**IMPULSE**

**Literary Magazine Goes on Sale December 1st in BC Bookstore**

Impulse, No. 5, the literary magazine in the world famous Idaho Review, features fiction, poetry, art work, photography, and two examples of Chinese calligraphy. Visit the three bookshelves at the end of the hall to purchase your copy. The sale will be managed by Mr. Terry Thompson, advisor, as being a higher literary quality than the first four. Mr. Prosperman hopes eventually to give Impulse a national attention beyond the restrictions of the Boise area.

In future No. 5, only students' material was accepted. Now it is open to faculty and relations of students.

Impulse was sponsored by the English department. Art work was difficulty obtained, but Mr. Thompson wanted to see all the pros represented as long as they are arranged as to not interfere with each other.

Creative writing also contributed about one half of the material with the other half coming from the English department and some fiction from students in science and business.

The 8,000 issues sold of Impulse were ordered by the English department. Impulse No. 5 will be available in the college library for 33 cents.

**Student Banquet Honors Chaffee**

**After 31 Years at Boise College**

Partner BC President Dr. Eugene Chaffee will leave Boise tomorrow to travel in Western Europe. The president of the school for 31 years, Dr. Chaffee has been honored by practically all facets of the campus. He will be chancellor of the college on July 1 of next year, or when a new president is appointed, and will study future development for the school.

Students Hold Banquet

A Monday night banquet was held for Dr. Chaffee at the Stardust. The 7-year tradition was a project solely of the Boise College student leaders.

Only the students held the event. The committee responsible for the organization of the banquet included Hamilton McKeen, chairman; Alfred Pimentel took charge of publicity.

Why Holidays?

Why do we still have a place in our fast-moving society? Why do we celebrate Thanksgiving each year, November 24th?

Do we still remember the Native American students who came here to help us in our time of need? Do we realize that we are in a unique position to give thanks to God for our freedom? Do we recognize the importance of this day in our history?

The first Thanksgiving was held in 1621, when the Pilgrims and the Wampanoag Indians sat down to a feast of thanks for their survival. This day marks the beginning of our relationship with the Native Americans and reminds us of the importance of peace and friendship.

What Is Thanksgiving?

It is a time of giving thanks for all the blessings we have received in the past year. It is a time of family reunions and sharing a special meal with loved ones.

This year, let us not forget the importance of this holiday. Let us take a moment to reflect on the many things we have to be grateful for. Let us remember the sacrifices of those who came before us and the freedom we enjoy today.

Happy Thanksgiving to all!
Don’t Let This Happen at Turkey Time

In an attempt to encourage the smaller clubs to enter competition, the Club of the Month program has added a second division. Division I consists of the service clubs only, and Division II includes the rest of the BC clubs.

For the month of October, the Valkyries took the honors in Division II. During the month, the Valkyries built the Quads for Homecoming, co-sponsored the pep rally, sponsored the Fall Fair, and held a dance of their own. In addition, they donated a float to the Homecoming parade, decorated the bayou, and sold 90 bottles of champagne for an American Legion fundraiser. Carol McDonald, a VISTA student, is the president.

The club is also trying to keep Valley Chapel open for Sunday afternoon Masses for visitors and are helping with the church for the Mass near the Library. The Valkyries have also been a consistent at the bayou and the Fall Fair is the president.

Book Club Begins

New Approach

Perhaps the typical group of campus is too, rarely mentioned.

Not a literary club, but rather a discussion group wherein students and faculty meet to talk about books. Each meeting is devoted to one book or several books. The book is chosen by the Faculty Advisor, Professor E. E. Smith. Anyone interested in discussing books is welcome.

The purpose of the club is to bring people together who appreciate the written word. The members are interested in discussing the books they have read, rather than just reading about them. The club meets every other week on Wednesday afternoon at 4:30 in the Faculty Room.

Lincoln Proclaimed Fourth Thursday For Thanksgiving

By PHOEBE LINDSEY

The news that Thanksgiving Day has been proclaimed as a national holiday is just an external expression of what the American people.

When the Pilgrims set a feast of thanks for the blessings of a bountiful harvest, the American people have built a tradition of offering thanks to God for the many blessings of life.

The thankless that is spread in individual homes on Thanksgiving Day in just an external expression of what the American people.

We are prepared to stop and think of those who are less fortunate than we, and in doing so we begin to share what we have so that everyone can have something to be thankful for. We can’t help but think how fortunate we are to live in a free country where we can enjoy our hard-earned freedom from slavery and terrorism.

Of course there are many ugly things that mar the picture of a good life in a good land, and we can’t afford to be too cynical.
