Helen Marr Altheimann announced the tentative social calendar as follows: Boise dance, March 30; Artbar’s ball, April 6; Casino dance, April 12; Spring formal; Spring dance, May 12; and Studio dance, May 17. The program committee appointed by the president consists of Betty Taylor and Mrs. Stansbury.

Tennis Ball, a sport dance being sponsored by the tennis club, will be played in the Students Union building. The event is expected to be a fun-filled evening of dance and socializing.

The occasion for the “Tennis Ball” is a unique tennis dance being sponsored by the Boise tennis club to raise money to build a new, well-equipped court for the club.

The festivities will begin at 9 p.m. on March 30, and will continue throughout the evening. The dance will feature a variety of games and activities, including a cash prize for the best-dressed couple.

Dr. Frank Haines has some opinions of his own on modern art, opera and poetry. He divide opera into three parties: a la light opera when nothing happens with the heroine in it, a la serious when something drastic happens with both; his own idea of modernism is a repudiation of all that doesn’t fascinate him; or like the modernists of the 19th century art representation.

He believes that some of the abstract art is quite aggressive, but is still not as ridiculous as the extroverted agitators of the 18th century.

The students in Dr. Haines’ history class were amazed after listening to this announcement.

The procession was mild, spoons, span had aisle, and the hot cakes and eggs had reason at this. It was the tumor, when I realized that the alley door next to the booth, from where we liked looking for the play- 00, was being opened from without, slowly and with ap- prehension, it was not, anywhere, though. in the town, and therein that anyone should have trouble open- ing slowly and carefully with a most essential en- semble. "Where's the man who does the washing?"

Then that he knew, his arm carried an old fashioned reed basket, whose contents were covered with a crepe-wrapped newspaper.

"Why, he should be at the desk gratulations on his new daughter," I answered,

"And sure enough!" Another person who did a lot also tripping the light fantastic, way. As I watched him through the doorway, that he was prepared to hand him the hot cakes in a day. As Otis says, "There is no use ever of r'd' bks. "Yes, he said, and I'll have to ionship to his lovesome pastime.

A.W. Meeting Favoring by Mrs. Hawks Doll Display

An elaborate display of dolls was shown by Mrs. John T. Hawks of the Women's Club at their noon meeting Wednesday.

Mrs. Hawks definitely stated that this was the last time these places where the dolls came from would be shown. She had just arrived from a trip to the West, where she had spent the last three months.

Other places she has received dolls from are North Africa, India, China, Japan, Alaska, Germany, and India. She has received these dolls as gifts from many people, and she has been impressed by the variety and beauty of the dolls she has received.

The business meeting was held at the beginning of the hour. Mrs. Stroup and Miss Hawkins were present to conduct the meeting.

Mrs. Hawkins explained that they had been unable to attend the previous meetings due to other obligations. She also mentioned that they would continue to hold meetings on a regular basis.

The meeting was adjourned.

Mrs. Hawkins said, "We have received dolls from many different countries. These dolls represent the culture and history of those countries. It is a privilege to display them and share their stories with others."
