Nine Coeds Seek Homecoming Title

Boise College male students will choose from nine coeds today and Tuesday, Oct. 16-17, at the balloting for the five finalists for 1967-68 Homecoming Queen and her court. The polls will be open from 9 a.m. until 3 p.m. in the Library and the Student Union, according to Denny Sauers, homecoming chairman.

Student National Teachers Organization on campus is sponsoring the only senior in the contest, Janine Kay Talley, who is an elementary education major. Janine is 21 years old and is publicity chairman for SNEA. She was AWS president in 1965-66, member of Lifelines in 1966 and freshman representative for AWS in 1964-65.

Two juniors, Diana L. Parker and Janice Williams are candidates for homecoming queen. Diana, who is a 20-year-old biology major, is sponsored by the Esquire Club. She is the club's official sponsor and also is pledge cap-

tain of the Golden Z service club. The Esquire club is for ex-service men.

Janice, who also is 20 years old, is majoring in English with a journalism minor. She is editor of the campus newspaper, The Roundup, and is a member of French Club. She is sponsored by the Roundup and Les Bois, the annual staff.

Nineteen-year-old Suzie Johnson is a sophomore art education

major at Boise College and is being sponsored by Intercollegiate Knights for homecoming queen. She is a member of Valkyries service club and a member of the BC Bronettes drill team.

Fashion merchandising major Linda Eyre is a 20-year-old sophomore at BC. She also is a candidate, sponsored by Distributive Education Clubs of America. She was head song leader in 1966-67.

Associated Womens Students President Susie Johnson is the Circle K service club's candidate for homecoming queen. She is a 19-year-old elementary education major and is the Circle K Sweetheart. She is a member of Lifelines, Golden Z pledge, drill team for 1966-67, and received a scholastic scholarship this year.

Hui O Hawaii is sponsoring Cheryl N. Inafuku for homecoming queen this year. Cheryl is a 19-year-old nursing major at BC. She is publicity chairman for the club and is secretary-treasurer of the freshman nursing class.

Jeane Link is a sophomore commercial art major and is representing Chaffee Hall in the homecoming queen contest. She is 19 years old and is a Valkyrie pledge and a member of art club.

One of the two freshmen in the contest is Vicki Ustick, who is sponsored by Tau Alpha Pi, the Vocational Technical service club. She is 18 years old and a dental assistant. She is chapter sweetheart for TAP and homecoming float chairman.

The preliminary elections will eliminate all but five girls, who

will comprise the queen and her court. Each club, whose candidate is not among the five finalists must provide a convertible for their candidate in the float parade, Oct. 28.

Pi Sigma Sigma service club will sponsor Connie Gibson in the homecoming queen contest. Connie is 21 years old and a junior business education major. She is Miss Wool of Boise College for 1966-67 and a Junior League Follies girl.

A member of the Bronettes Drill team and publicity chairman for the LDS Institute, Susan Thompson will compete in the contest as the Institute's sponsor. She is a liberal arts major.

Suspenders are the oldest form of social security.

CHANCELLOR EUGENE B. CHAFFEE OFFICIALLY DEDICATES NEW DORM

By RUTH RUSSEL
Associate Editor

"The warmth and enthusiasm of Dr. Eugene B. Chaffee made me feel at home here in Boise College," reflected Dr. Donald Obee as he gave the opening speech at the dedication of Chaffee Hall, Thursday, Oct. 5.

"During these thirty years plus," continued Dr. Obee, he has been the guiding light in having our enrollment grow from fewer than 100 students at old St. Margaret's Hall, with a half dozen faculty members and a total annual operating budget of \$19,000.00, to our present plant valued at 30 million dollars, boasting a total enrollment of nearly 5000 students, a faculty 170 strong,

and an annual operating budget of approximately \$4 million."

Expressing his appreciation to the faculty and administration and all those who have given their loyalty, time and energy in building Boise College, Dr. Chaffee dedicated the new men's dormitory for continuing services of the young men of today.

"This sensational growth has been the cumulative results of careful administrative planning and execution, winning the confidence and support of the community, a highly motivated and dedicated faculty, and an enthusiastic student body—in other words, a team effort—and the quarterback who has called the plays is the honored Dr. Eugene B. Chaffee," Dr. Obee stated.

During the ceremony a portrait of Dr. Chaffee was unveiled. Donated by the student body of 1966-67, the picture will hang perma-

nently in Chaffee Hall. The portrait was painted by a young Spanish artist, Fuentes De Salamanca, in Malaga, Spain. It is done in oil and was painted from a photograph portrait by Stanley Burns of Boise.

The only way to save money nowadays is to have low pockets and short arms.

LAST CHANCE!

All entries for floats for the Homecoming Parade should be turned in to John Poulson, parade chairman, in the ASB office by Friday, Oct. 13.

Chuck Miller Band Plays for BCRA

The well-known western singer, George Thompson, will be featured by the Chuck Miller Band Saturday at a benefit dance for the Boise College Rodeo Association to be held in the Crouch Community Hall in Garden Valley at 9 p.m., according to Bernie Jestrabek, publicity chairman.

The dance is open to all ages and all proceeds will go to the Rodeo Association to pay back a loan from Tau Alpha Pi service club. Dance chairman is Dave Alley.

Rodeo Club officers are John Fairchild, president; Mickey Welsh, vice president; Yoland Willhite, secretary; Beverly Martin, treasurer, and Connie Bennett, senate representative. Advisors are Robert Sylvester and Glenn Selander.

The club members will be split this weekend, half will be arranging for the dance and the other half will be in Provo, Utah, representing the club at a horse meet at Brigham Young University.
