A note from Christy

Happy Summer! During the summer months we will not be sending a newsletter every week. We will send newsletters from time to time when we have important immigration information for you or summer activities to tell you about. As always, please let us know if you have something to announce in the newsletter.

The Three Cs

Coffee & Conversation Continues!! That's right. For those of you who are staying in Boise this summer, we will continue to have Coffee & Conversation every Wednesday afternoon from 3:30 - 5:00pm. Join us to eat, talk and stay connected!

Job Search Boot Camp

Know students who are graduating and looking for a job? Encourage them to attend Boise State's third annual Job Search Boot Camp, presented by the Career Center. The daylong event is from 8:30 a.m.-5:30 p.m. Friday, May 20, in the Student Union Building.

The Boot Camp is not a career fair. Instead, the purpose of the conference is to help participants develop job search tools and skills and connect with national and local employers. The event will feature breakout sessions team-taught by Career Center representatives and employers on a variety of topics, including resumes, interviewing, networking, the use of social media, and jobs in government and public service sectors.

Ben Quintana, director of public relations and leadership development for the Boise Metro Chamber of Commerce, will offer the breakfast keynote address. The lunchtime speaker is Phil Gardner, a visiting scholar at Boise State and director of the Collegiate Employment Research Institute at Michigan State University. Gardner is an expert on the national college labor market and transitioning from college to work.

The day will end with an employer panel and a networking reception. Seating is limited. To RSVP, send your name, student ID number, major and phone number to career@boisestate.edu. Participants must hold at least a bachelor's degree. Tickets, which include breakfast, lunch, the networking reception and parking, are \$10 and can be purchased at the Career Center, located in the Academic and Career Services Building behind the Student Union, or by phone at 426-1747.
