Roundup, October 4

Associated Students of Boise Junior College

Although this file was scanned from the highest-quality microfilm held by Boise State University, it reveals the limitations of the source microfilm. It is possible to perform a text search of much of this material; however, there are sections where the source microfilm was too faint or unreadable to allow for text scanning. For assistance with this collection of student newspapers, please contact Special Collections and Archives at archives@boisestate.edu.
Three Teachers Leave Boise Junior College

Three teachers in Boise Junior College were given a year's leave of absence.

C. A. A.

Douglas B. Crockett was the head of the engineering department in the college. He is now at the University of Utah.

Calvin Emerson was the former chairman of the chemistry department and now a consultant in Boise.

Low, Norman B. Atkinson was a reserve officer in the National Guard with the 140th artillery. He is on the staff headed by Brig. Gen. McConnell, Colonel Atkinson had charge of psychology and education.

Anderson Appointed Boise Editor

Boise Junior College yearbook, the Les Bois, discussed plans with their new faculty editor, Betty Taylor. Holiday was appointed business manager, with Lois High, associate editor; Bill Stevens, advertising manager; Rosemary Bowers, and Allen Campbell, photographers, and Ralph Fraser, snap editor.

The rest of the staff will be unannounced, they will fill the vacancies this fall. Five girls from the sophomore class will be taken in, and any other girl has been grooming Merle Ellis, Bob Simmons, Donn Stevens, and Bert Fleischman.

Women's Lounge Filled

Many O's and AU's went round as the girls entered the women's lounge Tuesday. The room was transformed from a study room to floors to an exciting room filled with enthusiastic women.

Another pep assembly will be held tonight with a final grand prize on March 8th for any reason.

The faculty will be ready for the next pep assembly on March 8th, and the boyfriend to be placed on the sidelines with a hip-pad burn.

Coach Harry Jacoby has developed into a floor and with a final grand prize on March 8th, and the boyfriend to be placed on the sidelines with a hip-pad burn.

Coach Harry Jacoby has been going through hard pressures that have been grooming Merl Ellis, Bob Simmons, Donn Stevens, and Bert Fleischman.

...and charming with her long hair, day's work in our attempt to meet life. We are preparing ourselves for the P. S.-This may be a hint, col-

Knowledge to be gleaned for the subject that can and will be of value...there to achieve that success, we must use our education as a very exacting...that it is our kind of success that we are striving for, and to...each assignment but that is not in itself an exacting...we advance with our education the more important it becomes...to put too much emphasis on the...For these reasons it is impossible to put too much emphasis on the...in an environment natural to...you really realize the wonders of...most interesting part of the work...use your creative ability. The...plants that you planted grow to...One student was so interesting..."Bert's work took him through...that's not in itself an exacting...our education our as a very exacting...Neatness and preciseness...to resume school...for with our advance-

Success in life is measured by many different scales. To some the accumulation of a vast fortune is success; to others the benefit of an advanced and specialized knowledge in science, education, etc., is what the word success connotes. No matter what the word success connotes to most students, it is our kind of success that we are striving for, and to be able to achieve that success we must use our education as a very exacting...All Ce,:Power, Ellen Varkas and all...At this point in our education it is not only advisable to pay..."For these reasons it is impossible to put too much emphasis on the...as we advance with our education the more important it becomes...to put too much emphasis on the...in an environment natural to...you really realize the wonders of...most interesting part of the work...use your creative ability. No one can forestall the future, but it is easy to see how our classes will benefit us in later life; for the things we are given to do by our teacher to give us knowledge for over a period of many years, and from this study they deduce that certain subject fit into certain patterns of our lives. Here there are certain subjects that will be advantageous in our preparation. In this paper we can only see that there is a whole world of things important for us to realize that in each day's work we find a step which is leading us one step closer to the higher education. Here we are only beginning to be important that we get each day's assignment not just to be getting the assignment but so that we can get the work and then keep it in our brain so that its fullest use may be applied by us later when we need it.

As we advance with our education the more important it becomes that we put all we can get out of our classes. Our advancement in knowledge is only as good as we ourselves. In each class period it is important that we get each day's assignment not just to be getting the assignment but so that we can get the work and then keep it in our brain so that its fullest use may be applied by us later when we need it.

Show and Card Party
Given This Afternoon

E-Cube freshman girls are hand-
ing their fashion show and card party thursdaynight on the meza-
nine of the Overyea hotel at 2:00 p.
announcement Jean Abbey,

some ideas concerning their foot-
ball heroes and the boy’s group is
all about the sensational playing of
the Kapparich brothers, 150-
 pound lightweight guards of Car-
roll College. They aren’t only talk-
ing of Carroll College playing;
however, since the Broncos made
them something to think about by
good team, and the team. The
turnout to last Friday’s game was
excellent and the students proved
by their pep and enthusiasm that
they are really behind the Broncos.
Let’s keep up the good work.

chairman of the affair. The fash-
on show will start at 4:00 p. m.
