Boise State University
Fiftieth Anniversary
1932—1982

A Destiny of Service and Excellence

Fifty years ago, on September 6, 1932, to be exact, a small college opened its doors in Boise City. Through the diligent efforts of Bishop Middleton S. Barnwell of the Episcopal Church and, the persistence of countless and nameless others, the opportunity for young people to continue their education beyond high school became a reality. That Boise was in need of a higher education facility was noted several times by educators and study teams in the period of 1913 to 1930. The real amazement, however, is that when it finally happened, the birth of Boise State University came about in the midst of the great depression—three short years after the collapse of the stock market. And while public support has nourished and sustained the University through most of its fifty years, it can never be forgotten that the roots are in the Episcopal Church, an outgrowth of St. Margaret’s girls school.

Boise Junior College - first as a private institution and then a public one - developed to become Boise College, then Boise State College and now Boise State University. Distinguished alumni, Rhodes Scholars, significant honors and an outstanding and dedicated faculty have enhanced the school over the years. The “can do” spirit of her origins remains and Boise State University continues to provide educational programs to a great number of people who otherwise would not have such opportunities.

Some people have been provided with opportunities but a significant number of other people also created those opportunities. The Episcopal Church, the early supporters, the faculty and staff, the Board members, the Chamber of Commerce and all the citizens of the city of Boise and the state of Idaho have made their contributions to “fifty years of service and excellence” at Boise State University. No great benefactor or rich oil or coal fields has placed such a fine school on the banks of the Boise River. Zeal, determination, pride, perseverance and perspiration have been the building blocks of Boise State. These traits have led to a BSU spirit that will not quit whatever the odds may be.

We are all the beneficiaries of this rich heritage and legacy. Yet we too have our continuing contributions to make so that when the 100th anniversary occurs in 2032, there is as much unselfishness to report for the next fifty years as there has been for the last fifty.

HAPPY ANNIVERSARY, BSU!

CALENDAR 1982-83

SUMMER SESSION 1982

June 4, Friday ........................................ Registration in Gymnasium, 3:00 p.m.-7:00 p.m.
Foreign Language Placement Examination, LA-206, 1:00 p.m.
(Students can register for all summer sessions at this time).

June 7, Monday ........................................ Classes begin for 8-week, 10-week, and first 5-week sessions.

June 18, Friday ........................................ Last day to file with department for admission to candidacy for Masters Degree - Departmental office.
Last day to file application for graduation for Masters, Baccalaureate, and Two-year or less degrees, diplomas, and certificates - Registrar's Office.

June 21, Monday ........................................ Last day for request for Written Comprehensive Examination - Elementary Candidates.

July 5, Monday ........................................ Holiday.
July 9, Friday ........................................ First 5-week session ends.
July 12, Monday ........................................ Classes begin for second 5-week session.
(July 12 & 13) Written Comprehensive Examination for Option II - Elementary Candidates.

July 30, Friday ........................................ End of 8-week session.
"Last day to submit final signed copy of Master's Project/Thesis and/or to submit Report of Culminating Activity form."

August 13, Friday ........................................ End of 10-week session and second 5-week session.

FALL SEMESTER 1982

June 17-19, Thursday through Saturday ..................... New Student Early Registration - Student Union. To be eligible to participate, a student must submit an application and be accepted by BSU no later than June 6, 1982.

July 18, Friday ........................................ Bills will be mailed to students pre-registered for Fall Semester.

August 6, Friday ........................................ Last day for pre-registered students to complete financial arrangements and pay fees for Fall Semester.

August 18, Wednesday .................................... Last day to submit application for Fall Semester to be assured of prepared registration materials at the Priority Registration (August 27). Students submitting applications after this date will be able to register at Open Registration.

August 23, Monday ....................................... Faculty responsibilities begin with meetings and course preparation activities.

August 25, Wednesday ..................................... Student advising for continuing students (afternoon).

August 26, Thursday ..................................... Student Orientation Program - Student Union.
Student advising (all day).
Drop/add for pre-registered students, 1:00 p.m.-4:00 p.m. - Gymnasium.
Foreign Language Placement Examination, 2:00 p.m. - LA-206.

August 27, Friday ........................................ Priority and Open Registration in Gymnasium (see class schedule for registration times).

August 30, Monday ........................................ Classes begin. Open Registration and drop/add, 9:00 a.m.-4:00 p.m. (Monday-Friday) and 6:30-8:00 p.m. (Monday-Thursday) Administration Building.

September 3, Friday ..................................... Last day to register except by petition.
Last day to make class changes except with consent of instructor (4:00 p.m. close).
A fifty dollar ($50) late registration fee applies to all registrations after this date.

September 6, Monday ................................... Boise State opened for classes September 6, 1932).

September 7, Tuesday .................................... Registration by petition only,
fifty dollar ($50) late registration fee applies to all late registrations.

September 17, Friday ................................... Last day to drop/add classes in first 8-week block courses.

September 20, Monday ................................... Last day to request for Written Comprehensive Examination - Elementary Candidates.

October 1, Friday ......................................... Last day to file with department for admission to candidacy for Masters Degree - Departmental office.
Last day to file application for graduation for Masters, Baccalaureate and two-year or less degrees, diplomas, and certificates - Registrar's Office.

October 8, Friday ......................................... Last day to withdraw, make class changes or register by petition.

October 11-12, Monday ................................... Written Comprehensive Examination for Option II - Elementary Candidates.

October 15, Friday ........................................ Mid-semester grades submitted. Notification of incompletes from previous semester. Last day to file application with department for final Masters written exam.

October 18, Monday ........................................ Second 8-week block begins.

November 5, Friday ...................................... Last day to drop/add second 8-week block courses.

November 8-12 Monday-Friday (1 week) ..................... Advising period for continuing students (enrolled Fall 1982).
Pre-registration period for students who have been advised.
Pre-registration materials available in Administration Building,
8:00 a.m.-7:00 p.m. (Monday-Thursday) and 8:00 a.m.-5:00 p.m. (Friday).
CALENDAR

November 10, Wednesday  Advising and pre-registration for new and returning students (not enrolled Fall 1982)  1:00 p.m.-7:00 p.m., Student Union.  To be eligible to participate a student must submit an application and be accepted by no later than November 1, 1982.

November 13, Saturday  Final written exam for Masters Degree.

November 24, Wednesday  Last day for final oral and project/thesis defense.

November 25-28, Thursday  Thanksgiving (Holiday).

November 29, Monday  Classes resume.

December 10, Friday  Last day to submit final signed copy of Masters project/thesis and/or to submit Report of Culminating Activity form.

December 13, Monday  Classroom instruction ends.

December 14, Tuesday  Remaining class schedules and bills for pre-registered students will be mailed.

December 16-18, Wednesday  Final Semester Examinations.

December 18, Saturday  Residence halls close (Noon).

December 20, Monday  Grade reports due to Registrar (Noon).

SPRING SEMESTER 1983

January 3, Monday  Last day for pre-registered students to complete financial arrangements and pay fees for Spring Semester.

January 3, Monday  Last day to submit application for Spring Semester to be assured of prepared registration materials at the Priority Registration (January 12). Students submitting applications after this date will be able to register at Open Registration.

January 10, Monday  Residence halls open (Noon). Faculty responsibilities begin with meetings and course preparation activities. Student advising for continuing students (afternoon).

January 11, Tuesday  Student Orientation Program, Student advising.

January 12, Tuesday Priority and Open Registration in Gymnasium.  (See class schedule for registration times).

January 13, Thursday  Open Registration and drop/add, 9:00 a.m.-4:00 p.m. (Monday-Friday); 6:30-8:00 p.m., (Monday-Thursday) - Administration Building.

January 21, Friday  Last day to register except by petition. Last day to make class changes except with consent of instructor (4:00 p.m. close). A fifty dollar ($50) late registration fee applies to all registration after this date.

January 24, Monday  Last day for request for Written Comprehensive Examination - Elementary Candidates.

February 4, Friday  Last day to withdraw, make class changes or register by petition.

February 14 & 15, Monday  Written Comprehensive Examination for Option II - Elementary Candidates

February 21, Monday  Washington’s Birthday (Holiday).

February 25, Friday  Last day to withdraw, make class changes or register by petition.

March 11, Friday  Mid-semester grades submitted. Notification of incompletes from previous semester.

March 14, Monday  Last day to file application with department for final Masters written exam.

March 21-27, Monday  Second 8-week block begins.

March 28, Monday  Spring vacation.

April 1, Friday  Last day to drop/add second 8-week block courses.

April 2, Saturday  Final written exam for Masters Degree.

April 8-9, Monday  Advising period for continuing (enrolled Spring 1983) students.

April 15, Friday  Final written exam for Masters Degree.

April 29, Friday  Last day to submit final signed copy of Masters project/thesis with department.

May 6, Friday  Last day to submit final signed copy of Master’s Project/Thesis and/or to submit Report of Culminating Activity form.

May 9, Monday  Classroom instruction ends.

May 10-14, Monday  Final Semester Examinations.

May 15, Sunday  Commencement.

May 16, Monday  Grade reports due to Registrar (Noon).
SUMMER SESSION 1983

June 6, Monday ........................................ Classes begin for 8-week, 10-week, and first 5-week sessions.
June 14, Tuesday ......................................... Last day for request for Written Comprehensive Examination - Elementary Candidates.
June 17, Friday ............................................ Last day to file with the department for admission to candidacy for Masters Degree-Departmental office. Last day to file application for graduation for Masters, Baccalaureate, and Two-year or less degrees, diplomas, and certificates-Registrar's Office.
July 4, Monday ........................................... Holiday
July 5 & 6, Tuesday ....................................... Written Comprehensive Examination for Option II Elementary Candidates.
& Wednesday
July 8, Friday ............................................. First 5-week session ends.
July 11, Monday .......................................... Classes begin for second 5-week session.
July 29, Friday ............................................. End of 8-week session. Last day to submit signed copy of Master's Project/Thesis and/or to submit Report of Culininating Activity Form.
August 12, Friday ........................................ End of 10-week session and second 5-week session.

Downtown Boise is very close to the Boise State University campus.
From the bridge, into the world of learning.
General Information

Boise State University, located in the state capital, is Idaho's third and youngest university. From its beginnings under the sponsorship of the Episcopal Church in 1932, the institution has progressed from an independent non-profit academy through local and district to state control (in 1969). Recent years have seen significant growth of BSU's facilities, programs, and service to Idaho, particularly to area communities. Boise State now serves more than 12,500 students from a wide diversity of backgrounds, with the majority coming from the Treasure Valley area.

Boise State is organized into six schools: the School of Arts and Sciences, the School of Business, the School of Education, the School of Health Sciences, the Vocational-Technical Education School, and the Graduate School. Undergraduate degrees are offered in many fields, and graduate degrees are offered in elementary and secondary education, business administration, public administration and accounting.

The university has an extensive late afternoon, evening and weekend program which provides educational opportunity for full-time students who need to schedule classes at that time and for part-time students who are pursuing a degree while they are employed. The university provides many opportunities for professional and technical upgrading and retraining to the citizens of the Treasure Valley.
GENERAL INFORMATION

INSTITUTIONAL MISSION AND OBJECTIVES

Boise State is in every sense a community university taking its character from the dynamic center of business and government in which it is located. Students and faculty live, work, and recreate with the society at large, and the resources of the University are widely shared with those who live in the region. The community supports the University by offering its professional, government, and trade facilities as laboratories of learning, provides financial assistance, and cosponsors cultural and intellectual activities in the interest of academic excellence. Each of the Schools uses an advisory council comprised of local leaders in business, the professions, and government, while the University Community Arts Association, the University Community Health Science Association, the Alumni Association and the University Foundation provide additional aid, advice, and opportunities. This interaction markedly improves the quality of the educational experience for the student.

Boise State University exists to educate the individual, to ensure his development, and to enlarge his opportunity. The University creates the intellectual atmosphere to produce educated persons who are literate, knowledgeable of public affairs, motivated to become life-long learners, and capable of solving problems through the discipline in which they majored. Each student receives broad education to equip him for mobility in employment, social relevance, and informed, active citizenship. In addition to classroom instruction, laboratory experience, and involvement at the workplace, the University provides a variety of informal learning opportunities for students. These include cooperative education/internships, self-government, participation in University committees, distinguished speakers’ programs and a variety of cultural, and civic events. Counseling, guidance, placement, testing, and health services are also available. Boise State University takes pride in providing a personalized and humanistic environment for students.

The University attracts and retains innovative faculty dedicated to excellence in teaching, creative in producing new knowledge, and generous in bringing their expertise to bear on society’s problems. They recognize that quality teaching is their primary role. Faculty are supported with conditions of employment conducive to open inquiry, efficient work, and strong library services which are so vital to quality of instruction and self-learning.

ACCREDITATION AND AFFILIATION

The University is a member of and fully accredited by the Northwest Association of Schools and Colleges. Permanent membership is also held in the College Entrance Examination Board and the College Scholarship Service Assembly.

A number of academic programs have additional accreditation or approval from the following organizations: American Assembly of Collegiate Schools of Business (AACSB); School of Business programs; the National Council for Accreditation of Teacher Education (NCATE); the National Association of State Directors of Teacher Education and Certification; School of Education programs; the Council on Social Work Education (CSWE); the National Association of Schools of Music (NASM); the National League for Nursing, the Idaho State Board of Nursing; the Committee on Allied Health Education and Accreditation (CAHEA) of the American Medical Association (AMA) in collaboration with the Joint Review Committees on Education in Radiologic Technology and Respiratory Therapy, and the American Medical Records Association; the Council of Dental Education and the American Dental Assistant Association.

UNIVERSITY LIBRARY

The University Library contains 265,000 volumes chosen by librarians and teaching faculty to support the curriculum and research needs of the University. The Library receives about 2000 current periodicals and more than 40 newspapers. The collections fill the shelves of the four floors of the Library Learning Center, which is located in the center of the campus and faces the Memorial Fountain and Mall. The building provides an attractive setting for reading, study and research. The Library provides study space for students, individual carrels scattered throughout the book stack areas and in small study rooms. The building includes a number of features to facilitate use by handicapped students, and the staff will provide special help as appropriate.

Access to the Library’s collections is through the card catalog and the new COM (Computer-output Microform) catalog. As of July 1st, 1981 the Library discontinued filing cards for new book acquisitions into the card catalog; thus recently acquired books may be located only through the COM Catalog. Efforts are underway to transfer most of the card catalog entries to the COM Catalog; however, until record conversion is completed, one must search both the microfiche and card catalogs for a complete check of holdings.

Students are able to check out books and periodicals from the general collection at the main Circulation desk. Librarians and their assistants are available in the Periodicals area and at the main Circulation desk to help students locate periodicals and use microforms and microform readers.

Basic and advanced bibliographic service and assistance in use of both the Library and its resources are provided by the Reference Department. The inter-library Loan section of Reference assists faculty and students in obtaining resources not available locally.

The Curriculum Resource Center features collections of print and nonprint materials for elementary and secondary education, phonograph records, juvenile and young adults, and college level non-print materials. Microcomputers are available in the CRC and may be used for instruction and for the exploration and evaluation of educational software. Teachers in Southwestern Idaho as well as University students and faculty have access to Curriculum materials. Stereo carrels provide listening facilities for phonograph records and tapes.

The Maps and Special Collections Department contains the Library’s collection of 90,000 maps, University Archives (official publications, photographs, and historical records of the University), and manuscript collections (primarily unpublished correspondence, business papers, diaries, scrapbooks, and literary endeavors of people in the community).

The Documents Department contains over 125,000 publications of federal, state, and local governments on a broad range of subjects. Congressional Information Service, Human Relations Area Files, Congressional Research Service, and Rand Corporation Research Reports are other services and collections in the Documents Department which have special current information.

Educational Media Services, located on the second floor of the Library Learning Center, offers a variety of audio-visual resource and services to the campus. Included are the use of a line collection of 16mm educational sound films and educational video tapes; the use of all types of audio-visual equipment, special graphic arts, photography and television production services as required by individual teachers; and consultation on the design and utilization of instructional materials. These services are designed to meet the needs and requirements of the University’s instructional programs.
The University Library shares the Library Learning Center Building with Educational Television studios, Continuing Education and two academic departments.

OUTREACH SERVICES AND PROGRAMS

The University expresses its concern for individual improvement, equal opportunity, economic efficiency, and civic responsibility by offering continuing education for adults, and community service programs.

The following programs and services are available at Boise State University to individuals, groups, firms, schools, and agencies:

SPECIAL SERVICES AND PROGRAMS

Conference, Workshop, Seminar, Institute Planning Assistance — The University offers help to groups and agencies in planning educational programs or in upgrading personnel in new techniques, knowledge, and skills.

Faculty and Staff Consultation Service — The faculty and staff of Boise State University stand ready to assist business, industry, educational institutions, governmental agencies, professional groups, and other community organizations in solving their education and training problems or in their research and development efforts.

Use of Facilities — Boise State University will make available meeting rooms and classroom facilities to the various community groups and agencies.

Reading Education Center — Individualized reading improvement programs will be arranged for students with specialized reading problems. This service is available during the Fall, Spring, and Summer terms.

Educational Media Services — A large collection of educational media materials is housed in the library. These teaching aids are available for the university faculty, the school teachers of the state, and the students in teacher education. Community organizations may use these media when available. Projectors, TV, and other audio-visual equipment are available for group use on the campus.

Data Processing Center — The Center for Data Processing, on the first floor of the Business Building, is a university-wide unit. Its primary mission is to provide computing and data processing service in support of the educational and administrative objectives of the university, and to encourage the use of data processing procedures throughout the university.

The Center for Data Processing is a service agency. All students, faculty, and staff are encouraged to make full use of the facilities. Appropriate charges are made to faculty and staff for funded projects. Rates are available from the Center for proposal preparation.

Tours of facilities, equipment demonstrations, and inservice lectures about data processing are available upon request.

The Visiting Scientist Program — The School of Arts and Sciences has a number of faculty members who are willing to speak to high school science and mathematics classes. Each participant has prepared presentations of approximately 30 minutes on topics that would be appropriate for interested high school students. The Visiting Scientist Program is available without cost to the school. Presentations may be scheduled for single classes or collective classes. Speakers can be scheduled for one day only, but when necessary the presentation may be given as many as three times during that day. Three weeks' advance notice is necessary for proper scheduling.

Speaker's Bureau — As a service to the region and state, Boise State has organized a faculty and staff Speaker's Bureau, whose members have volunteered to present lectures and/or talks before community groups and organizations. A booklet listing speakers is available at the News Bureau, Phone 385-1577.

Public Affairs and Cultural Enrichment — Boise State University offers great variety in its program of public affairs and cultural enrichment with many events presented at no charge. Many of these offerings can be presented in your Idaho community. Some of the events that provide opportunities of participation and observation include:

- University Band
- Theatre Productions
- Opera Workshop
- Choirs
- Traveling Art Exhibits
- Concerts and Recitals
- Faculty Lecture Series
- Forums of Particular Arts
- Demonstrations in various fields of study
- Programs of outstanding artists and lecturers

Public Television is provided to residents of Treasure Valley from Boise State University licensee of station KAID-TV a non-commercial, public broadcasting station. The station produces and airs in color instructional TV programs for public education, higher education, and the community. Programs offer courses via TV for Boise State University as well as supplemental materials for several departments and individual course offerings. An affiliate of the Public Broadcast Service, the station also produces and airs public television programs of wide cultural and public interest to the citizens of Idaho.

INSTRUCTIONAL PROGRAM AND SPECIAL COURSES

Evening Program — The University offers academic, avocational, and vocational courses on campus for the many individuals in the community who seek to achieve their own personal educational objectives.

Weekend Program — This program is designed to make university offerings accessible to those people who are unable to attend day or evening classes.

Educational Talent Search — A satellite office of the federally-funded Talent Search program has been established in the Dean of Student Advisory Services Department (Room 111, Administration Building). The program encourages and aids low income youth between the ages of fourteen and twenty-seven in gaining entrance to post-secondary training or education of their choice. The recruiter/counselor will give information and some assistance in completing the necessary admissions/application forms and in securing financial assistance.

Evening Vocational-Technical Education Program — This program is designed to offer courses in a wide variety of occupational fields to upgrade those individuals currently engaged in the skill, craft, trade, or technology in which the courses are offered.

Adult Basic Education Program — Basic literacy training for adults in the community is offered in the Vocational-Technical School for those who desire to upgrade themselves to qualify for occupational entry and/or pursue high school instruction. Preparation for United States Citizenship, beginning reading for adults, and English as a second language are offered through the Adult Basic Education Program.

General Educational Development (G.E.D.) Training — As a part of the Adult Basic Education Program, the University offers instruction and prepares adults who wish to take the General Educational Development Test to qualify for the Idaho high school equivalency certificate.

Guided Studies Program — Boise State University has begun a program of guided studies that encompasses high school subjects for adults. Currently the courses include Algebra, Plane Geometry, General Mathematics, English I, II, and III, American Government, Social Studies, and Natural Science. These courses are taught on either a semester or short course basis, depending on the needs of the adult student. Other courses are available to the students on demand. These courses meet the State of Idaho and Veterans Administration approval requirements (Chapter 34, Title 38, U.S. Code—VAR 14253A2).

Special Interest Group Courses and Program — Offerings that have proved to be valuable in the past to various special interest groups, such as the engineers' workshop preparing participants for the state licensing examinations, are offered as a regular, periodic feature of the University's Instructional program.
GENERAL INFORMATION

CONTINUING EDUCATION

The Continuing Education Program at Boise State University strives to meet the educational needs of citizens of the ten southwestern Idaho counties, from New Meadows on the north, Glenns Ferry on the west, the Nevada border on the south, and the Oregon border on the west.

Persons interested in taking an undergraduate or graduate course in their community should contact the Office of Continuing Education. The requirements are that the course meet University requirements, that there be sufficient enrollment, and that a qualified instructor be available.

Courses are available or can be designed to meet the needs of school districts, organizations, and business concerns.

Mountain Home Air Force Base Program — The University now offers a Bachelors Degree in Business Administration as well as undergraduate and graduate, credit and non-credit programs in most academic areas to residents of the Mountain Home area. This resident credit program is available to military personnel, their dependents and members of the surrounding communities.

Valley Program — The University offers a program of regularly scheduled credit and non-credit courses in Caldwell, Emmett, Meridian, Nampa, and Payette. A summer program is also offered in McCall. Courses are offered in other communities on request.

Correspondence Study in Idaho is coordinated and administered by the Correspondence Study Office located on the University of Idaho campus. Courses are developed and graded by approved faculties of the University of Idaho, Boise State University, Lewis-Clark State College, and Idaho State University. Contact the Office of Continuing Education on the BSU campus for further information.

SUMMER SESSION PROGRAM

A full complement of programs, courses, and services is offered in the summer. Graduate, undergraduate, and non-credit programs and courses are presented in several time block sessions on campus. There are two five-week sessions, an eight-week session, and a ten-week session. For more information, contact the Office of Continuing Education/Summer Sessions/Evening Programs.

HONORS PROGRAM

The Honors Program encompasses general education. The program provides a broad and comprehensive liberal arts background complementing the specialized education and training one obtains through the major departments. This includes topics in the sciences, humanities, and social sciences as generally indicated by the standard degree requirements.

The Honors Program student needs to consider the catalog requirements as minimal guidelines which can, and should be, amended when a stronger alternative is suggested.

While the Program aims at enrichment more than acceleration, through Advanced Placement, Summer Reading and extra courses, the Honors student may graduate in less than the usual four years.

Eligibility

Qualified students from all departments may participate in the program. Freshmen who have demonstrated unusual scholastic ability in high school are encouraged to participate. Each year approximately the upper five percent of the entering freshmen are eligible for the Honors Program. Such students are selected on the basis of high school grade point average, ACT scores, and recommendations of their counselors or teachers.

Students who are not admitted to the Honors Program upon initial enrollment at Boise State may apply at any time after the completion of the first semester. An Honors student may drop out of the program at any time within the existing university rules, and the Honors courses he/she has taken will be applied toward the General University Requirements for Graduation.

Honors Courses

Each Honors student takes special Honors courses, some of which are expected of all those enrolled in the program. These courses are taken in lieu of, rather than in addition to, the standard requirements. The student always pursues work in his/her own major department that will prepare him/her for a professional career. The Honors Program works cooperatively with the major department to provide the opportunity and stimulus for the student to realize his/her potential.

The following is a list of Honors Program courses presently available:

- English
- American History
- Western Civilization
- Mathematics
- Economics
- Geology
- Honors Colloquium
- Honors Seminar
- Independent Study
- Summer Reading

Requirements

To graduate with Honors Program recognition, Honors students will take two courses in English Composition plus 18 hours of joint listed departmental Honors courses including one Honors course from each area, i.e., Area I, Area II, Area III, in addition to any student-directed Honors seminars from these areas. To meet the English Composition requirements, the Honors students will take two courses from the following: E 111, E 112, E 102, E 201, or any other writing courses with permission of the Honors Director. Each Honors student will be required to take three-credit upper division interdisciplinary colloquium which carries the HP prefix. Each Honors student will complete a minimum of 30 semester hours of Honors credit.

Flexibility is an indispensable feature of the Honors Program. This is true of the Honors courses as well as of the individual Honors student's program. Accordingly, the precise description and content of a specific course may vary from semester to semester. Current descriptions of Honors courses and Seminars are available in the regularly updated Honors Program Newsletter. The Newsletter and further information can be obtained by writing:

INTERDISCIPLINARY STUDIES IN THE HUMANITIES

The Interdisciplinary Studies in the Humanities program has been created with the assistance of the National Endowment for the Humanities. The ISH is a coordinating unit in which faculty from varying disciplines and schools offer interdisciplinary team-taught courses. These courses focus on the humanistic element of the subject matter being offered. Presently, over 30 faculty members from 15 different disciplines (departments) in the Schools of Arts and Sciences, Public Affairs, Business, and Education participate.

At the center of the program is a "core" humanities course, Humanities: A View of the Nature of Man—an interdisciplinary course offered each year. Each semester additional "satellite" courses are offered with a special topics designation. These courses are chosen on the basis of their relationship to humanistic issues raised in the core class. These courses provide faculty the opportunity to develop innovative courses which cross traditional disciplinary boundaries. They offer the students the opportunity to further investigate humanistic issues from at least two perspectives. (See p. 27 for catalog description of the core class, Humanities: A View of the Nature of Man and the current class schedule for satellite classes.)

WESTERN INTERSTATE COMMISSION FOR HIGHER EDUCATION (WICHE)

WICHE Student Exchange Program — At the time this catalog went to press (March 62) consideration of continuation of the program for qualified Idaho residents who attend professional schools of physical therapy, occupational therapy, and optometry in cooperating western states was still under consideration in the Idaho legislature. For current information contact the Office of the Dean, School of Health Sciences, phone (208) 385-1787.
STUDIES ABROAD PROGRAMS

The Office of Studies Abroad, located in the Offices of the Department of Foreign Languages, has information about opportunities for work, study, and travel outside of the United States.

Boise State University is affiliated with the Northwest Institutional Council for Studies Abroad (NICSIA), a consortium of universities which since 1969 sponsors liberal arts programs in London, England; in Avignon, France; and in Cologne, Germany. Students may enroll in these programs at BSU retaining BSU course numbers.

The Office maintains files and forms essential in applying for graduate student grants for studying abroad.

The BSU Campus in Spain offers a full year of academic study in its overseas campus in Onate, Spain. This program, basically oriented towards the learning of Basque Language and Culture, also offers course work in Spanish language and literature. The year supplies a unique opportunity to live and study in a Non-English area, experiencing a culture different from our own. No language background is required. Groups leave in September each year. Vacation time for travel and study and tours to various parts of the Basque country enrich the experience.

NATIONAL STUDENT EXCHANGE PROGRAM

The National Student Exchange (NSE) Program is a consortium of over 60 state-supported colleges and universities that allow students to exchange for a limit of one academic year to a state supported institution in another area of the United States. The Exchange encourages participants to broaden their academic, social, and cultural awareness and provides Boise State students with options for educational travel and study at in-state tuition rates. Exchange students are assured that credits and grades received at the host institution are recorded at the home campus as part of their regular transcript.

To qualify, a participant must (1) be a full-time Boise State University student; (2) have sophomore or junior standing during the exchange; (3) have a minimum cumulative GPA of 2.50 at the time of application.

Additional information and application forms may be obtained from the National Student Exchange Coordinator in the Student Union Building.

RESERVE OFFICERS' TRAINING CORPS — ARMY

Since 1977 military training has been offered at Boise State University by the Department of Military Science. Participation by men and women students in the program of instruction leading to a commission as a second lieutenant is voluntary and comprises four years and one summer camp or two years and two summer camps. The Department of Military Science strives to develop in students who have the essential qualities and attributes a capacity for leadership and to provide them with the basic working knowledge required of a young officer.

Financial Allowances and Uniforms

Students who qualify and are selected receive scholarships for one, two, three, or four years that pay for tuition, fees, books and laboratory costs each year and also provide $100 a month retainer pay for ten months each year. During the final two years all students receive $100 subsistence pay a month for up to twenty months. Texts and equipment are provided. Travel to and from summer camp plus food, quarters, and basic pay are paid by the government.

For more detailed information on enrollment benefits, and obligations see page 23-25 of this catalog and contact the Department of Military Science located at 1603½ University Drive, Boise State University.

SERVICEMAN'S OPPORTUNITY COLLEGE

The necessary mobility of people in military service has always been an obstacle to the completion of an educational program. "The Serviceman's Opportunity College Program (SOC) represents a network of nearly 300 institutions of higher learning that recognizes the needs of servicemen and women and have indicated their intention to cooperate as to policies on admissions, transfers of credits and residency requirements. Their participation in an organized effort geared to opportunities for program completion represents a new commitment to education."

Boise State University endorses the Serviceman's Opportunity College with the following qualifications:

1. Entrance into this program by a serviceman will be through a signed agreement between the student and the University, specifying responsibilities of both the student and the University.

2. The agreement shall terminate six years from date of approval or six months after serviceman's separation from active duty, whichever comes first.

3. The agreement (and thus the SOC Program) will be made available to those servicemen only who have successfully completed (with a GPA of 2.25 or above) fifteen (15) or more hours of college credit through B.S.U.

4. Residency requirements other than the initial 15 hours prior to the signing of the contract will be waived.

5. Acceptance of any serviceman into the SOC Program is contingent upon the agreement of the given department under whose jurisdiction that program lies.

6. No school or department shall be compelled to offer a SOC Program — such programs are voluntary.

RELIGIOUS INTEREST COURSES

Since religious thought permeates nearly all disciplines of study, the University does not have a single department of religion. However, numerous departments within the University are examining the impact of religion as part of their academic quest for knowledge and understanding of the human condition.

Courses offered at Boise State University that emphasize the place and impact of religion in the study of civilization are listed below. The courses are open to all students on campus.

In addition, various departments offer special topic courses which emphasize the religious aspects of civilization. Students are advised to read carefully the class schedule each semester to check on the availability of such courses.

I. Systems of Thought
   PY 231 Philosophy of Religion
   PY 245 Metaphysics
   PY 247 Epistemology
   PY 249 Ancient Philosophy
   PY 251 Medieval Philosophy

II. History
   HY 324 Medieval Europe
   HY 310 The Reformation
   HY 331 Islamic Civilization
   HY 322 Early Christianity
   HY 327 Living Religions

III. Literature
   E 211 The Bible as Literature
   E 215 Far Eastern Literature
   E 217 Mythology

IV. Socio-Psychological Aspects of Religion
   SO 407 Sociology of Religion

V. Primary Sources
   GR 297 New Testament Greek
   L 297 Latin
STUDENT SERVICES

For questions related to Student Services, please direct inquiries to:

The Vice President for Student Affairs
Boise State University
1910 University Drive
Boise, ID 83725
(208) 385-1418

A variety of student services, programs, and activities are provided to help students achieve the maximum benefit from their university experience. These services are under the direction of the Vice President for Student Affairs (Room 112, Administration Building) and include new student orientation, admissions counseling, registration, career and financial assistance, special services, residential programs and facilities, health services, and Student Union activities.

New Student Orientation

The office of Admissions Counseling and Visitors Center, located at 2274 University Drive, coordinates campus activities for prospective students through campus visitations, correspondence, campus tours, and on-campus orientation programs prior to each registration. Other programs include summer early registration and advising, and a Fall Preview Day.

Student Rights and Responsibilities

Students enrolling in the university assume an obligation to conduct themselves in a manner compatible with the University’s function as an educational institution. The Student Bill of Rights; Code of Conduct, and policies pertaining to organizations, use of facilities, judicial boards, activities, and related matters are contained in the Boise State University Student Handbook. Each student, as a member of the university community, is responsible for being familiar with these policies and regulations.

Academic Advising

To assist students to plan a program of study, to define their educational and career goals, and to clarify values is one of the faculty’s primary concerns during registration and follow-up individual conferences. Faculty also help students become acquainted with the campus environment, influence their attitudes toward academic life, improve their personal study skills, and work towards their academic excellence. To ensure a successful educational experience, each student should establish early in his/her freshman year a close working relationship with his/her faculty advisor, a relationship that will facilitate the student’s chances of successfully staying in the university and completing his/her degree in the normal four-year period.

Tutorial Assistance

The Dean of Student Services office (Room 114, Administration Building) provides additional academic assistance through student-to-student tutoring that complements classroom instruction. Any currently enrolled full or part-time student is eligible to receive tutorial assistance without charge if he/she is having a problem keeping up in a class. Student tutors are generally second year or upper division students who have completed and earned at least a “B” grade in the course they tutor. They are normally recommended by the professor of the course and are certified by their academic department. They work closely with the professor of the course they tutor and are trained to work with individuals and/or small groups of students by liaison faculty members and professional staff from the Dean of Student Advisory and Services office.

Reading and Study Skills

For students who need special help in reading, improving their study skills, and in career planning, the University offers a Reading and Study Skills course (TE-108) each semester for two academic credits. The course is designed to assist students at their own pace in notetaking, speed-reading, textbook study methods, vocabulary development, and test taking along with a one credit option on career planning. The course teaches a student survival in the college classroom and in many cases is the difference between success and struggle in the university environment.

Counseling and Testing Center

Students with personal, vocational, or educational concerns or problems may receive professional assistance in the Counseling Center (6th floor, Education Building) without charge if they are enrolled in six credit hours or more. In counseling, a student may discuss openly in strictest confidence and explore freely any problems or feelings that concern him/her. No information is ever released without the written permission of the student, and no report is ever made in any official university record. Both individual and group counseling are available to aid students to become more self-reliant and effective in their personal and social relationships.

The Center is also a designated testing agency for many evaluation programs, including the College Level Examination Program (CLEP), the American College Testing (ACT), and the Miller Analogies Test (MAT). A number of standardized tests of interest, general ability, and special aptitude are available and are more useful in stimulating self-analysis than in providing answers to problems.

Disabled Student Program

The University has made special efforts for over ten years to provide facilities, services, and program accessibility to physically disabled or handicapped students and staff. All but one of the main floors in each campus building can be entered via ground-level approaches or ramps, and the upper floors of most academic or vocational technical classroom buildings are accessible by elevator. The campus itself is flat and has an abundance of curb cuts and ramps.

The Dean of Student Services office (Room 114, Administration Building) authorizes handicapped parking decals for eligible students and provides information and orientation to the university, class scheduling and registration assistance, interpreter and notetaker services as well as tutorial assistance and liaison with the Boise area office of the Idaho Vocational Rehabilitation Service. The office has limited equipment available for use by disabled students such as a TTY (208) 385-1454, portable wheelchair, tape recorder, crutches, and electric typewriters for testing. The Library has a talking calculator, Visualtek, Braille typewriter, and a dictionary and encyclopedia in Braille. There is also a close working relationship with the area office of Vocational Rehabilitation when individuals need other assistive devices.

Multicultural Center

The Multicultural Center (2256 University Drive) offers various academic, cultural, social, and recreational activities and events to all students. The Center was established to promote interaction, awareness, and cooperation between students, faculty, and people from the local community of all ethnic and cultural backgrounds. A Multicultural Center Board of students, faculty, and administrators coordinates the programs of the center.

Child Care Service

The University Child Care Service (2256 University Drive) provides day care for children aged 2½ through kindergarten age (5-6). This is an educational development program financed as a self-supporting project through parent-paid fees, donations, and USDA assistance. Children of full-time students, part-time students, faculty and staff members are eligible. Half-day or drop-in service will be provided on a space available basis.

Veterans Services

The Office of Veterans Affairs (Room 114, Administration Building) provides liaison and advocacy services for eligible veterans, veterans' dependents, and their widows with the Veterans Administration Regional Office and various state agencies. Peer counselors in the office work with fellow veterans to assist with any problems associated with benefits or federal
forms, standards for satisfactory progress and attendance. Tutorial assistance for veterans, work-study positions, and admission counseling are also available.

Student Health Service

The Student Health Service facility is located at 2103 University Drive directly across from the campus grade school. Clinic hours range from 9:00 a.m. to 4:00 p.m., Monday through Friday each day class is in session. Outpatient medical care is rendered to full-time registered students within the capability of the facility at no additional cost after the general registration fee is paid. Minimal fees are charged for tests and procedures not within the capability of the Student Health Service. Patient referrals are made as necessary. The Student Health Service is equipped to care for over 90% of the student health care needs.

Medical Expense Insurance

All full-time students are automatically included in the health insurance program when they pay the full-time registration fee. Benefits become effective when fees are paid for the fall semester and continue until the first day of the spring semester. Spring semester benefits continue until August 30 of that year, and protection is effective during all vacation periods. Each full-time student is covered 24 hours a day during the policy period at home, school, or while traveling.

Students who are covered by a family or other plan may obtain a refund through application to the insurance agent for Boise State University. The university carries liability insurance coverage on-campus and official functions including student activities.

Career Planning and Placement

The Career and Financial Services office (Room 123, Administration Building) offers career information, advising, planning, and placement opportunities to all students and alumni. Some of the equal opportunity services provided include:

1. Assistance in identifying and making a career choice;
2. A college resource library of information, recruiting literature, the College Placement Annual, and other career references (Room 124, Administration Building);
3. A placement credential file where students may assemble a permanent file of vocationally significant data at a time when professors and administrators easily remember them. Copies are then sent to prospective employers upon request of the student. Credential files should be established early in the year of graduation;
4. On-campus interviews with representatives from business and industry, government agencies, school districts, and graduate schools for graduating students and alumni. Many other employment notices are listed through this office, and numerous directories of possible employers are available.

Student Union Building

For students, one of the most important buildings on campus is the Student Union. It is the focal point of student life and activities on campus. It serves as the campus community center for a wide range of services and programs to meet the social, recreational, and cultural needs of BSU students, faculty, staff, and guests. The building includes an information center, a recreational area with amusement games, bowling, alleys, billiards, and outdoor recreation equipment; lounges, meeting rooms, a style shop, the campus bookstore, a ballroom, several eating facilities, the main dining room, student government offices, student newspaper offices, and the alumni office. A Board of Governors of students and staff decides the policies regarding building usage and general programs.

Student Government

The Associated Students of Boise State University (ASBSU) strives to represent the interests of all full-time BSU Students and to encourage active student participation in university life. The ASBSU sponsors and promotes a well-rounded program of education, cultural, social, and recreational activities.

The Executive branch of the ASBSU includes the president, who acts as the voice and representative of the students at university functions; the vice-president who is the chief officer of the senate; and the treasurer who administers the budget.

The Senate, as the legislative branch, consists of 10 senators elected in campus-wide balloting. This body develops and coordinates activities, passes legislation for the general welfare of all students, and grants recognition and funding to student groups.

The Judiciary determines the constitutionality of questions brought before it by individuals and organizations.

Advisory and governing boards serve as vehicles for student input on vital policy and administrative decisions that affect the ASBSU and the university.

Student Organizations and Activities

There are over 90 ASBSU recognized student organizations on campus representing a variety of interests and concerns. These organizations include special interest groups which vary from chess and ethnic interests to Judo and women's studies, professional honoraries representing every major field from social work to business, service and campus honoraries, religious organizations, fraternities and sororities, as well as ASBSU sponsored services such as The University News, the official student newspaper; KBSU-FM, a non-profit student owned and operated radio station; Student Programs Board which presents films, fine arts performances, lectures, and concerts, and the National Student Exchange.

International Students

The Associate Dean of Admissions (Visitor's Center) is the international student advisor and is responsible for immigration requirements concerning the visa status, and initial academic advising, orientation, and registration of all non-U.S. citizens on the campus. All new international students must report to the Associate Dean of Admissions as soon after arrival as possible. This office provides assistance and a central contact and information source to over 100 registered foreign students. The International Student Organization provides opportunities for American and Foreign Students to meet, exchange views, and become better acquainted.

Athletics

The intercollegiate athletic program at Boise State University provides the opportunity for qualified students to engage in an outstanding program of competition with other universities and colleges of the National Collegiate Athletic Association (NCAA), Division IAA, Big Sky Athletic Conference for men and the Association of Intercollegiate Athletics for Women (AIAW) and Northwest College Women's Sports Association (NCWSA) for women.

It is the philosophy of the Athletic Department to offer student athletes the best possible coaching, equipment, facilities, and competition available to allow them to reach their full potential. The university fields men's teams in football, basketball, track, wrestling, tennis, cross-country, and golf while the women's intercollegiate sports include basketball, gymnastics, track, field hockey, tennis, cross-country, and volleyball.

Intramurals

The Intramural Sports Program offers an extensive selection of sports and recreational activities to suit the interests and abilities of every student, faculty and staff member. Physical Education facilities are also available for recreational use by students, faculty and staff when classes, varsity, and intramural activities are not scheduled.

Intramurals provide an opportunity for competition in all types of sports for men, women, and coed groups including powderpuff football, softball, track, tennis, basketball, cross-country, volleyball, soccer, bowling, and swimming. For individual or informal group recreation the swimming pool, weight room, two gymnasiums, playing fields, handball courts, and bowling alleys are available at posted times.
The Boise State University Alumni Association was incorporated as a voluntary organization in 1967. Its membership includes all individuals who have completed two semesters or more at the University. Members in good standing have paid annual dues of $15.00 per year and are entitled to receive the following benefits: alumni news publications; placement services; use of the Student Union, Library, and swimming pool; discounted alumni tours; group insurance program; invitations to all social functions and activities and other services.

The Association seeks to promote interest in and support of the University, maintain contact with graduates and former students, and provide benefits to students and alumni. Some of these services include: scholarships for outstanding and deserving students; theatre programs; grants of money for special student-faculty projects; and participation in several campus gatherings during the year such as Homecoming; annual Spring Dinner/Dance; Academic Awards Banquet; Golf Tournament; Regional meetings, and the Annual Pre-Game Reception at the Union Pacific Depot Gardens for all alumni and friends of the University.

Any corner of the campus delights the eye with lawn and trees.
ADMISSIONS INFORMATION

UNDERGRADUATE ADMISSION REQUIREMENTS

For questions related to Admissions Requirements, please direct inquiries to:

The Office of Admissions
Boise State University
1910 University Drive
Boise, ID 83725
(208) 385-1156

ADMISSION AS REGULAR UNDERGRADUATE STUDENTS

Admission to the University is based upon credentials showing graduation from an accredited high school. High School Equivalency Certificates or acceptable General Education Development (GED) scores (35 or above on all five tests with an average of 45 or above for all tests) will be accepted in lieu of a high school transcript.

Applicants for admission whose credentials have been accepted will be given permission to register for the following semester. Students should plan to have all credentials submitted one month prior to registration to settle any questions that may arise and to receive by mail before registration a Certificate of Admission.

Matriculation is the processing of all required items necessary for regular enrollment as a full-time student at Boise State University.

New Freshmen (no credits earned since graduation from high school).

Students wishing to enter as full-time (8 or more semester hours) fully matriculated academic students must be at least 16 years of age and submit the following prior to the deadline date:

1. A completed application
2. A $10 matriculation fee (the matriculation fee may be waived by the Admissions Office in documented cases of financial need and/or scholastic excellence).
3. An official High School transcript showing date of graduation or a GED Certificate showing acceptable test scores.
4. American College Test (ACT), Scholastic Aptitude Test (SAT), or Washington Pre-College (WPC) test scores.

Permission to enroll full-time is contingent upon satisfaction of all matriculation, academic, and financial requirements set by Boise State University.

Transfer Students (Prior enrollment at one or more post-high school institutions)

Students entering from other colleges or universities must present proof of honorable dismissal and official transcripts mailed directly to the Dean of Admissions. Students entering from other institutions must comply with the same scholastic regulations as are applied to students previously enrolled at the University. After evaluation of transcripts, students are classified as Freshmen, Sophomores, Juniors, Seniors, or Graduates.

In accordance with Idaho statutes as approved by the State Board of Education, the acceptance of credits from Junior College is uniform for both certification and transfer purposes and no more than 64 credit hours or ½ the total hour requirement of the specific curriculum is established as the uniform maximum limit effective September 1, 1950.

Transfer students wishing to enter as full-time (8 or more semester hours) fully matriculated academic students must submit the following prior to the deadline date:
ADMISSIONS INFORMATION

1. A completed application
2. A $10 matriculation fee
3. Evidence of high school graduation or a GED certificate showing acceptable test scores.
4. ACT, SAT, WPC test scores or evidence of successful completion of English Composition sequence.
5. Official transcripts from all previously attended colleges showing good academic standing.

A transfer student, whether resident or non-resident, must have a minimum GPA of 2.00 or above on all prior collegiate work completed or have cleared the probationary provision outlined under page 27 Academic Probation and Disqualification. All decisions relating to admission of foreign students will, however, be made by the Foreign Student Admissions Office.

ADMISSION AS SPECIAL UNDERGRADUATE STUDENTS

Summer School Students

Time if he has met the appropriate prerequisite and his application is approved by the Dean of Admissions. Normally, special status upon presentation of satisfactory evidence that they are qualified to do college-level work. Normally, special status will not be granted to anyone less than 18 years of age unless, following a personal interview with the Dean of Admissions, it is deemed in the best interests of the student. Students admitted on special status are encouraged to complete matriculation requirements within the first semester of attendance. A special student is not eligible to become a candidate for graduation until he has satisfactorily met entrance requirements or until he has completed 32 semester hours of work at the University with a GPA of 2.0 or better.

High School Students

Any currently enrolled high school student may enroll part-time if he has met the appropriate prerequisite and his application for admission has been approved by the Dean of Admissions. Registration at BSU must be determined to be in the best interests of the student and must not interfere with progress toward high school graduation.

ADMISSION AS VOCATIONAL TECHNICAL STUDENTS

The School of Vocational-Technical Education normally admits applicants to regular full-time preparatory programs who are high school graduates or who have successfully completed the GED tests. Any person who is interested in becoming a skilled craftsman or technician will be admitted to these courses if he complies with all admission requirements and meets the qualifications for the designated program. Graduation from high school is not necessary provided the student has been out of high school at least one complete semester. Certain prerequisite courses are required for various programs such as one year each of high school algebra and geometry for entrance to the Drafting or Electronics Technology programs. The University does not admit applicants under 18 years of age who are attending high school at the time of application unless his high school principal requests his admission. Students in the Vocational-Technical program who plan to enter certain extra-curricular activities must meet regular entrance requirements (see eligibility requirements).

Veterans

Students wishing to enter and receive G.I. Bill benefits must matriculate fully and meet all requirements for either freshmen or transfer students listed previously. Veterans attending under the G.I. Bill (Chapter 34) or under the Dependence Educational Assistance (Chapter 35 - widows, orphans and children of 100% disabled veterans) can apply for their benefits through the Office of Veterans Affairs on the Boise State University campus. Chapter 31 (rehabilitation program) veterans must be counseled by a Vocational Rehabilitation counselor at the V.A.

Chapter 34 veterans and Chapter 35 eligible persons are required to pay all tuition and fees at the time of registration. Chapter 31 veterans must present an Authorization of Entrance. For more information, refer to Page 19 of this catalog.

Former Boise State Students

To be readmitted to the University after an absence of one semester or more, students must submit the following prior to the deadline date:*

1. A completed application
2. Official transcripts from all colleges attended since the last BSU enrollment.

Part-time Students

Undergraduate students wishing to enter part-time (7 or fewer credit hours) must submit a completed application form, but are not required to meet the other matriculation requirements. However, students who intend to pursue a degree objective on a part-time basis are encouraged to meet all Admission requirements. Veterans wishing to receive G.I. benefits must submit official transcripts from all previously attended colleges prior to being certified eligible for benefits.

Summer School Students

Students wishing to attend Boise State University during the summer session(s) only must complete an application, but are not required to meet other matriculation requirements.

ADMISSION AS SPECIAL UNDERGRADUATE STUDENTS

Persons who are unable to meet requirements as regular students and desire to take special studies may be admitted on special status upon presentation of satisfactory evidence that they are qualified to do college-level work. Normally, special status will not be granted to anyone less than 18 years of age unless, following a personal interview with the Dean of Admissions, it is deemed in the best interests of the student. Students admitted on special status are encouraged to complete matriculation requirements within the first semester of attendance. A special student is not eligible to become a candidate for graduation until he has satisfactorily met entrance requirements or until he has completed 32 semester hours of work at the University with a GPA of 2.0 or better.

High School Students

Any currently enrolled high school student may enroll part-time if he has met the appropriate prerequisite and his application for admission has been approved by the Dean of Admissions.
English Proficiency: All foreign applicants are required to take and receive a satisfactory score on TOEFL (Test of English as a Foreign Language) or other examinations acceptable to Boise State University. Arrangements to take the TOEFL examination may be made by writing directly to TOEFL, Educational Testing Service, P.O. Box 592m Princeton, New Jersey 08540, U.S.A. The test must be taken and scores received by the University prior to a decision on admission of the applicant.

Admitted Students: Upon arrival at the University, foreign students will be examined again with the Comprehensive English Language Test (CELT). Results achieved will determine their placement level in the English as a Second Language program.

Academic Advising: Advising in academic matters is provided to foreign students by the Foreign Student Admissions Office until such time as they meet the English language requirements for a degree program.

Financial Statement: All foreign students must present to the Foreign Student Admissions Office satisfactory statements of finances and adequate proof of financial responsibility or sponsorship by a reputable American citizen or organization for all financial obligations while attending Boise State University.

Health and Accident Insurance: Boise State University requires that all full-time students be covered by health and accident insurance. Such insurance is included as a part of general registration fees paid by all full-time students.

Admission to Graduate School: Foreign students applying for admission to the Graduate School must submit all of the previously mentioned admission materials. Those wishing to major in Business Administration must submit GMAT scores (Graduate Management Admissions Test). The score on the GMAT is considered together with the GPA to determine admissibility of the student to the MBA Program. A TOEFL score of at least 525 must be achieved.

Upon completion of all requirements and the granting of final acceptance to the applicant, the Foreign Student Admissions Officer will issue an I-20 form.

TUITION AND FEES

For questions related to Tuition and Fees, please direct inquiries to:

Business Office
Boise State University
1910 University Drive
Boise, ID 83725
(208) 385-3636

All of the fees, tuition, and other charges are due and payable for pre-registered students by the deadlines established prior to the beginning of each semester. (Please see Academic Calendar, Page 5 & 8 for exact dates). These fees and charges for students registering during open or late registration are due and payable on the day the registration occurs. Board and room charges may be paid in advance for the year or arrangements may be made to pay in advance on a partial payment basis by consulting the Director of Student Residential Life (see section under Student Housing).

Tuition and Fee Schedule

Eight or more hours made up of any combination of credit, audit, equivalent, and/or repeat hours will be considered a full schedule for purposes of calculating charges.

All fees, tuition, and other charges are subject to change at any time by the State Board of Education acting as the Board of Trustees for Boise State University.

Idaho Residency Requirements for Fee Purposes

The legal residence of a student for fee purposes is determined at the time of initial application for admission and will be considered, thereafter, upon appeal by the student. Appeal affidavits may be obtained in the Admissions Office. Section 33-3717, Idaho Code, specifies that a resident student shall be:

(a) Any student whose parents or court-appointed guardians are domiciled in the state of Idaho and provide more than fifty percent (50%) of his support. Domicile means an individual's true, fixed and permanent home and place of habitation.

(b) Any student, who receives less than fifty percent (50%) of his support from parents or legal guardians who are not residents of this state for voting purposes and who has continuously resided in the state of Idaho for twelve (12) months next preceding the opening day of the period of instruction during which he proposes to attend the college or university.

(c) Any student who is a graduate of an accredited secondary school in the state of Idaho, and who matriculates at a college or university in the state of Idaho during the term immediately following such graduation regardless of the residence of his parent or guardian.

(d) The spouse of a person who is classified, or is eligible for classification, as a resident of the state of Idaho for the purposes of attending a college or university.

(e) A member of the armed forces of the United States, stationed in the state of Idaho on military orders.

(f) A student whose parent or guardian is a member of the armed forces and stationed in the state of Idaho on military orders and who receives fifty percent (50%) or more of support from parents or legal guardians. The student, while in continuous attendance, shall not lose his residence when his parent or guardian is transferred on military orders.

(g) A person separated, under honorable conditions, from the United States armed forces after at least two (2) years of service, who at the time of separation designates the state of Idaho as his intended domicile or who lists Idaho as the home of record in service and enters a college or university in the state of Idaho within one (1) year of the date of separation.

(h) Any individual who has been domiciled in the state of Idaho, has qualified and would otherwise be qualified under the provisions of this statute and who is away from the state for a period of less than one (1) calendar year and has not established legal residence elsewhere provided a twelve (12) month period of continuous residence has been established immediately prior to departure.

Other Fees

| Part-time (undergraduate courses) | $42.50 per semester hour |
| Part-time (graduate courses) | $50.00 per semester hour |
| Summer (undergraduate) | $42.50 per semester hour |
| Summer (Graduate courses) | $50.00 per semester hour |
| Non resident Tuition (Part-Time) | $30.00 per semester hour |
| Application Processing Fee | $10.00 (Non-refundable) |
| Late Registration Fee | $50.00 |

To apply when petition is required to register

Testing Fee:

Students who have not taken an ACT, SAT or WAC test on a regular national testing date may take the Test of Standard Written English (TSWE):
ADMISSIONS INFORMATION

During registration week ........................................... $3.00
Duplicate Activity Card ............................................... 5.00
Psychic Performance Fee: per semester
All private music lessons:
2 credits .................................................................. 55.00
4 credits .................................................................. 110.00

Waivers of Music Performance Fees will be granted to music majors enrolled for 8 credit hours or more for all required private performance study leading to a B.A. or B.M. degree. Students receiving this fee waiver must be concurrently enrolled for credit in a major ensemble and in Concert Class. Students must receive a grade of "C" or better in the ensemble and a grade of "S" or better in Concert Class. Unsatisfactory grades at mid-term will result in cancellation of the fee waiver for the entire semester.

All students receiving this fee waiver must be making satisfactory progress (C grade or better) in private performance study to be eligible for a fee waiver the following semester.

Students receiving this fee waiver on an instrument leading to a proficiency examination must attempt the examination at the end of the first year of study and each semester thereafter until successful completion. No more than four semesters of fees for this purpose will be waived.

Special Workshop Fees

Special workshops are conducted throughout the year which are not part of the regularly scheduled courses funded through the University General Fund Budget. All students, regardless of full-fees or part-time status, will be required to pay the Special Workshop Fees which are set in relation to the expenses required to conduct the course. Registration for these workshops will not change the status of a student for fee purposes.

Insurance Coverage

All students paying full fees are required to take insurance coverage which is paid with regularly assessed institutional fees. Students who are covered by family or other plans may obtain a refund through application to the insurance agent for Boise State University.

Boise State University carries liability insurance covering all on-campus and official functions including student activities.

Refund Policy

When a regularly enrolled student withdraws from Boise State University, a refund of registration charges including non-resident fees will be on the following basis:

Before Classes .................................................. 100%
During first 2 weeks of classes ...................... 75%
During 3rd and 4th week of classes .............. 50%
After 4th week .............................................. No Refund

This policy also pertains to part-time students, including special evening classes. No special consideration is given to late registrants in extending the refund policy. The University reserves the right to deduct from the refund any outstanding bills.

An itemized statement of deductions will be forwarded with the refund check. Upon completion of the withdrawal process, a refund check will be prepared and issued in approximately two to three weeks from date of withdrawal.

Students who withdraw during the refund period and have used student aid funds to pay all or part of registration fees, tuition, or room and board costs will be refunded only the amount proportionate to the amount paid with personal funds. The rest of the refund will be returned to the appropriate student aid fund.

No private music lesson refunds will be allowed after the open registration/free drop add period.

FINANCIAL AID

For questions related to Financial Aid, please direct inquiries to:

Financial Aid Office
Boise State University
1910 University Drive
Boise, ID 83725
(208) 385-1664

The primary purpose of financial aid is to provide financial assistance and counseling to students who would be unable to attend Boise State University without such help. Financial aid is available to fill the gap between the student's potential resources and yearly educational expenses. The primary responsibility for meeting educational costs rests with the individual student and/or parents.

Boise State University has a comprehensive financial assistance program which includes a variety of types of scholarships, loans, grants, and part-time employment.

If a student is a U.S. citizen or permanent resident, enrolls for at least 6 semester credit hours at Boise State University, and shows financial need, the student is eligible for financial aid. Financial aid is determined by careful analysis of financial resources from information furnished on the Financial Aid Form (FAF) submitted to College Scholarship Service (CSS). A uniform method approved by the U.S. Office of Education determines a student's financial need. Every attempt is made to ensure fair distribution of the resources available to the University.

Application Procedures

To be eligible for financial aid, the student must be admitted to the University into an academic or vocational technical program and submit the following forms:

1. Financial Aid Form (FAF) — Submit to College Scholarship Service (CSS) in Berkeley, California, with a check or money order. Three to four weeks are required for processing. These forms are available in January.

2. Boise State University Application for Financial Aid (BSUFAA) — This must be submitted directly to Career and Financial Services.

3. Undergraduate students wishing to apply exclusively for Pell Grants (formerly BEOG program) should use the Application for Federal Student Aid instead of the Financial Aid Form.

4. BSU Application for Scholarship (Optional) — This form must be submitted to apply for most scholarships available through the University. It should be sent directly to the office of Financial Aids. Boise State University Scholarships brochure lists scholarships available through Boise State University.

5. Students who have attended other colleges or universities must submit a financial aid transcript from all institutions attended.

Application deadlines:
March 1 — Scholarships
April — Need-Based Aid

*Must be sent to CSS by March 1.

If all documents required have not been received in the Office of Financial Aids by these deadlines, any consideration for financial aid will be on a first come first served basis in the event of remaining funds. Applications received after July 1 may not be processed until after the beginning of Fall Semester.

Financial Aid Programs

Pell Grants (Formerly BEOG) are available to undergraduate students with documented financial need. This is intended to be a foundation to which other need-based aid may be added. Approximately 6 weeks after the FAF is filed, a Student Aid Report (SAR) will be mailed to the student from the Basic Grant Office. All copies must be submitted to the Office of Financial Aids immediately before award processing can begin. If Pell Grants alone are not sufficient to meet educational expenses, other types of aid are described below.

Supplemental Educational Opportunity Grants (SEOG) and State Student Incentive Grants (SSIG) are awarded to undergraduate students who show exceptional financial need. National Direct Student Loan (NDSL) is a long-term, low interest (4%) loan that must be repaid to the University according to specific Federal guidelines. Repayment doesn't begin until 6 months after graduating or dropping below 6 credit hours. NDSL is awarded to both undergraduate and graduate students who show need. College Work Student Program (CWSP) provides an opportunity for students to work to pay for a portion of their educa-
tional expenses. Paychecks are made directly to the student who is then responsible for paying outstanding debts. CWSP is awarded to undergraduate and graduate students who show need.

Waivers of Non-Resident Tuition are available to a limited number of undergraduate and graduate students who are considered to be out-of-state residents for tuition purposes, have good academic records, and show need.

BSU Student Employment Program has limited funds available for undergraduate and graduate students who are unable to qualify for CWSP, but who desire to work to pay a portion of their educational expenses.

Scholarships may be based on academic achievements, special skills, talent, or a combination of financial need and academic achievement.

University Club Awards are available to a limited number of incoming freshmen who are Idaho residents. These awards are given annually in recognition of academic achievement, leadership, performing arts, or special talent. For more information, contact the Office of University Admissions Counseling, 1910 University Drive, Boise, ID 83725.

State of Idaho Scholarship Awards are available to incoming freshmen who are Idaho residents. Applications can be obtained from the high school counselor or the Office of the State Board of Education, 650 West State Street, Boise, Idaho 83702.

Federally Insured Student Loans (FISL) or Guaranteed Student Loan are long-term moderate interest (9%) loans available to undergraduate and graduate students, negotiated through the student's personal bank, credit union, savings and loan or other participating lender. A special application form is required on which the University must provide information for the lender. This form is available at the Office of Financial Aid. Repayment does not begin until 6 months after graduation or dropping below 6 credit hours. Non-residents should use loan forms appropriate for their state. Students with family incomes over $30,000/year are required to show financial need to be eligible. Photocopies of tax returns are required to verify income level.

Short Term Loans are available to students with a minimum GPA of 2.00 who experience an emergency during an academic term. A special application form is required. Repayment of the loan must be made within 90 days.

Nursing Program students are eligible for a low interest loan or non-repayable grant aid if they show financial need. To be eligible, students must file the FAF and apply for the Pell Grant (BEOG).

Bureau of Indian Affairs and Idaho Migrant Council Tuition Assistance Program require special application forms which are available through the Office of Financial Aid.

Financial Aid Eligibility Requirements

Notification of financial aid awards are mailed to scholarship applicants in May and need-based financial aid applicants in June. The "reply letter" must be signed and returned to the Office of Financial Aid within 30 days in order to receive the funds. Students must reapply by the deadline each year to be considered for a financial aid award.

Students who receive any type of financial assistance have a responsibility to make satisfactory progress in their course of study. Such aid can be withdrawn by the University if the recipient does not meet enrollment or academic requirements.

Summer Session

The University has financial aid available on a restricted basis during the summer. Students in need of financial aid who are planning to attend summer session should consult with a Financial Aid advisor when he/she is making summer plans.

How Does Academic Probation Affect Financial Aid Eligibility?

Financial Aid policies require that students receiving financial assistance must be making satisfactory academic progress. If a student is on academic probation for two consecutive semesters or fails to earn at least 12 credit hours in two consecutive semesters, financial aid eligibility will be automatically suspend-ed. Therefore, if a student appears on the Registrar's "Continued Probation" or "Dismissal" lists at the end of an enrollment period, no further payments will be authorized for the student. Any financial aid advances for subsequent semesters will have to be repaid to BSU in full or the student will be administratively withdrawn from the University.

In order to reinstate financial aid, the student must no longer be on academic probation. This will usually mean that the student will have to attend school without the benefit of BSU-administered financial aid until such time that he is no longer on academic prob-ation. REINSTATEMENT BY A DEAN FOR ENROLLMENT PURPOSES DO NOT CONSTITUTE REINSTATEMENT FOR FINANCIAL AID.

TRANSFER students who are admitted on "probation" will be given the benefit of ONE semester of financial aid eligibility. At the end of that semester, the student must no longer be on academic probation ("Continued Probation" or "Dismissed" according to the Registrar's records) in order to maintain eligibility for assistance.

Foreign Students

In order to be granted student visas, foreign students must demonstrate that they have resources for the entire period of University attendance. If financial difficulties arise, the Foreign Student Advisor should be contacted for assistance.

STUDENT HOUSING

For questions related to Student Housing, please direct inquiries to:

Office of Student Residential Life
Boise State University
1910 University Drive
Boise, ID 83725
(208) 385-3986

University Residence Halls

Boise State University maintains four residence halls with accommodations for approximately 760 students. They contribute to and encourage participation in the total university experience. The women's residence halls (The Towers and Driscoll) will accommodate approximately 378 students while the men's residence hall (Chaffee) is designed to house 300 students. The coed residence hall (Morrison) provides living facilities for 79 men and women.

The Towers, located at the west end of campus, has seven stories and accommodates 300 students. It is carpeted and air conditioned with study lounges and laundry facilities. Four students occupy each room with individual room bathroom facilities.

Driscoll and Morrison Halls, located on the Boise river, are virtually identical with 48 single and 15 double rooms arranged in ten suites, to accommodate six to eight students.

Morrison Hall is coed with men and women living in opposite wings separated by lounges and laundry facilities. Four students occupy each room with individual room bathroom facilities.

Chaffee Hall is divided into two separate three-story units with approximately 50 men to a floor, living in 24 double rooms and 2 single rooms per floor. Both units are connected by enclosed corridors to a central lounge. Each floor has a small, informal lounge, study room, and laundry facilities.

All residents are required as part of the housing contract to take their meals in the Student Union dining room.

Applications for room reservations should be made as early as possible. The contract for residence hall accommodations is for room and board for the entire academic year. Applications must be made on the official contract form and be accompanied by an application and security deposit fee of $60.00.

Board and Room Charges*

Meal Options:

- A. 7 day/19 meals (breakfast, lunch, dinner, Monday through Friday; brunch, dinner, Saturday and Sunday)

*Board and Room Charges include the cost of room, board, and transportation.
ADMISSIONS INFORMATION

B. 7 day/14 meals (lunch, dinner, Monday through Friday; brunch, dinner, Saturday and Sunday)
C. 5 day/10 meals (lunch, dinner, Monday through Friday)

1981-82 Prices

<td>2250</td>
<td>2190</td>
</tr>
</tbody>
</table>

Above prices include phone service and state sales tax. There is no refund or "carry-over" of meals not eaten in the dining room.

In addition, all residence halls require a program fee which is a part of the room and board payment. This fee is used for programs, activities, and various types of interest group projects desired by the students.

The residence halls normally are closed during semester break and spring vacation. Meal service is suspended and the Snack Bar is closed. Students staying in their rooms at the residence halls during these holidays must obtain permission from the Resident Director and will be charged on a per day basis.

Any students who receive a refund and who have been recipients of financial aid which has been applied towards their housing payments must assume the responsibility for repaying the appropriate financial agency from which they received their funds.

Application Procedure

All inquiries requesting housing information and application/contracts should be sent directly to:

The Office of Admissions Counseling
Boise State University 1910 University Drive
Boise, ID 83725 (208) 385-1401

Completed application/contracts should be returned with the $80.00 deposit to:

Student Residential Life
Boise State University 1910 University Drive
Boise, ID 83725

ACCEPTANCE AND PROCESSING OF THE HOUSING CONTRACT BY THE OFFICE OF STUDENT RESIDENTIAL LIFE DOES NOT CONSTITUTE APPROVAL OF ACADEMIC ADMIS-
SION TO THE UNIVERSITY, AND APPLICATION FOR ADMIS-
SION IS NOT AN APPLICATION FOR HOUSING.

Hall and Room Assignments

Halls and rooms are assigned on an adjusted priority system, date of application and deposit and acceptance by the University. Returning residence hall students have housing priority over new applicants. If a specific person is desired as a roommate, the two persons concerned should be certain that their applications are received by the same date. If no specific request is made for a roommate, it will be assumed that the applicant will accept the person assigned. The preferences indicated by the student on the application/contract regarding the desired hall, room size, etc. are not binding but will be honored whenever possible.

University and Residence Hall Regulations

All students are held responsible for all regulations and information set forth in the Student Handbook, Boise State University Catalog, and Residence Hall Contract. All University rules and regulations are specifically made a part of this contract by reference.

Personal Property and Liability

Students who reside in residence halls are responsible for providing insurance against loss or damage to their personal property. The University does not assume responsibility for or carry insurance against the loss or damage of individually owned personal property.

University Apartments

There are 170 units available for full-fee paying (8 credit hours or more) married students or single parents, all within walking distance of the campus. A single student may rent a one bedroom apartment when a vacancy occurs in excess of the applications by student families. University Courts apartments have small and large one bedroom, two, and three bedroom units. Apartments are carpeted and furnished with stoves and refrigerators. Coin-operated laundry facilities are located on site. All utilities except electricity are furnished. University Heights and University Manor consist of one and two bedroom apartments. These are fully carpeted, draped, and furnished with stoves and refrigerators. All utilities are furnished.

Application Procedure for University Apartments

Applications for Family Housing may be obtained in the Office of Student Residential Life, Room 110, Administration Building

To be eligible a student must be a married student, prospective married student, or a single parent with a child (children) and enrolled as a full-fee and/or fully matriculated student at Boise State University. Single students are eligible when space is available (see contract).

A completed application/contract must be sent to the Office of Student Residential Life with a $50.00 application fee and security deposit. Checks or money orders should be made out to Boise State University. This deposit is not to be construed as partial payment for rent. The deposit will be held (after assignment) as a damage deposit and is refundable when the student permanently moves from the apartment. The total security deposit and application fee ($100.00) is forfeited if 30 days notice is not given before the tenant moves.

When an apartment is ready for occupancy, the student must sign a lease, pay the balance of the application fee and security deposit ($50.00), and pay one month's rent prior to receiving confirmation to move into the apartment.

The University is an equal opportunity institution and offers its living accommodations without regard to race, color, national origin, or handicap (as provided for in Title VI and Title IX and Sections 503 and 504 of the Rehabilitation Act of 1973).

Sororities and Fraternities

Sororities and Fraternities offer a small group living experience within the total University recognized housing program. Fundamentally, each group is guided by the principles of friendship, scholarship, leadership, mutual respect, helpfulness, and service to the University community.

Four national sororities—Alpha Chi Omega, Alpha Omicron Pi, Delta Delta Delta, and Gamma Phi Beta—and four national fraternities—Alpha Tau Omega, Kappa Sigma, Sigma Phi Epsilon, and Tau Kappa Epsilon—are actively involved at Boise State University. Membership is open to all full-fee students.

Each fraternity and sorority operates its own house located within a mile radius of campus. Members take charge of their own maintenance, financial management, meal planning, governing, and organization of special events or programs. Room rates are approximate to those of University owned residence halls. Extra costs include initial affiliation expenses, social fees, and, in some instances, building fund charges.

*All room and board charges, rental rates and other fees are subject to change at any time by action of the State Board of Education, Trustees for Boise State University.
For additional information please contact the Student Activities Office, BSU, 1910 University Drive, Boise, ID 83725. (208) 385-1223.

Off Campus Student Housing

Lists of available housing are on file in the Office of Student Residential Life. The University does not inspect the accommodation. Parents and students must accept full responsibility for the selection. The University recommends that students and parents make written agreements with landlords concerning the obligations and expectations of each party.

As a matter of policy, assignments to University housing facilities are made without reference to race, color, national origin, or handicap and expects privately owned accommodations offered through its listing service to be operated in the same manner. Listings are accepted with this understanding.

Science is full of discovery and beauty.
Internships/Cooperative Education

Most departments at Boise State University provide internships or cooperative education programs that give students practical, on-the-job experience which contributes to their academic development.

Because the university is surrounded by several businesses, government agencies, and health care facilities, internships/cooperative education are available in nearly every major field.

For specific information about internships/cooperative education opportunities, students should consult the academic department that offers the program.

The following are some of the common internship/cooperative education experiences available:

School of Arts & Sciences
  Social Work internships/cooperative education with various government agencies
  Mathematics internships/cooperative education with government departments, corporations and education
  Biology internships/cooperative education with state and federal agencies, research laboratories, and educational institutions
  English internships/cooperative education in writing laboratory and developmental writing programs on campus
  Communication internships/cooperative education with many governmental and business enterprises
  Political Science internships/cooperative education with the Idaho legislature
  Construction Management internships/cooperative education with local contractors

School of Business
  Accounting/Data Processing internships/cooperative education with local businesses
  Business Education and Office Administrative internships/cooperative education with local businesses
  Marketing/Mid-Management internships/cooperative education with local businesses

School of Education
  Elementary, secondary, and physical education student teaching
  Psychology internships/cooperative education
  Athletic training and coaching internships/cooperative education

School of Health Sciences
  Supervised clinical practice in local health care facilities for students in Allied Health and Nursing programs
  Pre-medicine, pre-dental, pre-veterinary medicine, pre-physical therapy internships/cooperative education with individual health care practitioners
  Environmental Health internships/cooperative education with district health agencies and the Environmental Protection Agency

School of Vocational-Technical Education
  Internship/cooperative education between Vocational-Technical Education programs and industry
Education provides the student with challenge, and thereby creates greater opportunities.

PART 3

ACADEMIC INFORMATION

ACADEMIC REGULATIONS
For questions related to academic regulations, please direct inquiries to:
Registrar's Office
Boise State University
1910 University Drive
Boise, ID 83725
(208) 385-3486

Student Records
When a student enters the University and submits the requested personal data, there is an assumed and justifiable trust placed upon the University to maintain the security of that information for the protection of the rights of the student. To protect students against potential threats to their individual rights inherent in the maintenance of records and the many disclosures regarding them and in compliance with the Family Educational Rights and Privacy Act of 1974, the University has adopted BSU Policy 4205-D (Student Records). The policy statement in its entirety is contained in the Administrative Handbook of Boise State University. Any students, faculty, or staff who have questions regarding the records policies of Boise State University may consult with the Vice-President for Student Affairs.

All academic records are maintained by the Registrar's Office. Students may obtain copies of their transcripts by making a request in writing or in person.

Classification of Students
After registration, students are classified as follows:
Special — no degree intent — courses of interest only
Freshmen — 0 semester credits through 25
Sophomore — 26 semester credits through 57 or enrolled in Associate, diploma, or certificate program
Junior — 58 semester credits through 89
Senior — 90 semester credits and over, or enrolled in second baccalaureate degree program
Graduate — has received a baccalaureate degree and enrolled in a graduate level degree program.

Enrollment Verification
Students enrolled for 8 semester credit hours or more are required to pay full fees but may not be considered as full-time students.

For the purposes of student enrollment verification to Veteran's Administration, Social Security Administration, BEOG, Federal and State Grants-in-Aid, banks, insurance companies, other Universities, etc. the following schedule will be used:

Undergraduate:
Full-time 12 or more undergraduate semester hours
½-time 9-11 undergraduate semester hours
Less than ½-time 5 or fewer undergraduate semester hours

Graduate:
Full-time 9 or more graduate semester hours
½-time 6-8 graduate semester hours
Less than ½-time 3 or fewer graduate semester hours

Students receiving veteran's benefits under the G.I. Bill enrollment for less than ½-time will receive payment for registration fees only.
Veterans pursuing a second baccalaureate degree must have an official evaluation of their transcripts and official copies are forwarded to the V.A. Regional Office, the veteran, and the certifying official at Boise State University. Only the courses listed in the evaluation will be considered in determining V.A. educational payments.

Veterans enrolled in graduate programs are required to file a Program Development Form with the Graduate Admissions Office and the certifying official. Only those courses that are required for the degree objective will be considered in determining V.A. educational payment. Graduate students taking a combination of undergraduate and graduate credits will be certified based on a formula to determine the credit hour load.

Grading System

A—Distinguished Work—4 quality points per hour
B—Superior Work—3 quality points per hour
C—Average Work—2 quality points per hour
D—Passing but Unsatisfactory Work—1 quality point per hour
F—Failure—0 quality points per hour
P—Pass—Credit earned but no quality points
CR—Credit—Credit earned but no quality points
I—Incomplete—No credit earned or quality points until grade is assigned
W—Withdrawal—No credit earned or quality points
S—Satisfactory—No quality points
U—Unsatisfactory—No quality points
AUD—Audit—No credit earned or quality points
NR—No Record—No credit earned or quality points until a grade is assigned
NG—Non Gradable
WP—Withdrawal Passing—No credit earned or quality points (only used for complete withdrawal)
WF—Withdrawal Failing—No credit earned or quality points (only used for complete withdrawal, not computed in GPA)

A student academic status is determined by the grade point average. Grade point average is computed by adding the total quality points earned and dividing by the number of credit hours attempted. In GPA calculations, credit hours for grades of "P", "CR", "S", "U", "WP", or "WF" are not used.

Incomplete Grades

A grade of incomplete can be given where the student's work has been satisfactory up to the last three weeks of the semester. Returning students must contact the instructor and consider the following options:

1. Make up the work within the first half of the current semester.
2. Request an extension of time of both instructor and department chairman.
3. Re-enroll in the course.
4. Request that the incomplete be changed to a "W."
   - If the student fails to contact the instructor by mid-semester, the instructor can change the incomplete to a letter grade or withdraw or extend the incomplete into the next semester.

Repeat of a Course

A student who receives a grade of "D" or "F" may repeat the course under certain conditions to improve the grade. Independent studies, internships, and student teaching may be taken only once; they may not be repeated. Other courses may be repeated once to raise the grade, provided that the course is still offered. Degree credit for courses so repeated will be granted only once, but both grades shall be permanently recorded. In computing the GPA of a student with repeat courses, only the second grade and quality points shall be used.

Advising and Registration

Prior to registration or pre-registration, each student registering for the first time is assigned to a faculty advisor who assists the student in identifying academic requirements for graduation and in completing the Proposed Course Schedule form. Students registering for 8 credits or more must confer with an advisor prior to completion of registration or any change in registration. A student may change his/her advisor after the first semester in attendance by obtaining permission from the Advising Coordinator of his/her school.

Dates of pre-registration and open registration are listed in the University Calendar at the front of this catalog. Instructions for registration, changing class schedules and deadline dates, for which every student, is fully responsible are published in the Class Schedule, available in April for the Fall Semester and in November for the Spring Semester.

Attendance and Absence from Class

Students are responsible for their attendance in the courses for which they enrolled. No absences, whether approved by the University or necessitated by illness or other personal emergency, are "excused" in the sense of relieving the student of responsibility to attend each class meeting. If any student accumulates absences to the extent that further participation in the class seems to be of little value to him/her and detrimental to the best interests of the class, the instructor shall warn the student that she/he may fail the class.

Audit vs. Credit Registration

Students enrolling in courses for Credit are required to attend class regularly, complete all assignments, and take the necessary examinations. If space is available a student may enroll in a course without credit or grade as an Audit. Audit indicates that a student was allowed a place in the class but may or may not have participated in class activities.

Changes in Registration

Students may make the following registration and program changes by securing a “Student Information Update” form and signature from their advisor and each professor involved in the change. The completed form must be filed with the Registrar’s Office. No registration or program change is effective until dated and signed in the Registrar’s Office.

Adding a Course

Student may add a course(s) during the open registration period without the written consent of the professor. A “Change in Registration” form must be secured and signed by the advisor and a “class card” obtained from the appropriate department chairman’s office. Detailed procedural information and instructions are printed each semester in the Class Schedule.

From the end of the open registration period until the end of the sixth week of classes, students must secure the consent and signature of the professor and their advisor to add a course(s) for credit. No student may add a course(s) after the last day to make registration and program changes. (See Academic Calendar for specific dates).

Dropping a Course

Students may drop a course(s) by following the same procedures listed above until the end of the sixth week of classes. All grades will be recorded as “W”. No student may drop a course(s) after the last day to make registration and program changes except for verifiable emergency and/or medical reasons.

All appeals or petitions for an emergency or medical withdrawal from a course(s) will be made only through the Dean of Student Special Services.

Students who remain enrolled in a course(s) after the last day to make registration or program changes and who fail to complete course requirements shall be awarded a final grade of "F."

Audit/Credit Changes

Students may change their status from credit to audit or audit to credit by following the same procedures as adding a course until the end of the sixth week of classes. No student may change from or to audit after the last day to make registration or program changes.

Veterans enrolled in graduate programs are required to file a Program Development Form with the Graduate Admissions Office and the certifying official. Only those courses that are required for the degree objective will be considered in determining V.A. educational payment. Graduate students taking a combination of undergraduate and graduate credits will be certified based on a formula to determine the credit hour load.
Late Registration

Individuals who file an application for admission after the cut-off dates for pre-registration and priority registration may register for courses that are still available during the open registration period. (See Academic Calendar for specific date).

Individuals who wish to register after the open registration period may obtain a "Petition for Permission to Make Changes After Deadline Date" form from the Admissions Office Information Window. This form must be signed by the professor of each course and by their Department Chairman or Academic Dean. The approved petition form must be filed with the Registrar's Office and the Business Office when fees are paid. Registration is not complete until all fees are paid. No registration by petition will be accepted after the last day to make registration or program changes. All registrations by petition will be assessed a $50.00 fee.

Complete Withdrawal from the University

Students who wish to leave the University in "Good Standing" during a semester must initiate an official request for complete withdrawal from all courses through the Dean of Student Special Services. Vocational-Technical students must clear with the Vocational counselor prior to reporting to the Student Advisory and Special Services Office.

Withdrawal from the University (from all courses) must be completed prior to the end of the sixth week of classes for all grades to be recorded as Withdrawal (W). Refunds of registration fees are only pro-rated over the first four weeks of a semester.

Students who withdraw from the University after the last date for withdrawal and are then failing the course will be awarded final grades of "WP." Students who withdraw from the University after the last date for withdrawal and are passing the course requirements will be awarded a final grade of "WP." It is not necessary to request a withdrawal from the University between semesters or after a semester has been completed. Neither a "WP" nor a "WF" will be used in calculation of GPA. Students who remain enrolled after the last day to make registration or program changes and who fail to complete course requirements shall be awarded a final grade of "F."

Faculty Initiated Withdrawal

Although the primary responsibility for withdrawing from individual courses rests with the student, the professor may, in certain situations, initiate a withdrawal:

1. If a student registers for a course but never attends.
2. If a student registers for a course, attends briefly, and then neglects to withdraw from the course.
3. If a student registers for the course on an audit basis but never attends or attends for only a brief period of time.

In cases of a faculty initiated withdrawal, the professor will notify the Office of the Vice President for Student Affairs of the impending action. The Vice President for Student Affairs Office will then notify the student. If no further effort is made by the student within two weeks after notification, the professor may then initiate the withdrawal.

Administrative Withdrawals

A student's registration may be cancelled after proper notification for delinquent financial accounts (bad checks, library fines, overdue loans, bookstore, or housing accounts, etc.); incomplete admissions file (failure to submit transcripts or test scores); falsification of admissions application or other University records; registration without re-statement from academic dean if academically disqualified; failure to respond to an official summons or excusing behavior which constitutes a clear and present danger to one's self and others.

The Vice President for Student Affairs, Dean of Admissions, Director of Administrative Services or Registrar will notify delinquent students of the pending action by certified mail. If no effort is made to correct the situation within two weeks after notification, the request for an administrative withdrawal is sent to the Dean of Student Special Services for final action.

Student Address or Name Change

The student is held responsible for keeping address or name change information up-to-date with the Registrar's Office. Change of Address or Name Change forms may be obtained in Room 102 of the Administration Building. Mailing of notices to the last address on record constitutes official notification.

Academic Probation and Disqualification Policy

Boise State University

(As Amended March 20, 1980)

A student whose academic work indicates that he/she cannot continue in the university with profit to him/herself and credit to the institution will be placed on academic probation, and if he/she continues on academic probation at the end of his/her next semester of attendance, he/she will be subject to dismissal from the university.

I. Academic Probation

A. At the end of a semester (fall, spring, or summer) undergraduate students who do not attain the cumulative grade point average required for the number of hours attempted are placed on probation for the next semester of enrollment.

</table>

B. The cumulative GPA will be computed on all credits attempted.
C. Students on academic probation will be automatically removed from probation when they earn a cumulative GPA equal to or higher than the minimum required for the numbers of hours attempted.

II. Disqualifications

A. After being placed on academic probation, a student who continues on academic probation at the end of his/her next semester of attendance, will be disqualified and dismissed from the University unless his/her GPA for the most recent semester of enrollment was 2.00 or higher.

B. In the event a student's cumulative GPA is below the minimum required but his/her GPA for his/her most recent semester of enrollment was 2.00 or higher, the student remains on continued probation.

III. Reinstatement

A. After being disqualified and dismissed from the university, a student may be reinstated by submitting a petition to the academic dean of the school from which he or she was dismissed and receiving favorable action on his/her petition. Readmission to a school (or any of its programs) may be accompanied by subsequent academic performance requirements which are more stringent than to those of the university. Failure to meet conditions specified for continuation as a major in a particular school may prohibit a student from future enrollment in a school even though the university minimum academic requirements are satisfied.

B. Students who attend another institution while disqualified must meet the same standards as continuing Boise State University students when applying for readmission.
ACADEMIC INFORMATION

C. Students who are disqualified and reinstated by favorable action on their petitions are reinstated on academic probation.

IV. Repeated Disqualification
A. After being reinstated, if a student fails to achieve either a 2.00 GPA during his next semester's enrollment or the minimum GPA required by his/her hours attempted, the student will receive a repeat disqualification.
B. If a student receives a repeat disqualification, he/she will be dismissed from the university and cannot be reinstated except by petition to and favorable action from his/her academic dean. Readmission to a school (or any of its programs) may be accompanied by subsequent academic performance requirements which are more stringent than those of the university. Failure to meet conditions specified for continuation as a major in a particular school will prohibit a student from future enrollment in a school even though the university minimum academic requirements are satisfied.

C. Students on repeat disqualification who are reinstated by favorable action on their petition must earn a minimum GPA of 2.00 for the semester reinstated or must raise their cumulative GPA equal to or above the minimum required. Otherwise, they will receive an additional repeat disqualification.

V. Forgiveness for Failing Grades
A student who has not been enrolled in a college or university as a full-time student for a period of two consecutive years may, upon returning full-time to Boise State University credit status and completing a semester of full-time work (12 hours or more) with a GPA of 2.5 for that semester, make application to the dean of the school for removal of any "F" grade given by Boise State University. With approval of the dean of the school in which the student is majoring, the GPA will be recomputed to include all grades with the exception of those dismissed. No change will be made on the transcript of record. Application for changing an "F" grade must be made no more than two semesters after full-time re-enrollment at Boise State University.

VI. Restrictions
Students reinstated after a second probation are ineligible for participation in University sponsored extra-curricular activities (See Eligibility for Extra-curricular Activities section of the Boise State University Student Handbook). This restriction is removed when students are no longer on probation.

Dean's List
To receive Dean's List recognition, a student must be an undergraduate student who has completed 12 or more hours of gradeable credit (excluding P, S/U, CR/NC, or NC) in a given semester and achieved a G.P.A. of 3.50 or higher for that semester. An individual with a grade point average of 3.50 to 3.74 receives an "Honors" designation; a person with a 3.75 to 3.99 grade point average receives a "High Honors" designation; and a person who achieves a 4.0 grade point average receives a "Highest Honors" designation.

Petitions
Where strict application of any Boise State University regulations seem to work an unreasonable hardship, the student may petition for an exception. Academic petitions should be addressed to the academic dean of the appropriate school. Other petitions should be directed to the appropriate administrative offices.

Course Numbering
Courses are numbered on the basis of the following:

000-099 Term, credit and non-credit courses (including remedial, evening vocational, and adult education courses). These courses do not apply towards degree programs.

100-199 Freshman level courses

200-299 Sophomore level courses

300-399 Junior level courses

500-499 Upper division level courses

Upper division level courses, numbered at 300 or 400 level may be given a "g" or "G" designation to carry graduate credit. The "g" courses carry graduate credit for graduate students in majors outside the area of the department or school. "G" courses carry graduate credit for students both in the department or school and for other students as well.

Throughout the catalog where course descriptions are given a hyphen between course numbers indicates that the first numbered course is a pre-requisite to a second numbered course; a comma between course numbers indicates that either course may be taken independently of the other.

Immediately following the course title, the weekly hours of lecture, non-lecture or other (such as laboratory, studio, etc.), and the credits earned are shown in parentheses. The semesters the course is normally offered may also be shown. For example:

(3-4-5) (F) Indicates 3 hours of lecture, 4 hours laboratory, and 5 credits for a course offered each fall.
(0-4-0) Indicates a laboratory without credit offered regularly each semester.
(2-0-2) (F/S) Indicates a typical two-hour lecture class for two credits offered either fall or spring semesters.
(0-2-1) (F, SU) Indicates a two-hour studio art or PE activity class for one credit offered in fall and summer semesters.

Other authorized abbreviations are prerequisite, corequisite, PERM/INST for permission of the instructor and PERM/DEPT for permission of the department chairman or his representative.

Course Prerequisite Waiver
As a general rule students must complete prerequisites listed in the course description prior to enrolling in the course. However, specific course prerequisites may be waived upon written approval of the Dean of the School in whose area the course is offered. A student seeking to have prerequisites waived must justify the request on the basis of background, education, and experience.

Admission to Upper Division Courses
Upper-division courses are open to students who have completed the stated course prerequisites and 57 semester credits of college work. Lower-division students who have a GPA of 2.0 or better may take upper-division courses if the course is required during the sophomore year in a specific curriculum in which the student is majoring, or the student has the written permission of the chairman of the department in which the course is offered and the concurrence of his/her advisor.

Undergraduate Enrollment in 500-Level Courses
Undergraduate senior students may apply up to a total of two 500-level courses toward the credit requirements for an undergraduate degree. 500-level courses may be applied to the required 40 hours of upper-division credit. To be eligible for this a student must complete a "Senior Permit" form available in the Registrar's office.

University-Wide Course Numbers

Undergraduate
The following college-wide standardized course numbers and titles are available to each department offering a major.

Independent Study (188 and 498) must be arranged between student and professor on an individual basis. The course description does not appear in other sections of the catalog.

188 Honors Independent Study (1-3 credits). An independent study experience to provide an Honors student study opportunities of a reading or project nature. Credits may not exceed three (3) per semester nor six (6) maximum in an academic year. Prerequisite: Approval of the Dean and Department Chairman upon recommendation of the faculty advisor.

293-493 Internship (Variable credits). The internship number is available to academic departments to provide an opportunity for supervised field-work that is specifically related to the student's major field of study.

294-494 Conference or Workshop (0-4 credits). Conducted by outstanding leaders or qualified faculty in a particular field for the students attending the workshop.

28
97 Special Topics (2-4 credits)*

495 Independent Study (1-4 credits). Individual study of either a reading or project of student's choosing. Offered on demand. Student must make application well in advance of the special study experience. May be repeated for a maximum of 8 credits. 6 credits in any one academic year. Prerequisite: Consent of instructor and department chairman. Upper division standing.

497 Special Topics (2-4 credits). Prerequisite: Advanced standing and consent of instructor and department chairman.

297 or 497. Honors or interdisciplinary Humanities courses will be allowed to apply toward core requisites; however, other departmental Special Topics courses may apply toward graduation.

498 Seminar (1-4 credits).

499 Seminar (1-4 credits).

Graduate

The following numbers may be used by any department to offer credits for the type of activity indicated in the title. These courses may be offered for variable credit. Limits on the number of credits of any one number category to be applied towards a given degree will be set by the Graduate Council. The supervising professor or committee will determine which credits may apply to an individual's program.

580-589 Selected Topics

Students normally offered and studied in one department can be divided into no more than 10 areas. Each area will be assigned one number of the 580-589 group. Although the topics considered in the courses in any one area may vary from semester to semester, repeated use on any one number implies that the topics continue to be selected from the same area.

590 Practicum

591 Project

592 Colloquium

593 Thesis

594 Extended Conference or Workshop (Graded A through F)

595 Reading and Conference

596 Directed Research

Masters programs may include directed research credits at the discretion of the graduate student's supervising professor or committee. A student may earn a maximum of 9 semester hours with no more than 6 in a given semester or session.

597 Special Topics

598 Seminar

599 Short Term Conference or Workshop (Grad. Credit or No Credit)

Generally the 599 number is used for courses meeting 3 weeks or less and the 594 for courses meeting more than 3 weeks. The decision, however, is made by the department or school offering the course.

Interdisciplinary Courses

The following interdisciplinary courses are identified with more than one school or department.

Honors

HP 198, 298, 398, 498 Honors Seminar (1 credit). A seminar involving interdisciplinary lectures and discussion for Honors Students. Topics are selected by the students. Credit or no credit will be given rather than letter grade.

HP 100, 200, 300, 400 Summer Readings (1-3 credits). An opportunity and incentive for students to continue their studies during the summer when they are away from campus and faculty. Students must select their area of interest, contact a faculty supervisor, and coordinate through the Honors Program Director concerning reading and credit for the work prior to the end of spring semester. Students will register during fall registration and will complete written and oral testing as required no later than October 15 in order to receive credit or no credit.

HP 492 Honors Colloquium (3 credits). Upper-division Honors students bring the background of their own major to a multi-disciplinary forum. Letter grade given.

Student Government

SG 198, 496 Student Government Independent Study (1-3 credits). Students who are currently serving in major student government offices may avail themselves of Independent Study in Student Government. This study will be coordinated by the Vice President for Student Affairs and may be taken in any department of the college provided an instructor is willing to direct the study. Students who are eligible for this study are (1) the Major Elected Officers (President, Vice-President, Treasurer), (2) Major Appointed Officers (Business Manager, Publicity Director, Administrative Assistant to the President and Personnel Officer), and (3) Senators. Credits may not exceed three in any one semester or six in one academic year. A maximum of nine credits will be accepted towards graduation.

General Science

GS 501 History (3 credits). (Course description Part VIII of catalog).

Interdisciplinary Studies in the Humanities

IH 191 Humanities: A View of the Nature of Man, I (3 credits). Especially designed for non-Humanities majors, this team-taught class integrates information to provide views of human experience. Among the topics explored are different views of human nature, different ways of knowing, the nature of humanistic understanding, and the impact of experience on the individual. Prerequisite: Completion of or concurrent enrollment in E-101. (Fall Semester)

IH 192 Humanities: A View of the Nature of Man, II (3 credits). As a continuation of IH 191, this lecture/discussion course focuses on humanistic perceptions and assumptions concerning how people understand and respond to society and what motivates people to accept or reject social norms. The final unit will focus on forms of alienation and how individuals respond to social pressure. Prerequisite: IH-101. (Fall Semester)

IH 111 Humanities: A View of the Nature of Man, III. "Consciousness and Human Imagination," (3 credits). This course will examine the human imagination as a necessary constituent of each person's consciousness of his lived experience. It will analyze the role that human imagination plays for each of us in making our everyday lives private and social, livable, understandable, and worthwhile. This course will also examine the imagination's capacity to shape our world experience for reflection in the formalized modes of imagination: science, philosophy, art, and literature. Students will examine inherent and relative values. Prerequisite: Completions of, or concurrent enrollment in E-101. (Spring Semester)

IH 112 Humanities: A View of the Nature of Man, IV. "Human Choices and the Future," (3 credits). This course assumes that the future will be shaped through human choice and will explore the roles of the humanities in understanding and defining the conditions necessary to making human choices: self-knowledge, understanding language, and understanding ways of knowing. Since the humanities are involved with a constant examination of human values, it will also consider plans and strategies for maintaining conditions for genuine human choice. This course focuses on methods of conceptualization, the way in which the human imagination frames its understanding of the world about it. Since human choice results from the way in which the chooser understands the problem, the clearer the perception, the better the choice. Prerequisite: Completion of, or concurrent enrollment in E-101. (Spring Semester)

Advanced Placement and Individualized Studies

For questions related to Advanced Placement, please direct inquiries to:

Dr. William Mech, Director
Honors Program
Library Building, Room 408G
Boise State University
1910 University Drive
Boise, ID 83725
(208) 385-1122.

Today, improved and accelerated public school programs allow many students to enter colleges and universities with skills traditionally expected after college level work. To assure each student the opportunity to develop at his/her own pace and bypass material already mastered, Boise State University offers several options for educational advancement. Individual cases may allow several approaches to determining relative placement.

College Level Examination Program (CLEP)

Many colleges and universities, including Boise State University, accept the General and Subject Matter Examination of CLEP as an alternative by which a student may satisfy certain general education, specific course, or pre-major requirements.

Students generally prepare for the examinations by independent studies, advanced high school courses, auditing courses, attending non-accredited schools, on-the-job-training, or other experience.

You may repeat any General or Subject Examination six months after you last took it. Scores on tests repeated earlier than the specified time will be cancelled and test fees forfeited.

If the scores submitted are at or above the percentile scores indicated by the University, the student will receive credit for the equivalent credits so designated. The entries on the transcript will show the specific Boise State requirement met with no letter grade. The heading will show CLEP SCORES on the transcript. The credit awarded will count toward the graduation requirements at Boise State and will reduce, by the number of credits awarded, the number of credits still required to graduate.
ACADEMIC INFORMATION

CLEP General Examinations will not be officially released on a Boise State transcript to other agencies or institutions until the student has successfully completed 15 academic credit hours with Boise State University.

Boise State currently accepts test scores of CLEP in the following general areas:

**CLEP EXAM TITLE**  | **BSU EQUIVALENT CREDIT**
--- | ---
**English**  | 3 credits in Lower Division Electives
Score of 500 or above  | 4 credits in Area III
Score of 489-570 (50th-75th)*  | 8 credits in Area III
**Natural Science**  | 4 credits in Area III
Score of 489-570 (50th-75th)*  | 8 credits in Area III
Score of 571 or above  | 8 credits in Area III
**Mathematics**  | 4 credits in Area III
Score of 488 or above (50th)  | 4 credits in Area III
**Humanities**  | 3 credits in Area I
Score of 489-566 (50th-75th)  | 6 credits in Area I
Score of 567 or above  | 6 credits in Area I
**Social Science — History**  | 3 credits in Area II
Score of 489-566 (50th-75th)  | 3 credits in Area II
Score of 569 or above  | 6 credits in Area II
*National College Sophomore Norm Group

A student may earn a minimum of three (3) hours of lower division elective credit for each CEEB College Level Examination Program Subject Exam passed with a score of 50 or higher. A department may opt to grant specific departmental credit for a CLEP Subject Exam passed at a departmentally-determined level. In the event the student qualifies under both options, the student will select which option prevails — lower division or departmental.

If the scores submitted are at or above the scores indicated by the departments, the student will receive credit for the equivalent courses so designated. The entries on the transcript will show the specific Boise State course number, title, and credits with no letter grade. The heading will show CLEP SCORES on the transcript. The credit awarded will count toward the graduation requirements at Boise State and will reduce, by the number of credits awarded, the number of credits still required to graduate.

CLEP Subject Matter Examination credits will not be recorded on a Boise State transcript until the student has successfully completed 15 academic credit hours with Boise State.

B.S.U. Academic Departments currently accept CLEP Subject scores in the following subject matter areas. (Minimum passing scores are indicated after each examination title):

| CLEP scores should be sent ATTN: Dean of Admissions. A complete list of available CLEP Subject Exams can be found above. |
|---|---|

**Credit By Examination (CHALLENGE)**

Any student may challenge a University course, subject to department determination of appropriate courses, when he/she feels that he/she has acquired sufficient knowledge to pass an examination covering the content of the course. In those cases where credit by examination is allowed, the department shall have the option of using a standardized examination or an examination prepared within the department. A student attempting to earn credit by examination must consult with the Department Chairman to determine whether the credit will be a regular grade or on a credit-no-credit basis, whereby the student receives credit and no grade for the course if he passes the examination.

| Credit For Prerequisites Not Taken |
|---|---|

Students who have sufficiently high GPA or ACT scores, who pass a departmental placement examination, or who have the approval of the department chairperson may take designated courses without having completed the listed prerequisite.

Students who receive a grade of "C" or better for a course in which they have not taken the prerequisite course(s) may be given credit for the prerequisite course(s) with a grade of "S." To qualify, students must initiate the application in consultation with their advisor only after the final grade for the advanced course is officially recorded. Department chairmen and deans will determine which course(s) can qualify for this credit. An examination covering the content of the prerequisite courses may be required.

**Transfer of Vocational-Technical/Academic Credits**

Block transfer of vocational-technical credit from accredited or State approved vocational-technical schools in the State of Idaho into specific departmental programs, or general elective credit at Boise State University may be awarded as determined by the appropriate academic department and approval of the dean.

Similarly, block transfer of academic program credit from an accredited institution of higher education into a specific vocational-technical program at Boise State University may be awarded as determined by the appropriate division, department, or committee.

For information concerning time, place and cost of testing, contact the Counseling and Testing Center, 6th floor, Education Bldg., Room 611, phone 385-1601.

Advanced Placement (AP) Program of the College Board

A student may earn a minimum of three (3) hours of elective lower division credit for each CEEB Advanced Placement Exam passed with a score of 3, 4, or 5. A department may opt to grant specific departmental credit for an AP Exam passed at a departmentally-determined level. In the event the student qualifies under both options, the student will select which option prevails — lower division elective credit or departmental credit.

AP credits will be recorded on the Boise State transcript as soon as possible following receipt and evaluation.

B.S.U. Academic departments currently accept AP test scores in the following subject areas:

| AP EXAM |
|---|---|

| **AP EXAM** |
|---|---|

| **AP EXAM** |
|---|---|

| **AP EXAM** |
|---|---|
No grade shall be assigned, and such transfer applies only to the agreed-upon-transfer program.

Credit for specific vocational-technical school courses may be awarded when equivalency has been validated by the appropriate academic department and approved by the school offering the equivalent course work. Vocational-technical school credit may be awarded for specific academic course credit when the equivalency has been determined by the appropriate vocational-technical division or department.

Reciprocal exchange of non-equivalent prior learning such as course work training or work experiences between vocational-technical and academic institutions shall be at the discretion of the appropriate division or department.

If a student transfers from one program in vocational-technical education or an academic program to another, the receiving department or division will re-evaluate the appropriateness of such vocational-technical training, experience, and/or academic course work.

Independent Study

The independent study experience provides individual study opportunities of reading or project nature. The availability of independent study opportunities for graduate students, upper-division, and Honors Program lower-division students represents one of several unique curricula choices at Boise State University.

Any department which fields a baccalaureate or graduate degree program is authorized to offer independent study. The course numbers identifying independent study are not listed in the Schedule of Classes. This does not preclude their availability based on mutual agreement between student and professor and approval by the appropriate department chairman.

Upper division students are eligible for 1 to 4 credits of Independent Study per semester. This experience may be repeated for a maximum of 9 credits towards graduation with no more than 6 credits in any given academic year.

Lower division Honors Program students are eligible for 1 to 3 credits of Honors Independent Study per semester. Credits may not exceed 3 per semester with no more than 6 in an academic year.

Independent Study may not be substituted for any departmental course requirements without prior approval of the department chairman and dean of the school offering the independent study.

Internship

Internships are available in many departments and in all schools within Boise State University. They provide an opportunity for a student to participate for variable credit in a field exercise or practicum which contributes to his/her academic development. The precise nature of an individual internship will necessarily vary depending upon the department, agency or student.

GRADUATION REQUIREMENTS

Application for Graduation

A student must make formal application for graduation by filing an application form in the Registrar’s Office. To be guaranteed a graduation evaluation prepared prior to the last semester of attendance, a student should apply at least two semesters in advance of contemplated graduation or upon completion of 70 credit hours.

Requirements for graduation are checked in accordance with the requirements of one University catalog. A student is not permitted to combine programs from different catalogs, but may choose to graduate on the basis of the catalog of any year he/she has been registered providing that the catalog was in effect not more than six academic years prior to the year of graduation.

General University Requirements (Core)

To receive a Baccalaureate degree from Boise State University, all students must meet certain core requirements. Approximately one third each of their undergraduate program will be taken in core courses, major concentration, and electives. The university core is aimed at developing specific learning and communication skills of literacy and critical thought. The university core requires 3 to 6 credits of English Composition, dependent upon the student's score on a national test; 12 credit hours in each of 3 areas—Area I, Arts and Humanities, Area II, Social Sciences, and Area III, Natural Science. Specific coursework will be required in at least three disciplines in Areas I and II. BA candidate must include a literature (Area I) and a history (Area II) course, and either: 1) a year's sequence in one science and a semester in another or 2) three courses in science concepts, for fulfilling Area III.

In addition, B.A. students must have an additional 9 hours in Area I and/or II (excluding major requirements), and B.S. students must have an additional 9 hours in Areas II and/or III. Degrees other than the B.A. or B.S. may differ in their core content quantitatively from the core, but must contain English Composition and a minimum of 26 credits to be chosen from Areas I, II, and III, with no less than 6 credits taken from any one of those areas.

Courses offered to fulfill core requirements will be identified by area in the catalog; e.g., P 101 General Psychology (3-0-3) (AREA II) A grade of “C” is required in any course used to fulfill a core requirement including E 101, 102. All entering-full-time students whose national test scores (ACT or SAT) show a composite percentile at the 20th percentile or below, or who have test percentiles below the 20th percentile in English or Math will be referred to a special advisor who will help the student enroll in appropriate courses to build basic skills. Such students should not enroll in more than an equivalent of 12 credit hours per semester until the deficiency is removed.

All students who have not taken and passed a competency exam as part of their writing courses at Boise State University must pass a competency exam in written English which should be taken prior to the senior year.

The ENGLISH COMPOSITION requirement may be met in one of the following ways:

1. Completion of E 101 and E 102, English Composition.
2. Completion of E 111 and E 112, Honors Composition. Admittance is dependent on ACT score.
3. Successful Challenge of E 101 or E 102 by taking the departmentally specified competency test.
4. Students who score in the 80th percentile or above on the ACT, or who are permitted to take and pass the departmentally specified competency test are exempt from E 101. E 102 is required.

AREA REQUIREMENTS are general education requirements required of all students seeking a Baccalaureate degree. Courses in the following lists have been approved to satisfy the core requirements. Additional courses may be approved and students should check with academic advisors for the most current list of courses approved to satisfy core requirements.

AREA I - Arts and Humanities

AR 101, 102 Survey of Western Art
AR 103 Introduction to Art
AR 105, 106 Basic Design
E 215 Far Eastern Literature in Translation
E 230 Western World Literature
E 235 Western World Literature
E 240 Survey of British Literature to 1790
E 260 Survey of British Literature: 1790 to Present
E 271 Survey of American Literature: Beginning to Civil War
E 272 Survey of American Literature: Civil War to Present
F 201, 202 Intermediate French
G 201, 202 Intermediate German
H 207 Introduction to Humanities
H 208 Introduction to Humanities
IH 101 Humanities: A View of the Nature of Man, I
IH 102 Humanities: A View of the Nature of Man, II
IH 111 Humanities: A View of the Nature of Man, III
IH 112 Humanities: A View of the Nature of Man, IV
MU 133 Introduction to Music
MU 341, 342, 343, 344 History and Literature of Music
PY 101 Introduction to Philosophy
PY 121 Introduction to Logic
S 201, 202 Intermediate Spanish
ACADEMIC INFORMATION

MINIMUM GRADUATION REQUIREMENTS (CREDITS)

ALL BACCALAUREATE DEGREES

General College Requirements (minimum)
A. Total credit hours ........................................ 128

Must Include:
1. English Composition E101, 102 ................................ 3-6
2. Upper Division credit hours .................................. 40

B. Grade Point Average for all Courses taken .................. 2.0

Other College Requirements
C. Minimum requirements for one of the degrees offered.
D. Specific Requirements for a departmental major.
1. A student must have a minimum cumulative 2.00 GPA in all courses required by his/her major.
2. A student will not be allowed credit toward his/her major department requirements for any grade of "D" in upper division courses in his/her major department.

E. A minimum of 15 credit hours of electives outside of the major field.
F. Minimum credit hours in residence: The last 30 credit hours prior to graduation must be taken at the university during the regular or summer sessions.

Extension, Correspondence, and Religion Courses
A candidate for a degree may earn up to 32 semester hours in any combination of extension and/or correspondence courses toward the required credit hours for graduation. These hours must have departmental approval for acceptance towards major department requirements.

Such correspondence courses must be completed, and the transcript filed with the registrar prior to mid-term of the semester in which the last 30 hours of residence credit are started.
Up to eight (8) credits of non-sectarian religion courses from accredited colleges and universities may be accepted as general electives.

Physical Education Courses
A candidate for a degree may have up to 8 semester hours of Physical Education activity courses counted towards graduation.

Requirements for Additional Baccalaureate Degree
A. A minimum of 30 additional semester hours of resident work, beyond the hours required for his/her first degree, for each subsequent degree.
B. Satisfaction of upper-division requirements in the major field selected as recommended by the department and approved by the dean of the school granting the additional degree.
C. Satisfactory completion of other requirements of the University as approved by the dean of the school granting the additional degree.

Requirements for Double Major
A student may be granted a single baccalaureate degree with more than one major, providing that he/she satisfies all requirements for each major field as recommended by the department and approved by the dean of the school granting the additional degree as well as satisfying all requirements for the degree sought.

MINIMUM REQUIREMENTS (CREDITS)

BACHELOR OF ARTS DEGREE
A. General University requirements — 3 or 6* credits
   1. English Composition E101, 102 ............................. 3 or 6*
   2. Three credits in a second field
   3. Three credits in a third field
   4. Three credits in any Area 1 field

B. Area I requirements, Arts & Humanities .................. 12**
   1. Three credits in Literature
   2. Three credits in a second field
   3. Three credits in a third field
   4. Three credits in any Area 1 field
C. Area II requirements, Social Sciences
   1. Three credits in History
   2. Three credits in a second field
   3. Three credits in a third field
   4. Three credits in any Area II field

D. Area III requirements, Natural Science
   1. A year's sequence chosen from:
      Biological Sciences
      Mathematics
      Physical Sciences***
      With additional credits from a field other than that chosen to satisfy the sequence requirement.

OR

2. Any three of the following courses except no more than two from a single department:
   Biology—Concepts of Biology
   Chemistry—Concepts of Chemistry
   Geology—Fundamentals of Geology
   Mathematics—Cultural Approach to Math
   Physics, Engineering, and Physical Science
   Energy for Society
   Introduction to Descriptive Astronomy
   Either Foundations of Physical Science or A Cultural Approach to Physics, but not both

E. Students seeking the B.A. degree must have an additional 9 credits chosen from courses in any of the following disciplines:
   Art
   Humanities
   Literature**
   Music
   Philosophy
   Theatre Arts
   Foreign Language (102 or higher of one language)
   Anthropology
   Communication
   Economics
   Geography
   History
   Political Science
   Psychology
   Sociology

F. Departmental Major
   *Determined by student score on ACT exam. See page 31.
   **Three credits may be in performance courses.
   ***Literature—Courses in various departments concerned with the writings of specific authors, periods, styles, or geographic area.
   ****The Physical Sciences include courses in Chemistry, Geology, Physical Science, and Physics.

BACHELOR OF BUSINESS ADMINISTRATION DEGREE
MINIMUM REQUIREMENTS (CREDITS)

A. English Composition E101, 102 .......................... 3-6*
   Area I requirements, Arts & Humanities ................. 12**

B. Area II requirements, Social Sciences .................... 12
   1. Economics .................................. 6
   2. Area II credits other than in economics ............. 6

C. Area III requirements ................................. 12
   1. Two-semester sequence in math ........................ 8
   2. One-semester physical or biological science ......... 4
      Suggested science courses:
      Concepts of Biology, B-100
      Concepts of Chemistry, C-100
      Foundations of Physical Science, PS-100
      Fundamentals of Geology, G-100
      Introduction to Descriptive Astronomy, PH-105
******

E. An additional 16 hours are required in disciplines other than those administered in the School of Business. These additional credits must include hours from at least two of the three areas listed below:
   Area II.
   Humanities
   Theatre Arts ✓
   Art ✓
   Music
   Philosophy
   Foreign Language (102 or higher of one language)

   Area II.
   Anthropology ✓
   Communication ✓
   Geography
   History
   Political Science ✓
   Psychology
   Sociology
ACADEMIC INFORMATION

Area III
Biological Sciences
Mathematics
Physical Sciences

A major in Accounting, Business Education, Economics, Finance, General Business, Information Sciences, Management, Marketing, Production Management, Real Estate, or Office Administration meeting all specific requirements for the major, see requirements in Part V.

* Determined by student score on ACT exam. See page 31.

BACHELOR OF FINE ARTS DEGREE

A. General University Requirements 3-6*
   1. English Composition E101, 102 3-6*

B. Area I Requirements, Arts & Humanities 9
   1. Literature ........................................... 6
   2. Other courses ..................................... 3
      No fewer than 3 credits selected from:
      Introduction to Music
      Introduction to Theatre
      Introduction to Humanities
      Foreign Language (102 or higher of one language)

C. Area II Requirements, Social Sciences 9
   1. Lower Division History ............................ 3
   2. Other courses ..................................... 3
      No fewer than 3 credits selected from:
      Political Science
      Sociology
      Anthropology
      Communication
      Psychology
      Economics
      Geography

   3. No fewer than 3 additional credits selected from areas
      C. 1 and C. 2 above ................................ 3

D. Area III Requirements, Natural Science 8
   A year's sequence chosen from the following:
   Biological Science
   Mathematics
   Physical Science**
   or any two of the following:
   Concepts of Chemistry
   Concepts of Biology
   Fundamentals of Geology
   Cultural Approach to Math
   Introduction to Descriptive Astronomy
   Foundation of Physical Science
   Concepts of Physics
   Introduction to Descriptive Astronomy

E. Individual departmental major listings in other parts of the catalog may specify how Area I, II, and III requirements are to be fulfilled.

F. A major in Art

A candidate for the BFA degree must have Art Department approval during his/her junior year.

* Determined by student score on ACT exam. See page 31.
** The Physical Sciences include C, GO, PS, PH courses.

BACHELOR OF MUSIC DEGREE
MINIMUM REQUIREMENTS (CREDITS)

A. General University Requirements 3-6*
   1. English Composition E101, 102 3-6*

B. Area I Requirements, Arts & Humanities 9
   1. Literature ........................................... 3
   2. Three credits in a second field .................... 3
   3. Three credits in any of the following fields .... 3
      Art—AR
      Humanities—HU
      Literature**

C. Area II Requirements, Social Sciences 9
   1. History .............................................. 3
   2. Three credits in a second field .................... 3
   3. Three credits in any of the following fields .... 3
      Anthropology—AN
      Communication—CM
      Economics—EC
      Geography—GC
      History—HY
      Political Science—PO
      Psychology—PY
      Sociology—SO

D. Foreign Language and Area III Requirements 8
   1. Performance and Theory—Composition Majors:
      a. A year's sequence of a foreign language ....... 8
      b. A year's sequence chosen from:
         Biological Sciences
         Mathematics
         Physical Sciences
   or
   Any two of the following courses:
   Concepts of Biology
   Concepts of Chemistry
   Fundamentals of Geology
   Cultural Approach to Math
   Foundations of Physical Science
   Introduction to Descriptive Astronomy

E. A major in music with emphasis in Performance, Theory Composition, or Music Education, meeting all specific requirements as defined on pages 76 in the catalog.

* Determined by student score on ACT exams. See page 31.

** Literature—Courses in various departments concerned with the writings of specific authors, periods, styles, themes, or geographic area.

NOTE: PRE-LAW CURRICULUM

Boise State University does not prescribe a pre-law curriculum; the student's plans should be based on his/her own interests and his/her own personal objectives in studying law. In general, the pre-law student should place emphasis not only on the acquiring of knowledge of the fundamental elements which define the nature and character of society but also on the development of methods of study, thought, and communication. Present-day law students have undergraduate degrees in Political Science, English, Business, Natural Science, History, Linguistics, Communications, and a host of other disciplines.

For additional information, see the current PRE-LAW HANDBOOK, published annually in October and prepared by the Law School Admission Council and the Association of American Law Schools. This book includes material on the law and lawyers, pre-law preparation, application to law schools, and the study of law, together with individualized information on most American law schools. It may be ordered from Educational Testing Service, Princeton, New Jersey.

NOTE: ASSOCIATE OF ARTS DEGREE PROGRAM

Participation in this program is limited to students residing at the Idaho State Correctional Institution. The curriculum is focused around normal freshman and sophomore general education courses and a broad exposure to the social sciences. A student completing this program will have completed all University general education requirements except possibly one lab science course. The program includes:

- English Composition E101, 102 3 or 6 hours
- Area I and Area II including Literature 12 hours
- Area II including History 12 hours
- Area III 8 hours
- Major Requirements 12 hours
- Electives 14 or 17 hours

Total hours: 64
Entrance into this program by a student at the I.S.C.I. will be through a signed agreement by the student, the I.S.C.I. Education Director, and the Continuing Education Director, Boise State University. The agreement shall terminate six months from the date of the student's release from the I.S.C.I. unless all three parties agree to a time extension. The agreement will be made available to only those residents of the I.S.C.I. who have graduated from high school or who have successfully passed the G.E.D. examinations.

Once admitted to the Program, the student is responsible to see that his program moves forward to completion. Program advising will be available at the time of registration each semester, but it is the responsibility of the student to seek out advice when needed.
