### Student Insurance Coverage

All registered full-time students paying full-time fees at Boise State University are automatically included under the University's medical insurance plan. The student is insured at home, at school, or while travelling—24 hours a day for the policy period.

Benefits become effective on registration or when fees are paid each semester. First semester benefits are effective on August 29, 1978 and continue to the first day of the second semester. Second semester benefits are effective from registration to August 29, 1979.

Protection is in effect during all vacation periods.

Students who are covered by family or other plans may obtain a refund through the campus representative for Boise State located in the ASBSU Office.

Boise State University carries liability insurance covering all on-campus official functions including student activities.
Admission to Athletic Events

Boise State students will be issued individual tickets for each home football and men's basketball game. These tickets will be available for pick-up at the Student Union and at the Varsity Center on the dates listed below for football. For the 1978-79 basketball season, student tickets will be available Monday through Friday the week of the game and student guest tickets will be available at the gym the night of the game. For football, student guest tickets are available until noon on Friday, the day before a home game or until they are sold out.

Students must present all forms of the student activity card at the time tickets are picked up and at the gates when entering the athletic event. There is no charge for a full-time student ticket.

A full-time student may purchase one (1) guest ticket for each game. The total number of student guest tickets sold for football will be 2,000. Part-time students may purchase one (1) ticket; a part-time student ticket is the same as a student guest ticket.

Idaho State University student tickets for the game at Pocatello will be available only at the Varsity Center. There will be a charge for these tickets. Watch the Arbiter for ticket pick-up details for this game.

The Athletic Department offers a student spouse activity card which is good for all regularly scheduled athletic events during the fall semester. The card will be available following registration. An admission ticket must be picked up for each student spouse card for each football and basketball game.

Admission to wrestling matches and track meets is free to full-time students. Admission to women's athletic events is also free to full-time students. I.D. cards must be shown. Part-time students and spouses will be charged a nominal fee.

Scholarship Parking System

(1) All “prime” parking spaces in the academic core of the Boise State University campus will be sold on a first come/first served basis to faculty, staff and students. Revenue derived from these sales will be channeled to a scholarship fund for superior students. Spaces will be sold for $30.00 per year or portion thereof. Purchase price must be paid in its entirety when decal is issued. Two dollars ($2.00) of the 30.00 will go into a parking maintenance fund, and the balance to scholarships. Reserved spaces will revert to open parking for general decals in the summer months. Parking spaces will be pre-numbered and will be incorporated in the following lots.

a. Administration Building
b. Library Building
c. Music Building
d. Liberal Arts Building East
e. Student Union Building
f. Health Center
g. Towers Lot - partial

(2) No reserved places will be given free to faculty, staff or students. All spaces will be sold. Visitor spaces will be provided in each lot for bona fide visitors to the campus. Spaces will also be allotted to service vehicles.

(3) Pre-numbered parking spaces in designated lots will go on sale August 1 for renewals and remain on sale through registration for new sales. Cutoff on sale of parking spaces will be effective September 10, 1978.

(4) Parking spaces purchased will be valid from 7:00 a.m.-5:00 p.m. daily except Saturday and Sunday.

(5) Violators in pre-numbered spaces will be assessed a $7.50 fine. Cars in violation may also be subject to tow-away.

(6) Persons purchasing pre-numbered parking spaces may park in open parking areas on occasion as the need arises without penalty.

(7) Faculty, staff and students not purchasing pre-numbered spaces may park in any open area, including the Towers Lot and campus streets, after the purchase of a regular decal. This decal is $3.00 for the year or any portion thereof.

(8) Handicapped students, faculty or staff members may purchase a pre-numbered space for the price of $3.00 on written advice from their physician.

(9) Each person purchasing space will be issued two (2) decals carrying their assigned number for their registered vehicles.

(10) The Stadium Lot will be the only parking available without decals. This will enable visitors, seminar participants, special meeting groups, etc. to park without violation.

(11) Enforcement will be administered by the City of Boise, with customary appeal rights to the City Traffic Court.

(12) Each person purchasing a pre-numbered space will have first option to repurchase the same space the following year up until August 12. After this date the space will go on sale to anyone during registration.

(13) Purchase of a pre-numbered space does not guarantee the space will always be available. Every effort will be made, however, to enforce the program.

(14) Motorcycles will be required to park in designated cycle parking and not in regular vehicle spaces. Motorcycle decals will be $3.00 per year.

(15) Each dormitory resident owning and/or operating a motor driven vehicle is required to register the vehicle with Parking Control Office. In addition, he must obtain a dormitory decal. The decal is to be placed next to the required Student Parking Decal on the left rear bumper. The parking decal cost is $3.00; there is no charge for the dormitory decal.

(16) University Court parking is for the married students of University Courts only. Each apartment is entitled to one space in this parking area. Visitors to this area are required to park outside of the University Courts parking lot. University Courts residents owning and/or operating a motor-driven vehicle must have a University Court decal. This decal is free and can be obtained at the Parking Control Office. It is to be placed on the left rear bumper. Each apartment is allowed only one (1) University Court decal.

(17) Touche Ross & Co., auditors for Boise State University, have stated that $28.00 of the $30.00 is tax deductible on itemized income statements.
Vice President for Student Affairs

If you need to see someone regarding a general question or problem, check in Room 110, first floor of the Administration Building, and ask for Dr. David S. Taylor, Vice President for Student Affairs. Dr. Taylor and his staff are available to advise on all of the services provided by Student Affairs personnel. Specific questions or problems on residency requirements, the Student Policy Board, other Student Affairs offices, student government, and all areas of counseling and advising are handled in Dr. Taylor’s office.

Student Advisory and Special Services
385-1583

THE PLACE TO GO WHEN YOU DON’T KNOW! When you need some information or advice about a class problem, tutoring, dropping out, or personal hang-up, who to see, what to do, or how to do it, come into Room 114 of the Administration Building and talk to someone from SASS (Student Advisory and Special Services).

Other services housed in the SASS area are the Office of Veterans Affairs (all veterans should check in here first), the Minority Cultural Center and Programs (our student assistant coordinates this program), International Students, Special Student Services, Tutorial Assistance and Handicapped Students. If you are contemplating a complete withdrawal from the University or want to file a petition or special request - start with SASS.

Tutorial Assistance
Student Advisory and Special Services offers tutorial assistance in as many subject areas as we are able to secure certified tutors. This program is a service to Boise State University students in need of additional help outside the classroom.

In cases where a student requests assistance in an area a tutor is not available, Student Advisory and Special Services will contact the instructor or the department chairman to locate a qualified tutor.

How to Become a Tutor
The first requirement for any student wishing to tutor for Student Advisory and Special Service is that they have completed an ACT form with Career and Financial Services, Room 117, Administration Building. After the results are received, a counseling session is held with a financial aid counselor to determine the number of hours the student is eligible to tutor. Following this procedure, prospective tutors must go to the department they wish to tutor for, obtain the signature of the chairman and determination of which specific courses the student is qualified to tutor. When the two requirements are met, the student is authorized to tutor for Student Advisory and Special Services.

Any student interested in receiving tutorial assistance or wishing to be a tutor is asked to contact Student Advisory and Special Services, Administration Building - Room 114.

Physically Handicapped Students
Special problems of the handicapped student are referred to the Office of Student Advisory and Special Services. This office, in cooperation with an Executive Task Force on Physically Handicapped Students, has been instrumental in eliminating a number of architectural barriers on campus and obtaining special equipment and special policies assisting handicapped students.

All handicapped students are encouraged to contact the Office of Student Advisory and Special Services if they have any questions or concerns.

Veterans Affairs 385-1679
This office provides services and assistance for all veterans enrolled at Boise State University and non-student veterans living in the University’s normal service area. The Veterans Coordinator, through an Outreach Program, informs and advises veterans of their eligibility for educational benefits and assistance. The office is responsible for establishing special education programs of a remedial, motivational, and tutorial nature that will assess veterans’ needs, problems, and interests. The Veterans Affairs staff will refer veterans in need of counseling to the other student assistance areas and to community agencies.

If you are contemplating withdrawing from the University, come to Student Advisory and Special Services for a withdrawal form. A staff person will do an exit interview and advise you of the clearance procedures. The office will try to assist you in handling some of your problems and will refer you to other student assistance areas or community agencies for help with special needs.

Financial Assistance
Boise State University has a comprehensive financial assistance program which includes a variety of types of scholarships, loans, grants, and part-time jobs for which one might apply. Due to the changes occurring in traditional financial assistance programs, students should arrange to see a staff member in Career and Financial Services during Fall Semester to learn what assistance might be available and how to apply.

Career Services
Career and Financial Services also provides information regarding career opportunities and career choice. Students are invited to utilize this service anytime during their university years to assist in the important decision of what to major in and what to do after graduation.

A part-time job referral service is maintained in Room 117, Administration Building.

Career and Financial Services also assists graduating students and alumni by providing information about job hunting techniques and employment opportunities. Graduating students are encouraged to establish a placement credential file with the office early in their final year. This permanent file contains references and other valuable information which can be provided to employers or graduate schools. The office also arranges for a variety of employers to interview graduating students right on the campus.

Student Residential Life 385-3986

No matter where you're living, the Office of Student Residential Life affects you. If you live in a residence hall, apartment, married student and family housing, or even if you're living at home, this office may be able to assist you. The office is concerned with making the student's residential experience meaningful and enjoyable.

Any individuals or groups of students with problems or questions related to their residential situation should come to Room 110, Administration Building, for assistance. The selection and training of the Resident Directors, Resident Advisors, and Residence Hall Officers are the responsibilities of the Office of Student Residential Life. The office also tries to identify the needs of students related to their residential experience, so that through individual counseling or new programs these needs can best be met. This includes married students, single parents, commuter students, and residence hall students. The office supervises all applications, assignments, and financial arrangements for on-campus and married student and family housing, and oversees the physical operation and maintenance of these facilities. It also maintains listings for off-campus accommodations.

RESIDENCE HALL RESOURCE PERSONNEL

Resident Director
Each residence hall has a Resident Director who is responsible for the overall operation of the hall and its government. The Resident Director (R.D.) works directly with the students in establishing the residence hall's organizational structure and social program. He/She assists in planning a diversified social, athletic, and educational program based on the needs and interests of the students. Your Resident Director is just as available and more than willing to meet with you for personal conferences, counseling, etc., as he/she is for official business. The R.D. actively encourages your participation in the planning and carrying out of various hall functions.

Resident Advisors
The Resident Advisors in each hall are selected upperclassmen who are responsible for the development of an effective hall unit. The R.A.'s responsibilities include advising students, referring student concerns to various campus services, assisting new students in their orientation to the campus, and being there to listen.

Residence Halls and Married Student and Family Housing
Boise State University currently maintains four residence halls (Chaffee, Towers, Driscoll, and Morrison) with accommodations for approximately 760 students. Married student and family housing consists of three units: University Courts, Heights, and Manor.

Boise State University does not offer residence hall accommodations for a period of less than an academic year. This agreement is binding for the entire school year, effective upon the signing of the application contract.

Eligibility to live in a Residence Hall or Married Student and Family Housing is dependent upon an individual being accepted by the University as a regularly enrolled student carrying 8 credit hours or more.

Residence Halls
A. $45.00 Application Fee and Security Deposit
The $45.00 application fee and security deposit, which is NOT to be construed as a partial payment for rent of quarters, must accompany this application-contract. After assignment, the deposit is held as a guarantee against loss and breakage of hall equipment and furniture and as assurance of compliance with the full terms of the contract. This will remain in effect for the following year, providing the student continues as a residence hall resident; otherwise the $45.00 will be refunded at the end of the year less any amount due the University. If a student does not fulfill his contract and leaves at any time during the academic year, the security deposit will be forfeited.

The University reserves the right to refuse any application for accommodations in University residence halls upon return of the deposit.

B. Cancellation of the Application Contract by the Student (prior to occupancy)
The application-contract may be canceled by the student at any time prior to confirmation of room assignment but not later than August 1 for the first semester and January 1 (new applicants only) for the second semester. Cancellations after these dates will forfeit the $45.00 security deposit.

C. Conditions for Terminating the Contract (after occupancy)
Students who wish to break their contract prior to the end of the year are subject to the following terms and conditions:
1. Under all conditions, a Petition to Break Contract must be completed with the Office of Student Residential Life.
2. Students will not be permitted to break their contract prior to the end of the academic year unless there are emergency considerations and/or contingencies such as marriage, graduation, withdrawal from school or transfer to another school.
3. Students who do not plan to return for the second semester must
still complete a Petition to Break Contract prior to the end of the fall semester.

4. A student withdrawing after assuming residence in the hall shall be obligated for the full amount of the room for the duration of the semester, or until another student from outside of the hall is assigned to that room, whichever comes first. The only exception would be if a student moving out finds a regularly enrolled full-time student who is not a hall resident to take his/her place. This option can be exercised only when there is no waiting list.

5. If a student's withdrawal involves critical illness which is verified, he/she may petition for a refund. If granted, he/she will be liable for the cost of room and board during the time of occupancy.

6. Students who violate rules or whose conduct is unsatisfactory may be asked to leave the hall and/or the University, forfeiting all payments, and vacating the hall within twenty-four hours.

7. Situations with extenuating circumstances which affect the health and welfare of the student will be reviewed by the Office of Student Residential Life; recommendations will be made to the Director of Student Residential Life.

8. Refunds for termination of the contract which are approved will be made on a pro rata basis for the unused portion of room and board payments made previously. Students who receive such a refund and who have been recipients of financial aid which has been applied towards their housing payments must assume the responsibility for repaying the appropriate financial agency from which they receive their funds.

D. General Residence Hall Regulations

Occupancy of a hall is a privilege extended to the student by the University. Continuation of this privilege is dependent upon his or her reasonable and satisfactory personal conduct and the observance of all University regulations.

1. Quarters are to be occupied only by the student for whom they are reserved. Neither room reservations nor meal tickets are transferrable.

2. The University respects the student's right to privacy; however, the University reserves the right to enter a student's room at any time for health, safety, welfare and maintenance purposes. This is usually done with advance notice. However, in cases where there is probable cause to believe that the student is or has been violating University and/or residence hall regulations, the University can enter a student's room. This right is exercised with great discretion.

3. All residence hall contracts are for both room and board. Contracts for room only are not available.

4. Students will be responsible for the furniture and fixtures in their rooms and for University property within the hall. Where individual responsibility for damages can be determined, the individual will be charged.

5. Students may not remove the furniture from the lounge areas.

6. Payment for damages during the academic year will not be taken out of or charged against the security deposit unless the damage charge is not paid. This deposit must remain intact until the end of the year or when the student leaves the University permanently.

7. Participation in fire drills is mandatory. Residents who fail to comply with this requirement and do not vacate the hall when the alarm rings may be asked to move out because the University cannot then accept responsibility for their safety.

8. Anyone found turning in a false alarm, tampering, damaging, or in any way using fire equipment or safety apparatus for other than its intended use will be immediately dismissed from the residence hall, fined, and subject to further action by the University authorities. Alteration of existing wiring by students is prohibited; this includes tampering with the speakers.

9. The use and/or possession of alcoholic beverages in other than the student's room is prohibited.

10. Possession of firecrackers, gunpowder and/or other forms of explosives is prohibited.

11. Quiet hours extend from 7 p.m. to 7 a.m. except on "quiet hours" floors/suites where the quiet period will be longer and will be determined by the residents of that unit.

12. Each residence hall permits visitation with the hours determined by the student residents.

13. A student cannot block or restrict access to his room by a University official.

E. University Regulations

All students are held responsible for knowing the University regulations and information set forth in the official catalog and Student Handbook. All University rules and regulations as well as residence hall regulations are specifically made a part of this contract by reference.

F. Program Fees

All residence halls have a required $15.00 program fee which is set and collected by each hall government at the time the student checks into the hall. This fee is used for programs, activities, and various types of interest group projects as desired by the students.

G. Hall and Room Assignments

All students must have a completed and signed application-contract filed with the Director of Student Residential Life before a hall and room assignment can be made. Halls and rooms are assigned on an adjusted priority system (returning residence hall students have housing priority), date of application and deposit, and ACCEPTANCE BY THE UNIVERSITY. If a specific person is desired
as a roommate, the two persons concerned should be certain that their applications are filed about the same date. If no one is requested as a roommate, it is then assumed that the applicant will accept the person assigned.

The preferences indicated by the student on the application-contract card regarding the desired hall, room size, and so forth, are not binding but will be honored whenever possible in making assignments.

H. Christmas and Spring Break
The residence halls are officially closed during Christmas and Spring Breaks. Any student desiring to remain in the halls for all of either of these periods or a portion thereof will be required to pay $2.25 per night.

I. Unclaimed Room Reservations
All room reservations unclaimed by midnight of the last day of regular registration for either semester will be canceled, and the $45.00 application fee and security deposit forfeited. If the holder of the reservation will be late in arriving, he must notify the Director of Student Residential Life prior to the above date by telegram, telephone, or letter.

J. Student Rooms
Because of health and safety standards, student rooms are inspected by two members of the staff. AT NO TIME MAY ARTICLES OR FURNISHINGS BELONGING TO BOISE STATE UNIVERSITY BE REMOVED FROM ORIGINAL PLACEMENT WITHOUT SPECIFIC WRITTEN APPROVAL. It is the responsibility of the occupants of each room to report any needed repairs immediately to the R.A. or custodian. It is recommended that all valuable personal items be insured.

K. Food Service
The Food Service provides three optional meal plans:
Option A: 7-day (20 meals: 3 meals Monday-Saturday; 2 meals Sunday)
Option B: 7-day (Any 14 meals)
Option C: 7-day (Any 10 meals)

There is no refund or "carry over" of meals not eaten in the dining room. The dining room will be closed during Thanksgiving, Christmas, and Spring Vacation.

Meal option changes can be made through the first week of the semester only.

Meal tickets are non-transferable. Students lending or borrowing meal tickets are subject to disciplinary action and/or fines.

No food shall be taken from the Dining Area, with the exception of sick trays which may be obtained by presenting a designated card with the signature of a Resident Advisor or Resident Director.

ALL RESIDENCE HALL STUDENTS ARE REQUIRED TO PURCHASE A MEAL TICKET. Because of health standards, students not properly dressed may be refused admittance to the dining room. The dining room is on the second floor of the Student Union.

L. Equal Opportunity and Availability Institution
The University is an equal opportunity institution, and offers its living accommodations without regard to race, color, national origin, or handicap (as provided for in Title VI and Title IX and Sections 503 and 504 of the Rehabilitation Act of 1973).

M. Mail Service
Individual or room mail boxes are provided for residents at the desk or main office on the first floor of each hall. Mail box numbers are issued each resident when they check in.

YOUR CAMPUS ADDRESS SHOULD READ:

Driscoll: 1100 Theatre Lane

N. Telephone Service
Residents of Chaffee and The Towers are issued his or her own personal Billing Code Card for the private telephone in the assigned room and are responsible for its use and security. DO NOT LEND IT TO ANOTHER STUDENT. Abuse or damage of equipment will mean discontinuance of service.

O. Parking
Assignment to a residence hall room does not involve any obligation on the part of the University to provide security of or to reserve a specific campus parking space for automobiles. Cars must be registered, and decals obtained from Parking Control during registration. All residence hall students are subject to the same traffic and parking regulations as other students.

Bicycle racks are located near the entrances to all halls and owners are advised to use strong locks to discourage theft. Motorcycles must be registered and a decal displayed before they can be parked in designated spots in the parking lots. Motorcycles are not to be parked or driven on the grass or sidewalks.

P. Residence Hall Student Government
Each residence hall has its own independent Student Government composed of a Council or Senate,
Executive Officers and a Judicial Board. The Council or Senate is the legislative body of the hall association and is generally composed of elected representatives from each floor or suite. The Executive Officers are elected in an all-hall election. The hall executive and legislative branches are directly involved in the planning and execution of activities, programs and policies of interest to all residents in the hall. They assist with the initiation or revision of residence hall policies.

Counseling and Testing Center
385-1601

This counseling service has been established to provide assistance to Boise State University students with personal, vocational and educational concerns. Its objective is to aid students to become more self-reliant and effective in their personal and social relationships. The service is based on the premise that at times many normal individuals have problems that they alone cannot resolve. Because of their particular circumstances, college students may have concerns of this nature with greater frequency than persons not in school. Both individual and group counseling is available.

The Counseling Center is also responsible for the administration of such nationwide testing programs as the American College Testing, Miller Analogies Test, College Level Examination Program (CLEP), etc.

Procedure
Any half-time (6 credits) or more Boise State University student may arrange to see a counselor about any matter of concern. The Center operates on the assumption that "talking through" a concern with a counselor is a most effective way of resolving the difficulty. While counselors do not necessarily give advice, they do provide information when appropriate. Frequently the counselor can respond in such a way that the student gains more understanding of himself. It is our belief that self-understanding and the application of systematic problem-solving techniques are the keys to the resolution of personal difficulties.

An appointment with a counselor can be made in person or by telephoning 385-1601. The office is located in the Library Building, Second Floor, Room 247. Interviews are scheduled for 30 to 60 minutes. Frequently several conferences with a counselor are indicated. In many situations a counselor can be seen "on the spot." An appointment may usually be made in a short time.

Hours
The office is open from 8:00 a.m. to 5:00 p.m., Monday through Friday.

Testing
A number of standardized tests are
available and, when it would appear beneficial, they may be administered to a student. Tests of interest, general ability, and special aptitude are most commonly utilized. Normally, the results of tests are more useful in stimulating self-analysis than in providing answers to problems.

Referrals
Individuals normally can profit from counseling only if they feel a need for this kind of service. Nevertheless, referrals of students by faculty members are frequently appropriate and are welcomed by the staff of this office. Some type of communication between the referring faculty member and the counselor is usually beneficial.

Confidentiality
No one talks openly about himself if he is afraid that he may be hurt in some way by revealing his feelings. To encourage openness, all matters discussed by the students are held confidential and only with written permission of the student is information released to others. No report of the counseling is made in any official university record.

Staff
By virtue of training and experience, all counselors in this office are well qualified to provide assistance to students. Most possess earned doctor’s degrees in Counseling Psychology or related fields. In addition, each counselor holds a joint teaching appointment in Psychology or Education which facilitates their understanding of the academic process. They are sensitive to the conflicts and concerns which confront many individuals.

The BSU Campus Store also provides a check cashing service, key duplicating, rubber stamp making, Xerox copying, and photo service for all members of the University community.

Minority Cultural Center
2256 University Dr. 385-3979

The Minority Cultural Center is in a sense an extension of the SUB. It provides a program of academic, cultural, social, and recreational services to all students. The Center was established to promote interaction, awareness, and cooperation between students of all races, and to bring about a greater understanding of the various ethnic, disadvantaged or special groups.

Many of the goals of the Minority Cultural Center include:
1. Establishing a self-help tutoring program.
2. Unity between minority students, white students, and the community.
3. Bridging student communication at BSU.
4. Promoting racial harmony.
5. Promote understanding of and a "self-awareness" among women and handicapped students.
6. Incorporating Black, Chicano, Native American and Asian cultures into the curriculum.
7. Providing a place for organiza-
8. Providing special events, dinners, panels, discussion groups, lectures, films, slide presentations, etc.

We feel the Minority Cultural Center will enhance the unity, racial harmony, communications, and understanding between ALL groups of University students and staff. Because of this coalition and the cohesiveness of minority, faculty, Student Affairs staff, and student government groups, many more improvements and new programs will be initiated and should contribute to the retention of students in the educational programs of the University. As students of Boise State University each should attempt to broaden one's background by sharing with others - the Minority Cultural Center is one more place to do it.

The Minority Cultural Center facilities include three meeting rooms, an office with two typewriters available for student use, portable chalk board, stereo unit, kitchen with limited equipment and lavatory.

eventually renovating at least one public facility in each campus building has been initiated to include placing mirrors, towel dispensers, etc. at levels accessible to students in wheelchairs, modifying doors, installing special telephones, street lights, and curb cuts where feasible. The University also schedules a special registration for physically disabled students, arranges class schedules and/or individualized courses, modified laboratory equipment or facilities and assistance with food trays in the dining areas. Other projects include removing permanent seats in lecture halls to provide space for wheelchairs, leveling sidewalks and trimming trees so blind students will not walk into low hanging branches. A pilot project of attempting to provide "attendant care" for quadriplegic students in the residence halls has also been moderately successful. The Task Force has an excellent working relationship with the University through the Dean of Student Advisory & Special Services. For information call 385-1583 or drop in to Room 114, Administration Building.

Executive Task Force on Physically Handicapped Students

The Executive Task Force on Physically Disabled Students evolved in the fall in 1974 from the extensive efforts of Henry Henscheid, former ASBSU Vice President (1972) and also a physically handicapped student. The ASBSU President and Student Senate approved the objectives and formation of the group and appointed the original members. The initial seven member Task Force has grown to now include approximately sixteen representatives from the student body, faculty, staff, and the community.

The Task Force's primary objectives are to: 1) identify facilities, programs, and activities with the physically disabled student in mind; 2) suggest alternatives and possible solutions to problem areas that affect physically handicapped students; and 3) make recommendations that will assist the University in responding effectively and positively with needed facilities and services for physically disabled students.

Working together the University and the Task Force have been able to eliminate or solve many unique problems and architectural barriers. Because of their foresight in making the campus accessible, the physically disabled student population at Boise State University has tripled in the last two years. For example, funds were obtained through the Idaho State Vocational Rehabilitation Service in 1974 to install an elevator in the Administration Building and a new elevator will soon be installed in the old Science Building. Over sixty-five ramps and curb cuts have been built on campus, of which eighty percent were installed especially for wheelchair and ambulatory students. A long term program of

The grade of incomplete can be given in cases where the student's work has been satisfactory up to the last three weeks of the semester. The returning student must contact the instructor and consider the following options:

1. Make up the work within the first half of the current semester.
2. Request of both instructor and department chairman an extension of time.
3. Re-enroll in the courses.
4. Request that the Incomplete be changed to a W.

If the student fails to contact the instructor by mid-semester, the instructor can, at that time, change the Incomplete to a "W" or elect to extend the Incomplete into the next semester. Within that next semester if the student contacts the instructor, the procedure outlined above can be followed. If there is no contact by the student, the instructor by mid-semester will change the Incomplete to a "W".

A student who receives a grade of "F" in a given course (if the course is still offered), may elect to retake that course to raise the grade. In respect to a course in Independent Study where the instructor refuses to permit the student to retake the study; where the student cannot secure permission from another instructor to accept the program of study, or where the instructor has left the institution, the grade of "F" upon recommendation of the department chairman, reverts to a "W".

Classification of Students

After registration, students are classified as Freshmen, Sophomores, Juniors, Seniors or Graduates.

Freshman - From 0 semester credits through 25.

Sophomore - From 26 semester credits through 57.

Junior - From 58 semester credits through 89.

Senior - 90 semester credits and over, but has not received B.A. degree.

Provisional - Has at least a baccalaureate or equivalent degree, admitted to the Graduate School. Undergraduate grade point average is not high enough to be regular status or taking undergraduate prerequisite courses.

Unclassified - Has at least a baccalaureate or equivalent degree, admitted to the University but not in a graduate program, taking courses of interest on all levels and not seeking a graduate degree or taking courses for certification, or has not met the specific requirements prescribed for admission to a particular graduate program.
A student enrolled and classified during the first semester is not reclassified at the beginning of the second semester.

A student enrolled for 8 semester hours or more will be considered a full-time student for fee paying purposes only.

For the purposes of student enrollment verification to banks, the Social Security Administration, Veteran's Administration, BEOG, Federal and State Grants-in-Aid, scholarships, other universities, etc., the following schedule will be used.

### Class Changes

Students may add or drop a class by securing a change in record card from their advisor. The change card must be signed by their advisor and the instructors involved. The change card should then be presented in the Registrar’s Office with your identification card for processing. The card is then cleared through the Business Office. The date on which the Registrar signs the card will be the official withdrawal date. It is important to check the academic calendar to become aware of the critical final withdrawal date. All classes withdrawn from until two weeks after Mid-terms are an automatic W. Any student who remains enrolled in a class after the final date for withdrawal and fails to complete course requirements will receive a final grade of F.

Appeal for emergency withdrawals after the final drop date shall be made through the Dean of Student Advisory and Special Services upon concurrence of the appropriate faculty member.

### Withdrawal From the University

**Withdrawal from Individual Courses:** A student may withdraw from individual courses by securing a change in registration card from his advisor, which must be endorsed by the advisor and each instructor involved, then presented to the Registrar for signature, and then cleared with the Business Office. The date on which the Registrar signs the change card will be the official withdrawal date.

**Complete Withdrawal from the University:** A student may officially withdraw from the University (all courses) only by securing a withdrawal permit from the Office of Student Advisory and Special Services and having it signed by same. This office will advise the student of the offices he must clear with before presenting the complete withdrawal to the Registrar’s Office. After clearance with the Registrar the student is sent to the Business Office for final clearance.

A student may withdraw from the University up through the tenth week of classes without penalty for failing work, and all final grades will be recorded as Withdrawal (W). (See University Calendar for specific date.)

No student may withdraw from the University during the last six weeks of a semester except for verifiable emergency and/or medical reasons, i.e., serious illness or injury to the student, death in the immediate family, etc. Students who remain enrolled after the last date for withdrawal and fail to complete the course requirements will be awarded final grades of “F”.

Appeal for emergency withdrawals after the final drop date shall be made through the Dean of Student Advisory and Special Services upon concurrence of the appropriate faculty member.

**Faculty Initiated Withdrawal**

The responsibility for withdrawing from individual courses rests with the individual student; but in certain situations the instructor may initiate the withdrawal.

1. If the student registers for the course but never attends.
2. If the student registers for the course, attends briefly, and then neglects to withdraw from the course.
3. If the student registers for the course on an audit basis but never attends, or attends for only a brief period.

In cases of a faculty initiated withdrawal the instructor will notify the office of the Vice President for Student Affairs of the impending action. The Vice President will then
notify the student. If no further effort is made by the student within two weeks after the notification, the instructor may then initiate the withdrawal.

Right of Appeal:
In cases where a strict application of this regulation seems - in the opinion of an instructor, advisor or a student - to work an unreasonable hardship, the Dean of Student Advisory and Special Services is authorized to grant exceptions.

Academic Probation and Disqualification
A student whose academic work indicates that he cannot continue in the University with profit to himself and credit to the institution will be placed on academic probation and, if he continues on academic probation at the end of his next semester of attendance, he will be subject to dismissal from the University.

Academic Probation
At the end of a semester (fall, spring or summer) undergraduate students who do not attain the cumulative grade point average required for the number of hours attempted are placed on probation for the next semester of enrollment.

The cumulative GPA will be computed on all credits attempted.

Students on academic probation will be automatically removed from probation at the time they earn a cumulative GPA equal to or higher than the minimum required for the number of hours attempted.

Disqualification
After being placed on academic probation, if a student continues on academic probation at the end of his next semester of attendance, he will be disqualified and dismissed from the University unless his/her GPA for the most recent semester of enrollment was 2.00 or higher.

In the event a student's cumulative GPA is below the minimum required but his/her GPA for his/her most recent semester of enrollment was 2.00 or higher, the student will be on continued probation.

Reinstatement
After being disqualified and dismissed from the University a student may be reinstated by submitting a petition to the academic dean of the school he/she was dismissed from and receiving favorable action on his/her petition.

Students who attend another institu-
tion while disqualified must meet the same standards as continuing BSU students when applying for readmission.

Students who are disqualified and reinstated by favorable action on their petitions are reinstated on academic probation.

Repeate Disqualification
It after being reinstated, a student fails to achieve either a 2.00 GPA during his next semester's enrollment or the minimum cumulative GPA required for his/her hours attempted, the student will receive a repeat disqualification.

If a student receives a repeat disqualification he/she will be dismissed from the University and cannot be reinstated to the University except by petition to and favorable action from his/her academic dean.

Students on repeat disqualification who are reinstated by favorable action on their petition must earn a minimum GPA of 2.00 for the semester reinstated or must raise their cumulative GPA equal to or above the minimum required or they will receive an additional repeat disqualification.

Forgiveness for Failing Grades
A student who has not been enrolled in a college or university as a full-time student for a period of two consecutive years may upon returning full time to Boise State University credit status and completing a semester of full-time work (12 hours or more) with a GPA of 2.25 for that semester make application to the dean of the school for removal of any "F" grade given by Boise State University. With approval of the dean of the school in which the student is majoring, the GPA will be recomputed to include all grades with the exception of those dismissed. No change will be made on the transcript of record. Application for changing an "F" grade must be made no more than two semesters after full-time re-enrollment at Boise State University.

Restrictions
Students on probation are ineligible for participation in University sponsored extra-curricular activities. (See Eligibility for Extra-Curricular Activities section of this Student Handbook.)

Student Records
When a student enters the University and submits the requested personal data, there is an assumed and justifiable trust placed upon the University to maintain security of that information for the protection of the rights of the student. In order to protect students against potential threats to their individual rights inherent in the maintenance of records, and the many disclosures requested regarding them, and in compliance with the Family Educational Rights and Privacy Act of 1974, the University has adopted BSU Policy 5-1 (Student Records). The policy statement in its entirety is contained in the Administrative Handbook of Boise State University. Any students, faculty, or staff who have questions regarding the Records policies of Boise State University may consult with the Vice President for Student Affairs.

STUDENT POLICIES & PROCEDURES

STUDENT BILL OF RIGHTS

Preamble
Ideally, each member of the University community assumes individual responsibility for his/her personal freedom and obligations. The university community expects all members to discipline themselves, individually and collectively, and it requires adherence to the standards of conduct appropriate for an academic community. It must and will take appropriate action when a member's conduct places the best interests of the community in jeopardy. Each student, as a member of this community, is responsible for being familiar with the policies of Boise State University.

Students are both (1) citizens and (2) members of the academic community. As (1) citizens, they enjoy the same freedoms of speech, peaceful assembly, and right of petition that other citizens enjoy. As (2) members of the academic community, they assume the obligations inherent in that membership and as representatives of the university. These obligations include a creditable demeanor for themselves first and the institution second, reflecting intelligence, maturity, concern for the rights of others, and regard for the education mission of the university.

For the purposes of applying this statement, a "student" is defined as any person who is regularly enrolled in the university as an undergraduate student, graduate student, or who is admitted as a non-matriculated student, or who is pursuing extension studies.

Freedom of Association
Students are free to organize and to participate in voluntary associations.
of their own choosing, subject only to reasonable university regulations insuring that such associations are neither discriminatory in their treatment of other members of the university nor operated in a manner which substantially interferes with the rights of others. Freedom of association may not be forbidden because of the general political or philosophical objectives of any particular group. However, campus groups or organizations are under a strong obligation to avoid representing their actions or views as those of the university.

Recognized Campus Organizations

A recognized organization is a group of BSU students organized for a stated purpose which has official recognition from the ASBSU. Affiliation with an extramural organization shall not of itself disqualify a student organization from institutional recognition nor from the use of university facilities, although reasonable provisions may be made to safeguard the autonomy of a campus organization from domination by outside groups. (See Student Handbook: Recognition of Student Organizations)

Freedom of Speech and Assembly

No rule shall restrict any student expression solely on the basis of disapproval or fear of his/her ideas or motives. Students and student organizations shall be free to examine and discuss all questions of interest to them, and to express opinions publicly and privately. Modes of expression or assembly that are manifestly unreasonable in terms of time, place or manner may be forbidden. This does not, however, abrogate the students' accountability as citizens to the laws of the larger society.

1. Students and student associations shall always be free to support causes by orderly and peaceful assembly which do not infringe upon the rights of others. Such expressions are to be made clear to the academic and larger community that they represent views of the students or student associations and not the university.

2. Student groups are allowed to invite and to hear any person of their own choosing. Routine procedures required by an institution before a guest speaker is invited to appear on campus shall be designed so as to insure that there is orderly scheduling of facilities and adequate preparation for the event. Institutional control of campus facilities shall not be used as a device of censorship. It shall be made clear to the academic and larger community that sponsorship of guest speakers does not necessarily imply approval or endorsement of the views expressed, either by the sponsoring group or the institution. (See Student Handbook: Speaker's Policy)

Freedom of the Press

There shall be no ideological censorship in the determination of printed matter available on campus; access to publications is not to be denied because of disapproval of their content. Any student publication supported by compulsory student fees or by substantial institutional subsidy shall, however, be subject to the rules and regulations of the State Board of Education acting as trustees of Boise State University or their designees.

Freedom in the Classroom

The classroom is not an unstructured political forum; it is the center for study and understanding of described subject matter for which the instructor has professional responsibility and institutional accountability. S/he should respect the confidential nature of the relationship between instructor and student. S/he should avoid exploitation of students for private advantage and should acknowledge significant assistance from them. S/he should protect student rights as defined herein. Control of the order and direction of class, as well as control of the scope and treatment of the subject matter, must, therefore, immediately rest with the individual instructor, free from distraction of disruption by students or others who may be in disagreement with the manner in which s/he discharges his/her responsibilities.

1. A student has the right to be informed in reasonable detail at the beginning of each term of the nature of the course, the course expectations, the evaluative standards and the grading system that will be used.

2. A student has the right to take reasonable exception to the data or views offered in the classroom and to reserve judgment about matters of opinion, without fear of penalty.

3. A student has the right of protection against improper disclosure of information concerning his grades, views, beliefs, political associations or character which an instructor acquires in the course of his professional relationship with the student.

4. Students shall have protection through orderly procedures against prejudiced or capricious academic evaluation. At the same time, they are responsible for maintaining standards of academic performance established for each course in which they are enrolled (See Student Handbook: Academic Grievance Board)

Student Records

When a student enters the university and submits the requested personal data, there is an assumed and justifiable trust placed upon the university to maintain security of that information for the protection of the rights of the student. To safeguard student privacy, student records are not to be made available to unauthorized on-campus or off-campus personnel without the express consent of the student. Administrative staff and faculty members are expected to respect confidential information about students which
Equal Protection

The University has an obligation to apply its rules equally to all students who are similarly situated. This does not mean, however, that the University is required to refrain from taking action against some offenders because there are others who cannot be identified or who are not similarly charged. If in violation of any rules or policies of the university, procedural fairness is guaranteed to any student of the university. Such fairness incorporates adequate notice of the charges, the opportunity for a fair hearing and the right of appeal. (See Student Handbook: Judicial Procedures)

JUDICIAL PROCEDURES

PART I. Filing Complaints

A. If any member of the University community feels he/she has a legitimate grievance against any other member or group of the University community, he/she should contact and consult with the Assistant Director of Student Activities. Likewise, if any member of the University community feels he/she has been discriminated against on the basis of race, color, religion, national origin, sex, or age (as provided for in Title VI and Title IX), he/she should contact the Assistant Director of Student Activities or the Affirmative Action Director. (For further information, see BSU Policy 6-2.)

The purpose of the consultation is to assess the validity of the grievance and to assure compliance with the procedures for filing complaints.

B. If, after such consultation, the plaintiff wishes to pursue the judicial process, the following should be secured:
1. A concise STATEMENT OF FACT, naming the defendant, the specific charges, the factual details of the incident, witnesses, date,
time, and place.

2. A STATEMENT OF FACT from each witness.

3. Any evidence, if applicable.

C. The Assistant Director of Student Activities will then counsel the plaintiff on the meaning of the charges, time and place of the hearing, and any other information the plaintiff may need.

PART II. Defendant's Rights

The Assistant Director of Student Activities notifies all parties or groups named in the official complaint that charges have been filed and requests the defendant(s) to come in for an interview and to respond to the allegations.

A. The defendant(s) must consult with the Assistant Director and file:

1. A STATEMENT OF FACT relating the factual details of the incident, witnesses, date, time, and place.

2. A STATEMENT OF FACT from each witness.

3. Any evidence, if applicable.

4. A waiver of NOTICE OF HEARING, if desired.

B. The defendant(s) is advised of his/her rights as prescribed below:

1. The defendant(s) is advised of the specific charges against him/her, the Judiciary Board Membership, and general procedures for a Board hearing.

2. The defendant(s) is also counseled as to the meaning of the charges; decisions of the Judiciary in similar cases; affect of a plea of guilty; provisions in the code pertinent to this case; date, time, and place of the hearing; and any other information the defendant(s) may desire regarding the judicial system.

3. The defendant(s) will be notified of the date, time, and place of the hearing at least seven (7) days before the scheduled hearing. The defendant(s) may, in writing, waive the seven (7) day notice of hearing.

4. The defendant(s) may elect in writing to waive a hearing and to have the case adjudicated by an appropriate Student Affairs Officer. In this instance, the avenue of appeal is through the appropriate Student Affairs Officer rather than a judicial body.

5. The defendant(s) may appear in person at the hearing with or without an advisor. Non-appearance of the defendant will not be interpreted as an admission of guilt.

   a. The defendant(s) may agree in writing not to contest the case. The Board will then hear the written pleas or statements of the defendant(s), all other facts or evidence related to the case and render a decision.

   b. If the defendant(s) does not notify the Board of his/her intentions and does not appear, the Board will proceed with a review of the case at the stated date, time, and place.

6. Other procedures of the Hearing Board are:

   a. Normally all hearings will be closed to the public at the option of the defendant(s). The Chief Justice, or chairman, will have discretionary power to limit the number of observers.

   b. A complete written or taped transcript of the hearing will be recorded and preserved until all and any appeals have been filed or heard for a minimum period of time.

PART III. Counsel or Advice

A. All parties to the grievance have the option and are encouraged to counsel with the Assistant Director of Student Activities about their personal rights in these procedures.

B. If requested, the Assistant Director's Office may recommend an advocate to the plaintiff(s) and/or the defendant(s).

C. The Assistant Director's Office does not decide or adjudicate in or on any infraction, dispute or case.

PART IV. Appeal Procedures

1. All petitions for appeal shall set forth a concise statement of facts clearly establishing one or more of the following grounds for appeal:

   a. The decision was unreasonable,

   b. The Board was biased,

   c. The Board misinterpreted the Student Code.

When a student appeals a decision of the previous judicial body, all recommended action is placed in a pending status until the appeal process has been exhausted.

In any case where new evidence is involved, there shall be a new hearing with the last judicial body to hear the case.

2. Appeals from the lower judicial body should be made to the next higher body, i.e., ASBSU Judiciary, or Student Policy Board, through the office of the Vice President for Student Affairs. All appeals must be in writing and submitted within seven class days of the decision with copies to the original and last judicial body. The appeal should include the reason for the appeal. In cases involving new evidence, the appeal should be submitted to the last judicial body, requesting a new hearing.

3. When a written appeal is received, the appropriate judicial body will convene to review the appeal and related written documentation in order to determine whether to accept the appeal. If an appeal is accepted, the appropriate judicial body may, at its own discretion, act on the appeal on the basis of written documentation or may conduct a new hearing. The review of an appeal will be done in a closed session.

4. Appeals from decisions of the Student Policy Board may be made through the office of the Vice President for Student Affairs. The appeal must be in writing giving full details of the case and specific evidence or justification for the appeal within seven class days of the previous decision.
HEARING BOARDS

Student Policy Board

By delegation of the President of the University, the Student Policy Board under the chairmanship of the Vice President for Student Affairs, is designated as the primary agency for the development and administration of the Student Code of Conduct, Student Judicial System, and other student policies and procedures relating to student life on the campus of Boise State University.

The Student Policy Board is the highest board in the judicial appellate structure and as such will hear appeals from cases heard by the ASBSU Judiciary. Recommendations for possible suspension or expulsion will be submitted through the Vice President for Student Affairs to the President of the University.

The ASBSU Judiciary Council and all other judicial bodies are subordinate to the Student Policy Board. The appropriate Student Affairs staff members working in their respective areas of responsibility have the authority to establish residence hall councils or standards committees to hear cases concerning violations of group rules and regulations. The council or committee may recommend, to the appropriate staff member, sanctions such as admonition, censure, probation, or disqualification and/or loss of privileges. The judicial bodies are subordinate to the ASBSU Judiciary.

The Student Policy Board is composed of two ASBSU Executive Board members, three student representatives, two members of the faculty, two Student Affairs staff members and the Vice President for Student Affairs who serves as chairman.

ASBSU Judiciary Council

The supreme judicial power of the Associated Students is vested in the ASBSU Judiciary Council whose authority is delegated from the University President and is derived from the Associated Students. The ASBSU Judiciary has the authority or original jurisdiction in all cases involving alleged violations of ASBSU and/or University regulations or policies. They will hear all complaints other than academic unless referred to a lower tribunal.

Appeals from decisions or recommendations of the ASBSU Judiciary will be made to the Student Policy Board. This procedure of appeals has been agreed upon and accepted by the Student Senate and the University President.

If the individuals charged with a university violation are in need of remedial or rehabilitative services, they may submit a written request to the Vice President for Student Affairs to have their case heard by a committee of faculty and staff, instead of the ASBSU Judiciary.

The ASBSU Judiciary Council has a variety of powers and obligations. The Council consists of five (5) students and two (2) tenured faculty members, all of which have equal voting power. The powers and obligations are as follows:

1. To determine the constitutionality of any ASBSU action and interpret the Constitution upon request of the ASB President or Senate.
2. To have original jurisdiction in cases of alleged violations of BSU or ASBSU regulations and other ASBSU actions.
3. To delegate judicial authority to lower ASBSU recognized judicial bodies.
4. To hear appeals from decisions of lower judicial bodies.
5. To enjoin ASBSU government officials from taking action contrary to the decisions of the ASBSU Judiciary.

Academic Grievance Board

The jurisdiction of the Academic Grievance Board is established to maintain high academic standards and performance and to protect objectivity and fairness in assigning, administering, and evaluating student performance in all matters of grievance pertaining to academic conduct, instructional procedure, or testing.

The Academic Grievance Board has the ultimate authority in academic matters. No appellate provision will be available at Boise State University.

Procedure:
In order to obtain a hearing by the Academic Grievance Board the plaintiff should:

1. Present the grievance to the faculty member concerned first, then the Department Chairman if no solution is reached, and finally the Dean of the school if there is no satisfaction with the first two contacts.
2. If the problem was not solved after contacting the professor, Department Chairman, or Dean of the school, then present the grievance to the ASB Vice President.
3. Once the ASB Vice President has accepted the complaint, the plaintiff is required to file the “Grievance Complaint Form”.
4. After the Grievance Complaint Form is returned, the ASB Vice President notifies the defendant of the complaint and requests him to respond on the “Academic Response Form”.
5. When the form is completed and filed, the Vice President of the ASB shall establish the time, place and date for the hearing.

The Board is empowered to mandate or recommend changes relating to
student grades and behavior and to recommend changes relating to academic conduct, instructional procedure, and testing.

Recommendations regarding students will be referred to the Vice President for Student Affairs. Recommendations regarding faculty members will be referred to the Executive Vice President.

The Academic Grievance Board’s membership consists of five (5) student senators, one from each school in the University, and one (1) from the division of Vo-Tech. Five (5) faculty, one from each school and one (1) from Vo-Tech, are appointed by the Chairman of the Faculty Senate, plus a representative from the Student Affairs staff appointed by the Vice President for Student Affairs. All members of the Grievance Board have equal voting power.

Residence Hall Judicial Boards

Each residence hall has its own Judicial Board to hear all cases which involve residents of the hall and infractions of all policies and procedures. The composition of each Judicial Board varies, but in each case is comprised completely of students within that particular hall. When a problem arises within or associated with a residence hall or with a member of a hall, it should first be taken to a Resident Advisor or the Resident Director and then to the Director of Student Residential Life. If a satisfactory solution is not reached through these people, then the complaint or problem will be referred to the Residence Hall Judicial Board. This body has original jurisdiction on all cases pertaining to that dorm. Any appeals from the Residence Hall Judicial Board hearings will be referred to the ASBSU Judicial Council.

BSU Panhellenic

When a sorority believes there has been an infraction, a written report signed by the accusing sorority with a copy provided for the accused must be submitted to the Panhellenic President within twenty-four (24) hours after the infraction is known.

A conference of representatives of the groups involved must be called immediately to reach an amicable solution if possible. If it is determined that an infraction has occurred or the question remains in doubt the case will be referred immediately to an ad hoc Judiciary Committee selected by the Panhellenic for a decision.

The Panhellenic President’s name, address, and phone number may be obtained from the Assistant Director of Student Activities.
STUDENT ORGANIZATIONAL POLICIES

Student organization and activities policies are made jointly by the ASBSU Senate and the University Administration and are administered by the Director of Student Activities and Student Union. The Programming Office is located in the Student Union. The Director of Student Activities and Student Union and his staff are available for consultation and advice on policies, procedures and expenditures pertaining to student organizations as well as planning, scheduling, and implementing programs, activities, and social events.

A. ORGANIZATION DEFINED
1. Any group of students living or acting together electing officers, and/or assessing dues or fees for their mutual benefit.
2. All voting members and officers must be full-time students at Boise State University.
3. All groups of students fitting the definition of an organization in No. 1 above must be officially recognized by Boise State University through the ASBSU Judiciary and the ASB Senate.

B. RECOGNITION AGREEMENT
Basically, recognition of a group or organization extends the privilege to them of identifying themselves with the University and of using University facilities. The group agrees to accept those regulations and policies necessary for the protection of the University's essential functions, for equal sharing of time and space, and to assure the reasonable health and safety of the community. The student organization also agrees to restrict active membership to regularly enrolled full-time students, faculty and staff of the University and their families.

Prior to applying for formal recognition, a student group on campus may obtain permission from the Assistant Director of Student Activities to schedule three meetings in the Student Union Building for the purpose of organizing as a recognized group. Recognition of student groups does not mean that the University supports or adheres to the views held or to positions taken by such groups. Responsibility for any actions which violate federal, state, or local laws must be assumed by the group itself.

ACTIVITY SCHEDULING
A comprehensive “Master Calendar of Events” is maintained in the Programs Office of the Student Union. Any organization recognized by the ASBSU Senate may schedule, sponsor or hold activities utilizing appropriate University facilities, property, buildings and grounds, providing that all events are scheduled in the Student Union Operations Office for events held in the Union and through the Student Union Programs Office for events held elsewhere on or off campus. On Campus, telephone 1448 for further information.

Procedures
1. Social Chairmen or representatives of recognized organizations must contact the SUB Operations Office and obtain an “Activity Scheduling Form”. The staff will be happy to offer assistance and instructions in filling out the form and scheduling your event.
2. Residence Hall and fraternity/sorority social activities are also required to be scheduled in advance with the Programs Office by the organization’s social chairman. The Resident Director and the Resident Hall Activities Coordinator should be notified of the activities being held in a residence hall.
3. All student activities on or off campus, must be scheduled on an “Activity Scheduling Form” and listed on the Master Calendar of Events.
4. The sponsoring organization is responsible for the conduct, control, and handling of the event at all times. Maintenance, security or other staff present are there to assist, advise, and only if necessary, make a decision for the University when asked or in cases obviously beyond the control of the organization.
5. Tentative dates and room assignments for pending events in the SUB may be scheduled with the Operations Office. However, the event must be either definitely confirmed with a completed and approved “Activity Scheduling Form” or the dates canceled on the “Master Schedule” at least two weeks prior to the tentative date.
   a. No publicity may be released until the “Activity Scheduling Form” is completed and approved.
   b. All advertisement and posters must be removed the afternoon after the event.
6. Times for decorating the facility used should be indicated on the “Activity Scheduling Form”, and must be confirmed in person with the Director of the facility used well in advance of the date scheduled.
7. “Activity Scheduling Forms” must be picked up at least three weeks prior to the event to allow adequate time for completion of the form (i.e. approval of dates and facilities) and for completing all necessary arrangements.
8. Without the approved “Activity Scheduling Form” the possibility strongly exists of conflicting dates, competitive events on the same date, and pre-scheduled facilities. It is in your best interest to make sure your event is organized and planned well in advance.

After becoming officially recognized by the ASBSU, a current list of officers must be filed each semester in the Programs Office. If the local group is affiliated with a national organization, the national's constitution or other information should be filed.

2. It is then sent to the ASBSU Judiciary for review, and an elected officer of the club or organization will be notified so that they may attend the review and answer any questions that might arise.

3. After the review and recommendation of the ASBSU Judiciary and completion of these requirements, the constitution is brought before the Senate for approval. An officer or representative of the organization shall be present when it comes before the Senate.

It is the policy of the University to oppose and prevent discrimination based on race, color, creed, national origin, physical handicap, or sex (sex: excluding organizations whose primary function is to provide social activities for their members). The University requires each organization to include a non-discriminatory statement in their national and local charter, constitution or by-laws.

7) Sources of financial support.

8) Affiliation with national group and their constitution (if any).

c. Failure to submit or report changes in the organization as required above.

d. Failure to submit a current roster of officers within ten days of an election (See paragraph 1C).

Withdrawal of Recognition: The Vice President for Student Affairs, ASB Judiciary, and/or ASB Senate may withdraw recognition whenever conditions of the recognition contract are violated or the rules and policies of the ASBSU and the University are violated. Prior to withdrawal of recognition the group will be warned, given the opportunity to take corrective steps, or be given a hearing before the appropriate board or council.

All campus organizations are subject to the rules and regulations listed under "Student Organizational Policies" in Section IV "University Policies and Procedures."
Eligibility for Extra-Curricular Activities

1. In order to represent Boise State University or any student organization in any extracurricular activity of an intercollegiate nature such as debate, student conferences, fraternal or organizational conferences, class related activity junkets, cheerleaders, etc., a student must:

The Student Policy Board encourages student campus organizations to set additional standards that they deem necessary and beneficial to that organization. The Policy Board feels that the duty of relieving a student from the position he/she holds because of lack of compliance with the aforementioned requirements is the responsibility of the appointing official of that organization.

3. Exceptions: Rule 1a does not apply to students engaged in activities that are required as part of a class or students participating in intramural sports.

Other University Policies

UNLAWFUL CONDUCT OR INTERFERENCE ON UNIVERSITY PROPERTY

33-3715. Interference with conduct of institutions of higher learning - Legislative intent. The legislature, in recognition of unlawful campus disorders across the nation which are disruptive of the educational process and dangerous to the health and safety of persons and damaging to public and private property, establishes by this act criminal penalties for conduct declared in this act to be unlawful. However, this act shall not be construed as preventing institutions of higher education from establishing standards of conduct, scholastic and behavioral, reasonably relevant to their lawful missions, processes, and functions, and to invoke appropriate discipline for violations of such standards.

33-3716. Unlawful conduct - Penalty.

1. No person shall, on the campus of any community college, junior college, college, or university in this state, hereinafter referred to as "institution of higher education", or at or in any building or facility owned, operated, or controlled by the governing board of any such institution of higher education, willfully deny to students, school officials, employees, and invitees:
   a. lawful freedom of movement on the campus;
   b. lawful use of property, facilities, or parts of any institution of higher education;
   c. the right of lawful ingress and egress to the institution's physical facilities.

2. No person shall, on the campus of any institution of higher education, or at or in any building or facility owned, operated, or controlled by the governing board of any such institution, willfully impede the staff or faculty of such institution in the lawful performance of their duties, or willfully impede a student of such institution in the lawful pursuit of his educational activities, through the use of restraint, abduction, coercion, or intimidation, or when force and violence are present or threatened.

3. 4. Nothing in this section shall be construed to prevent lawful assembly and peaceful and orderly petition for the redress of grievances, including any labor dispute between an institution of higher education and its employees.

5. Any person who violates any of the provisions of this section shall be deemed guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine not to exceed five hundred dollars ($500), or imprisoned in the county jail for a period not to exceed one (1) year, or by both such fine and imprisonment.
SPEAKER'S POLICY

Reference: Idaho State Board of Education Policy Manual; Policy No. 707.2

Students and student organizations shall be free to express their views and to examine all issues of interest to them. They are also free to support causes by orderly and peaceful assembly which do not infringe upon the rights of others or with the regular and essential operation of the institution.

Scheduling of Speakers
Officially recognized student groups are allowed to invite or to hear any person of their own choosing. As with any activity, routine procedures are required before a speaker is invited to appear on campus. These procedures are desired only to insure orderly scheduling of facilities, financial responsibility, and adequate preparation for the event.

University control of campus facilities will not be used as a censorship device. It shall be made clear to the academic and larger community that sponsorship of guest speakers does not necessarily imply approval or endorsement of the views expressed by either the sponsoring group or the University.

All recognized sponsoring groups or committees are to obtain an Activity Scheduling Form from the Information Center or Scheduling Office in the SUB, complete the necessary information and file the form with the Programming Office in the Student Union.

A. Political Speakers
Only Student Union facilities may be used for the presentation of a candidate's views during political campaigns and only when approved by the Vice President for Student Affairs.

B. Controversial Speakers
In highly controversial issues, it is recommended that speakers with opposing views be invited and given equal facilities and consideration. The sponsoring student group will not necessarily be held responsible for unforeseeable illegal actions on the part of their guest speaker, but will be held responsible if they have prior knowledge or intend themselves to sponsor events in violation of the law or to purposely incite illegal acts. Guest speakers are accountable for their actions under valid general laws and are not immune from legal action if so warranted.

FUND RAISING

For the purpose of this handbook, the term "fund raising" refers to those events which intend to raise additional monies not included in the ASBSU budget through the solicitation of donations, the charging of admission, or the selling of products or services.

1. The authority to approve or disapprove all activities and requests involving the solicitation of funds or fund raising for whatever purpose is vested in the Vice President for Student Affairs.

2. In view of the above regulation, student organizations are unable to solicit funds on campus without prior approval. Student organizations should check with city officials for off campus solicitation regulations.

3. The Vice President for Student Affairs has delegated his authority as follows:
