LETTERS TO THE EDITOR

KBSC Pres. Defends Broadcasting Station

Dear Name on File:

In regard to the letter which appeared in the April 4 Roundup concerning KBSC and the DJ's, I was outraged. Whoever wrote it must have been completely shielded from his college's own radio station and how it is run.

The station is not "run" by anybody. One of our major offices is the program director. The person who now holds this office, does have total control over the station's contents. He is there to remind the rest of the club of its policy and give advice when it is needed. As long as the DJ's follow the club policy they are pretty much on their own. Most of the DJ's haven't had any experience in broadcasting before and they have their own airshifts now.

The DJ's are not a bunch of "conceited know-it-alls" with their noses stuck in the air, as the writer seems to believe.

If the letters published in the Roundup are going to be the line of thought the Interfaith Council should take, I think they are way off the mark.

Do Students Have to Be Asked to Pay Respect?

Dear Editor:

In past years this paper has printed several letters in regard to being respectful to the American Flag. By showing respect to this symbol of American democracy, a person shows his loyalty to this great country in which we live.

These last few days Americans have been showing their respect to this flag by flying the flag at half staff. This is perhaps one of the greatest things any person can do to a man who has served his country. Martin Luther King was a man dedicated to the propagation of peace, so dedicated, in fact, that many people followed. The afternoon of his death was the saddest death of many innocent women and children. Who says anything about flying the flag at half mast for them? What about the boys in Vietnam, both negro and white? Why don't we fly the flag at half mast for them?

Since 1963, Easter Sunday has been set aside as a National Day of Prayer. We now have our own flag to fly over our buildings, state and federal. Why don't we fly the flag at half mast for them? This is the whole point of having a flag at all. When we unfurl our flag, we symbolize pride and respect for our country. Why don't we show respect for our flag, the symbol of the greatest country in the world.

Council to Purchase State Flag and Seal

The Executive Council will purchase a state flag and a Boise State College seal for student government with the coming status of State College. Plans were made official at the ASB meeting on April 3.

A ceremony to commemorate the transition is the merging of the Lyceum and Social committees and the Student Union Board into one entity. However, the three groups will remain separate for the remainder of this year.

Members of the council would like to thank the students for Church and their love of our country. We have had the honor of receiving the title of Mikesous for the 14th year, 1968. The contest will be held in Bola Grande, Texas in June for the Miss America title.

Practical Nurses Graduate Ten Freshmen
In April 7 Exercise to End Year’s Studies

By Pat Reer
Graduation exercises for the practical nursing class at Boise College were held Sunday, April 7, in the Liberal Arts auditorium. The practical nursing course is a one-year training program in cooperation with the St. Alphonsus Hospital and the Idaho State Board for Vocational Education. This is the first year the practical nursing course has been designed to end in the spring. Another class will begin next fall.

Mrs. Lois Hale, class president, and Dr. John B. Marks, superintendent of the Idaho State School and Hospital at Nampa, spoke to the graduating nurses. Marks, who received his M.D. at the University of Wisconsin, advised the students that the certificate awarded upon completion of their training was only one more tool to serve humanity.

VISTA VOLUNTEER RETURNS TO BC;
TELLS OF QUASI-ESKI EXPERIENCES

By Mike Schindelke
Twenty-three-year-old Carol McDonald, the 1964-65 president of BC’s Vista Volunteer chapter, related her experiences as a Vista Volunteer during 1966 in White Mountain, Alaska.

Miss McDonald, who is returning to the University of Wisconsin to continue her education at BC this coming fall, left Boise in June of 1966 to serve for a year in the Volunteers in Service to America. She and her roommate were trained for six weeks at the University of Alaska, and then were assigned to White Mountain by the Department of Economic Development and Planning Division of the Economic Opportunity Office at Juneau.

Upon their arrival at the village, which served as a lookout during the Eskimo-Indian Wars, the Vista council asked the two Vista volunteers to start a preschool program, a recreation program, and a classroom work consisted of hours of theory in the needs of humans in sickness and health, with emphasis on the practical nurse’s part in meeting these needs.

Broncos finish 6th in BC Diamond Classic;
Baseballers Even Current Season at 4-4

The Boise College Bronco took sixth place in the BC Baseball Classic April 6, with an 11-3 loss to the U of M Vandals at Shirley Stadium in Caldwell.

Prior to a 13-3 win over NNC, the Vandals took advantage of the Bronco pitching staff and continued their attack after Boise opened the scoring. The Broncos started the scoring when Phil Smith bunted out a single, scoring Rich Yocom. Then the Idaho attack started, with center fielder Phil Reber hitting two singles and a double for five runs. Hunter Everts also helped the Vandals cause by driving in two runs.

LEWIS-CLARK

In the earlier April 6 contest, Boise bounced Lewis-Clark Nor-

tial 7-2 at Nampa. The Broncos jumped into the lead in the first

frame when Yorum swatted a strong field single, stole second

and scored with a bouncing double by George Saphire.

Lewis-Clark knocked the score 1-all in the third, but Boise came

two in their half of the inning with two more. Boise again

added three more in the fourth and another in the fifth to wrap up

the game.

GONZALES

On April 5, Boise College dropped a 10-5 decision to Gonzaga.

Boise had clear sailing for the first five innings with Phil Smith al-

lowing only one run. But in the sixth, the roof collapsed, as a dou-

ble by Zag Doug Anderson pushed two more runs. A fourth run in

the sixth came across for the Zags and third the score at 5-all until

the Bronco offense took off with three runs. A fourth run in the

seventh sent Boise across the plate. The next scheduled meet is the

annual NNC Invitational to be held at Nampa's NNC oval, Satur-

day, April 13.

BOISE COLLEGE WINS SEVENTH, LOSES FIRST SET

The Boise College tennis team extended its season record to 7-0

by defeating the C of I and NNC last week.

The Broncos saw their unbeaten streak for individual games

snapped at 67 in the match with NNC Thursday when the doubles

team of Joe Jordan and Gary Gill won the last match of the day.

The Broncos, however, lowered the score on the Idaho doubles

in the 8-1 victory.

The team started the season March 23 against the Idaho

State University, Pocatello, Idaho, in a 9-0 shutout. Following

the Idaho game the Bronco team took off to the Ontario Classic April

17 and finished the week by defeating the University of British

Columbia, 6-4, 6-2.
