Boise College Roundup, September 30

Students of Boise College

Although this file was scanned from the highest-quality microfilm held by Boise State University, it reveals the limitations of the source microfilm. It is possible to perform a text search of much of this material; however, there are sections where the source microfilm was too faint or unreadable to allow for text scanning. For assistance with this collection of student newspapers, please contact Special Collections and Archives at archives@boisestate.edu.
MEMBERS OF THE HOMECOMING COMMITTEE making plans for the 1965 Boise State Homecoming are, from left to right: Anita Baldwin, chairman; Dr. John L. Warwick, president of the College; Judson Hazzard, chairman of the Student Government Association; Bob Crandall, former student; Pat Davis, secretary; Bob Stolte, treasurer; and Dick Dittrich, member. The committee is in charge of the Pep Parade and the homecoming football game, to be held Saturday, Oct. 9.

The students have been elected to be the 1965 Homecoming Queen and King Candidates: Patsy Robertson, Seni Muelder, and Jim Bself.

The activities for the week include: Bob Crandall's presentation of the band, Saturday morning; the Pep Parade, Saturday afternoon; the Homecoming football game, Saturday afternoon; and Homecoming dance, Saturday night.

The Queen and King candidates will be announced at the Homecoming dance.
Enlighten the people ... and tyranny and oppressions of body and mind will vanish like evil spirits at the dawn of day. — Thomas Jefferson

Project "Service" is Proposed

"Service is a very special word, especially if it is followed by action, for it is through action that service gains any meaning at all. There are many groups organized both here on campus and in daily life, designed to perform service for the community and for their fellow man. Too often this is in word rather than deed.

It would be well for the several clubs on campus to remember the meaning of service, not only during pledging but also the rest of the year. To fulfill their pledges, they must show a profit or die. But it is not only financial considerations that are involved. There are many things besides mere socializing. In doing a job well, we must show a profit or die. But it is not only the score you received on the Biology test. Perhaps it may be from the very last drop.

It is a type of fun that many people didn't enjoy at the last home game. Much pleasure comes only when it is followed by action, clothing needs altering or mending instead of being put away in the closet. The spectators as well as the members of the team found excitement awaiting them. Did you miss the pleasure, the fun and the excitement?

Time Out for Fun

To many, football brings a pleasure that is exciting and fun. It is a type of fun that many people didn't enjoy at the last home game. Much pleasure comes only when it is followed by action. The spectators as well as the members of the team found excitement awaiting them. Did you miss the pleasure, the fun and the excitement?

Pleasure comes in many ways. It may be from the very last drop. It may be from the scene you received on the Biology test. Perhaps it may be from the significance of service, not only during pledging but also the rest of the year. To fulfill their pledges, they must show a profit or die. But it is not only financial considerations that are involved. There are many things besides mere socializing. In doing a job well, we must show a profit or die. But it is not only the score you received on the Biology test. Perhaps it may be from the score you received on the Biology test. Perhaps it may be from the very last drop.

In This Corner — By PAM LINDA

New to the Boise College football team is Dr. Valverde, who arrived here on Aug. 15, with his wife and eight-month-old baby from San Germain, Puerto Rico.

The congenial, polite Dr. Val- verde is short in stature and has black hair and eyes. "My only ad- dition to living in a U.S. con- tinent climate, he stated.

Intermediates and advanced Spanish literature, and advanced Spanish, Spanish literature, and advanced Spanish Grammar were the courses the student teacher, though he is heavily interested in the Boise College football team.

The clubs on the whole are to be congratulated on their past activities and they are reminded, "When you help others you can't help but help yourself."

The Campus Beautiful ? ?

Have you noticed the lovely grounds of Boise College? Have you also noticed the not so lovely gum wrappers and cigarette butts clutter this lovely setting? The signs of carelessness are all over campus. Paper cups and empty sacks and discarded school papers seemed almost as prevalent as ads on campus. It is not a need for new ads, but a need for all of us to dispose of our trash properly.

If each person would take the extra few seconds to dispose of his trash in the proper places, we could have a lovely, clean campus.

To use an old cliché, please don't be a litter bug.

WORDS WORTH REPEATING . . .

The Vocation Department may have their Trip and Trap, but the K-Typing Department does not have Hum and Peck on their roster.

The parking problem may be more serious now that we realize, one student asked a friend, "Say, now about giving me a ride in my car?"

Students in the faculty are on guard for the forthcoming announcement about "real" music.

Boise College football players may be involved in the sport that we realize. A good example is Nina Schmidt; he must like the balance of his public life: he recently had his hair cut in a very sporty manner and used a good hair- after the Homecoming game.

A special cheers for the girls with foreign affairs and current events.

A.B.A., B.S., M.A. and Ph.D. compiles his educational degrees which were received at the University of Minnesota, Illinois and California.

Dr. Valverde's teaching career began at Central University in Quito, Ecuador (his birthplace), where all his youth was traditionally conducted in Spanish. For- merly only the elite attended college, but now other young people are able to obtain a higher education with the help of foreign aid, scholarships, and other programs. As a rule, Ecuadorian students participate more in government affairs than their U.S. counterparts. This participation is neces- sarily favored as it often involves cooperation, mutual respect and revolution. Occasionally, Latin American university students temporarily close because the pupils are involved in a revolution or demonstration and are absent from classes.

In 1960 Dr. Valverde traveled to the Inter-American University in San Germain where he was employed until this year. Both the Spanish and Anglo-Saxon cultures are blended in Puerto Rico, and bilingual instruction is used in edu- cation.

Beards Start Sprouting for Homecoming

A record number of college men (59) turned out for the Valleyke-sponsored shave-off in the SUB, at the onset of pre-Homecoming activities. Starting out clean shaven, it will be the survival of the bearded from now on until the judging and Dave Ackley. Others are Ca.

Terry Sparling, Doug Simmonds, Karen Tull, Rich Wade, Bob Williamson, Intosh, Luck Badsen, Clint Webb, Tom Roeder, Rich- 

KING BEARDS contested beardless but some under prov.

Discussion Unlimited

The first meeting of the information discussion group is scheduled for Sunday, Oct. 3 at 8 p.m., at the home of Mr. Neal Metcalf (in the barn back of 5600 McHale

The group is open to students interested in exchanging ideas and exploring new topics concerning the arts, according to Dan O'Connell. Student organized, discussions will be held in private homes, and guest authorities will moderate the discussions. Metcalf will lead the Valhalla, on the proposed literary magazine on campus at this first meeting.

Interested students should contact Mr. Charles Clark, room 225 Library, or call Dan at 343-6417.

RELIGIOUS GROUPS

Active on Campus

Religious activities on campus are gaining momentum with the various groups planning meetings. The Methodist Student Movement (formerly the Wesleyans) will meet Friday noon in room C of the SUB, to discuss Dietrich Bonhoeffer's book, "Life Together." Interested students may contact Bart Baker, Jack Conlan or Jack Best, for information. The Newman Club, meeting Friday at noon in room C of the SUB, is planning to hold a breakfast every Friday morning. Second Home Game Saturday Brings Snow

Broncos Dominate Contest With TVC; Rack Up High Score
By STEVE LAWRENCE
Rounding Sports Editor

Chalking up their first win last Saturday, the Broncos overran the Treasure Valley Chukars at Ontario, Ore., winning the contest 36-13. It was the first meeting with the Chukars in regular season play.

Jim Evenson confirmed his nomination by covering 234 yards in 18 carries. Evenson's only score was a short dive from two yards out into the end zone. Gary Stivers placed the conversion between the posts to claim his first of four successful boots for the night.

Stivers' second opportunity came when halfback Mike O'Shea swept into a 24-yard march by Boise. The first quarter ended with the Chukars blanked and Boise carrying 14 points.

The Broncos dominated the second quarter with two touchdowns and a safety. Frisch caught TVC's John Hall for 62 yards to the one followed by a 35-yard run to make it 22-0. Stivers' second field goal of the night extended the score as the half ended with the Chukars still down 22-0.

During the fourth quarter, Steve Jacobsen completed a short pass from Danny Smith to Bub Nelson for five yards out to Jim Rackles who carried away the ball down field and Bill Ingersoll completed a 203 game and Linda Bricker.

Jacobsen, Bricker Named High Bowlers
The Boise College Bowling class is rapidly becoming a popular P.E. activity for the incoming freshmen and sophomores.

Along with improving timing and footwork, this P.E. class is fun, students agree. The Cosmopolitan and Boise Bowling Center lanes have approximately 250 students registered to participate in this fall semester. The class has done very well and I am looking for continued success," stated the instructor, William A. Jones.

Individual bowlers that far in the competitive part of the season are Jim Jacobsen, Bricker, with a 203 game and Linda Bricker, freshman, with a 139 score. Jacobsen collected a 300 game in sanctioned play.

BRONCOS TO TEST SNOW SATURDAY
Returning to Bronco stadium with a 1-1 record, Boise College will be playing Snow College this Saturday night. Snow, from Ephraim, Utah, "is always a tough team," as termed by Coach Kyle Jacobsen.

Smith. They are a very spirited team and we will never forget the upset they won three years ago, 13-6," he added.

Employing a wide open offense, Snow will be led by Bob Striettle of Hawaii, Bestsell, a freshman, is said to be Snow's star back. Also experiencing a quarterback struggle as the visitors may well be spooked by the presence of intercollegiate competition.

The game begins at 8:15 p.m. and the Broncos will be aiming for a second victory. Having overcome an opponent once and also having been overwhelmed this season, Boise must face the two out of three situation.

Snow College's halfback Bob Bestsell from Hawaii was featured in Sports Illustrated for breaking several track records. Sports writers term him "speedy and shifty" and he has only one hand.

Snow College Bowling Class
