Immigration Info

Are you planning to travel outside the US this summer?

- ① **Remember, you must have your I-20 signed before you leave.** Bring your I-20 to the ISS office at least 72 hours before you travel to give us time to complete the process. It is important that you are registered for Fall classes before bringing your I-20 to ISS.
- ② **Check the status of your visa.** If it has expired, or will expire while you are outside of the US, you must plan to have it renewed before you return. Documents you will need for this process are an unofficial transcript, a copy of your class registration for the Fall semester and a Visa Support Letter from ISS.
- ③ **Check the status of your passport.** If your passport will expire while you are away, be sure to follow the regulations of your home country to renew your passport before you return. If you are remaining in the US, you still must have a valid passport. You may contact the consulate for your country in the US to find out the renewal process.

To the volunteers of the International Food, Song, and Dance Festival,

We would like to thank you for your contribution to the International Food, Song, and Dance Festival! If not your effort, this festival would not have happened. We want to thank each participant, MC, organizer, cook, decorator, or anyone who made this festival so successful. To show our appreciation, ISA wants to invite you for a very nice lunch at Idaho Pizza (located at 1677 Broadway Avenue) on Saturday, April 30th, 12pm-2pm.

We will chat, eat, and remember all the good memories we have from the festival.
We hope to see you there!

Annual Job Search Boot Camp, May 20, 2011. Sign Up Now!!

Getting ready to look for a real job?

Attend Boise State's third annual Job Search Boot Camp, presented by the Career Center. The daylong event will be held Friday, May 20, from 8:30 am - 5:30 pm in the Student Union Bldg.

The Boot Camp is not a career fair. Instead, the purpose of the conference is to help participants develop job search tools and skills and connect with national and local employers.

The event will feature breakout sessions team-taught by Career Center representatives and employers on a variety of topics, including resumes, interviewing, networking, the use of social media, and jobs in government and public service sectors.

Ben Quintana, director of public relations and leadership development for the Boise Metro Chamber of Commerce, will offer the breakfast keynote address.

The lunchtime speaker is Phil Gardner, a visiting scholar at Boise State and director of the Collegiate Employment Research Institute at Michigan State University. Gardner is an expert on the national college labor market and transitioning from college to work.

The day will end with an employer panel and a networking reception.

Seating is limited. To RSVP, send your name, student ID number, major and phone number to career@boisestate.edu. Participants must hold at least a bachelor's degree.

Tickets, which include breakfast, lunch, the networking reception and parking, are \$10 and can be purchased at the Career Center, located in the Academic and Career Services Building behind the Student Union, or by phone at 426-1747.
