HUMAN RESOURCE SERVICES HAS MOVED!

Human Resource Services has moved to the PAAW (Public Arts and Affairs West) Building.

A huge **THANK YOU** to everyone who helped make this move go so smoothly. Facilities, OIT, Finance & Administration, Architect & Engineering Services, Shipping & Receiving, and of course all of our patient customers who have been endlessly understanding while we shuffled boxes, offices and phones. Our staff worked hard to make this move administratively seamless, and we hope that some of you aren't even aware that we have moved.

You can find our offices directly off Brady Street at the end of the metered parking lot. The new HRS offices are located on the east side of the

PAAW Building across from the south side entrance to the ILC Building. **The entrance facing the Brady Garage is the only entrance to Human Resource Services. There is no access from the hallway of the PAAW Building.** See this link for a map: <http://hrs.boisestate.edu/pdfs/wevemoved2.pdf>

We are planning an Open House in August. Details will be available soon!
