campus, the mountains, and the Boise River.
The College Union is governed by the College Union Board of Governors, which consists of eight student members, three faculty members, four administrative members and an Alumni representative. The Board recommends policy to the College President regarding building usage and general programs. A full-time Director and staff are employed to operate the College Union Building.

The Bookstore is operated by the College as an official source for all textbooks, study aids, and other school supplies needed by students. Located in the College Union, the Bookstore has textbooks available for every course offered by the College. Used books are stocked for resale wherever possible.

Also offered is a wide variety of merchandise for sale. This ranges from precision drafting equipment and writing materials needed for class use to toilet articles and the latest books. Also available in the store are art supplies, greeting cards and stationery, and a large paperback book section for the student.

The Student Health Service safeguards the health of students through health education, preventive medicine, and therapeutic care. The purpose of the Health Center is to furnish the students with convenient first-rate medical care at a reasonable cost. All full-time students should be familiar with the provisions of the Health Service. The health fee entitles the student to receive general medical care and consultation during clinic hours. All available community services are utilized. Some services deemed the responsibility of the student and not included as part of the health plan are: dental care, eye glasses, allergy tests, routine physical examinations and management of special and chronic diseases.

The privileges are not available to members of the student's family or faculty and staff. Inquiries regarding the medical examination of health requirements for admission may be made directly to the Student Health Center, Boise State College, 385-1459.

The Center for Counseling is a service designed to help students with personal, educational, vocational and social problems. Professional counselors work with the student in a setting that allows confidential discussion of the student's concerns. This service is based on the premise that many normal individuals have, at some times, problems that they cannot resolve alone. The student may concentrate on a specific problem or he may work on his general adjustment to the academic life. Psychological tests may be used for self-evaluation and information. Occupational information is available.

All active students are eligible for counseling. Appointments may be made by phone—extension 1601 or in person at the Counseling and Testing Center, second floor, Library Building.

Placement Service

Placement Service provides assistance to students and alumni who are seeking career employment. Basic services include:

1. Career Planning and Information. The Director of Placement Services is available to provide information and assistance regarding career choice and placement opportunities. Placement Services also has a growing library of recruiting literature, annual statements, the COLLEGE PLACEMENT ANNUAL, and other career references.

2. Credential Service. By establishing a placement file with Placement Services, a student may assemble a permanent file containing all the vocationally significant data about himself at a time when instructors and administrators remember him best. Once a file is established, copies may be sent to prospective employers. Students are encouraged to establish credential files early in the year they plan to graduate.

3. On-campus Interviews. Students and alumni are also welcome to interview with the employers recruiting on the campus. Each year, representatives from business, government, and educational institutions arrange for interviews in the Placement Services Office.

Placement Services also maintains information on off-campus part-time, summer, and Christmas employment for students and their spouses. Upon completion of semester registrations, student applications for employment must be filed in person at the Placement Services Office, Room 124, Administration Building. No fee is charged for any of these services.

The Alumni Office is located on the second floor of the College Union Building. Robert Willcuts, Director, also coordinates activities of the Boise State College Alumni Association, a voluntary organization, incorporated in 1967. Membership includes all graduates and entitles them to receive alumni news publications, placement services, use of College Union and Library facilities. The objectives and goals of the association are to maintain contact with graduates and former students and to promote their interest in and support of the College. The office publishes
a quarterly magazine and periodical mailings keep the alumni informed of the changes taking place on campus. All members are urged to keep the Alumni Office informed about changes of address, employment status, marriages, births, and other information of interest to fellow class members. Students and alumni are welcome to visit at any time during regular office hours.

High School and College Relations

The Director of High School and College Relations is responsible for design, coordination, development, supervision, and implementation of programs which transmit to any and all agencies the educational opportunities and advantages available at Boise State College. This also includes coordination of high school visitation and the follow up with high schools and junior colleges throughout the state of Idaho.

This office works closely with all of the other offices within the framework of Student Personnel Services.

Student Relations Coordinator

The office of the Coordinator of Student Relations correlates all student inter-personal experiences in directing the students' quest to become responsible persons. He serves the students of Boise State College by hearing, investigating, and seeking fair solutions to both academic and non-academic problems. He researches the students' opinions and encourages others to consider their point of view. He coordinates campus volunteer programs with the Director of Activities and serves as liaison officer with the community in establishing a meaningful campus ministry program. Humanistic values are emphasized in all student personnel services to promote the individual dignity and unique worth of each student.

FINANCIAL AIDS

A. General Information

Purpose

The primary purpose of the Financial Aid Program on the Boise State College campus is to provide financial assistance and advice to students who would be unable to pursue their education at the College without such help. In implementing this purpose, the BSC Financial Aid staff recognizes that the financial need of an individual student is related to his educational and vocational plans and, very often, with health or adjustment aspects of his development. Thus, the financial aid effort is concerned with assisting students in many ways. In addition to counseling with both students and parents, the BSC Office of Financial Aids administers a comprehensive program of scholarship, service awards, grants, loans, and employment which may be offered to qualified students.

The amount and type of aid a student may receive is determined by his need factor and his academic potential. Need is determined through the Parent's Confidential Statement. Each student applying for aid through the College is required to submit this confidential statement to the appropriate agency for evaluation. (See special note F)

Boise State College participates in the College Scholarship Service (CSS) of the College Entrance Examination Board. Participants in CSS subscribe to the principle that the amount of financial aid granted a student should be based upon financial need. The CSS assists colleges and universities and other agencies in determining the student's need for financial assistance. Entering students seeking financial assistance are required to submit a copy of the Parent's Confidential Statement (PCS) form to the College Scholarship Service, designating Boise State College as one of the recipients, by February 1.

The PCS form may be obtained from the high school counseling office; College Scholarship Service (Box 176, Princeton, New Jersey 08540, or Box 1501, Berkeley, California 94701); or the BSC financial aid office.

Academic ability is based on the student's past performance. While forms of financial aid require that the student meet minimum entrance requirements, scholarship aid requires that he show outstanding scholarship promise.

The following completed requisites will enable an applicant's name to be placed on the list of students being considered for awards:

1. Complete Admission Requirements (See page 27).
2. College transcript (if transferring).
3. ACT scores.
4. Aid Application, recommendation, and a financial statement filed.
B. Scholarship, Service Awards, and Grants

Scholarships
Scholarships are administered by the Faculty Scholarship Awards Committee from material compiled by the Director of Financial Aids.

New student scholarships at Boise State College are designated in the following areas:

- Academic Achievement Scholarships. Awarded to students of superior achievement.
- Student Leadership Scholarships. Awarded to students who have displayed leadership ability in class offices, clubs, and organizations.
- Performing Arts Scholarships. Awarded to those who have demonstrated superior talent in music, art, drama, and debate.
- Special Talent Scholarships. Awarded to students who have demonstrated some superior ability or accomplishments.

Service Awards
A substantial number of awards are made to students with financial need on the basis of and in recognition of their abilities in special areas of the academic or co-curricular program, i.e., music auditions, student publications, marching and stage band, drill team, science competition, business and distributive education.

Boise State College also administers funds on behalf of donors or sponsors who wish to select the recipient themselves, but who wish to disburse the money through the college. These scholarship funds provided by foundations and trusts are listed periodically in a financial aids bulletin available on request from:

Director of Financial Aids
Boise State College
Boise, Idaho 83707

The bulletin includes a comprehensive financial aids application. Once a student has an application filed, he will automatically be considered for all available scholarships for which he is eligible. (It is not necessary to apply for a specific scholarship.) Last date for filing is March 1, for the following academic year.

Grants
Boise State College participates in several grant programs including Educational Opportunity Grants, Law Enforcement Education Program grants, and Nursing Scholarships, all funded by the federal government. Because of periodic changes in the program and allocations of funds to the College, students should contact the Director of Financial Aids requesting the comprehensive financial aids application mentioned above, and file a PCS.

C. Loans
Boise State College participates in the National Defense Student Loan Program, Law Enforcement Education Program Loan, and Nursing Student loans for which information is available in the financial aids bulletin. A comprehensive application and financial statement is required for consideration.

College Short-Term Loans
Loan funds on a short-term repayment basis are available for full-time students who maintain a 2.00 grade average or better. Repayment in full must be made by the end of the semester. A $1.00 service charge is assessed. Part-time on-campus employment is often available to help meet individual loan obligations.

Since its origin as a junior college in 1932, Boise State College has been the recipient of a considerable number of loan funds established by organizations, service clubs, and individual memorials. A list of these funds is available on request from the Director of Financial Aids, and will be published in the next issue of the financial aid bulletin.

Federally Insured Student Loan Program
Federally guaranteed loans for college students were authorized by Congress in the Higher Education Act of 1965.

Loans can be made by banks, credit unions, and other lending institutions directly to students upon certification by the Director of Financial Aids. Repaying is guaranteed to the lending institution by the federal government in the same way that an FHA mortgage is guaranteed.

A student receiving this loan will make no repayment until the first day of the tenth month after he completes his education. Payments shall be not less than $30 per month. If his loan is for $2,000 or more, he may have from five and/or ten years to repay. His payments may be deferred up to three years if he enters active service in one of the armed forces or the Peace Corps.

The maximum loan for an academic year for an undergraduate is $1,500 to a total of $7,500 in his undergraduate years. The interest rate on these loans is 7 per cent per year.

Students may obtain application forms from their home-town lending institution for a Federally Insured Loan. It is recommended that the student call the Financial Aids Office of the College to obtain the current status of the loan program before he begins the application procedure.

Upon completion of the personal information portion of the application, the form should be submitted to the Financial Aids Office at BSC where the Educational Data portion will be completed and signed by the Director of Financial Aids. The form will then be returned to the student for his submission to his own bank or other lending institution. Residents of various states may be eligible for guaranteed loans such as United Student Aid funds and other state programs for which information is available from lending institutions and from the Director of Financial Aids.
D. Student Employment

College Work-Study Program

The College participates in the College Work-Study Program administered by the United States Office of Education. To be eligible for this program a student must be accepted for enrollment as a full-time student or be in good standing if currently enrolled. A student's eligibility further depends upon his need for employment to defray college expenses with preference given to applicants from low-income families.

Part-Time Employment

Other job opportunities are offered to students who need to work and who do not meet the financial need requirements for the College Work-Study Program. On-campus part-time work opportunities are available in various departments, offices, and agencies of the College. At the time of an interview the financial aid officer will determine if referrals can be made for on-campus employment. Should no employment availability exist this information compiled by the student is transmitted to a placement services file. A placement office is maintained on campus to help students secure part-time employment in private businesses, industry and other employers in the College community, provided the student can meet the requirements established by the employing agency.

E. Liaison

The Financial Aids Office cooperates with numerous agencies and offices so that information and referrals can be shared. The comprehensive financial aid application completed as accurately as possible and substantiated by a Parent’s Confidential Statement is vitally important in financial aid assistance to new students, as well as transfer or continuing students. Records are maintained by the financial aid office during each succeeding period of the student’s enrollment so that renewal assistance can be expedited.

*SPECIAL NOTES

The American College Testing Family Financial Statement may be substituted for the previously endorsed financial statement (PCS).

Federally supported programs of student financial aid and BSC programs require documentary proof of the financial need of a student seeking aid. Those students:

(1) unable to file the Parent’s Confidential Statement (CSS) or Family Financial Statement (ACT), or;
(2) considering themselves “independent” of parental support...CANNOT BE CONSIDERED without a notarized statement that incorporates the following: “I, as parent or guardian of .............................................. provided no financial support to cover his cost of education for the previous year, 19....... He resided in my home ....... months in that year. I did not claim him as an exemption for Federal income tax purposes in that year.

“Further, I hereby certify that I do not claim him as an exemption for Federal income tax purposes in this current year, 19............ He has resided with me for ......... months in this current year, 19............

Program Center

The Program Center, located on the first floor of the College Union across from the Bookstore, acts as the central office for all campus activities. It houses the College Union Program Board (CUPB) Offices, the Union Program Office, and has mailboxes and filing cabinets for the various campus organizations. Come to the Program Center to obtain any information regarding campus activities.

College Union Program Board

The College Union Program Board (CUPB) is composed of 15 student committees which have the responsibility for planning and implementing a well-rounded activities program at Boise State. There are about 150 positions available to students each year on the various CUPB committees such as Pop Concerts, Classical Concerts, Pop Films, Foreign Films, Lectures, Coffeehouses, Art Shows, etc. Students are urged to apply in the Program Center.

Student Organizations

On the Boise State College campus there are a large number of student organizations covering almost every area of student interest. There are student chapters of professional organizations, special interest groups and other extracurricular organizations. These organizations and groups provide broad opportunities for student participation.

Further information on student organizations may be found in the student handbook or by contacting the Program Center in the College Union.

Student Government

Every full-time student who has paid his ASBSC fee is officially a member of the Associated Students of Boise State College (ASBSC).

The fee that each full-time student pays to student government is used to fund a complete social program, a student newspaper, a yearbook, a complete men's and women's intramural and recreational program, a drill team, a marching band, cheerleaders, and partially fund such programs as drama, debate, choir and community symphony.

Other related programs administered by student government would include Homecoming, Parents' Day, All-Idaho Week, a Draft Counseling Center, a volunteer placement bureau, a family-planning information center, a part-time lawyer available to all students, a campus beautification program and the funneling of student opinion into every faculty or administrative committee dealing with the governance of the College.

Additional information regarding student government may be obtained from the Student Handbook or in the ASBSC Offices on the second floor of the College Union.

Religious Activities

Students are encouraged to participate in local churches. Several religious groups have buildings for students near the campus. Most groups affiliated with Boise State College meet in the College Union for discussions and fellowship.

All Faiths Council is composed of student representatives or recognized religious organizations on campus. Together with the Coordinator of Religious Activities, who is also Coordinator—Student Relations, the Council promotes and coordinates religious activity. This includes not only Christian and Jewish organizations but also the great Eastern religions. The Council encourages and assists new groups to form on campus and receive recognition from the A.S. Senate.

Student Publications

A number of student publications are printed during each school year to serve as sources of information for new students, to report the many events of interest to the campus community, and to record the year's activities.

The Arbiter is the official newspaper of the students of Boise State College. Staff positions are open to full-time students interested in journalism, not necessarily journalism majors.

Les Bois is the college annual published by the Associated Students. The editor is appointed each year by the ASBSC President and other positions on the staff are open to all interested full-time students.

Social Fraternities and Sororities

Boise State College has a number of national social fraternities and sororities. Local chapters of Alpha Chi Omega, Alpha Omicron Pi, Alpha Xi Delta, Delta Delta Delta, and Gamma Phi Beta for women, as well as Kappa Sigma, Sigma Tau Gamma, Beta Sigma Chi, and Tau Kappa Epsilon for men are active on campus. Membership in these fraternities and sororities is by invitation only. Students interested in obtaining more information about them should write directly to the Office of the Dean of Men or the Office of the Dean of Women.

Band, Orchestra, and Choir

The Music Department provides opportunity for music students, as well as other interested students who can qualify, to participate in the Boise State College orchestra, bands, choirs, and smaller ensembles.

Drama

All students with the required grade point average are eligible to try out for a large repertoire of student plays and drama productions.
ACTIVITIES

Debate
Members of the Debating Team travel many thousands of miles each year to engage in intellectual competition with schools from across the country. Proficiency in critical thinking, public speaking and the ability to investigate and intensively analyze significant contemporary issues are the goals sought by students involved in this activity. Financed primarily from the Associated Students of Boise State College budget, it is open to all students who wish to participate.

Athletics
The College encourages athletics as a part of its educational program, with all intercollegiate sports directed and controlled by the Athletic Director, and his staff.

Teams have been organized in football, cross-country, basketball, wrestling, skiing, baseball, track, and tennis. Intercollegiate varsity and freshman athletic events are played under the rules of the National Collegiate Athletic Association (NCAA), of which organization the College is a member. Eligibility to participate is determined by the Boise State College Athletic Board of Control.

The ASBSC and the Department of Physical Education through the Recreation Board provide intramural sports as a recreational opportunity for all students not actively engaged in intercollegiate athletic competition. Intramural participation is free to all students.

ELIGIBILITY FOR EXTRA-CURRICULAR ACTIVITIES

1. In order to represent Boise State College or any student organization in any extracurricular activity of an intercollegiate nature such as: Debate, Student Conferences, Fraternal or Organizational Conferences, class related activity junkets, Cheerleader and/or Broncettes trips (except athletics) a student must:
   a) Not be disqualified or suspended from the college or on academic, social or conduct probation.
   b) Be currently enrolled as a full-time student.
   c) Have earned at least a 2.00 Cumulative GPA during his previous semester at this College and carried a full-time load during said semester.
   d) Have a 2.00 Cumulative GPA or better. The ABSSC President, Vice President, Treasurer, and Senate members shall have a minimum 2.25 cumulative GPA standing at the time of election to office.
   e) If a first semester Freshman, have written approval of his ACADEMIC advisor.
   f) If a first semester transfer student, have written clearance from the Student Personnel Services Office.
   g) All candidates for extracurricular activities must be certified by the Dean of Men’s Office before election or participation. Eligibility certification is valid for one semester and must be renewed.

2. Exceptions
   Rules 1a and 1c do not apply to students engaged in activities that are required as part of a class; students participating in intramural sports or intercollegiate athletics.

Intercollegiate Athletic Eligibility
Students participating in intercollegiate athletics must comply with the eligibility rule of the National Collegiate Athletic Association. Specific information concerning individual eligibility may be obtained from the Athletic Director at Boise State College.

Student Conduct
Upon enrollment the student and the college enter into an agreement of mutual responsibility for maintaining order and standards as well as preserving the educational purpose and function of that relationship. The College is obligated to advise the student of established policies and procedures whereas the student is obligated to conduct himself as a responsible member of the college, and larger community.

As representatives of the college, students are expected to conduct themselves in a manner which will bring credit to themselves and the College. Standards of behavior should reflect good taste, courtesy, consideration and respect for the rights of fellow students.

Being a student at Boise State College does not relieve the individual of his responsibility to society and its laws. College sanctions may be imposed on a student apprehended by a law enforcement agency or appearing in a civil court, where his conduct significantly interferes with the College’s educational responsibility to all members of the College community. This policy does not in any way constitute double jeopardy.

Disciplinary Sanctions
Disciplinary action for misconduct on or off the campus may include payment of damages, fines and/or constructive services, or one of the following:

1. Admonition—An expression from the administration, generally in the form of a verbal warning or caution, that the expected standard of conduct is not being maintained. Used principally with first time minor infractions.

2. Censure—An expression of disapproval or condemnation of a specific act against the standard of conduct—generally in writing—with a possible loss of a minor privilege.
(3) **Conduct Probation**—generally a written warning, with or without a judicial hearing signifying that additional disregard for the standard of conduct will constitute grounds for suspension or expulsion. Usually a minimum time period is specified.

(4) **Disqualification**—disciplinary action excluding the individual from participating in certain activities or privileges for a prescribed period of time. A loss of a privilege, i.e., relinquishing a student office.

(5) **Suspension**—An administrative or Student Hearing Board action terminating registration, with a possible loss of academic credit, for a prescribed period of time. Re-enrollment must be requested by petition.

(6) **Expulsion**—an administrative or Student Hearing Board action permanently terminating a student's registration at the institution. Re-admittance is possible only by action of the President of the College.

### Appeals Procedure

1. Appeals concerning traffic violations are filed with the Director of Buildings and Grounds and heard by the Appellate Traffic Council.

2. Appeals from a lower judicial body should be made to the next higher body, i.e., ASBSC Judiciary or Student Conduct Board, through the Dean of Student Personnel Services Office. All appeals must be in writing and submitted within one week (7 days) of the decision with copies to the original and last judicial body. The appeal should include the reason for the appeal and new evidence not considered by the original committee or council.

3. Appeals from decisions of the Student Conduct Board may be made to the President of the College through the Dean of Student Personnel Services office. The appeal must be in writing giving full details of the case and specific evidence or justification for the appeal within one week (7 days) of the previous decision.

### Procedural Due Process and Right of Appeal

Fair play in all situations involving serious disciplinary actions is a right of every student. This is especially true in cases where conduct probation, suspension or expulsion are imposed or where an adverse notation may be made on a permanent record. In such cases, due process will consist of:

1. Adequate written notice of the charges. Normally said notice is sent from the appropriate Dean's office.

2. The opportunity for a fair hearing by allowing the student to appear alone or with another person to assist or advise him; to hear the evidence, its nature and source, and to offer evidence in his own behalf.

3. The right of the student to question the source of the evidence and to be heard by those in charge of the hearing.

4. The right of the student to be heard by committee, board, or appropriate official.

5. The right of the student to appeal the decision to the next highest authority and to be advised of the procedure.

### Student Housing

All single students under 21 years of age who are not living at home or with relatives will be required to live in college residence halls insofar as space is available, or in a sorority or fraternity. Fraternity or sorority members and pledges must obtain approval to live in their respective houses. Any student who reaches the age of 21 years during the semester for which he has made application to the college will be considered to be 21 years of age for housing assignment purposes. Exceptions to this policy must be approved by the Dean of Men or the Dean of Women.

The Boise State College Residence Hall Application Contract initiated at the beginning of the academic year is binding for the entire school year (fall and spring semesters). Thus the student who enters into a housing agreement with the college is committed to living in a college residence hall for the entire school year. Breach of contract will obligate the student for the full amount of the contract.

All students are required to report any change of address (temporary or permanent) to the Dean of Men or the Dean of Women prior to moving. Students living
off campus or at home are subject to the same standards of conduct expected of students living in college housing or residence halls.

A. Director of Housing

The Director of Housing and his staff are responsible for all student housing on and off the campus. The Director prepares student housing policies and procedures, conducts housing programs and surveys, and has the responsibility of accounting for housing and food service income. The office also supervises all married student housing and assignments; plans for redecorating, maintaining, and refurnishing of all college housing facilities; promotes the listing of public housing with the college for student use; supervises the records kept of available and occupied residence hall facilities and community housing; coordinates the housing program with the Dean of Student Personnel Services, Dean of Men, Dean of Women and other staff concerned with housing programs.

B. College Residence Halls

The College currently maintains four residence halls with accommodations for approximately 760 students. Living conditions are comfortable and conducive to successful academic progress. They also contribute to and encourage participation in the wholesome activities of college life. The women’s residence halls (the new Towers, Driscoll and Morrison) will accommodate approximately 456 students while the men’s residence hall (Chaffee) is designed to house 300 students.

The new Towers Dorm, located on the west end of the campus, has seven stories and accommodates 300 students. It is carpeted and air-conditioned, with study lounges and laundry facilities.

Driscoll and Morrison Halls, located on the Boise River, are virtually identical, with forty-eight single and fifteen double rooms arranged into ten suites of from six to eight women each.

Chaffee Hall is divided into two separate three-story units of approximately fifty men to a floor living in twenty-four double rooms, two single rooms and a Resident Advisor’s room per floor. Each student room is equipped with a telephone. Both units are connected by enclosed corridors to a Central Lounge and Control Unit. Each floor of Chaffee Hall is in a sense a separate living unit with a small informal lounge, study room, kitchenette, and laundry facilities.

Laundry facilities are available in each of the residence halls. Linens (sheets, pillow, pillow cases, and bath towels) are not provided and the student must also furnish blankets (2), iron, and a study lamp (lamps are not needed in Chaffee Hall or the Towers). All residents are required, as part of the housing contract, to take their meals in the College Union dining room. Students in the residence halls and others who have meal tickets are expected to dress for Sunday dinners.

Applications for room reservations should be made as early as possible. Contract for residence hall accommodations are for room and board for the entire academic year. Applications must be made on an official contract form and accompanied by a security deposit of $35.00.

MEAL SERVICE CALENDAR
(For the Year 1972-73)

Fall Semester—August 29, 1972 through December 21, 1972. (Except Thanksgiving Vacation, November 23 through November 26, 1972.)

Between Semesters—December 22, 1972 through January 8, 1973. Meal Service will be suspended and the Snack Bar will be closed.

All residence halls are normally closed during the above-listed vacations.

C. Application Procedure

All inquiries and letters requesting information and application-contracts should be sent directly to:
Director of Housing
Boise State College
1907 Campus Drive
Boise, Idaho 83707

Applications for residence halls will be processed as soon as the following procedures have been completed:
1) A completed application-contract is sent to the Boise State College Housing Office with:
STUDENT PERSONNEL SERVICES

Housing

a. A $35.00 security deposit. Check or money orders should be made out to Boise State College. This deposit is not to be construed as a partial payment for the cost of room and board. It is held (after assignment) as a damage deposit and is refundable when the student permanently moves out of the residence hall as specified in Residence Hall Contract Conditions. Form 1A. Security deposits are forfeited if cancellation of a room assignment is not received prior to August 1 for the Fall Semester and January 3 for the Spring Semester.

b. Signature of parent or guardian for students under twenty-one.

2) After the items above are processed a tentative room assignment is made and the student notified.

3) This room assignment is officially confirmed after the student contacts the Housing Office to pay or make arrangements for room and board fees. The student will be advised of his specific room number when he moves into his hall.

ACCEPTANCE AND PROCESSING OF THE CONTRACT BY THE DIRECTOR OF HOUSING DOES NOT CONSTITUTE APPROVAL OF ACADEMIC ADMISSION TO THE COLLEGE, AND APPLICATION FOR ADMISSION IS NOT AN APPLICATION FOR HOUSING.

D. Off-Campus Student Housing

All unmarried students under 21 years of age must petition and obtain the written approval of the Dean of Men or the Dean of Women to live off campus. Lists of available housing are on file in the Housing Office. The college does not inspect the accommodations; parents and students must accept full responsibility for the selection. The college recommends that students and parents make written agreements with landlords concerning the obligation and expectations of each party.

As a matter of policy, assignments to College Residence Halls and other housing facilities are made without reference to race, creed or color, and the College expects privately owned accommodations offered through its listing service to be operated in the same manner. Listings are accepted only with this understanding.

Students over 21 years of age and/or married need not obtain approval but are welcome to contact the Housing Office for assistance.

All students are required to report any change of address, both temporary and permanent, to the Dean of Men or the Dean of Women.

E. Married Student Housing

Eighty-four housing units are available for full-time (8 credits or more) married students. Rates for apartments are $60.00 to $65.00 for one bedroom, $70.00 for two bedroom and $75.00 for three bedroom. (Charges are subject to change without notice.) Electric refrigerators and ranges are installed in each apartment. Coin-operated washing machines and dryers are located on the site. Heat, water, hot water, and trash service are furnished; other facilities are not furnished.

GENERAL RESIDENCE HALL REGULATIONS

Occupancy of a Hall is a privilege extended to the student by the College. The continuation is dependent upon his or her reasonable and satisfactory personal conduct and the observance of all College regulations. (Specific Hall regulations are covered in separate Hall handbook publications.)

1. Quarters are to be occupied only by the students for whom they are reserved. Neither room reservations nor meal tickets are transferable.

2. The College respects the students’ right to privacy; however, the College reserves the right to enter a student’s room at any time for health, safety, welfare and maintenance purposes.

3. All Residence Hall contracts are for both room and board. Contracts for room only are not available.

4. Room and board payments for the academic year become due and payable upon receipt of the letter of temporary assignment; confirmation of a room assignment cannot be made until financial terms of this contract are met by total payment or the three specified installments. Arrangements for payment other than the above must be made directly with the Housing Office.

5. Students will be responsible for the furniture and fixtures in their rooms and for College property within the Hall. Where individual responsibility for damages can be determined, the individual will be charged. Otherwise, the charge will be made against the Hall or floor organization and prorated among the students living in that suite, floor, or area at the time the damage occurred.

6. Payment for damages during the academic year will not be taken out of or charged against the security deposit unless the damage charge is not paid. This deposit must remain intact until the end of the year or when the student leaves the College permanently.

7. Participation in fire drills is mandatory. Residents who fail to comply with this requirement and do not vacate the Hall when the alarm rings may be asked to move out because the College cannot then accept responsibility for their safety.

8. Anyone found turning in a false alarm, tampering, damaging or in any way using fire equipment or safety apparatus for other than its intended use may be immediately dismissed from the residence hall, fined, and subject to further action by the College authorities. Electrical wiring or alteration of existing wiring by students is prohibited.

9. The use and/or possession of alcoholic beverages on campus is prohibited. This includes the display of empty alcohol containers in individual rooms or elsewhere.

10. Students who reside in residence halls are responsible for providing insurance against loss or damage to their own personal property. The College does not assume responsibility for or carry insurance against the loss or damage of individually owned personal property.

11. Social Fee: There is a social fee levied at each dormitory in the amount of $10.00 a year, payable at check-in time.

12. Possession of firecrackers, gunpowder and/or other forms of explosives is prohibited.
Admission Requirements to the College

Applicants for admission must be at least 16 years of age. See Graduate Bulletin for admission requirements to the Graduate School.

CREDENTIALS

Students applying for admission to Boise State College as full-time students (8 or more hours) are required to furnish the following material: (1) An application for admission must be completed and submitted. A $10 fee (Non-refundable) will be assessed at the time of initial full-time matriculation and should accompany the application.

(2) An original transcript or transcripts of high school credits showing four completed years of school, signed by the principal, superintendent, or other authorized official. Early acceptance may be obtained at Boise State College on the basis of a six-semester high school transcript showing cumulative Grade Point Average of 2.50 (C+) or better, if other factors in matriculation are satisfactory.

(3) Official transcripts and statements of honorable dismissal from each institution attended after high school graduation. Transcripts must be sent directly from the institution to the Director of Admissions.

(4) Completed physical examination.

(5) Official scores from the American College Testing Program (ACT). Tests are administered five times each year to high school seniors throughout the nation. Students who miss the regular tests will be tested during registration week for an additional $12 fee. Other national test scores are not utilized.

(6) Applicants for Vocational-Technical programs must take the General Aptitude Test Battery (G.A.T.B.) at any State Employment Security Agency. The ACT tests are not required, but recommended, for some Vocational-Technical applicants.

Students applying for admission to Boise State College as part-time students (7 or fewer hours) need to furnish only a completed application.

Application forms may be obtained upon request from the Admissions Office. High school and college records should be furnished on the transcript blanks of the institution at which the work was taken. Prompt attention to these details will avoid delay in registration.

Students who profess objections to physical examinations because of religious tenets will be excused from completing the physical examination form as prescribed above and a written certification of such objection will be filed with the Student Health Center.

Certificate of Admission—Applicants for admission whose credentials have been accepted will be given permission to register for the following semester. Students should plan to have all credentials submitted one month before registration to settle any questions that may arise and to receive by mail a Certificate of Admission one week before registration. Before a student may register, he must have a certificate signed by the Director of Admissions.

Students who complete matriculation after the cut off date must pick up their Certificate of Admission in the Director of Admissions Office.

Veterans attending under the G.I. Bill of Rights (Chapter 34) or under the War Orphans Act (Chapter 35) must, upon registration, present a Certificate of Eligibility. Those attending under Chapter 31 (Rehabilitation Program) or any other provision of Title 38 United States Code, must present an Authorization of Entrance or be charged tuition and fees. Upon presentation of this Authorization, complete refund will be made.

Veterans attending either full or part time must have transcripts from previous schools sent to Boise State College.

For information concerning the G.I. bills contact the Veterans Administration Office first.

A. ADMISSION AS REGULAR STUDENTS

By Certificate—Admission to the College is based upon credentials showing graduation from an accredited high school and presentation of 15 acceptable units earned from the ninth grade through the twelfth as listed below under Summary of High School Requirements. Twelve units must have been earned during the tenth, eleventh, and twelfth grades.

A "unit" represents a high school subject taught five times a week in periods of at least 36 weeks. A certificate of secondary school records should be filled out and signed by the superintendent, principal, or other official of the school in which the work was done. It should show the length of each course in weeks, the length of each recitation, and the grades of scholarship attained, including a record of all failures and conditions. All certificates accepted toward admission to Boise State College become the property of the College, and are permanently filed among its records. They cannot be returned to the students.

Academic units shall be defined as English (composition and literature), foreign language, mathematics, social studies, and natural science.

Elective units may be taken from the academic subjects named as well as from vocational and other subjects commonly given in high schools with the following exceptions:

(a) Spelling, penmanship, reviews, project work in conjunction with regular courses, and work which is primarily of the nature of extracurricular activities.

(b) Less than one unit in foreign language, shorthand, typing or bookkeeping.

(c) Less than one-half unit in any subject.

(d) More than one unit in physical education and one in ROTC or two in ROTC.

General Science is acceptable as an academic unit but not as a natural science.

Freshmen students who have graduated from an accredited high school will be considered for admission upon receipt of the various application materials and a high school transcript showing a date of graduation and signed by a certified member of the school district. If the student under consideration is below a 1.50 accumulative high school grade point average and does poorly on the ACT Series, he would then be asked to define in writing or through a personal interview his personal goals. Students who fall in this category are encouraged to work closely with the Admissions Office and Counseling Center.

A transfer student, whether resident or non-resident, should have a minimum accumulative grade point average of 2.00 from all other schools attended prior to being allowed to enter Boise State College. Borderline cases will be decided by the Admissions Committee with the exception of foreign students, who will be counseled by the Foreign Student Advisor.

ADMISSION POLICY FOR HIGH SCHOOL STUDENTS

High school students may attend Boise State College classes provided that:

1. A letter of request be written by the high school principal on behalf of the student indicating that:
   a. The student is doing above average high school work
   b. That the college course will not interfere with the student’s high school program nor be an excessive burden for the student to carry
   c. That the student has the expressed permission of his parents and principal to engage in the college course
   d. That the specific course or courses desired be explicitly stated.

2. The decision concerning admission of high school students without complete credentials will be made by the Admissions Committee.

B. ADMISSION OF TRANSFER STUDENTS

Students applying for admission as full-time students (8 or more hours) to Boise State College as transfer students from other accredited institutions are required to furnish the following material:

(1) Completed application

(2) $10 matriculation fee

(3) High school transcript showing graduation date

(4) Official transcripts from all post-high school institutions attended

(5) Evidence of good academic standing at most recent institution attended

(6) Physical examination, reasonably current

(7) ACT test scores or evidence of successful completion of one year of college-level English composition

Credit from non-accredited institutions will be accepted on the basis of the practice as reported in The Report of Credit Given By Educational Institutions by the American Association of College Registrars and Admissions officers. Credit denied on the basis of such practice may be sought by examination.

Students transferring to Boise State College as part-time students (7 or fewer hours) need to furnish only a completed application.

C. ADMISSION BY EQUIVALENCY CERTIFICATE

Any application that is accompanied by a High School Equivalency Certificate will be processed exactly as it would be if a high school diploma were presented. Inquiries should be addressed to the State Department of Education, Statehouse, Boise, Idaho.

D. ADMISSION BY EXAMINATION

Applicants who have attained the age of eighteen years and who have achieved passing scores (45 or above) on all five of the General Educational Development tests will be admitted as Special Students (see below) in lieu of a high school diploma or an equivalency certificate, providing that the applicant has been away from high school for at least one year preceding his application.

E. ADMISSION AS SPECIAL STUDENT

Persons who are unable to meet requirements as regular students and desire to take special studies may be admitted on special status upon presentation of satisfactory evidence that they are qualified to do college level work.

A special student is not eligible to become a candidate for graduation until he has satisfactorily met entrance requirements or until he has completed 32 semester hours of work in the College with a grade point of 2.5 or better.

F. Admission to Vocational-Technical Courses

Any person who is interested in becoming a skilled craftsman or technician will be admitted to these courses if he complies with all admission requirements and meets the qualifications for the designated program. Graduation from high school is not necessary provided the student has been out of high school at least one complete semester. Certain prerequisite courses are required for various programs, such as one year of high school algebra and one year of high school geometry for entrance to the Drafting or Electronics Technology programs. The College does not admit applicants under
eighteen years of age who are attending high school at the time of application. In rare instances, however, a high school student may be admitted provided his high school principal requests his admission. Students in the Vocational-Technical program who plan to enter certain extracurricular activities must meet regular entrance requirements. (See eligibility requirements.) Credits in Vocational or Technical programs are not normally transferable toward an academic degree.

G. ADMISSION WITH ADVANCED STANDING

Students entering from other colleges must present proof of honorable dismissal and official transcripts mailed directly to the Director of Admissions. Students entering from other institutions must comply with the same scholarship regulations as are applied to students previously enrolled in the college. After registration students are classified as Freshmen, Sophomores, Juniors, Seniors or Graduates.

In accordance with Idaho statutes as approved by the State Board of Education, the acceptance of credits from Junior College is uniform for both certification and transfer purposes and no more than 64 semester hours or 1/2 the total hour requirement of the specific curriculum is established as the uniform maximum limit effective September 1, 1950.

H. ADMISSION WITH DEFICIENCIES IN GROUP REQUIREMENTS

Students who qualify for admission to the College but who fail to meet specific group requirements may be admitted with deficiencies to take courses for which they are prepared. All such deficiencies must be removed before graduation. Students entering with deficiencies will remove them by taking college courses, generally without college credit, or by taking work in a secondary school while taking part-time work at the college. College courses cannot be substituted for high school algebra and geometry. When college courses are taken to make up deficiencies, the time spent in such classes shall count twice as much toward making up deficiencies as does an equal amount of time spent in high school.

I. CHALLENGING COURSES—GRANTING CREDIT BY EXAMINATION

It is possible for a student to challenge a college course when he feels that because of his past background, education, and experience, he can pass an examination covering the subject material of a course. Requests for consideration are made through the Chairman of the Department in which the course is offered.

Each department shall have the option to allow or not to allow credit by examination for each course in the department. In those courses where credit by examination is allowed, the department shall have the option of using a standardized examination or an examination prepared within the department. The student attempting to earn credit by examination shall, upon receiving his score for the examination, apply it under one of the following options:

(a) For a regular grade
(b) On a credit-no-credit basis whereby the student receives credit and no grade for the course if he passes the examination or no credit and no grade if he fails the examination.

J. CREDIT VS. AUDIT REGISTRATION

If you take a course for credit, you will be expected to attend class regularly, complete required assignments, and take the necessary examinations. If you take a course on AUDIT basis, attending class, completing assignments, and taking examinations are all optional. Courses may be taken only once for credit; however, they may be audited again, if desired.

A student auditing a course may change his status from audit to credit up to and including the last day allowed for registering for courses for credit (see Calendar, page 29). If a change is made, the student must pay any difference in a course cost and an additional $3.00 change-in-status fee. All changes must be initiated by the student.

A student may change from credit to audit up to and including the last day of mid-semester examinations. After that date and up to and including the last day to withdraw from classes a student may change from credit to audit only if he is passing at the time of the request. No fee adjustment will be made to the student by the College if the audit rate is less than the credit rate. All changes must be initiated by the student.

K. ACCEPTANCE INTO PROGRAM

A student must declare his major upon entering the upper division. The Registrar will evaluate the student’s transcripts for acceptance into the College. The student will be sent to an advisor for assistance in formulating a program to fulfill all requirements for his declared major. The student is ultimately responsible for the selection of courses for his major and the degree.
ADMISSION OF FOREIGN STUDENTS

Boise State College accepts qualified students from foreign countries to the extent that space is available. Foreign applicants are expected to meet the requirements for admission from high school or from other colleges or universities as outlined above under Admission Requirements to the College.

Credentials: Official transcripts and/or certified copies of the certificate, diploma, or government examination report received on completion of secondary school work and the degree, license, or diploma received on completion of any college or university, must be sent by the certifying agency directly to the Admissions Office and must be translated into ENGLISH.

English Proficiency: All foreign applicants are required to take and receive a satisfactory score on TOEFL (Test of English as a Foreign Language) or other examinations acceptable to Boise State College. Arrangements to take the TOEFL examination may be made by writing directly to TOEFL, Educational Testing Service, P.O. Box 592, Princeton, New Jersey 08540, U.S.A. The test must be taken and the scores received by the College prior to a decision on admission of the applicant.

Financial Statement: All foreign students must present to the Admissions Office satisfactory statements of finances and adequate proof of financial responsibility or sponsorship by a reputable American citizen or organization for all financial obligations while attending Boise State College.

Health and Accident Insurance: Boise State College recommends that foreign students accepted for admission have health and accident insurance. Boise State College makes available such a policy to all registered full-time students.

Admission to Graduate School: Foreign students applying for admission to the Graduate School must submit all of the previously mentioned admission materials. Those wishing to major in Business Administration must submit, in addition, scores from the Admission Test for Graduate Study in Business.

Deadline for Application for Admissions: All foreign applicants must apply for admission (to include the taking of all tests and the filing of all required application forms and credentials) by the following dates:

For fall semester ........................................ 1 June
For spring semester ....................................... 1 September
For summer session ...................................... 1 January

Upon completion of all the requirements and when final acceptance is granted to the applicant, an I-20 form will be issued to the applicant by the Office of Foreign Student Admissions.

ACADEMIC REGULATIONS

A. GRADING SYSTEM

A. Distinguished work—Four quality points per hour.
B. Superior work—Three quality points per hour.
C. Average work—Two quality points per hour.
D. Passing but unsatisfactory work—one quality point per hour.
F. Failure. No quality points per hour.
S. Satisfactory completion of certain courses.
U. Unsatisfactory completion of certain courses.
(NR) No report given
NC Non-graded course
Inc. Incomplete may be given in cases where work has been satisfactory up to the last three weeks in the semester. Work not made up within the first half of the semester after the student returns to college automatically becomes a failure unless special extension of time is granted by the instructor and Dean of the School. If an incomplete has been awarded and the student returns after a two years’ lapse the automatic F rule does not apply. He may elect to remove the incomplete, re-enroll in the course or allow the incomplete to remain on the record. Incompletes not made up within four years automatically become W’s and make-up privileges are forfeited.
W. Official withdraw indicating passing work. For procedure, see regulations (paragraph F) below.

A student who receives a grade of D in a given course may repeat that course to raise his grade, if in the meantime he has not taken an advanced course for which the first course is prerequisite. Degree credit for courses so repeated will be given only once but the grade assigned at each enrollment shall be permanently recorded.

In computing the grade point average of a student with repeat courses, only the most recently received grades and quality points shall be used for the first 16 credits repeated. In the case of further repetitions, the grade point average shall be based on all grades assigned and on all credits carried.
B. CLASSIFICATION OF STUDENTS

After registration students are classified as Freshmen, Sophomores, Juniors, Seniors or Graduate.

Freshman—From 0 semester credits through 25.
Sophomore—From 26 semester credits through 57.
Junior—From 58 semester credits through 89.
Senior—90 semester credits and over, but has not received B.A. Degree.
Graduate—Has received B.A. degree.

Students enrolled and classified during the first semester are not reclassified at the beginning of the second semester.

Students enrolled for 8 semester hours or more will be considered a full-time student.
A student who is carrying less than 8 hours will be classified as a part-time student.

C. ATTENDANCE AND ABSENCE FROM CLASS

Students are responsible for their attendance in the courses for which they are enrolled. No absences, whether approved by the College for participation in college-sponsored activities, or necessitated by sickness or other personal emergency, are “excused” in the sense of relieving the student of responsibility for work assigned or carried on by a class during his absence. It is his responsibility to arrange with his instructors to make up work which he is forced to miss.

A student who has been absent from a meeting of a class has lost some of the content of the course, regardless of the cause of the absence. If any student accumulates absences to the extent that further participation in the class seems to be of little value to him and detrimental to the best interests of the class, the instructor shall warn such student that further absence may cause him to fail the course.

D. Academic Probation and Disqualification

A student whose work is of such a character that it appears he cannot continue in the College with profit to himself and credit to the institution may be placed on probation and, subsequently, disqualified. In general, satisfactory performance means orderly progress toward graduation requirements with a cumulative grade point average of 2.0 or better.

Any student whose grade point average is 1.5 or lower following his first semester in college will be placed on probation. A student placed on probation for the second consecutive semester may, after a review of his record, be disqualified and dropped from the college.

A student may be denied permission to re-register in the college if, after at least two semesters, his cumulative grade-point average is twelve points below a grade-point average of 2.0. This calculation is made by multiplying by two the total credit hours in which he has been enrolled and subtracting twelve. If the answer so obtained is not exceeded by the student’s total quality points, he will be subject to this regulation. Permission to re-enter may be denied.

A student disqualified for the first time for either of the above reasons may be permitted to re-register by one of the following methods:

1. Permitting a semester to elapse before applying for re-registration.

2. The student must obtain an official Application for Reinstatement form from the Dean of the School under which his major falls. If a student desires special consideration for the fall semester, his application must be on file no later than August 18, and no later than January 12 for consideration for the spring semester. In very special cases, a student who is disqualified as a result of his fall semester performance may have until noon of the first day of the following spring semester registration to file an Application for Reinstatement form, if his faculty advisor files a written petition on behalf of the student.

In the case of second or successive disqualifications, a student must follow item 2 above to secure reinstatement.

In either of the above instances, the student will re-register on probationary status.

A student may be dropped from the college rolls at any time his character and conduct are found to be generally unsatisfactory.

The President reserves the right to handle special cases involving probation or dismissal.

Students on probation shall take minimum loads and are not eligible to represent the College in any extra-curricular activities. Students on probation during the second semester shall take a lighter load than formerly and should try other courses as a means of determining their aptitudes.

E. ADMISSION ON PROBATION

Students wishing to transfer to Boise State College from other colleges and universities must have a G.P.A. of 2.00 or above on all prior collegiate work completed or have cleared the probationary provision outlined above. Transfer students from other colleges and universities who have failed to clear probationary provisions outlined above may, upon written petition, be granted permission to enroll on probation by the Admissions Committee.

F. WITHDRAWAL

Withdrawal from Individual Courses. A student may withdraw from individual courses by securing a change in registration card from his advisor, which must be endorsed by the advisor and each instructor involved, then presented to the Registrar for signature, and then cleared with the Business Office. The date on which the Registrar signs the change card will be the official withdrawal date.

Complete Withdrawal from College. A student may officially withdraw from college (all courses) only by securing a withdrawal permit from the Dean of Men or Dean of Women, and having it signed by same. The Dean will advise the student of the offices he must clear with before presenting the complete withdrawal to the Registrar’s Office. After clearance with the Registrar the student is sent to the Business Office for final clearance.

A student may withdraw prior to the end of mid-semester examinations (see specific date on College Calendar) without penalty for failing work. If the student withdraws after the end of mid-semester examinations, he may receive a grade of “W” only if his work is passing
as of the official withdrawal date and an “F” in all courses in which he is failing. A student may not withdraw from college or from individual courses during the last three weeks of a semester, including final examination week. Students discontinuing a course without having completed an official withdrawal shall be awarded a grade of “F.”

Right of Appeal:
In cases where a strict application of this regulation seems—in the opinion of an instructor, advisor or a student—to work an unreasonable hardship, the matter will be referred through the Dean of Men or Dean of Women to the Dean of Student Personnel Services.

G. MAXIMUM LOAD
No student shall be allowed to enroll for more than 18 hours without special permission from the Dean of the School in which his major falls, unless more hours are specified in his curriculum.

H. COURSE PREREQUISITE WAIVER
Specific course prerequisites may be waived upon written approval of the Dean of the School in whose area the course is offered. A student seeking to have prerequisites waived must justify his request on the basis of background, education, and experience to the satisfaction of the Dean of the School.

I. CREDIT FOR PREREQUISITES NOT TAKEN
Students who have a sufficiently high G.P.A., or ACT score, or who pass a Departmental Placement examination may take designated courses without taking the listed prerequisite.

Students who receive a grade of “C” or better for a course in which they have not taken the prerequisite course(s) will be given credit with a grade of “S” for that course(s) when the following conditions are fulfilled:

1. The student makes application for this credit.
2. Department Chairmen, Division Chairmen, and Deans will determine for which prerequisite course(s) this credit is appropriate.
3. In some cases, an examination covering the content of the prerequisite course(s) must be passed by the student.

J. PETITIONS
Individuals or groups of students always have the privilege of petition. Academic petitions should be addressed to the Dean of the appropriate school. Other petitions should be directed to the appropriate administrative officer.

K. UNDERGRADUATE ENROLLMENT IN 500-LEVEL COURSES
Undergraduate students at Boise State College may apply up to a total of two 500-level courses (they would enroll under special status) toward the credit requirements for their undergraduate degree. Undergraduates in 500-level courses must have senior standing. 500-level courses may be applied to the required 40 hours of upper-division credits.

L. STUDENTS UNDECIDED ON MAJOR
Many students have not determined a major field of study at the time they enter college and wish to enroll in general courses until such time as they decide upon a major. Often it is not necessary to determine a major until the beginning of the junior year.

The following course suggestion for the freshman year includes those basic requirements for a Bachelor of Arts Degree. Within this program a student may choose from several courses listed in each area. An elective course should be chosen from the School of Business. These courses will be counted toward graduation either as electives or possibly as requirements in the major field once it has been chosen. For minimum requirements on the Bachelor of Arts, Bachelor of Science, Bachelor of Business Administration, Bachelor of Music, and Bachelor of Fine Arts Degrees, please refer to pages of this bulletin.

A freshman who is working part time should probably not plan to carry the number of credits suggested in the preceding program. The number of credit hours advisable should be determined by talking with a faculty advisor prior to registration.

* Determined by student score on ACT exam. See page
Boise State College Graduation Requirements

A student must make formal application for graduation by filing with the Registrar the application form which is obtained at the Registrar's Office. Normally this application should be submitted two semesters before the contemplated graduation. Graduation fees are listed in Part I of the catalog.

Requirements for graduation are checked in accordance with the requirements in one college catalog. A student is not permitted to combine programs from different catalogs, but he may choose to graduate on the basis of the catalog of any year in which he has been registered providing that said catalog was in effect not more than six years prior to the year of graduation.

GENERAL COLLEGE REQUIREMENTS

To receive a Baccalaureate degree from Boise State College all students must meet the following general requirement.

**English Composition**

English composition, E 101 and E 102, must be successfully completed by all students with the following exceptions:

a. Students scoring in the 80th percentile or above on the ACT national norms are exempt from E 101.

b. Any student, with the recommendation and permission of the English Department may take the departmentally specified competency test and upon passing it be exempt from E 101.

All entering freshmen scoring below the 20th percentile on the ACT national norms are required to take Remedial English (E 010) and to pass with an S grade before being admitted to E 101.

Courses within the major code groups are numbered on the basis of the following:

- **000-099** Terminal credit and non-credit courses (including remedial, evening vocational, and adult education courses)
- **100-199** Freshman level courses
- **200-299** Sophomore level courses
- **300-499** Upper division level courses
- **500-above** Graduate level courses

Upper division level courses, numbered at the 300 or 400 level may be given g or G designation to carry graduate credit. The designations have the following significance:

1. **g courses** carry graduate credit only for graduate students in majors outside of the area of responsibility of the department or school.
2. **G courses** carry graduate credit for students both in the department or school, and for other students as well.

Throughout the catalog where course descriptions are given a hyphen between course numbers indicates that the first numbered course is a prerequisite to the second numbered course; a comma between course numbers indicates that either course may be taken independently of the other.

### COLLEGE-WIDE COURSE NUMBERS

#### UNDERGRADUATE

The following college-wide standardized course numbers and titles are available to each department offering a major.

Independent study (188 and 496) must be arranged between student and teacher on an individual basis. The course description will not appear in other sections of the catalog. Individual conference, workshop and special topic courses (294, 297, 494, 497) will be described in the “Class Schedule and Registration Information” brochure published each semester.

**188 Honors Independent Study—1-3 credits**

An independent study experience to provide an Honor Student study opportunities of a reading or project nature. Credits may not exceed three (3) per semester nor six (6) maximum in an academic year. Prerequisite: Approval of the Dean and Department Chairman upon recommendation of the faculty advisor.

**294-494 Conference or Workshop—0-4 credits**

Conducted by outstanding leaders or qualified faculty in a particular field under the auspices of Boise State College.

**297 Special Topics—1-4 credits**

A student may apply a maximum of 12 credits of Special Topics (both 297 and 497) toward graduation.

**496 Independent Study—1-4 credits**

Individual study of either a reading or project nature. Offered on demand. Student must make application well in advance of this special study experience. May be repeated for a maximum of 9 credits; 6 credits in any one academic year. Prerequisite: consent of instructor and department chairman.

**497 Special Topics—2-4 credits**

May be repeated for a maximum of 12 credits—297 plus 497. Prerequisite: advanced standing and consent of instructor and department chairman.

**498, 499—Senior Seminar—1-2 credits maximum**

Prerequisite: senior standing in a major area.

#### GRADUATE

The following numbers may be used by any department, with variable credit, to offer credits for the type of activity indicated in the titles and explanatory notes. Limits on the amount of credits of any one type (i.e., any one number category) which may be applied on a given degree will be set by the graduate council. His supervising professor or committee will determine for any one student those credits of the standardized type which may apply to his individual program.

**580-589 Selected Topics**

The intention is that the subjects normally offered and studied in any one department will be divided into no more than 10 areas. One of the numbers 580 and 589 will then be assigned a given area on a permanent basis. The topics considered in the courses in any one area will generally vary from semester to semester, but repeated use of any one number will always imply that the topics continue to be selected from just one area.

**590 Practicum**

**591 Research**

**592 Colloquim**

**593 Thesis**

**594 Extended Conference or Workshop (Graded A through F)**

**595 Reading and Conference**

**596 Independent Study**

Master's programs at Boise State College may include independent study credits, at the discretion of the graduate student’s supervising committee or professor, through a limit of (9) semester hours, with no more than (6) credits in any one semester or session.

**597 Special Topics**

**598 Seminar**

**599 Short Term Conference or Workshop (Graded Pass or Fail)**

Generally, the 599 number is used only for courses meeting 3 weeks or less, and 594 for courses meeting more than 3 weeks. The decision, however, is made in all cases by the department or school making the schedule.
The courses contained in this catalog do not preclude or limit the College in its offerings for any semester or session nor does it restrict the College to the time block (semester) represented by the approved academic calendar for 1972-73.

Boise State College can and will respond to the educational needs and wants of any and all students when expressed. Requests for courses to be offered whenever they are desired will be favorably received providing that a minimum of 12 students enroll in the class and a competent faculty member is available to teach the course.

INTERDISCIPLINARY COURSES

The following interdisciplinary courses are identified with more than one school or department.

HP 195, 295, 395, 495 Honors Seminar—1 credit
A seminar involving inter-disciplinary lectures and discussion for Honors Students. Topics are selected by the students.

HP 100, 200, 300, 400 Summer Readings—1-3 credits
An opportunity and incentive for students to continue their studies during the summer when they are away from campus and faculty. Students must select their area of interest, contact a faculty supervisor, and coordinate through the Honors Program Director concerning testing and credit for the work prior to the end of spring semester. Students will register during fall registration and will complete written and oral testing as required not later than October 15 in order to receive credit with a grade of "S" or "U".

SG 188, 496 Student Government Independent Study—1-3 credits
Students who are currently serving in major student government offices may avail themselves of independent study in Student Government. This study will be coordinated by the Dean of Student Personnel Services and may be taken in any department of the college provided an instructor is willing to direct the study. Students who are eligible for this study are (1) the Major Elected Officers, (President, Vice-President, Treasurer), (2) Major Appointed Officers, (Business Manager, Publicity Director, Administrative Assistant to the President, and Personnel Officer), and (3) Senators. Credits may not exceed three in any one semester or six in one academic year. A maximum of nine credits will be accepted towards graduation.

GE 497, 597 Special Topics in General Education—Variable credits

GS 501 History of Science—1800 to Present For Elementary Teachers—3 credits
(Course description Part VII of catalog)

EXPERIMENTAL OFFERING COURSES

In an effort to provide curricular relevance with flexibility to meet changing needs many departments within the college provide experimental courses with full credit and academic content that are not fully approved as continuing offerings of the college. These courses may or may not be incorporated in the curricular offerings in the future. They are offered on an experimental basis to determine student response and value for continuation.

The following courses are under consideration for offering during the academic year 1972-73. The listing is neither complete nor final and is provided to illustrate the type of experimental courses anticipated. The Class Schedule and Registration Information brochure published for each semester will contain the finalized details of courses to be offered.
