Boise Junior College offers the first two years towards degrees in the arts, sciences and professional fields. It is fully accredited, standing high in the field of college education. It offers, in music, a wide range of study in the instrumental field as well as in harmony and related subjects. The college has band scholarships available to interested students who can qualify. There are also scholarships available for students in voice, piano, strings, and organ. Students interested in scholarships should speak to Mr. Bratt after this concert or write to him at Boise Junior College. Scholarship applications should reach Boise Junior College prior to June 1, 1952.
