Sectionalism Hurts Colleges in Idaho

The session of the 40th Idaho Legislature has concluded—the legislators have returned to their homes and the Boise State College administration, faculty, and students can breathe easier. One might think a session’s accomplishments are the same to legislate past mistakes in this area and to end immediately their unjust and illegal campaign against Vietnam. Ted Gibson

Advent of BSC Sororities Raises Questions of Purpose

Since the advent of sororities on the BSC campus, many questions have been asked about the sorority system.

When a sorority is being formed, it is customary for a National Fraternity Council to live on campus for a few weeks while training a pledge colony and preparing it for initiation. According to a spokesman, the twenty-seven NPC sororities are represented by delegates who not only supervise individual member groups, but work to foster sound programs within the Panhellenic system. Through Panhellenic, all national sororities work to achieve common goals.

Two procedures are followed in establishing chapters of a National Panhellenic group on a college campus. An NPC sorority may either colonize or accept a petition from a local on the college campus. In either case, an invitation to come on campus must be issued to the national sorority by the student group, usually extended by the Dean of Women and the college panhellenic.

Two national sororities have recently been established on the Boise State College campus. Alpha Omicron Pi and Alpha Xi Delta. Two local organizations, the Tridents and Alphas, have recently moved from Idaho Delta and Alpha Chi Omega, making these sororities and the Gamma Phi Beta hold a formal rush on BSC campus during fall orientation.

For further information, please contact the Dean of Women.

President Barnes Outlines Cuts In '69-70 Budget

At a special meeting of the faculty and staff on March 27, President John Barnes presented the plan for reducing expenses to meet the recently approved budget for the 1969-70 biennium. We are forced to save $258,000 from the requested budget for the 1969-70 biennium. We are forced to save $258,000 from the requested budget amount. To do this the following points will be implemented:

1. There will be no general relief for reducing faculty teaching loads.
2. An increase in the number of large lecture classes will be necessary in order to improve the utilization of our available facilities. Wherever possible general lecture sections will be merged.
3. The number of small classes will be reduced by changes in the sequence of offerings. Wherever possible classes will be given during alternate semesters.
4. Sabbatical leaves will be cancelled for at least one year and possibly for both years of the biennium. (subject to an extra outlay expenditure will be necessary for library and film library books and material by $50,000. An amount of about $242,000 will remain in the budget for such items. (This is an increase of about 23% over the previous amount budgeted.)
5. Travel funds will be reduced by $25,000.
6. Equipment expenditures will be reduced by $20,000.
7. Printing and Graphic Services will be reduced by $2,000.
8. The projected ROTC Program was approved for activation September 1970.
9. The proposed RSC Tourism Program for the 1970-71 biennium was cancelled.
10. Certain curricula with light student enrollments will be cancelled wherever possible.
11. Eight new positions were deleted.

Broncos Name Rival Stars
To All-Opponent Squad

Big Willie Sojourner, who led his Big Sky Weber Wildcats to the semi-finals of the regional NCAA basketball championships, was named on every ballot as the Boise State Bronco's selected their All-Opponent team for the 1961-62 season.

One forward slot was picked off by former JC All-American Leon Edmonds of Portland State. Edmonds scored 49 points in the two meetings with the Bronco's as well as picking off seven rebounds in each contest. Edmonds is a 6-7 Junior from Washington D.C. Rounding out the first five at the other forward slot was Weber State's 6'7 Larry Begh, Begh, a senior according to the Bronco's did everything on the court and could not do wrong against ISC in their contest.

Gaining honorable mention on the ISC All-opponent team were Dave Lafson of Eastern Washington, O'Neal Simmons of Idaho State, Sessions Hall from Weber State and Gary Donnell of Linfield.

Otey Receives Mention As NAIA All-American

Bill Otey, 6'5 junior forward for the Boise State Bronco's, earned an honorable mention award as NAIA All-American team announced recently in Kamloops.

Otey, led the Boise State to their second season record with 416 points. He narrowly missed national ranking in the rebounding department as he picked off 467 for a 17.3 per game clip. They also hit on 47 per cent of his shots from the field and 62 per cent from the charity stripe.

"We are extremely proud of Bill," said ISC Coach Murray Satterfield. "During this season, he combined his remarkable leaping ability with an excellent sense of timing. This added maturity enabled Bill to become a vastly improved ballplayer and NAIA All-American Honorable Mention is an honor be richly deserved," Coach Satterfield concluded by saying. "With one year remaining Bill has all the ability to develop into a true All-American if he progresses as he did this year.

Whites Wallop Blues In Spring Grid Practice

Soaring temperatures and a spirited workout highlighted the final intraquad football game in which the Whites wallop ed the Blue 45-15 Saturday afternoon at Bronco Stadium.

An enthusiastic crowd watched the preview of Coach Tony Knaps footballers who will represent the Broncos on the gridiron this fall.

The White team, coached by Tony Polyanchristos and Junior Lopago, took the lead on the second play of the game when Tom Kelly picked off an Eric Guthrie pass on a 20 yard run while Svitak picked up a mishandled lateral and rambled 37 yards for the TD. Ross Wright gave the lookers perhaps the most spectacular running display of the day as he gathered in a kickoff and scam ped 100 yards to paydirt for the Blues fourth touchdown.

The final score of the day came on a 20 yard run by big Mike Haley.

Gary Sivers then put the Blue team on the scoreboard with a 43 yard field goal to make it 7-3. A short time later Dennis Baird hauled in a Hal Zimmerman pass that resulted in a 75 yard TD.

The White’s only unmarked period touchdown came on a two yard plunge by Larry Smith and Sivers again added the point. Before the period ended the Blues struck again as Guthrie matched Smith’s TD with a two yard run, to make the score 21-9 at halftime. Pat Elbright and Steve Svitak carried the scoring load for the Whites in the third period. Elbright scored on a two yard run while Svitak picked up a mishandled lateral and rambled 37 yards for the TD. Ross Wright gave the lookers perhaps the most spectacular running display of the day as he gathered in a kickoff and scam ped 100 yards to paydirt for the Blues fourth touchdown.

Batmen Bests NNC 3-2

The Boise State College baseballers had to go to 10 innings before scoring an unearned but winning run on a pair of errors by Northwest Nazarene for a 3-2 decision. The game, played on the Broncos’ diamond, was Boise’s second win against a single loss while the Crusaders are still looking for their first win after three unsuccessful starts.

Mush Stevens beat out a bunt in the bottom of the 10th and Sabin Landaluce followed with a long drive to right which was caught for a single but the throw into first was fast and enabled Stevens to advance around to third. The NNC shortstop then bobbled a hard drive off the bat of Paul Choules and Stevens crossed the plate with the winning tally.

The Broncos had to battle from a 2-0 deficit as Rob VanderSluis and Eldon Book stroked a single and a double respectively to drive in single runs in the fourth and fifth innings.

Boise’s rally came in the sixth inning as Ken Koonalam, Dave Henderson and Dan Smith singled and Stevens delivered a double producing the two run tally.

VanderSluis was the losing hurler while the Broncos’ Charlie Hetheray picked up the win after coming on in relief of Kent Sefried in the seventh inning.

Today’s Assignment:

Commit the following to memory...

At the Idaho First National Bank there’s no service charge on student checking accounts... absolutely none

On today’s campus the checkbook is used almost as often as the textbook (or, is it vice versa?). And, at Idaho First you may write as many checks each month as you like — still no service charge. What’s more, there need be no minimum balance maintained in your account.

If we can ease your checkbook problems, it may be easier to solve your textbook problems.

We hope this helps.
