Boise College Roundup, December 1

Students of Boise College

Although this file was scanned from the highest-quality microfilm held by Boise State University, it reveals the limitations of the source microfilm. It is possible to perform a text search of much of this material; however, there are sections where the source microfilm was too faint or unreadable to allow for text scanning. BOISE COLLEGE ROUNDUP

Rosalie Sorrels Appears Tonight at 8:30

NATIONALLY KNOWN FOLK ARTIST SINGS TRADITIONAL BALLADS, RHYTHM 'N BLUES IN CONCERT AT BC

What's a Rosalie Sorrels? It's a name that could belong to anyone; it's two words that are connected with many other words; it's more—it's a warm voice with a story to tell, which is unlike any other. And Tell she will, as few true folk artists, appear in concert tonight at 8:30 in the Boise College Union Atrium, where she will be accompanied by Jim Mayhew.

Sorrels, who is also known for her accompaniment on the dulcimer, will perform at 8:30 p.m., in the Science lecture hall, Approximately 100 seats are available to anyone interested.

There will be no new music and the program should satisfy all Yvonne's musical tastes.

If you're interested in attending the concert, please call 266-2570 for information.

College life in many ways is a rehearsal for the responsible position, more and more owners are learning to delegate responsibilities, and many other responsibilities are too great to handle themselves. This is where the concept of shared responsibility comes into play. The Bronco hall crew is a great example of this.

Out of My Head

The club head, Steve Loveless, will be a senior this year. Steve is a very talented player and has been a great asset to the team. He has been a part of the club for three years and has helped lead the team to several victories.

Sister of the Third Degree was the title of the 1965 Emails 2 basketball team. The team, composed of the finest players from the school, was a strong team and went on to win the championship.
