Easter, A Time for Reverence

In today's rush for materialistic gain, a moment should be taken to analyze our present culture, its aims and ideals at this Easter time. The word "Easter" is not Biblical in origin but comes from "Eostre," a pagan goddess of the Spring. And how like the pagan rituals we have allowed our celebration to become!

On Easter Sunday millions of Americans trek to the church of their choice, bedecked in their finest garments. Such deep, spiritual thoughts as "Are my nylons sagging?" or "Look at Mrs. Hi Falutin's outlandish hat," filter through one's mind. All churches are filled to capacity, but a return to a majority of the same churches the following Sunday will find an abundance of empty seats.

Prior to the Easter feast, the children eagerly anticipate the arrival of Peter Rabbit with his basket of goodies. Department stores pour out floods of advertising to encourage stepped-up purchases. Students look forward to carefree vacations, oblivious to why classes have been dismissed in the first place.

In fact, Easter, like Christmas, is fast losing its original meaning. Christ has been replaced by the Easter Bunny and the new generation of children are almost blissfully unaware that Jesus of Nazareth offered himself in sacrifice for them, that he loved them, the children, with a boundless affection and desired for their salvation.

Each adult can stimulate and encourage the observance of the true Easter, the resurrection of Christ, by first of all remembering the reason for Easter, attending the worship service of his choice, and most of all, advocating proper reverence at this special time of the year.

Candidate Views Unvoiced

This is the first year that we will elect student officers to represent the student body of a four-year institution. The candidates that are running for the various student offices seem to have forgotten their college newspaper to help them campaign. The candidates use every other form of news media to reach the student body.

The college newspaper would be very happy to have these candidates express their views on the student government, and their platforms, in the newspaper. The newspaper would cooperate to its fullest ability to give each candidate a section of the paper to state his views in the form of a letter to the editor.

Easter Customs and Legends

Determining the Date for Easter: The Council of Nicea, 325 A.D., set the formula as: The Sunday following the first full moon after the Vernal Equinox. Easter may vary from March 22 (1918) to April 25 (1943).

Origin of Name: The English word "Easter" is not Biblical and was not used in the New Testament times. It was probably derived from Eostre, northern pagan goddess of Spring. Many European countries use a form of the word "Paschal" derived from the Jewish Passover, instead of Easter.

Close Association of Easter and Jewish Passover. EASTER LAMB: In many European countries, lamb is the main dish for Easter. Lamb was also the specific meat of the Jewish Passover. EASTER HAM: In some European countries, England and the United States, ham is a special Easter meat. This may have originated as a reaction to Judaism and to signify the close of the Mosaic Law in which pork was forbidden.

Symbols. EGGS: Pre-Christian Persians and Egyptians used colored eggs as symbols of fertility and new life. Christians are said to have seen a similarity between the chick emerging from a barren shell and Christ coming forth from a rocky tomb.

EASTER BUNNY: An old German legend associated the hare with fertility. When children found colored eggs in the morning, they were told the hare had brought them during the night.

WORDS WORTH REPEATING . . .

THE RESURRECTION (an Easter Hymn)

1.
 I met him in the thoroughfare
 And saw the vision of his care.
 He carried there a heavy tree
 Toward the hill called Calvary;
 He bore the weight that caught
 his breath,
 That held him in the pain of death.
 He said to me, "Why do you
 grieve?
 Behold my sorrow and believe."

2.
 I saw his arms outstretched in
 love
 And over him the whitest dove,
 And shining there the testament,
 The light of heaven's firmament.
 Although his hands were held by
 nails,
 He said, "I am not he who falls.
 My word is writ on plates of gold;
 I visit yet another fold."

3.
 I saw him in the shining sky
 And knew that men could never
 die.
 The star I saw before his birth
 Became the wonder of the earth.
 It is the glory of the cross
 That trembles in the air like floss;
 It is the light we see through tears
 That does not lessen with the
 years.

4.
 I saw him as a living soul
 Who taught that death is but a
 shoal,
 And now upon the breath of light
 He lifts me from the sullen night.
 He comforts me and bids me rise
 Into the kingdom of the skies
 Where, resurrected, I shall see
 The azure of eternity.

LETTERS TO THE EDITOR

Dear Editor:

The year 1966 is an historic year for Boise College. The recent change from a junior college to a four-year institution has made this year's student body elections doubly important. The revised constitution and streamlined senate have placed a potentially excellent campus government into the hands of the student body. All that remains is to elect the student body officers. The voters on campus are unusually apathetic to these student elections. The educated voter should know the issues presented and vote accordingly, rather than idly marking a familiar name on the ballot or not voting at all.

We are now a four-year institution and we should begin to act like one. I would like to encourage the student body to participate in the forthcoming elections, and vote for the candidates that will best represent the student body.

Jack Haymond

Candidate for ASB President.

Dear Editor:

We would like to extend our congratulations to Miss Gloria McLachlan, Miss Boise College 1966 and to each of the candidates who participated in the pageant. Each of the girls looked wonderful and each of them should be commended for the outstanding talent presentations.

We would also like to take this opportunity to pat on the back our members, our pledges and our advisors, Mrs. Dorothy Lee and Mr. John Woodworth. It would be impossible to enumerate the contributions each person made but the fact that this year's pageant was so well organized and produced and so well attended is proof of the many hours of work.

We would like to thank all those who supported us with their attendance. It was an exciting program and it's unfortunate that anyone had to miss it.

Those interested should contact Mr. Carl Tipton, Mr. Richard Hart, or Mr. Wayne White.

Estimate of expenses is an initiation fee of \$75.00 and monthly dues of around \$10.00. Flight time costs may be near \$6.00 per hour, depending on the type of aircraft the club buys.

EXPANDING FACILITIES OF LIBRARY HAMPERED BY BOOK LOSSES, DAMAGE

By BERNICE TURNER

Who stole what from where, when? Somebody's been stealing! The evidence is in the Library, in the form of the "Little Books that aren't there." There are at least two degrees of stealing; that done by those who deliberately intend to do it, and that done by those who are careless, and who don't really intend to steal. In either case, the books are gone! Guess how many! Fifteen hundred (1500) at the last inventory. The cost of replacement on these 150 volumes, including the cost of inventories and labor to catalogue them, is estimated to be approximately \$8.50 per volume. This is only one phase of the shortage. Defacing and damage to the remaining books is completely inexcusable conduct for college age men and women.

A still worse thought is the fact that some of these volumes cannot be replaced; they are out of print, and therefore are not available. And an even greater and immeasurable aspect is the inconvenience to the borrowers who are unable to find these stolen books when they need them, after our Library has provided them.

Closed Stacks?

For some time the Library has been painfully aware of the growing problem of theft, and it is small comfort to us to know that other college Libraries suffer the same kind of losses. For example, Idaho State Library, at Pocatello, is considering reverting back to the closed stack method. How would you like to call for help every time you want to use a book?

Since this is somewhat of a universal problem, there has been an experiment carried on at Sacramento State College. The results are most enlightening. A Student Honor System has been set up on that campus, with the Department of Public Relations from the Business Department, the school papers, the service clubs, the librarians, the faculty, the Art department, the staff individuals and others helping in a campaign to discourage this deplorable habit of defacing and stealing library volumes.

Ironically, some of the culprits have been overheard "bragging" about the books which they have stolen.

There is a need for the students to encourage each other in considering their social responsibilities in regard to the handling of library materials which they must share with their fellow students. The week of April 17-23 is National Library Week. The motto this year is "Keep Growing; Read." The last day to turn in library books is May 6.

So, let's all be aware of our own opportunities to aid in rounding up these missing library books. The students, faculty, library staff and others will be very grateful, and everyone will profit by a roundup of missing books.

April 21 Drawing Set by Esquires

Thursday, April 21 is the date of the next Red Cross blood drawing which will be held in the SUB ballroom from 10 a.m. to 3 p.m. Esquires are sponsoring the affair in conjunction with Life Lines, who are soliciting pledges of donations. Esther Broilier, Life Line president, advises all those wishing to contribute who are under 21 to obtain a consent slip (to be signed by parents) from any Life Line member.

Officers for this year are Jack Cronk, president; John Radcliffe, vice president, and Jeannene Cantrell, secretary-treasurer. Mr. Allen E. Weston, BC instructor in Drafting and Design, is the club advisor.

Approximately 25 students recently attended a Spaghetti Feast sponsored by the Ski Club at Bogus Basin where there was night skiing and a dance afterwards.

Young Democrats

The Boise College Young Democrats will elect a new slate of officers to serve during the next school term on Thursday, April 21, at 4 p.m., in room A112, according to Jack Haymond, current president of the club.

Golden Z

The Golden Z's, coed service club, will hold formal initiation of new members next Wednesday, April 13 at 6:30 p.m., in the Little Theatre in the BC Library.

Parents of the new members are invited and refreshments will be served after the official ceremony.

Engineers Club

The Boise College Engineers Club and four faculty advisors recently visited the National Reactor Testing Station near Arco, Idaho.

One of the most interesting sites visited was the Experimental Breeder Reactor II, a facility of Argonne National Laboratory, where the members were shown

the reactor control room, the reactor itself, the power plant and a special building where spent reactor elements are processed by remote handling devices.

PI Sigma Sigma

PI Sigma Sigma, men's service club, collected \$29 for the Cystic Fibrosis Fund from their "Dunking Machine" during Greek Week on the campus. Cystic Fibrosis is a fatal disease of children.

The "dunking machine" was set up in front of the Library, where students bought baseballs and attempted to hit a round target, releasing a culprit suspended over a tank of water. Star pitcher was Phil Campbell, Sago Food manager, who made eight out of 10 hits.

Volunteers for the "dunking machine" were Johann Storer, Kay Garvin, Pam Hall, Julie Booker, Stacey Scudder, Joan Bounton, Carol McDonnell, Janet Priddy, Linda Perry and Linda Bricker. Drafted for dunking were the PI Sig pledges.

Coach William (Bill) Jones earned applause for being the only faculty member to be dunked.

TAMI SOPHISTICATES has vertically slit or drawstring-necked, puffed sleeved tops which are available in tanga orange with yellow rick-rack surrounding the sleeves and waist, or vibrant yellow with orange trim. You may wear these tops over capris or sheath skirts which are "made to match."

A "South of the Border" flair is also apparent in orange and yellow trousers by JUNIORETTE, which are accented by a wide belt. They are composed of a fortrel-rayon-polyester blend, which gives the material a nubby wool appearance.

WIPPETTE steps into the Mexican scene with long-waisted, knit jumpers in yellow, with black rick-rack bordering the waist and straps, or vice-versa. Strictly Western also are the cotton empire dresses. They are in a red flowered pattern against a yellow background, a tiny bow at the "waist," and ruffled sleeves and skirt border. Belted bell-bottoms, in a similar color and pattern, stylishly exemplify the "Western or Mexican look."

BOISE COLLEGE HOSTS INTERCOLLEGIATE RODEO

Rodeo Directors Meet Friday at BC

The Rocky Mountain Region of the National Intercollegiate Rodeo Association will hold its annual elections for officers and directors in the Student Union Ballroom at Boise College on Friday, starting at 10 a.m. Hosted by the BCRA, approximately 20 colleges and universities will be represented.

Members of the NIRA in this area expected to attend will come from Ricks College, BYU, Montana State, Western Montana, College of Great Falls, University of Montana, Rocky Mountain College, Carbon College, Washington State, Idaho State, University of Idaho, Dixie College, College of Southern Utah, Weber College, Eastern Montana College, Utah State University and the University of Alberta, Canada. Delegates will also represent Northwest Nazarene and other groups in the area.

The Rocky Mountain region is one of the many in the United States belonging to the NIRA, with headquarters in Texas under the direction of Sonny Sikes. Boise College has belonged since 1963 and sponsored a rodeo at Jerome in 1964. Last year's rodeo was cancelled because of financial difficulties.

Delegates will begin arriving for the meeting and rodeo today.

Rodeo Dance Set Friday At Nampa Eagles Hall

Tijuana Brass type of music will be featured at the BCRA Rodeo Dance Friday night to be held at the Eagle's Hall in Nampa at 9 p.m., according to Anita Williams, social chairman in charge of arrangements. Al Lopez and his band will be playing for the dance, which is an important part of rodeo activities.

The public is invited to the dance but students are being encouraged to attend, with wearing of "nicer" western wear in order. Casual dress or fancy bell-bottoms and flashy shirts will be appropriate. "Grubbies" are NOT in order. Admission will be \$1.00.

Indian Group to Appear

Adding an authentic Western flavor to the Boise College's Intercollegiate Rodeo will be the Kiobranchi Indian Dancers, Mountain View Council of the Boy Scouts of America. Dressed in realistic costumes with dances from early days, these young boys will also give a preview of the show during the Miss Boise College Rodeo contest Thursday.

This group appeared at Chief Joseph Days at Wallowa last year and competed against tribes of Indian dancers from all over the United States. After all the dancing and judging was completed, the Mountain View dancers were chosen as the best, winning out over Indians doing their own traditional dances.

TICKETS ON SALE

All Boise College students are urged to purchase their tickets to the Intercollegiate Rodeo before Friday, from members of the Boise College Rodeo Association or in the vice-president's office. Price for students is 75 cents. Pre-rodeo tickets for adults are \$1, but will be \$1.25 at the gate. Children under 12 will be admitted free of charge.

Those participating in the horse parade in Nampa on either Friday or Saturday will be admitted without charge but those participating in the car caravan will need tickets.

Horsemanship, Personality Judging Will Determine Miss BC Rodeo Today

The Boise College Rodeo Queen will be chosen from a field of ten contestants today at 3 p.m., in the area west of the tennis courts behind the SUB. The contestants will be judged on personality and horsemanship and will ride in a pattern similar to that used by Miss Rodeo America.

The Queen will receive a trophy and will represent Boise College in the Miss Rodeo Idaho contest in June and the Snake River Stampede Queen contest in July.

All the queen hopefuls list riding among their major interests. In the BC competition the contestants will wear blue levis, long-sleeved white shirts and western hats.

The queen candidates include two Elementary Education majors, Norma Catron, who rides an Appaloosa, and is interested in swimming and reading, and Adelle Thomas, who is active in 4-H and participated in High School Rodeo 1965 and Treasure Valley Roundup 1964.

In the Home Economics department, with an eye on Secondary Education, are Barbara Carol Jelks, who finds "helping others" important, and Rosemary Vasser, who enjoys all handicrafts. Rosemary was first runner-up in the High School Rodeo in 1965 and was Treasure Valley Roundup Queen for District 2.

IRC Will Sponsor Bar-B-Que at Meet

The International Relations Club will sponsor a chuckwagon bar-b-que during the Miss Boise College Rodeo contest today between 3:00 and 4:00 just south of the Student Union building, for those desiring refreshments during the event.

Complete with chuckwagon, the menu will include bar-b-que'd hamburgers and hot dogs, with the internationally famous Champunch and coffee. Proceeds from the feed will help to send Boise College's delegation to the Model United Nations in San Francisco at the end of this month.

Majoring in Pre-Psychology is contestant Anita Williams, freshman AWS representative, a Golden Z, who rides with the Junior Posse. Carol Qualman, a Botany major, enjoys motocycling and sewing. She participated in the Snake River Queen contest in 1965, the Caldwell Night Rodeo, and Treasure Valley Roundup for the last three years.

Two Office Administration majors are Roxann Howell, a member of the Idaho Girls Rodeo Association, Western Riding Club, and Ada County Junior Posse (she was 1965 queen and a Miss Boise College contestant), and Gloria J. Tinsley, who is interested in painting and swimming.

Norene Wright, an English major, enjoys both water and snow skiing as well as swimming. Norene is a Valkyrie and a member of the Student Senate. Taking a general course with future plans of nursing is Lynn C. Jones, who likes skiing, ranch work, and big game hunting. Lynn is a member of the Boise College Rodeo Association and enjoys "probing into history of the west."

FIRST HOME RUN FOR BRONCOS

KEITH CHANEY explodes for the first home run of the season in the game with Spokane Community College. Cheney put the sphere into deep center field for the brightest spot of the Bronco game last Saturday in Boise.

College Fans Cheer Bronco 'Batmen'

Craigmont freshman Dave Ball slammed an 0-1 pitch deep into left-center field for a three-run homer in the bottom of the ninth inning to rally the Broncos to within one point of the NNC Crusaders 7-6, Tuesday afternoon on the Boise home field.

The Crusaders took a 7-3 advantage into the bottom of the ninth, when Tom Dearing walked and Mike Guerricoltia singled him around to second. After taking one strike, Ball unloaded the next pitch for the promised journey to

take them to one run short of the Crusaders.

Gary Glascock punched a triple on the next pitch to really give the Broncos a little desire, but NNC got the next three in order to end the inning and the rally.

Consistent hitting Reed Bates led the Broncos at the plate with three hits in five times at bat.

BRONCOS DROP PAIR

Powerful hitting Spokane Community College combined for 11 hits and six home runs in downing the Boise Broncos 6-5 and

5-0 Saturday afternoon on the local field. The Washington club took advantage of the weather and the Broncos were limited to six hits in the opener and three in the final.

Bronco third-baseman Keith Cheney brightened the skies a little for the Boise nine as he clobbered a high curve ball deep into center field. The fleet-footed freshman rounded the diamond in quick order to give BC its first home run of the '66 campaign. With Cheney igniting the rally for the Broncos, they came on strong in the final inning, pushing across two runs and ending the inning with the bases loaded.

In the second game the Spokane club held the BC club lifeless, yielding only three hits.

TREASURE VALLEY DROPS BC
TVCC and BC had a game the other day. TVCC won it, 11 to 2. It was a bad day for the Broncos as they combined for only three hits against 13 for the visiting Chuckars. Reed Bates, Bob Selbolt, and Dave Ball connected for the only Boise hits of the day.

BOISE COLLEGE THINCLADS prepare for meet opener at TVCC in Ontario. From left, front row, are: Bruce Gilbert, Roland Shaw, Steve Ball, Pat Emlingham, Jeff Hartshorne, Ted Thornton, Steve Rudd, Don Bradley, Ron Morris, Rich Albertson, Rich Dickson, Terry English, and Steve Kirby. Second row, from left: Tony Maher, Don Calkins, John Mathews, Ronn Budd, Russ Reinhart, Lee Harvey, Bart Chaffee, Louis Grant, Bud Anderson, Nep Lynch, Bruce Lyons, Steve Grayson, Bart Bradley and Coach Ray Lewis.

Steve Grayson Leads College Cindermen

Steve Grayson and Tony Maher piled on the points, but the BC Broncos came out the runner-ups in their tri-track meet with Spokane Community College and Treasure Valley Community College in Ontario, last Saturday. The team is now preparing for the upcoming NNC Invitational in Nampa, Saturday.

Spokane came off with top honors for the day with 90 points, compared to 50½ for BC, and 39½ for TVCC.

Grayson proved to be one of the most valuable members, gathering honors in five events. The blond 6'1" sophomore placed third in the 100; second in the 220, second in the javelin; fourth in the broad jump, and was on the winning mile relay team.

Maher posted a 53.0 second quarter mile to win that event. Besides the 440, he tied with Grayson in the 220-yard dash, and anchored the winning mile relay unit.

Big 6'9" Bart Chaffee brought Boise its other top honor in winning the mile run in a time of 4:43. Steve Rudd was the other Boise distance man to place, copying a third place spot in the half-mile.

Nep Lynch brought home honors in the hurdle events.

Where the Action Is

By **MIKE BOWEN**
Sports Editor

Those of you who have afternoons free from three to five have really missed the action and the companionship of many fellow Boise Collegians out cheering at the Bronco baseball games. It's a good place to sun, to discuss your Saturday and Friday night dates, and to talk over upcoming tests during the week. For those of you who like baseball, they have that, too.

The baseball team has had exceptionally good turnouts this season and because of this support the players have come up with some real fine games.

Mr. Gordon Madson, Elaine Hutchins, the Jack Daltons, Dr. Rotz, Co Co Keith, and many other BC fans have faithfully supported the team that represents the whole school.

Thanks also go to the Student Union officers who have helped in every way.

Campus radio station KBJC, 1280 on the dial, is planning to cover future games on the air.
