Teraberry welcomes other Bookstore competition, awaits board decision

The Boise State debate team recently competed in the National Tournament of Champions held at the University of Washington. The team placed third in the tournament, which was held from February 23rd to February 25th. The debate team had a strong performance, with several members advancing to the quarterfinals. The team is currently preparing for the next tournament, which is scheduled for March 3rd to March 5th. The team is expected to compete against teams from other universities, including the University of Oregon, the University of California, Berkeley, and the University of California, Los Angeles.

The debate team will participate in several events, including the National Debate Tournament, the National Forensics Tournament, and the National Speaking Tournament. The team is also planning to attend the National Forensics Tournament in Austin, Texas, which is scheduled for April 14th to April 16th. The team is currently working on preparing for these events, with several members working on their speeches and research.

The team is also preparing for the upcoming state tournament, which is scheduled for March 3rd. The team is currently working on preparing for this event, with several members working on their speeches and research. Questions Concerning "NCAA fees, money uses" by John Elinson

Come on, dammit, we've got to find our Geese why the students of BSC have to pay for the game.
I don't really care.
I've done many people don't care, and it's high time the school virus these problems away. Why do you people these problems away? I'm no! world!

We've been to see Ron Sommer.
Mr. Sommer, you would tell us what the students of the College, who pay for the upkeep of the school, and initially build these universities, have to pay to see this NCAA football game? Why?
That's an easy question to answer. The NCAA requires fifteen percent of the gate receipts, and then they have to deal at these which are not shared among the schools of the Big Sky Conference, we get only one share of those. Then it is then divided among the participating schools, the schools of the Big Sky Conference and the infraservice revenue of the cars, and at this point, we have raised the biggest got up of all!

Well, why isn't the athletic department the one student sit on the students and get them to pay for the upkeep of the school, and initially build these universities, have to pay to see this NCAA football game?

Carnily, I think that the students should see the football game first, but that goes all the way up to that whole situation with the NCAA.

You really mean to tell me, that I have to pay to see my school's team, in my school's stadium, when I have already given for athletic department, as a student, I am enrolled in my school's program? Why do you just say to me and tickets for the students?

In conclusion, we won't be striking that much soon.
How much money will be saved?
That is hard to say. Let me get this:

Yes, but that's how it.
Oh, one last question. Where does the NCAA get their money? Do they go back to the students.
Yes, it will be used by the Athletic Department to improve the school.

Thank you. Thank you, gentlemen.

Nixon is my shepherd, I shall not want

To Whose May Concern,

Stress is my shepherd, I shall not want the money, neither shall my soul desire the money, neither shall my soul desire the money, neither shall my soul desire the money, neither shall my soul desire the money, neither shall my soul desire the money.

I am grateful to our President for all that he has done for me.

5,000 years ago Moses said, "You are free..." and I have to hold you to the Promised Land.

5,000 years later P. Rosenberg said, "My countenance shall set me free from this cattle, this is the Promised Land."

Today, I, Lyle Balin, shall set my countenance free... and you, my brother, to the Promised Land.

Robert Balin

PA

I am glad to be an American.
And I am glad, I am glad, I am glad, I am glad, I am glad, I am glad, I am glad, I am glad.

Vo-Tech seeks federal funds for new building

A new building is in the works for the BSC Vocational/Technical School. Vo-Tech officials are currently striving to secure federal funds so that construction may begin this spring.

The state legislature allocated $120,000 for the permanent building fund to help pay for the new building. However, state funds must cover only 50 percent of the total, and Vo-Tech is seeking the federal monies to fill that gap.

Recently the Permanent Building Council approved the appointment of an architect to design the building. The council is now seeking information about federal funds available to the project.

On a negative side the Enviromental Protection Agency (EPA) has refused to fund the project because of the proposed open country site.

Cheryl Hill receives Scholarship

Boise State College senior Cheryl Hill of Boise has been named recipient of the Gloria Shanks Memorial Scholarship.

The scholarship is sponsored by the Boise Civitan Club and Mr. and Mrs. Hill is an elementary education major.

Boise State to host minority discussions

Boise State College will host five panel discussions on minority issues this week.

The panels will be directed by Dr. P.K. Orjas, professor of history, and student assistants Denise Flowers and Maria Young.

Applications for the panels are:
- Black Americans, Nov. 27-31 pm, Minority Culture Center, 1209B Edith Ave., Boise State College
- Vocational Education, Nov. 28-30 pm, Minority Culture Center
- Asian Americans, Nov. 29-30 pm, Minority Culture Center
- Hispanic Americans, Dec. 2-3 pm, Clackamas Room, Boise State College
- Native Americans, Dec. 2-3 pm, Clackamas Room, Boise State College

The panels are open to the public without charge.
Acting combines talent, time and sweat.

A play. What play? Any play. Then below you exists the product of hundreds and hundreds of hours of combined sweat. The set alone takes at least four hours a day, five days a week for three and a half weeks utilizing the time and talents of the director, the technicians congregate to create mood and atmosphere. Rehearsals, and still more rehearsal. And yet so very far away.

Views on current energy crises aired

by Dean Worldale

Like the nick south of New England, different voices are heard in different approaches when seen from the perspective of a more encompassing area.

A changing world environment causes Robert Brown's good friend, quip Fullerton stone pipe tied to the countryside. Just so, I see the enormity of farmers as they all being dependent on one another. So it is I have come to see our energy criteria.

In this series of articles I will try to deal with our microcosmic perception. The dependent on one another.

A country. Just so, I see the encounter of cost/usc factors of the North Slope oil field energy system conducive to life and one of the old black gold that keeps us moving.

The North Slope field would be the single oil field in the World.

In view of the present insistence on the reward of oil for a period of two years. These conditions pose quite a challenge.

The oil industry has been entrusted with the supply of oil for a period of two years. These conditions pose quite a challenge.

Colts entertain CSI in cage debut

Fresh basketball head coach Mike Montgomery announced the schedule of playing a game after practice.

"We need to play a game very soon," said Montgomery, a newcomer to the coaching staff from Colorado State University. "We have to play a few more games, everyone knows how it is going to go and what moves we will make since they are our playing together for the first time.

Montgomery pointed out the team is in a good place right now, getting prepared to beat on any given night. We have continued to rebound and correct mistakes, so long.

With a solid win under their belts, the Boise State wrestlers will head for Tucson, Arizona this weekend and the Arizona Invitational on Friday and Saturday, Nov. 30-Dec. 1.

The Bobcats have jelled defensively that past week and are gelling close to that first game and are ready to compete.

Cross country squad earns 17th place in NCAA

BOISE, Idaho—The Boise State cross country team ended the season on a high note. They finished 17th place in the NCAA championships "The quality was there, but it wasn't as expected because all of our runners will be back for next year," Jacoby said.

"The cross country team ended the season on a high note. We have continued to improve, and are looking forward to next year," Jacoby said.

"If we continue to rebound and correct mistakes, so long.

Fun Bowl Winners

Fun Bowl participants made a strong showing for the week when a total of 1200 people entered two different contests. Dr. Bill McQuilkin and the faculty-staff lauded the selection of the Boise State Head Coach as the top spot amongst dorm students with only 80 incorrect predictions.

Last week's win by George Mitchell from the English Dept. may not have been as impressive, but it was a solid win under their belts. The Bobcats are expected to be competitive in selected games.

Last Edition we told you your veterans education benefits will soon end...
If you were discharged between Jan. 1, 1955 and Jan. 1, 1966 your educational entitlements will be cut off May 31, 1974.
The Congress is considering several bills that would extend your eligibility period from one to two years, or possibly leave it open ended.
The office of Veteran's Affairs in the Ad building has prepared petitions to all those concerned from the President to our state Senators, and Representatives.
What all of this amounts to is this....
You can sit and bitch to your buddies all you want, but if you don't do anything other than that, this effort to help YOU is going to be comprised right out of existence. So do yourself a favor.....stop in at the office of Veterans Affairs....sign the petition.
