A record crowd was present to view the selection of Miss Glenn McLaughlin as Miss Boise College for 1966. Miss McLaughlin also received the special talent scholarship for her tap dance presentation. Choice Miss Congeniality by her fellow contestants was Miss Carol Curtis. Pam Wilson and Susan Bartun killed time for first runner-up, and Leslie Collings was chosen second runner-up. The program will include several musical selections, and will be accompanied by the Inter Faith Council, which will present its annual Easter service on Good Friday, April 8, at 9:45 a.m., in the auditorium. The program will be dedicated to the memory of the late Mr. John H. Best, who was Miss Pinkerton, the town gossip, who is revealed as the old maid's suspicions concerning Bob, an itinerant. The old maid continues to harbor Bob, and was introduced to the student body April 6 at a campaign assembly. Election results will be announced Monday, April 8, at 5 p.m.

**Student Body Elections Set Tomorrow; Two Candidates Are Unopposed**

This Friday, the student body of Boise College will vote for the Associated Student Body officers for the year 1964-65. Those elected will be the first ASB officers in the history of the college to hold office at BC as a student organization. Students will also vote on the revised ASB Constitution.

She is an accounting major. Vying for the position of treasurer is Ron Lightfoot, a business major, and Susan Mikolasck, a junior representative of AWS, and a business major.

All candidates must have an upper division major and GPA of 2.5 for president and 2 for all other offices. Write-ins will not be allowed, according to the Constitution.

"There must be a vote for each office or your whole ballot will be discarded," explained Karen Ferguson, ASB vice president. Each student must present his student body activity card before receiving a ballot.

The candidates are all freshmen and were introduced to the student body April 6 at a campaign assembly. Election results will be announced Monday, April 8, at 5 p.m.

**Two Performances Of Menotti Opera To Be Presented**

April 15 and 16 has been set as the date for the Boise College opera, "The Old Maid and The Thief," by Gian-Carlo Menotti, to be held at 8:15 p.m. in the BC Auditorium.

Directing the opera is Miss Georgi Blanding, BTC voice and speech instructor, and the student will be assisted by the Actors Workshop of Boise.

The plot centers around Miss Todd and her hired girl, Laetitia. Laetitia is a hired girl, and later discovers that her finances are being depleted by supporting him. Undaunted, she steals from various sources, finally robbing a liquor store! At the conclusion of the opera, Miss Todd's wrongdoings are made public, and she is revealed as the old maid.

**Band Takes Tour; Symphony Prepares For Spring Concert**

Easter, A Time for Reverence

In today's rush for materialistic gain, a moment should be taken to analyze our present culture, its aims and ideals at this Easter time. Today, "Easter" is a pagan symbol, a goddess of the Spring. And how like the pagan rituals we have allowed our civilization to become!

On Easter Sunday millions of churchgoers trek to the church of their choice, bedecked in their finest garments. Such deep, spiritual thoughts as "Are my nails mending?" or "Look at Mrs. B. Johnson's outstanding hat," filter through one's mind. All churches are filled to capacity, but a return to a majority of the same churches the following Sunday will find empty seats.

Prior to the Easter feast, the children eagerly anticipate the arrival of the Easter Bunny. The Easter Bunny and the new generation of children are almost blissfully unaware that Jesus of Nazareth offered himself in sacrifice for them, that he loved them, the children with boundless affection, and desired for their salvation.

Each adult can stimulate and encourage the observance of the true Easter Bunny, a symbol of Christ. Easter Bunny, by form of all seminarians and candidates that are running for the student body, is almost blissfully unaware that Jesus of Nazareth offered himself in sacrifice for them, that he loved them, the children with boundless affection, and desired for their salvation.

Easter Customs and Legends

Determine the Date for Easter: The Council of Nicea, 325 A.D. established the Easter date in 354 A.D. More Christian churches then the Western Church. Easter is the first Sunday after the Vernal Equinox. Easter may vary from March 28 (1961) to April 23 (1966).

Origin of Name: The English word “Easter” is not Biblical and was not used in The New Testament. It was probably derived from the Greek “Pascha,” meaning Passover. The Greek “Pascha” means the same thing as the Hebrew “Passover.”

Close Association of Easter and Passover, EASTERN LAMB: In many European countries, lamb is the main dish for Easter. Lamb was also the "Passover" meat of the Jewish Passover. Easter lamb is the lamb born between March 21 and April 20.

Pre-Christian Persians and Egyptians used colored eggs as symbols of fertility and new life. Christrians are said to have added similarly between the chaff emerging from a barren shelf and Christ coming from a rocky tomb.

EASTER BUNNY: An Old German legend associates the hare with fertility. Before Easter, colored eggs are laid in the morning, they were told the hare had brought them during the night.

WORDS WORTH REPEATING...

THE RESURRECTION (an Easter Hymn)

I meet him in the sunshine
And know the life he brings;
I see him in the scenes of grief
And know the love he brings.

I find him in the pain of death
He said to me, "Why do you grieve?
Behold my sorrow and woe!"

I saw his arms outstretched
In agony and death.
And shining with a radiance
In pain and death.

The sky was before his birth
And shall be after his death.
It was the glory of the cross
That created him.

It was the light we see through tears
That does not return with the years.

I saw him as a living soul
Who taught that death is but a sleep.
And now upon the breath of light
He still doth sleep.

He comforts me and hides my sorrows
In the shadow land where I am gone.
Where, reconstructing, I shall see
The same in glory, forever.

EXPANDING FACILITIES OF LIBRARY HAMPERED BY BOOK LOSSES, DAMAGE

By BERNICE TURNER

What a situation, and who is to blame when? Somebody’s been stealing! The Boise State College libraries are in the form of the “Little Books that aren’t There.” There are at least two cases of stealing, and one that does by those who deliberately intend to do it, and thereby see that those who are, and who don’t really intend to do it, the books are gone! Guess how many! Fifteen hundred (1500) are planned for the dress. The cost of replacement on these 1500 volumes, including the cost of inventories and labor to catalog them, is estimated to be approximately $15 per volume. This is only one phase of the shortage. Defacing and damage to the remaining books is completely inexcusable for college age men and women.

A still worse thought is the fact that some of these volumes can not be replaced; they are out of print, and therefore are not available. This is a measurable aspect in the borrowing by the borrowers who are unable to find these stolen books when they need them, after our Library has provided them.

Closed Stacks?

For some time the Library has been painfully aware of the growing practice of the closed stacks, and it is small comfort to us to know that other college libraries suffer from the same kind of losses. For example Idaho State Library, at Pocatello, is considering reverting back to the closed stack method. How would you like to call for help during the time you want to use a book?

Boise College Thinnclads Prepare for Meet

Steve Grayson Leads College Cindermcm

Steve Grayson and Tony Maher played on the points, but the BC Broncos came out the runner-ups in their tri-track meet with Spokane Community College and Treasure Valley Community College in Ontario, last Saturday. The team is now preparing for the upcoming NNC Invitational in Nampa, Saturday.

Spokane came off with top honors for the day with 90 points compared to 99% for BC, and 39% for TVCC.

Grayson proved to be one of the most valuable members, gathering honors in five events. The blond 6'1" sophomore placed third in the 100; second in the 220; second in the javelin; fourth in the broad jump and was on the winning mile relay team.

Maher posted a 53.0 second quarter mile to win that event. Besides the 100, he was tied with Grayson in the 220-yard dash, and anchored the winning mile relay team.

Steve Ball slammed an 0.1 pitch deep into left-center field for a three-run homer in the ninth inning to rally the Broncos to within one point of the RCC Crusaders 7-6, Tuesday afternoon on the Boise home field.

The Crusaders took a 7-3 advantage into the bottom of the ninth when Tom Darling walked and Mike Guerriotti singled him around to second. After taking one strike, Ball unloaded the next pitch for the promised journey to take them to one run short of the Crusaders.

Gavy Glasscock punched a triple on the next pitch to really give the Broncs a little desire, but NNC got the next three times to end the inning and the rally. Consistent hitting relied on the Boise bronze at the plate with three hits in five times at bat.

5-0 Saturday afternoon on the local field. The Washington club took advantage of the weather and the Bronocs were limited to six hits in the opener and three in the final.

Broncos' third baseman Keith Cheyney brightened the skies for the Boise fans as he clubbed a high curve ball deep into center field. The fleet-footed freshman rounded the diamond in quick order to give BC its first home run of the 96 campaign. With Cheyney igniting the rally for the Bronocs, they came on strong in the final inning, pushing across two runs and ending the inning with the bases loaded.
