Boise State University employees have the opportunity to participate in COLONIAL LIFE Supplemental Health Programs. These are voluntary and pay cash directly to you if you are injured or sick and unable to work. Benefits can help with loss of income, deductibles, co-payments or whatever else you choose. COLONIAL LIFE benefits are payroll deducted and are guaranteed renewable for life. These programs are based on a group rate and can be taken with you if you leave the employment of the University. The rates will not be increased. For example if you have family history of cancer, stroke or heart problems the Critical Illness plan pays cover these three. It pays like life insurance except pays while you are alive! The payments are made directly to you to spend as you need.

COLONIAL LIFE associates, Angie Bringhurst and Lynne Davies, will be on campus in the Student Union Building on Friday, January 7, 2011 from 9:30 a.m. to 12:00 p.m. in the Fisher Room. Drop by and learn how these plans fill in the gaps in your insurance.

The tuition fee waiver can be used for courses taken during the Intersession. It is important to note that the Fee Waiver Policy will cover a maximum of nine (9) credits for the Intersession and Spring 2011 semester combined. The fee waiver deadline will be January 6, 2011 for the Spring 2011 semester. Any fee waivers received after the fee waiver deadlines will be assessed a $50 late fee.

If you have any questions, please contact Molly George (last name A-L) at 426-2898, or Nancy Regent (last name M-Z) at 426-4450.
