### ISS Staff Spotlight!

Ahmad Almotairi

I am an international student from Riyadh, Saudi Arabia. I'm majoring in Human Biology and currently the president of Saudi Student Club. I have been in Boise since August of 2011. I speak Arabic and English. I like all of kinds of sports. I am so happy to be part of ISS where I can help and interact with people from different parts of the world.

### Awareness Campaign on Campus!

Multicultural Student Services (MSS) is doing an awareness campaign that reminds students to please keep in mind that certain Halloween costumes inappropriately perpetuate racial, cultural, and gender stereotypes. Although it may not be the intent, these costumes, and choosing to wear them, can depict identities in ways that are offensive or hurtful to others. We want to remind students to please take care in selecting their Halloween costumes.

If you are interested in helping MSS, they will be creating the posters this week and next week. They will display the posters in the quad between 11am and 2pm on October 18<sup>th</sup>, 25<sup>th</sup> and 30<sup>th</sup>.
