The purpose of the Boise State University Bulletin, Catalog Issue is to provide current, articulate and accurate information about Boise State University for the guidance of prospective students, for faculty and administrative officers, for students currently enrolled, and for other education or allied agencies.

Catalogs, bulletins, course and fee schedules, etc., are not to be considered as binding contracts between Boise State University and students. The university and its divisions reserve the right at any time, without advance notice, to: (a) withdraw or cancel classes, courses, and programs; (b) change fee schedules; (c) change the academic calendar; (d) change admission and registration requirements; (e) change the regulations and requirements governing instruction in, and graduation from, the university and its various divisions; and (f) change any other regulations affecting students. Changes shall go into force whenever the proper authorities so determine, and shall apply not only to prospective students but also to those who are matriculated at the time in the university. When economic and other conditions permit, the university tries to provide advance notice of such changes. In particular, when an instructional program is to be withdrawn, the university will make every reasonable effort to ensure that students who are within two years of completing the graduation requirements, and who are making normal progress toward the completion of those requirements, will have the opportunity to complete the program which is to be withdrawn.

It is the policy of Boise State University to provide equal educational and employment opportunities, services, and benefits to students and employees without regard to race, color, national origin, sex, creed, age or handicap in accordance with Title VII of the Civil Rights Act of 1964, Title IX of the Educational Amendments of 1972, Sections 799A and 845 of the Public Health Act, and Sections 503 and 504 of the Rehabilitation Act of 1973, where applicable, as enforced by the U.S. Department of Health, Education, and Welfare.

Cover design: Larell J. Greenhalgh
Selected from proposals submitted by students in Advertising Design classes.

NOTE

The courses contained in this catalog do not preclude or limit the University in its offerings for any semester or session nor does it restrict the University to the time block (semester) represented by the approved academic calendar.

Boise State University can and will respond to the educational needs and wants of any and all students when expressed. Requests for courses to be offered whenever they are desired will be favorably received providing that a minimum of 12 students enroll in the class and a competent faculty member is available to teach the course.

August 13, Friday ............................ End of 8-week session.
August 16, Monday ........................... End of 10-week session and second 5-week session.
General Information

Boise State University, located in the state capital, is Idaho’s third and youngest university. From its beginnings under the sponsorship of the Episcopal Church in 1932, the institution has progressed from an independent non-profit academy through local and district to state control (in 1969). Recent years have seen significant growth of BSU’s facilities, programs, and service to Idaho, particularly to area communities. Boise State now serves more than 12,500 students from a wide diversity of backgrounds, with the majority coming from the Treasure Valley area.

Boise State is organized into six schools: the School of Arts and Sciences, the School of Business, the School of Education, the School of Health Sciences, the Vocational-Technical Education School, and the Graduate School. Undergraduate degrees are offered in many fields, and graduate degrees are offered in elementary and secondary education, business administration, public administration and accounting.

The university has an extensive late afternoon, evening and weekend program which provides educational opportunity for full-time students who need to schedule classes at that time and for part-time students who are pursing a degree while they are employed. The university provides many opportunities for professional and technical upgrading and retraining to the citizens of the Treasure Valley.
GENERAL INFORMATION

INSTITUTIONAL MISSION AND OBJECTIVES

The paramount role of Boise State University is to educate the individual, to ensure his development, and to enlarge his opportunity. Each student needs a broad education to equip him for mobility in employment, social relevance, and informed, active citizenship. Therefore, the University must create an intellectual atmosphere that produces educated persons who are literate, knowledgeable of public affairs, motivated to become life-long learners, and capable of solving problems from the perspective of an academic discipline. The primary vehicle of education is the instructional program, and it is stressed that public service/research activities are guided by this approach. The University must also provide a variety of informal learning opportunities that enhance each student's individual growth: cooperative education/internships, self-government, participation in University committees, distinguished speakers' programs, as well as cultural, civic, and social events. Boise State also offers various individual services that reinforce instruction, including counseling, guidance, placement, testing, and health services. The University takes pride in providing a personalized and humanistic environment for students.

The University seeks to attract and retain innovative faculty who are dedicated to excellence in teaching, creative in producing new knowledge, and generous in bringing their expertise to bear on society's problems. The University supports and encourages its faculty by striving for equitable compensation, conditions of employment conducive to open inquiry, and efficient work and strong library services which are so vital to quality of instruction and self-learning.

Boise State is in every sense a community university. Not only do students and faculty live, work, and recreate with the society at large but also the resources of the University are made available to those who live near Boise and beyond. The community in turn serves the University by offering its professional, government, and trade facilities as laboratories of learning, by providing financial support and joining with the University in fostering cultural and intellectual fora in the interest of mutual development. Each of the schools has an advisory council comprised of local leaders in business, the professions, and government. In addition, the relationship between the University and the community is reflected in the University Community Arts Association, the Bronco Athletic Association, and the Alumni Association. Warm community relations is a hallmark of the University, and this bond is constantly reinforced through a continuing dialogue with the community to be served.

ACCREDITATION AND AFFILIATION

The university is a member of and fully accredited by the Northwest Association of Schools and Colleges. Permanent membership is also held in the College Entrance Examination Board and the College Scholarship Service Assembly. A number of academic programs have additional accreditation or approval from the following organizations: American Assembly of Collegiate Schools of Business (AACSB), School of Business programs; the National Council for Accreditation of Teacher Education (NCATE), the National Association of State Directors of Teacher Education and Certification, School of Education programs; the Council on Social Work Education (CSWE); the National Association of Schools of Music (NASM); the National League for Nursing, the Idaho State Board of Nursing; the American Medical Association Council on Allied Health Education, the Council on Medical Education of the American Medical Association in collaboration with the Joint Review Committee on Education in Radiologic Technology and the Joint Review Committee for Respiratory Therapy Education as well as the American Medical Record Association, the American Society of Radiologic Technologists and the American College of Radiology; the Council of Dental Education and the American Dental Assistant Association.

UNIVERSITY LIBRARY

The University Library contains a collection of 250,000 volumes chosen by librarians and teaching faculty to support the curricular and research needs of the University. The Library receives about 2000 current periodicals and more than 40 newspapers. The collections are distributed among the four floors of the Library Learning Center, which is located in the center of the campus and faces the Memorial Fountain and Mall. The building has been planned to provide an attractive setting for reading, study and research. The Library provides study space for students at tables and individual carrels scattered throughout the book stack areas and in small study rooms. The building includes a number of features to facilitate use by handicapped students, and the staff will provide special help as appropriate.

Books and periodicals from the general collection are checked out at the main Circulation desk. Help with using microforms and microform readers or in locating periodicals may be obtained from the Periodicals area or at the main Circulation desk.

Basic and advanced bibliographic service and assistance in use of both the Library and its resources are provided by the Reference Department. The Inter-library Loan section of Reference assists faculty and students in obtaining resources not available locally.

The Curriculum Resource Center features collections of print and nonprint materials for elementary and secondary education, phonorecords, juvenile and young adult books, and college level non-print materials. Curriculum materials are available to teachers in Southwestern Idaho as well as to University students and faculty. Stereo carrels provide listening facilities for phonograph records and tapes.

The Maps and Special Collections Department contains the Library's collection of 85,000 maps, University Archives (official publications, photographs, and historical records of the University), and manuscript collections (primarily unpublished correspondence, business papers, diaries, scrapbooks, and literary endeavors of people in the community).

The Documents Department contains over 100,000 publications of federal, state, and local governments on a broad range of subjects. Congressional Information Service, Human Relations Area Files, Congressional Research Service, and Rand Corporation Research Reports are other services and collections in the Documents Department which have special current information.

Educational Media Services, located on the second floor of the Library Learning Center, offers a variety of audio-visual resource and services to the campus. Included are the use of a fine collection of 16mm educational sound films and educational video tapes; the use of all types of audio-visual equipment; special graphic arts, photography and television production services as required by individual teachers; and consultation on the design and utilization of instructional materials. These services are designed to meet the needs and requirements of the University's instructional programs.

The University Library shares the Library Learning Center Building with Educational Television studios, Continuing Education and two academic departments.
OUTREACH SERVICES AND PROGRAMS

The University expresses its concern for individual improvement, equal opportunity, economic efficiency, and civic responsibility by offering continuing education for adults, and community service programs.

The following programs and services are available at Boise State University to individuals, groups, firms, schools, and agencies:

SPECIAL SERVICES AND PROGRAMS

Conference, Workshop, Seminar, Institute Planning Assistance — The University offers help to groups and agencies in planning educational programs or in upgrading personnel in new techniques, knowledge, and skills.

Faculty and Staff Consultation Service — The faculty and staff of Boise State University stand ready to assist business, industry, educational institutions, governmental agencies, professional groups, and others in the solving of their education and training problems or in their research and development efforts.

Use of Facilities — Boise State University will make available meeting rooms and classroom facilities to the various community groups and agencies.

Reading Education Center — Individualized reading improvement programs will be arranged for students with specialized reading problems. This service is available during the Fall, Spring, and Summer terms.

Educational Media Services — A large collection of educational media materials is housed in the library. These teaching aids are available for the university faculty, the school teachers of the state, and the students in teacher education. Community organizations may use these media when available. Projectors, TV, and other audio-visual equipment are available for group use on the campus.

Data Processing Center — The Center for Data Processing, on the first floor of the Business Building, is a university-wide unit. Its primary mission is to provide computing and data processing service in support of the educational and administrative objectives of the university, and to encourage the use of data processing procedures throughout the university.

The Center for Data Processing is a service agency. All students, faculty, and staff are encouraged to make full use of the facilities. Appropriate charges are made to faculty and staff for funded projects. Rates are available from the Center for proposal purposes. Charges for data processing services are not made for university use.

Tours of facilities, equipment demonstrations, and in-service lectures about data processing are available upon request.

The Visiting Scientist Program — The School of Arts and Sciences has a number of faculty members who are willing to speak to high school science and mathematics classes. Each participant has prepared presentations of approximately 40 minutes on topics that would be appropriate for interested high school students. The Visiting Scientist Program is available without cost to the school. Presentations may be scheduled for single classes or collective classes. Speakers can be scheduled for one day only, but when necessary the presentation may be given as many as three times during that day. Three weeks' advance notice is necessary for proper scheduling.

Speaker's Bureau — As a service to the region and state, Boise State has organized a faculty and staff Speaker's Bureau, whose members have volunteered to present lectures and/or talks before community groups and organizations. A booklet listing speakers is available at the News Bureau, Phone 385-1577.

Public Affairs and Cultural Enrichment — Boise State University offers great variety in its program of public affairs and cultural enrichment with many events presented at no charge. Many of these offerings can be presented in your Idaho community. Some of the events that provide opportunities of participation and observation include:

- University Band
- Theatre Productions

GENERAL INFORMATION

Operas Workshop
- Choirs
- Traveling Art Exhibits
- Concerts and Recitals
- Faculty Lecture Series
- Forums of Particular Arts
- BSU Community Symphony Orchestra
- Demonstrations in various fields of study
- Programs of outstanding artists and lecturers

Public Television is provided to residents of Treasure Valley from Boise State University licensee of station KAI-D TV a non-commercial, public broadcasting station. The station produces and airs in color instructional TV programs for public education, higher education, and the community. Programs offer courses via TV for Boise State University as well as supplemental materials for several departments and individual course offerings. An affiliate of the Public Broadcast Service, the station also produces and airs public television programs of wide cultural and public interest to the citizens of Idaho.

INSTRUCTIONAL PROGRAM AND SPECIAL COURSES

Evening Program — The University offers academic, vocational, and educational courses on campus for the many individuals in the community who seek to achieve their own personal educational objectives.

Weekend Program — This program is designed to make university offerings accessible to those people who are unable to attend day or evening classes.

Educational Talent Search — A satellite office of the federally-funded Talent Search program has been established in the Dean of Student Advisory and Special Services Department (Room 111, Administration Building). The program encourages and aids low income youth between the ages of fourteen and twenty-seven gaining entrance to post-secondary training or education of their choice. The recruiter/counselor will give information and some assistance in completing the necessary admissions/application forms and in securing financial assistance.

Evening Vocational-Technical Education Program — This program is designed to offer courses in a wide variety of occupational fields to upgrade those individuals currently engaged in the skill, craft, trade, or technology in which the courses are offered.

Adult Basic Education Program — Basic literacy training for adults in the community is offered in the Vocational-Technical School for those who desire to upgrade themselves to qualify for occupational entry and/or pursue high school instruction. Preparation for United States Citizenship, beginning reading for adults, and English as a second language are offered through the Adult Basic Education Program.

General Educational Development (G.E.D.) Training — As a part of the Adult Basic Education Program, the University offers instruction and prepares adults who wish to take the General Educational Development Test to qualify for the Idaho high school equivalency certificate.

Guided Studies Program — Boise State University has begun a program of guided studies that encompasses high school subjects for adults. Currently the courses include Algebra, Plane Geometry, General Mathematics, English I, II, and III, American Government, Social Studies, and Natural Science. These courses are taught either a semester or short course basis, depending on the needs of the adult student. Other courses are available to the students on demand. These courses meet the State of Idaho and Veterans Administration approval requirements (Chapter 34, Title 38, U.S. Code—VAR 14253A2).

Special Interest Group Courses and Programs — Offerings that have proved to be of continued utility to various special interest groups such as the engineers' workshop preparing participants for the state licensing examinations, are offered as a regular, periodic feature of the University's instructional program.
GENERAL INFORMATION

CONTINUING EDUCATION

Educational needs of citizens of the ten southwestern counties of Idaho are met by the Continuing Education Program at Boise State University. Both credit and non-credit courses are offered in this region with boundaries north to New Meadows, east to Glenns Ferry, south to the Nevada border, and west to the Oregon border.

Graduate and undergraduate courses may be organized when there is sufficient enrollment for a class and a qualified instructor is available.

Although classes usually meet on a semester basis, they can be started at any time during the semester. Continuing Education has the authority to negotiate with school districts, organizations, and business concerns to provide more effective in-service courses and workshops designed around their particular educational needs.

McCall Summer Program — a wide range of University courses — both graduate and undergraduate — are offered at McCall during the summer months.

Mountain Home Air Force Base Program — Boise State University offers academic college-level courses in a resident program to military personnel, their dependents, and members of the surrounding communities who desire to pursue educational goals.

Correspondence Study in Idaho is coordinated and administered by the Correspondence Study Office located on the University of Idaho campus. Courses are written and graded by appointed faculties of the University of Idaho, Boise State University, Lewis-Clark State College, and Idaho State University. Continuing Education serves as the contact on the BSU Campus.

SUMMER SESSION PROGRAM

A full complement of programs, courses, and services is offered in the summer. Graduate, undergraduate and noncredit programs and courses are offered in the several time block sessions on campus. The ten-week session offers sequence courses within the sciences. The eight-week session is primarily for graduate courses. The five-week session is the normal, or standard session for undergraduate course offerings. For more information about summer programs contact the Office of Continuing Education and Summer Sessions, Boise State University.

HONORS PROGRAM

The Honors Program is designed for general education. Its main objective is to provide a broad and comprehensive liberal arts background complementing the specialized education and training one obtains through the major departments. This includes topics in the sciences, humanities, and social sciences as generally indicated by the standard degree requirements. However, the catalog requirements are to be considered minimal guidelines which can, and should be, amended when a stronger alternative is suggested.

While the Honors Program aims at enrichment more than acceleration, it is possible through Advanced Placement, Summer Reading, and extra courses for an Honors student to accumulate enough credits to graduate in less than the usual four years.

Eligibility

Qualified students from all departments may participate in the program. Freshmen who have demonstrated unusual scholastic ability in high school are encouraged to participate. Each year approximately the upper five percent of the entering freshmen are eligible for the Honors Program. Such students are selected on the basis of high school grade point average, ACT scores, and recommendations of their counselors or teachers.

Students who are not admitted to the Honors Program upon initial enrollment at Boise State may apply at any time after the completion of the first semester. An Honors student may drop out of the program at any time within the existing university rules, and the Honors courses he/she has taken will be applied toward the General University Requirements for Graduation.

Honors Courses

Each Honors student takes special Honors courses, some of which are expected of all those enrolled in the program. These courses are taken in lieu of, rather than in addition to, the standard requirements. The student may work in his/her own major department that will prepare him/her for a professional career. The Honors Program works cooperatively with the major department to provide the opportunity and stimulus for the student to realize his/her potential.

The following is a list of Honors Program courses presently available:

- English
- American History
- Western Civilization
- Mathematics
- Economics
- Geology
- Honors Colloquium
- Honors Seminar
- Independent Study
- Summer Reading

Requirements

To graduate with Honors Program recognition, Honors students will take two courses in English Composition plus 18 hours of joint listed departmental Honors courses including one Honors course from each area, i.e., Area I, Area II, Area III, in addition to any student-directed Honors seminars from these areas. To meet the English Composition requirements, the Honors students will take two courses from the following: E 111, E 112, E 102, E 201, or any other writing courses with permission of the Honors Director. Each Honors student will be required to take a three-credit upper division interdisciplinary colloquium which carries the HP prefix. Each Honors student will complete a minimum of 30 semester hours of Honors credit.

Flexibility is an indispensable feature of the Honors Program. This is true of the Honors courses as well as of the individual Honors student's program. Accordingly, the precise description and content of a specific course may vary from semester to semester. Current descriptions of Honors courses and Seminars are available in the regularly updated Honors Program Newsletter. The Newsletter and further information can be obtained by writing:

Honors Program Director
Boise State University
Boise, ID 83725

INTERDISCIPLINARY STUDIES IN THE HUMANITIES

The Interdisciplinary Studies in the Humanities program has been created with the assistance of the National Endowment for the Humanities. The ISH is a coordinating unit in which faculty from varying disciplines and schools may participate by offering interdisciplinary team-taught courses. These courses are oriented toward the non-humanistic majors and focus on the humanistic element of the subject matter being offered. Presently, courses have been offered by over 30 faculty members representing 15 different disciplines (departments) and include faculty from the Schools of Arts and Sciences, Public Affairs, Business, and Education.

At the center of the program is a "core" humanities course, Humanities: A View of the Nature of Man—an interdisciplinary course offered each year. Each semester additional "satellite" courses are offered with a special topics designation. These courses are chosen on the basis of their relationship to humanistic issues raised in the core class. These courses provide faculty the opportunity to develop innovative courses which cross traditional disciplinary boundaries. They offer the students the opportunity to further investigate humanistic issues from at least two perspectives. (See p. 27 for catalog description of the core class, Humanities: A View of the Nature of Man and the current class schedule for satellite classes.)

WICHÉ STUDENT EXCHANGE PROGRAM

WICHÉ Student Exchange Program — Idaho has entered into a regional program with the other Western states to create and support the Western Interstate Commission for Higher Education through whose agency qualified Idaho residents may attend professional schools of dentistry, optometry, physical therapy, and occupational therapy in other Western states at essentially the same expense to the student as residents of the State of Idaho.
qualify, students must be legal residents of Idaho. The number of students who can be accommodated depends upon the amount of appropriated funds available.

The WICHE Graduate Fellows Program is coordinated through the Western Interstate Commission for Higher Education and is administered in Idaho by the Office of the State Board of Education. This program provides opportunities for Idaho residents to enroll at resident tuition rates in selected graduate programs not available in Idaho, but made available by other Western states cooperating in the program. States participating with Idaho include: Montana, Wyoming, New Mexico, Alaska, and Hawaii. In turn, Idaho makes certain programs available to residents of these cooperating states.

STUDIES ABROAD PROGRAMS

The Office of Studies Abroad, located in the Offices of the Department of Foreign Languages, has information about opportunities for work, study, and travel outside of the United States.

Boise State University is affiliated with the Northwest Institutional Council for Studies Abroad (NICSA), a consortium of universities which since 1969 sponsors liberal arts programs in London, England; in Avignon, France; and in Cologne, Germany. Students may enroll in these programs at BSU retaining BSU course numbers.

The Office maintains files and forms essential in applying for graduate student grants for studying abroad.

The BSU Campus in Spain offers a full year of academic study in its overseas campus in Onate, Spain. This program, basically oriented towards the learning of Basque Language and Culture, also offers course work in Spanish language and literature. The year supplies a unique opportunity to live and study in a Non-English area, experiencing a culture different from our own. No language background is required. Groups leave in September each year. Vacation time for travel and study and tours to various parts of the Basque country enrich the experience.

NATIONAL STUDENT EXCHANGE PROGRAM

The National Student Exchange (NSE) Program is a consortium of 54 state-supported colleges and universities that allow students to exchange for a limit of one academic year to a state supported institution in another area of the United States. The Exchange encourages participants to broaden their academic, social, and cultural awareness and provides Boise State students with options for educational travel and study at in-state tuition rates. Exchange students are assured that credits and grades received at the host institution are recorded at the home campus as part of their regular transcript.

To qualify, a participant must (1) be a full-time Boise State University student; (2) have sophomore or junior standing during the exchange; (3) have a minimum cumulative GPA of 2.50 at the time of application.

Additional information and application forms may be obtained from the National Student Exchange Coordinator in the Student Union Building.

RESERVE OFFICERS' TRAINING CORPS — ARMY

Since 1977 military training has been offered at Boise State University by the Department of Military Science. Participation by men and women students in the program of instruction leading to a commission as a second lieutenant is voluntary and comprises four years and one summer camp or two years and two summer camps. The Department of Military Science strives to develop in military students who have the essential qualities and attributes a capacity for leadership and to provide them with the basic working knowledge required of a young officer.

Financial Allowances and Uniforms

Students who qualify and are selected receive scholarships for one, two, three, or four years that pay for tuition, fees, books and laboratory costs each year and also provide $100 a month subsistence pay during the first two years. During the final two years, students receive $100 subsistence pay a month for up to twenty months. Texts and equipment are provided. Travel to and from summer camp plus food, quarters, and basic pay are paid by the government.

For more detailed information on enrollment benefits, and obligations see page 23-25 of this catalog and contact the Department of Military Science located at 1603 W. University Drive, Boise State University.

SERVICEMAN'S OPPORTUNITY COLLEGE

The necessary mobility of people in military service has always been an obstacle to the completion of an educational program. "The Serviceman's Opportunity College Program (SOC) represents a network of nearly 300 institutions of higher learning that recognizes the needs of servicemen and women and have indicated their intention to cooperate as to policies on admissions, transfers of credits and residency requirements. Their participation in an organized effort geared to opportunities for program completion represents a new commitment to education."

Boise State University endorses the Serviceman's Opportunity College with the following qualifications:

1. Entrance into this program by a serviceman will be through a signed agreement between the student and the University, specifying responsibilities of both the student and the University.

2. The agreement shall terminate six years from date of approval or six months after serviceman's separation from active duty, whichever comes first.

3. The agreement (and thus the SOC Program) will be made available to those servicemen only who have successfully completed (with a GPA of 2.25 or above) fifteen (15) or more hours of college credit through B.S.U.

4. Residency requirements other than the initial 15 hours prior to the signing of the contract will be waived.

5. Acceptance of any serviceman into the SOC Program is contingent upon the agreement of the given department under whose jurisdiction that program lies.

6. No school or department shall be compelled to offer a SOC Program — such programs are voluntary.

RELIGIOUS INTEREST COURSES

Since religious thought permeates nearly all disciplines of study, the University does not have a single department of religion. However, numerous departments within the University are examining the impact of religion as part of their academic quest for knowledge and understanding of the human condition.

Courses offered at Boise State University that emphasize the place and impact of religion in the study of civilization are listed below. The courses are open to all students on campus.

In addition, various departments offer special topic courses which emphasize the religious aspects of civilization. Students are advised to read carefully the class schedule each semester to check on the availability of such courses.

GENERAL INFORMATION

STUDENT SERVICES

For questions related to Student Services, please direct inquiries to:
The Vice President for Student Affairs
Boise State University
1910 University Drive
Boise, ID 83725
(208) 385-1418

A variety of student services, programs, and activities are provided to help students achieve the maximum benefit from their university experience. These services are under the direction of the Vice President for Student Affairs (Room 112, Administration Building) and include new student orientation, admissions counseling, registration, career and financial assistance, student advisory and special services, residential life programs, health services, and Student Union activities.

New Student Orientation

The office of Admissions Counseling and Visitors Center, located at 2274 University Drive, coordinates campus activities for prospective students through campus visitations, correspondence, campus tours, and on-campus orientation programs prior to each registration. Other programs include summer early registration and advising, and a Fall Preview Day.

Student Rights and Responsibilities

Students enrolling in the university assume an obligation to conduct themselves in a manner compatible with the University’s function as an educational institution. The Student Bill of Rights: Code of Conduct, and policies pertaining to organizations, use of facilities, judicial boards, activities, and related matters are contained in the Boise State University Student Handbook. Each student, as a member of the university community, is responsible for being familiar with these policies and regulations.

Academic Advising

To assist students to plan a program of study, to define their educational and career goals, and to clarify values is one of the faculty’s primary concerns during registration and follow-up individual conferences. Faculty also help students become acquainted with the campus environment, influence their attitudes toward academic life, improve their personal study skills, and work towards their academic excellence. To ensure a successful educational experience, each student should establish early in his/her freshman year a close working relationship with his/her faculty advisor, a relationship that will facilitate the student’s chances of successfully staying in the university and completing his/her degree in the normal four-year period.

Tutorial Assistance

The Dean of Student Advisory and Special Services office (Room 114, Administration Building) provides additional academic assistance through student-to-student tutoring that complements classroom instruction. Any currently enrolled full or part-time student is eligible to receive tutorial assistance without charge if he/she is having a problem keeping up in a class. Student tutors are generally second year or upper division students who have completed and earned at least a "B" grade in the course they tutor. They are normally recommended by the professor of the course and are certified by their academic department. They work closely with the professor of the course they tutor and are trained to work with individuals and/or small groups of students by liaison faculty members and professional staff from the Dean of Student Advisory and Special Services office.

Reading and Study Skills

For students who need special help in reading, improving their study skills, and in career planning, the University offers a Reading and Study Skills course (TE-108) each semester for two academic credits. The course is designed to assist students at their own pace in note-taking, speed-reading, textbook study methods, vocabulary development, and test taking along with a one credit option on career planning. The course teaches a student survival in the college classroom and in many cases is the difference between success and struggle in the university environment.

Counseling and Testing Center

Students with personal, vocational, or educational concerns or problems may receive professional assistance in the Counseling Center (6th floor, Education Building) without charge if they are enrolled in six credit hours or more. In counseling, a student may discuss openly in strictest confidence and explore freely any problems or feelings that concern him/her. No information is ever released without the written permission of the student, and no report is ever made in any official university record. Both individual and group counseling are available to aid students to become more self-reliant and effective in their personal and social relationships.

The Center is also a designated testing agency for many evaluation programs, including the College Level Examination Program (CLEP), the American College Testing (ACT), and the Miller Analogies Test (MAT). A number of standardized tests of interest, general ability, and special aptitude are available and are more useful in stimulating self-analysis than in providing answers to problems.

Disabled Student Program

The University has made special efforts for over ten years to provide facilities, services, and program accessibility to physically disabled or handicapped students and staff. All but one of the main floors in each campus building can be entered via ground-level approaches or ramps, and the upper floors of most academic or vocational technical classroom buildings are accessible by elevator. The campus itself is flat and has an abundance of curb cuts and ramps.

The Dean of Student Advisory and Special Services office (Room 114, Administration Building) authorizes handicapped parking decals for eligible students and provides information and orientation to the university, class scheduling and registration assistance, interpreter and notetaker services as well as tutorial assistance and liaison with the Boise area office of the Idaho Vocational Rehabilitation Service. The office has limited equipment available for use by disabled students such as a TTY (208) 385-1454, portable wheelchair, tape recorder, crutches, and electric typewriters for testing. The Library has a talking calculator, Visualtek, Braille typewriter, and a dictionary and encyclopedia in Braille. There is also a close working relationship with the area office of Vocational Rehabilitation when individuals need other assistive devices.

Multicultural Center

The Multicultural Center (2256 University Drive) offers various academic, cultural, social, and recreational activities and events to all students. The Center was established to promote interaction, awareness, and cooperation between students, faculty, and people from the local community of all ethnic and cultural backgrounds. A Multicultural Center Board of students, faculty, and administrators coordinates the programs of the center.

Child Care Service

The University Child Care Service (2256 University Drive) provides day care for children aged 21/2 through kindergarten age (5-6). This is an educational development program financed as a self-supporting project through parent-paid fees, donations, and USDA assistance. Children of full-time students, part-time students, faculty and staff members are eligible. Half-day or drop-in service will be provided on a space available basis.

Veterans Services

The Office of Veterans Affairs (Room 114, Administration Building) provides liaison and advocacy services for eligible veterans, veterans’ dependents, and their widows with the Veterans Administration Regional Office and various state agencies. Peer counselors in the office work with fellow veterans to assist with any problems associated with benefits or federal forms, standards for satisfactory progress and attendance.
Tutorial assistance for veterans, work-study positions, and admissions counseling are also available.

**Student Health Service**

The Student Health Service facility is located at 2103 University Drive directly across from the campus grade school. Clinic hours range from 8:00 a.m. to 4:00 p.m., Monday through Friday, each day class is in session. Outpatient medical care is rendered to full-time registered students within the capability of the facility at no additional cost after the general registration fee is paid. Minimal fees are charged for tests and procedures not within the capability of the Student Health Service. Patient referrals are made as necessary. The Student Health Service is equipped to care for over 90% of the student health care needs.

**Medical Expense Insurance**

All full-time students are automatically included in the health insurance program when they pay the full-time registration fee. Benefits become effective when fees are paid for the fall semester and continue until the first day of the spring semester. Spring semester benefits continue until August 30 of that year, and protection is effective during all vacation periods. Each full-time student is covered 24 hours a day during the policy period at home, school, or while traveling.

Students who are covered by a family or other plan may obtain a refund through application to the insurance agent for Boise State University. The university carries liability insurance coverage for all on-campus and official functions including student activities.

**Career Planning and Placement**

The Career and Financial Services office (Room 117, Administration Building) offers career information, advising, planning, and placement opportunities to all students and alumni. Some of the equal opportunity services provided include:

1. Assistance in identifying and making a career choice;
2. A college resource library of information, recruiting literature, the College Placement Annual, and other career references (Room 124, Administration Building);
3. A placement credential file where students may assemble a permanent file of vocationally significant data at a time when professors and administrators easily remember them. Copies are then sent to prospective employers upon request of the student. Credential files should be established early in the year of graduation;
4. On-campus interviews with representatives from business and industry, government agencies, school districts, and graduate schools for graduating students and alumni. Many other employment notices are listed through this office, and numerous directories of possible employers are available.

**Student Union Building**

For students, one of the most important buildings on campus is the Student Union. It is the focal point of student life and activities on campus. It serves as the campus community center for a wide range of services and programs to meet the social, recreational, and cultural needs of BSU students, faculty, staff, alumni, and campus guests. The building includes an information center; a recreational area with amusement games, bowling alleys, billiards, and outdoor recreation equipment; lounges, meeting rooms, a style shop, the campus bookstore, a ballroom, several eating facilities, the main dining room, student government offices, student newspaper offices, and the alumni office. A Board of Governors of students and staff decides the policies regarding building usage and general programs.

**Student Government**

The Associated Students of Boise State University (ASBSU) strives to represent the interests of all full-time BSU Students and to encourage active student participation in university life. The ASBSU sponsors and promotes a well-rounded program of educational, cultural, social, and recreational activities.

The Executive branch of the ASBSU includes the president, who acts as the voice and representative of the students at university functions; the vice-president who is the chief officer of the senate; and the treasurer who administers the budget.

The Senate, as the legislative branch, consists of 10 senators elected in campus-wide balloting. This body develops and coordinates activities, passes legislation for the general welfare of all students, and grants recognition and funding to student groups.

The Judiciary determines the constitutionality of questions brought before it by individuals and organizations.

Advisory and governing boards serve as vehicles for student input on vital policy and administrative decisions that affect the ASBSU and the university.

**Student Organizations and Activities**

There are over 90 ASBSU recognized student organizations on campus representing a variety of interests and concerns. These organizations include special interest groups which vary from chess and ethnic interests to Judo and women's studies, professional honoraries representing every major field from social work to business, service and campus honoraries, religious organizations, fraternities and sororities, as well as ASBSU sponsored services such as The University News, the official student newspaper; KBSU-FM, a non-profit student owned and operated radio station; Student Programs Board which presents films, fine arts performances, lectures, and concerts, and the National Student Exchange.

**International Students**

The Associate Dean of Admissions (Visitor's Center) is the international student advisor and is responsible for immigration requirements concerning the visa status, and initial academic advising, orientation, and registration of all non-U.S. citizens on the campus. All new international students must report to the Associate Dean of Admissions as soon after arrival as possible. This office provides assistance and a central contact and information source to over 100 registered foreign students. The International Student Organization provides opportunities for American and Foreign Students to meet, exchange views, and become better acquainted.

**Athletics**

The intercollegiate athletic program at Boise State University provides the opportunity for qualified students to engage in an outstanding program of competition with other universities and colleges through the National Collegiate Athletic Association (NCAA), Division IAA, Big Sky Athletic Conference for men and the Association of Intercollegiate Athletics for Women (AIAW) and Northwest College Women's Sports Association (NCWSA) for women.

It is the philosophy of the Athletic Department to offer student athletes the best possible coaching, equipment, facilities, and competition available to allow them to reach their full potential. The university fields men's teams in football, basketball, track, wrestling, tennis, cross-country, and golf while the women's intercollegiate sports include basketball, gymnastics, track, field hockey, tennis, cross-country, and volleyball.

**Intramurals**

The Intramural Sports Program offers an extensive selection of sports and recreational activities to suit the interests and abilities of all student, faculty and staff member. Physical Education facilities are also available for recreational use by students, faculty and staff when classes, varsity, and intramural activities are not scheduled.

Intramurals provide an opportunity for competition in all types of sports for men, women, and coed groups including powderpuff football, softball, track, tennis, basketball, cross-country, volleyball, soccer, bowling, and swimming. For individual or informal group recreation the swimming pool, weight room matroom, two gymnasiuums, playing fields, handball courts, and bowling alleys are available at posted times.
Alumni Association

The Boise State University Alumni Association was incorporated as a voluntary organization in 1967. Its membership includes all individuals who have completed two semesters or more at the University. Members in good standing have paid annual dues of $15.00 per year and are entitled to receive the following benefits: alumni news publications; placement services; use of the Student Union, Library, and swimming pool; discounted alumni tours; group insurance program; invitations to all social functions and activities and other services.

The Association seeks to promote interest in and support of the University, maintain contact with graduates and former students, and provide benefits to students and alumni. Some of these services include: scholarships for outstanding and deserving students; theatre programs; grants of money for special student-faculty projects; and participation in several campus gatherings during the year such as Homecoming; annual Spring Dinner/Dance; Academic Awards Banquet; Golf Tournament; Regional meetings, and the Annual Pre-Game Reception at the Union Pacific Depot Gardens for all alumni and friends of the University.
ADMISSIONS INFORMATION

UNDERGRADUATE ADMISSION REQUIREMENTS

For questions related to Admissions Requirements, please direct inquiries to:

The Office of Admissions
Boise State University
1910 University Drive
Boise, ID 83725
(208) 385-1156

ADMISSION AS REGULAR UNDERGRADUATE STUDENTS

Admission to the University is based upon credentials showing graduation from an accredited high school. High School Equivalency Certificates or acceptable General Education Development (GED) scores (35 or above on all five tests with an average of 45 or above for all tests) will be accepted in lieu of a high school transcript provided that the applicant has been away from high school at least one year preceding application and is at least 18 years of age.

Applicants for admission whose credentials have been accepted will be given permission to register for the following semester. Students should plan to have all credentials submitted one month prior to registration to settle any questions that may arise and to receive by mail before registration a Certificate of Admission.

Matriculation is the processing of all required items necessary for regular enrollment as a full-time student at Boise State University.

New Freshmen (no credits earned since graduation from high school).

Students wishing to enter as full-time (8 or more semester hours) fully matriculated academic students must be at least 16 years of age and submit the following prior to the deadline date:

1. A completed application
2. A $10 matriculation fee (the matriculation fee may be waived by the Admissions Office in documented cases of financial need and/or scholastic excellence).
3. An official High School transcript showing date of graduation or a GED Certificate showing acceptable test scores.
4. American College Test (ACT), Scholastic Aptitude Test (SAT), or Washington Pre-College (WPC) test scores.

Permission to enroll full-time is contingent upon satisfaction of all matriculation, academic, and financial requirements set by Boise State University.

Transfer Students (Prior enrollment at one or more post-high school institutions)

Students entering from other colleges or universities must present proof of honorable dismissal and official transcripts mailed directly to the Dean of Admissions. Students entering from other institutions must comply with the same scholastic regulations as are applied to students previously enrolled at the University. After evaluation of transcripts, students are classified as Freshmen, Sophomores, Juniors, Seniors, or Graduates.
ADMISSIONS INFORMATION

In accordance with Idaho statutes as approved by the State Board of Education, the acceptance of credits from Junior College is uniform for both certification and transfer purposes and no more than 64 credit hours or ½ the total hour requirement of the specific curriculum is established as the uniform maximum limit effective September 1, 1950.

Transfer students wishing to enter as full-time (8 or more semester hours) fully matriculated academic students must submit the following prior to the deadline date:

1. A completed application
2. A $10 matriculation fee
3. Evidence of high school graduation or a GED certificate showing acceptable test scores.
4. ACT, SAT, WPT test scores or evidence of successful completion of English Composition sequence.
5. Official transcripts from all previously attended colleges showing good academic standing.

A transfer student, whether resident or non-resident, must have a minimum GPA of 2.00 or above on all prior collegiate work completed or have cleared the probationary provision outlined under page 25 Academic Probation and Disqualification. All decisions relating to admission of foreign students will, however, be made by the Foreign Student Admissions Office.

2An "official" transcript is one certified by the issuing institution and mailed by that institution directly to the BSU admissions office.

Veterans

Students wishing to enter and receive G.I. Bill benefits must matriculate fully and meet all requirements for either freshmen or transfer students listed previously. Veterans attending under the G.I. Bill (Chapter 34) or under the Dependence Educational Assistance (Chapter 35 - widows, orphans and children of 100% disabled veterans) can apply for their benefits through the Office of Veterans Affairs on the Boise State University campus. Chapter 31 (rehabilitation program) veterans must be counseled by a Vocational Rehabilitation counselor at the V.A.

Chapter 34 veterans and Chapter 35 eligible persons are required to pay all tuition and fees at the time of registration. Chapter 31 veterans must present an Authorization of Entrance. For more information, refer to Page 17 of this catalog.

Former Boise State Students

To be readmitted to the University after an absence of one semester or more, students must submit the following prior to the deadline date:

1. A completed application
2. Official transcripts from all colleges attended since the last BSU enrollment.

Part-time Students

Undergraduate students wishing to enter part-time (7 or fewer credit hours) must submit a completed application form, but are not required to meet the other matriculation requirements. However, students who intend to pursue a degree objective on a part-time basis are encouraged to meet all Admission requirements. Veterans wishing to receive G.I. benefits must submit official transcripts from all previously attended colleges prior to being certified eligible for benefits.

Summer School Students

Students wishing to attend Boise State University during the summer session(s) only must complete an application, but are not required to meet other matriculation requirements.

ADMISSION AS SPECIAL UNDERGRADUATE STUDENTS

Persons who are unable to meet requirements as regular students and desire to take special studies may be admitted on special status upon presentation of satisfactory evidence that they are qualified to do college-level work. Normally, special status will not be granted to anyone less than 18 years of age unless, following a personal interview with the Dean of Admissions, it is deemed in the best interests of the student. Students admitted on special status are encouraged to complete matriculation requirements within the first semester of attendance. A special student is not eligible to become a candidate for graduation until he has successfully met entrance requirements or until he has completed 32 semester hours of work at the University with a GPA of 2.0 or better.

High School Students

Any currently enrolled high school student may enroll part-time if he has met the appropriate pre-requisite and his application for admission has been approved by the Dean of Admissions. Registration at BSU must be determined to be in the best interests of the student and must not interfere with progress toward high school graduation.

ADMISSION AS VOCATIONAL TECHNICAL STUDENTS

The School of Vocational-Technical Education normally admits applicants to regular full-time preparatory programs who are high school graduates or who have successfully completed the GED tests. Any person who is interested in becoming a skilled craftsman or technician will be admitted to these courses if he complies with all admission requirements and meets the qualifications for the designated program. Graduation from high school is not necessary provided the student has been out of high school at least one complete semester. Certain pre-requisite courses are required for various programs such as one year each of high school algebra and geometry for entrance to the Drafting or Electronics Technology programs. The University does not admit applicants under 18 years of age who are attending high school at the time of application unless his high school principal requests his admission. Students in the Vocational-Technical program who plan to enter certain extra-curricular activities must meet regular entrance requirements (see eligibility requirements).

Students wishing to enter BSU in the Vocational-Technical School must submit prior to the deadline date:

1. A completed application
2. A $10 matriculation fee
3. General Aptitude Test Battery (GATB) scores or high school transcripts with Differential Aptitude Test (DAT) scores
4. Personal interview
5. $75 advanced security registration deposit.

Caution: Due to limited space in many programs, a place cannot be guaranteed until both the interview is completed and the security deposits are received.

FOREIGN STUDENTS

Boise State University accepts qualified students from foreign countries to the extent that space is available. Foreign applicants are expected to meet the requirements for admission from high school or from other colleges or universities as outlined above under Admission Requirements to the University.

Credentials: Official transcripts and/or certified copies of the certificate, diploma, or government examination report received on completion of secondary school work and the degree, license, or diploma received on completion of any college or university must be sent by the certifying agency directly to the Admissions Office and must be translated into ENGLISH.

English Proficiency: All foreign applicants are required to take and receive a satisfactory score on TOEFL (Test of English as a Foreign Language) or other examinations acceptable to Boise State University. Arrangements to take the TOEFL examination may be made by writing directly to TOEFL, Educational Testing Service, P.O. Box 5921 Princeton, New Jersey 08540, U.S.A. 

The test must be taken and scores received by the University prior to a decision on admission of the applicant.

Admitted Students: Upon arrival at the University, foreign students will be examined again with the Comprehensive English Language Test (CELT). Results achieved will determine their placement level in the English as a Second Language program.
Academic Advising: Advising in academic matters is provided to foreign students by the Foreign Student Admissions Office until such time as they meet the English language requirements for a degree program.

Financial Statement: All foreign students must present to the Foreign Student Admissions Office satisfactory statements of finances and adequate proof of financial responsibility or sponsorship by a reputable American citizen or organization for all financial obligations while attending Boise State University.

Health and Accident Insurance: Boise State University requires that all full-time students be covered by health and accident insurance. Such insurance is included as a part of general registration fees paid by all full-time students.

Admission to Graduate School: Foreign students applying for admission to the Graduate School must submit all of the previously mentioned admission materials. Those wishing to major in Business Administration must submit GMAT scores (Graduate Management Admissions Test). The score on the GMAT is considered together with the GPA to determine admissibility of the student to the MBA Program. A TOEFL score of at least 525 must be achieved.

Upon completion of all requirements and the granting of final acceptance to the applicant, the Foreign Student Admissions Officer will issue an I-20 form.

TUITION AND FEES

For questions related to Tuition and Fees, please direct inquiries to:

Business Office
Boise State University
1910 University Drive
Boise, ID 83725
(208) 385-3636

All of the fees, tuition, and other charges are due and payable for pre-registered students by the deadlines established prior to the beginning of each semester. (Please see Academic Calendar, Page 5 & 6 for exact dates). These fees and charges for students registering during open or late registration are due and payable on the day the registration occurs. Board and room charges may be paid in advance for the year or arrangements may be made to pay in advance on a partial payment basis by consulting the Director of Student Residential Life (see section under Student Housing).

Tuition and Fee Schedule

Eight or more hours made up of any combination of credit, audit, equivalent, and/or repeat hours will be considered a full schedule for purposes of calculating charges.

All fees, tuition, and other charges are subject to change at any time by the State Board of Education acting as the Board of Trustees for Boise State University.

** Payment of full-fees does not necessarily constitute full-time enrollment. Please see page 23 for credit hour requirements.

Idaho Residency Requirements for Fee Purposes

The legal residence of a student for fee purposes is determined at the time of initial application for admission and will be reconsidered, thereafter, upon appeal by the student. Appeal affidavits can be obtained in the Admission’s Office. Section 33-3717, Idaho Code, specifies that a resident student shall be:

(a) Any student whose parents or court-appointed guardians are domiciled in the state of Idaho and provide more than fifty percent (50%) of his support. Domicile means an individual’s true, fixed and permanent home and place of habitation. It is the place where he intends to remain and to which he expects to return when he leaves without intent to establish a new domicile elsewhere. To qualify under this section, the parents or guardian must be residing in the state on the opening day of the term for which the student matriculates.

(b) Any student, who receives less than fifty percent (50%) of his support from parents or legal guardians who are not residents of this state for voting purposes and who has continuously resided in the state of Idaho for twelve (12) months next preceding the opening day of the period of instruction during which he proposes to attend the college or university.

(c) Any student who is a graduate of an accredited secondary school in the state of Idaho, and who matriculates at a college or university in the state of Idaho during the term immediately following such graduation regardless of the residence of his parent or guardian.

(d) The spouse of a person who is classified, or is eligible for classification, as a resident of the state of Idaho for the purposes of attending a college or university.

(e) A member of the armed forces of the United States, stationed in the state of Idaho on military orders.

(f) A student whose parent or guardian is a member of the armed forces and stationed in the state of Idaho on military orders and who receives fifty percent (50%) or more of support from parents or legal guardians. The student, while in continuous attendance, shall not lose his residence when his parent or guardian is transferred on military orders.

(g) A person separated, under honorable conditions, from the United States armed forces after at least two (2) years of service, who at the time of separation designates the state of Idaho as his intended domicile or who lists Idaho as the home of record in service and enters a college or university in the state of Idaho within one (1) year of the date of separation.

(h) Any individual who has been domiciled in the state of Idaho, has qualified and would otherwise be qualified under the provisions of this statute and who is away from the state for a period of less than one (1) calendar year and has not established legal residence elsewhere provided a twelve (12) month period of continuous residence has been established immediately prior to departure.

Other Fees

Part-time (undergraduate courses) $31.50 per semester hour
Part-time (graduate courses) .......................... 39.00 per semester hour
Summer (undergraduate) ................................ 32.50 per semester hour
Summer (Graduate courses) ............................. 40.00 per semester hour
Non resident Tuition (Part-Time) ....................... 5.00 per semester hour
Audit .................................................. 26.50 per semester hour
Application Processing Fee .......................... 10.00
(Non-refundable)
Late Registration Fee ................................ 50.00
(To apply when petition is required to register)

Testing Fee:

Students who have not taken an ACT, SAT or WAC test on a regular national testing date may take the Test of Standard Written English (TSWE):

During registration week ................................ $3.00
Duplicate Activity Card ................................ 5.00
Music, Performance Fee ................................ per semester

All private music lessons:
2 credits .............................................. 55.00
4 credits .............................................. 110.00

Waivers of Music Performance Fees will be granted to music majors enrolled for 8 credit hours or more for all required private performance study leading to a B.A. or B.M. degree. Students receiving this fee waiver must be concurrently enrolled for credit in a major ensemble and in Concert Class. Students must receive a grade of "C" or better in the ensemble and a grade of "S" in Concert Class. Unsatisfactory grades at mid-term will result in cancellation of the fee waiver for the entire semester.
ADMISSIONS INFORMATION

All students receiving this fee waiver must be making satisfactory progress (C grade or better) in private performance study to be eligible for a fee waiver the following semester.

Students receiving this fee waiver on an instrument leading to a proficiency examination must attempt the examination at the end of the first year of study and each semester thereafter until successful completion. No more than four semesters of fees for this purpose will be waived.

Special Workshop Fees

Special workshops are conducted throughout the year which are not part of the regularly scheduled courses funded through the University General Fund Budget. All students, regardless of full-fees or part-time status, will be required to pay the Special Workshop Fees which are set in relation to the expenses required to conduct the course. Registration for these workshops will not change the status of a student for fee purposes.

Insurance Coverage

All students paying full fees are required to take insurance coverage which is paid with regularly assessed institutional fees. Students who are covered by family or other plans may obtain a refund through application to the insurance agent for Boise State University.

Boise State University carries liability insurance covering all on-campus and official functions including student activities.

Refund Policy

When a regularly enrolled student withdraws from Boise State University, a refund of registration charges including non-resident fees will be on the following basis:

- Before Classes begin: 100%
- During first 2 weeks of classes: 75%
- During 3rd and 4th week of classes: 50%
- After 4th week: No Refund

This policy also pertains to part-time students, including special evening classes. No special consideration is given to late registrants in extending the refund policy. The University reserves the right to deduct from the refund any outstanding loans. An itemized statement of deductions will be forwarded with the refund check. Upon completion of the withdrawal process, a refund check will be prepared and issued in approximately two to three weeks from date of withdrawal.

Students who withdraw during the refund period and have used student aid funds to pay all or part of registration fees, tuition, or room and board costs will be refunded only the amount proportionate to the amount paid with personal funds. The rest of the refund will be returned to the appropriate student aid fund.

No private music lesson refunds will be allowed after the second week of classes in any semester.

FINANCIAL AID

For questions related to Financial Aid, please direct inquiries to:
Career and Financial Services
Boise State University
1910 University Drive
Boise, ID 83725
(208) 385-1664

The primary purpose of financial aid is to provide financial assistance and counseling to students who would be unable to attend Boise State University without such help. Financial aid is available to fill the gap between the student's potential resources and yearly educational expenses. The primary responsibility for meeting educational costs rests with the individual student and/or parents.

Boise State University has a comprehensive financial assistance program which includes a variety of types of scholarships, loans, grants, and part-time employment.

If a student is a U.S. citizen or permanent resident, enrolls for at least 6 semester credit hours at Boise State University, and shows financial need, the student is eligible for financial aid.

Financial aid is determined by careful analysis of financial resources from information furnished on the Financial Aid Form (FAF) submitted to College Scholarship Service (CSS). A uniform method approved by the U.S. Office of Education determines a student's financial need. Every attempt is made to ensure fair distribution of the resources available to the University.

Application Procedures

To be eligible for financial aid, the student must be admitted to the University into an academic or vocational technical program and submit the following forms:

1. Financial Aid Form (FAF) — Submit to College Scholarship Service (CSS) in Berkeley, California, with a check or money order. Three to four weeks are required for processing. If application is for a Basic Grant only, no fee is charged. These forms are available in January.

2. Boise State University Application for Financial Aid (BSUFAA) — This must be submitted directly to Career and Financial Services.

3. BSU Application for Scholarship (Optional) — This form must be submitted to apply for most scholarships available through the University. It should be sent directly to the office of Career and Financial Services. “Boise State University Scholarships” brochure lists scholarship available through Boise State University.

4. Students who have attended other colleges or universities must submit a financial aid transcript from all institutions attended.

Application deadlines: March 1 — Scholarships
April 1* — Need-Based Aid

*Must be sent to CSS by March 1.

If all documents required have not been received in the Office of Career and Financial Services by these deadlines, any consideration for financial aid will be on a first come first served basis in the event of remaining funds.

Financial Aid Programs

Basic Educational Opportunity Grants (BEOG Pell Grants) are available to undergraduate students with documented financial need. This is intended to be foundation to which other need-based aid may be added. Approximately 6 weeks after the FAF is filed, a Student Eligibility Report (SER) will be mailed to the student from the Basic Grant Office. All copies must be submitted to the Office of Career and Financial Services. "Boise State University Scholarships" brochure lists scholarship available through Boise State University.

4. Students who have attended other colleges or universities must submit a financial aid transcript from all institutions attended.

Application deadlines: March 1 — Scholarships
April 1* — Need-Based Aid

*Must be sent to CSS by March 1.

given annually in recognition of academic achievement, leadership, performing arts, or special talent. For more information, contact the Office of University Admissions Counseling, 1910 University Drive, Boise, ID 83725.

State of Idaho Scholarship Awards are available to incoming freshmen who are Idaho residents. Applications can be obtained from the high school counselor or the Office of the State Board of Education, 650 West State Street, Boise, Idaho 83702.

Federally Insured Student Loans (FISL) or Guaranteed Student Loan are long-term moderate interest (6%) loans available to undergraduate and graduate students, negotiated through the student's personal bank, credit union, savings and loan or other participating lender. A special application form is required on which the University must provide information for the lender. This form is available at the Office of Career and Financial Services. Repayment does not begin until 6 months after graduation or dropping below 6 credit hours. Non-residents should use loan forms appropriate for their state.

Short Term Loans are available to students with a minimum GPA of 2.00 who experience an emergency during an academic term. A special application form is required. Repayment of the loan must be made within 90 days.

Nursing Program students are eligible for a low interest loan or non-repayable grant aid if they show financial need. To be eligible, students must file the FAF and apply for BEOG.

Bureau of Indian Affairs and Idaho Migrant Council Tuition Assistance Program require the special application forms which are available through the Office of Career and Financial Services.

Financial Aid Eligibility Requirements

Notification of financial aid awards are mailed to scholarship applicants in May and need-based financial aid applicants in June. The "reply letter" must be signed and returned to the Office of Career and Financial Services within 15 days in order to receive the funds. Students must reapply by the deadline each year to be considered for a financial aid award.

Students who receive any type of financial assistance have a responsibility to make satisfactory progress in their course of study. Such aid can be withdrawn by the University if the recipient does not meet enrollment or academic criterion.

Summer Session

The University has financial aid available on a restricted basis during the summer. Students in need of financial aid who are planning to attend summer session should consult with a Career and Financial Services advisor when he/she is making summer plans.

Foreign Students

In order to be granted student visas, foreign students must demonstrate that they have resources for the entire period of University attendance. If financial difficulties arise, the Foreign Student Advisor should be contacted for assistance.

STUDENT HOUSING

For questions related to Student Housing, please direct inquiries to:
Office of Student Residential Life
Boise State University
1910 University Drive
Boise, ID 83725
(208) 385-3986

University Residence Halls

Boise State University maintains four residence halls with accommodations for approximately 760 students. They contribute to and encourage participation in the total university experience. The women's residence halls (The Towers and Driscoll) will accommodate approximately 378 students while the men's residence hall (Chaffee) is designed to house 300 students. The coed residence hall (Morrison) provides living facilities for 76 men and women.

The Towers, located at the west end of campus, has seven stories and accommodates 300 students. It is carpeted and air conditioned with study lounges and laundry facilities. Four students occupy each room with individual room bathroom facilities.

Driscoll and Morrison Halls, located on the Boise river, are virtually identical with 48 single and 15 double rooms arranged in ten suites, to accommodate six to eight students.

Morrison Hall is coed with men and women living in opposite wings separated by lounges and laundry facilities. This hall is primarily for upper-class students or students over 21 years of age.

Chaffee Hall is divided into two separate three-story units with approximately 50 men to a floor, living in 24 double rooms and 2 single rooms per floor. Both units are connected by enclosed corridors to a central lounge. Each floor has a small, informal lounge, study room, and laundry facilities.

All residents are required as part of the housing contract to take their meals in the Student Union dining room.

Applications for room reservations should be made as early as possible. The contract for residence hall accommodations is for room and board for the entire academic year. Applications must be made on the official contract form and be accompanied by an application and security deposit fee of $45.00.

Board and Room Charges*

Meal Options:
A. 7 day/ 14 meals (breakfast, lunch, dinner, Monday through Friday; brunch, dinner, Saturday and Sunday)
B. 7 day/ 10 meals (lunch, dinner, Monday through Friday; brunch, dinner, Saturday and Sunday)
C. 5 day/ 10 meals (lunch, dinner, Monday through Friday)

<td>2190</td>
</tr>
</tbody>
</table>

Above prices include phone service and state sales tax. There is no refund or "carry-over" of meals not eaten in the dining room.

In addition, all residence halls require a $15.00 program fee which is a part of the room and board payment. This fee is used for programs, activities, and various types of interest group projects desired by the students.

The residence halls normally are closed during semester break and spring vacation. Meal service is suspended and the Snack Bar is closed. Students staying in their rooms at the residence halls during these holidays must obtain permission from their Resident Director and will be charged on a per day basis.

Refunds for terminations of the housing contract which are approved will be made on a pro-rata basis for the unused portion of room and board payments. Students who receive such a refund and are recipients of financial aid which has been applied towards their housing payments must repay the appropriate financial agency.

Application Procedure

All inquiries requesting housing information and application/contracts should be sent directly to:
The Office of Admissions Counseling
Boise State University
1910 University Drive
Boise, ID 83725
(208) 385-1401

*All room and board charges, rental rates and other fees are subject to change at any time by action of the State Board of Education, Trustees for Boise State University.
ADMISSIONS INFORMATION

Completed application/contracts should be returned with the $45.00 deposit to:

Student Residential Life
Boise State University
1910 University Drive
Boise, ID 83725

Applications for residence halls will be processed as soon as the following procedures have been completed:

1. A completed application/contract is received by the Office of Student Residential Life with: a) A $45.00 application fee/security deposit. Check or money order should be made out to Boise State University. This deposit is not partial payment of room and board costs. It is held as a damage deposit and as assurance of compliance with the full terms of the contract. It is refundable when the student permanently moves out of the residence hall, less a processing fee. The application fee/security deposit is forfeited if cancellation of a room assignment is not received prior to August 1 for the Fall Semester and January 2 for the Spring Semester. b) Signature of parent or guardian for students under 18.

2. If space is available after the above are processed, a tentative room assignment is made and the student is notified.

3. This room assignment is officially confirmed after the student contracts with the Office of Student Residential Life to make payment arrangements for room and board. All students are advised of their specific room number when they move into a hall.

The University reserves the right to refuse an application for accommodations in University residence halls upon return of the application and security deposit.

ACCEPTANCE AND PROCESSING OF THE HOUSING CONTRACT BY THE OFFICE OF STUDENT RESIDENTIAL LIFE DOES NOT CONSTITUTE APPROVAL OF ACADEMIC ADMISSION TO THE UNIVERSITY, AND APPLICATION FOR ADMISSION IS NOT AN APPLICATION FOR HOUSING.

Hall and Room Assignments

Halls and rooms are assigned on an adjusted priority system, date of application and deposit and acceptance by the University. Returning residence hall students have housing priority over new applicants. If a specific person is desired as a roommate, the two persons concerned should be certain that their applications are received about the same date. If no specific request is made for a roommate, it will be assumed that the applicant will accept the person assigned. The preferences indicated by the student on the application/contract regarding the desired hall, room size, etc. are not binding but will be honored whenever possible.

University and Residence Hall Regulations

All students are held responsible for all regulations and information set forth in the Student Handbook, Boise State University Catalog, and Residence Hall Contract. All University rules and regulations are specifically made a part of this contract by references.

Personal Property and Liability

Students who reside in residence halls are responsible for providing insurance against loss or damage to their own personal property. The University does not assume responsibility for or carry insurance against the loss or damage of individually owned personal property.

Family Housing

There are 170 units available for full-fee paying (8 credit hours or more) married students or single parents, all within walking distance of the campus. University Courts apartments have small and large one bedroom, two, and three bedroom units. Apartments are carpeted and furnished with stoves and refrigerators. Coin-operated laundry facilities are located on site. All utilities except electricity are furnished. University Heights and University Manor consist of one and two bedroom apartments. These are fully carpeted, drapered, and furnished with stoves and refrigerators. Laundry facilities and all utilities are furnished.

Rental Rates Per Month

University Courts:
Small One Bedroom $125.00
Large One Bedroom 165.00

Two Bedroom 224.00

The above prices are subject to change.

Application Procedure for Family Housing

Applications for Family Housing may be obtained in the Office of Student Residential Life, Room 110, Administration Building

To be eligible a student must be a married student, prospective married student, or a single parent with a child (children) and enrolled as a full-fee and/or fully matriculated student at Boise State University.

A completed application/contract must be sent to the Office of Student Residential Life with a $50.00 application fee and security deposit. Checks or money orders should be made out to Boise State University. This deposit is not to be construed as partial payment for rent. The deposit will be held (after assignment) as a damage deposit and is refundable when the student permanently moves from the apartment. The total security deposit and application fee ($100.00) is forfeited if 30 days' notice is not given before the tenant moves.

When an apartment is ready for occupancy, the student must sign a lease, pay the balance of the application fee and security deposit ($50.00), and pay one month's rent prior to receiving confirmation to move into the apartment.

It is the responsibility of the student to notify the Office of Student Residential Life each semester if Family Housing is still desired or their name will be removed from the waiting list.

The University is an equal opportunity institution and offers its living accommodations without regard to race, color, national origin, or handicap (as provided for in Title VI and Title IX and Sections 503 and 504 of the Rehabilitation Act of 1973).

Sororities and Fraternities

Sororities and Fraternities offer a small group living experience within the total University recognized housing program. Fundamentally, each group is guided by the principles of friendship, scholarship, leadership, mutual respect, helpfulness, and service to the University community.

Four national sororities—Alpha Chi Omega, Alpha Omicron Pi, Delta Delta Delta and Gamma Phi Beta—and four national fraternities—Alpha Tau Omega, Kappa Sigma, Sigma Phi Epsilon, and Tau Kappa Epsilon—are actively involved at Boise State University. Membership is open to all full-fee students.

Each fraternity and sorority operates its own house located within a one mile radius of campus. Members take charge of their own maintenance, financial management, meal planning, governing, and organization of special events or programs. Room rates are approximate to those of University owned residence halls. Extra costs include initial affiliation expenses, social fees, and, in some instances, building fund charges.

For additional information please contact the Student Activities Office, BSU, 1910 University Drive, Boise, ID 83725. (208) 386-1223.

Off Campus Student Housing

Lists of available housing are on file in the Office of Student Residential Life. The University does not inspect the accommodations. Parents and students must accept full responsibility for the selection. The University recommends that students and parents make written agreements with landlords concerning the obligations and expectations of each party.
As a matter of policy, assignments to University housing facilities are made without reference to race, color, national origin, or handicap and expects privately owned accommodations offered through its listing service to be operated in the same manner. Listings are accepted with this understanding.
Internships/Cooperative Education

Most departments at Boise State University provide internships or cooperative education programs that give students practical, on-the-job experience which contributes to their academic development. Because the university is surrounded by several businesses, government agencies, and health care facilities, internships are available in nearly every major field. Internships are also available in some academic departments on campus.

Although constantly changing to meet student needs, the following are some of the common internship/cooperative education experiences available:

- Elementary, secondary, and physical education student teaching
- Athletic training and coaching internships
- Student nursing in local health care facilities
- Psychology internships
- Social Work internships with various government agencies
- Mathematics internships with government departments
- Construction Management internships with local contractors
- Accounting/Data Processing internships with local businesses
- Business Education and Office Administration internships with local businesses
- The "Learning Partnership" between business students and Futura Corp.
- Marketing/Mid-Management internships with local businesses
- Biology internships with state and federal agencies, research laboratories, and educational institutions
- English internships in writing laboratory and developmental writing programs on campus
- Communication internships with many governmental and business enterprises
- Political Science internships with the Idaho legislature

For specific information about internships/cooperative education opportunities, students should consult the academic department that offers the program.
ACADEMIC INFORMATION

ACADEMIC REGULATIONS
For questions related to academic regulations, please direct inquiries to:

Registrar’s Office
Boise State University
1910 University Drive
Boise, ID 83725
(208) 385-3486

Student Records
When a student enters the University and submits the requested personal data, there is an assumed and justifiable trust placed upon the University to maintain the security of that information for the protection of the rights of the student. To protect students against potential threats to their individual rights inherent in the maintenance of records and the many disclosures regarding them and in compliance with the Family Educational Rights and Privacy Act of 1974, the University has adopted BSU Policy 4205-0 (Student Records). The policy statement in its entirety is contained in the Administrative Handbook of Boise State University. Any students, faculty, or staff who have questions regarding the records policies of Boise State University may consult with the Vice-President for Student Affairs.

All academic records are maintained by the Registrar’s Office. Students may obtain copies of their transcripts by making a request in writing or in person.

Classification of Students
After registration, students are classified as follows:
Special—no degree intent—courses of interest only
Freshmen—0 semester credits through 25
Sophomore—26 semester credits through 57 or enrolled in Associate, diploma, or certificate program
Junior—58 semester credits through 89
Senior—90 semester credits and over, or enrolled in second baccalaureate degree program
Graduate—has received a baccalaureate degree and enrolled in a graduate level degree program.

Enrollment Verification
Students enrolled for 8 semester credit hours or more are required to pay full fees but may not be considered as full-time students.

For the purposes of student enrollment verification to Veteran’s Administration, Social Security Administration, BEOG, Federal and State Grants-in-Aid, banks, insurance companies, other Universities, etc. the following schedule will be used:

Undergraduate:
Full-time 12 or more undergraduate semester hours
¾-time 9-11 undergraduate semester hours
½-time 6-8 undergraduate semester hours
Less than ½-time 5 or fewer undergraduate semester hours
Graduate:

Full-time: 9 or more graduate semester hours
¾-time: 6-8 graduate semester hours
½-time: 4-5 graduate semester hours
Less than ½-time: 3 or fewer graduate semester hours

Students receiving veteran's benefits under the G.I. Bill enrolling for less than ½-time will receive payment for registration fees only.

Veterans pursuing a second baccalaureate degree must have an official evaluation of their transcripts and official copies are forwarded to the V.A. Regional Office, the veteran, and the certifying official at Boise State University. Only the courses listed in the evaluation will be considered in determining V.A. educational payments.

Veterans enrolled in graduate programs are required to file a Program Development Form with the Graduate Admissions Office and the certifying official. Only those courses that are required for the degree objective will be considered in determining V.A. educational payments.

Grading System

A—Distinguished Work—4 quality points per hour
B—Superior Work—3 quality points per hour
C—Average Work—2 quality points per hour
D—Passing but Unsatisfactory Work—1 quality point per hour
F—Failure—0 quality points per hour
P—Pass—Credit earned but no quality points
CR—Credit—Credit earned but no quality points
I—Incomplete—No credit earned or quality points until grade is assigned
W—Withdrawal—No credit earned or quality points
S—Satisfactory—No quality points
U—Unsatisfactory—No quality points
AUD—Audit—No credit earned or quality points
NR—No Record—No credit earned or quality points
NG—Non Gradable
WP—Withdrawal Passing—No credit earned or quality points (only used for complete withdrawal)
WF—Withdrawal Failing—No credit earned or quality points (only used for complete withdrawal, not computed in GPA)

A student academic status is determined by the grade point average. Grade point average is computed by adding the total quality points earned and dividing by the number of credit hours attempted. In GPA calculations, credit hours for grades of "P", "CR", "S", "U", "WP" or "WF" are not used.

Incomplete Grades

A grade of incomplete can be given where the student's work has been satisfactory up to the last three weeks of the semester. Returning students must contact the instructor and consider the following options:

1. Make up the work within the first half of the current semester.
2. Request an extension of time of both instructor and department chairman.
3. Re-enroll in the course.
4. Request that the incomplete be changed to a "W."

If the student fails to contact the instructor by mid-semester, the instructor can change the incomplete to a letter grade or withdrawal or extend the incomplete into the next semester.

Repeat of a Course

A student who receives a grade of "D" or "F" may repeat the course under certain conditions to improve the grade. Independent studies, internships, and student teaching may be taken only once; they may not be repeated. Other courses may be repeated once to raise the grade, provided that the course is still offered. Degree credit for courses so repeated will be granted only once, but both grades shall be permanently recorded. In computing the GPA of a student with repeat courses, only the second grade and quality points shall be used.

Advising and Registration

Prior to registration or pre-registration, each student registering for the first time is assigned to a faculty advisor who assists the student in identifying academic requirements for graduation and in completing the Proposed Course Schedule form. Students registering for 8 credits or more must confer with an advisor prior to completion of registration or any change in registration. A student may change his/her advisor after the first semester in attendance by obtaining permission from the Advising Coordinator of his/her school.

Dates of pre-registration and open registration are listed in the University Calendar at the front of this catalog. Instructions for registration, changing class schedules and deadline dates, for which every student, is fully responsible are published in the Class Schedule, available in April for the Fall Semester and in November for the Spring Semester.

Attendance and Absence from Class

Students are responsible for their attendance in the courses for which they enrolled. No absences, whether approved by the University or necessitated by illness or other personal emergency, are "excused" in the sense of relieving the student of responsibility to arrange with the instructor to make up work missed.

Regardless of the cause of the absence, a student who has missed a class meeting has lost some of the content of the course. If any student accumulates absences to the extent that further participation in the class seems to be of little value to him/her and detrimental to the best interests of the class, the instructor shall warn the student that she/he may fail the class.

Audit vs. Credit Registration

Students enrolling in courses for Credit are required to attend class regularly, complete all assignments, and take the necessary examinations. If space is available a student may enroll in a course without credit or grade as an Audit. Audit indicates that a student was allowed a place in the class but may or may not have participated in class activities.

Changes in Registration

Students may make the following registration and program changes by securing a "Student Information Update" form and signature from their advisor and each professor involved in the change. The completed form must be filed with the Registrar's Office. No registration or program change is effective until dated and signed in the Registrar's Office.

Adding a Course

Students may add a course(s) during the open registration period without the written consent of the professor. A "Change in Registration" form must be secured and signed by the advisor and a "class card" obtained from the appropriate department chairman's office. Detailed procedural information and instructions are printed each semester in the Class Schedule.

From the end of the open registration period until the end of the sixth week of classes, students must secure the consent and signature of the professor and their advisor to add a course(s) for credit. No student may add a course(s) after the last day to make registration and program changes. (See Academic Calendar for specific dates).

Dropping a Course

Students may drop a course(s) by following the same procedures listed above until the end of the sixth week of classes. All grades will be recorded as "W". No student may drop a course(s) after the last day to make registration and program changes except for verifiable emergency and/or medical reasons.

All appeals or petitions for an emergency or medical withdrawal from a course(s) will be made only through the Dean of Student Advisory and Special Services.

Students who remain enrolled in a course(s) after the last day to make registration or program changes and who fail to complete course requirements shall be awarded a final grade of "F."
Audit/Credit Changes

Students may change their status from credit to audit or audit to credit by following the same procedures as adding a course until the end of the sixth week of classes. No student may change from or to audit after the last day to make registration or program changes.

Students who change their status in a course from audit to credit must pay the difference in course credit cost. Students who change from credit to audit during the first four weeks of a semester may request a refund of the difference between audit and credit registration fees. A refund will be pro-rated in accordance with the University’s refund policy pertaining to general fees.

Late Registration

Individuals who file an application for admission after the cut-off dates for pre-registration and priority registration may register for courses that are still available during the open registration period. (See Academic Calendar for specific date).

Individuals who wish to register after the open registration period ends must obtain a “Petition for Permission to Make Changes After Deadline Date” form from the Admissions Office Information Window. This form must be signed by the professor of each course and by their Department Chairman or Academic Dean. The approved petition form must be filed with the Registrar’s Office and with the Business Office when fees are paid. Registration is not complete until all fees are paid. No registration by petition will be accepted after the last day to make registration or program changes. All registrations by petition will be assessed a $50.00 fee.

Complete Withdrawal from the University

Students who wish to leave the University in “Good Standing” during a semester must initiate an official request for complete withdrawal from all courses through the Dean of Student Affairs and Special Services. Vocational-Technical students must clear with the Vocational counselor prior to reporting to the Student Advisory and Special Services Office.

Withdrawal from the University (from all courses) must be completed prior to the end of the sixth week of classes for all grades to be recorded as Withdrawal (W). Refunds of registration fees are only pro-rated over the first four weeks of a semester.

Students who withdraw from the University after the last date for withdrawal and are then failing the course will be awarded final grades of “WF.” Students who withdraw from the University after the last date for withdrawal and are passing the course will be awarded a final grade of “WP”. It is not necessary to request a withdrawal from the University between semesters or after a semester has been completed. Neither a “WP” nor a “WF” will be used in calculation of GPA. Students who remain enrolled after the last day to make registration or program changes and who fail to complete course requirements shall be awarded a final grade of “F”.

Faculty Initiated Withdrawal

Although the primary responsibility for withdrawing from individual courses rests with the student, the professor may, in certain situations, initiate a withdrawal:

1. If a student registers for a course but never attends.
2. If a student registers for a course, attends briefly, and then neglects to withdraw from the course.
3. If a student registers for the course on an audit basis but never attends or attends for only a brief period of time.

In cases of a faculty initiated withdrawal, the professor will notify the Office of the Vice President for Student Affairs of the impending action. The Vice President for Student Affairs Office will then notify the student. If no further effort is made by the student within two weeks after notification, the professor may then initiate the withdrawal.

Administrative Withdrawals

A student’s registration may be cancelled after proper notification for delinquent financial accounts (bad checks, library fines, overdue loans, bookstore, or housing accounts, etc.);Incomplete admissions file; failure to submit transcripts or test scores; falsification of admissions application or other University records; registration without re-instatement from academic dean; academically disqualified; failure to respond to an official summons or exhibiting behavior which constitutes a clear and present danger to one’s self and others.

The Vice President for Student Affairs, Dean of Admissions, Director of Administrative Services or Registrar will notify delinquent students of the pending action by certified mail. If no effort is made to correct the situation within two weeks after notification, the request for an administrative withdrawal is sent to the Dean of Student Affairs and Special Services for final action.

Student Address or Name Change

The student is held responsible for keeping address or name change information up-to-date with the Registrar’s Office. Change of Address or Name Change forms may be obtained in Room 102 of the Administration Building. Mailing of notices to the last address on record constitutes official notification.

Academic Probation and Disqualification Policy

Boise State University

(As Amended March 20, 1980)

A student whose academic work indicates that he/she cannot continue in the university with profit to him/herself and credit to the institution will be placed on academic probation, and if he/she continues on academic probation at the end of his/her next semester of attendance, he/she will be subject to dismissal from the University.

I. Academic Probation

A. At the end of a semester (fall, spring, or summer) undergraduate students who do not attain the cumulative grade point average required for the number of hours attempted are placed on probation for the next semester of enrollment.

</table>

B. The cumulative GPA will be computed on all credits attempted.

C. Students on academic probation will be automatically removed from probation when they earn a cumulative GPA equal to or higher than the minimum required for the numbers of hours attempted.

II. Disqualifications

A. After being placed on academic probation, a student who continues on academic probation at the end of his/her next semester of attendance, will be disqualified and dismissed from the University unless his/her GPA for the most recent semester of enrollment was 2.00 or higher.

B. In the event a student’s cumulative GPA is below the minimum required but his/her GPA for his/her most recent semester of enrollment was 2.00 or higher, the student remains on continued probation.

III. Reinstatement

A. After being disqualified and dismissed from the university, a student may be reinstated by submitting a petition to
ACADEMIC INFORMATION

the academic dean of the school from which he or she was dismissed and receiving favorable action on his/her petition. Readmission to a school (or any of its programs) may be accompanied by subsequent academic performance requirements which are more stringent than to those of the university. Failure to meet conditions specified for continuation as a major in a particular school may prohibit a student from future enrollment in a school even though the university minimum academic requirements are satisfied.

B. Students who attend another institution while disqualified must meet the same standards as continuing Boise State University students when applying for readmission.

C. Students who are disqualified and reinstated by favorable action on their petitions are reinstated on academic probation.

IV. Repeated Disqualification
A. After being reinstated, if a student fails to achieve either a 2.00 GPA during his next semester's enrollment or the minimum GPA required by his/her hours attempted, the student will receive a repeat disqualification.

B. If a student receives a repeat disqualification, he/she will be dismissed from the university and cannot be reinstated except by petition to and favorable action from his/her academic dean. Readmission to a school (or any of its programs) may be accompanied by subsequent academic performance requirements which are more stringent than those of the university. Failure to meet conditions specified for continuation as a major in a particular school may prohibit a student from future enrollment in a school even though the university minimum academic requirements are satisfied.

C. Students on repeat disqualification who are reinstated by favorable action on their petition must earn a minimum GPA of 2.00 for the semester reinstated or must raise their cumulative GPA equal to or above the minimum required. Otherwise, they will receive an additional repeat disqualification.

V. Forgiveness for Failing Grades
A. A student who has not been enrolled in a college or university as a full-time student for a period of two consecutive years may, upon returning full-time to Boise State University, credit status and completing a semester of full-time work (12 hours or more) with a GPA of 2.25 for that semester, make application to the dean of the school for removal of any "F" grade given by Boise State University. With approval of the dean of the school in which the student is majoring, the GPA will be recomputed to include all grades with the exception of those dismissed. No change will be made on the transcript of record. Application for changing an "F" grade must be made no more than two semesters after full-time re-enrollment at Boise State University.

VI. Restrictions
A. Students reinstated after a second probation are ineligible for participation in University sponsored extra-curricular activities (See Eligibility for Extra-curricular Activities section of the Boise State University Student Handbook). This restriction is removed when students are no longer on probation.

Dean's List
Every student who has attempted 12 or more credits of academic work in a given semester and achieves a grade point average of 3.50 or更高 receives a "Dean's List" recognition. An individual with a grade point average of 3.50 to 3.74 receives an "Honors" designation; a person with a 3.75 to 3.99 grade point average receives a "High Honors" designation; and a person who achieves a 4.0 grade point average receives a "Highest Honors" designation.

Petitions
Where strict application of any Boise State University regulations seem to work an unreasonable hardship, the student may petition for an exception. Academic petitions should be address-
University-Wide Course Numbers

Undergraduate

The following college-wide standardized course numbers and titles are available to each department offering a major.

Independent Study (188 and 495) must be arranged between student and professor on an individual basis. The course description does not appear in other sections of the catalog.

188 Honors Independent Study (1-3 credits). An independent study experience to provide an Honors Student study opportunities of a reading or project nature. Credits may not exceed three (3) per semester or six (6) maximum in an academic year. Prerequisite: Approval of the Dean and Department Chairman upon recommendation of the faculty advisor.

293-493 Internship (Variable credits). The internship number is available to academic departments to provide an opportunity for supervised field-work that is specifically related to the student's major field of study.

294-494 Conference or Workshop (0-4 credits). Conducted by outstanding leaders or qualified faculty in a particular field under the auspices of Boise State University. Conference or workshop (294, 494) and special topic courses (297, 497) will be described in the Class Schedule published each semester.

297 Special Topics (1-4 credits)*

496 Independent Study (1-4 credits). Individual study of either a reading or project nature. Offered on demand. Student must make application well in advance of this special study experience. May be repeated for a maximum of 9 credits; 6 credits in any one academic year. Prerequisite: Consent of instructor and department chairman, upper division standing.

497 Special Topics (2-4 credits). Prerequisite: Advanced standing and consent of instructor and department chairman.

*297 or 497, Honors or Interdisciplinary Humanities courses will be allowed to apply toward core requisites; however, other departmental Special Topics courses may apply toward graduation.

498 Seminar (1-4 credits).

499 Seminar (1-4 credits).

Graduate

The following numbers may be used by any department to offer credits for the type of activity indicated in the title. These courses may be offered for variable credit. Limits on the number of credits of any one number category to be applied towards a given degree will be set by the Graduate Council. The supervising professor or committee will determine which credits may apply to an individual's program.

500-589 Selected Topics

Subjects normally offered and studied in one department can be divided into no more than 10 areas. Each area will be assigned one number of the 500-589 group. Although the topics considered in the courses in any one area may vary from semester to semester, repeated use on any one number implies that the topics continue to be selected from the same area.

500 Practicum

501 Project

502 Colloquium

503 Thesis

504 Extended Conference or Workshop (Graded A through F)

505 Reading and Conference

506 Directed Research

Masters programs may include directed research credits at the discretion of the graduate student's supervising professor or committee. A student may earn a maximum of 9 semester hours with no more than 6 in a given semester or session.

579 Special Topics

588 Seminar

599 Short Term Conference or Workshop (Graded Credit or No Credit)

Generally the 599 number is used for courses meeting 3 weeks or less and the 594 for courses meeting more than 3 weeks. The decision, however, is made by the department or school offering the course.

Interdisciplinary Courses

The following interdisciplinary courses are identified with more than one school or department.

Honors

HP 193, 293, 393, 493 Honors Seminar (1 credit). A seminar involving interdisciplinary lectures and discussion for Honors Students. Topics are selected by the students. Credit or no credit will be given rather than letter grade.

HP 100, 290, 390, 490 Summer Readings (1-3 credits). An opportunity and incentive for students to continue their studies during the summer when they are away from campus and faculty. Students must select their area of interest, contact a faculty supervisor, and coordinate through the Honors Program Director concerning testing and credit for the work prior to the end of spring semester. Students will register during fall registration and will complete written and oral testing as required no later than October 15 in order to receive credit or no credit.

HP 492 Honors Colloquium (3 credits). Upper-division Honors students bring the background of their own major to a multi-disciplinary forum. Letter grade given.

GS 198, 496 Student Government Independent Study (1-3 credits). Students who are currently serving in major student government offices may avail themselves of Independent Study in Student Government. This study will be coordinated by the Vice President for Student Affairs and may be taken in any department of the college provided an Instructor is willing to direct the study. Students who are eligible for this study are (1) the Major elected Officers (President, Vice-President, Treasurer), (2) Major Appointed Officers (Business Manager, Publicity Director, Administrative Assistant to the President and Personnel Officer), and (3) Senators. Credits may not exceed three in any one semester or six in any academic year. A maximum of nine credits will be accepted towards graduation.

GS 501 History (3 credits). (Course description Part VIII of catalog).

Interdisciplinary Studies in the Humanities

IH 101 Humanities: A View of the Nature of Man, I (3 credits). Especially designed for non-Humanities majors, this team-taught class integrates information to provide views of human experience. Among the topics explored are different views of human nature, different ways of knowing, the nature of humanistic understanding, and the impact of experience on the individual. Prerequisite: Completion of or concurrent enrollment in E-101. (Fall Semester)

IH 102 Humanities: A View of the Nature of Man, II (3 credits). As a continuation of IH 101, this lecture/discussion course focuses on humanistic perceptions and assumptions concerning how people understand and respond to society and what motivates people to accept or reject social norms. The final unit will focus on forms of alienation and how individuals respond to social pressure. Prerequisite: IH-101. (Fall Semester)

IH 111 Humanities: A View of the Nature of Man, III, "Consciousness and Human Imagination" (3 credits). This course will examine the human imagination as a necessary constituent of each person's consciousness of his lived experience, i.e., it will analyze the role that human imagination plays for each of us in making our everyday lives, private and social, livable, understandable, and worthwhile. This course will also examine the imagination's capacity to capture our lived experience for reflection in the formalized modes of imagination: science, philosophy, art, and literature. Students will examine inherent and relative values. Prerequisite: Completion of, or concurrent enrollment in E-101. (Spring Semester)

IH 112 Humanities: A View of the Nature of Man, IV, "Human Choices and the Future" (3 credits). This course assumes that the future will be shaped through human choice and will explore the role of the humanities in understanding and defining the conditions necessary to making human choices: self-knowledge, understanding language, and understanding ways of knowing. Since the humanities are involved with a constant examination of human values, it will also consider other means for maintaining conditions for genuine human choice. This course focuses on methods of conceptualizing, the way in which the human imagination frames its understanding of the world about it. Since human choice results from the way in which the chooser understands the problem, the clearer the perception, the better the choice. Prerequisite: Completion of, or concurrent enrollment in, E-101. (Spring Semester)

Advanced Placement and Individualized Studies

For questions related to Advanced Placement, please direct inquiries to:

Dr. William Mech, Director
Honors Program
Education Building, Room E 707
Boise State University
1910 University Drive
Boise, ID 83725
(208) 385-1122.

Today, improved and accelerated public school programs allow many students to enter colleges and universities with skills traditionally expected after college level work. To assure each student the opportunity to develop at his/her own pace and bypass material already mastered, Boise State University offers several options for educational advancement. Individual cases may allow several approaches to determining relative placement.

College Level Examination Program (CLEP)

Many colleges and universities, including Boise State University, accept the General and Subject Matter Examination of CLEP as an alternative by which a student may satisfy certain general education, specific course, or pre-major requirements.
ACADEMIC INFORMATION

Students generally prepare for the examinations by independent studies, advanced high school courses, auditing courses, attending non-accredited schools; on-the-job training, or other experience.

The Subject Examinations may not be repeated within a year. The General Examinations may be repeated once within a year's time if special arrangements are made.

Boise State University accepts test scores of CLEP in the following general and subject areas:

*Courses offered to non-vocational students. (An additional examination is required.) Several other alternatives are available to students directly out of High School. Credit awarded may be applied to transfer credits only after consultation with the appropriate division or department.

**Credit By Examination (CHALLENGE)**

Any student may challenge a University course, subject to department determination of appropriate courses, when he/she feels that he/she has achieved sufficient knowledge to pass an examination covering the content of the course. In those cases where credit by examination is allowed, the department shall have the option of using a standardized examination or an examination prepared within the department. A student attempting to earn credit by examination must consult with the Department Chairman to determine whether the credit will be a regular grade or on a credit-no-credit basis, whereby the student receives credit and no grade for the course if he passes the examination.

**Credit For Prerequisites Not Taken**

Students who have sufficiently high GPA or ACT scores, who pass a departmental placement examination, or who have the approval of the department chairperson may take designated courses without having completed the listed prerequisite.

**Transfer of Vocational-Technical/Academic Credits**

Block transfer of vocational-technical credit from accredited or State approved vocational-technical schools in the State of Idaho into specific departmental programs, or general elective credit at Boise State University may be awarded as determined by the appropriate academic department and approval of the dean.

Similarly, block transfer of academic program credit from an accredited institution of higher education into a specific vocational-technical program at Boise State University may be awarded as determined by the appropriate division, department, or committee.

No grade shall be assigned, and such transfer applies only to the agreed-upon-transfer program.

Credit for specific vocational-technical school courses may be awarded when equivalency has been validated by the appropriate academic department and approved by the school offering the equivalent course work. Vocational-technical school credit may be awarded for specific academic course credit when the equivalency has been determined by the appropriate vocational-technical division or department.

Reciprocal exchange of non-equivalent prior learning such as course work training or work experiences between vocational-technical and academic institutions shall be at the discretion of the appropriate division or department.

If a student transfers from one program in vocational-technical education or an academic program to another, the receiving department or division will re-evaluate the appropriateness of such vocational-technical training, experience, and/or academic course work.

**Independent Study**

The independent study experience provides individual study opportunities of reading or project nature. The availability of independent study opportunities for graduate students, upper-division, and Honors Program lower-division students represents one of several unique curricula choices at Boise State University.

Any department which fields a baccalaureate or graduate degree program is authorized to offer independent study. The course numbers identifying independent study are not listed in the Schedule of Classes. This does not preclude their availability based on mutual agreement between student and professor and approval by the appropriate department chairman.

Upper division students are eligible for 1 to 4 credits of Independent Study per semester. This experience may be repeated for a maximum of 9 credits towards graduation with no more than 6 credits in any given academic year.
Lower division Honors Program students are eligible for 1 to 3 credits of Honors Independent Study per semester. Credits may not exceed 3 per semester with no more than 6 in an academic year.

Independent Study may not be substituted for any departmental course requirements without prior approval of the department chairman and dean of the school offering the independent study.

Internship

Internships are available in many departments and in all schools within Boise State University. They provide an opportunity for a student to participate for variable credit in a field experience or practicum which contributes to his/her academic development. The precise nature of an individual internship will necessarily vary depending upon the department, agency or student.

GRADUATION REQUIREMENTS

**Application for Graduation**

A student must make formal application for graduation by filing an application form in the Registrar's Office. To be guaranteed a graduation evaluation prepared prior to the last semester of attendance, a student should apply at least two semesters in advance of contemplated graduation or upon completion of 70 credit hours.

Requirements for graduation are checked in accordance with the requirements of one University catalog. A student is not permitted to combine programs from different catalogs, but may choose to graduate on the basis of the catalog of any year he/she has registered providing that the catalog was in effect not more than six academic years prior to the year of graduation.

**General University Requirements (Core)**

To receive a Baccalaureate degree from Boise State University, all students must meet certain core requirements. Approximately one third of each of the undergraduate program will be taken in core courses, major concentration, and electives. The university core is aimed at developing specific learning and communication skills of literacy and critical thought. The university core requires 3 to 6 credits of English Composition, dependent upon the student’s score on a national test, 12 credit hours in each of 3 areas—Area I, Arts and humanities, Area II, Social Sciences, and Area III, Natural Science. Specific coursework will be required in at least three disciplines in Areas I and II, to include a literature (Area I) and a history (Area II) course for BA candidates, and two patterns; 1) a year’s sequence in one science and a semester in another or 2) three courses in science concepts, for fulfilling Area III.

In addition, B.A. students must have an additional 9 hours in Area I or II (excluding major requirements), and B.S. students must have an additional 9 hours in Areas II or III. Degrees other than the Bachelor of Arts or Bachelor of Science must include quantitatively from the core, but must contain English Composition and a minimum of 26 credits to be chosen from Areas I, II, and III, with no less than 6 credits taken from any one of those areas.

Courses offered to fulfill core requirements will be identified by area in the catalog; e.g., P 101 General Psychology (3-0-3) (AREA II.) A grade of “C” is required in any course used to fulfill a core requirement including E 101, 102. All entering full-time student whose national test scores (ACT or SAT) show a composite percentile at the 20th percentile or below, or who have test percentiles below the 20th percentile in English or Math will be referred to a special advisor who will help the student enroll in appropriate courses to build basic skills. Such students should not enroll in more than an equivalent of 12 credit hours per semester until the deficiency is removed.

All students who have not taken and passed a competency exam as part of their writing courses at Boise State University must pass a competency exam in written English which should be taken prior to the senior year.

The **ENGLISH COMPOSITION** requirement may be met in one of the following ways:

1. Completion of E 101 and E 102, English Composition.
2. Completion of E 111 and E 112, Honors Composition. Admission is dependent on ACT score.

3. Successful Challenge of E 101 or E 102 by taking the departmentally specified competency test.

4. Students who score in the 80th percentile or above on the ACT, or who are permitted to take and pass the departmentally specified competency test are exempt from E 101. E 102 is required.

**AREA REQUIREMENTS** are general education requirements required of all students seeking a Baccalaureate degree. Courses in the following lists have been approved to satisfy the core requirements. Additional courses may be approved and students should check with academic advisors for the most current list of courses approved to satisfy core requirements.

**AREA I - Arts and Humanities**

E 230 Western World Literature
E 235 Western World Literature
E 240 Survey of British Literature to 1790
E 260 Survey of British Literature: 1790 to Present
E 271 Survey of American Literature: Beginning to Civil War
E 272 Survey of American Literature: Civil War to Present
H 207 Introduction to Humanities
H 208 Introduction to Humanities
*IH 101 Humanities: A View of the Nature of Man, I
*IH 102 Humanities: A View of the Nature of Man, II
*IH 111 Humanities: A View of the Nature of Man, III
*IH 112 Humanities: A View of the Nature of Man, IV
MU 133 Introduction to Music
PY 101 Introduction to Philosophy
PY 121 Introduction to Logic
TA 107 Introduction to Theatre

Special Topics courses in IH Interdisciplinary Studies in the Humanities and HP Honors courses may also be approved to meet Area I core requirements.

*Only 6 credits of IH courses may be taken to satisfy core requirements.

**AREA II - Social Sciences**

AN 101 Physical Anthropology
AN 102 Cultural Anthropology
AN 103 Introduction to Archaeology
CM 111 Fundamentals of Speech Communication
CM 112 Reasoned Discourse
EC 201 Principles of Economics-Macro

BACCALAUREATE DEGREES
MINIMUM GRADUATION REQUIREMENTS (CREDITS)

ALL BACCALAUREATE DEGREES
General College Requirements (minimum)
A. Total credit hours ........................................... 128
   Must Include:
   1. English Composition E101, 102 ......................... 3-6
   2. Upper Division credit hours ............................ 40
B. Grade Point Average for all Courses taken ............. 2.0
Other College Requirements
C. Minimum requirements for one of the degrees offered.
D. Specific Requirements for a departmental major.
   1. A student must have a minimum cumulative 2.00 GPA
      in all courses required by his/her major.
   2. A student will not be allowed credit toward his/her
      major department requirements for any grade of "D"
      in upper division courses in his/her major depart-
      ment.
E. A minimum of 15 credit hours of electives outside of the
   major field.
F. Minimum credit hours in residence: The last 30 credit
   hours prior to graduation must be taken at the university
   during the regular or summer sessions.

Extension, Correspondence, and Religion Courses
A candidate for a degree may earn up to 32 semester hours in
any combination of extension and/or correspondence courses
enrolled in the required credit hours for graduation. These must
have departmental approval for acceptance towards major depart-
ment requirements.

Physical Education Courses
A candidate for a degree may have up to 8 semester hours of
Physical Education activity courses counted towards graduation.

Such correspondence courses must be completed, and the
transcript filed with the registrar prior to mid-term of the semester
in which the last 30 hours of residence credit are started.

Up to eight (8) credits of non-sectarian religion courses from
accredited colleges and universities may be accepted as general
 electives.

Requirements for Additional Baccalaureate Degree
A. A minimum of 39 additional semester hours of resident work,
   beyond the hours required for his/her first degree, for each
   subsequent degree.

B. Satisfaction of upper-division requirements in the major field
   selected as recommended by the department and approved
   by the dean of the school granting the additional degree.
C. Satisfactory completion of other requirements of the Univer-
   sity as approved by the dean of the school granting the addi-
   tional degree.

Requirements for Double Major
A student may be granted a single baccalaureate degree with
more than one major, providing that he/she satisfies all re-
quirements for each major field as recommended by the depart-
ment and approved by the dean of the school granting the addi-
itional degree as well as satisfying all requirements for the degree
sought.

BACHELOR OF ARTS DEGREE
MINIMUM REQUIREMENTS (CREDITS)
A. General University requirements —3 or 6 credits
   1. English Composition E101, 102 ......................... 3 or 6*
B. Area I requirements, Arts & Humanities .................. 12**
   1. Three credits in Literature
   2. Three credits in a second field
   3. Three credits in a third field
   4. Three credits in any Area I field
C. Area II requirements, Social Sciences ..................... 12
   1. Three credits in History
   2. Three credits in a second field
   3. Three credits in a third field
   4. Three credits in any Area II field
D. Area III requirements, Natural Science .................... 12
   1. A year's sequence chosen from:
      Biological Sciences
      Mathematics
      Physical Sciences***
      With additional credits from a field other than that chosen
to satisfy the sequence requirement.
   OR
   2. Any three of the following courses except no more than
two from a single department.
      Biology—Concepts of Biology
      Chemistry—Concepts of Chemistry
      Geology—Fundamentals of Geology
      Mathematics—Cultural Approach to Math
      Physics, Engineering, and Physical Science
      Energy for Society
      Introduction to Descriptive Astronomy
      Either Foundations of Physical Science or
      A Cultural Approach to Physics, but not both
E. Students seeking the B.A. degree must have an additional 9
   credits chosen from courses in any of the following disciplines:
      Art
      Humanities
      Literature***
      Music
      Philosophy
      Theatre Arts
      Foreign Language (102 or higher or one language)
      Anthropology
      Communication
      Economics
      Geography
      History
      Political Science
      Psychology
      Sociology
F. Departmental major

* Determined by student score on ACT exam. See General University (Core) Re-
   quirements.
**Three credits may be in performance courses.
***Literature—Courses in various departments concerned with the writings of specific
   authors, periods, styles, themes, or geographic area.
****The Physical Sciences include courses in Chemistry, Geology, Physical Science,
   and Physics.
ACADEMIC INFORMATION

BACHELOR OF SCIENCE DEGREE
MINIMUM REQUIREMENTS (CREDITS)

A. General University requirements
   1. English Composition E101, 102 3 or 6 credits

B. Area I requirements, Arts & Humanities 12**
   Three fields must be represented

C. Area II requirements, Social Sciences 12
   Three fields must be represented

D. Area III requirements, Natural Sciences 12
   Two fields must be represented
   1. A year's sequence chosen from:
      Biological Sciences
      Mathematics
      Physical Sciences****
      with additional credits from a field other than that
      chosen to satisfy the sequence requirement.
   OR
   2. Any three of the following courses except no more than
      two from a single department:
      Biology—Concepts of Biology
      Chemistry—Concepts of Chemistry
      Geology—Fundamentals of Geology
      Mathematics—Cultural Approach to Math
      Physics, Engineering, and Physical Science Energy for Society
      Introduction to Descriptive Astronomy
      Either Foundations of Physical Science or
      A Cultural Approach to Physics, but not both

E. Students seeking the B.S. degree must have an additional 9
   credits chosen from courses in any of the following disciplines:
   Anthropology
   Communication
   Economics
   Geography
   History
   Political Science
   Psychology
   Sociology
   Biology
   Chemistry
   Engineering
   Geology
   Physics
   Mathematics
   Physical Science

   *Determined by student score on ACT exam. See page 29.
   **Three credits may be in performance courses.
   ***Literature—Courses in various departments concerned with the writings of specific
   authors, periods, styles, themes, or geographic areas.
   ****The Physical Sciences include courses in Chemistry, Geology, Physical Science
   and Physics.

BACHELOR OF BUSINESS ADMINISTRATION DEGREE
MINIMUM REQUIREMENTS (CREDITS)

A. English Composition E101, 102 3-6*

B. Area I Requirements, Arts & Humanities 6

C. Area II Requirements, Social Sciences 12
   1. Economics 6
   2. Area II credits other than in economics 6

D. Area III Requirements 12
   1. Two-semester sequence in math 8
   2. One-semester physical or biological science 4
      Suggested science courses:
      Concepts of Biology, B-100
      Concepts of Chemistry, C-100
      Foundations of Physical Science, PS-100
      Fundamentals of Geology, G-100
      Introduction to Descriptive Astronomy, PH-105

E. An additional 16 hours are required in disciplines other than
   those administered in the School of Business. These addi-
tional credits must include hours from at least two of the
three areas listed below:
   Humanities
   Theatre Arts
   Art
   Music
   Philosophy
   Foreign Language (102 or higher of one language)
   Anthropology
   Communication
   Geography
   History
   Political Science
   Psychology
   Sociology
   Biological Sciences
   Mathematics
   Physical Sciences

A major in Accounting, Business Education, Economics, Finance, General Business, Information Sciences, Management, Production Management, Real Estate, or Office Administration meeting all specific requirements for the major, see requirements in Part V.

* Determined by student score on ACT exam. See page 29.

BACHELOR OF FINE ARTS DEGREE

A. General University Requirements 3-6*
   1. English Composition E101, 102 3-6*

B. Area I Requirements, Arts & Humanities 9
   1. Literature 6
   2. Other courses 3

C. Area II Requirements, Social Sciences 9
   1. Lower Division History 3
   2. Other courses 3

D. Area III Requirements 8
   A year's sequence chosen from the following:
   Biological Science
   Mathematics
   Physical Science
   or any two of the following:
   Concepts of Chemistry
   Concepts of Biology
   Fundamentals of Geology
   Cultural Approach to Math
   Introduction to Descriptive Astronomy
   A candidate for the BFA degree must have Art Department approval during
   his/her junior year.
   **Determined by student score on ACT exam. See page 29.
   ***The Physical Sciences include C, GO, PS, PH courses.
ACADEMIC INFORMATION

E. Individual departmental major listings in other parts of the catalog may specify how Area I, II, and III requirements are to be fulfilled.

F. A major in Art

BACHELOR OF MUSIC DEGREE
MINIMUM REQUIREMENTS (CREDITS)

A. General University Requirements 3-6*  
1. English Composition 3-6*

B. Area I Requirements, Arts & Humanities 9  
1. Literature 3
2. Three credits in a second field 3
3. Three credits in any of the following fields 3
   Art—AR
   Humanities—HU
   Literature—L
   Music History—MU
   Philosophy—PY
   Theatre Arts—TA

C. Area II Requirements, Social Sciences 9  
1. History 3
2. Three credits in any of the following fields 3
   Anthropology—AN
   Communication—CM
   Economics—EC
   Geography—GC
   History—HY
   Political Science—PO
   Psychology—PS
   Sociology—SO

D. Foreign Language and Area III Requirements 8  
1. Performance and Theory—Composition Majors: 8
   a. A year’s sequence of a foreign language 8
2. Music Education Majors: 8
   a. A year’s sequence of a foreign language 8
   or
   b. A year’s sequence chosen from:
      Biological Sciences
      Mathematics
      Physical Sciences
      or
      Any two of the following courses:
      Concepts of Biology
      Concepts of Chemistry
      Fundamentals of Geology
      Cultural Approach to Math
      Foundations of Physical Science
      Introduction to Descriptive Astronomy

E. A major in music with emphasis in Performance, Theory Composition, or Music Education, meeting all specific requirements as defined on pages 59 in the catalog.

* Determined by student score on ACT exams. See page 15.
** Literature—Courses in various departments concerned with the writings of specific authors, periods, styles, themes, or geographic area.

NOTE: PRE-LAW CURRICULUM

Boise State University does not prescribe a pre-law curriculum; the student’s plans should be based on his/her own interests and his/her own personal objectives in studying law. In general, the pre-law student should place emphasis not only on the acquiring of knowledge of the fundamental elements which define the nature and character of society but also on the development of methods of study, thought, and communication. Present-day law students have undergraduate degrees in Political Science, English, Business, Natural Science, History, Linguistics, Communications, and a host of other disciplines.

For additional information, see the current PRE-LAW HANDBOOK, published annually in October and prepared by the Law School Admission Council and the Association of American Law Schools. This book includes material on the law and lawyers, pre-law preparation, application to law schools, and the study of law, together with individualized information on most American law schools. It may be ordered from Educational Testing Service, Princeton, New Jersey.

NOTE: ASSOCIATE OF ARTS DEGREE PROGRAM

Participation in this program is limited to students residing at the Idaho State Correctional Institution. The curriculum is focused around normal freshmen and sophomore general education courses with a broad exposure to the social sciences. A student completing this program will have completed all University general education requirements except possibly one lab science course. The program includes:

English Composition E101, 102 3 or 6 hours
Area I including Literature 12 hours
Area II including History 12 hours
Area III 8 hours
Major Requirements 12 hours
Electives 14 or 17 hours

64 hours

Entrance into this program by a student at the I.S.C.I. will be through a signed agreement by the student, the I.S.C.I. Education Director, and the Continuing Education Director, Boise State University. The agreement shall terminate six months from the date of the student’s release from the I.S.C.I. unless all parties agree to a time extension. The agreement will be made available to only those residents of the I.S.C.I. who have graduated from high school or who have successfully passed the G.E.D. examinations.

Once admitted to the Program, the student is responsible to see that his program moves forward to completion. Program advising will be available at the time of registration each semester, but it is the responsibility of the student to seek out advice when needed.
