### Looking for Housing?

Hi, I'm 22 years old, Korean girl. I'm studying Mass Communication as an exchange student. I'm looking for a roommate who can live in school apartment with me. It's 'Park 3-bedroom'. You can check the pics of that apartment in BSU housing homepage. And the payment is going to be really cheap, if we split the amount into 3. I love to make new friends and learn of other cultures. If you have any questions, don't hesitate, text, call or email me. phone: 208-515-9466 /email : dasomchoi@u.boisestate.edu

A single bedroom apt is available immediately for rent. It is on Denver and University Drive. (Very very close to BSU). Need someone to take over the lease. (My lease ends in August. You can renew the lease on your interest). Deposit is \$295 and Rent is \$425. The address is 1008 S Denver Ave, Apt #17, Boise Id-83706

If anyone is interested, please send me an email to naziasarang@u.boisestate.edu

## LITE Blue is coming to Boise State University!

Additional information:

Foothills School of Arts and Sciences is a small, nonprofit, independent school with 150 students, preschool through 9th grade. The school is just across the river from Boise State University. Several of our classes will be learning about international and cultural issues in the coming school year and we would welcome any BSU International Students who are interested to lending their time and talents.

1. Our 4th and 5th graders will be studying about conflict, investigating why people fight and what happens when people are displaced from their homelands because of violent conflict. Our school has a Sister School in the Democratic Republic of the Congo so we are always especially interested in information about that area, but this unit is dealing with conflict in all parts of the world.
2. Our middle school students (6th, 7th & 8th grades) will also be studying war, starting with the World Wars and then looking at current conflicts around the globe. Any BSU International students who would be willing to do presentations about their personal experiences with the effects of conflict, or take part in a panel discussion about refugee experiences would be extremely informative.
3. Our Espanol teacher, Emily Williams, is always looking for native Spanish speakers who would like to read books to kids or come have a "Spanish-only" lunch club with our students.
4. Our middle school students may be traveling to Costa Rica in the spring so any BSU student with experience in Costa Rica, who would be willing to meet with the students in preparation for their trip, would be very helpful.

International students have such a wealth of knowledge and experiences to share. If any students would like to volunteer their time in these areas, please contact Jess McGinnis, Community Coordinator, 208-991-7198, email: [jmcginnis@foothillsschool.org](mailto:jmcginnis@foothillsschool.org), or for the Spanish classes, contact Emily Williams: [ewilliams@foothillsschool.org](mailto:ewilliams@foothillsschool.org)
