#### INTRODUCTION

A longstanding definition, called the <u>ROLE OF THE COLLEGE UNION</u>, by the Association of College Unions-International, states:

"The Union is the community center of the college, for the members of the college family---students, faculty, administration, alumni and guests. It is not just a building; it is also an organization and a program. Together they represent a well-considered plan for the community life of the college."

At the Boise State University Student Union Building, these various members of the University family come together to exchange ideas and information and to interact informally, adding to one's educational experience and giving maximum opportunity for growth in a variety of ways. Hopefully, the Student Union serves as a unifying force in the life of the University, cultivating some enduring regard for and loyalty to Boise State University.

The ambiance of the physical environment has an important bearing upon the ability of our Union to fulfil its goals. A special effort has been made to ensure that the building be attractive and comfortable for all who make use of it.

Students are all-important to the Boise State University Student Union. The bulk of the Union's earned income derives from students and student fees loom large in the support of our structure. In addition, much of the vitality, variety, and spontaneity of the Union's activities stem from student boards and program committees.

As we tell our story for the 1981-82 year, we remain sensitive to changing interests and needs and look forward to our challenges in 1982-83.

Dennis Freeburn, Director Student Activities/Student Union

## STUDENT UNION BOARD OF GOVERNORS

The Student Union Board of Governors convened six meetings during the 1981-82 academic school year. Gene Hayes (Student Representative) was elected Chairperson for the 1981-82 year.

During the fall semester, the Board considered several fee waiver requests regarding room rental charges. In order to gather additional student input, the Board decided to establish an enlarged fee waiver subcommittee to consider such requests. The fee waiver subcommittee now includes the Director of the S.U.B., the Assistant Director of the S.U.B., the Assistant Director of Student Activities, the Associated Student Body President, and the Chairperson of the Board of Governors.

At their initial meeting in September, the Board endorsed a proposed Snack Bar renovation project to be implemented in the summer of 1982. The Board also discussed questions regarding student organizations, the selling of crafts and/or food items in the building, and office accommodations for student groups.

As a result of some damage which resulted at a concert in the Student Union Ballroom, the Board considered a revised damage deposit policy for S.U.B. Ballroom use. S.U.B. management presented a revised statement which was adopted as a part of the revised room reservation and service policy.

In the spring, the Board carefully assessed the impending FY 83 budget and endorsed a \$5 fee increase per semester for full-time students and a \$1 fee increase per semester for part-time students.

At its final meeting of the year, the Board considered a report regarding room utilization and determined that a general room rental increase should take effect July 1, 1982. After considering various increases, the Board finally approved an increase in room rental rates of approximately 25% across the board. The Board also considered some suggestions for additional service facilities to be located in the building and generally endorsed any that had an opportunity to generate additional revenue. It was also reported at the final meeting that S.U.B. management had concluded an agreement with the Inglis Coin Machine Company calling for a three year contract on the amusement games located in the Recreation Center. The contract commences July 1, 1982.

The Board of Governors was not embroiled in any major controversial issues during the year; they did give careful consideration to several major items. The students should also be commended for their fine representation and consistent attendance at the meetings throughout the year.

STUDENT ACTIVITIES

# STUDENT PROGRAMS BOARD

The 1981-82 academic year brought with it a complete turnover of all S.P.B. positions. Most new chairs had programs waiting for them that were planned and scheduled by their predecessors. Those that did not, began to explore possible programming areas. Despite the turnover problem from both Concerts and Special Events, both areas managed to program successful events. The Lectures and Fine Arts Committees cosponsored several programs with academic departments and student organizations. This sign of "mutual cooperation" was a positive aspect and benefited all students.

The following is an overall view of the S.P.B. programs during the 1981-82 year:

# MAJOR CONCERTS

# July 15, 1981 - Charlie Daniels Band

This was by far the most successful concert they produced. Over 6,000 people saw this superstar of country music. All aspects of the concert went smoothly except the noise level was a bit high!

# August 31, 1981 - The Detours

This was a "free" outdoor concert for the returning students. Over 200 students enjoyed the music of this local rock-and-roll band. We received a few complaints about the noise level on this concert also.

# October 6, 1981 - Billy Bee and the Stingers

This was a "free" concert for students held during Homecoming Week.

This popular local band played songs from the 50's and 60's at an evening barbecue and pep rally.

# October 27, 1981 - George Thorogood and the Destroyers

This nationally known high energy rock band played before a sellout crowd in the S.U.B. Ballroom. The Programs Board produced this by themselves, and while there were some security problems, the show was a success.

# October 29, 1981 - Blackfoot and "Def Leper"

These high energy and loud rock groups performed before approximately 1,500 people. The majority of the audience were under the age of 18. The S.P.B. experienced some serious problems with security and the promoter on this concert. All problems were reviewed and hopefully, will be alleviated in the future. Most problems were attributed to the age of the audience, an inexperienced security crew, and the attitudes displayed by the bands and road crews.

# April 23, 1982 - Emmylou Harris

This concert was semiproduced by the same promoter who was involved with the Blackfoot concert. There were several problems that arose due to this association. Approximately 2,100 people enjoyed this dynamic performer.

## Coffeehouse Concerts

There were three "Coffeehouse Concerts" during the fall semester.

Anthony Harper, Bob Bovine, and Wilson and Cain performed for the B.S.U.

students in a variety of informal settings.

Spring semester coffeehouses consisted of Byron Quam (piano player) and Hixon-Lacina Band (jazz).

# FINE AND PERFORMING ARTS

#### September 14 thru 16, 1981 - Sketches by John Lennon

S.P.B. sponsored this national touring exhibit by the late Beatle, John Lennon. While the pictures were a bit bizarre, they were well-received by those who attended. The students are still debating whether or not the price was worth it because they heavily subsidized those who viewed the exhibit.

# February 18, 1982 - Flora Purium and Airto

S.P.B. sponsored these Brazilian jazz artists as part of the B.S.U. Jazz Festival. Attendance was not as high as hoped due in part to the concert by Maynard Ferguson which occurred the night before and also the lack of tickets sold by the Music Department (they were convinced that they would be able to sell some 400 tickets and only sold 75-80).

# March 12, 1982 - The Deseret String Band

This concert was cosponsored with the Idaho Folklore Society.

The turnout was good and S.P.B. lost very little money on the arrangement.

The Deseret String Band is a bluegrass group that tours nationally and is extremely good.

## LECTURES

#### October 17, 1981 - John Houseman

John Houseman, former star of the successful television show "The Paper Chase," was an excellent lecturer and extremely entertaining.

# November 18, 1981 - Bill Baird vs Anne O'Donnell, "The Abortion Crisis"

This was an intense debate between two strong individuals. The audience reaction was good.

## March 4, 1982 - Michael Harrington

This was cosponsored with the Organization of Student Social Workers.

This was a well-attended lecture that dealt with many modern day issues.

# March 5, 1982 - Gene Roddenberry

Mr. Roddenberry is the creator of "Star Trek." This lecture was

excellent and interesting, and he stirred the imagination of all who attended.

# April 19, 1982 - John Elliott

Mr. Elliott is a Marxian economist who spoke on the pressing economic concerns of today. This lecture was cosponsored with Omicron Delta Epsilon.

# FILMS

The film series this year was a combination of foreign films and American classics. Although attendance was not as high as hoped for, it was fairly consistent for the lesser known films, whereas the popular films (such as "Rebel Without a Cause") drew well. A poll of the audience seems to indicate more nonstudents rather than students attend S.P.B. films. Because of this trend and the need to reach commuter students, the Films Committee is seriously considering a total overhaul of the film program for the next year.

The following are a list of films scheduled this past year:

September 4 & 6 September 11 & 13 September 18 & 20 September 25 & 27	The War at Home and Northern Lights Cool Hand Luke and Hud Closely Watched Trains & Loves of a Blond Mame & Top Hat
October 2 & 4 October 16 & 18 October 23 & 25 October 24 October 30 & Nov. 1	Blood of a Poet & Testament of Orpheus Days of Heaven & Real Life White Mane & Rules of the Game Shorts Film Festival THX 1138 & Performance
November 6 & 8	A Bird's Life, A Boring Afternoon, & Intimate Lighting
November 13 & 15	Five Easy Pieces & Easy Rider
November 20 & 22	Viridiana & Tristiana
November 21	Shorts Film Festival
December 4 & 6	French Postcards & Shampoo
December 11 & 13	Il Bidone & Red Desert

January 15 & 17 January 22 & 24 January 29 & 31	Hiroshima Mon Amour & Last Year at Marianbad A Separate Peace & The Green Wall Entr'acte & The River
February 5 & 7 February 12 & 14	From Here to Eternity & Ballad of Cable Hogue Girl in the Mist & The Story of the Last Chrysanthemum
February 19 & 21 February 20 February 25 & 28	First Love & The Little Prince Film Festival of Independent Film Makers The Red Balloon & La Chienne
March 5 & 7 March 12 & 14	War and Peace 1900
April 2 & 4 April 9 & 11	The Old Man and the Sea & Devil at 4:00 The Gospel According to St. Matthews & The Hawks and the Sparrows
April 16 & 18	East of Eden & Rebel Without a Cause
April 23 & 25	The Ruling Class & Siddhartha The Quiet Man & Stairway to Heaven
April 30 & May 2	·
May 7 & 9	The Bicycle Thief & A Brief Vacation

# SPECIAL EVENTS

The Special Events Committee was plagued this year with turnover problems. The Committee was without a Chairperson for several months. Despite this, it still managed to plan two highly successful programs - Homecoming and Spring Fling.

# Homecoming Activities

(See Homecoming 1981 section, Page 10).

# Spring Fling

S.P.B. sponsored the fourth annual Spring Fling on April 30, 1982. Events this year included: Billy Bee and the Stingers in Julia Davis Park, a hot air balloon behind the S.U.B., and the Coors/Intramural's Campus Fest of intramural events on the soccer field. Both events were well-attended, although competing with each other probably hindered attendance at both.

# HOMECOMING 1981

## "The Impossible Dream"

This year's Homecoming was fairly successful despite rain and lack of attendance for some events. The events that were planned during this year's Homecoming included:

# October 4, 1981 - Almost Anything Goes

Almost Anything Goes was sponsored by the Residence Hall Association. This event, patterned after the television show of the same name, was held on the soccer field with administrators and staff acting as judges and timekeepers. Paul J. Schneider hosted the event. Teams competed representing various living groups and student organizations.

#### October 6, 1981

Barbecue, Pep Rally, and Bonfire - Coordinated by the Homecoming Committee. Held on the soccer field. Activities included Buster Bronco, B.S.U. Cheerleaders, and Coach Criner and the team.

Billy Bee and the Stingers - Played on the patio of the S.U.B. after the bonfire.

<u>Toilet Bowl</u> - Sponsored by Tau Kappa Epsilon Fraternity. Held in Bronco Stadium; attendance was minimal.

# October 7, 1981 - John Houseman Lecture

This lecture was sponsored by the S.P.B. and was held in the S.U.B. Ballroom. Attendance and audience response was great.

#### October 8, 1981 - Talent Show

Sponsored by S.P.B. and held in the S.U.B. Ballroom. The four top

winners were submitted to a national collegiate talent search. Attendance was approximately 600 people. The competition was emceed by Charlie Fox. The winners were Ralph "Golden Lips" Anderson, Sandy Spidel, Mike Noyes, and Sharon Oliver and Silvia Cotton. The grand prize was airfare to Disneyland!

# October 9, 1981 - Homecoming Dance

The primary sponsor of this event is the Alumni Association with A.S.B. support. The dance this year was held at the Red Lion Riverside and was attended by a mixture of ages. Everyone seemed to have a good time! Music was provided by Salt and Pepper.

# October 10, 1981

<u>Parade</u> - The parade started at 11:30 a.m. and was coordinated by Larry Trimble of Vo-Tech. Lineup was in the Towers parking lot. The parade proceeded through downtown and ended at Julia Davis Park. There were eleven float entries, a kazoo band, the Sparklers (baton group), Mr. and Ms. B.S.U., and the Scottish Highlanders. Despite the rain, there were many people who watched the parade.

Homecoming Game and Half Time - Mr. and Ms. B.S.U. and court were presented, as well as presentation of Western Letters to former Senator Len B. Jordan and Mrs. Jordan.

SPECIAL PROGRAMS/SERVICES

SPONSORED BY THE

OFFICE OF STUDENT ACTIVITIES

AND THE

STUDENT UNION BUILDING

# NEW STUDENT ORIENTATION FALL, 1981

Once again, the Student Activities Office was actively involved in the Fall New Student Orientation Program. A pleasant atmosphere was established for incoming students, and the Student Activities Office sponsored two "mini concerts" for the students' enjoyment.

One new project which will be continued throughout the year is the "Union Extra" series. This series of programs and information was initiated with an informative newspaper which was written and edited by the Union Staff. It provided students with information on all areas of their community as well as information on the S.U.B. and the various programs and activities found here.

The other program was a "spinoff" of the Playfair program offered the previous year. A hard-working committee put together a series of exercises hoping to "break the ice" for new students. This high-energy extravaganza was held the second day of Orientation in conjunction with an opening picnic. The program was very successful and resulted in the formation of new friendships and good feelings for the 200 plus participants.

The staff was very excited about the outcome and with a few minor changes will continue to offer this program to the incoming students.

#### ART EXHIBITS

Student Activities sponsored five exhibits during the 1981-82 academic year. The displays included: "Jade: The Stone of Heaven", "Transitions" (photography), "Paintings by American Indians", "To Port and Starboard", and "Poetry Gallery". All of the exhibits were displayed in the Student Union Building and were free to the viewing public.

\*\*\*\*\*

# Jade: The Stone of Heaven

This exhibit appeared on the second floor of the S.U.B. from November 2nd to the 25th. It is a traveling exhibition tracing the history and significance of the Chinese art tradition of jade carving. The exhibit is from the University of Oregon's Art Museum. Channel 2 did a nice spot for us on the 6 p.m. and 10 p.m. news.

#### Transitions

Transitions, a photo exhibit by Susan Mitchell appeared on the second floor of the S.U.B. on January 11th and ran through February 19th. The exhibition included photos taken of a variety of beautiful and inspiring subjects and scenes. Ms. Mitchell is the Director of Student Residential Life at B.S.U. and is also a professional photographer.

Paintings by American Indians

This exhibit, a collection of art work by outstanding artists from 12 different tribes, was displayed in the S.U.B.'s Boisean Lounge from February 26th to March 26th. The exhibition includes Indian works

from the past 40 years and was brought to B.S.U. by Van Arsdale Associates, Inc. of Winter Park, Florida.

# To Port and Starboard

To Port and Starboard featured 27 colored woodcuts by sailor-artist Patti Jacquemain and was displayed April 3rd to May 2nd in the Boisean Lounge. The woodcuts depicted many East coast marine settings from Key West to Cape Cod. The exhibit is from Van Arsdale Associates, Inc.

# Poetry Gallery

Poetry Gallery is the collective works of 15 Oregonian poets.

The poems, individually accented by professional calligraphers, were displayed on the second floor of the S.U.B. from June 14th to July 11th.

The show is circulated by the University of Oregon Art Museum.

# HOLIDAY HIGHLIGHTS

The Student Activities Office sponsored a new program for the Christmas season.

Holiday Highlights featured choirs from Maple Grove, Vallivue, and Mountain View elementary schools, plus Fairmont Junior High and Boise High School. During the week of the 7th to the 11th of December, each group provided a short musical program in the S.U.B. snack bar. Of the five groups, the elementary schools were the predominate "favorites" with the audience. However, all groups were well received.

Each group was invited to a small reception after their performance in appreciation for their program. This was especially appealing to the grade school groups in that they brought their lunches thus making a short field trip for them.

The program benefited all parties including the S.U.B. cafeteria, snack bar, Student Activities, and the respective choirs.

A recommendation for next year might be to limit the choirs to just elementary schools. They seem to appeal more to the audience and the experience is especially pleasing to the younger aged school children.

# AMERICAN EXPRESS FILM FESTIVAL

The B.S.U. Student Activities Office was one of 250 college organizations participating in the American Express Film Festival during the 1982 Spring Semester.

The S.A.O. sponsored event was free to all B.S.U. students and featured two films: <u>Murder by Death</u> (showings were April 13th and 14th) and <u>Blazing Saddles</u> (showings were April 20th and 21st).

The festival served to promote the American Express Credit Card to graduating college seniors and graduate students.

The showings appeared in the Boisean Lounge during the noon hour with 10 to 30 students attending each showing. Free "T-shirts" were given to the first group of students to attend each show also.

A recommendation for next year would include a joint effort on the part of Student Activities and the S.P.B. films committee to increase exposure to the program and ensure a positive outcome.

# COLLEGE MAGAZINE DISTRIBUTION

During the fall and spring semesters, the S.U.B. and Student Activities sponsored the distribution of some 6,000 college magazines (3,000 each semester). The colorful, fact-filled magazines were provided free to students.

The fall publication, "Nutshell", was designed with the new college student in mind. It contained many helpful hints and suggestions to help introduce new students to campus life.

The spring edition, "America", contained a variety of travel information, ideas and suggestions to help the student plan a vacation or find a summer job. It also provides students interested in the fields of advertising and journalism a creative outlet for their talents through ad and writing competitions.

## S.U.B. DINNER THEATRE

Fall Semester 1981 marked the beginning of a dinner theatre project undertaken by the Student Union Building. The S.U.B. and the Music Department cooperated in producing the musical production, "Fantasticks" while offering a five-course meal supplied by the University Food Service.

Over two hundred and fifty people paid the \$10.00 price, dined and enjoyed the program. This was an excellent test for such a project and made us realize that the dinner theatre concept can be done on our campus and is a valuable program that should be continued. The audience members enjoyed the show and complimented Saga Foods for the excellent dinner. The S.U.B. took in a reasonable amount of money from their portion of the ticket price; and because of the Music Department's involvement, our initial investment was minimal.

## COLLEGE BOWL

The Fall of 1981 marked the beginning of College Bowl, the "Varsity Sport of the Mind," which was well received by all who participated and all who attended the competition. Twelve teams competed for the "intramural title" and the right to represent Boise State in the Association of College Unions sponsored Regional competition.

All twelve teams were very competitive which led to a very exciting tournament. The intramural tournament took place over three days in early December. The double elimination competition was won by the "Black Sox", a group of graduate and undergraduate students representing two schools of study. They defeated the "Penultimates", a team composed of student leaders, in the final game of the tournament. A real comeback for the "Black Sox"!

An important contributor in facilitating this program was Lee LeBaron, the S.U.B. Building Superintendent. Lee constructed the lock-out playing system and designed several special features unique to our university.

Boise State was represented in the Regional competition by two members of the winning team and two "all-stars" selected from intramural play.

## COLLEGE BOWL REGIONAL TOURNAMENT

The 1982 Northwest Regional ACU-I College Bowl Tournament was held at B.S.U. in the S.U.B. Ballroom on February 13, 1982.

Ten teams from throughout the Northwest competed for berths in the 1982 national tournament. The teams included representatives from the following institutions:

- 1. University of Puget Sound
- 2. Willamette University
- 3. Whitman College
- 4. University of Alaska-Fairbanks
- 5. Oregon State University
- 6. University of Idaho
- 7. Pacific Lutheran University
- 8. Clackamas Community College (Oregon)
- 9. Washington State University
- 10. Boise State University

The University of Puget Sound emerged as champion and represented the Northwest Region in the semi-finals. U.P.S. was later defeated in the C.B.S. mini-week tournament by California State University - Fresno (former National champion). The ultimate National champion was the University of North Carolina (Chapel Hill).

## UNION SHORT COURSE PROGRAM

# FALL SEMESTER

During the fall, the Student Activities Office sponsored its Short Course Program. While the attendance was slightly down from last year, the classes were attended more evenly and we only had to cancel two courses.

There was also an expanded variety of classes offered. In addition to popular mainstays such as Jitterbug, Self Defense and Camera Operations, we offered classes in pizza making, Christmas decorations, folk music, vegetarianism, and jazzercise. We enrolled a total of 162 people in 21 different classes.

This fall we also noticed an increased interest by teachers. We have experienced more people wanting to share their knowledge and hobbies with others without the benefit of salary remuneration.

Gary Grimm and Katy Flanagan again presented their moving and beautiful slide show presentation entitled "Mountain Visions". This program, incorporated into the Union Short Course Program, is a photo collection of their adventures through the Northwest Wilderness area. They have an excellent following in the Boise area and we had more satisfied audience members than ever before. They also presented a workshop the following day. The workshop was attended by six people and covered their production procedures and their photographic techniques. They will, no doubt, be returning to our campus in the future.

# SPRING SEMESTER

The spring session of the Union Short Course experienced a significant decline in total enrollment. Total participation declined by 54% to 77 total students from fall session's enrollment of 162. However, statistics indicate that total enrollment in similar programs nationwide, was down by 30-40% over the previous year also. The economic downturn seems to suggest some reason for the decline.

There were 17 courses offered in the spring, four of which were cancelled by the instructors. Two new courses, "The \$2.00 Window on Wall Street" and "Wine Tasting for Beginners", proved very successful and will be excellent additions to the growing base of short course offerings.

The outlook for the upcoming fall session is very good. A few positive changes in the registration and promotion procedures should stimulate enrollment and provide for a healthier short course session next fall.

# TRAVEL ACTIVITIES

## McCALL WINTER CARNIVAL

The Student Activities Office sponsored a day trip to the McCall Winter Carnival on February 6, 1982. The day-long mini-excursion was open to the B.S.U. community at a cost of \$5.00 per person. The charge included round trip transportation to McCall and a pre-trip coffee and donut session.

Response to the trip was overwhelming as every available seat was filled and a waiting list of an additional 10 to 12 people was formed. A total of 56 people participated in the trip, enjoying a variety of activities ranging from ski races, art fairs, parades, and hayrides to giant ice sculptures.

Popularity of the event indicates that low-cost day trips of this nature are desirable among students and should be continued.

#### YELLOWSTONE EXCURSION

With the success of last year's Yellowstone trip, another one was scheduled for August 3-6. Dr. Kenneth Hollenbaugh assisted again this year on the trip. The 14 participants stayed at Old Faithful and Lake Yellowstone Hotel in Yellowstone and at Motel Six in Jackson Hole, Wyoming. This last minute fling before the fall semester was relaxing and fun as well as educational.

# SAN FRANCISCO

In an effort to continue providing low-cost trips to B.S.U. students, the Student Activities Office offered a six-day, five-night vacation trip March 19 to 24 during Spring Break.

The cost of the trip was \$95.00 which included round trip transportation to San Francisco (via South Lake Tahoe), 5 nights lodging (3 nights in San Francisco and 2 nights in Lake Tahoe), and a 2-hour tour of Alcatraz Island.

The twenty students who made the trip enjoyed sights such as Lake Tahoe, Fisherman's Wharf, Golden Gate Park, Ghiradelli Square, and China Town. Some of the group attended the Broadway production of "Chorus Line" at the famous Curran Theater as well.

Although the number of participants was slightly less than capacity, the trip operated at break-even and was an appealing concept for those who participated.

Considering the limited budgets most students are confined to, a program offering similar travel opportunities at a low cost will be continued.

# NATIONAL STUDENT EXCHANGE

The 1981-82 academic year marked B.S.U.'s fifth year of participation in the National Student Exchange Program. Eight Universities and Colleges joined the National Student Exchange in the fall of 1981, with plans to exchange students during the 1982-83 academic year. The College of the Virgin Islands became the first campus in a U.S. Territory to join the National Student Exchange. A third Pennsylvania campus was added with membership for Indiana University at Pennsylvania. With the addition of George State University, the University of Maryland at College Park, and the University of Wisconsin-River Falls, the Exchange expanded representation in Georgia, Maryland, and Wisconsin to two campuses in each state. Expanding educational options into three new states, the Exchange was pleased to welcome Eastern Connecticut State College; Rhode Island College; and the University of Tennessee, Knoxville.

An increasing interest in the National Student Exchange Program was witnessed by the fact that numbers increased both for incoming and outgoing students. During the fall semester, 25 B.S.U. students exchanged to other campuses, while we hosted 28 students from various institutions across the country. During the spring semester, 20 students from B.S.U. exchanged to other campuses, while 24 students attended B.S.U.

Monica Cannon, who had previously participated in the N.S.E. Program as an exchange student to the University of Oregon, was this year's student coordinator. Monica planned a variety of activities during the

year, including welcoming receptions, a tubing trip on the Boise River, a camping trip to the Sawtooth Mountain Range, a trip to the McCall Winter Carnival, and a spring picnic. In addition, several of the N.S.E. students participated in the San Francisco trip which was offered under the auspices of the Student Activities Office during the Spring Break.

One of the definite pluses for this year's group of students, was the tremendous amount of snowfall which pleased the hearts and souls of our incoming exchange students! As has typically been the case, our incoming exchange students seemed quite pleased with their experience at B.S.U. and we suffered minimal attrition.

B.S.U. was represented at the March placement conference in Albuquerque, New Mexico by Student Coordinator, Monica Cannon, and Institutional Coordinator, Dennis Freeburn. Some 61 schools were involved in the exchange process with 1,712 students being placed during the first round, and 254 students during the combined 2nd and 3rd rounds, for a total of 1,966 placements. As a measure of phenomenal success, only 77 students were not placed at the conference. During 1981, institutions placed some 1,872 students and some 88 students were not able to be placed. Several new prospective members sent representatives to the Albuquerque meeting. These included the University of Tulsa, Utah State University, and a representative from the coordinating board of the Texas College/University System. A variety of special sessions were conducted at the annual meeting. Dennis Freeburn participated as a panelist in a discussion regarding financial procedures for Plan B students.

At the annual business meeting, the consortium approved a modified statement of policy allowing seniors and post-baccalaureate students to participate in the National Student Exchange Program with the approval of both the "home" and "host" coordinators. A similar statement concerning graduate students was defeated. Prospects for a "faculty exchange" are to be investigated further by the Executive Director and the Executive Council. The consortium also approved a motion to allow the N.S.E. private schools to exchange with the N.S.E. public institutions. A motion was also approved to have the council send a letter to the President and Secretary of Education expressing concern about the Administration's financial aid programs for students.

Presumably, due to the financial uncertainties, we will have fewer students from Boise State who will go on exchange next year. At this writing, we have fourteen (14) B.S.U. students who will be on exchange, but we have larger number of students who will be attending Boise State. Thirty (30) students have been placed with us to attend B.S.U. during 1982-83 academic year.

The 1983 N.S.E. conference will be held in Birmingham, Alabama during the third week of March.

# A.S.B.S.U. JUDICIARY COUNCIL

The A.S.B.S.U. Judiciary Council serves the entire University community and has original jurisdiction for all cases involving alleged violations of A.S.B.S.U. and University regulations or policies. They hear all cases except academic violations and are an appellate body for the Residence Hall Judicial Boards.

This year, the A.S.B.S.U. Judiciary Council was heavily utilized.

Their decisions dealt with issues such as interpretation of the A.S.B.S.U.

constitution and clarification of procedures and powers. They also reviewed several constitutions, discipline cases, revisions to their "sample constitution," and their own internal rules and procedures.

# Associate Justices

Marlyss Meyer-Fairchild Chief Justice	Feb. 21, 1980 - Feb. 5, 1982, Resigned December 18, 1980 - Feb. 5, 1982
Brad Garner Chief Justice	Jan. 22, 1981 - May 1, 1982, Resigned Feb. 9, 1982 - May 1, 1982
Eddie DeLeon-Guerrero Chief Justice	Sept. 19, 1981 - Present May 1, 1982 - Present
Kevin Butler	February 5, 1982 - Present
Dennis Nelson	April 29, 1982 - Present

Ralph Burkey Vo-Tech	April 15, 1982 - Present

Brad Garner was elected Interim Chief Justice (Feb. 9 to May 1) when Marlyss Meyer-Fairchild resigned due to her candidacy for A.S.B.S.U. President. On April 29, 1982, Brad turned in his resignation as Chief Justice and Associate Justice effective May 1, 1982. Eddie DeLeon-Guerrero was elected to serve as Chief Justice until April 1983.

The following is a summary of this year's actions taken by the Judiciary Council:

# Constitutions Approved

9/24/81	Idaho Fretted Instrument Society (name changed to Guitar Society of B.S.U.)
10/8/81	Aquabronx Swim Club
11/5/81	Ranger Club
11/12/81	Religious Life Center
11/12/81	Unitarian-Universalist Fellowship
12/8/81	Coalition of Comparative Studies (was never brought before Senate for approval)
1/21/82	Nontraditional Students
2/4/82	Vocational Industrial Clubs of America
3/2/82	Campus Yoga & Stress Management

3/2/82	Bronco Ice Hockey Club
3/19/82	Jazz Ensemble
4/8/82	Kayaking and Rafting Club
4/8/82	Skin and Scuba Diving Club
4/8/82	Criminal Justice

# Senate Bills Approved

10/8/81	Senate Bill #16 to amend Senate Act #15, Election Code
1/21/82	Senate Bill #21 to revise Senate Act #15, Election Code
1/21/82	Senate Bill #13, A.S.B.S.U. Public Relations
2/11/82	Senate Bill #20, Personnel Selection Committee
4/1/82	Senate Bill #26 to amend Senate Act #4, Financial Procedure for Allocation and Expenditure of Funds
4/1/82	Senate Bill #27 to amend Senate Act #5, Establish a Funding Policy for the A.S.B.S.U.
4/1/82	Senate Bill #28 to amend Senate Act #6, A.S.B.S.U. Financial Advisory Board
4/1/82	Senate Bill #29, To Establish an A.S.B.S.U. Public Relations Position
4/15/82	Senate Bill #30 to amend Senate Act #14, Broadcast Board
4/15/82	Substitute Senate Bill #20 to amend Senate Act #3, Personnel Selection Committee
4/22/82	Senate Bill #31 to amend Senate Act #14 (Revised), Broadcast Board

# Decisions

8/31/81	Membership of Senate/Quorum of Senate, 81/82-1
8/31/81	Validity of Broadcast Board, 81/82-2
9/10/81	Recall Votes Needed, 81/82-3
9/10/81	Resignations, 81/82-4
10/9/81	Affidavits, D-81/82-01
10/13/81	Holt vs Anderson, D-81/82-02
10/15/81	Hansen vs Election Board, D-81/82-03
10/18/81	Ratliff vs Election Board, D-81/82-04

10/29/81	S.P.B. Director Appointment, D-81/82-05
10/29/81	Univ. Residency Comm. vs Joseph Fanelli, D-81/82-06
12/1/81	Barnhill vs Lund, D-81/82-07
12/1/81	Barnhill vs Kemp, D-81/82-08
12/8/81	Kerns vs Lund, D-81/82-09
1/28/82	Breen vs Residence Hall Judicial Board, D-81/82-10
2/4/82	Election Board vs Barnes, D-81/82-11
2/4/82	Election Board vs Barnes, D-81/82-12

4/22/82	Order of	Hearing Approved
4/22/82	"Sample"	Constitution Revised

# A.S.B.S.U. ELECTIONS

# FALL 1981

While the voter turnout was low for the General Election, the students turned out in record numbers for the Primary Election. All races were fairly close, some were heated and very competitive, and, quite typically, some complaints were brought before the A.S.B.S.U. Judiciary Council.

Two candidates were removed from the ballot by the Election Board. One of the candidates was allowed to remain on the ballot by the Judiciary Council. Both cases were appealed by the defendants. This action forced the Election Board to review their internal rules and procedures, and also forced the Senate to review Senate Act #15 which governs elections. This action has been needed for some time and should ensure smoother elections in the future.

Because of the early date of Homecoming, Mr. and Ms. B.S.U. were elected during the Primary Election. This might account for the larger voter turnout. Victor Steelman and Shelly Shores reigned as Mr. and B.S.U., respectively.

The following are the results of the General Election:

Senators	Arts & Sciences	Terry Ratliff Laurynda Reed	43 7
	Business	Greg Waller Monte Starchman Perry Byrnes	34 10 26
	Education	Todd Barnes Naomi Peck	18 4
	Health Sciences	Helen Holt Eric Anderson	58 42
	Vo-Tech	Robert Rounds Stephen DeBenedetti	31 6

#### SPRING 1982

The 1982 Spring Elections were marked by the largest voter turnout in recent memory, as more than 1,000 students cast their votes for prospective A.S.B.S.U. student leaders.

Elected positions in the spring included presidential, vice-presidential, and senatorial seats. In both the Primary Election (held Feb. 24-25, 1982) and General Election (held March 17-18, 1982), the presidential and vice-presidential races were very one-sided contests in terms of the number of votes separating the candidates. The senatorial races proved to be a little more competitive with narrow (as little as one vote) margins separating the candidates. In fact, some of the candidates that won in the Primary lost in the General by the same slim margin.

Marlyss Fairchild was elected President for the 1982-83 school year, while her running mate, Deanna Gibler, was elected Vice-President.

Election results for the 1982 Spring General Election are as follows:

President		Marlyss Fairchild Tracy Lefteroff	707 258
Vice-President		Deanna Gibler Todd Barnes	610 341
Senators	Arts & Sciences	Scott Day Teresa Squires	55 49
	Education	Don Baldwin Naomi Peck	29 41
	Vo-Tech	Dana Pelton Weldon Smith	21 72
	Health Sciences	Lisa Bivens Joe Osterkamp	42 41
	Business	David Terrell Neil Peterson	52 80

#### STUDENT ORGANIZATIONS

The number of student organizations and clubs on the Boise State University campus continued to grow during the 1981-82 academic year. The A.S.B.S.U. Senate approved 12 new student organizations. The recognition of these new groups provided greater opportunities for student involvement in co-curricular activities.

In the beginning of September, the Student Activities Office held an organizational meeting for all student organizations. At this meeting the process for remaining recognized was discussed in order to maintain an updated list of active organizations. In addition, services of the Student Activities Office were discussed, as well as a description of upcoming events to acquaint organizations with opportunities for involvement.

The Student Activities Office published two directories, one brochure, and revised the B.S.U. Activities flyer which describes student organizations and their purpose. The Certificates of Recognition in the Senate Chambers were also updated to reflect the existing organizations on campus.

#### FIFTH ANNUAL STUDENT ORGANIZATIONAL FAIR

The Fifth Annual Organizational Fair was held Tuesday, September 22, 1981, from 10:00 a.m. to 2:00 p.m. on the lawn beside the Student Union Building. The attendance was outstanding with over 50 organizations participating in the event including several off-campus nonprofit organizations. The Royal Litchtenstein "Quarter Ring Circus" performed before approximately 250 curious onlookers.

The Fair is designed to promote student organizations, aid in membership recruitment, inform the students of various groups on campus and to offer a festive atmosphere during the early portion of the fall semester.

To attract attention, a parachute was hung on an electrical pole by the linesman class of Vo-Tech. Unfortunately, the wind prevented the parachute from remaining solidly entrenched in the ground.

Several organizations provided demonstrations and had the opportunity to raise funds by selling food ranging from popcorn to tamales.

Overall the 1981 Organizational Fair was a great success, and we look forward to the Fair next fall.

#### THE GREEK SYSTEM

#### SORORITIES/PANHELLENIC COUNCIL

The Panhellenic Council made a tremendous effort during the 1981-82 school year to strengthen the Greek system and increase their recognition with both the University and the Boise community. Membership quotas were raised to 40 to encourage growth and a fund-raising drive was held to raise money to support Panhellenic projects. Value Checks (discount coupon books) were sold bringing in over \$1,200 for Panhellenic. Individual houses also made money according to the number of books they sold.

The Greek system began a self-examination of their situation when the Delta Delta Delta Sorority's Charter was threatened by being pulled. Because of their concern over the existence of the Greek system, Panhellenic started planning the fall 1982 Formal Rush in the middle of spring semester. They sent 9 delegates to the WRPC/WIFC Conference held in Reno on April 3 - 4, 1982. Panhellenic also established training sessions for officers. This conscientious effort to strengthen Panhellenic will hopefully result in more stable chapters and increased membership.

#### FRATERNITIES/INTERFRATERNITY COUNCIL

The Fraternities struggled during the 1981-82 academic year. Tau Kappa Epsilon determined that they could no longer afford their house on Warm Springs and thus began a search for new quarters. Alpha Tau Omega, which showed signs of developing into a successful and strong addition to the Fraternity system, gave up their efforts to colonize when leadership wanned. Kappa

Sigma suffered some attrition while Sigma Phi Epsilon maintained its stability.

Interfraternity Council did not function with any degree of effectiveness, largely due to disinterest by individual chapters.

It is hoped that new life can be injected into the Fraternities next year.

#### GREEK WEEK

Greek Week this year was fun for all participants but, unfortunately, did little to enhance the Greeks' image. There was <u>very little</u> publicity concerning the week's events. As a highlight, Governor John Evans presented a proclamation at the Songfest and stayed to listen to the songs. (Unfortunately, some of the numbers in the program were a bit off-colored and could have been better left off the program!)

The following are a list of activities of Greek Week:

April 23	Car Rally
April 24	Volleyball
April 25	Bowling Tournament Open House for Chapter Houses
April 26	Barbecues and Songfest
April 27	Kite Fly with United Way
April 28	Bar Hop
April 29	Square Dance
April 30	Toga Party
May 1	Wiffleball Tournament

STUDENT UNION OPERATIONS/SCHEDULING

#### STUDENT UNION OPERATIONS/SCHEDULING

The fall of 1981 began with some minor structural changes having been completed during the summer months. Trophy and display cases were relocated on the second floor in anticipation of a future remodeling project. Also new to the second floor was the expansion of the Student Activities Office complex into the Ada Lounge. The new office area was designed to accommodate a new staff member in the Activities Office, Ms. Carole Golder.

The entire Operations staff worked very hard to prepare for several regional workshops and conventions, one of which was the Association of College Unions International (Region 14), an organization that our Union has been a member of for many years. This regional convention has never been in Boise before and we welcomed the opportunity to showcase our facilities to other members of our profession. The convention was extremely successful and all participants were very complimentary about the city of Boise and Boise State University.

Plans for remodeling the Union's Snack Bar moved closer to completion in the fall of '81. Decisions on architect selection, final preliminary drawings and project estimates were completed by the end of December. Architects for the project will be Architects, Inc. of Boise and the project coordinator will be Mr. Scott Waggoner of that firm. Interior decoration will be done by Ms. Anita Thompson of Architects, Inc. The equipment consultant will be Van Brunt and Associates of Boise,

coordinated by Skip Van Brunt. Construction was set to begin at the close of the spring semester.

Lee LeBaron, of the Operations staff, completed two major electronic projects in the fall of 1981. The first was a complete operating control and signaling system for the College Bowl Program. Individual lock-out buzzers and controls for resetting were all designed and built from scratch, as well as the audience viewing monitor. Mr. LeBaron received a distinguished award from the Region 14 ACU-I College Bowl Director, Don Johnson (Oregon State Union), for his design and construction of the system. In addition to being used for intramural competition, it was also utilized in the Regional competition scheduled at BSU in February, 1982.

The second project was the Big Four public address system installation. The new amplifier/control panel was modified to accommodate 18 microphones in three zones of that room. In addition to that, signal inputs and outputs were provided for background music, phonographs and tape players. The project finalizes the overhauling of all three major P.A. systems in the Union, the Union Station system (both audio and video), the Union Ballroom and now the Big Four.

During the Christmas break, the Union had planned to install new carpeting in the halls of the second floor. Because of delivery delays, the installation was not begun until January 20, 1982. This delay was undesirable from the standpoint of inconvenience and unsightliness but adjustments to the schedule were accommodated as best as possible, by both patrons and staff.

The main reception desk in the Union lobby received a new logo and name this fall. The "Union Station" features a train motif, on plexiglass panels and new signage announcing the new identity. Several changes in staff managing the Union Station occurred in the fall semester. Currently serving as the supervisor of that area is Ms. Ruth Smith.

Sales of various tickets and other items at Union Station as well as food service revenues and Recreation Center revenues are being reported. daily to management staff of the Union. The report form was designed and put into daily use in April of 1982, as a method to analyze the daily income level of the Union's business entities.

Additional work on the renovation of the Snack Bar resulted in awarding of a bid to JRS Consulting of Boise as General Contractor of the project. Construction began on June 16, 1982.

Several changes in the personnel and staffing of Union Operations took place in the spring of 1982. The most significant was the retirement of fifteen-year veteran, Lee LeBaron as Building Superintendent. Hired to serve as the new Building Superintendent was Doug Trosky, who previously had supervised similar multipurpose facilities in the midwestern United States.

The Student Union Board of Governors approved several policy changes for the Union's operational manual. The room rental schedule was revised and rates increased approximately 25% (App. A). Also in the area of budget revisions, the Housing System sought and was granted a student fee increase for 1982-83. This fee increase will bring additional

parity into the rates paid by residence vs. non-residence hall BSU students.

Traffic volume through the Union was monitored in February, 1982 for comparison with the previous year's traffic study. A marked increase in 1981-82 usage is somewhat surprising. Results of the traffic study are shown in Appendix B.

Room rental revenues and utilizations were up again over the previous year. Partially responsible for the increase is the lack of availability of the Special Events Center. That facility was closed most of the year for extensive remodeling. A utilization chart (App. C) shows the effects of the heavier demand on Union conference facilities.

The S.U.B. Union Station is also showing an increase in its overall income. The Appendix D illustrates the year's income in on-campus and off-campus consignments as well as our own sales of various items. The on-campus consignment will grow even more dramatically in the 1982-83 fiscal year, when we begin the sale of tickets for events in the BSU Pavilion.

In our attempt to further educate the University community with available services of the Student Union, the staff combined efforts with our graphic artist, Jim Ann Carter, to publish a newspaper entitled "The Union Extra". It featured articles on current services, upcoming programs and a quick reference quide to who's who in the S.U.B. The same format was again utilized in the spring semester's issue of our Union Extra Vol. II. Plans are to continue this publication as it has proved to be a very popular item. All copies of both issues were

depleted within two weeks of their availability.

The final project of the year was the development of a conference services brochure, covering the available services of the Union, Student Residential Life and University Food Service. Publication of this full-color brochure is set for August of 1982.

RECREATION CENTER

#### RECREATION CENTER

#### Annual Report 1981-82

The 1981-82 fiscal year was again successful based on revenue and programming. Despite the slow economy we were able to show an increase in revenue with most of this increase from our pinball and video game operation. We hope to continue this success in the upcoming year.

#### A. Area Improvements

Our continued efforts to update and improve our facility include the following projects.

- We sanded and refinished the bowling lanes and approaches.
- We did a complete maintenance program on the lanes and pinsetters including cleaning, repairing, and adjusting.
- We repaired and recovered the pool tables during the summer and over Christmas break. We tried a different color of cloth, blue, on our antique snooker table to see how it blends into the area and how it is received by the players.
- We established a new three-level pricing system for Boise State students, University staff, faculty, and alumni, and the general public.
  - We are planning a new cash register system to be installed in July.
- We completed a contract for pinball and video operation in the Center.

  Inglis Coin Machines will be the only vendor in the Center beginning July 1,

  1982. This will increase revenue for the Center.
- We added a new Tournament Soccer foozball table to the area. This table was donated by the BSU Varsity Bowling Team.

- We added two new table tennis tables.
- We are presently involved in summer maintenance of all equipment in the Recreation Center.

#### B. Bowling and Billiards

Bowling and billiards continue to be integral parts of the Recreation Center operation. Revenue from both of these was steady due mainly to our classes and leagues, some of which were scheduled through the Physical Education Department.

#### Class Schedule

#### Summer 1981:

- 2 beginning bowling classes (Summer Youth Program) taught by Janis Ogawa

#### Fall 1981:

- 2 beginning bowling classes taught by Ross Vaughn
- 1 intermediate bowling class taught by Ross Vaughn
- 1 beginning bowling class taught by Greg Hampton on Monday evening
- 4 beginning billiard classes taught by Janis Ogawa
- 1 Varsity participation class in bowling taught by Greg Hampton Spring 1982:
  - 2 beginning bowling classes taught by Ross Vaughn
  - 1 intermediate bowling class taught by Ross Vaughn
  - 1 beginning bowling class taught by Greg Hampton on Monday evening
  - 3 beginning billiard classes taught by Janis Ogawa

#### Union Short Course:

Fall 1981: November, bowling Spring 1982: April, bowling Spring 1982: April, billiards

#### Bowling Leagues

- 1. Monday Night Mixed
- 2. Thursday Night Mixed
- 3. Tuesday Evening Varsity
- 4. Wednesday Afternoon Varsity

Leagues were sanctioned through the American Bowling Congress, Women's International Bowling Congress, and the ABC/WIBC Collegiate Division.

#### C. Varsity Bowling Team

#### Tournaments:

Washington State University Invitational, November 13-14, Men 1st Place, Women 8th Place.

Boise State University Invitational, December 4-5, Men 5th Place Team and 1st Place Baker Team, Women 7th Place Team and 8th Place Baker Team.

UCLA Active West Holiday Tournament, December 27-28, Men 11th Place.

Walt Peabody Las Vegas Invitational, December 30-31, Men 6th Place, Women 17th Place.

Brigham Young University Invitational, January 29-30, Men 1st Place. Women 7th Place.

Idaho State University Invitational, March 5-6, Men 2nd Place, Women 3rd Place.

ACU-I Regionals, February 25-27, Men 2nd Place, Women 3rd Place.

National Bowling Council Sectionals, March 25-27, Men 3rd Place, Women 7th Place.

The Varsity bowling program is an integral part of the Recreation Center activities. Last year we hosted or directed three tournaments.

On December 4th and 5th we hosted the Annual Boise State University
Invitational at 20th Century Lanes. Twenty-six teams participated. In the
men's division Washington State University won 1st place with Boise State
University placing 5th. On the women's side, Washington State University won
1st with Boise State University placing 7th. The Baker Team Event was held
at Bronco Lanes in the Recreation Center. Boise State University won 1st
place in the men's division while Brigham Young University won the women's
event with Boise State University placing 8th. The tournament is scheduled
for December 3-4 next year.

On February 25-27 we hosted the ACU-I Region 14 Recreation Tournament.

Details of this tournament are listed in the section "Special Events and Tournaments."

For the sixth consecutive year Greg Hampton was selected to direct the National Bowling Council's Northwest Sectional Tournament. The tournament was held at Cascade Lanes in Portland, Oregon, on February 25-27. The Boise State University men placed 3rd and the women placed 7th. The 1st place men's team, Washington State University, went on to win the National Collegiate Bowling Championships in Orlando, Florida.

The bowling teams are selected through the Recreation Center bowling classes and leagues, thus promoting use of the area. Through the bowling program we work closely with the area bowling establishments, proprietors, and local mens and womens bowling associations. The Boise Bowling Association awarded a \$250 scholarship to Shane Brown. In the Las Vegas Invitational Shane won the 1st place all events title. For this win the Walt Peabody Advertising Company sent a \$500 check to the Boise State University general scholarship fund. This money will be given as a scholarship to one or more members of next years team.

The Recreation Center and Varsity Bowling Team combined to advertise in and sell the Value Check coupon books. The coupon books proved to be a good fund raiser for the bowling team and a good promotion for the Recreation Center.

This years team ranked as high as 10th in the National Collegiate Bowling Poll. Team members this year were:

#### <u>Men</u> Women

Dwayne Newkirk Mike Taylor Fred Davis Chris Williams Tim Durnil Shane Brown Brian Perrin Mike Carr Steve Ford Jeff Ratliff Becky Lowber
Karen Link
Cindy Coonradt
Kristin Galdabini
Cathy Mingus
Cheryl Hibbs
Janet Woolum
Debbie Monk
Kam Kamradt

#### D. Special Events and Tournaments

- The Recreation Center set up volleyball and badminton equipment for new student orientation in August.
- During the fall semester we held our annual football funbowl.

  This year's winners were: Fred Davis, student division; Paul J. Schneider,

  BAA division; and Marian Giffon, open division.
- On February 4th we presented two billiard exhibitions by Ivor
  Bransford. The first show was in the morning with a second show late afternoon. The shows were well received by the students. Admission was free.
- On February 25-27 we hosted the ACU-I Region 14 Recreation Tournament. Events included were: bowling, billiards, table tennis, darts, chess, frisbee, backgammon, and table soccer. All events were held in the Union except for table tennis which was held in the auxillary gym, bowling which was held at Meridian Lanes, and frisbee which was held on the grass next to the Union.

The Recreation Center staff and other Union staff worked long and hard in setting up the tournament, conducting qualifying rounds, setting up and taking down equipment, and directing the tournament. I think we did a good job and I feel the tournament was a success. We learned a lot and I'm sure we will have even a better tournament next time. Following is a list of BSU students participating in the tournament.

Name	Event	Place
Craig Moore	Chess	1st
Steve Flock	Chess	1st
Guy Barnet	Frisbee	5th
Bill Barnes	Darts	8th
Tim Durnil	Backgammon	7th
Joe Guarino	Backgammon	8th
Brian Frost	Table Soccer	4th
Roger Cash	Table Soccer	4th
Kelly Skelton	Table Soccer	9th
Brad Smezcer	Table Soccer	9th
Cathy Mingus	Table Tennis	4th
Jane Lee	Table Tennis	6th
Kevin McAllister	Table Tennis	13th
Lynn Turley	Table Tennis	17th
Becky Barton	Billiards	5th
Deanna Gibler	Billiards	6th
Vince Huerta	Billiards	13th
Karen Link	Bowling	3rd
Debbi Monk	Bowling	3rd
Janet Woolum	Bowling	3rd
Cheryl Hibbs	Bowling	3rd
Kristin Galdabini	Bowling	3rd
Cindy Coonradt	Bowling	3rd
Fred Davis	Bowling	2nd
Dwayne Newkirk	Bowling	2nd
Mike Taylor	Bowling	2nd
Chris Williams	Bowling	2nd
Shane Brown	Bowling	2nd

- On February 20 we hosted an intramural bowling tournament. We hope to make this an annual event.
- In March we presented an American Bowling Congress film, "Showcase Of The Stars," in the bowling settee area. Admission was free.

- On March 20 we hosted the annual Ada County Bowling Council High School High-5 bowling tournament. The tournament is scheduled again at Bronco Lanes for March, 1983. Results were:

Borah
 Meridian
 Kuna
 Bishop Kelly
 Boise
 Capital
 Points
 points
 points
 points

- In April we hosted the annual Greek Week bowling tournament sponsored by the AON sorority. Results were:
  - 1. TKE (fraternity)
  - 1. AON (sorority)

#### E. Groups Using the Recreation Center

Numerous groups use our area. By prior arrangement some groups are given special group rates and discounts.

Special Olympics Boy Scouts Girl Scouts Brownies Cub Scouts Drill Teams Parents Without Partners Boise Schools Special Education Cystic Fibrosis Foundation Idaho State Mental Health Boise School Field Trips High School Sthletic Teams Collegiate Athletic Teams Booth Memorial Home Faculty Wives Morot Therapy Classes Jobe's Daughters Tennis Camp

Torch Football Camp Basketball Camp Wrestling Camp Boy's State YMCA YWCA Fraternities Sororities Church Groups Life Time Sports Classes Chess Club Birthday Party Groups New Student Orientation Civitan Business Week Travel Club BSU ROTC

#### F. Outdoor Activities Center

- The Outdoor Activities Center had a good year. Rentals were steady thanks to the record snowfall which boosted our cross-country ski rentals.
- In September we worked with the Boise City Recreation Program at Fort Boise Community Center in promoting outdoor recreation classes and events.
- In October we set up an Outdoor Activities Center display during the Organizational Fair sponsored by student activities.
- On November 4 we worked with the Student Union and the BSU Ski Team to present Bogus Basin Day in the Boisean Lounge. This event featured free ski movies and displays by several area merchants to promote the ski season. We hope to make this an annual event.
- To further promote the ski season we hosted the Solomon Ski Film

  Festival in the ballroom on November 19 featuring four (4) ski films sponsored

  by the Bogus Basin Freestyle Association and Ski Racing Alliance.
- On January 17 we organized the first annual Outdoor Activities Center and Student Union staff cross-country ski trip. This year we followed our leader, Mike Henthorne, to the Whoop-M-Up Cross Country Ski Trail above Idaho City.
- Throughout the ski season we worked with the Bogus Basin Recreational Association in posting ski conditions and travel information in the Union.
- On March 17 the Outdoor Activities Center presented "The Edge," a sports adventure film. Turnout for the film was small, but those who did attend enjoyed a good film.
- On April 13 and 14 we sponsored the Beaver Muck Wilderness Trails

  Symposium conducted by the U.S. Forest Service. The presentation showed how
  to safely use and preserve the trails in the national forests.

#### G. Recreation Center Staff

In August and January we held student employee training sessions. We are presently planning similar sessions for next year. During the summer we are training two new student assistants, Tim Durnil for Outdoor Activities Center and Dwayne Newkirk for the Recreation Center.

#### 1981-82 Student Employees:

Fred Davis Erin Cochran Tom Boner Ann Dazey Tim Durnil Leland Sasaki Dwayne Newkirk Marty Reed Shane Brown Dave Matson John Ballard Brian Leonard Destre Wilkerson Jeff Ratliff John Byars Karl Brake Bob Stroud Shawn Brown Ernie Menchaca

We hope to have this unit installed in July. The new cash register system will provide more sales information and better cash control.

#### RECREATION CENTER

#### Facilities:

6	AMF Automatic Pinspotters and Lanes
10	Pocket Billiard Tables
4	Snooker Tables
1	3-Cushion Table
1	Bumper Pool Table
1	Shuffleboard
6	Foozball Tables/Coin-op
2	Foozball Tables/Rental
2	Table Tennis Tables
2	Dart Areas
	TV Viewing Area
