HERBERT MENGEL
ANNOUNCES PLAN
TO BEAUTIFY BC

By BOB DAVIES

According to Colonel Herbert O. Mengel, significant improvements are being made to beautify our campus.

New curving and gutters are being put in around the VoTech building. In the area around the main dorm, grass is being planted and a new sprinkler system is being installed. Also, the removal of hedges and the foundation planting of grass and shrubs around the new section of the Science building is now being completed. In connection with a contract held by Sears, a plot of land around the main campus has been given to a group of people to use. Completion of this project these people are eligible to use in the corner being held.

In the long range plans, the area west of the tennis courts will be beautified, and a prairie field on the west side will be planted from the Boise river to the Library for administrative purposes.

In regard to the parking problem, the west area of the Administration building will be divided physically between the student parking and staff parking. This will leave the area in the "T" in front of the Administration building for student parking only. These improvements will be made for the first ticket and $5 for any additional parking tickets.

Bullington Receives VP Appointment

The Boise College Board of Trustees has announced the appointment of Dr. Richard E. Bullington as executive vice president. The appointment, effective July 15, will fill an office created by the board last December.

Bullington, who is from Tempe, Arizona, is currently professor of education and chairman of the department of education at Arizona State University.

"I was associated with Professor Bullington when I was at Arizona State University," Dr. Bailey said, "and his decisions, to return to Boise State College in my present position, are fitting in the same sense."
LETTERS TO THE EDITOR

A Statement From ASB President Nelly

Due to a recent audit of the ASB budget, it is with regret that the ASB chairman must take action. The question and answer session at the last meeting revealed a substantial deficit. The ASB is responsible for managing the students' activities and ensuring that funds are used appropriately. The ASB budget, as of April 1968, was greater than the Young Democrats could have anticipated.

I am sure this will add to stimulating future financial difficulties and the situation we are now confronted with.

Campus YR Chairman Shocked at BYD's

Dear Editor:

A few days ago I was sitting in a classroom when I saw a poster in the hallway announcing your campus newspaper's upcoming debate. I then asked the question of the debate leaders to present the candidates for presidential elections.

If this was only a Gus era, then the public performance should be tremendous and well worth seeing.

Ron Schilling

College Concert Band

To Perform April 34

The College Concert Band, under the direction of Robert Mahoney, will present a concert April 24 at 8:15 p.m. in the auditorium.

The concert will feature the music of Rachmaninoff, Grieg, Vaughan Williams, and Tchaikovsky.

Women's Tennis Team Schedule

The Women's Tennis Team will participate in two conference matches this spring.

The team will play Boise College on April 15 at 6:00 p.m. and Idaho State College on April 29 at 5:00 p.m.

BOISE STATE COLLEGE DEBATE

PLACE IN TOURNEY

Boise College debaters participated in the North Idaho Panhandle Speech Tournament held in Coeur d'Alene, Idaho, on March 16 and 17.

The tournament was sponsored by the Idaho Speech Association.

The debate was a meeting of the representatives for Senator Kennedy. During the question and answer session, the young senator accurately recognized me (Young Republican) as a supporter of the anti-civil rights movement. He had been asked to state his position on the situation when the young senator asked me to state my position on the situation.

I am sure this will add to stimulating future financial difficulties and the situation we are now confronted with.

Civil Rights Demonstration Peaceful; Speakers Emphasize Equality for All

By LYNNE HEINE
Boise Daily Reporter
Seven hundred and eight rights advocates made history last Friday in Idaho's first public demonstration for racial equality.

The rally was orderly and effective with no legal violations or disturbances, despite rumors. Regardless of skin color, the speakers made history last Friday in solutions to racial problems.

The rally was organized by Boise NAACP chapter chairman and welcomed all concerned in attendance. He placed emphasis on community involvement.

Pastor of Hillview Methodist Church, the Rev. Dwight Williams, gave the invocation,_stressing count.

By LLOYD LOVE and OLEN OLIVER
It would be quite to discuss Lyndon Johnson's decision not to seek re-election, nor is that important. The crucial question is "What helps make this nation?"

The obvious gainer is Robert Kennedy, whose chief opponent to the nomination has been removed, thus allowing a nomination fight that would have harmed him. A Gallup poll shows that if the election were held now, Kennedy would win. Surprisingly, Nixon and Wallace have just lost since the senator entered the race. In some cases, Kennedy's reputation for righteousness and tolerance may be as great rather than a liability.

Rodenbaugh Collection Now On Display at BC

On display now on the second floor of the Science Building is part of the Rodenbaugh rock collection, which has been used primarily for geology labs at BC. It was presented to the school.

The collection was put together by Rodenbaugh during his lifetime and was presented to the Idaho Gem Club after his death. The rock assembly given to Boise College a few years ago and recently was finally fitted into display cases for viewing. For the first time, the samples on display represent only a fraction of the total number of gems in the collection.

SUB Board Applications

Applications are now available for the Student Union Board. They can be obtained through the director's office in the Student Union Building.

The organized board consists of a group of students that endeavors to supplement and possibly overshadow social activity on the campus each year. The board consists of 18 members and two alternates. Membership lasts through a student's junior year. The director is Anthony J. O. Matthews, and the alternates are Anthony J. O. Matthews, John T. Tuller, Kathy Crane, Linda Black, Lynda Lamboy, Lloyd McConnell, and Volk Simpson.

To bring all public activities under close scrutiny, and to effect a continuation of division between public agencies and the Spanish-American and Negro communities in Idaho.

The board includes E. S. Hubbard, pastor of St. Paul's Masonic Baptist Church, advised spectators to "seek within for the answer to the problems of our day."

"May Idaho move from this day forth, forth its will, and conquer for the tree and Christian civilization promoted by our immortal friend, Martin Luther King, Jr. In this good attitude and spirit, we shall overcome.

THE LEFT AND THE RIGHT DISCUSS THE CANDIDATES AND ISSUES FOR THE FORTHCOMING PRESIDENTIAL ELECTION

Sen. Eugene McCarthy's showing continues to sustain all observers. What is more surprising is his ability to attract Republican and Independent voters. He is leading in New Hampshire and Iowa.

Richard Nixon seems assured of a third term, his image overwhelmingly before New Yorkers and West Coasts. It is true that he can essentially suppress, but polls indicate that even if others had run, Nixon would still have been a clear-cut winner. However, his losses to Kennedy and Edmund Brown, and his alleged family positions on some issues may hurt him.

Polls show that Nelson Rockefeller could best any Democratic candidate, but considerable hostility toward him exists in the Republican party. The governor does not have Nixon's image. If New York is considered the best run state in the union, but his marital problems and liberal views on many issues has put the nomination beyond his grasp.

Donald Rumsfeld has also a winner image, having beaten the same man who defeated Nixon in 1960. But the California governor is not widely known outside the West.

Hubert Humphrey is receiving encouragement from several sources to enter the race, most notably from AFL-CIO Chief Memo.

The vice president must best Kennedy in several primaries, as he trains both Kennedy and McCarthy in the polls.

George Wallace's campaign continues to pick up steam. He has received crucial support from Georgia's Governor Lester Maddox.

Elections to Be Held April 18 for Cheerleaders

Elections will be held for cheerleaders April 18, at 3:00 p.m. Candidates for the positions will appear with a cheer of their own choosing before the members of the senate at this time.

All interested students, including both men and women, are urged to try out. Nominees must be turned in to the ASB office by Thursday.

The Idaho State Bengals then played like they wanted to do a triple play. When they did, the Bengals stayed away for the day with a three-run rally in the top of the eighth inning starting off with a pop fly which dropped safely. Joe Green, who came on in the fifth, took the loss.

The Broncos' pitching was on fire as they shut out Hawks 6-0, then blanked the NNC 7-0.

Boise Tennis Squad Sports 9-0 Mark; Posts Wins in Weekend Tourney, Duals

The Boise College Boise tennis team remained undefeated by sweeping dual meets against Treasure Valley Community College and Weber State, and winning the team title from three other teams in a four-way tournament held Friday, April 12.

The Broncos, who sport a 9-0 record to-date, began the week on Friday by dropping the metters from TVCC Tuesday without losing a single set, then matched past Weber State, the C of Idaho Treasure Valley in a four-team tournament Friday at the Boise courts. The Broncos then returned the following day to take a narrow dual decision from Weber State. The three matches lost by the BC squad were, the first doubles and singles in any 1968 team match to date.

The Broncos were victims of strong pitching Thursday against Utah State, dropping a three-hit, 6-0 decision, then dropped an 8-inning contest to the Bengals coming off five of their first frame proved deadly for Boise runs in Bronco loser Joe Green, who went five innings for the Broncos, then proved costly for Boise as they were held hitless for a two-run homer, then a two-run triple, to highlight the Utah State first five works.

Boise College basballers placed third in the three-day Magic Valley Intercollegiate Baseball tournament at Twin Falls, with ISU winning the team title. The play came to a close Saturday, with the Broncos capturing all four games in the tournament, with the Broncos drawing even at two games apiece.

The Broncos were victims of strong pitching Thursday against Utah State, dropping a three-hit, 6-0 decision, then dropped an 8-inning contest to the Bengals before coming back with two distinct victories over Idaho and the College of Southern Idaho at Twin Falls, to place third in the tournament.

The Broncos were victims of a three-hit contest Thursday as they lost the tournament opener, 6-0. A single pitcher Bronco allowed the winner, while the Utah State bats pounded out five of their six runs in the first inning against Boise loser Jim Green, who went five innings for the Broncos. The first frame proved costly for Boise as they were held hitless for a two-run homer, then a two-run triple, to highlight the Utah State first five works.

The Broncos captured the game's only run in the fifth and sixth innings. In the fifth inning, George Saphire was able to knock in Tony Williams, who was moved into scoring position on a Vikig error. Then, in the sixth, Ken Kushlan was safe on error and scored on Bob Peterson's two-bagger. Tight Bronco pitching wrapped it up the rest of the way as Peterson picked up the win in relief.

The Broncos own distribution of runs produced a 7-0 victory in the final game versus Treasure Valley. In the first inning, Boise scored a run, then elected to the run away in the fourth. Peterson scored the final Boise run also, and in between, Phil Smith gathered two hits on a triple and scored from third. Chuckie Hushlow went all the way for the Broncos to gild the victory.

BC Batmen Drop 8-4 Test to TVCC

The Treasure Valley College Chukars bested the Boise College Broncos in an 8-4 domestic victory last Tuesday here at the Broncos home field. Both teams had 10 hits in the game but Treasure Valley fielding was not up to par as they had six errors to give TVCC all their runs unearned.

Winning pitchers for TVCC were Steve Bates and Steve Peterson, while the loss was attributed to Phil Smith of BC. The batting department, Smith was three-for-four and Jim Bianchi and Hal Zimmerman had a pair of singles. Bill Ouffey had a homerun in the second inning to aid the visitors cause.

The victory was the eighth win in 10 contests for TVCC, while Boise has a 4-5 record.

TERMINAL CLINIC S HOSPITAL FIRST PLACE IN CLOSE NCC INVITATIONAL MEET

By Bob Davis

Boise College is a Broker in the Boise College High School Invitational track meet. Defending champions, Whitman College took fifth place with 10 points, while College of Idaho garnered 90 for third, followed by NNC with 72.

Four new records were set in the day's competition, three in the field events and one in running. Boise's Rene Pignata was named the meet's most outstanding performer.
