'The Sandpipers' To Appear In Concert

By KATHY AMOS
Roundup Staff Writer

Talent abounds at the Sandpipers visit Boise College. The trio, composed of Michael Piano, Jimmy Brady, both guitarists, and Richard Shoff, playing bass, will be in concert during this week of Homecoming activities. The Sandpipers will perform Tuesday, October 24, at 8 p.m., in the Boise College gymnasium.

The three singers all have extensive musical background. Each had sung in the famed Mitchell Boys Choir with Jimmy Brady, being the only Mitchell boy to have made two European tours, and to sing in St. Peter's Cathedral, Rome, for both Pope Pius XII, in 1957, and Pope John XXIII, in 1959.

From the Mitchell Boys Choir, the trio, interested in forming a musical trio, jumped at the Harris Club call for new vocalists. Along with a female singer and female dancer, the trio performed into "The Grad," and played a seven-week engagement. As The Grads, the trio acquired show business fame with their ultimate engagement at the Celebrity Theater of the Sands Hotel, Las Vegas, capturing them to greater heights.

Next step to fame came at the A&M Records contract with a new name, "The Sandpipers," and new song, "Guantanamera." This July 1966 release blasted the trio to the top as it sold more than 400,000 single copies, and rated sells of 11,000 albums a month.

The Sandpipers then worked on television, state fairs and college concert appearances. The Sandpipers sing everything from folk songs to ballads. The Sandpipers sing everything from folk songs to ballads.

At 7:45 p.m., competition cheering between the individual campus organizations will begin with the Spirit Jug contest sponsored by the Pi Sigma. During this time, the sales are going very well and all profits will go to the Student Union building.

BRONCETTES TO DRILL DURING HOMECOMING

One of the hardest working groups on campus, the Broncettes, are billed for a special Homecoming event in conjunction with the Boise College Band. To a person sitting in the stands during halftime, the Broncettes' routines look very simple. However, there are not as simple as they look.

The Broncettes, as they are now, were organized three years ago with Hank Haust as director, Howard Haust and this year's leader, Captain Barbara Rasmussen and Lieutenant Ernestine Bell and Linda Jarrett, spent much of their spare time on drill team activities.
PLEDGING - holy time and energy to a bigger and better: Homecoming at Boise College this year are Homecoming Committee members, from left, Reed Avery, Esquire; Bob Hickey, publicity; Dean Taylor, Tau Alpha Pi; Larry Smith, Homecoming chair; Dick Grifroy, social chairman; Tony Broski, election; Gary F. Clark; Nancy Johnson, AAWS; Janet Field, Valkyries, and Linda McKechnie, Golden E's. The committee has been working on the week-long celebration since May.

COLLEGE ALUMS ANNOUNCE PLANS FOR BC HOMECOMING ACTIVITIES

This year, there will be a full day of activities for Boise College alumni, according to Jim Crockell, coordinator of the college Alumni Association.

Starting at 10 a.m. Saturday, buses of the campus, which will originate at the 2900, will be followed by the Gamma Z's and Valharyes. The tours will last until just before the parade starts. The parade will be on the campus at 11:30 a.m. A special float is being planned by the committee.

Following the parade, an open home-sweet-home hour will be held at the Elks Lodge at 5 p.m., for alumni, faculty, and upper classes.

Crockell stressed that invitations would be extended to the upper classes, but that all of them are invited to the open home and to the dinner afterwards.

The dinner, beginning at 7:30 p.m., will be a no-host affair at the hotel. Those planning to attend should write the Alumni Association at Box 795, Boise, and indicate the number wishing to attend the dinner.

Special guest at the dinner will be Dr. Eugene H. Chaffey, chancellor of the college. The affair will be semi-formal with an informal setting.

At 9:30 Saturday night, there will be a special Homecoming Dance in the SII and all are encouraged to attend. Members of the Alumni Association are further urged to participate in all the activities of Homecoming Week, Crockell said.

BURSTING with team spirit, the Boise College cheerleaders, from left, Pat Turner and Eva Long, will be at the football game against Ricks College Saturday afternoon. The fifth member of the group is Sue Merton, who carried her cheering enthusiasm to page 8.
Homecoming Fashions on Parade

Pants and Semi-Formals On Campus This Week

BY PAT KAHN

Homecoming is Saturday night in the Student Union. Music will be by the Buddy Morrow band.

Casual, Yet Good-Lookin'

BEN HAMILTON, left, and Barb Forman try on their glad rags to attend the Homecoming semi-formal Saturday night in the Student Union. Music will be by the Buddy Morrow band.

Students have flown north to Idaho to help up with the best Homecoming yet. For the most fashion-wise and relaxed evening direct your attention to a smart theatre suit or evening dress with matching accessories.

October 22, Pep Rally. Fight! Fight! Stand proud and do your cheering easily in a sporty mini-dress or comfortable pants suit. Wear active fashions and bright colors; be peppy and let's win!

October 22, Pep Dance and Speech. Format your best on fun as well as learning. Friday night as you travel into the wide world of evaluated dignity and then on to the carefree atmosphere created by a driving beat. Informal school occasions or skirts and sweaters in shades of autumn will blend in nicely. For men, a sport jacket and chinos are in order.

Afternoon, October 22, GAMES. The emphasis is on wearing: the word is spirit. Breathe the open air spirit of the day at any type of sports, dress, chinos, knee skimmers, or one of many new sporty fall fashions. Win the approval of the grandstand crowd with a direct, unadorned polo dress or action loving couturier. Break loose from "stay put" clothing, and yell for the orange and blue.

Evening, October 22, Semi-formal. It's the end of a marvelous week and it's only right that the mood be a little more formal. Dressy dresses (either long or short) accented in the flavor of the evening will give an extra sparkle to an already unforgettable Homecoming.

ENROLLMENT RISES

A record 4,947 students are enrolled in Boise College this fall, according to Mrs. Alice Hatton, Registrar.

Enrollment, however, junior and senior classes show a substantial increase over last year, while freshman enrollment was about the same, Mrs. Hatton stated. Men students outnumber women on a ratio of about 3:1 in the college. The faculty and staff of the college has also reached a new high, with 191 full time members under contract.

Boise College conducts night classes on campus and at Mountain Home Air Force Base in addition to its full day program.

He coached a championship team at Caldwell in 1955, prior to coming to Boise College. Besides being line coach for the Broncos, Lewis also coaches wrestling and track.

His track teams are well known and have won many conference titles.

"But" Conner

The newest addition to the Bronco coaching staff is backfield coach "But" Conner. Before coming to Boise College, Conner coached backfield at Idaho State University. He also coached high school football at Rigby and Idaho Falls.

Conner attended Utah State University at Logan where he received his Master's degree. Besides being backfield coach, Conner is in charge of the Intramural program and will assist Murray Satterfield in coaching basketball.

Murray Satterfield

Murray Satterfield, head basketball coach for BC, also insists in coaching the Bronco backfield.

Satterfield attended college at Idaho State College and Utah State at Logan. He now is attending graduate school at the College of Idaho.

He played college basketball at Idaho State and the University of Utah and was twice selected all-conference while at the Utah school.

Major basketball tournaments he participated in include the National Junior College Tournament in New York, the NCAA in Kansas City and the A.A.U. in Denver.

Satterfield has had previous coaching experience at Wendell and Burah high schools before coming to Boise College.

The Boise College Broncos, lacking their usual scoring momentum, were stopped by a rugged Mesa football team and came out on the losing end of a 25-14 score Saturday night at Grand Junction, Colorado.

Unfortunately it was a case of good defense and no offense for the Broncos, who, despite recovering five fumbles and intercepting two Maverick passes, were hampered on offense by the tough Mesa defense.

A fumble led to the first BC score when Ken Johnson recovered a punt 65 yards at the Mesa-yard line. Pat Williams then booted over the 33-27 conversion giving the Broncos a 7-0 lead.

The Mesa Mavericks came running back with quarterback Ron Foss completing a long pass to the Broncos four. On the following play the Broncos fell in for the touchdown but still trailed 7-6.

The Broncos got away another Mesa threat by recovering their second fumble but were unable to get going and surrendered the ball.

Late in the half, Boise sustained a long drive to the 15, but their luck ran out just before Smith's pick was picked off by Charley Jenkins, who ran 90 yards for Mesa's second touch-
down, but still trailed 7-6.

Boise completed a 94-yard pass from Terry Maloney, who ran yards for Mesa's second touch-
down. Still another Broncos drive ended when Terry Spubbo had a pass intercepted by Mesa's 15 and was returned for 45 yards. The half saw the Mavericks on top 10-7.

In the second half things get worse for the Broncos. While they were stopped in time they had the ball, the opponents took advantage of making up yards. In the series of plays, Quarterback John Church's two-yard touchdown terminated the drive and stretched Mesa's lead to 17-7 just before the third quarter ended.

Three fumbles were given up by the spotting Broncos defense in the final quarter. and Steve Boa-

Game Looms for Broncos-Vikings
Boise College meets Rick's College in the Bronco's annual Homecoming game October 26. The game will wind up a very old series between the two teams as Boise College moves up to a four-year status next year. The series began in 1897 and to date, the Broncos hold a 19 win, 6 loss and 1 tie edge. The Vikings would very much like to gain a win in the final meeting.

Although Boise has dominated the series, Church Lyle Smith anticipates a tough game. "All of our games with Ricks have been hard fought and we have much respect for Viking Coach Don Rydback." Smith is described as having a very good team. They are a versatile team with good speed and they will pass. Pullback Grew McCabbin, a good inside runner, is the chief running threat. The Vikings are also very adequate on defense.
