Residence Hall Resource Personnel

Resident Director

Each residence hall has a Resident Director who is responsible for the over-all operation of the hall and its government. The Resident Director (R.D.) works directly with the students in establishing the residence hall’s organizational structure and social program. He/She assists in planning a diversified social, athletic, and educational program based on the needs and interests of the students in the building. Your Resident Director is just as available and more than willing to meet with you for personal conferences, advice, etc., as he/she is for official business. The R.D. actively encourages your participation in the planning and carrying out of various hall functions. Some of those activities include dinners, coffee hours, dances, picnics, intramural athletics, and other social affairs.

Resident Advisors

The Resident Advisors in each hall are selected upperclassmen who are responsible for the development of an effective hall unit. The R.A.’s responsibilities include advising students, referring student concerns to various campus services and assisting new students in their orientation to the campus. The Resident Advisor has the authority to enforce University policies and procedures.

Director of Housing

Off-Campus Housing

The Director of Housing and his staff are responsible for all student housing on and off campus. All applications, assignments, and financial arrangements for on campus and married student housing can be obtained from this office.

Residence Halls

Married Student Housing

Boise State University does not offer regular accommodations for a period of less than an academic year. This agreement is binding for THE ENTIRE SCHOOL YEAR, effective upon the signing of the application contract. It may be voided only by the conditions listed under sections B and C.

Eligibility to live in a Residence Hall is dependent upon an individual being accepted by the University as a regularly enrolled student carrying 9 credit hours or more. Students who drop below 8 semester hours may be asked to move from the hall.

A. $35.00 Security Deposit:

The $35.00 security deposit, which is NOT to be construed as a partial payment for rent of quarters, must accompany this application-contract. After assignment, the deposit is held as a guarantee against loss and breakage of hall equipment and furniture and will remain in effect for the following year, providing the student continues as a dormitory resident; otherwise the $35.00 will be refunded at the end of the year less any amount due the University. If a student does not fulfill his contract and leaves at any time during the academic year, the security deposit will be forfeited.

Under exceptional circumstances a petition can be submitted to the Director of Housing. Refunds for security deposit will be based on verification of petition.

The University reserves the right to refuse any application for accommodations in University residence halls upon return of the deposit.

B. Cancellation of the Application-Contract by the Student (Prior to Occupancy):

The application contract may be canceled by the student at any time prior to confirmation of room assignment but not later than August 1 for the first semester and January 1 (new applicants only) for the second semester. Cancellations after these dates will forfeit the $35.00 security deposit.

C. Conditions for Terminating the Application-Contract by the University (After Occupancy):

Students withdrawing from the residence halls prior to the termination of this agreement are subject to the following terms and conditions.
1. Under normal conditions, a two-week written notice must be filed with the Director of Housing.

2. All petitions to break the application-contract for the spring semester must be in the Housing Office by December 1.

3. A student withdrawing after assuming residence in the hall shall be obligated for the full amount of the room.

4. If a student’s withdrawal involves critical illness which is confirmed by a physician, or exceptional circumstances that can be verified, he may petition for a refund. If granted, he will be liable for the cost of room and board during the time of occupancy.

5. Students who violate rules or whose conduct is unsatisfactory may be asked to leave the hall and/or the University, forfeiting all payments, and vacating the hall within twenty-four hours.

6. Situations with extenuating circumstances which effect the health and welfare of the student will be reviewed by the housing committee; recommendations will be made to the Director of Housing.

7. Students who wish to live in the hall for one semester only must have this approved in writing before they move into the hall.

8. Students who leave the residence halls before completing the semester will be required to pay a withdrawal fee based on the length of time in the hall.

D. General Residence Hall Regulations:

Occupancy of a hall is a privilege extended to the student by the University. The continuation is dependent upon his or her reasonable and satisfactory personal conduct and the observance of all University regulations.

1. Quarters are to be occupied only by the students for whom they are reserved. Neither room reservations nor meal tickets are transferable.

2. The University respects the student’s right to privacy; however, the University reserves the right to enter a student’s room at any time for health, safety, welfare and maintenance purposes.

3. All residence hall contracts are for both room and board. Contracts for room only are not available.

4. Room and board payments for the academic year become due and payable prior to August 1; final confirmation of a room assignment cannot be made until financial terms of this contract are met by total payment or the three specified installments. Arrangements for payment other than the above must be made directly with the Housing Office.

5. Students will be responsible for the furniture and fixtures in their rooms and for University property within the hall. Where individual responsibility for damages can be determined, the individual will be charged. Otherwise the charge will be made against the hall or floor organization and prorated among the students living in that suite, floor or area at the time the damage occurred.

6. Payment for damages during the academic year will not be taken out of or charged against the security deposit unless the damage charge is not paid. This deposit must remain intact until the end of the year or when the student leaves the University permanently.

7. Participation in fire drills is mandatory. Residents who fail to comply with this requirement and do not vacate the hall when the alarm rings may be asked to move out because the University cannot then accept responsibility for their safety.

8. Anyone found turning in a false alarm, tampering, damaging, or in any way using fire equipment or safety apparatus for other than its intended use will be immediately dismissed from the residence hall, fined, and subject to further action by the University authorities. Electrical wiring or alteration of existing wiring by students is prohibited.

9. The use and/or possession of alcoholic beverages on campus is prohibited. This includes the display of empty alcohol containers in individual rooms or elsewhere.

10. Students who reside in residence halls are responsible for providing insurance against loss or damage to their own personal property. The University does not assume responsibility for or carry insurance against the loss or damage of individually owned personal property.

11. Possession of fire crackers, gun powder and/or other forms of explosives is prohibited.

E. University Regulations:

All students are held responsible for knowing the University Regulations and information set forth in the official catalog, Student Handbook, and Residence Hall Handbook. All University rules and regulations as well as residence hall regulations are specifically made a part of this contract by reference.

As part of the total residence hall charges included is a $10.00 social fee that all students are required to pay.

Assignments

All students must have a completed and signed application-contract filed with the Director of Housing before a hall and room assignment can be made. Halls and rooms are assigned on an adjusted priority system, date of application and deposit, and ACCEPTANCE BY THE UNIVERSITY. If a specific person is desired as a roommate, the two persons concerned should be certain that their applications are filed about the same date. If no one is requested as a roommate, it is then assumed that the applicant will accept the person assigned.

All residence halls will be completely closed during the Christmas holidays as stated in the University catalog.

Unclaimed Room Reservations:

All room reservations unclaimed by midnight of the last day of regular registration for either semester will be canceled, and the $35.00 security deposit forfeited. If the holder of the reservation will be late in arriving, he must notify the Director of Housing prior to the above date by telegram, telephone, or letter.

Student Rooms

Because of health and safety standards, student rooms are inspected by two members of the Staff. AT NO TIME MAY ARTICLES OR FURNISHINGS BELONGING TO BOISE STATE UNIVERSITY BE REMOVED FROM ORIGINAL PLACEMENT WITHOUT SPECIFIC WRITTEN APPROVAL. It is the responsibility of the occupants of each room to report any needed repairs
immediately to the R.A. or custodian. It is recommended that all valuable personal items be insured.

The Counseling and Testing Center provides assistance to students with personal, vocational and educational concerns. Its objectives are to aid students to become more self-reliant and more effective in their personal and social relationships.

No one can talk openly about himself if he is afraid that he may be hurt in some way by revealing his feelings. To encourage openness, all matters discussed by the student are held confidential, and information is released to others only with the written permission of the student. No report of the counseling is made in any official University record.

The center is also responsible for the administration of such testing programs as the American College Testing (ACT), Miller Analogies Test, College Level Examination Program (CLEP), etc.

GENERAL PURPOSE MEETING ROOMS
There are meeting rooms available to recognized Student Organizations and faculty or staff located on the second floor of the SUB. Room reservations are made in the Scheduling Office on the first floor and should be made early to assure a room. The majority of meeting rooms have conference tables, chairs, and some blackboards. Other equipment can be procured by the Scheduling Office if ordered early - such as rostrums, lecternettes, public address systems, projectors, and so on. Many of the meeting rooms are named after different counties of the State of Idaho. In a case when Food Service will be involved such as a banquet one should contact the Operations Office first to be sure that there is room available.

INFORMATION CENTER
385-1448

The Information Center is located in the main lobby to your direct right as you enter the front door of the SUB. The Information Center is the HUB OF THE SUB. Information concerning current and up-coming events, ticket sales, office location, lost and found, paging telephones and special events can be obtained here as well as cards for registering classified ads on the bulletin boards to either side of the Information Center counter. Lost and found services for the entire campus are located here as well as room scheduling in the SUB.

PROGRAMMING OFFICE

This office is located on the second floor. The Programs Office contains the headquarters for the Student Union Program Board and its subcommittees, the ASB Judiciary System, as well as for all student organizations. Each recognized student organization has a campus mailbox in the Programming Office and is required to submit an up-dated roster of all officers to maintain recognition.

Coordination of all campus activities,
the filing of Activity Scheduling Forms and planning of dances, concerts, art shows, cabarets, films, coffeehouses, lectures, banquets, and numerous outdoor activities take place here. If you want to "Get Involved" or find out about fraternities, sororities, other campus organizations, check out sign-making kits, or schedule an event - this is the place.

**SCHEDULING OFFICE**  
385-1677

The Scheduling Office is located on the first floor across from the Bookstore. All scheduling of the Student Union Building facilities is done in this office.

**TELEPHONES**

**LOUNGES**

There are two very large lounges that take up the northwest corner of both the first (Boisean Lounge) and second (Ada Lounge) floors of the SUB. Both have huge fireplaces, ultra-soft furniture, and excellent panorama views of the campus. A great place to rest and relax between classes. The TV Room on the second floor north is open during regular hours of the SUB.

**LOOKOUT**

The Lookout is on the third floor of the SUB and is used for coffeehouse entertainment in the evenings and a quiet study area during the day with piped-in FM music. No classes or meetings are permitted to be held in this area - so it makes an ideal setting for quiet study or to "rap" with a friend.

**BALLROOM**

The Ballroom on the second floor north is used for dances, luncheons, speakers and other activities and has an occupant capacity of nine hundred.

In addition to the above, the Lookout will be used as a third lunch room (from 11:00-2:00 daily) for students, faculty, administration and guests. However, the Lookout is still a major source for our Coffee House entertainment and student study lounge.

**RECREATIONAL FACILITIES**

The Games Area is located on the first floor past the Bookstore. There are six bowling lanes, ten billiard tables, two snooker and one three-cushion billiard table, foozbal machines, table tennis, coin amusement machines, a music listening room, outdoor recreational equipment and other rental equipment available; as well as chess, checkers, cards, cribbage, etc. - available at no charge. **MINORITY CULTURAL CENTER**

211 COLLEGE BLVD.  
385-3979

The Minority Cultural Center is in a sense an extension of the SUB. It provides a program of academic, cultural, social, and recreational services to all students. The Center was established to promote interaction, awareness, and cooperation between students of all races, and to bring about a greater understanding of the various ethnic groups.

Many of the goals of the Minority Cultural Center include:

1. Establishing a self-help tutoring program
2. Unity between minority students, white students, and the community.
3. Bridging student communication at BSU
4. Promoting racial harmony.
5. Incorporating Black, Chicano, Native American and Oriental cultures into the curriculum.
6. Providing a place for organizational meetings.
7. Providing special events, dinners, panels, discussion groups, lectures, films, slide presentations, etc.

We feel the Minority Cultural Center will enhance the unity, racial harmony, communications, and understanding between ALL groups of University students and staff. Because of this coalition and the cohesiveness of minority, faculty, Student Affairs staff, and student government groups, many more improvements and new programs will be initiated and should contribute to the retention of students in the educational programs of the University. As students of Boise State University each should attempt to broaden one background by sharing with others - the Minority Cultural Center is one more place to do it.

SPECIAL STUDENT SERVICES COMMITTEE

The special Student Services Committee is a Presidential Committee formed in 1972 to meet the needs of those students with special problems which can only be solved at the institutional level. Some of the special groups identified as having special needs include: Blacks, Chicanos, Native Americans, Asian-Americans, Handicapped, Veterans, Foreign Students, and Disadvantaged, i.e., single parents, women.

The committee acts on behalf of the students and organizations by listening to the needs, problems and disagreements; then proceeding through proper channels to a solution. With the support of the Special Student Services Committee, ideas and new programs have become realities. It has and will continue to bring about many needed changes on the campus of Boise State University.

The committee membership is comprised of interested students, faculty, and staff. Anyone with an interest is a member - a voting member. For further information, contact the Co-Chairmen: Ray Rodriguez (Advisor, Career and Financial Services, 385-1445) and Dr. Patricia Dorman (Chairman of the Department of Societal and Urban Studies, 385-3406).

ACADEMIC INFORMATION

Faculty Advisors
Each student is assigned a faculty advisor by the department offering the student’s major. The advisor will study and sign proposed course schedules, will receive various student records, and issue mid-semester grades to students.

GRADING SYSTEM
A Distinguished work - Four quality points per hour.
B Superior work - Three quality points per hour.
C Average work - Two quality points per hour.
D Passing but unsatisfactory work - One quality point per hour.
F Failure - No quality points per hour.
P Pass - No quality points.
CR Credit - No quality points.
NC No credit - No quality points.
I Incomplete:
The grade of incomplete can be given in cases where the student’s work has been satisfactory up to the last three weeks of the semester. The returning student must contact the instructor and consider the following options:

1. Make up the work within the first half of the current semester.
2. Request of both instructor and department chairman an extension of time.
3. Re-enroll in the courses.
4. Request that the Incomplete be changed to a W.

If the student fails to contact the instructor by mid-semester, the instructor can, at that time, change the Incomplete to a “W” or elect to extend the Incomplete into the next semester. Within that next semester if the student contacts the instructor, the procedure outlined above can be followed. If there is no contact by the student, the instructor by mid-semester will change the Incomplete to a “W”.

W - Withdrawal - No quality points
A student who receives a grade of “F” in a given course (if the course is still offered), may elect to retake that course to raise the grade. In respect to a course in Independent Study where the instructor refuses to permit the student to retake the study; where the student cannot secure permission from another instructor to accept the program of study, or where the instructor has left the institution, the grade of “F” upon recommendation of the department chairman, reverts to a “W”.

A student who received a grade of D in a given course may repeat that course to raise his grade, if in the meantime he has not taken an advanced course for which the first course is prerequisite. Degree credit for courses so repeated will be given only once but the grade assigned at each enrollment shall be permanently recorded.

In computing the grade point average of a student with repeat courses, only the most recently received grade and quality points shall be used for the first 16 credits repeated. In the case of further repetitions, the grade point average shall be based on all grades assigned and on all credits carried.

S - Satisfactory - No quality points
U - Unsatisfactory - No quality points
AUD - Audit - No quality points
NR - No record
NC - Non-gradeable

CLASSIFICATION OF STUDENTS
After registration students are classified as Freshmen, Sophomores, Juniors, Seniors or Graduate.

Graduate - Has received B.A. degree.

A student enrolled and classified during the first semester is not reclassified at the beginning of the second semester.

A student enrolled for 8 semester hours or more will be considered a full-time student.

A student who is carrying less than 8 hours will be classified as a part-time student.

CLASS CHANGES
Students may add or drop a class by securing a drop and add permit from their advisor. The drop and add permit must be signed by their advisor and initialed by the instructors involved. This drop and add permit should then be presented in the Registrar’s Office with your identification card for processing. The permit is then cleared through the Business Office. The date on which the Registrar signs the permit will be the official withdrawal date. It is important to check the academic calendar to become aware of certain critical withdrawal periods. All classes withdrawn from two weeks after Midterms are an automatic W; all classes withdrawn following that period could result in a W or F grade depending on whether the student is passing or failing the course.

WITHDRAWAL FROM UNIVERSITY
Withdrawal from Individual Courses. A student may withdraw from individual courses by securing a change in registration card from his advisor, which must be endorsed by the advisor and each instructor involved, then presented to the Registrar for signature and then cleared with the Business Office. The date on which the Registrar signs the change card will be the official withdrawal date.
Complete Withdrawal from University. A student may officially withdraw from the University (all courses) only by securing a withdrawal permit from the Office of Student Advisory and Special Services and having it signed by same. This office will advise the student of the offices he must withdraw from the University. After clearance with the Registrar the student is sent to the Business Office for final clearance.

A student may withdraw two weeks after mid-semester examinations (see specific date on University Calendar) without penalty for failing work. If the student withdraws after the end of mid-semester examinations, he may receive a grade of "W" only if his work is passing as of the official withdrawal date and an "F" in all courses in which he is failing. A student may not withdraw from the University or from individual courses during the last three weeks of a semester, including final examination week. Students discontinuing a course without having completed an official withdrawal shall be awarded a grade of "F".

The responsibility for withdrawing from individual courses rests with the individual student; but in certain situations the instructor may initiate the withdrawal.

1. If the student registers for the course but never attends.
2. If the student registers for the course, attends briefly, and then neglects to withdraw from the course.
3. If the student registers for the course on an audit basis but never attends, or attends for only a brief period.

In cases of a faculty initiated withdrawal the instructor will notify the office of the Vice-President for Student Affairs of the impending action. The Vice-President will then notify the student. If no further effort is made by the student within two weeks after the notification, the instructor may then initiate the withdrawal.

Right of Appeal: In cases where a strict application of this regulation seems - in the opinion of an instructor, advisor or a student - to work an unreasonable hardship, the Office of Student Advisory and Special Services is authorized to grant exceptions.

MAXIMUM LOAD

No student shall be allowed to enroll for more than 18 hours without special permission from the Dean of the School in which his major falls, unless more hours are specified in his curriculum.

ACADEMIC PROBATION AND DISQUALIFICATION

The student whose academic work indicates that he cannot continue in the University with profit to himself and credit to the institution will be placed on probation; and if he continues on probation for two semesters, he will be subject to dismissal from the University. Satisfactory performance means the orderly progression toward graduation maintaining a cumulative grade point average of 2.0 or better. The cumulative grade point average will be computed on all credits attempted.

The student who has a cumulative GPA of 1.5 or lower and who has not been enrolled in a college or university as a full-time student for a period of two consecutive years may, upon returning full-time to college credit status and completing a semester of full-time work (12 hours or more) with a grade point average of 2.25 for that first semester, make application to the dean of the school for removal of any grade below 1.0 given by this institution. With the approval of the dean of the school in which the student is majoring, the GPA would be recomputed to include all grades with the exception of those dismissed. No change will be made in the transcript of record. This instrument will only affect the GPA.

The student will be placed on probation whenever the cumulative GPA falls 12 quality points below a GPA of 2.0. This calculation is made by multiplying by two the total credit hours in which he has been enrolled and subtracting twelve. If the answer so obtained is not exceeded by the student's total quality points, he will be subject to this regulation.

Two successive probations will result in dismissal from the University unless special permission to continue in attendance is obtained from the dean of the school. Three successive probations will result in dismissal for two semesters with no opportunity for appeal of the decision. Regardless of his cumulative GPA, no student will be dismissed if his GPA for the most recent semester is 2.25 or higher.

The entering freshman whose high school GPA is 1.50 or lower will be limited to a maximum course load of 12 units including non-credit courses.

All students on probation will be limited to a maximum course load of 12 credits including non-credit courses, retakes, and repeats.

Students on probation may be ineligible for participation in some university-sponsored extra-curricular activities.

ADMISSION ON PROBATION

Students wishing to transfer to Boise State University from other colleges and universities must have a GPA of 2.00 or above on all prior collegiate work completed or have cleared the probationary provision outlined above. Transfer students from other colleges and universities who have failed to clear probationary provisions outlined above may, upon written petition, be granted permission to enroll on probation by the Admissions Committee.

STUDENT RECORDS

When a student enters the University and submits the requested personal data, there is an assumed and justifiable trust placed upon the University to maintain security of that information for the protection of the rights of the student. In order to protect students against potential threats to their individual rights inherent in the maintenance of records, and the many disclosures requested regarding them, and in compliance with the Family Educational Rights and Privacy Act of 1974, the University has adopted BSU Policy 5-1 (Student Records). The policy statement in its entirety is contained in the Administrative Handbook of Boise State University. Any students, faculty, or staff who have questions regarding the Records policies of Boise State University may consult with the Vice-President for Student Affairs.
STUDENT POLICIES AND PROCEDURES

Philosophy
Boise State University is a large, complex, educational community made up of groups and individuals representing a diversity of social, cultural, and intellectual life styles. The members of this community are no different than those of the larger society. They have the same constitutional rights and the same obligations of all citizens, however, being a member of the University community adds to an individual's responsibility. In order to preserve the individual's rights and freedom as well as the educational goals and purposes of the institution, Standards of Conduct have been developed by a committee of representative student, faculty, and administrative members of the community.

Ideally, each member of the University community assumes individual responsibility for his personal freedom and obligations. The University community expects all members to discipline themselves, individually and collectively, and it requires adherence to the Standards of Conduct appropriate for an academic community. It must and will take appropriate action when a member's conduct places the best interests of the community in jeopardy. Each student, as a member of this community, is responsible for being familiar with the policies of Boise State University.

General Policies
1. Students are both (1) citizens and (2) members of the academic community. As (1) citizens, they enjoy the same freedoms of speech, peaceful assembly, and right of petition that other citizens enjoy. As (2) members of the academic community, they assume the obligations inherent in that membership and as representatives of the university. These obligations include a creditable demeanor for themselves and the institution second, reflecting intelligence, maturity, concern for the rights of others, and regard for the education mission of the University.

2. The University does differentiate its responsibility for student conduct from the restrictions of the larger community of our society. The institution will not request or agree to any special consideration for students apprehended and/or charged for a violation of laws of the larger community because of their status as students, but will cooperate with law enforcement agencies in any program for rehabilitation of students.

3. Students involved in civil offenses will not ordinarily have further sanctions imposed by the University unless the ASBSU Judiciary and/or Student Policy Board determines that the offense interferes with the best interests and educational responsibilities of the university. This policy does not; in any way, constitute double jeopardy.

4. The University has the authority to deny admission, dismiss or suspend a student for a violation of its rules and regulations. However, this authority emphasizes the prime responsibility to educate, correct, rehabilitate and counsel wherever possible in preference to any final administrative action denying the individual access to the institution.

5. Procedural fairness is guaranteed to any student at any time who may be in violation of the University rules and regulations. However, this authority emphasizes the prime responsibility to educate, correct, rehabilitate and counsel wherever possible in preference to any final administrative action denying the individual access to the institution.

Eligibility for Extra-Curricular Activities
1. In order to represent Boise State University or any student organization in any extracurricular activity of an intercollegiate nature such as Debate, Student Conferences, Fraternal or Organizational Conferences, class related activity junkets, Cheerleader and/or Broncettes (except athletics), a student must:

   (a) Not be disqualified or suspended from the University or on academic, social or conduct probation.

   (b) Be currently enrolled as a full-time student.

   (c) Have earned at least a 2.00 Cumulative GPA during his previous semester at this University and carried a full-time load during said semester.

   (d) Have a 2.00 Cumulative GPA or better. The ASBSU President, Vice President, Treasurer, and Senate members shall have a minimum 2.25 cumulative GPA standing at the time of election to office.

2. Exceptions: Rules 1a and 1c do not apply to students engaged in activities that are required as part of a class; students participating in intramural sports or intercollegiate athletics.
Intercollegiate Athletic Eligibility
Students participating in intercollegiate athletics must comply with the eligibility rule of the National Collegiate Athletic Association. Specific information concerning individual eligibility may be obtained from the Athletic Director at Boise State University.

CODE OF CONDUCT

The following policies are designed for the general well-being of all members of the University community. Any violations will require disciplinary action.

1) Academic Dishonesty
Cheating or plagiarism in any form is unacceptable. The course instructor is responsible for handling each case of dishonesty in the classroom except where a major or repeated offense is involved. In any case he has the right to refer the offense to a higher authority - through his Department Chairman, his Academic Dean, and ultimately to the ACADEMIC GRIEVANCE BOARD:

In proven cases of cheating, a student will be dismissed from the class and a failing grade issued. The student must petition the Dean of the School in which he is enrolled and be accepted before repeating the course.

2) Alcoholic Beverages
The State Board upholds the policy of not allowing alcoholic or intoxicating liquor on the campus of any State institution.

a. State Law
The Idaho law states that it is illegal to sell, serve or furnish beer, wine, or other alcoholic beverages or intoxicating liquor to a person under 19 years of age. It is illegal for any person under 19 years of age to purchase or attempt to purchase, procure, possess, or consume any alcoholic or intoxicating liquor.

There are a number of minors attending BSU and as a State institution, the University is legally obligated to comply with the State law.

If at any time these laws are violated, the violator and the sponsoring organization will be held liable.

7) Lawful Orders

8) Theft
Theft or the conversion of another's property, personal, public, or institutional, is prohibited.

9) Disorderly Conduct
Detention, threatening or physical abuse of another person in or associated with the University community, malicious destruction, damage, or misuse of University or private property, including, but not limited to, library materials, vandalism, fire equipment and alarms, obstructive and riotous acts, is prohibited. The above includes verbal or physical abuse of any member of the BSU community on or off campus, where the situation involves the educational purposes or objectives of the University.

10) Lewd or Indecent Conduct is prohibited.

11) Gambling of any form is prohibited.

12) Firearms or Dangerous Weapons

Possession of explosives, chemical or incendiary devices, loaded or unloaded firearms on campus, except as expressly authorized by law or institutional policy, is prohibited. The Boise City Code interprets air rifles, pellet or BB guns as being weapons or firearms.
b. Possession and use of fireworks in any University building or on campus is prohibited.

c. Occupants in University housing and off-campus housing, living within the city limits are subject to Boise City ordinances and State laws.

(13) Group Offenses
Living organizations, societies, clubs and similarly organized groups are responsible for compliance with University regulations. Upon satisfactory proof that the group encouraged, or did not take satisfactory steps, or make a reasonable attempt, as a group, to prevent violations of University regulations, that group may be subject to permanent or temporary suspension, loss of recognition or charter, social probation, or other action.

(14) Other Institutional Policies
Violation of any University or ASBSU rule approved by the Student Policy Board for the infraction of which sanctions may be imposed under this Code, i.e., traffic regulations, group recognition policies, social/activity requirements.

(15) Official Notification
Failure to appear or respond to any official notification or summons of a duly authorized administrative, faculty, or student representative of the University, is subject to disciplinary action.

SCHOLARSHIP PARKING SYSTEM
(Effective 9-1-75)

(1) All "prime" parking spaces in the academic core of the Boise State University campus will be sold on a first come/first served basis to faculty, staff and students. Revenue derived from these sales will be channeled to a scholarship fund for superior students. Spaces will be sold for $30.00 per year or portion thereof. Purchase price must be paid in its entirety when decal is issued. Two dollars ($2.00) of the $30.00 will go into a parking maintenance fund, the balance to scholarships. Parking spaces will be pre-numbered and will be incorporated in the following lots:

   a. Administration Building
   b. Library Building
   c. School of Business Building
   d. Liberal Arts Building-East
   e. Student Union Building
   f. Health Center

(2) No reserved places will be given to faculty, staff or students. All spaces will be sold. Visitor spaces will be provided in each lot for bona fide visitors to the campus. Spaces will also be allotted to service vehicles.

(3) The Scholarship Parking System program will be publicized in the various media beginning approximately July 1, 1975, throughout the month to inform all faculty, staff and students of the plan.

(4) Pre-numbered parking spaces in designated lots will go on sale August 1 and remain on sale through registration. Cutoff on sale of parking spaces will be effective September 22, 1975.

(5) Parking spaces purchased will be valid from 7:00 a.m.-5:00 p.m. daily except Saturday and Sunday.

(6) Violators in pre-numbered spaces will be assessed a $10.00 fine. This penalty may be increased to tow-away after November 15, 1975.

(7) Persons purchasing pre-numbered parking spaces may park in open parking areas on occasion as the need arises without penalty.

(8) Faculty, staff and students not purchasing pre-numbered spaces may park in any open area, including the Towers Lot and campus streets, after the purchase of a regular decal. This decal is $2.00 for the year or any portion thereof.

(9) Handicapped students, faculty or staff members may purchase a pre-numbered space for the price of $2.00 on written advice from their physician.

(10) Each person purchasing space will be issued two (2) decals carrying their assigned number for their registered vehicles.

(11) The Stadium Lot will be the only parking available without decals. This will enable visitors, seminar participants, special meeting groups, etc. to park without violation.

(12) Enforcement will still be administered by the City of Boise, with customary appeal rights to the City Traffic Court.

(13) Each person purchasing a pre-numbered space will have first option to re-purchase the same space the following year up until August 15. After this date the space will go on sale to anyone.

(14) Purchase of a pre-numbered space does not guarantee the space will always be available. Every effort will be made, however, to enforce the program.

(15) Motorcycles will be required to park in designated cycle parking and not in regular vehicle spaces. Motorcycle decals will be $2.00 per year.

(16) Touche Ross & Co., auditors for Boise State University, have stated that $28.00 of the $30.00 is tax deductible on itemized income statements.

SANCTIONS

Sanctions which may be imposed upon the individual proven guilty for mis-conduct on or off campus may include one or a combination of the following:

(1) Expulsion
   An administrative or Student Policy Board action indefinitely terminating a student's registration at the institution. Re-admission is possible only by action of the Student Policy Board and/or the President of the University.

(2) Suspension
   An administrative or Student Policy Board action terminating registration, with a possible loss of academic credit, for a prescribed period of time not to exceed two years. Re-enrollment must be requested by petition
through the Student Policy Board. [After re-enrollment there is normally a probation period determined in length by the act committed.]

(3) Conduct Probation
A written sanction with or without loss of designated privileges signifying that additional disregard for the standards of conduct will constitute grounds for suspension or expulsion. A minimum time period is always prescribed. Other conditions or restrictions may also be included or a combination of sanctions imposed. The individual's family may be notified.

(4) Loss of Privileges
Disciplinary action excluding a student from participating in certain activities or enjoying certain privileges for a prescribed period of time. Loss of privileges may include:
   a. Removal from campus living quarters or other University housing
   b. Restriction to campus living quarters
   c. Relinquishing a student office
   d. Loss of such other privileges as may be consistent with the offense committed and the rehabilitation of the student

(5) Censure
A written reprimand warning the individual that repeated infractions of the standards of conduct will result in official sanctions by the Judiciary. The possible loss of a minor privilege or privileges and/or a fine restriction may also be imposed. The individual's family may be notified.

(6) Admonition (or warning)
A notice, oral or written, explaining that continuation or repetition of an offensive act will lead to more severe disciplinary action.

(7) Restitution
Fines or payment of damages for violations that caused the physical loss, damage, or injury to property or persons may be imposed with any of the above sanctions where appropriate. Restitution may also be imposed for a particular act or violation of the code where said payment of a fine or the performance of a service is reasonable and appropriate. Failure to comply may result in cancellation of registration and a hold on re-admittance until the obligation is met.

(8) Such other sanctions as may be approved by the Student Policy Board.

JUDICIAL PROCEDURES

PART I. Filing Complaints

A. If any member of the University community feels he/she has a legitimate grievance against any other member or group of the University community, he/she should contact and consult with the Assistant Director of Student Activities. Likewise, if any member of the University community feels he/she has been discriminated against on the basis of race, color, religion, national origin, sex, or age (as provided for in Title VI and Title IX), he/she should contact the Assistant Director of Student Activities or the Affirmative Action Director. (For further information, see BSU Policy 6-2.)

The purpose of the consultation is to assess the validity of the grievance and to assure compliance with the procedures for filing complaint.

B. If, after such consultation, the plaintiff wishes to pursue the judicial process, the following should be secured:
   1. A concise STATEMENT OF FACT, naming the defendant, the specific charges, the factual details of the incident, witnesses, date, time, and place.
   2. A STATEMENT OF FACT from each witness.
   3. Any evidence, if applicable.

C. The Assistant Director of Student Activities will then counsel the plaintiff on the meaning of the charges, time and place of the hearing, and any other information the plaintiff may need.

PART II. Defendant's Rights

The Assistant Director of Student Activities notifies all parties or groups named in the official complaint that charges have been filed and request the defendant(s) to come in for an interview and to respond to the allegations.

A. The defendant(s) must consult with the Assistant Director and file:
   1. A STATEMENT OF FACT relating the factual details of the incident, witnesses, date, time, and place.
   2. A STATEMENT OF FACT from each witness.
   3. Any evidence, if applicable.
   4. A waiver of NOTICE OF HEARING, if desired.

B. The defendant(s) is advised of his/her rights as prescribed below:
   1. The defendant(s) is advised of the specific charges against him/her, the Judiciary Board Membership, and general procedures for a Board hearing.
   2. The defendant(s) is also counseled as to the meaning of the charges; decisions of the Judiciary in similar cases; affect of a plea of guilty; provisions in the code pertinent to this case; date, time, and place of the hearing; and any other information the defendant(s) may desire regarding the judicial system.
   3. The defendant(s) will be notified of the date, time, and place of the hearing at least seven (7) days before the scheduled hearing. The defendant(s) may, in writing, waive the seven (7) day notice of hearing.
   4. The defendant(s) may elect in writing to waive a hearing and to have the case adjudicated by an appropriate Student Affairs Officer. In this instance, the avenue of appeal is through the appropriate Student Affairs Officer rather than a judicial body.
   5. The defendant(s) may appear in
The development and administration of the Student Code of Conduct, Student Judicial System, and other student policies and procedures relating to student life on the campus of Boise State University.

The Student Policy Board is the highest board in the judicial appellate structure and as such will hear appeals from cases heard by the ASBSU Judiciary. Recommendations for possible suspension or expulsion will be submitted through the Vice President for Student Affairs to the President of the University.

The ASBSU Judiciary Council and all other judicial bodies are subordinate to the Student Policy Board. The appropriate Student Affairs staff members working in their respective areas of responsibility have the authority to establish residence hall councils or standards committees to hear cases concerning violations of group rules and regulations. The council or committee may recommend, to the appropriate staff member, sanctions such as admonition, censure, probation, or disqualification and/or loss of privileges. The judicial bodies are subordinate to the ASBSU Judiciary.

The Student Policy Board is composed of two ASBSU Executive Board members, three student representatives, two members of the faculty, two Student Affairs staff members and the Vice President for Student Affairs who serves as chairman.

ASBSU JUDICIARY COUNCIL
The supreme judicial power of the Associated Students is vested in the ASBSU Judiciary Council whose authority is delegated from the University President and is derived from the Associated Students. The ASBSU Judiciary has the authority or original jurisdiction in all cases involving alleged violations of ASBSU and/or University regulations or policies. They will hear all complaints other than academic unless referred to a lower tribunal.

Appeals from decisions or recommendations of the ASBSU Judiciary will be made to the Student Policy Board. This procedure of appeals has been agreed upon and accepted by the Student Senate and the University President.
If the individuals charged with a university violation are in need of remedial or rehabilitative services, they may submit a written request to the Vice President for Student Affairs to have their case heard by a committee of faculty and staff, instead of the ASBSU Judiciary.

The ASBSU has a variety of powers and obligations. The Council consists of five (5) students and two (2) tenured faculty members, all of which have equal voting power. The powers and obligations are as follows:

1. To determine the constitutionality of any ASBSU action and interpret the Constitution upon request of the ASB President or Senate.
2. To have original jurisdiction in cases of alleged violations of BSU or ASBSU regulations and other ASBSU actions.
3. To delegate judicial authority to lower ASBSU recognized judicial bodies.
4. To hear appeals from decisions of lower judicial bodies.
5. To enjoin ASBSU government officials from taking action contrary to the decisions of the ASBSU Judiciary.

ACADEMIC GRIEVANCE BOARD
The ASBSU Academic Grievance Board was established to assure fairness and objectivity in the evaluation of student performance. Their responsibility is to examine and review the academic records of student who appeal to the Board for a review of grades awarded them.

The academic Grievance Board has the ultimate authority in academic matters. No appellate provision will be available at Boise State University.

Procedure:
In order to obtain a hearing by the Academic Grievance Board the plaintiff should:
1. Present the grievance to the faculty member concerned first, then the Department Chairman second if no solution is reached, and finally the Dean of the school if there is no satisfaction with the first two contacts.
2. If the problem was not solved after contacting the professor, Department Chairman, or Dean of the school, then present the grievance to the ASB Vice President.
3. Once the ASB Vice President has accepted the complaint the plaintiff is required to file the “Grievance Complaint Form”.
4. After the Grievance Complaint Form is returned, the ASB Vice President notifies the defendant of the complaint and requests him to respond on the “Academic Response Form”. Two weeks are given for the completion and return of this form.
5. When the form is completed and filed, the Vice President of the ASB shall establish the time, place and date for the hearing.

The Academic Grievance Board can adjust grades according to its best judgement on the transcript of any student, and can permit a student to retake a class without cost or penalty if it rules in his favor.

The Academic Grievance Board’s membership consists of five (5) student senators, one from each school in the college and one (1) from the division of Vo-Tech. Five (5) faculty, one from each school and one from Vo-Tech, are appointed by the Chairman of the Faculty Senate, plus a representative from the Student Affairs staff appointed by the Vice President for Student Affairs. All members of the Grievance Board have equal voting power.

RESIDENCE HALL JUDICIAL BOARDS
Each residence hall has its own Judicial Board to hear all cases which involve residents of the hall and infractions of all policies and procedures. The composition of each Judicial Board varies, but in each case is comprised completely of students within that particular hall. When a problem arises within or associated with a residence hall or with a member of a hall, it should first be taken to a Resident Advisor or the Resident Director and then to the Director of Student Residential Life. If a satisfactory solution is not reached through these people, then the complaint or problem will be referred to the Residence Hall Judicial Board. This body has original jurisdiction on all cases pertaining to that dorm. Any appeals from the Residence Hall Judicial Board hearings will be referred to the ASBSU Judicial Council.

BSU PANHELLENIC
When a sorority believes there has been an infraction, a written report signed by the accusing sorority with a copy provided for the accused must be submitted to the Panhellenic President within twenty-four (24) hours after the infraction is known.

A conference of representatives of the groups involved must be called immediately to reach an amicable solution if possible. If it is determined that an infraction has occurred or the question remains in doubt the case will be referred immediately to an ad hoc Judiciary Committee selected by the Panhellenic for a decision.

The Panhellenic President’s name, address, and phone number may be obtained from the Director of Student Activities and Student Union Office.
GENERAL UNIVERSITY REGULATIONS
FOR ON-CAMPUS LIVING GROUPS

Fire Drills
In compliance with the law, fire drills are held periodically - usually unannounced. When the fire alarm rings, the hall must be evacuated immediately. Residents who fail to comply with this requirement may be asked to move out of the hall since the University cannot be responsible for their safety.

Anyone found turning in a false alarm, tampering, damaging, or in any way using fire equipment or safety apparatus for other than its intended use may be subject to further action by the University authorities.

Electrical wiring or alteration of existing wiring by students is prohibited.

Alcoholic Beverages
The use, possession or furnishing of alcoholic beverages on the campus or in any University operated or related housing is prohibited. Intoxicants and/or containers are not permitted in any hall, or at any social function under University supervision, nor in cars parked on campus.

Possession or use of firearms or explosives (including fireworks) on campus or in the residence hall is forbidden.

Overnight Guests

 THESE REGULATIONS ARE TO BE OBSERVED BY ALL RESIDENTS IN ALL HALLS. Offenders are subject to disciplinary action.

GENERAL RESIDENCE HALL POLICY

Quiet Hours

Along with regular visitation hours, the dorms' main lounges are open 24 hours daily. All visitors must be accompanied by a resident.

It is important that all residents attend all meetings in order that the details be completely understood. Once regulations for YOUR hall are established, it is the responsibility of each individual to become familiar with the final rules.

STUDENT ORGANIZATIONAL POLICIES

Student organization and activities policies are made jointly by the ASBSU Senate and the University Administration and are administered by the Director of Student Activities and Student Union. The Programming Office is located in the Student Union. The Director of Student Activities and Student Union and his staff are available for consultation and advice on policies, procedures and expenditures pertaining to student organizations as well as planning, scheduling, and implementing programs, activities, and social events.

A. ORGANIZATION DEFINED
1. Any group of students living or acting together, electing officers, and/or assessing dues or fees for their mutual benefit.
2. All voting members and officers must be full-time students at Boise State University.
3. All groups of students fitting the definition of an organization in No. 1 above must be officially recognized by Boise State University through the ASBSU Judiciary and the ASB Senate.

B. RECOGNITION AGREEMENT
Basically, recognition of a group or organization extends the privilege to them of identifying themselves with the University and of using University facilities. The group agrees to accept those regulations and policies necessary for the protection of the University's essential functions, for equal sharing of time and space, and to assure the reasonable health and safety of the community. The student organization also agrees to restrict active membership to regularly enrolled full-time students, faculty and staff of the University and their families.

Prior to applying for formal recognition, a student group on campus may obtain permission from the Assistant Director of Student Activities to schedule three meetings in the Student Union Building for the purpose of organizing as a recognized group. Recognition of student groups does not mean that the University supports
documents must be reported in writing to the Assistant Director of Student Activities office within ten days of the change.

3. All recognized organizations are encouraged to elect a qualified faculty/staff advisor.

4. Ad hoc Organizations
The ASBSU Judiciary through its own procedures is authorized to grant temporary recognition to a student group organized for a one-time event or single purpose of supporting or opposing a candidate or issue on a ballot or opposing a candidate or issue on a ballot measure in any special or regular ASBSU election.

5. Loss of Recognition
A group is no longer officially recognized when it has ceased to function as evidenced by:

a. Notice of dissolution from officers and/or advisor,

b. Failure to hold any meetings over a twelve-month period, or,

c. Failure to submit or report changes in the organization as required in C.2 above.

d. Failure to submit a current roster of Officers within ten days of an election (paragraph C.2).

6. Withdrawal of Recognition
The Vice President for Student Affairs, ASB Judiciary, and/or ASB Senate may withdraw recognition whenever conditions of the recognition contract are violated or the rules and policies of the ASBSU and the University are violated. Prior to withdrawal or recognition the group will be warned, given the opportunity to take corrective steps, or be given a hearing before the appropriate board or council.

ACTIVITY SCHEDULING
A comprehensive "Master Calendar of Events" is maintained in the Programs Office of the Student Union. Any organization recognized by the ASBSU Senate may schedule, sponsor or hold activities utilizing appropriate University facilities, property, buildings and grounds, providing that all events are scheduled in the Student Union Operations Office for events held in the Union and through the Student Union Programs Office for events held elsewhere on or off campus. On Campus, telephone 1448 for further information.

Procedures
1. Social Chairmen or representatives of recognized organizations must contact the SUB Operations Office and obtain an "Activity Scheduling Form". The staff will be happy to offer assistance and instructions in filling out the form and scheduling your event.

2. Residence Hall and Fraternal/Sorority social activities are also required to be scheduled in advance with the Programs Office by the organization's social chairman. The Resident Director and the Resident Hall Activities Coordinator should be notified of the activities being held in a residence hall.

3. All student activities on or off campus, must be scheduled on an "Activity Scheduling Form" and listed on the Master Calendar of Events.

4. The sponsoring organization is responsible for the conduct, control, and handling of the event at all times. Maintenance, security or other staff present are there to assist, advise, and only if necessary, make a decision for the University when asked or in cases obviously beyond the control of the organization.

5. Tentative dates and room assignments for pending events in the SUB may be scheduled with the Operations Office. However, the event must be either definitely confirmed with a completed and approved "Activity Scheduling Form" or the dates canceled on the "Master Schedule" at least two weeks prior to the tentative date.

a. No publicity may be released until the "Activity Scheduling Form" is completed and approved.

b. All advertisement and posters must be removed the afternoon after the event.

6. Times for decorating the facility used should be indicated on the
“Activity Scheduling Form”, and must be confirmed in person with the Director of the facility used well in advance of the date scheduled.

7. “Activity Scheduling Forms” must be picked up at least three weeks prior to the event to allow adequate time for completion of the form (i.e. approval of dates and facilities) and for completing all necessary arrangements.

8. Without the approved “Activity Scheduling Form” the possibility strongly exists of conflicting dates, competitive events on the same date, and pre-scheduled facilities. It is in your best interest to make sure your event is organized and planned well in advance.

   c. Sales representatives may use certain restricted facilities in the Student Union Building with the express written consent of the Director of Student Activities and Student Union. They are also encouraged to advertise in the official University newspaper.

FUND RAISING

For the purpose of this handbook, the term “fund raising” refers to those events which intend to raise additional monies not included in the ASBSU budget through the solicitation of donations, the charging of admission, or the selling of products or services.

1. The authority to approve or disapprove all activities and requests involving the solicitation of funds or fund raising for whatever purpose is vested in the Vice President for Student Affairs.

   b. For all other fund raising activities, including the charging of admission by recognized student groups prior application must be made and approval granted by the ASB Senate, and/or SUPB through the Office of the Director of Student Activities and Student Union.

   c. In all cases of fund raising, applicant organizations are required to file written applications on the forms provided with the Programming Office.

SPEAKER’S POLICY

Reference: Idaho State Board of Education Policy Manual; policy No. 707.2

Students and student organizations shall be free to express their views and to examine all issues of interest to them. They are also free to support causes by orderly and peaceful assembly which do not infringe upon the rights of others or with the regular and essential operation of the institution.

Scheduling of Speakers

Officially recognized student groups are allowed to invite or to hear a person of their own choosing. As with any activity, routine procedures are required before a speaker is invited to appear on campus. These procedures are desired only to insure orderly scheduling of facilities, financial responsibility, and adequate preparation for the event. University control of campus facilities will not be used as a censorship device. It shall be made clear to the academic and larger community that sponsorship of guest speakers does not necessarily imply approval or endorsement of the views expressed by either the sponsoring group or the University.

All recognized sponsoring groups or committees are to obtain an Activity Scheduling Form from the Information Center or Scheduling Office in the SUB, complete the necessary information and file the form with the Programming Office in the Student Union.

A. Political Speakers

Only Student Union facilities may be used for the presentation of a candidate’s views during political campaigns and only when approved by the Vice President for Student Affairs.

B. Controversial Speakers

In highly controversial issues, it is recommended that speakers with opposing views be invited and given equal facilities and consideration. The sponsoring student group will not necessarily be held responsible for unforeseeable illegal actions on the part of their guest speaker, but will be held responsible if they have prior knowledge or intend themselves to sponsor events in violation of law or to purposely incite illegal acts. Guest speakers are accountable for their actions under valid general laws and are not immune from legal action if so warranted.

UNLAWFUL CONDUCT OR INTERFERENCE ON COLLEGE PROPERTY

33-3715. Interference with conduct of
institutions of higher learning - Legislative intent. The legislature, in recognition of unlawful campus disorders across the nation which are disruptive of the educational process and dangerous to the health and safety of persons and damaging to public and private property, establishes by this act criminal penalties for conduct declared in this act to be unlawful. However, this act shall not be construed as preventing institutions of higher education from establishing standards of conduct, scholastic and behavioral, reasonably relevant to their lawful missions, processes, and functions, and to invoke appropriate discipline for violations of such standards.

33-3716. Unlawful conduct - Penalty. (1) No person shall, on the campus of any community college, junior college, college, or university in this state, hereinafter referred to as "institution of higher education", or at or in any building or facility owned, operated, or controlled by the governing board of any such institution of higher education, willfully deny to students, school officials, employees, and invitees:

(a) lawful freedom of movement on the campus;

(b) lawful use of property, facilities, or parts of any institution of higher education; or

(c) the right of lawful ingress and egress to the institution's physical facilities.

(2) No person shall, on the campus of any institution of higher education, or at or in any building or other facility owned, operated, or controlled by the governing board of any such institution, wilfully impede the staff or faculty of such institution in the lawful performance of their duties, or wilfully impede a student of such institution in the lawful pursuit of his educational activities, through the use of restraint, abduction, coercion, or intimidation, or when force and violence are present or threatened.

(3) No person shall willfully refuse or fail to leave the property of, or any building or other facility owned, operated, or controlled by the governing board of any such institution of higher education upon being requested to do so by the chief administrative officer, his designee charged with maintaining order on the campus and in its facilities, or a dean of such college or university, if such person is committing, threatens to commit, or incites others to commit, any act which would disrupt, impair, interfere with, or obstruct the lawful missions, processes, procedures, or functions of the institution.

(4) Nothing in this section shall be construed to prevent lawful assembly and peaceful and orderly petition for the redress of grievances, including any labor dispute between an institution of higher education and its employees.

(5) Any person who violates any of the provisions of this section shall be deemed guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine not to exceed five hundred dollars ($500), or imprisoned in the county jail for a period not to exceed one (1) year, or by both such fine and imprisonment.

College Hang-Out
Learn to land a jet here and you can land one anywhere.

Bringing in a supersonic jet on a 10,000 ft. cement runway is tough enough. But landing one on a 500 ft. piece of a carrier deck, moving at 25 knots, is even tougher. Only a few men are good enough to do it. And they're all Navy trained. How can you become a member of the Naval Air team? One way is to join while you're still in college. One of the advantages of being part of the Aviation Reserve Officer Candidate (AVROC) Program is that it lets you continue working toward your degree.

Getting your Navy Wings isn't easy. The training is tough. The least that will be expected of you is the best that other pilots can do. Their limits are your starting blocks, their expertise your primer. But if you succeed, your future is assured whether you remain in the Navy or not.
