

BOISE STATE
UNIVERSITY

SPRING COMMENCEMENT ♦ MAY 16, 2009

BOISE STATE UNIVERSITY

SATURDAY, MAY 16, 2009

PRESIDENT'S MESSAGE

Welcome to Boise State University's 2009 Spring Commencement. This ceremony, in your honor, is our University's finest hour. Your years of hard work and dedication have paid off. The challenges set before you have been met after enduring countless late nights, lectures and exams. Another impressive class of Broncos is ready to make its mark on the world.

To the graduates, we are very proud of you and your accomplishments, and we are committed to continually improving the academic profile of Boise State to ensure that you take pride in your alma mater. Boise State University is on the map and on the move. The value of the degree you will receive today will grow along with our reputation as a metropolitan research university of distinction.

To the loved ones of the graduates, take pride in the accomplishments being recognized today given the supporting role you have played in the lives of our graduates. Without your love and support, this celebration may not have been possible at all.

Finally, let us all remember that learning does not stop with graduation. The noble, lifelong pursuit of knowledge, enrichment and enlightenment is critical to a full and meaningful life.

Thank you for placing your trust in Boise State University for your higher education aspirations. On behalf of the faculty, alumni, staff and students, let me be the first to offer a heartfelt congratulations and best wishes for a bright future.

Go Broncos!

Sincerely,

A handwritten signature in black ink, appearing to read "Bob Kustra". The signature is stylized with a large, looped initial "B" and a cursive "Kustra".

Bob Kustra
President
Boise State University

BOISE STATE UNIVERSITY

With record student enrollment, new academic buildings, additional degree programs and an expanding research portfolio, Boise State University is *The New U Rising*. Growth in all these areas has been the defining characteristic in recent years for the largest university in Idaho.

Boise State is in the midst of a transformation that nurtures its traditional teaching strengths while expanding its capabilities in research and scholarly activity. This is not a revolution, but instead an evolution that reflects the integral part Boise

State plays in contributing to the quality of life in the Treasure Valley and beyond.

The campus community has embraced this opportunity to grow, change and flourish. Boise State is establishing itself as a university distinct in the West with the implementation of its Charting the Course strategic vision, Campus Master Plan for facilities, and Initiative for Athletic Excellence.

Boise State has embarked on a mission to become a metropolitan research university of distinction. Its efforts are focused on:

- Providing a quality undergraduate experience
- Offering more graduate programs
- Enhancing and expanding its research mission
- Forging partnerships that contribute to regional growth and development
- Providing a center for cultural and intellectual exchange that enriches the community

Boise State's broad range of undergraduate programs and several highly regarded programs at the graduate level make it an institution that can meet the educational needs of many. Boise State features academic programs in eight colleges: Arts and Sciences, Business and Economics, Education, Engineering, Graduate Studies, Health Sciences, Social Sciences and Public Affairs, and Larry G. Selland College of Applied Technology. Students can study abroad, participate in one of the largest internship programs in the Northwest and work with professors on cutting edge research in a variety of fields.

With an enrollment of nearly 20,000 students, Boise State is a progressive learning-oriented, student-focused university dedicated to excellence in teaching, innovative research, leadership development and community service. These students are benefiting from a renewed emphasis on the undergraduate experience and reaching graduation day better prepared for the challenges of the 21st century.

PROGRAM

Spring Commencement ♦ May 16, 2009 ♦ 10:00 a.m.

- Prelude Music**..... Boise State University Symphonic Winds, John King, Director
- Processional: *Pomp and Circumstance***..... Boise State University Symphonic Winds
Audience please stand during the processional.

COLLEGE OF APPLIED TECHNOLOGY

Megan Hyun Bachini
Abigail Marie Ollie
Bernedeane Therese Treanor
Brett Richard Vanbuskirk

HONORARY DOCTORATE

BETHINE CHURCH

Bethine Church's autobiography titled, "*A Lifelong Affair: My Passion for People and Politics*," describes her life. Born in 1923, Bethine's father was Chase Clark who served as Governor and a Federal Judge in Idaho. From 1942-43, Bethine attended Boise Junior College and graduated in 1945 from the University of Michigan with a major in sociology. As a student at Boise High School, Bethine met Frank Church, whom she married in 1947 at the Robinson Bar Ranch, homesteaded on the Salmon River by her family.

In 1956, Frank Church was elected to the U.S. Senate, where he served for 24 years and was Chairman of the Foreign Relations Committee. During his tenure, Bethine was often called the "third Senator" from Idaho because of her active partnership in the Senate. With the Senator, she traveled the world and campaigned with him for President in 1976. After the Senator's death in 1984, Bethine returned to live fulltime in Idaho, where she has remained fully engaged in public life.

Bethine was the founder and president of the Sawtooth Society established to protect the Sawtooth National Recreation Area. She chairs The Frank Church Institute, which sponsors annual conferences, a professor and scholarships at Boise State University. She continues to mentor Democratic candidates for local, state and federal office.

Bethine has two sons, Forrest Church, who served as the minister of All Souls Unitarian Church in New York for 30 years; and Chase Church, who graduated from BSU in 1999 with a major in communications. She has six grandchildren, including her grandson, Andrew Church, who will be a freshman this fall at Boise State University.

Listed as one of the 100 most influential Idahoans for several years, she is the seventh person to receive an honorary doctorate from Boise State.

STUDENT SPEAKER

HAILEY WILSON, a health studies major with a minor in biology, has consistently achieved high levels of academic success, which combined with her extracurricular and research activities, embody the best traits of Boise State University's student body.

Wilson is from Lapwai, a community on the Nez Perce Reservation in Idaho. For her, going to college was not an option. It was something that she knew she had to do. Her family always emphasized the value of an education as a means to help herself and her community.

Determined and hard working, Wilson plans to attend medical school and study general medicine. It is her goal to return to the reservation to help make her community a better place. Working in rural areas where health services are not available is important to her. She values family and community, and they are what drive her to do what she does. It's not about striving to achieve personal success, but rather it's about achieving success for the benefit of others.

A Top Ten Scholar, Wilson has been involved in many extracurricular activities including serving as president for the Intertribal Native Council for the last two years where she helped the club become more involved in campus and community activities. She has also volunteered at the Lapwai Boys and Girls club for the last five years. In 2007, she interned in a molecular epidemiology lab at the Harvard School of Public Health.

"Hailey is the epitome of a great student, but more importantly, a great person who has embraced all that college could be and enthusiastically plans to make positive contributions in the future," said Glenda Hill, director of pre-professional studies who, along with Ed Baker, professor in the community and environmental health department, nominated her for the honor of speaking at commencement.

BOISE STATE UNIVERSITY

GRADUATE COLLEGE

Doctor of Education, Curriculum & Instruction

Cherie Jolene Dockstader
Marybeth Flachbart
Lisa Louise Kinnaman
Linda Fay Kirby
Brian Whitney

Master of Science, Accountancy

Alan Martin Anderson
Krista Diane Hegstrom
Qi Li
Jordan Michael White

Master of Science, Accountancy, Taxation

TOP TEN SCHOLARS

Top Ten Scholars are chosen from among the top 10 percent of Boise State's graduating class of more than 3,000 students for 2008-09. They are selected based on academic performance, recommendation from college deans, and extracurricular and research activities.

Each student also honors a Boise State professor who was particularly influential to his or her success.

This year's award winners, in alphabetical order, and their honored professors are:

NICOLÁS DIAZ, Argentina, is a political science and Spanish major, with a minor in Japanese studies. His interest in international socio-economic factors, in addition to his upbringing in Argentina, has played heavily into his research and vocational pursuits. Nicolás has presented work at Clinton Global Initiative University and the International Studies Association-West Annual Conference and is awaiting acceptance to two other conferences. Since starting his educational career at Boise State,

he has actively participated in several campus organizations, including serving as vice-president of the Boise State Honor Student Association, treasurer of both Pi Sigma Alpha and Gamma Beta Phi, and is president of the Boise State Japan Club. Other pursuits have included an internship at the Ada County Courthouse, where he worked with the small claims and interpreter's department, as well as volunteer work with UNICEF, Boise State Volunteer Services Board, and Boise State Spring Break Alternative. Nicolás plans to attend graduate school where he would like to specialize in Latin American and Asian relations.

Honored Faculty—Dr. Adrian Kane, assistant professor of Spanish

PANKHUREE DUBE, New Delhi, India, is a double major in history and political science with a minor in Latin American studies. She is fluent in Spanish, studied Mandarin, and has native fluency in Hindi. Her volunteer work includes working as a Spanish-speaking TA for children of migrant workers in the Boise State High School Equivalency Program. She served two years as president of the Phi Alpha Theta History Honors Society, for which she organized "Reel vs. Real" events bringing faculty and

students together. Pankhuree's honor's thesis focuses on indigenous mobilization in India and Mexico. Her project for graduate research on Oaxaca-central India was well received by Oaxacan, American, and South Asian academics at the 2008 NCCLA Conference. Last summer, she was chosen to participate in a workshop on global sustainability at UC-Berkeley. That same year, her panel proposal was accepted at the ISA-West Conference in San Francisco. Pankhuree plans to pursue a Ph.D. and teach at the university level.

Honored Faculty—Dr. Nick Miller, chair, Department of History

LANDON GRANGE, Boise, is a Spanish major who has also satisfied most of the requirements for a biochemistry degree. His on-campus involvement includes leadership positions with the LDSSA, tutoring at the drop-in math center and serving on the Boise State Policy and Appellate Board. Landon utilizes his fluency in Spanish and medical knowledge as a volunteer at the Garden City Community Clinic and has also volunteered to help with translation at parent-teacher conferences at local

elementary schools. Last summer, he was invited by the University of Alabama in Birmingham to participate in a funded research program. He's currently working on a project on synthesizing carbonyl reductase inhibitors to improve the efficacy of chemotherapy drugs called anthracyclines. Landon plans to become a neuro-ophthalmologist contributing to stem-cell research that will lead to cures for people who suffer from blindness and vision-impairment. He has been invited to interview for UAB's medical scientist training program and the University of Utah's joint MD/Ph.D. program.

Honored Faculty—Dr. Steve Barrett, adjunct faculty of English

WADE LANNING, Pocatello, is a materials science and engineering major with an emphasis in biomedical engineering. Wade's interest in his field of study was influenced by his participation in the 2005 National Youth Science Camp in West Virginia, a month-long camp experience meant to develop and enhance the aptitude of high-achieving students. His university involvement includes acting as treasurer of the Engineering Honors Society and serving as facilitator of the 2008 Honors College retreat. As a volunteer, he

worked at the Boise Discovery Center during an Invent Idaho event and helped organize a Cookies for Troops service event. Wade's research includes finite element analysis of metal microstructures. He is continuing this research through independent study this semester. He has also been chosen to present research and his senior project in posters at this year's Boise State Undergraduate Research Conference. Wade plans to attend graduate school and pursue a Ph.D. in materials science and engineering.

Honored Faculty—Dr. Megan Frary, assistant professor of materials science and engineering

EMMA McINTURFF, Pocatello, is a chemistry major with a minor in Spanish. She has utilized her interest in math and science working as a tutor at the drop-in math center and a teaching assistant in the chemistry department, as well as instructing two freshman chemistry lab courses. In studying aziridinomitosenes, a group of potential anticancer drugs, she completed the synthesis of a target compound, and after training in biochemical techniques at Pacific Lutheran University, contributed to

the discovery of novel protein-DNA interactions of aziridinomitosenes. In addition to studying abroad in Málaga, Spain, Emma traveled to Baja, Mexico, for a service-oriented kayaking trip and participated in an environmental studies trip to Lake Powell. Her service work includes organizing an annual Locks of Love Cut-Off for students through the honors society and volunteering at a homeless shelter and for the Salvation Army. Emma has been accepted into some of the top graduate programs in the country and plans to pursue a Ph.D. in organic chemistry.

Honored Faculty—Dr. Don Warner, assistant professor of chemistry

DAN SIMENC, Chico, California, is a double major in applied mathematics and economics. He spent his high school years as a professional freestyle kayaker where he paddled extensively throughout the United States, Canada, South America, and Europe. Throughout his collegiate studies, he tutored various subjects including philosophy, math, business, chemistry, and economics and helped students find their own academic success. His research endeavors include working as a research

assistant for the economics department where he studied air pollution in the Treasure Valley. He presented a collaborative class project on Boise State's carbon footprint at the Idaho Conservation League 2008 Wild Idaho Conference and administered a self-designed individual carbon footprint calculator to the attendees. Dan's volunteer experience includes teaching kayaking to injured veterans during a weeklong tour of Colorado. He is president of the Economics Club and past president of the Kayak Club. After taking a year to travel and work, Dan plans to pursue a Ph.D. in economics.

Honored Faculty—Dr. Chris Loucks, professor of economics

MALLORY SULLIVAN, Jackson Hole, Wyoming, is a biology major with an emphasis in human biology. Last summer she was selected as an INBRE scholar to participate in biomedical research in the Brown lab. This led to presenting a poster at an INBRE conference where she won third place in fellow-presenter votes. Mallory's campus involvement includes working as a peer advisor for pre-professional students and membership in both Phi Kappa Phi Honor

Society and Pre-Med Club. Her volunteer work includes mentoring a little sister through the Big Brothers Big Sisters program, doing intake and eligibility at the Garden City Community Clinic with Genesis World Mission, working at ALPHA, and helping at an art therapy group for dementia patients. This summer she plans to go to Belize on a pre-medical mission trip. She has shadowed with various physicians for over 100 hours and will be applying for medical school with the goal of entering in the fall of 2010.

Honored Faculty—Dr. Kristen Mitchell, assistant professor of biology

DANE VANHOOZER, Boise, is a history major with a minor in Japanese studies. As an employee with the U.S. Forest Service for the last five years, Dane worked closely with helicopters in the prevention and suppression of wildfires and assists in burned area recovery projects. This work influenced his current research project, which examines the environmental consequences of suppressing wildfire in the Boise National Forest. Dane won the Wallace G. Kay Writing Contest for a paper analyzing the

Civil War Battle of Antietam and will present his work at a Phi Alpha Theta Regional Conference. As part of an on-campus service-learning project, Dane acted as a guide to Japanese exchange students. From this experience, he built global connections and will teach abroad in Japan after graduating. Serving as a teaching assistant for History 111 helped Dane realize his passion for teaching. He plans to apply to graduate schools to study environmental history; his goal is to become a university professor.

Honored Faculty—Dr. Lisa Brady, assistant chair, Department of History

JESSICA VERBANAC, Boise, is a double major in Spanish and elementary education with a focus in bilingual/ESL. Upon entering Boise State, she became the president of BESO, the bilingual education department's academic organization. Her desire to help children become lifelong learners has inspired her academic studies and volunteer work. She studied abroad in Guadalajara, Mexico, where she volunteered at a local public elementary school giving advanced English instruction to migrant

students. As a member of AmeriCorps, she worked at Jefferson Elementary School as a reading and math tutor and translated for meetings between staff and parents. From 2007-09, Jessica was awarded the Grow Your Own Teacher stipend and worked as an ESL tutor at Whittier Elementary. She will complete her student teaching in Kuna and plans to stay in Idaho where she will teach in a bilingual classroom. Her hope is to break down barriers between race and language by helping students build lasting bonds of friendship, learn from each other, and question together.

Honored Faculty—Dr. Roberto Bahruth, professor of bilingual education

HAILEY WILSON, Lapwai, is a health science studies major with a minor in biology. As a registered member of the Nez Perce tribe, Hailey has developed a desire to work with disadvantaged populations in rural areas. For the past two years, she has served as president for the Intertribal Native Council where she helped the club become more involved in campus and community activities outside of their annual Powwow which hosts over 3,000 attendants. She has also been involved with the E-Peh-Tes

Pow-wow Committee for eight years and volunteered at the Lapwai Boy's and Girl's club for five years. Her campus involvement includes membership in Phi Kappa Phi Honor Society and Pre-Med Club. In 2007, she interned in a molecular epidemiology lab at the Harvard School of Public Health where she researched throat cancers and other respiratory disorders. Hailey plans to apply for medical school this summer; her goal is to become a family practice physician and specialize in rural medicine.

Honored Faculty—Dr. Ed Baker, associate professor of community and environmental health

HONORS COLLEGE

The Honors College offers exceptional undergraduate students a challenging interdisciplinary curriculum and a rich array of co-curricular activities. Those who have completed the prescribed course of study and have at least a 3.5 GPA graduate with honors. Distinguished Honors may be granted to a student whose record of Honors College activities and community service indicates outstanding performance.

DISTINGUISHED HONORS

Konrad Christopher Billetz - BS, Chemistry

Jacqueline Nicole DeWane - BS, Biology, Human Biology & Zoology Emphases, Pre-Medical Studies, and Pre-Veterinary Studies

Nicolas Adrian Diaz - BA, Political Science, International Relations Emphasis and Spanish

Pankhuree R. Dube - BA, History and Political Science, International Relations Emphasis

Jacob William Ineck - BM, Music Education and Music, Performance

Wade Richard Lanning - BS in Material Science and Engineering

Emma L. McInturff - BS, Chemistry

Christina Marie Perry - BA, Political Science, American Government and Public Policy Emphasis

Kimberly Michelle Price - BA, English, Linguistics Emphasis

Alina Marie Schimpf - BS, Chemistry and Mathematics

Hailey Wilson - BS, Health Science Studies

Nolan E. Wittrock - BA, Political Science, Public Law and Political Philosophy Emphasis

HONORS

Christopher V. Buu - BS in Electrical Engineering

Johali Mlibinge Muzaliwa - BS, Political Science, International Relations Emphasis

Anile F. Nina - BA, Psychology

Jesse David Tribby - BS, Interdisciplinary Studies

FOUNDERS' LEADERSHIP SOCIETY

The Founders' Leadership Society recognizes graduating students for their outstanding leadership involvement, both on campus and in the community. Criteria for this honor include demonstrated excellence in leadership skills, appreciation and support for diversity, commitment to service, and academic achievement.

Tyson R. Berg - BBA, Accountancy and Finance

Christopher V. Buu - BS in Electrical Engineering

Linda Cox - BS, Nursing

Nina Christine Decker - BS, Sociology

Nicolas Adrian Diaz - BA, Political Science, International Relations Emphasis and Spanish

Pankhuree R. Dube - BA, History and Political Science, International Relations Emphasis

Natalie Ava Griffin - BS, Health Promotion

Jamie K. Lange - BA, English, Writing Emphasis

Jessica S. Martin - BA, Political Science, American Government and Public Policy Emphasis

Emma L. McInturff - BS, Chemistry

Fernando Erubey Mejia Ledesma - BA, Political Science, International Relations Emphasis

Andrew Jacob Ormond - BS, Biology, Molecular & Cell Biology Emphasis and Pre-Medical Studies

Carla Dorothy Pladsen - BS, Nursing

Matthew E. Reinhold - BS in Material Science and Engineering

Jennifer D. Stemple - BBA, Marketing

Hailey Wilson - BS, Health Science Studies

EMERITI FACULTY

For meritorious service to Boise State University, the following retiring faculty are being recognized as part of today's commencement ceremony.

Robert L. Allen – Senior Instructor,
Welding & Metals Fabrication, 33 years of service

Joseph A. Baldassarre – Professor,
Department of Music, 34 years of service

Terrie Beckman – Program Head & Senior Instructor,
Dental Assisting, 19 years of service

Kellie Branson – Marketing Director,
Center for Workforce Training, 18 years of service

Thomas D. Cantrell – Program Head & Advanced Instructor,
Electrical Lineworker, 16 years of service

Jane Crane – Special Lecturer,
Department of Mathematics, 23 years of service

Robert B. Dodson – Program Head & Senior Instructor,
Electronics Technology, 30 years of service

Mikel R. Douglas – Senior Instructor,
Electronics Technology, 14 years of service

Starla S. Haislip – Program Head & Senior Instructor,
Marketing Management Technology, 17 years of service

Charles D. Hill – Senior Instructor,
Applied Academics, 15 years of service

Werner W.K. Hoeger – Professor,
Department of Kinesiology, 23 years of service

Julie Hosman-Kulm – Advanced Instructor,
Culinary Arts, 26 years of service

Susan L. Johnson – Manager,
Center for Human Services, 23 years of service

Charles Kerr – Professor,
Department of Mathematics, 40 years of service

Helen Lojek – Associate Dean & Professor of English,
College of Arts and Sciences, 32 years of service

Ed Lonsdale – Program Head & Senior Instructor,
Manufacturing Systems Technology, 19 years of service

Susan L. Madarieta – Center Manager,
Business Management and Information Technology,
19 years of service

Carol Martin – Professor,
Department of English, 37 years of service

Vera A. McCrink – Dean,
Selland College of Applied Technology, 18 years of service

Gary Mercer – Professor,
Department of Chemistry, 34 years of service

Jenny Miller – Senior Instructor,
Applied Academics, 14 years of service

Elizabeth Noonan – Program Head & Senior Instructor,
Child Care & Development, 20 years of service

Dona Orr – Program Head & Senior Instructor,
Business and Management Technology, 17 years of service

Nancy Otterness – Associate Professor,
Department of Nursing, 27 years of service

Charles Parke – Program Head & Senior Instructor,
Auto Body, 29 years of service

Melanie Reese – Associate Professor,
Applied Academics, 14 years of service

Richard J. Reimann – Professor,
Department of Physics, 34 years of service

Jeffrey Schroeder – Program Head & Senior Instructor,
Power Sports and Small Engine Repair Technology,
28 years of service

James D. Stack – Advanced Instructor,
Electronics Technology, 25 years of service

Ross E. Vaughn - Associate Dean & Professor of Kinesiology,
College of Education, 36 years of service

Craig M. White – Professor,
Department of Geosciences, 29 years of service

Jan Widmayer – Professor, Department of English,
34 years of service

CEREMONIAL TRADITIONS

The Commencement exercise is a fitting conclusion to a successful academic career and earning of a university degree. The ceremony is based on 800 years of academic tradition handed down from European universities of the Middle Ages. Commencement ceremonies, with their academic gowns, mortarboards, tassels, hoods and maces, are colorful, festive and dignified. It is a ceremony recognizing the successes of the University and the students who merit degrees.

ACADEMIC PROCESSION

The academic procession is a featured part of the commencement program – a symbolic declaration that all members of the academic community are bound by a common purpose and shared commitment to the ideals of higher education, including the search for meaning, truth and understanding.

The presidential party – the president, the provost, the vice presidents, and deans – is led by a mace bearer, who is a faculty member and the president of the faculty senate.

THE MACE

The mace, generally made of wood and clad in metal, was used as a weapon during the Middle Ages. The mace has evolved into a symbol of authority and is carried at commencement and at ceremonies where honors or degrees are to be awarded.

ACADEMIC ATTIRE

The caps, gowns, and hoods in the processional are symbolic of the Middle Ages. Because universities developed from church schools, both faculty and students were regarded as part of the clergy and wore clerical clothing based on monastic dress.

The traditional hat developed from the skull cap worn in cold weather. In Europe, a bonnet with tassel is still worn, but in America it has been replaced by the mortarboard cap or tam with tassel. The bachelor's gown, with its long, pointed sleeves, is worn closed. The master's gown has an oblong sleeve open at the wrist; the rear section is square cut. The doctor's gown often was furred, a decoration that survives today as the velvet on the front and sleeves.

The tassel colors seen in the processional correspond to the field of study.

THE MASTER'S HOOD

The academic hood was originally worn over the head in bad weather. Now, it is added to the apparel of those with master's and doctoral degrees.

The colors on the hoods represent two things: the wearer's Alma Mater and the department of learning. The lining of silk is in the colors of the college or university granting the degree. The trimming of velvet is the color that represents the departments of learning in which the degree was obtained.

The master's hood presented by Boise State University's Graduate College, displays a blue and orange chevron, denoting the University's colors. The color of the velvet border represents the field of study in which the degree is awarded.

Agriculture.....	Maize
Arts, Letters, Humanities	White
Business Administration.....	Drab
Dentistry.....	Lilac
Economics	Copper
Education	Light Blue
Engineering.....	Orange
Fine Arts, Architecture	Brown
Forestry.....	Russett
Home Economics.....	Maroon
Journalism.....	Crimson
Law.....	Purple
Library Science.....	Lemon
Medicine.....	Green
Music.....	Pink
Nursing.....	Apricot
Speech.....	Silver Gray
Pharmacy.....	Olive Green
Philosophy.....	Dark Blue
Physical Education.....	Sage Green
Public Administration	Peacock Blue
Public Health.....	Salmon Pink
Science.....	Golden Yellow
Social Science/Social Work.....	Citron
Theology.....	Scarlet
Veterinary Science.....	Gray

ANNOUNCEMENTS

Guests and family members must remain in the seating areas during the entire ceremony, including the processional and recessional, and will not be allowed on the arena floor.

Elevators are available at Entrances 1 and 2.

For medical emergencies or care, please check with ushers.

Immediately following the ceremony, faculty and graduates will proceed in the recessional through the Honor March to the reception on the Intramural Field adjacent to the Arena and the Appleton Tennis Center. Each college will have a specially designated area where family and guests can meet graduates.

The Boise State University Spring Commencement ceremony will be broadcast on Channel 11, Public Access TV on Saturday, May 23, 2009, at 10:00 a.m. and on Sunday, May 24, 2009, at 2:00 p.m.

The Boise State University Bookstore will be selling DVD's of the ceremony beginning in June. Additional information can be found on their website <http://www.boisestatebooks.com/>.

ACKNOWLEDGEMENTS

The Recessional music, "Golden Jubilee," was composed by Dr. Mel Shelton, Professor Emeritus, for Boise State University's 50th Anniversary (1982).

The Commencement Committee expresses its special appreciation to John Carpenter of John Carpenter's Flowers for providing the flowers for the ceremony; Noah Bard of PSI and his crew for furnishing the audio/visual/lighting for the ceremony; and Leslie Pass, Ron Janeczko and the Taco Bell Arena staff whose hard work and dedication make the ceremony run smoothly.

A special thanks goes to Dr. Richard Klautsch, Chair, Department of Theatre Arts, and Ann Klautsch, Special Lecturer, Department of Theatre Arts, for the monumental task of reading the names of each graduate.

Music is under the direction of John King, Director, Boise State University Symphonic Winds.

The Boise State University Meistersingers are under the direction of Dr. Phil Theodorou, Members are Anna Babichenko, Micha Boettiger, Jonathan Collins, DeAnn West Degutis, Mallory Di Bartolo, Blake Echols, Elisa Egli, Melody English, April Farlow, Kalena Fleming, Maria Gubbels, Tiffany Hernandez, Brittany Hoff, Natalie Hoover, Katrina Knight, Kelsey Knight, Thaddeus Marks, Rachael Montoya, Krista Nielsen, Kristine Nunes, Aric Pena, Reid Peterson, Natalie Pulu, Derrick Race, Joshua Ray, Nicole Ridgeway, Roderick Royce, Patrick Scott, Coralee Sharp, Natalie Seid, Michael Stear, Jacquelyn Walker, and Justin White.

The honor color guard is provided by the Cadet Bronco Battalion, Army ROTC, Boise State University under the direction of SFC Chris Gill. Color guard members are CDT Lilly, CDT Lindsay, CDT Emge, and CDT Matuszyk.

City of Boise Police Pipes and Drums consists of Boise Police Officers and volunteers. They are under the direction of Rich Fuhriman.

Boise Police Honor Guard members are Jered Bish, Casey Hancuff, Mike Riley, and Ron Winegar.

DISCLAIMER

The listing of graduates, degrees, and academic honors in the program are preliminary and subject to final degree requirement evaluation. The posting of the earned degree on the official transcript record in the Registrar's Office remains the official testimony of possession of the degree.

OUR JOURNEY TO DESTINATION DISTINCTION

Destination Distinction: The Campaign for Boise State University is Boise State's \$175 million fundraising initiative. The comprehensive campaign will transform Boise State into a metropolitan research university of distinction, that provides unparalleled opportunities for students, supports cutting-edge research to address problems locally, nationally and that improves the quality of life for all Idahoans.

The campaign focuses on three areas: people, places and programs. Boise State's students, faculty and staff (people) are our motivation and our most critical resource. New buildings, labs and other facilities (places) will allow us to impart knowledge and share in discovery. Exceptional academics and an enhanced research agenda (programs) will help us to achieve distinction.

Meeting these goals requires a broader base of support. Achieving and sustaining this level of greatness requires a commitment from our alumni, supporters and community partners. By enhancing the university's reputation, we will attract talented students and faculty and secure even better opportunities.

Destination Distinction: The Campaign for Boise State University is spearheaded by the Boise State Foundation. A nonprofit Idaho organization, the Foundation is Boise State's official fundraising organization and also serves as the custodian for charitable investments in the university. With generous help from individuals, industry and foundations, we can achieve the goals of *Destination Distinction* and take Boise State to unprecedented heights.
