Facts about Boise State University

1994-95
Boise State University

Boise State is Idaho's urban university, located in the state's population center and capital city, a hub of government and law, business and finance, the arts, health care, industry and technology. The university offers a variety of undergraduate, graduate and technical programs to serve the diverse needs of the area.

In addition to its main campus located less than one mile from downtown Boise, the university operates education centers in Canyon County, McCall, Mountain Home Air Force Base and Gowen Field.

The university has an extensive evening program at both the undergraduate and graduate levels, and the summer session is the state's largest.

Boise State is accredited by the Northwest Association of Schools and Colleges. Several individual programs are accredited by professional accrediting associations.

Through all of its programs, BSU is fulfilling its commitment to the citizens of Idaho by providing quality teaching, research and public service.
