**DEADLINE IS TODAY**

Thursday, April 21 is the last day for a student to withdraw from individual classes or from college. According to Mrs. Alice Peterson, on leave next week for New York, the classes will be held April 22 by the college foreign film committee at 8 p.m. in room 106 of the Science Building. The plots concern a pilot who bombs an orphanage by mistake, and later revisits the scene and becomes acquainted with one of the young survivors. The film captured the 1962 Academy Award for the "Best Foreign Film" of the year and the 1962 award at the Cannes Film Festival.

**Israel Delegation To Attend MUN Meet**

The DC Model United Nations delegation, comprised of Jim Harper, chairman; Richard McEwen, publicity; Ron Morris, secretary; and each candidate. A minimum 2.0 grade average is required by candidates to the local service board in considering deferment of a registrant from military service.

According to Edwin E. Wilkins, Dean of Men, only those students with questionable academic records need concern themselves with the examination. They need not necessary for students with a C grade average to take the written test.

The tests will be administered May 14, 21, and June 3, 1966, at an examination center to be designated by the local board. The tests are designed to help provide evidence to the local service board in considering deferment of a registrant from military service.

**Final Foreign Film Set For Tomorrow**

"Sundays and Cybele," a French film starring Hardy Kruger, will be presented Friday, April 22 at the college foreign film committee at 8 p.m. in room 106 of the Science Building. The plot concerns a pilot who bombs an orphanage by mistake, and later revisits the scene and becomes acquainted with one of the young survivors. The film captured the 1962 Academy Award for the "Best Foreign Film" of the year and the 1962 award at the Cannes Film Festival.

**Selective Service Exams Planned**

Any college student who has not submitted his Selective Service College Qualification Test, and who wishes to do so, must submit his application no later than April 23 to his local selective service board. Candidates must possess all requisite records, and ballots of information are available from any selective service board.

The tests will be administrated May 14, 21, and June 3, 1966, at an examination center to be designated by the local board. The tests are designed to help provide evidence to the local service board in considering deferment of a registrant from military service.

Cheerleaders

Awards Election

Election for new AWS officers will be conducted all day on Friday, April 22, in the library foyer. A president, vice-president, secretary, and three council representatives will be selected. In addition to executing cheer, the tryouts will consist of a speech by each candidate. A minimum 2.0 grade average is required by candidates.
Little Luxuries Lacking

Many people are justifiably proud of the expenditures which bonding elections have given Boise College for new buildings and other expenses. These sums are to be used for things which would add a great deal to the comfort and happiness of the students. These sums are intended to get a wonderful lot up and going. In fact, only a few dollars and a little work would provide most of the things, perhaps some of the service clubs could provide a part of the improvements.

First of all, the college would be improved with more concrete benches in front of the buildings, perhaps in the form of benches that would be very much like those in downtown. The weather in Boise is conducive to out-of-doors classes on an average of three to four months of the year plus the summer months. Even a very few (to start with) out-of-doors class areas could attract a great number of students.

When I come to the question of having a raised turf band which is amphi-theater fashion, with lecture podiums at a lower level, the question of adequate video equipment for the same becomes very real. Even practical, even portable speakers would be prohibitive, and the students are the people that have it now for just a few benches outside. The good old “lap boards” which are used for English Comp tests could not be used in the same manner, and therefore could be used to provide writing materials.

And speaking of small benches, the lavatories, especially in the new Library, are often overcrowded. It is necessary to put pockets, racks, baskets, etc., while students are washing their hands and combing their hair. The water is often wasted by the rush, then turning on the water is a poor arrangement. Just small beaches, shelves, racks or something of that kind would be a real improvement.

Student Spirit Saging

Another student view is almost over and perhaps we should each take the time to look back and see what we have gained for our time spent. So you get pretty good grades, but did you contribute anything? What have you given to the student body? What have you contributed to the college? School spirit seems to be something we are always urged to have, but it is not always easy to find. It is rather hard to find a good school spirit, but it is really not that hard.

Another point that is quite important is the need for all the schools to have adequate facilities. Now that the weather is beginning to get warm, the need for clothes, tennis shoes, etc., is very great. In fact, it is necessary for people to have adequate facilities to make the best of their school spirit.

One of the other things that is very important is the need for more and better facilities. Now that the weather is beginning to get warm, the need for clothes, tennis shoes, etc., is very great. In fact, it is necessary for people to have adequate facilities to make the best of their school spirit.

WORLD WORTH REPEATING

Boise College is primarily concerned with offering opportunities for students to obtain higher education. Yet its growth and expansion are in the hands of those who are responsible for it, according to a recent report made by a group of urban planners.

The report states that the community is not only concerned with the expansion of higher education institutions, but also with the economic and social progress of the area. Among the recommendations made to the city council are:

1. More and better facilities should be provided for students.
2. The need for more adequate facilities for people should be increased.
3. The need for more adequate facilities for people should be increased.

The planning committee therefore recommended that Boise College be expanded to include a university with graduate schools in the fields of medicine and engineering. The three or four existing engineering fields should be increased to a total of five or six, and the medical school should be increased to a total of five or six.

The presence of a university would in turn encourage the introduction of modern industries such as those of plastics and chemicals to the area.

To Whom It May Concern:

I would like to take this opportunity to thank everyone who assisted me in the construction of this project. I am especially grateful to Bob Roberts, my campus advisor, and to the remainder of the committee, consisting of Mr. Frank C. Hopper, Bob Ellis, John Abajian and Jack Eastman.

I am looking forward to next year, I hope every student will take a different interest and will strive to do his part for Boise College.

Dear Editor:

My congratulations to the Rodeo Club members for their work on the rodeo over the past few months. This work is not only educational but also beneficial to the Boise College students. The Rodeo Club has gained a lot of interest from students who are studying related subjects, and these students are Profiting from the experience they are getting.

I believe that the Boise College Rodeo projects will continue to gain momentum in the near future. The work that the Rodeo Club is doing is an excellent example of the kind of activity that we need more of in our college.

Mr. AVERY PETERSON, ad

Dear Editor:

I would like to congratulate you on the way you have presented the Boise College Rodeo. This rodeo was one of the best I have seen in a long time. The atmosphere was electric and the crowd was enthusiastic.

I hope that you will continue to support the Rodeo Club in the future.

Lori Anderson

Dear Editor:

We would like to congratulate you on the wonderful job you did on the rodeo project this year. The Rodeo Club did a fantastic job and we are very proud of you.

I hope that you will continue to support the Rodeo Club in the future.

GEOLOGY STUDENTS BUILD DISPLAY CASE

A GEOLOGY DISPLAY CASE, built by a group of Mr. Paul Nelson, Boise State geology instructor, has been unveiled in the department. Present- ing the rocks to the glass encased case is Mr. Nilsen. With him are Trevor Taylor and (standing) Wayne Baldwin. Others who assisted with the construction work were Gilber E. Powell and Pete Jackson.

The hidden talents of Ailien E. Jones, Boise State geology instructor in Tecturing and Displaying, were re- vealed when he was chosen the first place costume winner in the Regis Basin Ski Club Carnival. His costume depicted the average non-male type.

BALL CONNECTS FOR SECOND HR; BRONCOS FINISH THIRD IN COLLEGE TOURNEY

The Treasure Valley Chuckars opened seven with the Boise College nine as they walked away with a 13-0 victory over Lyle Smith's crew Tuesday afternoon, Friday afternoon the Broncos lost the Bata Villa Kings in an ECAC contest and the series continues Saturday afternoon with a double header scheduled for 9 a.m. here.

After taking two in a row from the visiting Oregon team, the Chuckars came back and his relief moundman Jim Pflug for five runs and the win. Bill Miller hit home run number four for the Boise crew, and Dave Ball tallied his second of the season in the seventh. Bob Schreiber hit for the circuit for the Chuckars.

The Broncos tagged the Chuckars for two wins in earlier week action with a 10-5 and 2-0 victory at Ontario.

Boise Finish Third in Tourney

Boise College finished the recent Idaho College Baseball tournament with a 2-2 mark, getting wins over NNC and C of 6.6 and 3.1, respectively. The setbacks were at the hands of 17.8-14 and 4.1, Bob Neff and Jim Pflug were stellar in the 22-3 victory. Lyle Smith now has his team at 6-10 mark, with Creighton freshman Dave Ball setting the pace at the plate with a .377 average on the season, going 13 for 35.

This weekend holds the most hits at the plate with a 15 for 56 record. Leading pitchers so far for the club include Bob Neff with a 5.1 season mark, followed by Gary Hartreit with a 1-1 and Pat Myers and Jim Pflug with a 1-3 and 2-3 mark, respectively.

The upcoming game with the Bata Villa Kings are the only two games the Broncos have in the ECAC league. Should the Broncos win their series with the Ricks.

BC's Grayson, Ball Lead in Track Win

Steve Grayson, Lee Harvey and Lyle Smith gained all top honors in Boise College's dual meet against the Treasure Valley Chuckars on his second of the season in the seventh. Bob Schreiber hit for the circuit for the Chuckars.

PE Classes to Present Physical Fitness Show

Fitness '66 will be presented by the men and women of the Boise College PE department on Friday, April 29, from 8 to 9:30 in the DEP center. The show, under the direction of Miss Helen Westfall, students will present their class activities to the public with the aid of the PE staff.

In the 120-yd high hurdles Steve Grayson, in probably the most exciting race of the day, was just nip at the tape by Treasure Valley's Michael in the 330 intermediate hurdles, as both clocked in 44.0.

Boise Lee Harvey in the high jump, Rich Alberson in the pole vault, and Mathews in the shot put were first place winners.

The traditional Boise College "raffle" sponsored by the Pi Chapter of Phi Sigma Sigma, will be held Sunday afternoon starting at 12 p.m. at the Barber Bridge, with the first to be in Ann Morrison Park. A barbecue will follow the event, served by SAGA Food. Applications are available in the Dean of Women's office.

Crouch Leads BC in Tennis Opener

The Boise College netmen, led by Dennis Crouch and John Crouch, former Boise players, have dominated early season action gaining double wins over Treasure Valley opponents. The squad will meet Treasure Valley on the Boise home court on Friday, April 29, at 4 p.m.

Crouch came back after losing first set 7-5 to overpower his opponent from NNC and gain the Broncos' first win. Crouch made short work of his TVCC foe, downing him in two. Crouchers gave the Boise team their second win, dominating his opponents in two sets each.

Doubles action saw the combined team of Carothers and Bob Crouch, completely dominate in winning both matches in two sets.

Other members of the team include Boise high players Jim Wisniski and Stephen Smith. The team is coached by Charlie Davis.
