¹Legally, Boise Junior College District continues until all building bonds have reached maturity.

²Boise College terminated on December 31, 1968 when it was superseded by Boise State College.

* Appointed by Governor Bottolfsen from April 1939 to September 1939.

**Retired as a result of action taken by the members of the Boise Junior College Inc. Association on June 16, 1953. From that time hence, members of its board would automatically be those elected to the Boise Junior College District Board.
