BOISE COLLEGE

Vol. 1, No. 3
BOISE, IDAHO

Thursday, Sept. 23, 1965

BY MARCI MCGUIRE

The governing body of Boise College, the Student Senate, is composed of representatives from approximately 200 campus organizations. These students vote on the various issues concerning the affairs of this school, and these decisions are carried out by the executive board, a council of the student body officers and the class officers.

According to President Frank Franz, the main objective of the Senate is to build intergroup school activities and to encourage loyalty on the part of the students for their college. He also stated that school spirit is not a problem peculiar to Boise College. However, this is aggravated by two facts: a majority of the students are involved in part-time work, and (2) our own home town school which keeps students near to many other interests.

Already this one-year-old body is facing the problem of a situation to meet the needs of a rapidly expanding four-year college. With the addition of a third class, the executive board grew to an unwieldy size. Every proposed solution to this problem brings protests from one function or another. This problem will be resolved in the near future because of the understanding of the student body.

Student Senate meetings are held on the second Wednesday of each month at 7:30 in the SUB Ballroom. All eligible students are encouraged to attend and to voice their opinions on all matters concerning the college.

Marriage Consultant To Speak at Assembly

Dr. Paul Popowec, well-known marriage consultant, will be the guest speaker at a special assembly to be held at Boise College on Thursday, Oct. 21 at 9:45 a.m. The assembly, sponsored by the Marriage Institute and the YWCA, is in connection with the annual "Marriage Round-up" to be held Oct. 19, 20 and 21 at 8:00 p.m. in the First Christian Church, across from Boise College.

Sessions are free to students.

Campus Calendar

Thurs., Sept. 23—Final day to change class schedules. 3 p.m. deadline for AWS petitions to be in Dean's office.
Fri., Sept. 24—Freshman representatives for AWS election, all day in SUB 80. Money handed out by the IRC in the SUB from 9 to 12:30 p.m.
Mon., Sept. 27—Preferential bidding begins for Fall 1965-1966 Parking Space in the SUB. Bidding continues on the SUB Ballroom.
Fri., Sept. 24—Petition deadline for newly elected Interfraternity Council of officers, 4 p.m., L-121.
Wed., Sept. 29—Young Republicans Mixer, discotheque, 9 p.m., in the SUB.

CHosen to Lead the Cheers

Coed Cheerleaders

Selected by Senate

Six coeds have been chosen from a field of ten to represent Boise College as cheerleaders for the fall. The election was held at a special Senate meeting Wednesday night, due to the shortage of time and lack of available facilities for a Student Body election.

Representing the student body, the second year at Boise College are Jackie Heier and Joan Dautun representatives from Lewiston. The fourth of the four coeds represented at Boise College are Carol Purcell, Nampa; Madelyn and Gayle Stenske, Meridian, Calif.—all freshmen.

They made their first appearance at the Coed Football Assembly on Thursday, and later performed at the Pop Balley Friday and at the Saturday night football game.

By Kathryn Simpson

The next time you are riding down Warm Springs avenue, watch for a rather ghostly-looking house. If you can find it (and we don't think you could miss it), you have located the new residence for 23 female ghosts now attending school at Boise College.

Besides the normal requirements for a haunted house such as a glowing doorway, creepy steps, and ancient wrought iron gate, Chapman House has a few added attractions: a blue room, green room, a (former) hog and a doghouse, not to mention the fabulously furnished laundry room and a Guinah in the back yard.

The lovely old house at 110 Warm Springs Avenue is the former home of Mrs. J. J. Chapman and will be leased from the Catholic Church three weeks before the girls moved in. The house was taken to ease the housing problem, which was causing a great deal of worry to the administration during the summer.

Things have been very busy at Chapman these past few weeks. The girls have been "roughing it" in a mild way, since they arrived. During their first weekend they helped to paint the third floor and a new fire escape is being erected at the present time. "We are very pleased with Chapman," stated Billie Smith, newly elected house president, "even though we are short of clothes, drawers, and space. We don't even complain about the walk to the campus."

Mrs. Margaret Gibbs, resident director, has won the hearts of her girls, who affectionately call her "Mom." Under her guid-

 morts, the girls will undertake their major project, the construction of a float for homecoming.

Two years from now a new dormitory, which is still in the dreaming stage, will be completed. At this time the boys will move out of Driscoll hall into the new structure and the girls will finally get to see the inside of the boys' dormitory while they are moving in. By that time, stated Helen Moore, Dean of Women, "we will need another dormitory." So, until such time as other housing is available, there will be coed huts in the haunted house of Boise College.

Before the election was held, the girls were understood to have a particular project in mind, the construction of a float for homecoming.

The man who says it can't be done is usually interrupted by the man who is doing it.

"I" is for Image

Boise College has dropped "Junior" from its name and has added a brand new class of Juniors. To take the place of the "J" however, is a mythical "I" for Image. This Image is most important to our new four-year institution of learning, for the present and for the future. What we, the students, do and say forms the image of our college to the city, the townspeople and others.

Student behavior at college functions also affects all times of reflection, self discipline. Juvenile actions on the part of some can make it difficult for the others to be heard. At the Idaho College of Idaho, the problems which inevitably arise, tempests sometimes flared and the atmosphere becalmed. As long as the philosophy is unchallenged, with their own problems and unaware that others were having problems too. Once we understand these problems, then we can go about the business of remedying them in the future.

The headchairs began for the administration long before the college ever gained a four-year status, and have continued right through the planning of the curriculum, hiring of new faculty, and final execution of the program. Many of the staff spent long hours during the summer preparing for this semester. Then came registration, with many of the students who had been attended. Few of whom knew what they wanted to take, mainly because they did not have available the new catalog. Even though all these problems seemed to pile up, they somehow melted away when the bell rang. I wonder if they will be expected again.

The future students and faculty alike will be able to work closer together and, hopefully, registration will be more organized. The future students and faculty alike will be able to work closer together and, hopefully, registration will be more organized.

Never Another Year Like This

Reviewing the start of this historic year, the confusion of registration and the problems with four-year college have become the bane of many a student. In the past, how many of us have been able to do things without being intruded upon by this period of transition. Because of the problems which have come our way, the student body is full of complaints. Many of the staff have had to work beyond their usual limits to accommodate all the problems that have been able to do anything without being intruded upon by this period of transition. Because of the problems which have come our way, the student body is full of complaints. Many of the staff have had to work beyond their usual limits to accommodate all the problems that have come our way.

Boise Roundup

Rounds up page one of the Idaho College Roundup, the new banner, "Boise College Roundup," designed by sophomore and art editor of the Roundup, Bernice Jestrabek.

"Bernice" is a Commercial Art major under the guidance of Louis Giffin, department chairman, has been an artist "ever since I can remember." Her plan of action is "because it doesn't go fast." In addition to her art interests, Bernice is treasurer of the College Rodeo Club and was BSC Rodeo Queen last spring. She is a member of the Idaho Girl Rodeo Association and was all around Queen of 1964. Her other hobbies include dancing, swimming, and water-skating. Bernice (now school treasurtry) also works in the library part-time.

The art was now honored with a formal dedication ceremony where she also sold a painting. Several of her works were on display at the Student Art Show this spring.

Boise Roundup

The student art show is now open and utilizes the talents and background of Dr. Fray and Mr. Wu.

Recommended Listening

Recommended Listening will give our students ideas in the age of the "Changing Ideas" era presented by the Monday evening radio station KLIZ. This will be the second program in a series of 24, sponsored by the Idaho State Library Association, and will feature Radio Idaho's managing editor of "Horizon Magazine," the art of the popular Russian folk artist, Bessie Jestrabek, Nancy Glibn and Ivy Whiteman.

Library Hints...

Since Boise College has become a four-year institution, the library has substantially increased its section of periodical. The present display of display does not allow room for recent issues of all magazines on the open shelves, so if you don't see the periodical you want, check the card file located on the table with the "Recommended Reading to Periodical Literature." If the card is not available to you, you will find it in the alphabetically arranged stacks.

The New York Times and certain of its periodicals are reviewed on microfilm, wherein the film is microfilmed several times. Periodicals of periodicals which the film is microfilmed several times. **BRONETTES PREPARE TO SWING**

**By Jim Roberts**

Numerous changes have been recorded since the status of the college has been changed to four years. Some, however, have witnessed very little impact by a majority of the students. One new addition, particularly acceptable to the male sex, has been the energetic activities of the girls' drill team. After several weeks of daily tryouts, and countless sore muscles, all sacrifices were justifiable for the look.

The "Brontettes," the same finally selected by the girls, will be dressed in midnight blue costumes, with orange lining, and white hats.

Different from the typical military style of marching, the high stepping "Brontettes" parade to jazz and swing type routines, with music provided by the band directed by Mr. John Best. Selected to coordinate the activities on the field, is Captain Chris Shaw. Other officers include Janie Ladd, military lieutenant, and Jonna Storer, drill lieutenant.

According to the girls, their hope is to be fully costumed and drilled to perform at halftime for the next home game against Boise College on October 2. On November 12-14 the "Brontettes" will perform at Everett, Wash., when the Broncs play Everett College. Following the game, two days will be spent in Seattle.

**CHAPPEE SPEAKS AT FALL DINNER**

UCCI (United Christian Campus Institute) held its annual fall dinner for college students Tuesday at 7 p.m. in the First Christian Church. Dr. Eugene B. Chappee, vice president of Boise College, was the guest speaker.

Rev. Robert Grubwell, president of UCCI, introduced the speaker as a cooperative venture by a number of local groups to establish a program adjacent to the campus for Christian education and fellow workers. There are different forms such as such classes and breakfast forums. In each of these there have been activities for students at the fellowship level and parishes.

**BOISBOIS STAFF MEETS**

The first yearbook meeting of speakers, oral interpreters, and literary magazines was held Tuesday afternoon in the union club room on Monday, Cheryl Janesses, LES BOIS editor, assigned poets to the new staff. Positions include Bill Hart, freshman class editor; Steve Lawrence, sports editor, and Mike Boise, assistant sports editor. There are openings for a variety of roles, and Mr. Robert Miller, debate coach, or Jim Jones can be contacted for further information. It is possible now to have at least one candidate for the jobs. If you have never been chosen by a group, you should be quite an expert, besides, where else can you get a job for a quarter?

**DRIVE IN**

Boise Junior College to a four-year institution brought Miss Hoye back as a full-time instructor to give up her activities at Campus. Miss Hoye remembers that first year when there were only five student teachers. There were 42 last year.

Then there she became a Boise Junior College student along with her part-time assistant at Campus. Elly health forced her to give up her activities at Campus in 1963, but the advancement of Boise Junior College to a four-year institution brought Miss Hoye back as a full-time instructor and a very welcome addition to the faculty.

As the state president of the National Association for Supervision and Curriculum Development, M. I. Hoye is considered the "leading passive" national organization of curriculum development." She is a member of PTA, NEA, and will be the advisor for the debate team.

Debate Teams Organize

College debate teams, both freshman and junior varsity, are organizing under the direction of Robert Miller, debate coach, or Jim Jones can be contacted for further information. They are the first yearbook meeting of speakers, oral interpreters, and literary magazines was held Tuesday afternoon in the union club room on Monday, Cheryl Janesses, LES BOIS editor, assigned poets to the new staff. **HEADS TURN WITH INTEREST AT 12 MEMBERS OF THE BRONCOS FOOTBALL TEAM**

Head Coach Kyle Russell, enter the east assembly sponsored by Associated Women Students and held last week as part of the preparations for the bowl game.

**GOING TO ONTARIO**

A special bus to transport the students to the same Saturday football game in Ontario will leave at 6:30. Round-trip tickets ($1.50) will be on sale at the SUB and Library.

**Men Vie for Title**

Now is the chance for the fall man to represent his talents in speaking and debate. The annual King Board contest will begin this Friday noon when the new freshmen meet to select the next speaker. The board of the Valkyrie bartender.

Members of the Valkyrie service unit will be sharing the revenue with the SUB to be used to pay the band. It is hoped the SUB will use their money to improve the band. The board of the Valkyrie bartender.

**BOISE STATE MEETS**

The freshman debate team will compete in the languages that are spoken, and will be the advisor for the debate team. There are openings for a variety of roles, and Mr. Robert Miller, debate coach, or Jim Jones can be contacted for further information. It is possible now to have at least one candidate for the jobs. If you have never been chosen by a group, you should be quite an expert, besides, where else can you get a job for a quarter?
Boise College was completely overwhelmed by the Columbia Basin Hawks in the first game of the Boise season, 29-0.

Boise received the opening kickoff and began a march down field with quarterback Ron Inzel repeatedly giving the ball to Jim Evenson, who successfully carried up 15, 15 and 27 yards.

A punt situation developed and the Hawks took the ball back to the 43-yard line.

Boise Gels Ball

Only managing to bring the ball about eight yards, Jones kicked again. A clipping penalty on the Hawks gave the Broncos the ball and a punt to Burney Reemer put them past the 30 with a first down.

After an incomparable pass, Inzel called a fumble roll to Vern Morse which was fumbled and although Matta recovered the ball, the Broncos sat out on their own 42-yard line. A punt and two short runs by the Hawks brought the ball back to the 45-yard line.

The Hawks fumbled the ball to Rodney Lima, giving the home team a position on the 12-yard line. The Broncos had a first down and a second down and short carried but a third down run by Mike brides changed the situation, however, and Boise settled for trying for a field goal. Game officials called it a penalty, and the Hawks brought the ball back to the 20-yard line.

Boise Score on Pass

Boise's 20-yard field goal attempt by Howard Clark, a blank standover, broke away with the wind and picked up a quick 26 yards. With a new first down, Columbia Basin ground down to the 39 and punished Quarterback Red Bronl completed the throw to halfback Ray Stover, who burned the four yards before being brought to a halt by the ineffectually disguised Bronl
coreGaye Frisch charged through the Hawk line on the following play to nail Bronl four yards back. Four plays later Bronl left the ball and Don Brunstork nabbed it for the Hawks' first score.

Tom Jordan kicked the PAT around 11 p.m. will.

Stover ran 18 yards, carried the ball two times, and in the second quarter, the Broncos had a second score.

Stover, who had cleared the field with a hard hit, launched a pass that was picked off and taken 35 yards by Laswell.

Stover added a 74-yard pass to Jim Evenson in the fourth quarter to give the Broncos their third score.

The run back 15 to 35, after missing five and being caught behind the line of scrimmage twice, the Broncos also added an extra point.

The last score of the game came on a 15-yard run by Bronl to give the Broncos a 29-0 lead at the end of the third quarter.

An Anecdole for Coach Lyle Smith

By STEVE LAWRENCE

Professional jobs in our modern world hold one purpose in life above all others. They will do their job not only well but exceeding by well. Last season, as a part of history, Lyle Smith, head coach for the Boise College Broncos, did acquire success and has written an entire chapter of his success for the past 19 years into the history book.

This was 20th year at Boise, in just another year, another anniver-
sary year, in which Broncos fans and Lyle Smith fans especially may give thought and appreciation to the fine record and high standard of success he has perpsected.

Although Coach Smith is recog-
