BROADCAST OF COMMENCEMENT – Channel 11, Public Access TV, will broadcast the complete commencement ceremony on Saturday, May 25, 2002 at 2:00 p.m. and Sunday, May 26, 2002 at 2:00 p.m.

ACKNOWLEDGEMENTS

The recessional music, “Golden Jubilee,” was composed by Dr. Mel Shelton, Professor Emeritus, for Boise State University’s 50th Anniversary (1982).

The Commencement Committee expresses its special appreciation to Interior Greenscapes and Ric’s Capital City Florists, Inc. for arranging the plants and flowers for the ceremony; Rocky Mountain Audio Visual, Inc. for furnishing the audio/visual/lighting for the ceremony; Chappell Studios for providing photographs to the graduates; Chuck Scheer for candid and promotional shots of the ceremony and reception; Jostens and the Boise State Bookstore for regalia orders; Fine Host for arranging the reception; Printing and Graphic Services for the design and printing of the program; and the Pavilion staff whose hard work and dedication make the ceremony run smoothly.

A special thanks goes to Dr. Richard Klautsch, Chair, Department of Theatre Arts, and Ann Klautsch, Special Lecturer, Department of Theatre Arts, for the monumental task of reading the names of each graduate.

Music is under the direction of Marcellus Brown, Director, Boise State University Symphonic Winds.

The honor color guard is provided by the Cadet Company of the Boise State University ROTC, CPT Kevin Kelly, Boise Bronco Battalion.

ACADEMIC DRESS

For centuries academic dress has been associated with learning. Its origin is considered to be ecclesiastical, though the gown of the medieval scholar may have developed out of the ordinary civilian costume of an earlier period. The medieval scholar was often a monk, who found the hood and gown a protection against the cold of his cell. The sleeves of his gown were used for carrying his books and supplies.

In the United States, three types of gowns and three types of hoods have been devised for the bachelors, masters, and doctors, respectively. The square caps are the same except that the doctor's may be made of velvet and have a tassel of gold.

The distinguishing characteristic of the gowns is the sleeves: pointed and hanging to the knee, for the bachelor; closed (the arm coming through a slit at the elbow), square at the end, extending well below the knee, for the master; full, round, open, bell-shaped, adorned with three bars of velvet, for the doctor.

The colors on the hoods represent two things: the wearer's Alma Mater and the department of learning. The lining of silk is in the color or colors of the college or university granting the degree. The trimming of velvet is the color that represents the department of learning in which the degree was obtained. The velvet trimming on a doctor's gown may also be of the departmental color or it may be black.
