It's homecoming tonight! The big day in a college student's life has arrived and Boise Junior Col­
lege students are excited. As the parade rolls by, the students will be waving flags, cheering, and dancing to the rays, bonfire, and games.

Jean Anderson was in charge of the parade and rally in assembly this morning. She was assisted by Leslie Schwertb, Bob Goett, Phyllis Wakeman, and Bill Hillman. Marvin Munyon is gen­
eral chairman of the homecoming week. A radio program will be given sometime later in the fall to advertise the games.

At 6:15 tonight a caravan of cars will form at the high school gymnasium to be led by those in the pep band, under the direct­
ion of Charles Johnson, to the junc­
tion of Broadway and River Road, where a bonfire and rally will be held. A Carolee and Jean Anderson and Tom Collins are in charge of the bonfire and rally. The game with Lewiston will be held this week and start at 8 p.m. at Chaffee Stadium.

After the game an informal dance will be held at the Elks' ballroom. The music will be fur­
ished by Bob Hays' orchestra. Alumni are invited and may obtain sides for 50 cents at McCauley's from noon to 2 p.m. and 4 to 7 p.m. Junior Normal-Denver will be admitted by ticket only, but they may bring guests. Both Junior and Normal-Denver are on the alumni committee.

The chairman of the dance is Jegge Giaimianu. Jegge is in charge of the decoration committee, and is assisted by Phyllis Wakeman, William Hugen, Jean Anderson, Jean Collins, Elva Adams, Rose­
mary Baker, and Charles Rich­
derwood. The music will be provided by the orchestra committee, assisted by Franklin Smith, Dick Mclaffet, and Charly Kegels.

Gloria Williams has charge of all decorations, assisted by Charles Perry, Gertrude Gillespie, John Repro, Miriam Curtis, and Leslie Schwertb. On the music committee are Bob Hays, chairman, Dick Mclaffet, and Robert Harper. Jean McGee is chairman of the patrol and faculty committee, as­

E. O. N. Beats Boise in Hard-Fought Game

By JACK RATHKE
Eastern Oregon Normal in one of the
powerful second quarter drive put
over the touchdown that defeated the
Junior College Broncos by a touchdown at Cheyenne Field, Satur-
day night. It gave J. C. a chance to see Coach Harry Jacoby's boys
in action for the first time. True, the boys came on the short end of the game, but
it was a hard fought, thrilling af-
fair from the start. It left little
doubt in the minds of the fans that they
will see some bang-up games from
the Broncos this year.

Eastern Oregon's score came
midway in the second period when
Wilson, the Montana's right
back, started from his own 30-
yard line to weave in and out of
the Boise defense for a 30-yard gain. After a series of alternating-
runs by Andrews, Rinkeart and
Wilson, Quarterback Rinkeart plowed across from the two-yard line for the only score of the game.

Tony Out of Game for Year
Coach Harry Jacoby said early this week, it was very unlikely that Tony Poveda would play any more football this year.

New Members of Faculty Welcomed
Sophomores have probably wondered at the disappearance of a few familiar faces and the appearance of some new ones. Pocatello's loss is our gain. Miss Dorothy Landine, who has been teaching at Pocatello, is now teaching here, taking the place of D. M. Mitchell who is studying at Stanford.

Miss Helen R. Lewis, who hails from Oregon State, has already made a hit with the girls of B. J. C. She replaces the physical education instructor, Dale Whitter, who became Mrs. Merchand of Los Angeles.

Fred Livesey, former debate coach of Boise High School, has taken over that branch in the college this year.

Dr. Joseph Spulnik, another Oregonian, is taking the place of Dr. C. D. Meyers, who is working for the Dupont Company.

President Chaffee's new secretary is Miss Lorie Baxter. Mrs. Virginia Leach Anderson is temporarily filling the place of Winona Ellis, who is attending the University of Washington.

We miss the old familiar faces, but at the same we extend our best wishes and welcome to the new members of the faculty.

Point System of W. A. A. Introduced
Climaxing the first meeting of the Women's Athletic Association on Wednesday, October 1, at 4 p.m. was the introduction of a new point system enabling all members to obtain a B. J. C. letter through participation in sports activities. President Joan Arrisile explained that the letter will be awarded only when a total of 100 points has been gained through leadership, committee work, and activities.

The president's explanation continued with a brief summary of the purposes and membership of the organization. The W. A. A. is organized to assist in the promotion of a recreational program of sports and dancing and through this program creates an appreciation for the activities in the field of physical education. Membership is open to all women students and the only requirement is that each member participate in one activity group during the term.

After the reading and approval of the constitution and by-laws, President Joan Arriola introduced the following officers: Betty Shnitgitch, vice-president-treasurer; Betty Bluh, secretary; Shirley Kroeger, publicity director; Marjorie Priest, head of sports. The advisor of the Women's Athletic Association is Miss Helen Fletcher, director of the department of physical education for women.

Future Teachers of America Club met on October 6, and decided to continue the collection of old textbooks to be placed in a museum, a project which was started last year. The books must have been used in schools before 1900, so a comparison can be made between teaching methods of that time and the present. The group voted to sell Christmas cards to raise funds for the organization, and to hold monthly meetings at 8 o'clock the second Tuesday of each month.

Maryanne Wood was hostess to the club at its first meeting, where Miss Laura Brennan, elementary supervisor of the Boise schools, discussed the ethics of the teaching profession. At this meeting Mary Margaret McGrath was elected president; Joan Arriola, vice-president; and Margaret Roush, secretary. The Boise Junior College chapter of the Future Teachers of America was the third in the state to be organized, and is a local chapter of the national organization. Anyone interested in becoming a teacher may join.

Sophomores enrolled in the teaching course will receive their first teaching assignment from October 27 to December 5. These will instruct grades 1, 2 or 3 at that time. Last week they observed the first grade, this week the second grade, and next week they will observe the third grade at work.

According to Mr. Orby D. Cole, acting head of the education department, all members of the 1941 graduating class completing certain criteria requirements are now teaching. This includes: Mary Clark, grades 1-8; Star; Eleanor Edgar, 1-8, Daggert Creek; Nancy Fairchild, 3, Central; Lois Fisher, 5-6, Brick; Eleanor Vogel, 1-8, Liberty; Florence Thompson, 5, Franklin; and Luella Springer, 1-8, Boise Rodeo.
