WHY YOU SHOULD GET INVOLVED

You, the student, can be involved in extracurriculars and also do well academically if you arrange your priorities by choosing activities that interest you and which have long-term benefits.

You may decide, for example, to work on academic committees rather than be involved in a club because learning ‘procedure’ and how to deal with administrators will be invaluable to you during your college years and in your professional endeavors.

Though Watergate and national politics have generated a negative attitude among students toward politics, it is possible for you as a student to make a political impact on campus and in your community if you do something constructive and not simply criticize. Together, students can make student government work if they learn what the rules are, band together to change those rules that are outdated, take the initiative to find the right contacts and be prepared to follow through on issues of importance to students. Some issues of importance to Boise State University students are: student health insurance, residential life, tutoring, academic advising, health services, and many others.

By approaching issues rationally, even controversial ones, and with a “let’s cooperate” attitude, students can have a tremendous effect on their academic and social life on campus and in their community.

Boise State University can be the best educational institution for students if you, the student, are willing to make the effort.

Scholarship Parking System

(1) All "prime" parking spaces in the academic core of the Boise State University campus will be sold on a first come/first served basis to faculty, staff and students. Revenue derived from these sales will be channeled to a scholarship fund for superior students. **Spaces will be sold for $30.00 per year or portion thereof.** Purchase price must be paid in its entirety when decal is issued. Two dollars ($2.00) of the $30.00 will go into a parking maintenance fund, the balance to scholarships. Parking spaces will be pre-numbered and will be incorporated in the following lots: (see map on Page 6)
   a. Administration Building
   b. Library Building
   c. Science-Ed Building (partial)
   d. Liberal Arts Building-East
   e. Student Union Building
   f. Health Center

(2) **No reserved places will be given to faculty, staff or students. All spaces will be sold.** Visitor spaces will be provided in each lot for bona fide visitors to the campus. Spaces will also be allotted to service vehicles.

(3) The Scholarship Parking System program will be publicized in the various media beginning approximately August 15, 1976, throughout the month to inform all faculty, staff and students of the plan.

(4) Pre-numbered parking spaces in designated lots will go on sale August 2 for renewals and remain on sale through registration for new sales. Cutoff on sale of parking spaces will be effective September 17, 1976.

(5) Parking spaces purchased will be valid from 7:00 a.m.-5:00 p.m. daily except Saturday and Sunday.

(6) Violators in pre-numbered spaces will be assessed a $7.50 fine. This penalty may be increased to tow-away after November 15, 1976.

(7) Persons purchasing pre-numbered parking spaces may park in open parking areas on occasion as the need arises without penalty.

(8) Faculty, staff and students not purchasing pre-numbered spaces may park in any open area, including the Towers Lot and campus streets, after the purchase of a regular decal. This decal is $2.00 for the year or any portion thereof.

(9) Handicapped students, faculty or staff members may purchase a pre-numbered space for the price of $2.00 on written advice from their physician.

(10) Each person purchasing space will be issued two (2) decals carrying their assigned number for their registered vehicles.

(11) The Stadium Lot will be the only parking available without decals. This will enable visitors, seminar participants, special meeting groups, etc. to park without violation.

(12) Enforcement will be administered by the City of Boise, with customary appeal rights to the City Traffic Court.

(13) Each person purchasing a pre-numbered space will have first option to repurchase the same space the following year up until August 15. After this date the space will go on sale to anyone during registration.

(14) Purchase of a pre-numbered space does not guarantee the space will always be available. Every effort will be made, however, to enforce the program.

(15) Motorcycles will be required to park in designated cycle parking and not in regular vehicle spaces. Motorcycle decals will be $2.00 per year.

(16) Touche Ross & Co., auditors for Boise State University, have stated that $28.00 of the $30.00 is tax deductible on itemized income statements.

Procedures for Becoming a Recognized Student Organization

A recognized organization is a group of BSU students organized for a stated purpose which has received official recognition from the ASBSU. The Assistant Director of Student Activities may authorize a group to meet in the SUB free of charge before it is recognized in order to organize and to draft a constitution.

Recognition of a group does not mean the University supports the views held or positions taken by a group.

Recognition Steps
A group may be recognized upon completion of the following requirements.

1. The following information must be turned into the Programs Office:
   a. Nine (9) copies of the constitution.
   b. List of officers, addresses and telephone numbers (2 copies).
   c. Two (2) copies of charter members, addresses and telephone numbers. After becoming officially recognized by the ASBSU, a current list of officers must be filed each semester in the Programs Office. If the local group is affiliated with a national organization, the national’s constitution or other information should be filed.

2. It is then sent to the ASBSU Judiciary for review, and an elected officer of the club or organization will be notified so that they may attend the review and answer any questions that might arise.

3. After the review and recommendation of the ASBSU Judiciary and completion of these requirements, the constitution is brought before the Senate for approval. An officer or representative of the organization shall be present when it comes before the Senate.

Constitution
There are eight (8) articles that are necessary in a constitution in order for it to be recognized:

a. Statement of Purpose.

b. Affiliation with Boise State University clearly stated.

c. Authority of officers, how their authority is exercised, where it is vested and how these officials are replaced.

d. Election of officers, method used, specific time and type of vote.

e. Eligibility of members. Reflecting minimum BSU requirements. Voter Eligibility.

f. Non-Discrimination Statement. (Must be incorporated into the Constitution.) It is the policy of the University to oppose and prevent discrimination based on race, color, creed, national origin, or sex (sex: excluding organizations whose primary function is to provide social activities for their members). The University requires each organization to include a non-discriminatory statement in their national and local charter, constitution or by-laws.

g. Sources of financial support.

h. Affiliation with national group and their constitution (if any).

Other Requirements
Any changes to the above required documents must be reported in writing to the Assistant Director of Student Activities office within ten days of the change.

All recognized organizations are encouraged to elect a qualified faculty/staff advisor.

Ad Hoc Organizations: The ASBSU Judiciary through its own procedures is authorized to grant temporary recognition to a student group organized for a one-time event or single purpose of supporting or opposing a candidate or issue on a ballot measure in any special or regular ASBSU election.

Loss of Recognition: A group is no longer officially recognized when it has ceased to function as evidenced by:

a. Notice of dissolution from officers and/or advisor;

b. Failure to hold any meetings over a twelve-month period; or,

c. Failure to submit or report changes in the organization as required above.

d. Failure to submit a current roster of officers within ten days of an election (paragraph C.2).

Withdrawal of Recognition: The Vice President for Student Affairs ASB Judiciary, and/or ASB Senate may withdraw recognition whenever conditions of the recognition contract are violated or the rules and policies of the ASBSU and the University are violated. Prior to withdrawal or recognition the group will be warned given the opportunity to take corrective steps, or be given a hearing before the appropriate board or council.

All campus organizations are subject to the rules and regulations set down by the Student Handbook, 1976-77, Student Policies and Procedures, Page 49, and in Senate Act #1.

A full-time student may purchase one (1) student guest ticket, priced at $1.50, for each game. However, the total number of student guest tickets sold will be 2,000. These tickets may be purchased at the same time a student picks up his own admission ticket. Part-time students may purchase one (1) ticket for $1.50; a part-time student ticket is the same as a guest ticket.

Idaho State University student tickets for the game at Pocatello will be available only at the Varsity Center. There will be a charge for these tickets. Watch the Arbiter for ticket pick-up details for this game.

The Athletic Department offers a student spouse activity card which is good for all regularly scheduled events during the fall semester. The cost of this activity card is $10.00; it will be available following registration. Charge for the spouse activity card for second semester will be $7.50. An admission ticket must be picked up for each student spouse card for each football game and basketball game.

It will be necessary for students to pick up tickets for admission to basketball games during the 1976-77 season in advance of the games. Guest tickets and part-time student tickets will be on sale only the night of the game at the gymnasium. Student tickets will be available from Monday through Friday the week of the game at the Student Union and at the Varsity Center.

Admission to wrestling matches and track meets is free to full-time students. I.D. cards must be shown. Part-time students and spouses will be charged a nominal fee.

SERVICES FOR STUDENTS

Vice President for Student Affairs  
385-1418

If you need to see someone regarding a general question or problem, check in Room 110, first floor of the Administration Building, and ask for Dr. David S. Taylor, Vice President for Student Affairs. Dr. Taylor and his staff are available to advise on all of the services provided by Student Affairs personnel.

Specific questions or problems on residency requirements, the Student Policy Board, other Student Affairs offices, student government, and all areas of counseling and advising are handled in Dr. Taylor's office.

Vice President for Student Affairs Staff:
Dr. David Taylor, Vice President for Student Affairs
Judy Walker, Secretary

Student Advisory and Special Services  
385-1583

THE PLACE TO GO WHEN YOU DON'T KNOW! When you need some information or advice about a class problem, tutoring, dropping out, a personal hang-up, or who to see, what to do, or how to do it, come into Room 114 of the Administration Building and talk to someone from SASS (Student Advisory and Special Services).

Other services housed in the SASS area are the Office of Veterans Affairs (all veterans should check in here first), the Minority Cultural Center and Programs (our student assistant coordinates this program), International Students, Special Student Services, Tutorial Assistance and Handicapped Students. If you are contemplating a complete withdrawal from the University or want to file a petition or special request - start with SASS.

Tutorial Assistance
Student Advisory and Special Services offers tutorial assistance in as many subject areas as we are able to secure certified tutors. This program is a service to Boise State University students in need of additional help outside the classroom. Cost is based on the student's ability to pay.

In cases where a student requests assistance in an area a tutor is not available, Student Advisory and Special Services will contact the instructor or the department chairman to locate a qualified tutor.

How to Become a Tutor
The first requirement for any student wishing to tutor for Student Advisory and Special Services is that they have completed an ACT form with Career and Financial Services, Room 117, Administration Building. After the results are received, a counseling session is held with a financial aid counselor to determine the number of hours the student is eligible to tutor. Following this procedure, prospective tutors must go to the department they wish to tutor for, obtain the signature of the chairman and determination of which specific courses the student is qualified to tutor. When the two requirements are met, the student is authorized to tutor for Student Advisory and Special Services.

Any student interested in receiving tutorial assistance or wishing to be a tutor is asked to contact Student Advisory and Special Services, Administration Building - Room 114. Phone 385-1583.

Handicapped Students
Special problems of the handicapped student are referred to the Office of Student Advisory and Special Services. This office, in cooperation with an Executive Task Force for Handicapped Student Affairs, has been instrumental in eliminating a number of architectural barriers on campus and obtaining special equipment and special policies assisting handicapped students.

All handicapped students are encouraged to contact the Office of Student Advisory and Special Services if they have any questions or concerns.

Veterans Affairs 385-1679
This office provides services and assistance for all veterans enrolled at Boise State University and non-student veterans living in the University's normal service area. The Veterans Coordinator, through an Outreach Program, informs and advises veterans of their eligibility for educational benefits and assistance. The office is responsible for establishing special education programs of a remedial, motivational, and tutorial nature that will assess veterans' needs, problems, and interests. The Veterans Affairs staff will refer veterans in need of counseling to the other student assistance areas and to community agencies.
Complete Withdrawal From BSU
If you are contemplating withdrawing from the University, come to Student Advisory and Special Services for a withdrawal form. A staff person will do an exit interview and advise you of the clearance procedures. The office will try to assist you in handling some of your problems and will refer you to other student assistance areas or community agencies for help with special needs.

If you are physically unable to come in due to hardship or health, telephone or write the Student Advisory & Special Services office and request a "Petition for a Complete Withdrawal."

When the exit interview is completed and you are certain a complete withdrawal is the best decision for you, the staff person will sign your withdrawal form and direct you to the appropriate offices for clearance.

For more detailed information and cut-off dates see the IMPORTANT DATES Page 5 in this handbook, the University Bulletin and the Academic Calendar.

Whenever you need some assistance or information, we will try to do everything possible to help you.

Career and Financial Services provides a program of advising and assistance to students regarding financing their education, determining what they want to do when they graduate, and obtaining career employment upon graduation. The office is located in Room 117, Administration Building.

Financial Assistance
Boise State University has a comprehensive financial assistance program which includes a variety of types of scholarships, loans, grants, and part-time jobs for which one might apply. BSU Scholarship Applications
These can be obtained from the Coordinator, Student Financial Aid Programs, Room 117. Applications are to be returned to the Career and Financial Services office. The deadline for scholarship applications is February 1, 1977. Applications postmarked after February 1st will not be processed by Career and Financial Services.

Career Services
Career and Financial Services also provides information regarding career opportunities and career choice. Students are invited to utilize this service anytime during their university years to assist in the important decision of what to major in and what to do after graduation.

A part-time job referral service is maintained in Room 117, Administration Building.

Career and Financial Services also assists graduating students and alumni by providing information about job hunting techniques and employment opportunities. Graduating students are encouraged to establish a placement credential file with the office early in their final year. This permanent file contains references and other valuable information which can be provided to employers or graduate schools. The office also arranges for a variety of employers to interview graduating students right on the campus.

No matter where you're living, the Office of Student Residential Life affects you. If you live in a residence hall, apartment, married student housing, or even if you're living at home, this office may be able to assist you. The office is concerned with making the student's residential experience meaningful and enjoyable.

Any individuals or groups of students with problems or questions related to their residential situation should come to Room 110, Administration Building, for assistance. The selection and training of the Resident Directors, Resident Advisors, and residence hall officers are the responsibilities of the Office of Student Residential Life. The office also tries to identify the needs of students as related to their residential experience, so that through individual counseling or new programs these needs can best be met. This includes married students, commuter students, and residence hall students. The office supervises all applications, assignments, and financial arrangements for on-campus and married student housing; and oversees the physical operation and maintenance of these facilities.

Residence Hall Resource Personnel

Resident Director
Each residence hall has a Resident Director who is responsible for the over-all operation of the hall and its government. The Resident Director (R.D.) works directly with the students in establishing the residence hall's organizational structure and social program. He/She assists in planning a diversified social, athletic, and educational program based on the needs and interests of the students in the building. Your Resident Director is just as available and more than willing to meet with you for personal conferences, advice, etc., as he/she is for official business. The R.D. actively encour-
Eligibility to live in a Residence Hall or Married Student Housing is dependent upon an individual being accepted by the University as a regularly enrolled student carrying 8 credit hours or more.

A. $35.00 Application Fee and Security Deposit:
The $35.00 application fee and security deposit, which is NOT to be construed as a partial payment for rent of quarters, must accompany this application-contract. After assignment, the deposit is held as a guarantee against loss and breakage of hall equipment and furniture and as assurance of compliance with the full terms of the contract. This will remain in effect for the following year, providing the student continues as a dormitory resident; otherwise the $35.00 will be refunded at the end of the year less any amount due the University. If a student does not fulfill his contract and leaves at any time during the academic year, the security deposit will be forfeited.

The University reserves the right to refuse any application for accommodations in University residence halls upon return of the deposit.

B. Cancellation of the Application-Contract by the Student (prior to occupancy):
The application contract may be canceled by the student at any time prior to confirmation of room assignment but not later than August 1 for the first semester and January 1 (new applicants only) for the second semester. Cancellations after these dates will forfeit the $35.00 security deposit.

C. Conditions for Terminating the Application-Contract by the University (after occupancy):
Students withdrawing from the residence halls prior to the termination of this agreement are subject to the following terms and conditions.

1. Under normal conditions, a two-week written notice must be filed with the Director of Student Residential Life.
2. All petitions to break the application-contract for the spring semester must be in the Office of Student Residential Life by December 1.
3. A student withdrawing after assuming residence in the hall shall be obligated for the full amount of the room.
4. If a student’s withdrawal involves critical illness which is confirmed by a physician, or exceptional circumstances that can be verified, he may petition for a refund. If granted, he will be liable for the cost of room and board during the time of occupancy.
5. Students who violate rules or whose conduct is unsatisfactory may be asked to leave the hall and/or the University, forfeiting all payments, and vacating the hall within twenty-four hours.
6. Situations with extenuating circumstances which effect the health and welfare of the student will be reviewed by the housing committee; recommendations will be made to the Director of Student Residential Life.

D. General Residence Hall Regulations:
Occupancy of a hall is a privilege extended to the student by the University. The continuation is dependent upon his or her reasonable and satisfactory personal conduct and the observance of all University regulations.

1. Quarters are to be occupied only by the student for whom they are reserved. Neither room reservations nor meal tickets are transferrable.
2. The University respects the student’s right to privacy; however, the University reserves the right to enter a student’s room at any time for health, safety, welfare and maintenance purposes.
3. All residence hall contracts are for both room and board. Contracts for room only are not available.
4. Room and board payments for the academic year become due and payable prior to August 1; final confirmation of a room assignment cannot be made until financial terms of this contract are met by total payment or the three specified installments. Arrangements for payment other than the above must be made directly with the Office of Student Residential Life.
5. Students will be responsible for the furniture and fixtures in their rooms and for University property within the hall. Where individual responsibility for damages can be determined, the individual will be charged. Otherwise the charge will be made against the hall or floor organization and prorated among the students living in that suite, floor or area at the time the damage occurred.
6. Payment for damages during the academic year will not be taken out of or charged against the security deposit unless the damage charge is not paid. This deposit must remain intact until the end of the year or when the student leaves the University permanently.

7. Participation in fire drills is mandatory. Residents who fail to comply with this requirement and do not vacate the hall when the alarm rings may be asked to move out because the University cannot then accept responsibility for their safety.

8. Anyone found turning in a false alarm, tampering, damaging, or in any way using fire equipment or safety apparatus for other than its intended use will be immediately dismissed from the residence hall, fined, and subject to further action by the University authorities. Electrical wiring or alteration of existing wiring by students is prohibited.

9. The use and/or possession of alcoholic beverages on campus is prohibited. This includes the display of empty alcohol containers in individual rooms or elsewhere, where it presents a health, safety or damage factor within the residence hall.

10. Students who reside in residence halls are responsible for providing insurance against loss or damage to their own personal property. The University does not assume responsibility for or carry insurance against the loss or damage of individually owned personal property.

11. Possession of fire crackers, gun powder and/or other forms of explosives is prohibited.

12. Quiet hours extend from 7 p.m. to 7 a.m. except on "quiet hours" floors/suites where the quiet period will be longer and will be determined by the residents of that unit.

E. University Regulations:
All students are held responsible for knowing the University Regulations and information set forth in the official catalog, Student Handbook, and Residence Hall Handbook. All University rules and regulations as well as residence hall regulations are specifically made a part of this contract by reference.

F. Social Fees:
All residence halls have a required $10.00 social fee which is set and collected by each hall government at the time the student checks into the hall. This fee is used for programs, activities, and various types of interest group projects as desired by the students.

G. Hall Assignments:
All students must have a completed and signed application-contract filed with the Director of Student Residential Life before a hall and room assignment can be made. Halls and rooms are assigned on an adjusted priority system, date of application and deposit, and ACCEPTANCE BY THE UNIVERSITY. If a specific person is desired as a roommate, the two persons concerned should be certain that their applications are filed about the same date. If no one is requested as a roommate, it is then assumed that the applicant will accept the person assigned.

All residence halls will be completely closed during the Christmas holidays as stated in the University catalog.

H. Quiet Hours Floors/Suites:
Each residence hall provides the opportunity to live on a "quiet hours" floor/suite. This is designed for those students who would prefer a more extended quiet period and atmosphere suited specifically to study. The residents of these floors/suites enjoy all of the same services and programs available to the other students in the hall. If you wish to select this option, please so indicate on the application-contract form. Assignment will be made according to the date of application; if an insufficient number of students indicate this option, assignment will be made on the basis of the other indicated preferences for those individuals involved.

Unclaimed Room Reservations:
All room reservations unclaimed by midnight of the last day of regular registration for either semester will be canceled, and the $35.00 security deposit forfeited. If the other member of the reservation will be late in arriving, he must notify the Director of Student Residential Life prior to the above date by telegram, telephone, or letter.

Student Rooms:
Because of health and safety standards, student rooms are inspected by two members of the staff. AT NO TIME MAY ARTICLES OR FURNISHINGS BELONG TO BOISE STATE UNIVERSITY BE REMOVED FROM ORIGINAL PLACEMENT WITHOUT SPECIFIC WRITTEN APPROVAL. It is the responsibility of the occupants of each room to report any needed repairs immediately to the R.A. or custodian. It is recommended that all valuable personal items be insured.

This counseling service has been established to provide assistance to students with personal, vocational and educational concerns. Its objective is to aid students to become more self-reliant and effective in their personal and social relationships. The service is based on the premise that at times many normal individuals have problems that they alone cannot resolve. Because of their age and particular circumstances, college students may have concerns of this nature with greater frequency than persons not in school. Both individual and group counseling are available.

The Counseling Center is also responsible for the administration of such nationwide testing programs as the American College Testing, Miller Analogies Test, College Level Examination Program (CLEP), etc.

**Procedure**

Any college student may arrange to see a counselor about any matter of concern. The Center operates on the assumption that "talking through" a concern with a counselor is a most effective way of resolving the difficulty. While counselors do not necessarily give advice, they do provide information when appropriate. Frequently the counselor can respond in such a way that the student gains more understanding of himself. It is our belief that self-understanding and the application of systematic problem-solving techniques are the keys to the resolution of personal difficulties.

An appointment with a counselor can be made in person or by telephoning 385-1601. The office is located in the Library Building, Room 247. Interviews are scheduled for 30 to 60 minutes. Frequently several conferences with a counselor are indicated. In many situations a counselor can be seen "on the spot". An appointment can always be made in a short time.

**Hours**

The office is open from 8:00 a.m. to 5:00 p.m., Monday through Friday.

**Testing**

A number of standardized tests are available, and when it would appear beneficial they may be administered to a student. Tests of interest, general ability, and special aptitude are most commonly utilized. Normally, the results of tests are more useful in stimulating self-analysis than in providing answers to problems.

**Referrals**

Individuals normally can profit from counseling only if they feel a need for this kind of service. Nevertheless, referrals of students by faculty members are frequently appropriate and are welcomed by the staff of this office. Some type of communication by the referring faculty member to the counselor is usually beneficial.

**Confidentiality**

No one talks openly about himself if he is afraid that he may be hurt in some way by revealing his feelings. To encourage openness, all matters discussed by the students are held confidential and only with written permission of the student is information released to others. No report of the counseling is made in any official University record.

**Staff**

By virtue of training and experience, all counselors in this office are well qualified to provide assistance to students. Most possess earned doctor's degrees in Counseling Psychology or related fields. In addition, each counselor holds a joint teaching appointment in Psychology or Education which facilitates their understanding of the academic process. They are sensitive to the conflicts and concerns which confront many individuals.

General Purpose Meeting Rooms
There are meeting rooms available to recognized student organizations and faculty or staff located on the second floor of the SUB. Room reservations are made in the Scheduling Office on the first floor and should be made early to assure a room. The majority of meeting rooms have conference tables, chairs, and some blackboards. Other equipment can be procured by the Scheduling Office if ordered early - such as rostrums, lecternettes, public address systems, projectors, and so on. Many of the meeting rooms are named after different counties of the State of Idaho. In a case when Food Service will be involved, such as a banquet, one should contact the Operations Office first to be sure that there is room available.

Information Center
The Information Center is located in the main lobby to your direct right as you enter the front door of the SUB. The Information Center is the HUB OF THE SUB. Information concerning current and up-coming events, ticket sales, office location, lost and found, paging telephones and special events can be obtained here as well as cards for registering classified ads on the bulletin boards to either side of the Information Center counter. Lost and found services for the entire campus are located here.

Programs Office
This office is located on the second floor. The Programs Office contains the headquarters for the Student Union Programs Board and its subcommittees, the ASB Judiciary System, as well as for all student organizations. Each recognized student organization has a campus mailbox in the Programs Office and is required to submit an up-dated roster of all officers to maintain recognition.

Coordination of all campus activities, the filing of "Activity Scheduling Forms" and planning of dances, concerts, art shows, cabarets, films, coffeehouses, lectures, banquet,
and numerous outdoor activities take place here. If you want to "Get Involved" or find out about fraternities, sororities, other campus organizations, check out sign-making kits, or schedule an event - this is the place.

Scheduling Office 385-1677
The Scheduling Office is located on the first floor across from the Campus Store. All scheduling of the Student Union Building facilities is done in this office.

Telephones
Four public pay phones are located directly behind the main lobby stairway on the first floor. Blue paging telephones are located on the first floor next to the Information Desk and on the second floor in between the Big Four meeting rooms and the Nez Perce room. One public pay phone is also located outside the Ballroom.

Lounges
There are two very large lounges that take up the northwest corner of both the first (Boisean Lounge) and second (Ada Lounge) floors of the SUB. Both have huge fireplaces, ultra-soft furniture, and excellent panorama views of the campus. A great place to rest and relax between classes. The TV Room on the second floor north is open during regular hours of the SUB.

Lookout
The Lookout is on the third floor of the SUB and is used for coffeehouse entertainment in the evenings and a quiet study area during the day with piped-in FM music. No classes or meetings are permitted to be held in this area - so it makes an ideal setting for quiet study or to "rap" with a friend.

In addition to the above, the Lookout will be used as a third lunch room (from 11:00-2:00 daily) for students, faculty, administration and guests. However, the Lookout is still a major source for our Coffeehouse entertainment and student study lounge.

Ballroom
The Ballroom on the second floor north is used for dances, luncheons, speakers and other activities and has an occupant capacity of nine hundred.

Recreational Facilities 385-1456
The Games Area is located on the first floor past the Campus Store. There are six bowling lanes, ten billiard tables, two snooker and one three-cushion billiard tables, foosball machines, table tennis, coin amusement machines, a music listening room, outdoor recreational equipment and other rental equipment available; as well as chess, checkers, cards, cribbage, etc. - available at no charge. Also the lockers located on the left of the entrance to the Games Area are available for rent to students; check at Games Area Desk.

The Head Shop 385-1260
Also located on the first floor to your right as you enter the front of the SUB, this two-chair shop offers hair-styling for both men and women six days a week from 9:00 a.m. until 5:00 p.m., and Saturday 9:00 a.m. to 12:00 noon.

Art
Student, faculty, and guest art works, paintings and exhibits are generally displayed in either the Boisean or Ada lounges but may also be seen in the Snack Bar, main lobby area, or central corridors.

Minority Cultural Center
211 University Dr.
385-3979

The Minority Cultural Center is in a sense an extension of the SUB. It provides a program of academic, cultural, social, and recreational services to all students. The Center was established to promote interaction, awareness, and cooperation between students of all races, and to bring about a greater understanding of the various ethnic, disadvantaged or special groups.

Many of the goals of the Minority Cultural Center include:
1. Establishing a self-help tutoring program.
2. Unity between minority students, white students, and the community.
3. Bridging student communication at BSU.
4. Promoting racial harmony.
5. Promote understanding of and a "self-awareness" among women and handicapped students.
6. Incorporating Black, Chicano, Native American and oriental cultures into the curriculum.
7. Providing a place for organizational meetings.
8. Providing special events, dinners, panels, discussion groups, lectures, films, slide presentations, etc.

We feel the Minority Cultural Center will enhance the unity, racial harmony, communications, and understanding between ALL groups of University students and staff. Because of this coalition and the cohesiveness of minority, faculty, Student Affairs staff, and student government groups, many more improvements and new programs will be initiated and should contribute to the retention of students in the educational programs of the University. As students of Boise State University each should attempt to broaden one's background by sharing with others - the Minority Cultural Center is one more place to do it.

The Minority Cultural Center facilities include three meeting rooms, an office with two typewriters available for student use, portable chalk board, stereo unit, kitchen with limited equipment and lavatory.

During fall and spring semesters, three work-study students are employed as Minority Assistants; each Minority Assistant has regularly scheduled hours to supervise and assist students using the Minority Cultural Center.

Special Student Services Committee

The special Student Services Committee is a Presidential Committee formed in 1972 to meet the needs of those students with special problems which can only be solved at the institution level. Some of the special groups identified as having special needs include: Blacks, Chicanos, Native Americans, Asian-Americans, Handicapped, Veterans, Foreign students, and disadvantaged, i.e., single parents, women.

The committee acts on behalf of the students and organizations by listening to the needs, problems and disagreements; then proceeding through proper channels to a solution. With the support of the Special Student Services Committee, ideas and new programs have become realities. It has and will continue to bring about many needed changes on the campus of Boise State University.

The committee membership is comprised of interested students, faculty, and staff. Anyone with an interest is a member - a voting member. For further information contact Student Advisory and Special Services, 385-1583, Room 114, Administration Building.

Faculty Advisors
Each student is assigned a faculty advisor by the department offering the student's major. The advisor will study and sign proposed course schedules, will receive various student records, and issue mid-semester grades to students.

Grading System

A Distinguished work - Four quality points per credit hour.
B Superior work - Three quality points per credit hour.
C Average work - Two quality points per credit hour.
D Passing but unsatisfactory work - One quality point per credit hour.
F Failure - No quality points per credit hour.

P Pass - No quality points.
CR Credit - No quality points.
NC No credit - No quality points.
I Incomplete:

The grade of incomplete can be given in cases where the student's work has been satisfactory up to the last three weeks of the semester. The returning student must contact the instructor and consider the following options:
1. Make up the work within the first half of the current semester.
2. Request of both instructor and department chairman an extension of time.
3. Re-enroll in the courses.
4. Request that the Incomplete be changed to a W.

If the student fails to contact the instructor by mid-semester, the instructor can, at that time, change the Incomplete to a "W" or elect to extend the Incomplete into the next semester. Within that next semester if the student contacts the instructor, the procedure outlined above can be followed. If there is no contact by the student, the instructor by mid-semester will change the Incomplete to a "W".

W - Withdrawal - No quality points
A student who receives a grade of "F" in a given course (if the course is still offered), may elect to retake that course to raise the grade. In respect to a course in Independent Study where the instructor refuses to permit the student to retake the study; where the student cannot secure permission from another instructor to accept the program of study, or where the instructor has left the institution, the grade of "F" upon recommendation of the department chairman, reverts to a "W".

A student who received a grade of "D" in a given course may repeat that course to raise his grade, if in the meantime he has not taken an advanced course for which the first course is prerequisite. Degree credit for courses so repeated will be given only once but the grade assigned at each enrollment shall be permanently recorded.

In computing the grade point average of a student with repeat courses, only the most recently received grades and quality points shall be used for the first 16 credits repeated. In the case of further repetitions, the grade point average shall be based on all grades assigned and on all credits carried.

S - Satisfactory - No quality points
U - Unsatisfactory - No quality points
AUD - Audit - No quality points
NR - No record
NC - Non-gradable

Classification of Students
After registration, students are classified as Freshmen, Sophomores, Juniors, Seniors or Graduates.

Freshman - From 0 semester credits through 25.
Sophomore - From 26 semester credits through 57.
Junior - From 58 semester credits through 89.
Senior - 90 semester credits and over, but has not received B.A. degree.

Graduate
Regular - Has at least a baccalaureate or equivalent degree and minimum overall GPA of 2.75 or 3.00 for the last two years of undergraduate study, admitted to Graduate School, taking predominately 500 level or 400G courses.

Provisional - Has at least a baccalaureate or equivalent degree, admitted to the Graduate School. Undergraduate grade point average is not high enough to be regular status or taking undergraduate prerequisite courses.

Unclassified - Has at least a baccalaureate or equivalent degree, admitted to the University but not in a graduate program, taking courses of interest on all levels and not seeking a graduate degree or taking courses for certification, or has not met the specific requirements prescribed for admission to a particular graduate program.
A student enrolled and classified during the first semester is not reclassified at the beginning of the second semester.

A student enrolled for 8 semester hours or more will be considered a full-time student.

A student who is carrying less than 8 hours will be classified as a part-time student.

Class Changes

Students may add or drop a class by securing a drop and add permit from their advisor. The drop and add permit must be signed by their advisor and the instructors involved. This drop and add permit should then be presented in the Registrar's Office with your identification card for processing. The permit is then cleared through the Business Office. The date on which the Registrar signs the change will be the official withdrawal date. It is important to check the academic calendar to become aware of certain critical withdrawal periods. All classes withdrawn from two weeks after Midterms are an automatic W; all classes withdrawn from following that period could result in a W or F grade depending on whether the student is passing or failing the course.

Withdrawal From the University

Withdrawal from Individual Courses: A student may withdraw from individual courses by securing a change in registration card from his advisor, which must be endorsed by the advisor and each instructor involved, then presented to the Registrar for signature, and then cleared with the Business Office. The date on which the Registrar signs the change will be the official withdrawal date.

Complete Withdrawal from the University: A student may officially withdraw from the University (all courses) only by securing a withdrawal permit from the Office of Student Advisory and Special Services and having it signed by same. This office will advise the student of the offices he must clear with before presenting the complete withdrawal to the Registrar's Office. After clearance with the Registrar the student is sent to the Business Office for final clearance.

A student may withdraw two weeks after mid-semester examinations (see specific date on University Calendar) without penalty for failing work. If the student withdraws after the end of mid-semester examinations, he may receive a grade of "W" only if his work is passing as of the official withdrawal date and an "F" in all courses in which he is failing. A student may not withdraw from the University or from individual courses during the last three weeks of a semester, including final examination week. Students discontinuing a course without having completed an official withdrawal shall be awarded a grade of "F".

The responsibility for withdrawing from individual courses rests with the individual student; but in certain situations the instructor may initiate the withdrawal.

1. If the student registers for the course but never attends.
2. If the student registers for the course, attends briefly, and then neglects to withdraw from the course.
3. If the student registers for the course on an audit basis but never attends, or attends for only a brief period.

In cases of a faculty initiated withdrawal the instructor will notify the office of the Vice President for Student Affairs of the impending action. The Vice President will then notify the student. If no further effort is made by the student within two weeks after the notification, the instructor may then initiate the withdrawal.

Right of Appeal:
In cases where a strict application of this regulation seems - in the opinion of an instructor, advisor or a student - to work an unreasonable hardship, the Office of Student Advisory and Special Services is authorized to grant exceptions.

Maximum Load

No student shall be allowed to enroll for more than 18 hours without special permission from the Dean of the school in which his major falls, unless more hours are specified in his curriculum.
Academic Probation and Disqualification

The student whose academic work indicates that he cannot continue in the University with profit to himself and credit to the institution will be placed on probation; and if he continues on probation for two semesters, he will be subject to dismissal from the University. Satisfactory performance means the orderly progression toward graduation maintaining a cumulative grade point average of 2.0 or better. The cumulative grade point average will be computed on all credits attempted.

The student who has a cumulative GPA of 1.5 or lower and who has not been enrolled in a college or university as a full-time student for a period of two consecutive years may, upon returning full-time to college credit status and completing a semester of full-time work (12 hours or more) with a grade point average of 2.25 for that first semester, make application to the dean of the school for removal of any grade below 1.0 given by this institution. With the approval of the dean of the school in which the student is majoring, the GPA would be recomputed to include all grades with the exception of those dismissed. No change will be made in the transcript of record. This instrument will only affect the GPA.

The student will be placed on probation whenever the cumulative GPA falls 12 quality points below a GPA of 2.0. This calculation is made by multiplying by two the total credit hours in which he has been enrolled and subtracting twelve. If the answer so obtained is not exceeded by the student's total quality points, he will be subject to this regulation.

Two successive probations will result in dismissal from the University unless special permission to continue in attendance is obtained from the dean of the school. Three successive probations will result in dismissal for two semesters with no opportunity for appeal of the decision. Regardless of his cumulative GPA, no student will be dismissed if his GPA for the most recent semester is 2.25 or higher.

The entering freshman whose high school GPA is 1.50 or lower will be limited to a maximum course load of 12 units including non-credit courses.

All students on probation will be limited to a maximum course load of 12 credits including non-credit courses, retakes, and repeats.

Students on probation are ineligible for participation in University-sponsored extra-curricular activities. (See "Eligibility for Extra-Curricular Activities" under Student Policies and Procedures.)

 Admission on Probation

Students wishing to transfer to Boise State University from other colleges and universities must have a GPA of 2.00 or above on all prior collegiate work completed or have cleared the probationary provision outlined above. Transfer students from other colleges and universities who have failed to clear probationary provisions outlined above may, upon written petition, be granted permission to enroll on probation by the Admissions Committee.

Student Records

When a student enters the University and submits the requested personal data, there is an assumed and justifiable trust placed upon the University to maintain security of that information for the protection of the rights of the student. In order to protect students against potential threats to their individual rights inherent in the maintenance of records, and the many disclosures requested regarding them, and in compliance with the Family Educational Rights and Privacy Act of 1974, the University has adopted BSU Policy 5-1 (Student Records). The policy statement in its entirety is contained in the Administrative Handbook of Boise State University. Any students, faculty, or staff who have questions regarding the records policies of Boise State University may consult with the Vice President for Student Affairs.
Student Policies & Procedures

Philosophy

Boise State University is a large, complex, educational community made up of groups and individuals representing a diversity of social, cultural, and intellectual life styles. The members of this community are no different than those of the larger society. They have the same constitutional rights and the same obligations of all citizens, however, being a member of the University community adds to an individual's responsibility. In order to preserve the individual's rights and freedom as well as the educational goals and purposes of the institution, Standards of Conduct have been developed by a committee of representative student, faculty, and administrative members of the community.

Ideally, each member of the University community assumes individual responsibility for his personal freedom and obligations. The university community expects all members to discipline themselves, individually and collectively, and it requires adherence to the Standards of Conduct appropriate for an academic community. It must and will take appropriate action when a member's conduct places the best interests of the community in jeopardy. Each student, as a member of this community, is responsible for being familiar with the policies of Boise State University.

General Policies

1. Students are both (1) citizens and (2) members of the academic community. As (1) citizens, they enjoy the same freedoms of speech, peaceful assembly, and right of petition that other citizens enjoy. As (2) members of the academic community, they assume the obligations inherent in that membership and as representatives of the university. These obligations include a creditable demeanor for themselves first and the institution second, reflecting intelligence, maturity, concern for the rights of others, and regard for the education mission of the University.

2. The University does differentiate its responsibility for student conduct from the restrictions of the larger community of our society. The institution will not request or agree to any special consideration for students apprehended and/or charged for a violation of laws of the larger community because of their status as students, but will cooperate with law enforcement agencies in any program for rehabilitation of students.

3. Students involved in civil offenses will not ordinarily have further sanctions imposed by the University unless the ASBSU Judiciary and/or Student Policy Board determines that the offense interferes with the best interests and educational responsibilities of the university. This policy does not, in any way, constitute double jeopardy.

4. The University has the authority to deny admission, dismiss or suspend a student for a violation of its rules and regulations. However, this authority emphasizes the prime responsibility to educate, correct, rehabilitate and counsel wherever possible in preference to any final administrative action denying the individual access to the institution.

5. Procedural fairness is guaranteed to any student at any time who may be in violation of the University rules and regulations, and particularly where the individual may face such disciplinary action as probation, suspension, expulsion, or the entry of an adverse notation on any permanent record. In the case of less severe disciplinary action, the involved student may choose to consult with the appropriate Student Affairs staff member for adjudication or ask for a board hearing. In all cases of disciplinary action the following will be required:

a. Adequate written notice of the charges and the date, time, and place of the hearing, generally within 7 days. (Statement of charges and notice of hearing, UNLESS WAIVED.)

b. The opportunity for a fair hearing by allowing the student to appear alone or with an advisor of his choice (not necessarily legal counsel except in rare and exceptional cases); to hear the evidence and offer evidence in his own behalf.

3. The right of the accused to question the source of the evidence and all witnesses himself. The advisor to the accused may be allowed to question witnesses at the discretion of and approval from all members of the Judicial Board.

4. The right to have access to a transcript of the proceedings and findings of the Board.

5. The right of the accused to appeal the decision of the Board to the next higher authority and to be advised of the procedure.
Eligibility for Extra-Curricular Activities

1. In order to represent Boise State University or any student organization in any extracurricular activity of an intercollegiate nature such as debate, student conferences, fraternities or organizational conferences, class-related activity junkets, cheerleaders, etc., a student must:
   a. Not be disqualified or suspended from the University or on academic, social or conduct probation.
   b. Be currently enrolled as a full-time student (8 hours or more).
   c. The ASBSU President, Vice President, Treasurer, and Senate members shall have a minimum 2.25 cumulative GPA standing at the time of election to office and must maintain minimum University standards throughout their tenure in office, in accordance with article V, section 2, clause 1 of the ASBSU Constitution.

2. The Student Policy Board in its official capacity as the primary agency for the development and administration of the Student Code of Conduct, Student Judicial System, and all other student policies and procedures relating to student life on the campus of Boise State University, would strongly recommend to those appointing officials that a cumulative GPA of 2.00 or better be set as a standard for academic acceptance in the choosing of individuals to represent the Associated Students of Boise State University. The Student Policy Board encourages student campus organizations to set additional standards that they deem necessary and beneficial to that organization. The Policy Board feels that the duty of relieving a student from the position he/she holds because of lack of compliance with the aforementioned requirements is the responsibility of the appointing official of that organization.

3. Exceptions: Rule 1a does not apply to students engaged in activities that are required as part of a class or students participating in intramural sports.

CODE OF CONDUCT

The following policies are designed for the general well-being of all members of the University community. Any violations will require disciplinary action.

1. Academic Dishonesty
   Cheating or plagiarism in any form is unacceptable. The course instructor is responsible for handling each case of dishonesty in the classroom except where a major or repeated offense is involved. In any case he has the right to refer the offense to a higher authority - through his Department Chairman, his Academic Dean, and ultimately to the Academic Grievance Board:
   a. Not be disqualified or suspended from the University or on academic, social or conduct probation.
   b. Be currently enrolled as a full-time student (8 hours or more).
   c. The ASBSU President, Vice President, Treasurer, and Senate members shall have a minimum 2.25 cumulative GPA standing at the time of election to office and must maintain minimum University standards throughout their tenure in office, in accordance with article V, section 2, clause 1 of the ASBSU Constitution.

2. Alcoholic Beverages
   The State Board of Education has consistently opposed any policy permitting intoxicating beverages on University-owned or controlled properties.

STATE LAW
   The Idaho law states that it is illegal to sell, serve or furnish beer, wine, or other alcoholic beverages or intoxicating liquor to a person under 19 years of age. It is illegal for any person under 19 years of age to purchase or attempt to purchase, procure, possess, or consume any alcoholic or intoxicating liquor.

There are a number of minors attending BSU and as a State institution, the University is legally obligated to comply with the State law.

   Willful falsification of official records or documents, or omission with the intent to deceive, is prohibited. Included in this regulation, but not limited to the following, is the forging, alteration, or misuse of University documents, records, fee receipts, identification cards, meal tickets, parking decals, financial aid forms, telephone billing cards, ASBSU forms or documents.

5. Harassment
   Any practice by a group or individual that detains, embarrasses, or degrades a member of the University community, endangers his health, jeopardizes his safety, or interferes with class attendance or the pursuit of education, is prohibited.

6. Illegal Entry
   Any actual or attempted unauthorized or forcible entry into any University facility or building is prohibited.

7. Lawful Orders
   Failure to disperse or to leave, disrupting or obstructing a University building or facility, room or other premise, or to cease the use of loudspeakers, amplifiers, or other forms of noise after being given notice or a lawful order to do so by a duly authorized agent or administrative officer of the institution, is prohibited.

8. Theft
   Theft or the conversion of another's property, personal, public, or institutional, is prohibited.

9. Disorderly Conduct
   Detention, threatening or physical abuse of another person in or associated with the University community, malicious destruction, damage, or misuse of University or private property, including but not limited to, library materials, vandalism, fire equipment and alarms, obstructive and riot acts, is prohibited. The above includes verbal or physical abuse of any member of the BSU community or on or off campus, where the situation involves the educational purposes or objectives of the University.

10. Lewd or Indecent Conduct
    Prohibited.

11. Gambling of any form is prohibited.
Sanctions

12. Firearms or Dangerous Weapons

a. BECAUSE OF THEIR RECOGNIZED DANGER, FIREARMS, ILLEGAL KNIVES, EXPLOSIVES, CHEMICAL OR INCENDIARY DEVICES WILL NOT BE KEPT ON UNIVERSITY OWNED OR CONTROLLED PROPERTY OR IN STUDENT LIVING QUARTERS. Possession of explosives, chemical or incendiary devices, loaded or unloaded firearms on campus, except as expressly authorized by law or institutional policy, is prohibited. The Boise City Code interprets air rifles, pellet or BB guns as being weapons or firearms.

c. Occupants in University housing and off-campus housing, living within the city limits are subject to Boise City ordinances and State laws.

13. Group Offenses

14. Other Institutional Policies

15. Official Notification

2. Suspension

Suspension is an administrative or Student Policy Board action terminating registration, with a possible loss of academic credit, for a prescribed period of time not to exceed two years. Reenrollment must be requested by petition through the Student Policy Board. (After reenrollment there is normally a probation period determined in length by the act committed.)

3. Conduct Probation

Type of Hearing Boards

Student Policy Board

By delegation of the President of the University, the Student Policy Board under the chairmanship of the Vice President for Student Affairs, is designated as the primary agency for the development and administration of the Student Code of Conduct, Student Judicial System, and other student policies and procedures relating to student life on the campus of Boise State University.

The Student Policy Board is the highest board in the judicial appellate structure and as such will hear appeals from cases heard by the ASBSU Judiciary. Recommendations for possible suspension or expulsion will be submitted through the Vice President for Student Affairs to the President of the University.

The ASBSU Judiciary Council and all other judicial bodies are subordinate to the Student Policy Board. The appropriate Student Affairs staff members working in their respective areas of responsibility have the authority to establish residence hall councils or standards committees to hear cases concerning violations of group rules and regulations. The council or committee may recommend, to the appropriate staff member, sanctions such as admonition, censure, probation, or disqualification and/or loss of privileges. The judicial bodies are subordinate to the ASBSU Judiciary.

The Student Policy Board is composed of two ASBSU Executive Board members, three student representatives, two members of the faculty, two Student Affairs staff members and the Vice President for Student Affairs who serves as chairman.

ASBSU Judiciary Council

The supreme judicial power of the Associated Students is vested in the ASBSU Judiciary Council whose authority is delegated from the University President and is derived from the Associated Students. The ASBSU Judiciary has the authority or original jurisdiction in all cases involving alleged violations of BSU and/or University regulations or policies. They will hear all complaints other than academic unless referred to a lower tribunal.

Appeals from decisions or recommendations of the ASBSU Judiciary will be made to the Student Policy Board. This procedure of appeals has been agreed upon and accepted by the Student Senate and the University President.

If the individuals charged with a university violation are in need of remedial or rehabilitative services, they may submit a written request to the Vice President for Student Affairs to have their case heard by a committee of faculty and staff, instead of the ASBSU Judiciary.

The ASBSU Judiciary Council has a variety of powers and obligations. The Council consists of five (5) students and two (2) tenured faculty members, all of which have equal voting power. The powers and obligations are as follows:

1. To determine the constitutionality of any ASBSU action and interpret the Constitution upon request of the ASB President or Senate.

2. To have original jurisdiction in cases of alleged violations of BSU or ASBSU regulations and other ASBSU actions.

3. To delegate judicial authority to lower ASBSU recognized judicial bodies.

4. To hear appeals from decisions of lower judicial bodies.

5. To enjoin ASBSU government officials from taking action contrary to the decisions of the ASBSU Judiciary.
Academic Grievance Board

The jurisdiction of the Academic Grievance Board is established to maintain high academic standards and performance and to protect objectivity and fairness in assigning, administering, and evaluating student performance in all matters of grievance pertaining to academic conduct, instructional procedure, or testing.

The Academic Grievance Board has the ultimate authority in academic matters. No appellate provision will be available at Boise State University.

Procedure:
In order to obtain a hearing by the Academic Grievance Board the plaintiff should:
1. Present the grievance to the faculty member concerned first, then the Department Chairman if no solution is reached, and finally the Dean of the school if there is no satisfaction with the first two contacts.
2. If the problem was not solved after contacting the professor, Department Chairman, or Dean of the school, then present the grievance to the ASB Vice President.
3. Once the ASB Vice President has accepted the complaint, the plaintiff is required to file the "Grievance Complaint Form".
4. After the Grievance Complaint Form is returned, the ASB Vice President notifies the defendant of the complaint and requests him to respond on the "Academic Response Form".
5. When the form is completed and filed, the Vice President of the ASB shall establish the time, place and date for the hearing.

The Board is empowered to mandate or recommend changes relating to student grades and behavior and to recommend changes relating to academic conduct, instructional procedure, and testing.

Recommendations regarding students will be referred to the Vice President for Student Affairs. Recommendations regarding faculty members will be referred to the Executive Vice President.

The Academic Grievance Board's membership consists of five (5) student senators, one from each school in the University, and one (1) from the division of Vo-Tech. Five (5) faculty, one from each school and one (1) from Vo-Tech, are appointed by the Chairman of the Faculty Senate, plus a representative from the Student Affairs staff appointed by the Vice President for Student Affairs. All members of the Grievance Board have equal voting power.

Residence Hall Judicial Boards

Each residence hall has its own Judicial Board to hear all cases which involve residents of the hall and infractions of all policies and procedures. The composition of each Judicial Board varies, but in each case is comprised completely of students within that particular hall. When a problem arises within or associated with a residence hall or with a member of a hall, it should first be taken to a Resident Advisor or the Resident Director and then to the Director of Student Residential Life. If a satisfactory solution is not reached through these people, then the complaint or problem will be referred to the Residence Hall Judicial Board. This body has original jurisdiction on all cases pertaining to that dorm. Any appeals from the Residence Hall Judicial Board hearings will be referred to the ASBSU Judicial Council.

BSU Panhellenic

When a sorority believes there has been an infraction, a written report signed by the accusing sorority with a copy provided for the accused must be submitted to the Panhellenic President within twenty-four (24) hours after the infraction is known.

A conference of representatives of the groups involved must be called immediately to reach an amicable solution if possible. If it is determined that an infraction has occurred or the question remains in doubt the case will be referred immediately to an ad hoc Judiciary Committee selected by the Panhellenic for a decision.

The Panhellenic President's name, address, and phone number may be obtained from the Assistant Director of Student Activities.
JUDICIAL PROCEDURES

PART I. Filing Complaints

A. If any member of the University community feels he/she has a legitimate grievance against any other member or group of the University community, he/she should contact and consult with the Assistant Director of Student Activities. Likewise, if any member of the University community feels he/she has been discriminated against on the basis of race, color, religion, national origin, sex, or age (as provided for in Title VI and Title IX), he/she should contact the Assistant Director of Student Activities or the Affirmative Action Director. (For further information, see BSU Policy 6-2.)

The purpose of the consultation is to assess the validity of the grievance and to assure compliance with the procedures for filing complaints.

B. If, after such consultation, the plaintiff wishes to pursue the judicial process, the following should be secured:

1. A concise STATEMENT OF FACT, naming the defendant, the specific charges, the factual details of the incident, witnesses, date, time, and place.
2. A STATEMENT OF FACT from each witness.
3. Any evidence, if applicable.

C. The Assistant Director of Student Activities will then counsel the plaintiff on the meaning of the charges, time and place of the hearing, and any other information the plaintiff may need.

PART II. Defendant's Rights

The Assistant Director of Student Activities notifies all parties or groups named in the official complaint that charges have been filed and requests the defendant(s) to come in for an interview and to respond to the allegations.

A. The defendant(s) must consult with the Assistant Director and file:

1. A STATEMENT OF FACT relating the factual details of the incident, witnesses, date, time, and place.
2. A STATEMENT OF FACT from each witness.
3. Any evidence, if applicable.
4. A waiver of NOTICE OF HEARING, if desired.

B. The defendant(s) is advised of his/her rights as prescribed below:

1. The defendant(s) is advised of the specific charges against him/her, the Judiciary Board Membership, and general procedures for a Board hearing.
2. The defendant(s) is also counseled as to the meaning of the charges; decisions of the Judiciary in similar cases; affect of a plea of guilty; provisions in the code pertinent to this case; date, time, and place of the hearing; and any other information the defendant(s) may desire regarding the judicial system.
3. The defendant(s) will be notified of the date, time, and place of the hearing at least seven (7) days before the scheduled hearing. The defendant(s) may, in writing, waive the seven (7) day notice of hearing.
4. The defendant(s) may elect in writing to waive a hearing and to have the case adjudicated by an appropriate Student Affairs Officer. In this instance, the avenue of appeal is through the appropriate Student Affairs Officer rather than a judicial body.
5. The defendant(s) may appear in person at the hearing with or without an advisor. Non-appearance of the defendant will not be interpreted as an admission of guilt.

a. The defendant(s) may agree in writing not to contest the case. The Board will then hear the written pleas or statements of the defendant(s), all other facts or evidence related to the case and render a decision.
b. If the defendant(s) does not notify the Board of his/her intentions and does not appear, the Board will proceed with a review of the case at the stated date, time, and place.

6. Other procedures of the Hearing Board are:

a. Normally all hearings will be closed to the public at the option of the defendant(s). The Chief Justice, or chairman, will have discretionary power to limit the number of observers.
b. A complete written or taped transcript of the hearing will be recorded and preserved until all and any appeals have been filed or heard for a minimum period of time.

PART III. Counsel or Advice

A. All parties to the grievance have the option and are encouraged to counsel with the Assistant Director of Student Activities about their personal rights in these procedures.
General Residence Hall Policy

Fire Drills
In compliance with the law, fire drills are held periodically - usually unannounced. When the fire alarm rings, the hall must be evacuated immediately. Residents who fail to comply with this requirement may be asked to move out of the hall since the University cannot be responsible for their safety.

Anyone found turning in a false alarm, tampering, damaging, or in any way using fire equipment or safety apparatus for other than its intended use will be immediately dismissed from the residence hall, fined, and subject to further action by the University authorities.

Electrical wiring or alteration of existing wiring by students is prohibited.

Alcoholic Beverages
The use, possession or furnishing of alcoholic beverages on the campus or in any University operated or related housing is prohibited. Intoxicants and/or containers are not permitted in any hall, or at any social function under University supervision, nor in cars parked on campus.

Illegal Drugs
The use and/or possession of drugs or narcotics classified as illegal is prohibited except for those legally prescribed by a licensed doctor of medicine.

Pets
Health standards prohibit animals and/or pets in any University building except for seeing eye dogs and animals maintained for educational purposes.

Firearms
Firearms, or anything that can be considered a weapon or used as such, are prohibited in student rooms. If any such item is brought to the residence hall, it must be registered and stored in an arms locker provided for this purpose. The University is not responsible for items stored on the premises. Possession or use of firearms or explosives (including fireworks) on campus or in the residence hall is forbidden.

Overnight Guests
Arrangements for overnight guests in the hall may be made if space is available. Permission from the Resident Director or R.A. must be obtained and registration of the guest is made at the main control desk.

THese REGulations ARE TO BE OBSERVED BY ALL RESIDENTS IN ALL HALLS. OFFenders ARE SUBJECT TO DISCIPLINARY ACTION.

Quiet Hours
Quiet hours for study are observed from 7:00 p.m. to 7:00 a.m., Monday through Thursday. Residents in the hall during these hours are asked to maintain a quiet atmosphere in deference to those who may be studying.

Quiet Hours Floors/Suites
Each residence hall provides the opportunity to live on a "quiet hours" floor/suite. This is designed for those students who would prefer a more extended quiet period and atmosphere suited specifically to study. The residents of these floors/suites enjoy all of the same services and programs available to the other students in the hall. If you wish to select this option, please so indicate on the application-contract form. Assignment will be made according to the date of application; if an insufficient number of students indicate this option, assignment will be made on the basis of the other indicated preferences for those individuals involved.

Visitation
Each residence hall will make recommendations concerning visitation to its Hall Council in accordance with guidelines established by the State Board. The Council will present these recommendations to the Director of Student Residential Life.

Along with regular visitation hours, the dorms' main lounges are open 24 hours daily. All visitors must be accompanied by a resident.

It is important that all residents attend all meetings in order that the details be completely understood. Once regulations for YOUR hall are established, it is the responsibility of each individual to become familiar with the final rules.
Student Organizational Policies

Student organization and activities policies are made jointly by the ASBSU Senate and the University Administration and are administered by the Director of Student Activities and Student Union. The Programming Office is located in the Student Union. The Director of Student Activities and Student Union and his staff are available for consultation and advice on policies, procedures and expenditures pertaining to student organizations as well as planning, scheduling, and implementing programs, activities, and social events.

A. ORGANIZATION DEFINED
1. Any group of students living or acting together electing officers, and/or assessing dues or fees for their mutual benefit.
2. All voting members and officers must be full-time students at Boise State University.
3. All groups of students fitting the definition of an organization in No. 1 above must be officially recognized by Boise State University through the ASBSU Judiciary and the ASB Senate.

B. RECOGNITION AGREEMENT
Basically, recognition of a group or organization extends the privilege to them of identifying themselves with the University and of using University facilities. The group agrees to accept those regulations and policies necessary for the protection of the University's essential functions, for equal sharing of time and space, and to assure the reasonable health and safety of the community. The student organization also agrees to restrict active membership to regularly enrolled full-time students, faculty and staff of the University and their families.

Prior to applying for formal recognition, a student group on campus may obtain permission from the Assistant Director of Student Activities to schedule three meetings in the Student Union Building for the purpose of organizing as a recognized group. Recognition of student groups does not mean that the University supports or adheres to the views held by positions taken by such groups. Responsibility for any actions which violate federal, state, or local laws must be assumed by the group itself. See Page 16 for specific requirements.

ACTIVITY SCHEDULING
A comprehensive "Master Calendar of Events" is maintained in the Programs Office of the Student Union. Any organization recognized by the ASBSU Senate may schedule, sponsor or hold activities utilizing appropriate University facilities, property, buildings and grounds, providing that all events are scheduled in the Student Union Operations Office for events held in the Union and through the Student Union Programs Office for events held elsewhere on or off campus. On Campus, telephone 1448 for further information.

Procedures
1. Social Chairmen or representatives of recognized organizations must contact the SUB Operations Office and obtain an "Activity Scheduling Form". The staff will be happy to offer assistance and instructions in filling out the form and scheduling your event.
2. Residence Hall and fraternity/sorority social activities are also required to be scheduled in advance with the Programs Office by the organization's social chairman. The Resident Director and the Resident Hall Activities Coordinator should be notified of the activities being held in a residence hall.
3. All student activities on or off campus, must be scheduled on an "Activity Scheduling Form" and listed on the Master Calendar of Events.
4. The sponsoring organization is responsible for the conduct, control, and handling of the event at all times. Maintenance, security or other staff present are there to assist, advise, and only if necessary, make a decision for the University when asked or in cases obviously beyond the control of the organization.
5. Tentative dates and room assignments for pending events in the SUB may be scheduled with the Operations Office. However, the event must be either definitely confirmed with a completed and approved "Activity Scheduling Form" or the dates canceled on the "Master Schedule" at least two weeks prior to the tentative date.
   a. No publicity may be released until the "Activity Scheduling Form" is completed and approved.
   b. All advertisement and posters must be removed the afternoon after the event.
6. Times for decorating the facility used should be indicated on the "Activity Scheduling Form", and must be confirmed in person with the Director of the facility used well in advance of the date scheduled.
7. "Activity Scheduling Forms" must be picked up at least three weeks prior to the event to allow adequate time for completion of the form (i.e. approval of dates and facilities) and for completing all necessary arrangements.
8. Without the approved "Activity Scheduling Form" the possibility strongly exists of conflicting dates, competitive events on the same date, and pre-scheduled facilities. It is in your best interest to make sure your event is organized and planned well in advance.

2. University Policy:
   a. All solicitation of students for funds for whatever purpose is prohibited on campus unless authorized by the Vice President for Student Affairs.
   b. No canvassing of the residence halls, Student Union or other university-owned buildings for potential customers is permitted. This includes door-to-door or person-to-person selling.
   c. Sales representatives may use certain restricted facilities in the Student Union Building with the express written consent of the Director of Student Activities and Student Union. They are also encouraged to advertise in the official University newspaper.

FUND RAISING

For the purpose of this handbook, the term “fund raising” refers to those events which intend to raise additional monies not included in the ASBSU budget through the solicitation of donations, the charging of admission, or the selling of products or services.

1. The authority to approve or disapprove all activities and requests involving the solicitation of funds or fund raising for whatever purpose is vested in the Vice President for Student Affairs.

2. In view of the above regulation, student organizations are unable to solicit funds on campus without prior approval. Student organizations should check with city officials for off campus solicitation regulations.

3. The Vice President for Student Affairs has delegated his authority as follows:
   a. Where fund raising involves the sale of products or services on the premises of the Student Union, prior application must be made and approval gained first from the Director of Student Activities and Student Union.
   b. For all other fund raising activities, including the charging of admission by recognized student groups, prior application must be made and approval granted by the ASB Senate, and/or SUPB through the Office of the Director of Student Activities and Student Union.
   c. In all cases of fund raising, applicant organizations are required to file written applications on the forms provided with the Programming Office.

SPEAKER'S POLICY

Reference: Idaho State Board of Education Policy Manual; Policy No. 707.2

Students and student organizations shall be free to express their views and to examine all issues of interest to them. They are also free to support causes by orderly and peaceful assembly which do not infringe upon the rights of others or with the regular and essential operation of the institution.

Scheduling of Speakers

Officially recognized student groups are allowed to invite or to hear any person of their own choosing. As with any activity, routine procedures are required before a speaker is invited to appear on campus. These procedures are desired only to insure orderly scheduling of facilities, financial responsibility, and adequate preparation for the event. University control of campus facilities will not be used as a censorship device. It shall be made clear to the academic and larger community that sponsorship of guest speakers does not necessarily imply approval or endorsement of the views expressed by either the sponsoring group or the University.

All recognized sponsoring groups or committees are to obtain an Activity Scheduling Form from the Information Center or Scheduling Office in the SUB, complete the necessary information and file the form with the Programming Office in the Student Union.

A. Political Speakers

Only Student Union facilities may be used for the presentation of a candidate's views during political campaigns and only when approved by the Vice President for Student Affairs.

B. Controversial Speakers

In highly controversial issues, it is recommended that speakers with opposing views be invited and given equal facilities and consideration. The sponsoring student group will not necessarily be held responsible for unforeseeable illegal actions on the part of their guest speaker, but will be held responsible if they have prior knowledge or intend themselves to sponsor events in violation of the law or to purposely incite illegal acts. Guest speakers are accountable for their actions under valid general laws and are not immune from legal action if so warranted.
UNLAWFUL CONDUCT OR INTERFERENCE ON UNIVERSITY PROPERTY

33-3715. Interference with conduct of institutions of higher learning - Legislative intent. The legislature, in recognition of unlawful campus disorders across the nation which are disruptive of the educational process and dangerous to the health and safety of persons and damaging to public and private property, establishes by this act criminal penalties for conduct declared in this act to be unlawful. However, this act shall not be construed as preventing institutions of higher education from establishing standards of conduct, scholastic and behavioral, reasonably relevant to their lawful missions, processes, and functions, and to invoke appropriate discipline for violations of such standards.

33-3716. Unlawful conduct - Penalty.
1. No person shall, on the campus of any community college, junior college, college, or university in this state, hereinafter referred to as "institution of higher education", or at or in any building or facility owned, operated, or controlled by the governing board of any such institution of higher education, willfully deny to students, school officials, employees, and invitees:
   a. lawful freedom of movement on the campus;
   b. lawful use of property, facilities, or parts of any institution of higher education; or
   c. the right of lawful ingress and egress to the institution's physical facilities.

2. No person shall, on the campus of any institution of higher education, or at or in any building or other facility owned, operated, or controlled by the governing board of any such institution, willfully impede the staff or faculty of such institution in the lawful performance of their duties, or willfully impede a student of such institution in the lawful pursuit of his educational activities, through the use of restraint, abduction, coercion, or intimidation, or when force and violence are present or threatened.

3. No person shall willfully refuse or fail to leave the property of, or any building or other facility owned, operated, or controlled by the governing board of any such institution of higher education upon being requested to do so by the chief administrative officer, his designee charged with maintaining order on the campus and in its facilities, or a dean of such college or university, if such person is committing, threatens to commit, or incites others to commit, any act which would disrupt, impair, interfere with, or obstruct the lawful missions, processes, procedures, or functions of the institution.

4. Nothing in this section shall be construed to prevent lawful assembly and peaceful and orderly petition for the redress of grievances, including any labor dispute between an institution of higher education and its employees.

5. Any person who violates any of the provisions of this section shall be deemed guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine not to exceed five hundred dollars ($500), or imprisoned in the county jail for a period not to exceed one (1) year, or by both such fine and imprisonment.
