ISS Staff Spotlight!

Alejandro Hortet

I am an International student from Colombia. I am majoring in Mechanical Engineering with a minor in Bio-medical Engineering; I am fluent in Spanish and English. I plan on graduating and applying to Medical School and becoming a surgeon but that might change, not sure yet. I love playing Soccer and any other sport. I will try any sport. I have traveled to several countries; I enjoy traveling and interacting with different

cultures. Working at the ISS gives me that opportunity.

For accommodations please contact International Student Services at (208) 426-3652.

PARTICIPATE IN THE ISS PHOTO CONTEST!

ISS would like to invite all international students to participate in our 2013 Photo Contest! Submit one photo and see if your photo is chosen as the winner! All photos will be displayed during International Education Week, November 18-22. Students and staff will submit their votes for the top photo. The photo with the most votes will be the WINNER and will be framed and permanently displayed in the Student Diversity Center. The winning photographer and photo will also be featured in the International Insider.

Photos should relate to the following categories:

1. A valuable/unforgettable/life-changing Boise State college experience
2. American culture (your favorite or most shocking discovery about American culture!)
3. Your identity (how have you changed as a result from studying in the U.S., Boise, and Boise State?)

Photos should be emailed as JPEG files to internationalinfo@boisestate.edu by **November 13th at 5pm.**

International Education Week (IEW)

is a nationally recognized event. Boise State will be participating with a variety of events from November 18-22. At IEW, International students will have the opportunity to represent their countries or culture. In the past, students have hosted an information booth, done presentations, shown a film from their country, etc. You can be as creative as you want with how you want to represent your country or culture!

If you are interested in participating at International Education Week this is what you need to do:

- To sign up send an email to Cindy Fernandez from ISS at internationalinfo@boisestate.edu with CINDY-IEW in the subject line.
- In this email you must state which date and time you wish to participate. The days would be from Monday November 18th to Friday November 22nd. Also, you must give detailed information on the event/presentation that you will be hosting. ISS can assist you with booking a room and with the planning of your event.

Please let us know if you have any questions.

Graduate School Fair

Are you wondering if Graduate School is for you? Are you trying to decide on a degree program? Attend the Graduate School Fair here at Boise State and learn about the opportunities available to you. Check this link for more details: 4 – 6:30 Pm
