Arbiter, April 25

Students of Boise State College
French Film Due Friday

Friday night, April 25, a most spectacular film will be shown in the Liberal Arts auditorium. The French movie, "Children of Paradise," stars a number of top actors of France. It happens in Paris in the early 19th century amidst the historical and dramatic events of the early 19th century.

"Children of Paradise" has been labeled a masterpiece of historical drama. Critics are unanimous in praising this film. Pauline Kael said, "This film seems to burst the bounds of the medium." James Agee said, "It is breathtaking and close to perfection." Andrew Sarris says, "Children of Paradise" has been called the movie with the wind of art films. Anyone who can resist its breathtaking charm deserves never to see Paris."

New Sorority Plans Colony

Gamma Phi Beta, a national sorority, will be "colonizing" at BSC by the Boise Exchange Club and Idaho First National Bank. Seated behind the senator are, from left, John Hamblen, Richard LeDuc, manager of the Broadway Branch of Idaho First; and Mayor JayAmyx.

Science Profs Travel

Several BSC science professors will participate this weekend in the Idaho Academy of Science meeting to be held at Northwest Nazarene College at Nampa.

The medals finally were presented to David VanWinkle, dedicated Vietnam veteran at ceremonies Tuesday noon in the Boise State College Student Union.

VanWinkle is a Vocational Technical student at Boise State, and he belongs to the Esquires, campus veterans organization.

He served in South Vietnam from Sept. 1966 to May 1967, and attached to the 65th Engineers. TKE's Clean Up

Ron Gabriell, president of Tau Kappa Epsilon fraternity at Boise State, said members will participate in TKE's National Public Service Weekend by cleaning up the grounds around Christ Church Saturday morning. They also cleaned up large loads and other debris around the stadium and gymnasium Thursday evening as part of their project.
Public Law 90-757
Makes Riting a No-No.

Recently, the Asher received from Robert H. Finch, secretary of the Department of Health, Education, and Welfare a request to prohibit览it to students of criminal statutes. Finch said he felt that the practice of the law dealing with the problems over student dissent and the absence of effective legal remedies for the prevention and control of student unrest and the protection of the institution under control of an institution of higher education to prevent offenses or any institution from engaging in their duties or pursuing their studies.

CURTIS G. OLER

LETTERS TO THE EDITOR

WHO DUN IT?

An apple tree, symbolic of the planting of a thought, has been stolen from the campus of Boise State College. Did vandalism, or was it an act of gross stupidity, or due to a student or group of students on this campus?

It seems that little people are perfect, when they do such stupid things. There are those who think that the ripping out of a small amount of the fruit will not affect the tree. Tiny Pletsch, who is a junior taking a home economics class, thinks that this is a good way to get in the library of Boise soiety and study at a faster pace than training in the dumps where her parents have been working. The experience received in the library is invaluable.

Dear Editor,

I am writing this letter to bring to your attention the serious issue of vandalism on our campus. As a member of the Boise State College community, I want to express my concern and the need for action.

Vandalism has become a growing problem on our campus, and it is time that we take a stand against it. This not only affects the students who are targeted but also the entire community. Vandalism creates an environment of fear and anxiety, and it is important that we work together to create a safe and welcoming atmosphere.

I have observed several incidents of vandalism on campus, including broken windows, graffiti, and damaged property. These acts are not only disrespectful but also illegal. They violate the rights of others and undermine the principles of respect and responsibility that should guide our lives.

I urge the administration and the Boise State College community to take immediate action to address this issue. We need stronger measures to prevent and respond to acts of vandalism. This could include increased security presence, enhanced surveillance, and stricter penalties for those who engage in such behavior.

Let us work together to create a campus that is safe, respectful, and inclusive. We can make a difference by standing up against vandalism and supporting a culture of respect and responsibility.

Sincerely,

[Your Name]

PS: I am also sending a copy of this letter to the Boise State College President and the Boise State College Student Government Association.
Professor Rated High By BSC Business Students

by Sister Mary Ida Wassmann

One of the interesting sideline activities of college students is rating their instructors. I'd like to present one of these episodes with you. Our target man is Dr. Lenn Lamborn, Professor of Economics. Here is how he rates the text.

"I rate Dr. Lamborn as one of the finest instructors that the School of Business has, or any other school of the college, rated one student. "He's the feastest teacher on the staff. I mean, he never shows the student he has the ability to give the average student a grade, that he is awake in a 'dry subject.'" He is so good with material. He doesn't make the students feel like dumb-dumbs. "He's cool. He likes Utah. He's with it." He's not a fast budget." I personally think Dr. Lamborn is one of the best instructors I know. He has a very good way of relating to the student.

"I rate Dr. Lamborn's serious but he keeps the student moving. He never takes you too easy. He has always been a straight educator of your work (or not work)."

I have never known a professor who uses criticism so effectively.

"I get the feeling that he is genuinely concerned about me as a student and that he aims to get that material across to me as an individual." 

Grad. School

Beginning Summer Quarter 1969 June 23 to August 16

Master of Education Degree

Secondary or Elementary Degree

University of Utah

The University of Utah will initiate a new Master's degree program Summer Quarter 1969. Degree seeks to fill Bachelor's degree who desire secondary or elementary certification. Major features include student teaching internship, academic graduate course work, individualized programming, reciprocal certification in other states, no thesis required, computer work in master's degree and basic secondary or elementary certification. Application forms are available from:

Chairman, Committee on Graduate Programs

Department of Education

119 Monroe Bingham Hall University of Utah

T e lephone: A.C. 881-3277-1

Foundation for Economic Education in Irvington, New York. The work is basic, research, but also included promotional and educational activities. The purpose of this foundation is the foundation and preservation of the free enterprise system as..."
MINI-WINNERS in the annual Boise River raft race are members of the Dudley Do-Right quartet, from left, Jody Ross, Max Roberts, Dick Boeman and Monte Webb. The four paddlers rolled across the finish line behind the IKs and took the trophy for first place, men's small division.

STROKING toward the finish line at Ann Morrison Park are racing teams, from left, Dudley Do-Rights and the Intercollegiate Knights. The IKs splashed past the judges after 42 minutes on the river and won first place in the men's large division and the Do-Rights were just one paddle behind to take first place in the men's small division. Both teams will race in Saturday's competition against other Idaho colleges.

Boise River In 42

IKs Cover Boise River In 42

Rafts Roll Down River In TKE Race

After 42 wet cold minutes of battling their way down the Boise River, team members of the Intercollegiate Knights raft rolled across the finish line to win the first place trophy for the men's large division in the annual Boise River raft race.

Under the direction of co-captains, Andy James and Bill Neil, the IK raft covered the area between Barber Bridge and Ann Morrison Park and was only eight minutes off the record of 14 minutes set by Tau Kappa Epsilon fraternity last year.

Other winners were Chatter Hall II, second place, men's large division, Dudley Do-Rights, first place, men's small division and IKs, second place, men's small division. Tridents, first place, women's large division, Alpha Xi Delta, second place, women's large division, Golden Ve's, first place, women's small division and Daughters of Banta, second place, women's small division.

Ron Gabriel, raft race chairman, said all trophy winners in the men's divisions will automatically be entered in Saturday's Intercollegiate Raft Race at 2 p.m. Gabriel also explained why the winning women's raft did not get entered. "The other colleges aren't entering women and so Idaho State won't enter women," Gabriel said.

Minutes To Win Annual Raft Race

FIRST PLACE winners in the women’s large division are members of the Trident sorority, from left, Judy Colesby, Paula M. Pudluk, Shelly Kerr and Glenda Sah. Second place in the large division was awarded to Alpha Xi Delta sorority.

BIG WINNERS in Sunday’s raft race were members of the Intercollegiate Knights team, from left, Tom Cantrell, Jess Hinman, John Urlaczaga, Dave McCloskey, Rocky Ware, Andy Thomas and Bob O’Neil.

CO-CAPTAINS of the Intercollegiate Knights’ raft, Bob O’Neil, left, and Andy Thomas, display the trophy they were presented as first place winners in the men’s large division of the annual raft race. The 8K seven-man team will compete Saturday in the Intercollegiate Raft Race.

FIVE-MEMBER TEAM representing Hui O Hawaii Club, took across the finish line “with great vigor” but just a little late. Happy losers in Sunday’s river races were, from left, Abe Kekoa, Harry Leckwuai, Dave Moore, Bill Fitchett and Clinton Park. Their “floating chariot” constructed of styrofoam and fiberglass.

SERVING THE THIRD GENERATION OF AMERICA’S COLLEGE STUDENTS
by Sister Mary Issa Wassmuth

You had to hear Dr. Henry Margeneau in person before you would believe that anyone could be such an enthusiastic about Physics. Time passed away quickly as you listened to the flow of ideas that were brought forth so spontaneously and with such dynamism.

Students and faculty at BSC were provided with several opportunities to hear the famous Yale University professor. On Tuesday afternoon Dr. Margeneau discussed "The Role of Science in Human Experience" to a well-filled audience.

A reception address on Tuesday morning in A1A 100 was entitled "Modern Science as a Philosophical Adventure."

Next Monday the Young Republicans of Boise State College will sponsor a pot luck dinner Tuesday night to raise funds for a scholarship.

A report on the 1969 Young Republican Convention will be given by delegates Gary Johnson and Katharine Meiling, and alternate Randy Heffner.

The fund-raising activity includes selling sustaining memberships to the Republican Party, for which contributor receive a one-year subscription to the Idaho Republican, a monthly paper published by the Republican Central Committee. After the project beer will be served.

Alp ha O m i c r o n P: international society will install Beta Sigma chapter as its ninety-fourth chapter on Saturday, April 26, at Boise State College. It is the first such women's organization to be officially recognized on Boise State's campus.

Initiation and installation ceremonies will be conducted by Mrs. Joseph Sweeder, National Secretary, of Chicago. She will be assisted by Mrs. Morris Swift, District 16 Alumnae Director from Portland, Idaho. The following will be initiated into the new chapter as college members: from Boise, Sherry Karp, Kayanne Smith, Michelle Morrison, Kathy Nolan, Barbara Ann Scott, Ann Louise Smidik, Carol Sweeder, and Patricia Thurson. And Kathleen A. Wilkin, from Idaho Falls. Laylah: from Eagle, Connie Ward, from Lappe Adams; and from Meridian, Cheryl Dumont.

Alpha Omicron Pi will honor the new chapter at its initiation at a Rose banquet to be held at Hilfred Country Club on April 26. Toomembers will be Mrs. Donald Johnson, Dean Flora Wallace, of Boise State College, will extend a greeting to Alphia Omicron Pi at Idaho State University will serve.

Mrs. Donald W. Johnson is general installation chairman. Officers of the new chapter are president, Kathie Wilkin, vice-president, Patricia Thurson, recording secretary, Carol Stewart; corresponding secretary, Kay Belue; treasurer, Connie Ward; Panhellicum delegate, Ann Smith, and rush chairman, Marilyn Adams.

The new chapter is joining a network of ninety-three collegiate chapters and one hundred and nineteen campus groups embracing a membership of one thousand two hundred and forty-two throughout the United States and Canada. Alpha Omicron Pi was founded in 1897 at Barnard, College, a woman's college, and make a valuable addition to the College's growing history collection.

The most recent gift comes from Robert L. Bohrer of Boise, who has given more than $220 mid-twentieth century novels and general non-fiction.

"Many valuable gifts have been received from individuals and organizations over the years, and have helped the Library to grow to its present size. In 1967/68 over 1000 gift volumes, from Roben S. Bohrer of Boise, and approximately 2200 mid-twentieth century novels and general non-fiction.

"Dr. Giles Maloof, chairman of the Boise State College Library, has contributed a fine collection of over 160 titles in the field of Western Americana. A second such gift received from CBS during the current school year."

Dr. Giles Maloof, chairman of the BSC Mathematics Department, presented the library with a large collection of nearly 400 recent mathematics and science books, which he accumulated while working on his Ph.D. degree at Oregon State University. "These will do much to strengthen and enrich the library's basic holdings in mathematics," said Miss McIlvray.

Dr. A. P. Schneider of Boise, Director of the Federal-State Cooperative Livestock Cooperative Livestock Marketing Programs, has contributed a fine collection of over 160 titles in the fields of economics, agricultural techniques, and agricultural education. They have been published in small editions, and some of them are considered rare, or unique, in the field of agricultural education.

The most recent gift comes from Robert L. Bohrer of Boise, who has given more than $220 mid-twentieth century novels and general non-fiction.

Concern Group Invites Membership

Concerned Teens, a social work camp on campus involved with a community service project, would like other interested students to join.

Potential new organization is working with the Women's Concerns Center in tutoting low income families. A Big Brother Program has also been established to help emotionally disturbed children develop a favorable model they can trust.

Lit Nowey, vice-president of Concerned Teens, said a summer session is interested in leasing a house in the River Street area to start a youth center sponsored by Boise State Students. She said the College is interested in setting up a center on the campus sponsored by Boise State Students. She indicated that college would be an interest in the Boise State College of Southern Idaho Student Senate Diane Biley and Idaho State Senator Patricia McElmurry.

Concerned Teens include, President, Erika Renk; Secretary-Treasurer, Pat Aune, and Public Relations Chairman, Alice Brown.

**Spring Sport Teams**

**Travel to Contests**

The spring sports team at Boise State College will have another extensive, but week-end, slate of action on the home front this weekend. All action finds the BSC athletes on the road. The BSC baseball team has a pair of doubleheaders, Friday at Idaho Falls and Saturday at Southern Idaho in Twin Falls. Both double-rolls are slated to get underway at 1 p.m.

The Bronco golf team has a single match scheduled for Thursday at 1 p.m. in Dannyto with Treasure Valley Community College.

Action on the home courts finds Coach V. Bus-Connors' Badgers pursuing to the University of Idaho Intercollegiate Tournament for some stern competition on Wednesday and Saturday the Bronco, bracketed with Gonzaga and Whitworth, meet the Zag Pats at 1 p.m. and Whitworth the same afternoon at 3 p.m. On Saturday, the 1-3 and 3rd place finishers meet to meet the respective finishers in the bracket which contains Idaho, Washington State and Oregon College of Education, to attain the fourth through sixth place finishers in the tournament.

On the track and field scene the Roadrunners have only one meet this week but that one will keep all hands extremely busy. Boise State travels to Ogden, Utah for a Sunday afternoon dual meet with Weber State College. The Washcats were recent winners of the NNC Intercollegiate, as which the Broncos finished second. Weber State's Randy Montgomery.

**NEwLY-ELECTED Chancellors**

Boise State's chancellors will have another fresh off a convincing sixth straight Treasure Valley Community College Invitational win. Boise amassed 102 points to far surpass the oppositions, and collected a dozen first place finishes in double-enty. Doug Ward was the meets outstanding performer winning the 220 dash, the triple jump, second in long jump and ran a leg in both of Boise's winning 440 and mile relay teams.

**Broncos, ISU Split 16-5, 3-2**

A controversial call by Bob Swepson would lose Boise State and ISU a split of their doubleheader in Pocatello Tuesday.

The Bengals tugs a true bronco, Private Davis, got the first of 16 runs and 16 runs for a 16-5 decision.

Dan Smith hurled the win for Boise as he scattered four hit, Brent Gottsch was the loser for ISU.

Sherwood's call was made with two men out in the top of the seventh frame and Bronco Hal Takahashi on first. Smith hit a towering fly to Bengal center fielder Dick Clute, who gloved the ball easily, turned to throw it to first left fielder Bob Fagan and dropped the ball.

No one on the Bengal squad, coming up to throw the dag, had a chance to scoop up the ball, but the alert Takahashi scrambled all the way home and Sherwood said Clute had missed the fly.

In the top of the eighth, Fagan and Bill Galley provided the power in the first game. Fagan blasted a 270-foot homer and Galley smashed a double, leading to five runs to help Evans win his own game.

Ray Lewis, Boise State College wrestling coach, recently announced that he will conduct a wrestling workshop June 16 through 27 on the BSC campus.

According to Lewis the workshop will be especially geared to interservice physical education teachers who wish to coach wrestling.

The classes will be held daily from 8:30 to 12:30 during the 11 day period, will consist of an intensive training work shop on the practical application of wrestling skills, with techniques and methods of coaching wrestling.

Participants will be given the opportunity to practice pertinent skills, instructions shall be given in fundamental stances, takes downs, escapes, setbacks, breakdowns, holds and pinning combinations.

The cost of the work shop is $30 with two semester hours of credit offered.

Lewis completed his thirteenth season as Head Wrestling Coach and physical education instructor. Ray earned his 1964 and 1965 degrees at the University of Idaho.

He has coached two National Champions and one third place finisher in his Bronco grapplers have scored two ICAC Championships.

Ten wrestlers sitting in the car for the course or seeking additional information on the workshop for Lewis in his office in the Gymnasium or write: Boise State College, Ray Lewis, 7000 Campus Drive, Boise, Idaho 83706.
Women's Tennis Serve

EOC, NNC Humble Pie

The Boise State College women's tennis team, under the direction of Mrs. Rene Farwig, Head Coach, and Mrs. Jean Boyles, Assistant Coach, successfully launched its season with a win in a three-way meet held at Northwest Nazarene College in Nampa Saturday.

BOSS won six matches and lost two to grab the top spot.

Eastern Oregon College was second with their 4-4 finish and NNC was on the losing side with a 2-6 record.

The Broncettes have swept all individuals and doubles matches in their two victories over College of Idaho this season.

While only one more match has been scheduled definitely, according to Mrs. Farwig, the BSC team will be setting dates for NNC's team to play return matches in Boise. In addition, there is a possibility of participating in the Sixth Annual Women's Intercollegiate Tennis Tournament, to be held at Washington State University May 16th and 17th. The tourney brings together top women's tennis teams from throughout the west.

Men's Net Team

Boasts 10 Wins

The Boise State College tennis team continued their mastery of the sport by shutting out Treasure Valley Community College 9-0 Friday.

The win hiked the Bronco record to 10 wins against a pair of defeats on the season.

BSC Nips Knights 4-3

On Choules' Hit

Phil Choules, Bronco first baseman, ripped a bases-loaded single, which thrilled the fans, to drive in the winning run in the bottom of the ninth inning to give Boise a 4-3 decision over Warner-Pacific Friday afternoon.

After the first four pitches of the game, by Dan Smith it looked as it was going to be a rout. Kent Walton smashed a triple off the left field wall on the first pitch of the game. Ed Mathers followed with a single to center on the second pitch to score Walton. Leso Tucker then took a ball for the third pitch by Smith then smashed a homer over the left field fence to give the Knights a 3-1 lead with no one out.

Smith then settled down to shut out Warner-Pacific over the next eight innings while the Broncos started to chip away at the lead. Smith batted .388 and went on to score a 12-4 win over the Chukars.
