BOISE COLLEGE ROUNDUP

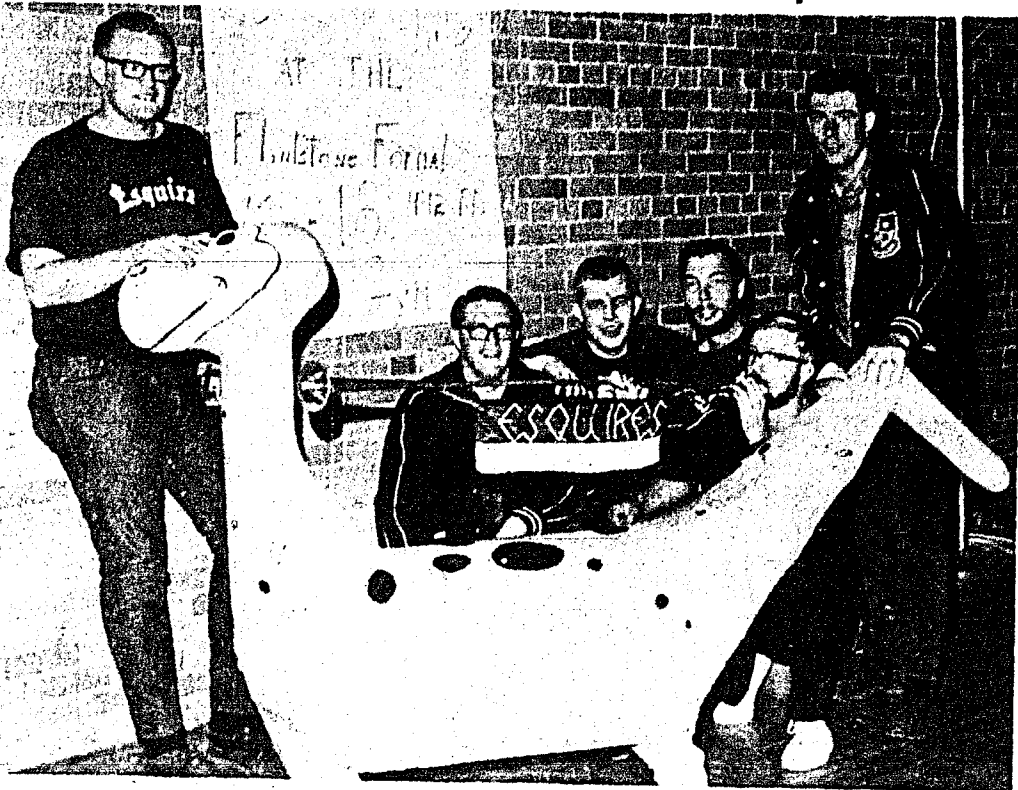

VOL. 4, NO. 19

FRIDAY, MARCH 17, 1967

BOISE, IDAHO

BC student body election commences

Dino welcomes all to Bedrock City

BLOWING THEIR HORN to advertise the coming Flintstone Formal to be held this Saturday are (left to right) Esquires Bob Schubot, Gary Warner, Dale Fackler, Bill Winkler, John Poulson, and Larry Dresser. Dino, the dinosaur (center) will be seen in the Bedrock City decorations at the event.

Leopard evening gowns in order for Flintstone formal Saturday

Bedrock City, complete with rocks, palm trees, and Dino, the dinosaur, will rise again in the 20th Century when Boise College students garb themselves in caveman outfits and flock to the Flintstone Formal to be held this Saturday from 9 to 12 midnight in the BC gymnasium. Sponsored by the Esquires Service Club, the formal is open to all Boise College students and invitations have been sent out to the College of Idaho and Treasure Valley Community College. All staff and faculty are also invited.

Prizes, which are sponsored by local merchants, will be awarded to the best dressed couples and best dressed individuals. Awards for "Best Dressed Caveman" and "Best Dressed Cavewoman" will also be presented. Faculty judges include William Belknap, Darcy Frederick, and Mrs. Diana Oberauer, who will also serve as dance chaperones.

The formal, which is the Esquire's biggest project of the year, will be put on for the fourth consecutive year and is headed by Bill Winkler, chairman and Dale Fackler, assistant chairman. Other committee members include Chuck Schambelin, Bob Beaver, Johnny Ashcraft, with Larry Dresser, Russ LeFourdias and Jack Sutton handling publicity.

Pictures will be taken at the dance of individual couples and concessions will be on sale from 9 to 12 midnight.

All further enquiries should be addressed to Secretary, Edward L. Bernays Foundation, 7 Lowell St., Cambridge, Mass. 02138.

Bernay's foundation offers \$5,000 for solution to British, U. S. relations

Five thousand dollars will be awarded to any competitor who wins first place in the Edward L. Bernays Foundation Award.

In view of the public relations now existing between Great Britain and the United States, the Edward L. Bernays Foundation is sponsoring an award of \$5,000 to further understanding between the people of Great Britain and the U.S.

Much of the misunderstanding of today has resulted from the usage of unglamorous and misleading adjectives and cliches by both peoples. In Mr. Bernay's opinion, "The future" of our relationship will depend on what the people of Britain finally decide as to their economic and political future. But, regardless of what this will be, I believe a close relationship must be maintained to strengthen, in the world, those human values for which our countries stand." More and better communication is suggested as a means for alleviating and ending altogether this unfortunate misunderstanding.

All manuscripts should be typewritten, double spaced and no longer than 5,000 words. Anyone, including faculty and students, is eligible and entries will be acknowledged by mail and returned only if accompanied by return postage. They should be sent to the Foundation, 7 Lowell Street, Cambridge, Massachusetts 02138.

The Board of Judges will be composed of six people, three from the U. S. and three from Great Britain. The winning manuscript will be published in a pamphlet and distributed widely to group leaders and opinion molders on both sides of the Atlantic, so that they can view the suggestions and ideas contained in it. The Foundation reserves the right to publish, in the pamphlet or in any other manner, any ideas or suggestions of any contestant that the judges find worthy of such publication, with credit to the individual who submitted them.

All further enquiries should be addressed to Secretary, Edward L. Bernays Foundation, 7 Lowell St., Cambridge, Mass. 02138.

KBJC rides again!

It was the Keysone Cops relieved last week when the KBJC good guys staged the publicity stunt of the year. Riding in two cars, one marked Official Kop Kar and the other marked Getaway Car, the radio students kidnaped an unknowing Boise College coed and the chase was on.

As the getaway car rounded the first corner, from behind came the law and the shooting began. As the terrorized coed sat between the two gangsters, wrapped in yards of recording tape, the two cars raced over the campus.

Finally, the chase ended with the Kop Kar forcing the bad guys off the road and the damsel in distress was rescued. But the stunt wasn't over yet. Everyone involved marched over to the radio station and the coed was booked until she came up with some new call letters for the radio station.

Everything was, eventually, back to normal and the good guys had accomplished their purpose, students on the campus were now aware that the KBJC was now back on the air.

The radio station, KBJC, is looking for new call letters that will be more in keeping with the new status of the school. Information on future contests can be heard on KBJC, which broadcasts on 1280 kilocycles from 6 p.m. to 12 midnight daily, two until 12 midnight Sundays.

Candidates to petition for ASB nomination

Petitions for Associated Student Body offices will be available in the Dean of Students office, A108, beginning Thursday, March 17. All petitions must be returned there by 4 p.m., Thursday, March 23.

The offices to be filled are president, vice president, secretary and treasurer. To be eligible, a student must have at least 60 credits by the end of this semester, and have at least a 2.0 GPA. Candidates for treasurer must be business majors.

Campaign posters may be placed on campus starting Tuesday, March 28 and must be down by 5 p.m., Thursday, March 30.

A campaign assembly will be given during the 9:30-10:00 a.m. break Thursday, March 30, in the Music Auditorium, at which the candidates will be introduced and will state the objectives they hope to achieve while in office.

Polls in the library and the vocational technical building will be open Friday, March 31 from 9 a.m. to 3 p.m.

Marilyn McKean, ASB vice president, urges "All students who are interested in helping to build a bigger and better Boise College run for an office."

Hough reveals plans of SPIB on campus

Bob Hough, chairman of the Student Public Information Board, announced Tuesday that the board was in the process of making plans for a Campus Day for seniors from the four Boise High Schools to be held sometime in April and a promotion tour of high schools in Idaho during the fall term of 1967.

According to Hough, "The purpose of the student public information board is to give high school seniors and other college transfers a good look at Boise College. We do this in cooperation with the administration through tours, pictures of the campus, and brochures from the administration and associated student body."

Seniors from Wilder and New Plymouth high schools have already toured the campus.

As to the future of the Board, Hough explained that the SPIB

committee would continue to function in future years in order to promote Boise College as an institution of higher learning.

Maj. Fisher visits BC

Maj. Bernard L. Fisher, Medal of Honor recipient, accompanied by Gov. Don Samuelson, made an appearance at Boise College Tuesday, March 14 for the ceremony of the raising of the flag which flew over the nation's capitol and was sent to BC in honor of Maj. Fisher, a former BC student.

SENATE MEETING

The Student Senate of BC will hold a meeting Monday, Mar. 20 at 7:00 p.m., in Room 106 of the Science Building. All representatives are urged to attend.

NOTICES

The March 30 morning break will be extended for the campaign assembly and question-and-answer period following it, which will be held in the Music Auditorium.

All students who plan to take either Elementary or Secondary Student Teaching next fall should make application in the Education Office immediately.—J. O. Dugger, chairman, Education Department.

Residence halls advisors wanted

The Student Personnel Services office has announced a new program for six Student Resident Advisors and six Resident Assistants in the new men's dormitory.

The Resident Advisor is a senior or experienced junior chosen because of his experience, interest, maturity, and administrative ability, to assist the Head Resident in coordinating the residence hall program. The Resident Advisor is responsible for the men on the floor to which he is assigned, coordinating the program for Resident Assistants as well as for facilitating the residence hall goals.

The Resident Advisor receives his single room rent free plus salary.

Although there is no set pattern of background which makes for a successful Resident Advisor, applicants will need to assure the Student Personnel Services office that the responsibilities of the position can be carried out. A minimum 2.000 cumulative grade point average is required in order not to jeopardize an applicant's academic progress.

The Resident Assistant is an undergraduate (junior or an experienced sophomore) chosen because of his interest and maturity to assist in carrying out an effective residence hall program. One assistant is assigned to each of the six floors to assist the floor Resident Advisor and to train as a potential Advisor.

Each assistant will receive his double room free.

Applicants will be selected on the basis of their ability to fill such a position and their desire to profit by such an experience.

Applications for either office should be made to the Student Personnel Services office before final exam week or May 9, 1967.

Fuzzy faces enter TAP competition

A clean shave for some 31 male students at Boise College marked the beginning of the King of the Road Beard Contest sponsored by Tau Alpha Pi last week. Winner of the contest will be announced at the annual Hobo dance to be held Saturday, April 22 in the BC gym. The male winning the "Best Beard" will also be presented with a polaroid camera.

Shaving the beard contestants in the SUB last week were Golden Z's Anita Williams, Becky Ackley, Roni Hardman, and Su Lin Randles. Contestants are Jeff Ingalls, Rick Chauvin, Keith Samson, Lynn Johnson, Lars Hansen, Terry Habeck, Bruce Lyons, Mike Carberry, Greg Harp, Charlie Jackson, Rich Ostrogorsky, Dave Gardner, Dave Knowlton, Manuel Stamos, Gilbert Green, Larry Bryant, Jerry Thornton, Tom Renk, Mike Heath, Farrell Johnson, Dave Howard, Dean Tuley, Chuck Pearson, Bryce Smith, Garold Maxfield, Richard Tackman, Jerry Kincaid, Steve Alters, Bob Abell, and Don Broyles.

Miss BC candidates prepare for pageant

After weeks of persuasion and advertisement on the part of the Golden Z and Intercollegiate Knights members and pledges, 15 girls have signed up as contestants in the fourth annual Miss Boise College Pageant, which will be held Saturday, April 8 at 8 p.m. in the Boise College gymnasium.

"Music to Watch Girls By" is the theme song of the affair, the winner of which will represent BC in the June Miss Idaho competition.

Those girls (and their talents) who will be watched are: Carol Marie Purcell, who will perform a matric reading; Catherine Michaela Hill, acrobatics on a balance beam; Virginia Mae Lowber, dress designing; Joyce Lynn Mitchell, twirling; Katherine Elizabeth Meininger, gymnastics act; Bernadette (Bernie) Jean Jestrabek, art presentation; Dianne Elizabeth Norris, piano, dramatic and sewing talent skit; Andrea T. Forman, dramatic reading; Catherine Jane Wentz, piano playing; Gail Marie Heckenlively, dramatic reading; Kristee Ann Tonnig, popular singing; Janice Mae Welsh, dramatic reading; Sally Sue Kerr, dulcimer playing, and Christine Hancock, art skit display.

Rehearsals, under the direction of Mr. John Woodworth, are slated to begin soon. At those sessions the girls will display their talents, and learn the art of modeling in swimsuits and evening gowns.

Meanwhile, the Golden Z's and IIC's have been and will be feverishly accomplishing such tasks as procuring scholarship sponsors, providing for intermission entertainment, constructing scenery, printing and distributing tickets and programs, designing of posters, setting up a display at Royal Optical, publicizing the event through the mass media and the Red Steer drive-in marquees, maintaining a budget, and providing hostesses for

the five judges and competitors, as well as escorts for the girls.

Tickets may be purchased for \$1.50 from any IK or Golden Z, or from the Melody Shop and Holinger's Music.

Campus Calendar

- Sat., Mar. 18—Flintstone Formal, 9-12, gymnasium.
- Mon., Mar. 20—Student Senate meeting, 7 p.m., room S106.
- Wed., Mar. 22—Representative from Kresge G.E. Co., 1-5 p.m., room C in the SUB. Boise College vs. NNC track meet at 3 p.m., stadium.
- Thurs., Mar. 23—Inter Faith Council Easter program, 9:40-10:40 a.m., Auditorium. Flying Broncos meeting, 7-9 p.m., room A206.
- Fri., Mar. 24—SPRING VACATION BEGINS.
- Sat., Mar. 25—Judo tournament all day, gymnasium.
- Sun., Mar. 26—EASTER.
- Mon., Mar. 27—LAST DAY OF SPRING VACATION.

Chad and Jeremy perform on campus

CHAD AND JEREMY, contemporary singers, gave an evening concert before a full house in the Boise College Gym, March 11.

OUR EDITORIAL COMMENT

Somebody loves us!

In this same spot last week, there appeared an editorial explaining the ROUNDUP's biweekly publication due to financial difficulties. A plaintive cry was sent out by the staff, which was thought to have been unheard, until Monday morning when in the staff mail there appeared this letter:

Dear Sirs:

I am receiving the "Roundup" for about a year and as a for-eigner am especially interested in it. Moreover, our daughter will be ready for the College this fall. Was sorry to read that the finances for the paper are in bad shape.

Enclosed two dollars which I hope will cover at least the postage for the issues I have received so far.

Thanks again.

MRS. R. A. WILLIAMS
 1426 East Washington
 Boise, Idaho

After reading the letter, the staff unanimously decided to dedicate this issue of the ROUNDUP to Mrs. Williams, who is hereby dubbed the ROUNDUP's official Picker-Upper of the Year.

OUT OF MY HEAD

By JIM JONES

As the realization spread in the girls dorm that unequal hours were not on as firm ground as many had thought, other events were happening that bear soon to be felt impact on the issue.

The Idaho Legislature passed, and Governor Samuelson signed into law, H. B. 34, which amends Section 18-7301, that provides that persons shall be free from discrimination because of sex.

The most startling consequence of this newly signed law is that, among other things, dorm mothers who illegally restrain girls, are liable for criminal prosecution. Not only that but those responsible can be held accountable under civil law for punitive damages.

The law reads: 18-7301 FREEDOM FROM DISCRIMINATION CONSTITUTES A CIVIL RIGHT—The right to be free from discrimination because of race, creed, color, SEX, or national origin is recognized and as declared to be a civil right. This right shall include, but not be limited to . . . (2) The right to the full enjoyment of the accommodations, facilities, or privileges of any place of public resort, accommodation, assemblage, or amusement . . .

18-7303. DENIAL OF . . . ACCOMMODATIONS A MISDEMEANOR—Every person shall be guilty of a misdemeanor who denies to any other person because of race, creed, color, SEX, or national origin . . . the full enjoyment of any of the accommodations . . .

As can be seen from the law unequal dorm hours are clearly illegal and as a consequence Boise College must examine its current policies in the light of this newly passed act.

LETTERS TO THE EDITOR

Dear Editor:

Elections are upon us again, and, until March 31, we will see many attempts to encourage us to vote for our favorite candidate. I plan to campaign for the office of Student Body President and will be seeking your views and ideas on improving the goals and image of Boise College.

Questions have already arisen from various factions of the student body.

The ruling body, in the form of a few individuals, has seen fit to severely restrict the campaign to a few short days. To be precise, from the 28th to the 30th of this month. The leadership positions of the student body surely should be more important to the students than this. I would say that the student body, in general, should be given more credit than just expecting them to vote for the people whose names have been in the paper all year because they are part of the "in crowd."

Information that could make a campaign an interesting and educational experience is not voluntarily supplied to all candidates in sufficient time. In fact, I was told by a certain member of the executive council that I didn't know what "was happening."

However, I feel that it is about time the student body finds out what makes the clique click.

Respectfully,
 ERNIE WEBER

Pointed phrases

If your efforts are criticized you must have done something worth while . . . A man who works in a rut will always be narrow . . . Some folks hire a "baby sitter" when a lion tamer is needed . . . There is nothing so fatal to character as half-finished tasks.

Club News

Young Democrats

The BC Young Democrats met the afternoon of March 1 on campus and went to the Idaho Statehouse to observe the passage of the University of Idaho appropriations bill. Later the group was fortunate enough to speak privately with the House Minority Leader, Mr. Daryl Manning, at which time he discussed both the problems of Idaho and their possible solutions. Boise College and Idaho's new governor were discussed at length. Anyone wishing to join the Young Democrats should contact either Dr. John Caylor, history department, or Jack Haymond, chairman, 343-9048.

IK's whiten "B"

Intercollegiate Knight pledges got their training in whitewashing Sunday, March 5, when they painted the "B" on Tablerock.

It's can-tastic

Pow! Pop! It comes right out of a can! It's young, swingy, more modern than mod—it's Le Canned Dress—a kooky dress and matching hat fitted into a 5 1/2-inch can painted to match. It's an Irwin Silver-Patti Cappolli production.

Patti and Irwin discovered the right prints in France—six prints in all—bias boxes, triangles, mini-triangles, diamonds, fish scales, chevrons—in clashing colors of pink, plum and orange or blue, green and pink. The fabric? Texturized nylon from Joyce. Silhouette? Flippy skirt with dropped waist and the tent. Cost? Approximately \$25 and a matching flippy hat for \$6. And there is more to come six times a year in new prints and designs. The colorful can is decorated with a collage of all the prints on the label. Then there's a silver hang-tag—just like a can top printed with "Le Canned Dress." The \$64 question? Is Le Canned dress wet-cleaneable, dry-cleaneable or both? The hang-tag doesn't say. The National Institute of Drycleaning says, "They can be drycleaned!"

NEW TO THE intercollegiate debate circuit this semester are Gene Brown, Mike Ransom, Loren Adkins and Rick Stevens. They attended their second tournament at Linfield College March 2, 3, and 4, the results of which have not yet arrived.

Machine shop course now holds thirty

Vaughn Robertson, the freshman machine shop instructor who is now experiencing his first year of teaching, has an announcement of interest to the many students previously turned away from the course because it was full. Beginning next semester (fall, 1967) Boise College's Vocational Department will be able to carry about 30 students in the Machine Shop Course instead of the regular 16. He reported that this is not only his first year of teaching but that the sophomore instructor, Mr. John Hagen, has carried the course all by himself during the past 13 years. With John Hagen as the only instructor, the shop couldn't let in more than about 16 students.

With Mr. Robertson as one of the newest instructors at BC, perhaps a short introduction of him to the campus would be in order. Graduating from BC's machine shop in 1961, he took an apprenticeship with United Air Lines. From there he worked in proto machinery (experimental and tool making) for Boeing Aircraft. In the fall of 1966 he began teaching the machine shop trade at BC.

Requirements for taking the course are passing general aptitude test, and a high school graduate. It is a two-year course and consists of math to right-angle trigonometry; blueprint reading, shop theory, and machine lab are included. During the freshman year the course teaches filing, lathe, planer, mill shapers, basic grinding, machine tool use, precision gauges and measurement, different types of steel, and application of theory to lab work.

During the sophomore year with a basic knowledge in hand the student is ready for advanced related math, advanced theory, industrial psychology, and job ethics. Principles of trigonometry, threading speeds, gearing and indexing, jig and fixture design capacity calculations, and gear stresses and strain are a few of the essentials learned in the sophomore year. Field trips are a part of the learning in the sophomore year, including Yanke Machine Shop, Ace Tool Shop, Glen L. Evans Co. in Caldwell, the Carnation Can Co. in Nampa. At the completion of the sophomore year the student has a good knowledge and background of lab work and can join a workers' union and get a job. So far success is 100% job hiring and students graduating from previous years started at a wage rate of \$3.00 per hour who went into apprenticeship.

Each student is required to buy the basic tools needed for the course which runs at a retail price of \$400.00. The BC machine shop, like all other vocational shops, seems to be well equipped for an interesting course. Its latest machine is a numerically controlled Bridgeport milling machine. The new students interested in taking the course next fall will have a chance to learn operation of all the machines, including numerical control, in the sophomore year.

Anything needed by the college itself that is made by the machine shop is worked on by the students. Learning to make your own tools is only a part of the complexity of the machine shop field. Others are signbar tools, vices, V-blocks, etc., all applicable to college use. Overhauling of your own machinery is another learned lesson. Each sophomore student is encouraged to make a mechanism to show ingenious designs of the industry. Dur-

TRAVEL

BC history department plans east coast tour to look at birth of U. S. A.

By SEYMOUR KOPF

The organization of the first East Coast tour in Boise College's history — including Jamestown where English-speaking America was born—was announced recently by the college's history department head, Dr. John A. Caylor.

"We'll leave Boise via Union Pacific June 10 and won't return until the 21st," said Prof. Caylor. "We invite students and teachers from Idaho public schools. One can earn two hours credit by attending additional lectures."

As a former newspaperman in the area covered by the tour, I can honestly state that the trip will be worth triple the \$345 fee which includes everything except all meals (a couple will be included). The United States is geographically enormous; few individuals outside the Eastern area (especially students) have the privilege of seeing the America's of George Washington's time and before.

Books Not Adequate

One can read American history books by the hundreds, but one can only understand our heritage of liberty by tracing the very grounds of our nation's founders. At Jamestown, still a beautiful, mysterious area, one gets to understand that Englishmen of high principles and skills were chosen for the journey (several of them Oxford university men). At Jamestown Museum, its talented director is still reconstructing our early history.

The tour will tread the same avenues in Williamsburg as Patrick Henry and Thomas Jefferson did in an era when Virginia was the cultural center of America. Here, at plantation parties, the greatest philosophers of the time were feted. French-visitors sparked the idea of liberty into the minds and hearts of many leaders, he said. One sees Williamsburg today best only by walking (an old-fashioned word) through reconstructed shops

ing the Vocational Department's Open House (April 7, 1967) visitors will have a chance to see the mechanism board in action and view the different and ingenious mechanical contrivances.

and seeing how shoes were made then (for smaller but more wiser feet), how cakes were baked, how posters and newspapers were published on a simple press, and if you are lucky a fife and drum corps will pass by the cobbled streets.

Visit Washington, D. C.

More than two days will be spent in Washington, D. C. The National Gallery of Art is visited as well as Congress and the White House. Visitors will see the changing of the guard at the Tomb of the Unknowns—and there will be memories of assassinations, the Lincoln monument and the grave of President Kennedy. A bus will go to Mount Vernon. Also included will be a visit with the Idaho Congressional delegation, the Library of Congress, Folger Shakespearean Library, and the Supreme Court building.

The Civil War will be brought into focus with Gettysburg where Lincoln made his famous speech; Valley Forge, where Washington's troops marched with little food, tattered shoes and little pamphlets titled "Common Sense"; Philadelphia and its Independence Hall, home of the famous Liberty Bell.

See Chinatown

At New York City, the tour will visit Chinatown which borders on New York's Skid Row (the Bowery section); the Stock Exchange, heartbeat of the nation's economy; the United Nations; Negro Harlem where policemen walk only in pairs; Central Park; Fifth Avenue, and the Cathedral of St. John the Divine. There will be a boat trip around Manhattan Island to see the Statue of Liberty and Ellis Island. The tourists will attend a concert or Broadway play.

Dr. Caylor, who also heads the college's political science department, will be tour leader. He will deliver special lectures for credit prior to the trip. No textbooks will be required but students must have access to such important documents as the Declaration of Independence, the Constitution, and the United Nations charter.

See Dr. Caylor at once to reserve your place on this interesting trip.

MRS. JEAN MacINNIS, director and instructor of the Dental Assistant program, and Mrs. Benny C. Richardson, president of Southwest Idaho Dental Auxiliary, awarded the \$150 scholarship to Cheri Wilson, Dental Assistant student last week.

Dental assistant student awarded Idaho Dental Auxiliary scholarship

Mrs. Jean MacInnis, director of the Dental Assistant program at Boise College, announced the awarding of a scholarship amounting to \$150.00 to Miss Cheri Wilcomb, who was given the scholarship by the Southwest Idaho Dental Auxiliary. This auxiliary is made up of local dentists' wives who had to work extra hard this year to raise a scholarship for a dental assistant student whom they could present it to.

The scholarship has been awarded for several years and Boise College, along with the Dental Assistant program, would like to express its appreciation for the kindness of the auxiliary. The group raised the \$150.00 for a scholarship as part of a program for continuing education with the dental health team.

BOISE COLLEGE WORLD

LITTLE MAN ON CAMPUS

Heyrend announces candidacy; challenges three opponents

Michael Heyrend, a Boise College junior, announced Tuesday that he would be a candidate for the office of Associated Student Body president for the year 1967-68. According to Heyrend, his first endeavor on behalf of his candidacy is a challenge, which he offers to his three opponents, Ernest Weber, Bob Hough, and Michael Wardle, to a public debate before the Boise College student body at a given time and place decided upon by the four candidates.

In explaining his reasons for the challenge, Heyrend stated, "A 3-day campaign, which is proposed by the Student Senate, is unreasonable and is not in the best interest of the student body as a whole."

He continued, "It is an attempt on the part of the Student Senate to influence the election through a short, non-controversial election process." The challenge, which is proposed by Michael Heyrend, is therefore offered in the interest of more responsible student government.

In order to initiate his program, Heyrend has commissioned Jim Harris to organize the first independent student body political party, which goes by the initials L.A.P., Leadership Action Party.

It is hoped by the organizing leaders that this party will set a precedent in the area of student government and remain an institution for future dynamic student leadership.

He who has health, has hope and he who has hope, has everything.

Now, while the selection is abundant, is the time to purchase or lay-away a swimsuit. Three types: the one-piece, two-piece and modified bikini will be "in" this summer, along with matching cover-up tops. Examples of the modified bikini are dacron, cotton, JANTZEN yellow, navy, light blue or pink and white checkered suits, with lace-trimmed tops and hips, and a lime and turquoise, large flowered patterned style, which is supplemented by a billowing, spaghetti-strapped blouse. A long-sleeved, collarless, lace-trimmed, yellow and white checkered cover-up co-ordinates with the yellow and white suit. A COLE OF CALIFORNIA turquoise velvet, long-sleeved jumpsuit, with a decorative gold zipper may be worn separately or over a bathing suit.

Swimwear becomes more sophisticated when mini-skirts, pants, blazers, poor-boys, and sun dresses match a swimsuit. COLE has done just this in their "Dixieland" line which features 100% cotton items in a purple, orange, pink, gold and green tint striped material. COLE's modified bikini is characterized by pants with cut-out legs, and a halter which fits at the neck and back. A striking black bow adorns the bust, as well as the matching sun dress. Round gold buttons accentuate the fake pockets of this ensemble's mini-skirt, and the front and sleeves of the V-necked, double-breasted jacket. This blazer, when worn with a lightweight rose poor-boy, and the orange-straw-belted, striped stovepipe pants fully epitomizes the "Dixieland Jazz Musician" look.

COLE's newest concept in swimwear material is Chemstrand rayon, which is manifested in a collection of green, purple, orange and rose horizontally-striped sport wear. Stovepipe pants, an ankle-length sleeveless dress, sleeveless blouses, and one and two-piece bathing suits are included in this line. Other Chemstrand rayon co-ordinates are a long dress with three large, pink, orange and green vertical stripes, and solid purple, rose or orange shells and stovepipe trousers.

\$1000 scholarships open in French school

Five scholarships of \$1,000 each are available to qualified students applying to the Institute for American Universities for an academic year at Aix-en-Provence, in Southern France. In addition, an \$800 French Government Scholarship, reserved for French majors, and 25 tuition awards, are awarded each year.

The \$1,000 scholarships are divided among majors in French, Literature, Fine Arts, History, Social Sciences and Mediterranean Area Studies. (They are not available to students enrolled in the I.A.U. Summer program or the I.A.U. Semester program in Avignon.) Information about the Institute for American Universities is available in college libraries, foreign study offices, or French Departments.

Applications should be made by airmail directly to:

The Director,
Institute for American Universities

13 - Aix-en-Provence
(Telephone 27.82.39)

Former BC student enters VISTA

Robert G. Folwell, son of Mrs. H. N. Folwell, 2403 No. 28th St., Boise, Idaho, was one of 50 trainees who were recently graduated from a VISTA Training Program at the University of Maryland. As a Volunteer in Service to America, Folwell will spend one year working with the Baltimore, Md., Department of Education.

Before joining VISTA, Folwell, 23, worked for several months for the U. S. Department of Agriculture in Boise, first as a drafting assistant for the Bureau of Land Management and then as an engineering aide for the Soil Conservation Service. He has also had experience in welding. His volunteer activities have included youth group and camp recreational work for the Friends Church in Boise. A 1962 graduate of Boise High School, Folwell attend BC, receiving a certificate in business.

During the six-week training program, volunteers complete classroom study and gain field experience by working near the training site on a project similar to the one to which they will be assigned.

VISTA, the volunteer corps of the Office of Economic Opportunity, sends workers to projects that request aid in poverty stricken pockets within the United States and its territories. They serve for one year, although they may extend their term of service at the end of the year.

VISTA volunteers are now serving in every major city in the nation. They also serve in rural and Indian projects, migrant worker camps, Job Corps camps, and projects for the mentally handicapped.

Those over 18 are eligible to join VISTA. There is no maximum age limit, minimum educational requirement, or entrance examination. Volunteers receive medical

JOHN SPOLJARIC and Slave, newly bought at the Pi Sig auction adapt themselves to the new situation.

Coed slaves sold at Pi Sig auction

Some 20 Boise College coeds were auctioned off to the highest male bidder last week at the annual Pi Sigma Sigma Slave Auction, held in the SUB balcony and emceed by Denny Sauers, Pi Sig president, and Don Hawkins.

An average of \$2.50 was bid for each slave and the highest bid of \$9 went for Pi Sig First Lady, Patricia Byrne. Funds raised will go toward the pledge project of the year, which is to be announced later.

Wet-look vinyl gaining in men's apparel items

Bold, masculine patterns in strong color combinations on vinyl, both supported and unsupported, is a strong fashion trend in menswear. There are poncho-styled, sleeveless vests, three button vinyl suits, slacks, outerwear jackets, caps, and trim on shirts. The shiny look rather than the wet one gets high priority. There are several reasons for this new style.

Fabrics makers are offering a wide variety of solid colors and prints. They are even offering gold and silver flocked vinyls.

The wet-look fashion influence started in the women's wear market. But the new colors and designs are strictly masculine—women would never think of wearing them.

Vinyl is being promoted as vinyl and not as a substitute for leather. Hand and drape has been improved.

Most professional drycleaners are equipped to handle these items by wetcleaning. Consult your local drycleaner about your particular vinyl or vinyl-trimmed garment as to the best way to remove soils and stains.

care, a subsistence allowance that includes \$75 a month for personal needs, and a stipend of \$50 a month, which is set aside until completion of service.

Wisps of wisdom

How great is the virtue and the art to live on little with a cheerful heart! . . . Patience and tenacity of purpose are worth more than cleverness . . . Oft the statesman and the saint think they're doing good, but ain't.

But, fellows, here's a warning from the National Institute of Drycleaning: When you hang your vinyl garment in your clothes closet, be sure it is not in or next to a printed polyethylene garment bag. Under certain conditions, the dye of the printing on the bag may be transferred to the vinyl garment. When this occurs the dye stain cannot be removed.

Seniors requested to have pix taken

As the month of May draws nearer, Boise College seniors begin making plans for graduation, social events, and job placement.

Bach Studios are responsible for all senior photographs to be used in the Les Bois. This applies to all seniors, who will be graduated before May, 1968. Those seniors who have not had photos taken are urged to make appointments with Bach's today to meet the extended deadline of March 20.

No photography purchases are required and no money is involved, unless the senior wants to purchase photographs for his own use. A special rate is in effect for students during this contract period.

Plans need to be formulated for a senior picnic or social event during the month of May. Please make your suggestions and desires known to senior class officers.

Graduating seniors are urged to utilize the services of the Placement Office in A108 in job procurement or for graduate school information.

Senior Class President
JIM COCKRELL

The party's over

It's a silver and white shimmering season. The flare and glitter of metallic fabrics are found throughout today's fun fashions. But when the party is over, your prized metallic garment requires professional care, according to the National Institute of Drycleaning. Here are some tips to guide you in daily care between trips to the drycleaner:

1. Avoid excessive rubbing or abrasion. All metallic yarns are subject to abrasion.

Wing-around-the-world dance set!

By FRANCES BROWN

The International Club of Boise has made plans for a dance featuring dances and songs of different countries. It will be held on Friday, April 14, 8:30 p.m. until midnight, in the Crystal Ballroom at the Hotel Boise.

Tickets will be \$1.50 per person or \$3.00 per couple and may be obtained at the Student Personnel Office, Room 108, Administration building.

Guests at the dance are encouraged to wear costumes from different nations; however, it is not mandatory.

Among the dance groups performing for the entertainment of the guests will be the Order of the Arrow American Indians of the Mountainview Council of Boy Scouts, dances from Costa Rica by two couples, Norwegian dances by the Boise Scandinavian group and South American songs by Rene Farwig.

A variety of music for social dancing by the guests will be provided by Ken Jewell of KIDO and his Discs. There will also be record albums and movie passes given out during the evening.

Broncos nosed out at national tourney

Powell, Wyo. opponent in Friday afternoon game for fourth place

The Boise College Broncos will meet the Powell, Wyo. cage team in a contest to decide fourth place in the Hutchinson, Kan. NJCAA tournament, after being eliminated from title aspirations by Moberly, Mo., 70-50 Thursday night.

As cold in the shooting department Thursday as they were hot on Tuesday, the Broncos dropped into the losers bracket after they were unable to maintain a ten-minute stand-off with the Moberly Greyhounds in the first half at 15-15 and then slowly lagged for the remainder of the game. The Boiseans led at one time in the first half 17-15 on Wendy Hart's jumper.

BRONCOS CORRAL DODGE CITY IN FIRST GAME, 91-77

They scored only six points in the remaining seven minutes while the Greyhounds shot to a comfortable 36-24 halftime margin.

Three minutes deep in the second half the Broncos came to within seven points of Moberly, but this was the last time they were in contention.

Moberly, the nation's number one ranked team, registered a cool 51.8 from the field on 29-56 while Boise shot a tepid 36 per cent from the field, hitting 22 of 61 attempts. Hart led the scoring at 13 points while Bill Otey chipped in with 11 and Keith Burke added 10, but the Broncos never did get started in this one.

Bernie Copeland led the Missouri cagers with 21 points but the damage was done by five other scorers in double figures.

Rebounds favored Moberly, with 41-29 as Copeland took down 12 to lead the Missourians, while Otey had eight to lead the Broncos.

A victory for the Broncos today against Powell would put them into a 2-45 game Saturday for a possible shot at fourth place in the tourney. A defeat would send them back home to rest on the laurels of being ICAC champs and an exceptional season record in conference and area athletic circles.

The box score:

MOBERLY-70	G	F	T
Thoenen	6	1-1	13
Copeland	8	5-8	21
Lawrence	0	1-1	1
Stepter	5	1-1	11
Price	5	1-2	11
Coughenor	4	2-2	10
Pierick	0	1-2	1
Donovan	1	0-0	2

Totals	29	12-18	70
BOISE-50	G	F	T
Otey	5	1-3	11
Hart	6	1-1	13
Burke	4	2-4	10
Ruth	2	0-1	4
Loveless	3	0-0	6
Auer	1	1-1	3
Broyles	1	0-0	2
Bofnkamp	0	1-1	1

Totals 22 6-11 50
Score at half: Moberly 36, Boise 23. Total fouls: Moberly 12, Boise 13. Fouled out: None.

Track time

Track is well under way, with a turnout of over 30 prospects. Coach Ray Lewis says the team is shaping up real well. Returning lettermen are Rick Dixon, Steve Ball, Rich Albertson, Tony Mahar, Bruce Gilbert, Louie Grant, John Mather, Steve Rudd and Ted Thornton. Promising freshmen are Jim Lowsly, Dave Rolfe, Brian McCellan, Mike Mathews, Roger McClure and Joe Runyan. J. M.

TRACK DATES

Boise got off to a running start with less than five minutes gone by a score of 15-8 in the first game of the NJCAA tournament at Hutchinson, Kan. Tuesday. Keith Burke was hotter than a Colt .45 the first half of the ball game with 16 points. The halftime score was 45-37.

Bill Otey was getting the rebounds and finally fouled out with 1:32 to go. The crowd gave him a 45-second ovation because of his rebounding ability.

Bill pulled down 17 rebounds. Burke had trouble with fouls during the second quarter and Renee Ruth took over, hitting five of eight shots from the field. Ruth ended up with 20 points for a second half of play.

Hart came through for 17 points and Steve Loveless added 14 more to the total. Otey and Broyles rounded out the scoring with nine each.

Leading the Dodge City Conquistadors were Bill Greving with 15 and Roland Taylor with 14. Five of the Dodge City players made the double figures in scoring against only four of the Broncos.

The Bronco average was unbelievable, with 21 out of 39 in the first half and 21 out of 35 the second half. A game total of 42 out of 74. They had a 47% total for the game. Dodge City hit 32 out of 75—a 42% average.

The only time in the game that Boise had to worry was when, with less than seven minutes to play, Dodge City closed the gap to 77-76.

The Broncos solved that problem with a fast break against a full press to have Ruth drop in four quick baskets.

Coach Satterfield can be well pleased with the performance of the team as a whole. He singled out Burke's first half play and the team effort of the second half as outstanding.

DODGE CITY-77	F	G	T
Carson	2	0-0	4
Taylor	5	4-8	14
Greving	6	3-5	15
Markel	6	2-2	12
McFadden	5	0-2	10
Garcia	6	0-0	12
Thomas	1	0-0	2
Tucker	2	4-4	8

Totals	32	13-21	77
BRONCOS-91	G	F	T
Otey	4	1-5	9
Hart	8	1-4	17
Burke	8	2-2	18
Loveless	7	0-0	14
Ruth	11	2-2	24
Broyles	4	1-3	9

Totals 42 7-16 91
Halftime score: Boise 45, Dodge City 37.
Total fouls: Boise 15, Dodge City 14.
Fouled out: Otey, Boise.

Broncos hold Matadors of Western Arizona 89-86

By BILL WINKLER
Roundup Sports Editor

Led by the hitting of Keith Burke and Renee Ruth, each with 20 points, the Boise College Broncos won the first game in a single elimination series for the Regional I championship.

The first nine minutes of play looked like the Matadors would be on top but the Broncos pulled up ahead and then never failed again.

The score at intermission was 49-42 thanks to a Burke basket and a pair of free ones by Steve Loveless.

The second half was all Boise. Three different times the Broncos tried to break the game wide open, only to have the Arizona team come back. With a little over eight minutes left in the game, Boise had opened the lead to 80-67.

Arizona Western, led by Mat Archibald, one of the hottest hitting basketball players this writer has ever had the honor of watching, fought back and with 35 seconds left on the score board had come within two points of tying the game up. The score at that point was 86-84 Boise. Steve Loveless then became a hero for the home team by making a pair of free throws to make the score 89-84.

The shooting averages were in favor of Western, making 36-78 for a 46.4 average, while the Broncos hit for 34-75 for a 45.3 average.

The big difference was in rebounding again, as Boise led 45-39. Bill Otey had 13 and Keith Burke 12.

WESTERN-86	G	F	T	BOISE-89	G	F	T
Archibald	12	10-12	34	Otey	7	2-6	16
Cheatum	3	0-0	6	Hart	9	1-2	19
Solomon	5	2-4	12	Burke	6	8-9	20

Fouled out: Burke, Archibald

Inside BC sports

By JOHN R. MARTIN

I think it's about time the spirit of Boise College students received a vote of thanks and a job well done.

The spirit displayed at the closing of the basketball season and the regionals gave the team a real big lift in team spirit. We hope to see this type of enthusiasm grow with each sports event at the college. Thanks!

Intramurals are still in progress and basketball games are still being played Monday and Wednesday nights. If your team has dropped from schedule, please notify the P. E. office.

Girls, you can start watching for the softball games to start. Intramurals can be a lot of fun.

If you'll only get out and join in the sport.

Lettermen have just formed a new club. They have done an outstanding job cheering the team on to victory. The lettermen on the Boise College campus do a fine job of creating sportsmanship off the field as well as on the field of play. Next time you see a letterman, pat him on the back and tell him thanks! Just plain thanks!

Esquires! Thank your members for a fine job of cheering at the ball games, and keep it up!!

BC ski class holds races

Boise College skiers terminated their six weeks course at Bogus Basin last Friday. The six weeks were included in a skiing-mountaineering course taken as a part of the regular physical education course.

Training was concluded in an all-student race involving beginning, intermediate, and advanced divisions. Two slalom courses were used, one for beginning class and one for both intermediate and advanced students.

Winning the boys advanced title was Steve Stranot, with Paula McGoldrick capturing the advanced girls title.

Intermediate boys first place went to Rick Welke and intermediate girls first place was won by Lyn Jones.

In the beginners' division, Roger Isenbarth received first place in boys competition and Cheryl Bram received first place in girls competition.

Advance Boys—Steve Stranot, 20.0; Erick Bodily 20.7; John Lloyd 22.5.

Advance Girls—Paula McGoldrick 34.6; Kathy Moore 56.0; Terry Peterson 58.5.

Intermediate Boys—Rick Welke 26.2; Rick McEwen 26.4; Bob Allen 27.8.

Intermediate Girls—Lyn Jones 30.0; Bernie Dunn 33.5; Ruth Russett 39.5.

Beginner Boys—Roger Isenbarth 22.5; Jim Armstrong 23.4; Rick Veatch 24.9.

Beginner Girls—Cheryl Bram 31.0; Donna Rarick 31.7; Teryl Roam and Kathy Brown 33.1.

Broncos beat TVCC 83-61

By BILL WINKLER
Roundup Sports Editor

The Boise College Broncos wrapped up the Regional title with a smashing victory over the Chukars of Treasure Valley and now head for Kansas.

Keith Burke led the Broncos with 24 points and Wendell Hart came in with 16, with Renee Ruth adding 14. Bill Otey contributed 12 and Steve Loveless had eight.

Throughout the first 15 minutes the Chukars gave the Broncos a run for their money. Ruth put a stop to the closeness by dumping a three-point play with five minutes left in the half and then Burke added 10, six from the free-throw line, to put the Broncos in control 41-29 at the half.

If the Chukars had any hope of getting back into the game, it diminished in the first minutes of the second half. Ruth opened the period with three straight buckets. The Broncos then opened the lead to a 21-point edge and never let it fall after that.

The Broncos shot 44 per cent and the Chukars 38 per cent from the field. At the line it was the Broncos 15 for 26 and the Chukars 5 for 11. Burke had 12 for 16 for the Broncos at the line.

While the rest of the gymnasium was goingtopieces with cheers, screams and hollers, the Broncos were cutting the basketball nets, and then virtually carried Murray Satterfield off the floor. Whether he went into the showers or not is unknown. But anyway the Broncos need another well done. We are all proud of the team and wish them the best in Hutchinson. Good luck!!!
