College Hymn—Les Bois

Les Bois

Strachan-Watson

Bonneville looked at the sun on the forest,
Watched the dark valley grow bright with the flame,
Uttered the word, to its splendor a tribute,
Uttered the now unforgettable name.

Chorus

Boise, the beautiful, Boise, the wonderful,
Take up the word from the frontiersman's lips,
Sing of the strength in the Idaho forest,
Sing of the hills where the western sun dips.
