TUITION AND FEES POLICIES

TUITION AND FEES

All of the fees, tuition and other charges are due and payable for registered students by the deadlines established prior to the beginning of each semester in the Academic Calendar. Students who register after the fee payment deadline are required to pay within 48 hours of registering. Special fees and overload fees are due and payable at the time registration fees are paid.

REFUND POLICY

When a regularly enrolled student drops or withdraws from Boise State University, a refund of registration charges including nonresident fees will be given on the following basis:

- Before classes begin, 100%
- During first five days of classes, 100% less a $25.00 processing fee. This refund includes tuition, fees and special fees. Overload fees are never refunded. Private music lessons are refunded only during the first week of class.
- During the second five days of classes, 50% less a $25.00 processing fee. This refund includes tuition, fees and special fees. Overload fees are never refunded.
- After the 10th day of class, NO REFUND.

This policy also pertains to part-time students, including special evening classes. No special consideration is given to late registrants in extending the refund policy. The University reserves the right to deduct from the refund any outstanding financial obligations a student may owe. Upon completion of the drop or withdrawal process, a refund check will be prepared and issued in approximately three weeks from the date of the drop or withdrawal.

Refunds for weekend classes are honored on the Monday following these deadlines. Compressed classes and those that meet less than a full semester are subject to an equivalent refund calculated on a proportional basis.

Refunds for workshops: 100% refund prior to first day of class, 75% refund prior to 4 p.m. first day of class, no refund of processing fees.

Refunds are based on the date of the drop or withdrawal, not from the date of the last attendance of class.

Students who drop or withdraw during the refund period and have used financial aid funds to pay all or part of registration fees, tuition or room and board costs will be refunded based on a financial aid repayment formula.

All inquiries concerning fees, fee payments and refunds should be directed to the Payment and Disbursement Center, Room 211, Administration Building, 385-3699, 385-4068.
All full-fee (eight or more credit hours) paying students are covered under the University's Student Health Insurance Program. The premium is included in the fee schedule for each semester. Coverage begins on the first day of classes, or if fees are paid late, on the day fees are paid. Students are insured at home or school, while traveling and during all vacation periods 24 hours a day for the policy period. Coverage for the fall semester begins on the first day of class and ends on the first day of the spring semester. Spring semester benefits continue until the first day of the fall semester.

Part-time students enrolled for three or more credit hours may enroll for the Student Health Insurance at registration if they so desire. The premium is payable each semester in the Payment and Disbursement Center during the first 30 days of each semester. No billings will be sent for the insurance premium.

Dependent coverage is available to dependents of the above students. In order to purchase dependent coverage, the student must also be insured under the Student Health Insurance. Students may enroll their dependents by completing the enrollment form which is attached to the brochure, and paying the premium to the Student Health Insurance Representative in the Payment and Disbursement Center. Dependent coverage is on a voluntary basis and billings will not be sent.

Refund Policy: Any student with existing health insurance coverage may exempt themselves from participation in the Student Health Insurance Plan by signing the appropriate section (step 3) of the student bill. This exemption must occur prior to or at the time of fee payment. For additional information, please contact the Health Insurance Representative located in Room 213 of the Administration Building.

ENROLLMENT SERVICES

Administration Building, Room 105 • 385-1177

Enrollment Services attracts, assists, and admits students to Boise State University. The department staff promotes the University to prospective students, advises them through the college entry process, and checks to make sure that applicants meet BSU admission standards. If you know of someone who would like to attend BSU, or if you have questions about the entry process or requirements, call Enrollment Services.

New Student Information Center
Northeast entry, Student Union • 385-1820, 385-4254 (TTY)

The New Student Information Center provides prospective students with the information they need to explore what Boise State can offer them. Enrollment counselors advise high school students, transfer students, nontraditional students and minority students about BSU offerings and the college-entry process. Staff recruit from throughout the Northwest and hold a variety of informational programs about BSU. They also host students visiting the campus, give campus tours, and respond to voice, mail and electronic inquiries from across the country.

Undergraduate Admissions Office
Administration Building, Room A101 • 385-1156

The Admissions Office processes undergraduate applications for admission to Boise State University. Students applying for degree-seeking admission to the University are typically asked to submit an application, application fee, high school or college transcripts, and ACT or SAT scores (for students under 21). Based on these materials, the Admissions Office considers students for admission to the University. Sometimes students are admitted with conditions; students admitted with Provisional, Conditional or Special status have requirements they must fulfill before they will be allowed to continue their studies. If you have questions about BSU’s entry requirements or about any conditions you must fulfill as part of your admission, contact the Admissions Office.

The Admissions Office also processes nondegree-seeking applications for admission, allowing for a quick and convenient process for students who simply want to take courses of interest on a part-time basis.
As long as you remain continually enrolled in the fall and spring semesters at Boise State, you do not need to reapply for admission. However, if you skip a fall or spring semester, you must reapply by the admission deadline before you can re-enroll.

Applied Technology students should go to the Larry G. Selland College of Applied Technology Student Services in the Technical Services Building, Room 111.

FINANCIAL AID

385-1664

The primary purpose of financial aid is to provide financial assistance and counseling to students who would be unable to attend the University without such help. Financial aid is available to fill the gap between the student’s potential resources and yearly educational expenses. The ultimate responsibility for meeting educational costs rests with the individual student and parents.

The Financial Aid Office is located in Room 117 of the Administration Building and has a comprehensive financial assistance program which includes a variety of scholarships, loans, grants and part-time employment. Financial aid eligibility is determined by a careful analysis of the student’s financial resources from information furnished on the Free Application for Federal Student Assistance (FAFSA). A uniform method of analysis mandated by Congress determines a student’s financial need. Every attempt is made to ensure a fair distribution of the resources available to the University. Students should contact the Financial Aid Office early in the semester prior to the first semester of enrollment to learn what assistance might be available and how to apply.

Confidentiality
All information in your financial aid file is considered confidential and will not be shared with anyone—including your parents, spouse, roommate, friends or an outside agency—without your written consent. You may come to the Financial Aid Office to complete a release form if you want to provide access to your financial aid file to any person or non-federal agency.

Emergency Loans
Students who have unexpected expenses can apply for an emergency loan up to $250 once per school year. Generally, students must be in good academic standing and be enrolled in at least 6 credit hours. Students must complete an application and supply documentation of the emergency situation as well as indicate how the loan will be paid back. If eligible for the loan, students can usually have the money within 24 to 48 hours.

Quality Assurance Program Review
Each year after financial aid is awarded, the Financial Aid Office conducts an in-depth review of both the application information submitted by students and the awarding process conducted by the office staff. This review is part of the US Department of Education’s Institutional Quality Assurance Program. Selection of students for participation in this review is statistically random and financial aid recipients must comply with the request for further information. Financial aid recipients who are selected but fail to complete this process will be required to repay all financial aid monies received.
Reasonable Academic Progress Policy

General Requirements

To receive financial aid, an eligible student must:

- be admitted and enrolled for the purpose of obtaining a degree, diploma, or certificate (students enrolled for the purpose of interest and unclassified masters are not eligible);
- be in good academic standing (i.e., not on probation or dismissal);
- be progressing toward a degree/certificate at the minimum rate;
- complete degree requirements within the maximum credits allowed in this policy.

Credit Information and Requirements

1. All students will be required to complete at least 75% of all credits attempted. Example: A student attempts 18 credits during fall semester and 9 credits during spring semester for a total of 27 credits attempted. If the student completed at least 21 credits, the 75% rule of the reasonable academic standard has been met. (See section titled "Reasonable Academic Progress Review" for other examples.)

2. Credits attempted are defined as all classes for which a student receives a passing grade, an 'F', an 'I', or a 'W'. (The 'W' is recorded on withdrawals or dropped classes. This period differs in the summer terms.)

3. Credits completed are defined as all classes for which a student receives a passing grade of 'A', 'B', 'C', 'D', or 'P'.

4. Development courses (E-010, etc.) will be counted as credits attempted. They will also be counted as credits completed if a passing grade is received for the course.

5. Audit credits do NOT count either as credits attempted or completed.

Grade Point Requirements

To be eligible for financial aid, a student must maintain a cumulative BSU grade point average above the probationary level (as determined by the State Board of Education).

</tr>
</tbody>

A student transferring to BSU from another college or university must have a minimum GPA of 2.00 from that institution. University academic standards require a student admitted on probationary status to obtain a 2.00 GPA their first semester at BSU.

Maximum Credits Allowed for Completion of Degree/Certificate

Students are expected to complete their degree requirements within a reasonable time period. The maximum attempted credits allowed to complete a degree or certificate will be 150% of the credits needed to complete a specific program. These totals are published in the BSU catalog. The total credits attempted will be cumulative (see definition of credits attempted in the "Credit Information Requirements" section). Some examples are listed below.

- MA Special Education requires 33 credits; 50 credits would be allowed.
- BA English requires 128 credits; 192 credits would be allowed.
- Associate in Broadcast Technology requires 69 credits; 104 credits would be allowed.
- Certificate - Industrial Maintenance Technology requires 32 credits; 48 credits would be allowed.

Progression Toward Higher Degree

Normal advancement must be made between degree programs (certificate to associate; associate to bachelor; bachelor to master; but not bachelor to associate, etc.).
Reasonable Academic Progress Review

A review of all financial aid files is done at the end of spring semester to see if students have satisfactorily completed at least 75% of their credits attempted during the previous 12 months.

When a student applies for aid for fall 1998, spring 1999, and/or summer 1999:

1. If the student attended summer 1997, fall 1997, or spring 1998, those are the semesters which are examined to see if the student completed at least 75% of the credits attempted during this time period. If the student attended only one or two semesters, the credits attempted during just those particular semesters will be examined.

2. If the student did not attend any of the three above mentioned semesters, the last time the student attended BSU will be examined to see if the student completed at least 75% of all credits attempted during a similar 12 month period. (Note exception #1 in the "Limited Financial Aid Status" section.)

If a student attends BSU summer 1997, fall 1997, and/or spring 1998, those semesters are the ones examined when the student applies for financial aid for the 1998-99 academic year.

Future aid will be stopped for all students not meeting the Reasonable Academic Progress standards. A student whose financial aid is stopped has the right to file a written appeal for an exception from termination of financial aid.

Limited Financial Aid Status

The following students will be granted limited financial aid status for one semester:

1. Students who have credit deficiencies but have not attended BSU for more than three years.

2. Students who transfer to BSU with a probationary GPA.

Appeal Policy:

STUDENT RESIDENTIAL LIFE

The Office of Student Residential Life assists students with their residential experience. It is responsible for the residence halls and University apartments. Students with problems or questions related to their housing situation can come to the Administration Building, Room 214, or call 385-3986 for assistance.

The office seeks to enhance the residential experience by providing individual assistance and educational programs for married students, single parents, single students, and residence hall students.

The office supervises all applications, assignments and billings for on-campus and University apartments and maintains listings for off-campus accommodations.

RESIDENCE HALLS

The University has four residence halls, serving over 880 students: J.B. Barnes Towers is a coed hall for 300 students; Chaffee Hall, also coed, has a capacity of 429; Driscoll and Morrison Halls accommodate 80 students each, with Driscoll serving as a coed facility and Morrison as an upperclass coed hall.

How to Apply

Applications are available upon request. The completed form and a $75 application fee/security deposit should be returned to the Payment and Disbursement Center, Administration Building, Room 211, as soon as possible to ensure assignment.

Residence Hall Student Government

Each hall has a Hall Council made up of elected executive officers and floor(suite) representatives. This organization has a very direct voice in the programs and policies governing student life in the respective halls.

Residence Hall Association (RHA)

RHA is the organization which represents the central governing body of the students in the residence halls, with the Resident Directors serving as advisors. It is affiliated with the national organization, and is directly involved in programming and policies for the halls.

Resident Advisors (RAs)

Each hall has Resident Advisors who are selected students trained to assist the residents. The RAs serve as resource people, advise students and student groups, help individuals with problems, implement policies, listen and offer assistance.

Residence Hall Judicial Boards

Students who are suspected of a violation of a University or residence hall policy are referred to a Judicial Board composed entirely of students. Students have the right to appeal to the Associated Student Body Judiciary Board.
Program Fees

The residence halls have a required program fee. The fee is used by each hall government for social programs, activities and a variety of interest group projects selected by the students.

Semester and Spring Breaks

The residence halls are officially closed during semester and spring breaks. Any student desiring to remain in the halls for all or either of these periods or a portion thereof will be required to pay a per night rate.

Residence Hall Acceptance

Accepting and processing the housing contract by the Student Residential Life department does not constitute approval of academic admission to the University and the application for admission is not an application for housing.

Contract

Housing is provided to students who agree to contract for the academic year or for the remainder of the academic year should the student move in after the year begins. Eligibility to live in a residence hall is dependent upon an individual being accepted by the University as a regularly enrolled student. Priority assignment will be made to students carrying 8 or more credit hours. Students who drop below 8 credit hours may be asked to move from the hall; however, dropping below this level does not guarantee release from the contract.

Eligibility

Priority is given to married students and single parents with a child or children; however, where space permits, apartments are made available to single students. In all cases, the tenants must be enrolled as full-time students at Boise State University.

OFF-CAMPUS HOUSING

The office provides very limited services to students who are seeking off-campus housing. Listings are maintained on available apartments or houses that come to our attention. However, we are unable to do more than make these listings available to anyone who comes to Room 214 of the Administration Building.

Equal Availability

The University is an equal opportunity institution and offers its living accommodations without regard to race, color, national origin or handicap (as provided for by Title VII and Title IX and Sections 503 and 504 of the Rehabilitation Act of 1973).

UNIVERSITY APARTMENTS

Boise State University has five complexes with approximately 280 apartment units.

How to Apply

Applications are sent to all students and prospective students who request them. Students should submit the completed form and a $50 application fee to the Payment and Disbursement Center, Room 211 in the Administration Building, as soon as possible to be placed on the waiting list. Students will be contacted when the apartments they applied for, and are eligible for, become available. It is the responsibility of the student to notify the Office of Student Residential Life of any changes in telephone number, address or plans.
STUDENT SPECIAL SERVICES
385-1583 (V), 385-1454 (TTY)

Educational and general counseling, special service programs, adjudicating appeals for academic record or student status changes, and complete withdrawals are provided in this office. Student Special Services is located in Room 114 of the Administration Building.

Complete Withdrawal

Canceling your enrollment during the semester without recording failing grades requires contacting this office and completing a Petition and Clearance form. Applied Technology students must clear with the College of Applied Technology Student Support Division in the Technical Services Building Room 109 before reporting to this office. A short exit interview by one of the professional staff will help to clarify issues and procedures for you.

If you cannot come in to withdraw, be sure to telephone or write requesting a Petition For A Complete Withdrawal form be sent to you.

Disability Services - 385-1454 (TTY)

Information and orientation sessions, assistance with registration, interpreters, note takers and other classroom accommodations are some of the services provided by Student Special Services for students with disabilities. The Special Services Coordinator also authorizes accessible parking permits for students with limited mobility.

Limited equipment or auxiliary aids such as a TTY, Vantage Closed Circuit Television enlarger, Phonic Ear, Computer Speech Synthesizer, tape recorders, PC screen enlarger, Braille dictionary, Perkins Brailler and accessible computers for typing term papers and taking tests are available through this office.

Children of University students, faculty and staff are eligible for enrollment. They must be between 6 weeks and 5 years old. The number of faculty and staff children admitted is approximately ten percent (10%) of the total enrollment. The Center is licensed by the City of Boise.

The Center is accredited by the National Academy for Early Childhood Education and provides an educational development program for the total child with a staff of Professional Early Childhood Educators. Students from a number of academic and vocational departments carry out field placements and class observations during the academic year.

The University Children's Center strives to be a self-supporting student service financed through parent fees, donations, University assistance and reimbursement from the USDA Child Care Food Program.

Multicultural Affairs - 385-1583

The Minority Affairs Office develops support services for all students who are "at risk" during their first two years at the University. The Minority Assistance Coordinator uses currently available student assistance services to enhance and support minority retention and assists in developing additional services.

The office assists minority, disadvantaged and "at risk" students in their academic efforts and also provides limited support to various multi-ethnic organizations that serve the needs of students and therefore assist in the retention of these specified student populations. The primary objective is to provide opportunities for interaction among

Nontraditional Students - 385-1583

Support services are provided on an individual or group basis to assist adult students in the transition of returning to school. A weekly support group is available as well as a mentoring program. A free monthly newsletter concerning these topics is available upon request. Referrals are made to campus and/or community organizations and agencies.

Veterans Services Office - 385-3744

Our staff of veteran-student counselors is on hand to assist with many of the problems a veteran may have while attending Boise State University. They provide information to fellow veterans about eligibility requirements for Veterans Administration educational benefits and assistance. Veteran benefits counselors can also identify remedial, motivational and tutorial programs to assess a veteran’s interests, needs and problems. They will help with the University’s application for admission and with other required forms. Referrals are made to the Veterans Administration, Veterans Coordinator in the Administration Building Room 111, Counseling Center or other assisting agencies.

Women’s Center - 385-4259

The Center offers educational programming about women’s contributions, achievements, concerns and potential in addition to providing resources and services designed to enhance the quality of student life and promote academic success. It is a safe and supportive place to meet, study or relax.

The utmost care is given to ensure that the programs and services of the Center are accessible to all who need them. While they are designed primarily to address the needs of women students, they are open to all students as well as other members of the University and community. The Center is a “point of entry” where concerns of BSU women can be handled directly or referred to the appropriate University office or community agency.

TUTORIAL SERVICES

Ellie McKinnon, Coordinator

Tutorial services are available to all currently enrolled students. Tutors are hired and trained by the Tutorial Services Coordinator and certified by the academic departments. Tutors must have received an A or B in the courses they wish to tutor, have a minimum GPA of 3.0, and possess excellent communication skills.

The tutorial program is accredited by the College Reading and Learning Association. The coordinator works closely with other offices on campus which provide tutoring in an effort to make certain that all student needs are met. In addition to person-to-person tutoring, computerized tutorial programs are available in certain subject areas, and group tutoring for numerous courses is available or can be arranged.

Frequently, Supplemental Instruction (SI) Tutors are assigned to introductory level courses from the beginning of the semester. SI Tutors attend the class and then lead study groups with students from the class. Private tutoring is also available on a somewhat limited basis. These services are free of charge to currently enrolled students.

Math tutoring is offered in the Drop-In Center in Room 243 of the Math/Geosciences Building. The Writing Center, in Room 220 of the Liberal Arts Building, serves students from any discipline who encounter problems with writing.
The Academic Support Program is supervised by the Athletic Department. This multifaceted program is directed towards maximizing the academic experience for all student-athletes.

The staff of the Academic Support Program is located in the 3,300 sq. ft. Peterson-Preco Learning Center in the BSU Pavilion.

The program includes academic advising and counseling as well as the monitoring of progress toward a degree. Additionally, the program offers a supervised study hall and tutorial service.

All student-athletes are encouraged to take advantage of every academic and athletic resource that Boise State University has to offer.

TUTORING

Tutorial assistance is a privilege extended to student-athletes from the first day of class throughout the semester. Tutoring is assigned on both a cluster (group) and an individual basis by the tutorial coordinator. Specific course group study sessions are often set up before mid-terms and finals. All athletic academic counselors can and will refer student-athletes for tutoring. Tutors are usually upper division or graduate students, professors or college graduates from the community. The core student tutors are assigned to different study halls.

COMPUTER LAB

The computer lab is located at the east end of the Peterson-Preco Learning Center in the BSU Pavilion. There are twenty (20) stations available with access to word processing, databases, spreadsheets, Maple (a math and calculus program) and the Internet. Laser printing is available. Online access to the Alberston’s Library, Business Building and Liberal Arts Building is also available. The ease of using the computers in the Peterson-Preco Learning Center is a bonus to all students. It is a DOS/Windows lab with monitors available to answer questions and to help with computer needs. 3.5” disks (preferably HD) are required and also can be purchased from the lab.

Career/Major Choice

Career information and advising, and career-planning assistance can be obtained at the Career Center, 2065 University Drive (corner of Chrisway & University Drive). Students are invited to use this service any time during their University years to assist them in important career decisions and options after graduation.

Students may attend career-choice workshops which are scheduled frequently during the year. Individual career-guidance assistance is also available from a qualified career counselor. ART, MUSIC AND THEATRE ARTS

Throughout the school year, the Art Department sponsors exhibits in a variety of media and styles by regional and nationally known artists, as well as work by University art faculty and senior art students. Lectures and workshops are offered for students and the public in conjunction with many of the exhibits. There are two art galleries on campus: Gallery I, located on the first floor of the Liberal Arts Building and Gallery II, located in the Public Affairs and Art West Building (formerly Campus School). The Art Department office is on the second floor of the Liberal Arts Building.

The Theatre Arts Department schedules four to eight productions each year, including two dance concerts and student showcases; all productions have open auditions. Full-time University students may obtain a free ticket to each major production. The department offers a musical every other year in the spring and also hosts a secondary school festival in February of each year. Upper division students are encouraged to direct and produce their own plays. Academic credit is sometimes available for such individuals.

The Music Department offers a wide variety of opportunities for involvement by students, both as participants and as spectators. The Marching Band, Symphonic Winds and University Singers are open to all students without audition. Meistersingers, Orchestra, Music Theatre, Jazz Band and other ensembles are open to students by audition. The Opera Theatre is open to students and community by audition. Academic credit is available for all of these groups and activities. All student musical groups perform regularly on the campus and most participate in a tour each spring. The Faculty Artist Series Recitals are scheduled throughout the school year. Summerfest is in the month of July and presents three concerts of orchestra and band music.

Details about concerts, recitals and productions can be obtained from the Music and Theatre Arts Departments office, 385-3980. Both departments are located in the Morrison Center, first floor, Room MC-C100.
The Morrison Center, located on the west end of the campus near the Boise River, is one of the finest performing halls in the country, bringing a new era of artistic excellence to Boise and Southern Idaho. The Morrison Center provides an excellent setting for performers and audiences alike to enjoy ballet, musical, symphony, chorus, opera, ensemble or solo performances.

The Main Hall features a stage house that can accommodate virtually any type of event and seats 2,030 patrons. The Hall is acoustically tuned for a solo performance or a full musical production. Facilities available for disabled persons include wheelchair sections and a Phonic Ear System for the hearing impaired.

The Academic Wing allows the Music and Theatre Arts Departments to teach students in well-equipped areas that include private studios, music theory classrooms, rehearsal rooms, electronic laboratories, a scene design studio and a theatre addition. The proximity of the performing hall gives the students the opportunity to participate in all phases of a major performance, from the setup and rehearsal to the management of the event itself. The ground floor includes four large performing or rehearsal spaces, each with a multiple use potential for both community and the University, and each with special acoustical features.

The Stage II Multiform Theatre seats 225 and houses many of the Theatre Arts Department productions.

The Recital Hall seats 200 and is used for solo and ensemble performances and as a classroom by the Music Department.

ARMY RESERVE OFFICER TRAINING CORPS

Boise State University has an excellent Army ROTC program. The objective of the program is to provide highly capable and motivated University students the opportunity to become commissioned officers in the Active Army, National Guard or Army Reserve.

Financial assistance is available for selected students through two-(2), three-(3), and four-(4) year ROTC Scholarship programs. These scholarships pay for tuition, $450 for books and supplies and $150-a-month allowance for up to ten months each year. All Advanced Course cadets receive the $150-a-month allowance regardless of scholarship status. ROTC cadets participate in a variety of adventure training activities such as rafting, mountaineering, rappelling, orienteering, cross-country skiing and rifle marksmanship. Selected cadets are also eligible to attend Active Army service schools such as Airborne, Air Assault and the Northern Warfare Training Courses. For more information, contact the Military Science Office at 385-3500 or stop by our office located upstairs, around the corner from entrance #3 of the Pavilion.

RECREATION ON CAMPUS

The Boise State University Recreation program has a mission to encourage students to become involved in recreational activities, regardless of their abilities, in order to develop a lifetime interest in recreation, leisure and fitness. The Recreation Program has two major components: informal recreation and intramural activities.

Informal Recreation: The University has three main indoor recreational facilities: the Pavilion Auxiliary Gym, the Human Performance Center, and the PE Annex. Housed in these buildings are two gymnasiums, a swimming pool, two weight rooms, five racquetball courts, an indoor jogging track and an equipment room. Outdoor recreation facilities include playing fields, sand volleyball courts, and tennis courts.

All recreational facilities on campus are available for drop-in use by students when classes, intramural and varsity sports are not using them. Hours are posted at the individual facilities. For further information concerning these facilities, stop by the Recreation Office, located in Room 1510 of the Pavilion or call 385-1131.

The Recreation Office checks out a wide variety of recreational equipment to BSU students free of cost. Checkout equipment includes: basketballs, volleyballs, footballs, Frisbees, softballs, bases and bats.

Intramural Activities: The intramural program offers league and tournament play in a variety of lifetime sports and recreational activities. Students of all abilities and skill levels are welcome and encouraged to participate.

Sport clubs are partially funded by the Associated Students of Boise State University (ASBSU) and through fund-raising activities and/or membership fees. For information, call Student Activities at 385-1223.

ADMISSION TO ATHLETIC EVENTS

Ticket Information: 385-1285

Full-time University students are admitted free to all men’s and women’s regular season athletic events and may purchase two guest tickets for football and men’s basketball, if available. Part-time students may purchase two guest tickets for football and men’s basketball, if available. For the University of Idaho game in football and men’s basketball, full-time and part-time students may purchase one guest ticket. The general provisions listed above are subject to the following restrictions:

1. Full and part-time students will have until 5:00 p.m. the day prior to all home football games and men’s basketball games to pick up student and guest tickets OR until the allotment is gone, whichever occurs first. A maximum of five student I.D. cards per person may be utilized when obtaining student and/or guest tickets for any athletic event.

PLEASE NOTE - Student and guest ticket pickup deadline is subject to change if deemed necessary by the Athletic Department.

2. The total student ticket allotment, including student guest tickets, is 5,106 for football and 3,500 for men’s basketball.

3. All full-time University students must present their Student I.D. Card and a student ticket for admittance to any home football game and men’s basketball game.

4. University Student Tickets are NOT transferable.

5. University Student I.D. Cards are required for admission to all other regular-season athletic events.

6. Event Entry Procedure: All students and student guests will enter through designated gates for admission to football and basketball events. In football, students and student guests will enter at the northeast gate (near Christ Chapel) of Bronco Stadium. For men’s basketball, students and student guests will use Entrance #4 of the Pavilion. Students and student guests will be required to show their ticket for entry into the designated “student” sections for football and men’s basketball.

Student and guest tickets for football and men’s basketball games can be obtained at the Athletic Ticket Office in the Varsity Center, the Pavilion Ticket Office, the Morrison Center Ticket Office and the Student Union Ticket Office. Student and guest tickets can be picked up the Monday prior to a home football game and one week before a home basketball game.

PLEASE NOTE:

♦ University students may pick up student and guest tickets as long as tickets remain available from the student allotment and are picked up before the deadline set by the Athletic Department - see restriction number (1) above.

♦ Student ticket allotments and entry procedure for post-season tournaments (including conference championships) are governed by the NCAA or the respective conference for which the championship is being held. Because of this, students will be required to purchase tickets for any post-season athletic event. All guidelines concerning student and guest tickets are strictly enforced.
MEN'S ATHLETIC PROGRAM

Boise State University encourages intercollegiate athletic competition for men students who have the ability and wish to experience competition beyond the intramural and club sport level. After 26 years as a member of the Big Sky Conference, Boise State joined the Big West Conference in 1996. The Bronco men compete for Big West Championships in the sports of football, golf, cross country, basketball, tennis and outdoor track and field. The men also compete in the Pac-10 Conference for wrestling in the winter. The Department of Men's Athletics provides excellent coaching to the men who participate in the intercollegiate athletic program. Intercolligiate contests are played under the rules of the National Collegiate Athletic Association (NCAA), of which the University is a member. All men who wish to participate in the intercollegiate athletic program are encouraged to contact the coach of the sport they are interested in for information concerning eligibility and practice schedules.

WOMEN'S ATHLETIC PROGRAM

Boise State University has an excellent women's intercollegiate program. The University began competing as a member of the Big West Conference in the fall of 1996. The Big West Championships Boise State will compete for include volleyball, basketball, tennis, soccer, golf, cross country, gymnastics and outdoor track and field. Each sport holds a conference championship at the end of the regular season and qualified teams plus individual champions frequently proceed from there to the national championships. A special effort is made to include all women interested in competition. Women desiring to become members of one or more of these teams should contact the coach as early as possible to receive information concerning practice schedules.

Equity in Athletics Disclosure Report

The Department of Intercollegiate Athletics annually prepares an Equity in Athletics Disclosure Report. The report provides information pertaining to gender equity for the following items: participation rates, financial support, coaches and other information on men's and women's intercollegiate athletic programs.

The report is available for review at the Library, the Athletic Department Administrative Office and the ASBSU Office in the Student Union Building.

Purpose
Student Government promotes educational, social and cultural activities; acts as the official voice of the student body; and facilitates student participation in the University community for the betterment of Boise State University.

The key objective is to build for both today and tomorrow by creating programs, opportunities and skills desirable in achieving the maximum in education.

The rewards for involvement encompass the feeling of accomplishment along with the exposure of meeting new and interesting people. Students also develop an appreciation for the time and talents of other individuals as their own.

Government Organization
The Associated Students of Boise State University (ASBSU) provides for the organized conduct of student affairs and promotes the educational, social and cultural activities of students, while facilitating student participation in the University community. The ASBSU is organized into three branches: Executive, Judicial and Legislative (Student Senate).

The Executive branch of student government includes the Student Body President, Vice President, and several appointed cabinet positions.

The Legislative branch of student government is the Student Senate with one elected Senator from each College plus at-large Senators equal to the number of Colleges. The ASBSU Vice President serves as Chair of the Senate.

The Judicial branch of student government is composed of five (5) student members and two (2) teaching faculty with equal voting rights. Only the student members are eligible to serve as Chief Justice.

Executive Branch
The ASBSU President and Vice President administer the affairs of the Associated Students and carry out the policies adopted by the Student Senate. They coordinate relations with other student associations and with the University administration. The Student Body President is the Chief Executive Officer and official representative of the student body and has the authority to: approve or veto any rule, act or action adopted by the Student Senate; make appointments to various offices, boards and committees with the approval of the Student Senate; submit a budget for all associated student programs to the Student Senate for their approval; and call special meetings of the Student Senate.

The Student Body Vice President presides over the Student Senate each week and assumes the duties of the Student Body President during an absence or a vacancy.

ASBSU Officers
President Christine Starr
Vice President Matt Bott

Cabinet Officers
Chief of Staff, Election Board Chair, Executive Assistant, Lobbyist, Personnel Selection Chair, Student Relations Director, Volunteer Services Board Director, National Student Exchange Coordinator.

ASBSU offices are located in the Student Union. Call 385-1440 or 1547.

Legislative Branch
The ASBSU Senate is the policymaking body of student government with legislative authority over all student body finances and property. The Student Senate enacts by-laws, rules and regulations; approves the Student Body President’s appointees to various offices, committees or boards and establishes and determines the functions of all student government committees and boards. The Student Senate is required by the ASBSU Constitution to meet weekly during the academic year.

ASBSU Code of Ethics

Preamble: These principles are intended to aid student leaders (elected and appointed) individually and collectively to maintain a high level of ethical conduct. These are intended to be standards by which each leader may determine the propriety of her/his conduct in relationships with other leaders, fellow students, other members of the University community and with the public.

1. The principal purpose of student government is to promote educational, social and cultural activities; to act as the official voice of the student body; to facilitate participation in the University community; and to work for the betterment of the University.

2. To further these ends, it is essential that student leaders merit the confidence of their constituents, endeavoring to be at all times models of honesty and integrity.

3. Student leaders should strive to continually improve their knowledge about issues of concern to students and to seek out all sides of issues before making decisions.

4. Student leaders should attempt to safeguard themselves and the University community against those who misuse their power and authority in ways harmful to the good of the students.

5. Student leaders should strive to build for today and tomorrow by creating programs and opportunities for students to improve their learning, and to gain new skills which will improve their quality of life and aid in achieving the maximum educational benefit from the University.

6. Student leaders should encourage involvement of students and other members of the University community without regard for age, race, religion, color, national origin, ancestry, sexual orientation, disability, veteran status, political affiliation in matters of admission, employment, housing, educational programs.

7. It is the responsibility of student leaders to follow the rules and regulations of the University, the state and city and the United States of America. It is the further responsibility of student leaders to see that others in the University also follow these rules and if student regulations become obsolete or irrelevant, to see that these rules are updated according to the rules set down by the appropriate governing body.

ACADEMIC REGULATIONS

Academic Advising

Academic advising is the process of forming educational goals and planning ways to achieve those goals. Advising is an important key to your academic success! Based on your individual circumstances, personal development and academic skills, academic advisors provide information and support and foster a sense of responsibility in you to achieve your own goals. As part of the advising process, you have an opportunity for ongoing contact with an informed and supportive member of the University who will help you explore skill levels, learn policies and procedures, and investigate career options.

Most official faculty, some administrative staff and some experienced students serve as academic advisors. If you have chosen a major field of study, work with an advisor in your academic department. If you have not selected a major, you will work with an advisor in the Academic Advising Center, located in the Gateway Center, 2055 University Drive. If you are a freshman, sophomore or new transfer student majoring in any business program, you will work with an advisor from the College of Business and Economics Student Services Center, located in the Business Building, Room 117. If you are interested in any program in the College of Applied Technology, contact the Larry G. Selland College of Applied Technology Student Services, Technical Services Building, Room 111.

Boise State University encourages you to seek academic advising whenever you have questions about academic planning.

BSU’s Grading System

Boise State University uses a 4.0 grading scale. The table below lists the letter grades that instructors use to document their evaluation of your work and to document your academic status in the class. In addition, the table defines the meaning of each letter grade and specifies the number of quality points that correspond to each grade. Quality points are used to determine your grade-point average (GPA). “How to Calculate Your Grade-Point Average (GPA),” above right, describes the procedure for calculating your GPA.

How to Calculate Your Grade-Point Average (GPA)

For each student, Boise State University calculates and documents three types of grade-point averages (GPA):

- Overall cumulative GPA
- Semester GPA
- BSU GPA

Each of the three types of GPA is calculated with the same formula: total quality points you have earned divided by the total number of credits you have attempted.

$$\frac{\text{Total Quality Points Earned}}{\text{Total Credits Attempted}} = \text{GPA}$$

In calculating your overall cumulative GPA, BSU uses all courses you have taken at the University and all courses you have transferred from other post-secondary institutions—but only if you received a final letter grade (A, B, C, D, or F) in those transferred courses. If you have repeated a course prior to fall semester 1995, only the most recent grade is used in calculating your overall cumulative GPA. For courses repeated during or after fall 1995, both grades are used in GPA calculations.

In calculating semester GPA, the formula uses only the quality points earned and credits attempted that semester. For BSU GPA, the formula uses only quality points earned and credits attempted at BSU.
All GPA calculations exclude credits for:

- pass/fail courses in which you earned a grade of P
- courses that you registered for but dropped from your schedule, even though the course may appear on your transcript with a final grade of W
- courses you took under audit status (AUD)
- courses in which you have received the grade of I, for incomplete, or NR, for no record (until the I or NG is changed to a letter grade)

**Incompletes**

Instructors can enter a grade of I–for incomplete–if both of the following conditions are present:

- Your work has been satisfactory up to the last three weeks of the semester.
- Extenuating circumstances make it impossible for you to complete the course before the end of the semester.

If you receive an incomplete, you and your instructor will write and sign a contract stipulating the work you must do to receive a grade in the class. You will have one year to do the work. If you fail to complete the work within one year, you will automatically receive a grade of F. You may not remove the incomplete from your transcript by re-enrolling in the class during another semester; in fact, you are prohibited from enrolling in the course for as long as you have an incomplete. A grade of incomplete is excluded from GPA calculations until you receive a grade in the course.

**Dean’s List**

The Dean’s List is a roster of undergraduate students who have received very high grades during a particular semester of full-time enrollment. To be included in the Dean’s List, you must meet both of the following criteria:

- You must complete 12 or more credit hours in a given semester, excluding classes graded Pass/Fail
- For that semester, you must attain a semester grade point average (GPA) of 3.50 or higher.

You will receive an Honors designation on the Dean’s List if you attain a GPA of 3.50 to 3.74; High Honors for a GPA of 3.75 to 3.99; and Highest Honors for a GPA of 4.00.

**Classification of Students**

All registered students are classified according to the number of credit hours or degree earned.

- **Special** - no degree intent - courses of interest only - limited to 7 or fewer credit hours each semester
- **Freshman** - has earned 0 through 25 credit hours
- **Sophomore** - has earned 26 through 57 credits or is enrolled in an Associate, Diploma or Certificate program
- **Junior** - has earned 58 through 89 credit hours
- **Senior** - has earned 90 plus credits or is enrolled in a second B.S. or B.A. degree program
- **Graduate** - has earned a B.A. or B.S. degree and is enrolled in a graduate level degree program.

Students enrolled for eight credit hours or more are required to pay full fees but may not be considered as full-time students under certain academic policies. For the purpose of enrollment verification to banks, federal financial aid and other outside agencies, the following schedule of minimum requirements will be used:

**Undergraduate:**

- Full-time - 12
- Three-quarter time - 9-11
- One-half time - 6-8
- Below half time - 5 or less

**Graduate:**

- Full-time - 9 or more
- Three-quarter time - 6-8
- One-half time - 4-5
- Below half time - 3 or less

**Repeating a Course**

If space in a course is available, you may register to repeat a course. You may not register to repeat the course until open registration. You may register only three times for any BSU course. Courses dropped the first ten days of the semester with a grade of "NG" are excluded from the three registration maximum. Also excluded from this policy are courses that can be taken multiple times for additional credit, such as fitness activity courses, private music lessons, and art studio classes. If you do repeat a course, both grades appear on your transcript. For courses repeated during or after fall semester 1995, both grades are used in GPA calculation. (Note: For courses repeated before fall semester 1995, only the most recent grade is used in GPA calculation.)
Registration Procedures
Priority Registration

If you are a continuing, degree-seeking student, you may register during priority registration, which is held in April (for the upcoming summer session and fall semester) and held again in November (for the upcoming spring semester). For exact dates, consult the current academic calendar or the BSU Directory of Classes. During priority registration, students register by appointment, according to a schedule established by the Registrar’s Office. If you are a new degree seeking student you will be notified, by mail, of your registration appointment.

Open Registration

Open registration begins after the fee-payment deadline for preregistered students and runs through the tenth day of the semester. (See the BSU Directory of Classes for specific dates.) If you register during priority registration but fail to pay your fees by the deadline, your registration is no longer valid; therefore, you must attend open registration and register again. If you are admitted as a non-degree seeking student (that is, if you are only taking courses of interest), then you must register at open registration.

NOTE: If you fail to register and pay your fees by the deadline specified in the current academic calendar, then it is unlikely that you will be able to register for the current semester. Late registrations require approval from the University Appeals Committee, which grants approval only under extreme extenuating circumstances. For application deadlines, see the academic calendar or the BSU Directory of Classes.

NOTE: Your registration is considered final and official only after you have paid all tuition, fees and other charges.

Credit/Audit Status

During open registration, if space in the class is available, you may register for a course under audit status; that is, you may register for the course with the understanding that you will receive neither credit nor a grade. On your transcript, audit status indicates that you had a seat in the class, but may or may not have participated in class activities. You may change your registration status from credit to audit or audit to credit; however, you may do so only until the tenth day of the semester. To change your registration status, file a drop/add form with the Registrar’s Office. If you fail to meet the audit requirements established by the instructor, the instructor may give you a final grade of “NG” (for No Grade); in such a case, the course will not appear on your transcript.

Adding Classes and Dropping Classes

For a short time at the beginning of each semester, enrolled students may add classes to their schedule or drop classes from their schedule. This section describes the general policies governing adding or dropping classes. Specific instructions for adding or dropping are published in the BSU Directory of Classes, as is the deadline for making such changes.

NOTE: At certain times during the semester (specified in the BSU Directory of Classes), you may drop or add classes over the telephone. You may also drop or add classes by completing a drop/add form. You are responsible for obtaining the form, filling it out, obtaining any necessary signatures and returning the form to the Registrar’s Office for processing. A drop/add form takes effect only when it has been fully processed by the Registrar’s Office. For more information about dropping or adding classes, see the BSU Directory of Classes or call the Registrar’s Office (385-3486).

Before the semester begins, and through the first week, you may add classes to your schedule without first obtaining the instructor’s permission, if there is space available in the class. You may continue to add classes after the first day of classroom instruction, up until the end of the tenth day of the semester (see the academic calendar in the BSU Directory of Classes for the exact deadline). However, you first need to obtain the instructor’s signature on the drop/add form, indicating that the instructor has granted permission for you to add the class. Instructors may refuse to grant permission if the class is full. They may also refuse permission if your late entry would prevent you from benefiting fully from the class or would prevent other students in the class from doing so.
You may drop classes from your schedule through the sixth week of the semester. (See the academic calendar in the BSU Directory of Classes for the exact deadline.) If you drop a class before the tenth day of the semester, the class will not appear on your transcripts. However, if you drop a class after the tenth day, your transcript will show a grade of W (for withdrawal) for that class.

Beginning Fall 1995, the number of withdrawals (W’s) a student may receive while at BSU will be limited. If you are pursuing an Associate’s Degree, Advanced Technical Certificate or Technical Certificate program, you may receive up to five (5) W’s. If you are pursuing a baccalaureate degree program, you may earn up to ten (10) W’s, including any W’s received while in an Associate, Advanced Technical or Technical Certificate program. (W’s received prior to Fall 1995 are not counted toward the total allowed.)

**Exceptions:** Withdrawals from corequisite courses that must be taken together (primarily lecture/lab courses) will count as one course for permitted withdrawal purposes. Withdrawals received as a result of a complete withdrawal from the University will not count toward allowed total.

If you have exhausted the allowed number of W’s, you may receive only an A, B, C, D, P, or F in any succeeding course.

**NOTE:** The University has placed limits on the number of times you may enroll in a course. See repeating a course in this section for more information.

**NOTE:** If you intend to drop a class in which you have been issued University property—such as uniforms, instruments or lab equipment—return the property before dropping the class. If you fail to do so, the Registrar’s Office will place a hold on your record and reinstate you in the class.

**Faculty-Initiated Withdrawal from a Course**

An instructor can withdraw a student from a course if any of the following conditions are present:

- The student fails to attend one of the first two meetings of a class that meets more than once each week.
- The student fails to attend the first meeting of a class that meets once each week.
- The student has not satisfied the entrance requirements for the class.

To withdraw a student for failing to attend one of the first two meetings of a class that meets more than once each week (or the first meeting of a class that meets once each week), the instructor submits a form (Faculty Initiated Drop) to the Registrar’s Office. Students withdrawn from a course for failing to attend these specified class meetings may reenroll in the course on a space available basis with the instructor’s permission—at any time up to the deadline for registration changes. (See the academic calendar in the BSU Directory of Classes for the exact deadline.) To withdraw a student for failing to satisfy entrance requirements, the instructor or the department must notify the student of the impending withdrawal and then request the withdrawal through the Registrar’s Office. All requests for Faculty-Initiated Withdrawals will be recorded with a grade of “NG” (for No Grade) and will not appear on your transcript.

Students should not expect that an instructor will withdraw them for nonattendance. The primary responsibility for course withdrawal rests with the student.

---

**Complete Withdrawal from BSU**

Completely withdrawing from BSU is the process by which a student formally drops all classes. You may request a complete withdrawal at any time up through the sixth week of the semester. (See the academic calendar in the BSU Directory of Classes for the exact deadline.) If you simply stop attending all classes, rather than formally withdrawing, you will receive a final grade of F in all of your classes. On the other hand, if you completely withdraw from the University, you will receive a W (for withdrawal) for all classes dropped after the tenth day of the semester. Any classes dropped on or before the tenth day do not appear on your transcripts. W’s received as a result of a complete withdrawal will not count toward the maximum limit of W’s allowed in your program. Once you have withdrawn completely from the University, you can register for classes in the same semester only after petitioning for and receiving approval from the University Appeals Committee.

To begin the process, go to the Office of Student Special Services (Room A-114, phone 385-1583) and request a complete withdrawal. If you are hospitalized, out of the area or otherwise unable to come to the University, you may begin the process by telephone or by mail.

*Applied Technology majors first go to: Larry G. Selland College of Applied Technology Student Services Office, Technical Services Building, Room 111.*
Administrative Withdrawal from BSU

An administrative withdrawal is the process by which BSU formally withdraws a student from the University, usually without the student’s consent or cooperation. Students may be administratively withdrawn for a variety of reasons, including the following:

◆ failing to pay tuition, fees, library fines, overdue loans, deferred fee payments, housing accounts or other such charges.
◆ falsifying information on an admissions application or other University record or document.
◆ failing to respond to an official summons issued by the University.
◆ exhibiting behavior that constitutes a clear and present danger to themselves or to others.

Administrative withdrawals due to nonpayment of financial obligations (tuition, fees, library fines, overdue loans, deferred fees, housing accounts, etc.) will be recorded with a grade of “W” and will appear on the student’s transcript if processed after the 10th day of the semester.

Administrative withdrawals due to ineligibility to be in a course or to continue in school for reasons other than nonpayment of financial obligations will be recorded with a grade of “NG” (No Grade) and will not appear on the student’s transcript.

Attendance Policy

You are responsible for attending courses for which you are enrolled. You are also responsible for making up any work you may have missed by failing to attend class, even if the absence was approved by the University, necessitated by illness, or necessitated by a personal emergency. In this sense, then, there are no “excused” absences. Please note, as well, that you may be automatically withdrawn from a course if you fail to attend one of the first two meetings of a class that meets more than once each week, or if you fail to attend the first meeting of a class that meets once a week.

Probation and Dismissal

To remain in good academic standing, a student must maintain a minimum grade-point average (GPA) for the number of credits earned (including transfer credits) as shown in the chart below. The GPA used to determine probation and dismissal status is the BSU GPA, which includes all BSU credits but excludes transfer grades.

<table>
<thead>
<tr>
<th>Minimum GPA Necessary to Remain in Good Academic Standing</th>
</tr>
</thead>
<tbody>
<tr>
<td>Cumulative Credits Earned (Transfer and BSU)</td>
</tr>
<tr>
<td>------------------------------------------------</td>

</tr>
<tr>
<td>7 to 32</td>
</tr>
<tr>
<td>33 to 64</td>
</tr>
<tr>
<td>65 or more</td>
</tr>
</tbody>
</table>

A student who fails to maintain the minimum BSU GPA will be placed on probation. The record will be reviewed at the end of the next semester and one of the following actions will be taken:

◆ Removal from probation if the cumulative BSU GPA is at or above the minimum.
◆ Continued probation if the cumulative BSU GPA is below the minimum but the semester GPA is 2.0 or higher.
◆ Dismissal from the University if the cumulative BSU GPA is below the minimum and the semester GPA is below 2.0

NOTE: A student who transfers credits to BSU and is admitted on probation must attain at least a 2.0 GPA the first semester. Failure to do so will result in dismissal from the University.

A student who leaves the University while on probation and then returns will remain on probation even if another institution has been attended in the meantime. A student on probation may be ineligible to receive financial aid and may be ineligible to participate in extracurricular activities sponsored by the University.

After one dismissal from the University, a student may not enroll for one semester (not including summer). After a second dismissal a student must wait one year to re-enroll. An appeal to waive the waiting period may be filed with the University Appeals Committee. An appeal form is available from the Registrar’s Office, Room A-102, or from the Office of Student Special Services, Room A-114.
**Students on Jury Duty**

We must recognize that our duties as citizens are not in any way changed by becoming a student. With this in mind, it is a mission of the University to encourage good citizenship. Therefore, we encourage students to be responsible citizens by fulfilling their obligation when called upon for jury duty.

Students must first contact their instructors, informing them of their jury commitment. The student is responsible for:

1. Furnishing instructors with concrete evidence of their jury assignments immediately.
2. Furnishing instructors with concrete evidence (date, time and court) of their service immediately after serving.
3. Making arrangements to obtain course notes and assignments from other students. (This is NOT the instructor’s responsibility.)
4. Taking responsibility for all course work or make-up work.

Only in case of extreme hardship can the student request and receive a postponement for a jury commitment. If the student feels that jury duty would cause an extreme hardship, he/she may contact the Office of the Provost, B 307.

**Grade Exclusion**

You may petition to exclude from GPA calculation any grades earned at Boise State University or at another institution in one or two semesters in which your GPA is less than 2.0. You must meet all of the following criteria:

- You must not have been a student for at least five years, or at least eight years must have elapsed since you received the grades you wish to have excluded.
- Before applying for grade exclusion, you must complete 12 consecutive credits at BSU of 2.50 or higher, or 24 consecutive credits of 2.25 or higher.
- You have not previously been granted grade exclusion at BSU.

If you request grade exclusion, you must have all grades excluded in the semester or semesters chosen; you may not choose individual grades. If you wish to exclude grades from two semesters, you must petition for both semesters at the same time (on the same form.) All grades, past and present, will remain on your transcript, but the excluded grades will not count toward graduation or be calculated in your GPA. **However,** all grades, including those that have been excluded, will be used to calculate graduation honors. You may receive grade exclusion only once. If you possess a post-secondary degree or certificate, you may not have any grades earned prior to receiving that degree or certificate excluded from your GPA.

**Final Examinations**

Each semester, a schedule for final examinations is published in the BSU Directory of Classes. This schedule defines the dates and times during which all final examinations must be scheduled. All in-class final exams must be given during the officially scheduled final examination periods. An exception to the schedule is allowed only on an individual basis with the exception to be arranged between the instructor and the student.

**Questions About Grades?**

If you have questions about grades, contact the Registrar’s Office, Administration Building, Room 102, or phone (208) 385-4249.
Last Week of Classes

No test or examination is to be given during the last seven calendar days preceding the first day of the officially scheduled final exam period for the fall or spring semester (See Academic Calendar for final exam period dates) with the following exceptions:

- In lab or performance classes where it is necessary
- No take home test or exam is to be due prior to the beginning of the officially scheduled examination period, although a take home final test or examination may be distributed during this time period.
- Homework, papers, problem sets, and projects may be due during this time frame.

Student Records

When a student enters the University and submits the requested personal data, there is an assumed and justifiable trust placed upon the University to maintain security of that information for the protection of the rights of the student. To protect students against potential threats to their individual rights inherent in the maintenance of records, the many disclosures requested regarding student records, and in compliance with the Family Educational Rights and Privacy Act of 1974, the University has adopted BSU Policy 4000-D (Student Records). The policy statement in its entirety is contained in the Administrative Handbook of Boise State University. Any students, faculty or staff who have questions regarding records policies of Boise State University may consult with the Vice President for Student Affairs.

The following is considered to be public or directory information unless you specifically state you do not wish to have it released:

- Name
- Local address/telephone number
- Major field of study
- Dates of attendance
- Student classification (freshman, sophomore, etc.)
- Enrollment status (full-time/part-time)
- BSU degree; date degree conferred

All official academic records are maintained by the Registrar's Office. Copies of your transcripts may be obtained by making a request in writing or in person.

Graduation honors listed in the Commencement Program and honor cord eligibility are based on cumulative GPA for all semesters completed for August and December graduates. For May candidates, it is based on the cumulative GPA as of the end of the Fall Semester. Spring grades cannot be computed in determining honors for Commencement but will be reflected in the honors recorded on each student’s transcript. Graduate students and students receiving a second baccalaureate degree are not eligible for GPA honors.

Commencement

Commencement is a ceremonial event held annually in May to honor certificate, associate degree, baccalaureate degree and masters graduates from the previous August and December and candidates for May.

Students who wish to participate in the May ceremony and are completing degree requirements during the summer session following Commencement may be allowed to participate. These are considered to be special requests and must be reviewed on an individual basis by the Academic Dean of the student’s major. If approved, written notification must be forwarded to the Registrar no later than April 15.

All students who have applied for graduation are sent information in March about Commencement requesting their intentions to participate and information about ordering caps and gowns.
STUDENT POLICIES AND PROCEDURES

STUDENT BILL OF RIGHTS

Preamble

Ideally, each member of the University community assumes individual responsibility for her or his personal freedom and obligations. The University community expects all members to discipline themselves, individually and collectively, and it requires adherence to the standards of conduct appropriate for an academic community. It must and will take appropriate action when a member’s conduct places the best interests of the community in jeopardy. Each student, as a member of this community, is responsible for being familiar with the policies of Boise State University.

Students are both (1) citizens and (2) members of the academic community. As (1) citizens, they enjoy the same freedoms of speech, peaceful assembly and right of petition that other citizens enjoy. As (2) members of the academic community, they assume the obligations inherent in that membership and as representatives of the University. These obligations include a creditable demeanor for themselves first and the institution second, reflecting intelligence, maturity, concern for the rights of others and regard for the educational mission of the University.

For the purposes of applying this statement, a “student” is defined as any person who is regularly enrolled in the University as an undergraduate student, graduate student or who is admitted as a nonmatriculated student or who is pursuing extension studies.

Freedom of Association

Students are free to organize and to participate in voluntary associations of their own choosing, subject only to reasonable University regulations ensuring that such associations are neither discriminatory in their treatment of other members of the University nor operated in a manner which substantially interferes with the rights of others. Freedom of association may not be forbidden because of the general political or philosophical objectives of any particular group. However, campus groups or organizations are under a strong obligation to avoid representing their actions or views as those of the University.

Recognized Campus Organizations

A recognized organization is a group of BSU students organized for a stated purpose which has official recognition from the ASBSU. Affiliation with an extramural organization shall not of itself disqualify a student organization from institutional recognition nor from the use of University facilities, although reasonable provisions may be made to safeguard the autonomy of a campus organization from domination by outside groups. (See Student Organization Policies in this Handbook.)

Freedom of Speech and Assembly

No rule shall restrict any student expression solely on the basis of disapproval or fear of his/her ideas or motives. Students and student organizations shall be free to examine and discuss all questions of interest to them, and to express opinions publicly and privately. Modes of expression or assembly that are manifestly unreasonable in terms of time, place or manner may be forbidden. This does not, however, abrogate the students’ accountability as citizens to the laws of the larger society.

1. Students and student associations shall always be free to support causes by orderly and peaceful assembly which does not infringe upon the rights of others. Such expressions are to be made clear to the academic and larger community that they represent views of the students or student associations and not the University.

2. Student groups are allowed to invite and to hear any person of their own choosing. Routine procedures required by an institution before a guest speaker is invited to appear on campus shall be designed so as to ensure that there is orderly scheduling of facilities and adequate preparation for the event. Institutional control of campus facilities shall not be used as a device of censorship. It shall be made clear to the academic and larger community that sponsorship of guest speakers does not necessarily imply approval or endorsement of the views expressed, either by the sponsoring group or the institution. (See Speaker’s Policy in this Handbook.)
Freedom of the Press

There shall be no ideological censorship in the determination of printed matter available on campus; access to publications is not to be denied because of disapproval of their content. Any student publication supported by compulsory student fees or by substantial institutional subsidy shall, however, be subject to the rules and regulations of the State Board of Education acting as trustees of Boise State University or their designees.

Freedom in the Classroom

The classroom is not an unstructured political forum; it is the center for study and understanding of described subject matter for which the instructor has professional responsibility and institutional accountability. S/he should respect the confidential nature of the relationship between instructor and students. S/he should avoid exploitation of students for private advantage and should acknowledge significant assistance from them. S/he should protect students' rights as defined herein. Control of the order and direction of class, as well as control of the scope and treatment of the subject matter, must therefore, immediately rest with the individual instructor, free from disruption by students or others who may be in disagreement with the manner in which s/he discharges his/her responsibilities. (See Maintaining Order in this Handbook.)

1. A student has the right to be informed in reasonable detail at the beginning of each term of the nature of the course, the course expectations, the evaluative standards and the grading system that will be used.

2. A student has the right to take reasonable exception to the data or views offered in the classroom and to reserve judgment about matters of opinion, without fear of penalty.

3. A student has the right of protection against improper disclosure of information concerning his/her grades, views, beliefs, political associations or character which an instructor acquires in the course of his/her professional relationship with the student.

4. Students shall have protection through orderly procedures against prejudiced or capricious academic evaluation. At the same time, they are responsible for maintaining standards of academic performance established for each course in which they are enrolled. (See Academic Grievance and Academic Dishonesty Board in this Handbook.)

Nondiscrimination

It is the policy of Boise State University not to discriminate against any individual in matters of admission, employment, housing, services or in the educational programs or other activities based on non-meritorious factors including, but not limited to, discrimination on the basis of age, race, color, religion, sex, national origin, ancestry, disability, veteran status, or political affiliation.

It is the policy of the University not to discriminate against any individual on the basis of sexual orientation in the following areas: personnel decisions, housing, student admissions and evaluation, facilities, or in the educational programs or other activities.

Student Records

When a student enters the University and submits the requested personal data, there is an assumed and justifiable trust placed upon the University to maintain security of that information for the protection of the rights of the student. To safeguard student privacy, student records are not to be made available to unauthorized on-campus or off-campus personnel without the express consent of the student. Administrative staff and faculty members are expected to respect confidential information about students which they acquire in their capacity of providing counsel and advice. The student shall have the right of access to his/her official University record.

Equal Protection

The University has an obligation to apply its rules equally to all students who are similarly situated. This does not mean, however, that the University is required to refrain from taking action against some offenders because there are others who cannot be identified or who are not similarly charged. If in violation of any rules or policies of the University, procedural fairness is guaranteed to any student of the University. Such fairness incorporates adequate notice of the charges, the opportunity for a fair hearing and the right of appeal. (See Judicial Procedures in this Handbook.)

Federal Privacy Act and Idaho Open Meeting Law

It shall be the policy of Boise State University to adhere to The Family Educational Rights and Privacy Act of 1974 (The Buckley Amendment) which forbids the indiscriminate disclosure of confidential student disciplinary records without the consent of the student involved. This will
include disciplinary hearings which will be closed to the public as provided by the Idaho Open Meeting Law unless the respondent waives the right to a closed hearing. The Idaho Open Meeting Law states that “A closed meeting...may be held...to consider the evaluation, dismissal or disciplining of, or to hear complaints or charges brought against...a...public school student” or “To consider records that are exempt by law from public inspection.”

**CODE OF CONDUCT**

The University community expects all members to live by the following standards designed for its general well-being. Any violations of these University policies may result in disciplinary action and/or legal action.

1. **Academic Dishonesty**

   Cheating or plagiarism in any form is unacceptable. The University functions to promote the cognitive and psychosocial development of all students. Therefore, all work submitted by a student must represent his/her own ideas, concepts and current understanding. In an attempt to promote these ideals, dishonesty in the University can be defined generally as cheating or plagiarism in any form. The following are examples which can be used as a guide to the student in interpreting the above general definition, but is not meant to be an exhaustive list:

   a. Buying or in any way using a term paper or other project that was not composed by the student turning it in,

   b. Copying from another exam paper either before or during the exam,

   c. Using crib notes or retrieval of information stored in a computer/calculator outside the exam room,

   d. Having someone else take an exam or taking an exam for someone else,

   e. Collaboration on take-home exams where it has been forbidden,

   f. Direct copying of another term paper, or

   g. Failure to give proper credit to sources.

   The course instructor is responsible for handling each case of dishonesty in the classroom except where a major or repeated offense is involved. In a proven case of cheating, a student will be dismissed from the class and a failing grade issued. If the instructor and the department chair concur that a case ought to be referred for further University action (which could include suspension or expulsion from the University), the dean, or his/her designee, of the college in which the student is majoring will appoint a special hearing board consisting of three faculty and three students. The dean, or his/her designee, will preside over any hearing and will accord due process. The Academic Grievance and Academic Dishonesty Board would be the appropriate appeal body in such an instance. If there are additional alleged violations of the Code of Conduct, a separate complaint should be filed according to the Judicial Procedures in this Handbook. If a student feels s/he has been unjustly dismissed from class and given a failing grade, the Academic Grievance and Academic Dishonesty Board should be utilized as in any other case of an academic grievance. (See BSU Policies 4200-D and 4300-D.)

2. **Falsification of University Records**

   Willful falsification of official records or documents, or omission with the intent to deceive is prohibited. Included in this regulation, but not limited to the following examples, is the forging, alteration or misuse of University documents, records, academic record change forms, fee receipts, identification cards, meal tickets, parking decals, financial aid forms, telephone billing cards, ASBSU forms or documents and computer tampering.

3. **Alcoholic Beverages**

   a. Illegal possession or consumption of alcoholic beverages is prohibited in college or university-owned, leased or operated facilities and on campus grounds.

   b. Alcoholic beverages may not be possessed or consumed under any circumstances in areas open to and most commonly used by the general public. These areas include, but are not limited to, lounges; Student Union; recreation rooms; conference rooms; athletic facilities; Barnes Towers, Chaffee and Driscoll residence halls and other public areas of university-owned buildings or grounds.

   c. Sale of alcoholic beverages is prohibited in college or university-owned, leased or operated facilities and on campus grounds.

   d. Students who violate any of these policies will be subject to sanctions as have been established by institutional administration.

   e. Guests and visitors shall observe these regulations while on campus or other college or university
property. Noncompliance may subject a person to sanctions imposed by the college or university as well as to the provisions of local and state law.

f. There are a number of minors attending Boise State University and as a state institution, the University is legally obligated to comply with the state law.

STATE LAW

Idaho law states that it is illegal to sell, serve or furnish beer, wine or other alcoholic beverages or intoxicating liquor to a person under 21 years of age. It is illegal for any person under 21 years of age to purchase or attempt to purchase, procure, possess or consume any alcoholic or intoxicating liquor.

Each higher education institution under the jurisdiction of the Board should take steps to implement these guidelines.

Lewis-Clark State College, Eastern Idaho Technical College, the University of Idaho, Idaho State University and Boise State University shall submit to the State Board of Education a comprehensive plan to address the consumption and possession of alcoholic beverages on campus, including underage drinking. Each year the institutions shall report on the implementation and effectiveness of the plan. Institutions shall cooperate with law enforcement officials in their endeavors to enforce the state law and local ordinances.

Enforcement

Each institution shall identify a person who is responsible and accountable for monitoring/enforcing rules, policies and programs related to the consumption and sale of alcoholic beverages to students.

Institutions shall apprise students, faculty, alumni and the general public of their intent to enforce the Board rule and these guidelines.

A clear means of reporting violations to university officials and/or law enforcement agencies shall be developed and implemented.

Institutions shall adopt policies requiring that student and employee organizations affiliated with the institution adopt and enforce policies consistent with the Board's rule and these guidelines as a condition of affiliation with the institution.

Sanctions

First Infraction

The institutions shall establish infractions and sanctions as clearly delineated as possible relating to any first infraction.

Second Infraction

Failure to comply with sanction(s) from an official judicial decision within the specified time period(s) may result in further and immediate sanctions.

21. City/State Laws and Other Institutional Policies

Violation of any city or state laws, University or ASBSU policies may result in a sanction imposed under this code. A conviction of the law is not necessary to establish a violation of the Code of Conduct. The burden of proof will be upon the complainant to establish the elements of the law.
SANCTIONS

Sanctions which may be imposed upon an individual or group proven guilty for violation of the Code of Conduct or any other misconduct on or off campus may include any one or a combination of the following:

1. Expulsion

Is an action indefinitely terminating a student’s registration at the institution. Any request for reenrollment must be submitted in writing to the Student Policy Board, in care of the Vice President for Student Affairs.

2. Suspension

Is an action terminating registration in all or some classes for a prescribed period of time not to exceed two years. Any request for re-enrollment prior to the end of the prescribed period of time must be submitted in writing to the Student Policy Board, in care of the Vice President for Student Affairs. (After reenrollment there is normally a probation period to be determined by the judicial board which rendered the original decision.)

3. Conduct Probation

Is a written sanction with or without loss of designated privileges signifying that additional disregard for the Code of Conduct will constitute grounds for suspension or expulsion. A specific time period of probation will always be prescribed. Other conditions or restrictions may also be included or a combination of sanctions imposed.

4. Loss of Privileges

Is a disciplinary action excluding a student from participating in certain activities or enjoying certain privileges for a prescribed period of time. Loss of privileges may include, but is not limited to:
   a. removal from campus living quarters or other University housing,
   b. relinquishment of a student office, or
   c. loss of such other privileges as may be consistent with the offense committed and the rehabilitation of the student.

5. Censure

Is a written sanction warning the individual that repeated infractions of the Code of Conduct could result in further sanctions.

6. Residence Hall Probation

Is a written sanction warning the residence hall student that repeated infractions of the Code of Conduct and/or Residence Hall Policies could result in further sanctions by the Judiciary. The possible loss of a privilege or privileges, a fine and/or community service may also be imposed.

7. Restitution/Compensation

Restitution is the paying of fines or payment of damages for violations that caused the physical loss, damage or injury to property or person(s) and may be imposed with any of the above sanctions where appropriate.

Community Restitution, or the assignment of labor or responsibilities to any student or student organization within the University or local community, may be imposed.

Compensation may also be imposed for a particular act or violation of the code where said payment of a fine or the performance of a service is reasonable and appropriate.

8. HOLD on Admission, Registration and Academic Records

A HOLD is an action restricting admission and registration until a judicial obligation is met. A HOLD will also restrict the institution from releasing official academic transcripts and awarding a diploma until the obligation is met.

JUDICIAL PROCEDURES

PART I. Filing Complaints

A. Except in cases of Academic Grievances and Dishonesty, Discrimination, or Harassment, if any member of the University community feels s/he has a legitimate grievance against any other member or group of the University community s/he should contact and consult with the Office of Student Activities (or the Office of Student Residential Life through the Resident Director if the situation is related to University residential facilities or programs).
Any member of the University community who feels s/he has been discriminated against on the basis of age, race, color, religion, gender, national origin, ancestry, disability, sexual orientation, veteran status, or political affiliation should contact the Affirmative Action Office.

Any person who feels s/he has been harassed by a student for reasons of race, gender, religion, color, age, national origin, ancestry, or disability, as well as individuals who are harassed for other reasons, such as sexual orientation, should consult with the Office of Student Activities and/or the Affirmative Action Office. A harassment complaint against a student may be filed under the Code of Conduct or the BSU Anti-Harassment Policy, but may not be filed under both policies for the same complaint.

In all matters of grievance pertaining to academic conduct, instructional procedure or testing, the Academic Grievance and Academic Dishonesty Board shall have jurisdiction. Any academic grievance involving other alleged violations of the Code of Conduct, harassment or discrimination should be filed with the Affirmative Action Office and/or the Office of Student Activities.

The purpose of any consultation specified above is to assure compliance with the procedure for filing complaints. (For further information, see BSU Policy 5005-A, Policy on Nondiscrimination and Affirmative Action; BSU Policy 5010-A, Anti-Harassment Policy; the Academic Grievance and Academic Dishonesty Policy in this handbook; the Sexual Harassment and Sexual Assault Policies and Procedures in this handbook.)

B. If, after consultation, the complainant wishes to pursue the judicial process, the following information should be filed with the Office of Student Activities (or the Office of Student Residential Life through the Resident Director if the situation is related to University residential facilities or programs):

1. A concise Statement of Fact specifying the charge; the individual or group being charged; factual details of the incident or grievance; names of witnesses or participating grievants and any applicable dates, times and places.

2. A Statement of Fact by each additional participating complainant or witness is encouraged but not required.

3. Any evidence, if applicable.

C. The Office of Student Activities (or Student Residential Life through the Resident Director where appropriate) will notify the complainant and respondent of date, time and place of any hearings and provide any other information necessary. The responsibility for summoning witnesses rests with the complainant and/or respondent.

PART II. Respondent’s Rights and Responsibilities

The Office of Student Activities (or Student Residential Life through the Resident Director where appropriate) will notify all parties or groups named in an official complaint that charges have been filed.

A. The respondent has the following rights:

1. A hearing by a Judicial Board.

2. Notification of the specific charges filed and procedures involved in a Judicial hearing.

3. Access to all documents or evidence pertaining to the complaint entered by complainant and/or witnesses.

4. Notification of the date, time and place of the Judicial hearing at least seven calendar days in advance (three calendar days in advance for residence hall violations where the respondent is a hall resident). The respondent may in writing waive the seven calendar days notice of hearing (or three calendar days for residence hall students). Notice of hearing shall have been fulfilled if a notice has been mailed via U.S. postal service to the local address as listed in the Registrar’s Office at least ten calendar days in advance of the hearing or placed in the student’s residence hall mailbox at least three calendar days in advance of the hearing.

5. Except in a case interpreted to be a crime of violence, the respondent has the right to have the outcome of the hearing private and confidential. The respondent may waive this right so the complainant involved in the case is notified of the decision and/or sanctions. University personnel with a need to know may be notified of the outcome.

6. To challenge any member of the hearing board or
the hearing officer if the respondent feels that the person would be biased in favor of the complainant.

7. To have an advisor present at the hearing. However, the advisor may not address the hearing board or officer at any time.

8. To determine whether the hearing is open or closed to the public.

9. To have witnesses testify at the hearing.

10. Opportunity for appeal of any Judicial Board decision and adequate time to prepare appeal (see Part V, Appeal Procedures).

11. A declaration in writing is necessary to waive a hearing by a Judicial Board and have the case adjudicated by the appropriate administrative hearing officer or faculty justice. However, in all instances where a hearing for disciplinary action would be necessary during the last two weeks of either semester or during the summer session, the complaint would be heard by the appropriate administrative hearing officer and not by a Judicial Board. In this instance, the avenue of appeal is through the next appropriate administrative hearing officer rather than the Judicial Board.

B. The respondent may consult with the Office of Student Activities (or Student Residential Life through the Resident Director where appropriate) and file:

1. A Statement of Fact responding to the charges and citing any factual details or information not stated in complainant’s Statement of Fact.

3. Any evidence, if applicable.

4. A waiver of notice of hearing, if desired.

5. A waiver of hearing by Judicial Board, if desired.

C. The respondent shall have the following responsibilities:

1. To represent herself/himself in written statements and in a hearing.

2. To submit all written evidence and a witness list at least 24 hours prior to the designated hearing time.

3. To pick up witness list submitted by the complainant 24 hours prior to the designated hearing time.

4. To arrange for witnesses to attend the hearing.

5. To secure his or her copy of the decision at a time and place specified by the Judicial Board or hearing officer.

6. To follow Appeal Procedures as outlined in Student Handbook (see Part V).

PART III. Complainant’s Rights and Responsibilities

A. The complainant has the following rights:

1. To have an advisor present at the hearing, however, the advisor may not address the hearing board or officer at any time.

2. To have witnesses testify at the hearing.

3. Access to all documents or evidence pertaining to the complaint entered by the respondent and/or witnesses.

4. To challenge a member of a Judicial Board or a hearing officer if the complainant feels that the person would be biased in favor of the respondent.

5. To receive the final decision when the complaint is determined to be a crime of violence. In other cases, the decision and sanctions to remain confidential unless the respondent provides a written release.

B. The complainant shall have the following responsibilities:

1. To represent herself/himself in written statements and in a hearing.

2. To submit all written evidence at the time of filing a complaint.

3. To submit a witness list at least 24 hours prior to the designated hearing time.

4. To arrange for witnesses to attend the hearing.

5. To pick up all supporting evidence which was submitted by the respondent 24 hours prior to the designated hearing time.

PART IV. Hearing Procedures

A. The respondent may appear in person at a hearing. If the respondent does not appear, the Judicial Board will proceed with a review of the case at the stated date, time and place.

B. The Chief Justice or hearing officer will have discretionary power to limit the number of observers at an open hearing.
C. A complete written or taped transcript of the hearing will be recorded and preserved by the appropriate judicial body until all appeals have been filed or heard. No other audio or video recording of the hearing will be permitted.

D. The decisions and sanctions, if applicable, will be made available to the respondent at a time and place specified by the Judicial Board or hearing officer. It is the responsibility of the respondent to secure his or her copy of the decision.

PART V. Appeal Procedures

A. All appeals shall be submitted in writing setting forth a concise statement of fact clearly establishing one or more of the following grounds for appeal:

1. The decision or sanction was unreasonable;
2. The Judicial Board or hearing officer was biased; or
3. The Judicial Board or hearing officer misinterpreted the Student Code of Conduct or University policies upon which the complaint was based.

In cases involving new evidence, the appeal should be submitted to the original judicial body and a new hearing requested.

B. Appeals from the lower judicial body should be made to the next higher body through the Office of the Vice President for Student Affairs; i.e., Residence Hall Judiciary to ASBSU Judiciary to Student Policy Board. When a student or group appeals a decision of a judicial body, all recommended action is placed in a pending status until the appeal process has been exhausted. In the event a case has been heard by an administrative hearing officer, the appeal would be to the next appropriate administrative hearing officer through the Office of the Vice President for Student Affairs; i.e., Student Residential Life hearing officer to Student Union and Activities or Faculty Justice hearing officer to the Vice President for Student Affairs.

C. Appeals must be submitted within seven calendar days of the time the decision is made available in writing with copies to the original and last judicial body. (Students who are appealing a decision from a Residence Hall Judicial Board or from the appropriate administrative hearing officer must submit appeals within three calendar days of the time the decision is made available in writing with copies to the original and last judicial body.)

D. When a written appeal is received, the appropriate judicial body will convene to review the appeal and related written documentation in order to determine whether to accept the appeal. The review of an appeal will be done in a closed session. If an appeal is accepted, the appropriate judicial body may, at its own discretion, act on the appeal on the basis of written documentation or may conduct a new hearing.

HEARING BOARDS

Student Policy Board

By delegation of the President of the University, the Student Policy Board, under the chairmanship of the Vice President for Student Affairs, is designated as the primary agency for the development and administration of the Student Code of Conduct, Student Judicial System and other student policies and procedures relating to student life on the campus of Boise State University.

The Student Policy Board is the highest and final board in the judicial appellate structure and as such will hear appeals from cases heard by the ASBSU Judiciary. The Board has responsibility in all matters of grievance pertaining to academic conduct, instructional procedure or testing.

**Composition**

A. Seven student senators appointed by the ASBSU Vice-President, with an attempt being made to select one from each college or division in the University.

B. Seven faculty representatives to be appointed by the
Chairperson of the Faculty Senate - one from each college or division.

C. One representative from the Division of Student Affairs appointed by the Vice-President for Student Affairs, to serve as a non-voting, ex-officio advisor to the complainant, respondent and the Board.

D. The Chairperson of the Board will be the ASBSU Vice-President who shall vote only in case of a tie. All members will have equal voting privileges. In the event the Chair is disqualified, the Board will elect a new Chair, for that meeting only, from its membership.

E. If, prior to the hearing, it can be shown that a member of the Board is directly involved in the case, that person can be removed by a majority vote of the Board. This case can be instigated by the complainant, the respondent or a Board member. The removal will apply only to that case.

F. Upon removal of a Board member, the respondent and complainant will have the option of accepting the decision of the remaining Board members or having the removed Board member replaced. Any disagreement will result in replacement. If a replacement is made, s/he shall come from the same classification as the removed member (See A-C).

Tenure of Office

A. All members of the Board shall be appointed by the third week of September and shall serve for a period of one year or until the appointment of a successor.

B. All vacancies shall be filled in the same manner as in the original appointment.

Procedure - Academic Grievance

A. In order to obtain a hearing by the Academic Grievance Board:

   1. The grievance shall be presented to the concerned party first.

   2. If the problem is not solved after contacting the party involved, the complainant initiates the grievance process by picking up formal grievance forms from the ASBSU Office (the forms will be accompanied by a memo directing the complainant to the Academic Grievance and Dishonesty Board Advisor).

   a. The grievance shall be presented to the Department Head who will review the case and render a written opinion.

   b. If not resolved, the Dean of the College shall review the case and render a written decision.

3. The ASBSU Vice-President shall be responsible for ascertaining that the complainant has completed the above procedures.

4. The ASBSU Vice-President shall request that the complainant file the Grievance Complaint Form A.

5. After the Grievance Complaint Form has been filed, the ASBSU Vice-President shall notify the respondent named in the complaint form that it has been filed and request that s/he respond using the Academic Defendant Form B. The Department Head and College Dean will be notified of the continuing process.

6. After proper notification, the respondent shall reply with the Defendant Form B within two weeks.

7. Two weeks after notification to the respondent, whether or not Defendant Form B has been received by the ASBSU Office, the respondent shall be notified by the ASBSU Vice-President as to the time of the hearing. Nonappearance of the respondent will not be interpreted as an admission of guilt.

   a. The respondent may agree in writing not to contest the case. The Board will then hear the written pleas or statements of the respondent and all other facts or evidence related to the case and render a decision.

   b. If the respondent does not notify the Board of his/her intentions or does not appear, the Board will proceed with a review of the case at the stated date, time and place.

8. At the hearing, by a majority vote of the Academic Grievance Board, it will be decided whether or not the case is valid and will be heard.

9. The respondent and complainant will each be given the opportunity to elect whether or not to have an open or closed hearing. If either party chooses to have a closed hearing, the hearing
shall be closed. (A closed hearing means that no spectators will be allowed. Either party may have witnesses, but the witnesses must wait outside the hearing room except during the time they are giving testimony or are answering questions.)

10. Eight members shall constitute a quorum for the assemblage of the Board, with four student members and four faculty members in attendance. If at any time the Board lacks a quorum, the hearing shall recess until such time as a sufficient quorum of the same members from the first meeting can be reassembled. Only those members who have heard all of the testimony and have read all of the material submitted can vote. If the original quorum cannot be reassembled within five school days, then a new hearing shall be scheduled.

11. All votes of the Board will be decided by a majority vote.

12. The complainant and respondent shall be notified verbally of the decision of the Board immediately after the hearing. Written copies of the decision of the Board shall be distributed to the following offices within two weeks of the decision of the Board:
   a. Both parties involved in the case (complainant and respondent).
   b. The Dean and his/her designee and the Department Chair.
   c. The Registrar (if a grade change is involved).
   d. The President of Boise State University.
   e. The Provost of Boise State University.

13. Records are to be retained only for the minimum period as determined by the official University record-keeping policy.

14. All academic grievances must be filed by the end of the fifth week in the fall or spring semester immediately following the occurrence of the alleged grievance. For example, a grievance that occurred in the fall semester must be filed by the fifth week of the following spring semester.

15. No grievance will be heard by the Academic Grievance Board during the last two weeks of the semester unless it concerns a course being taken that semester.

Procedure - Academic Dishonesty

A. If an instructor wishes to have a cheating or plagiarism offense referred for University action, s/he will confer with the Department Head.

B. If the Department Head concurs that the incident should be referred for additional action beyond failing the student in the course, the case will be referred to the Dean or his/her designee of the College in which the incident occurred. The Dean of the College of the student's major shall be notified of the action being taken.

C. The Dean of the College where the incident occurred or his/her designee of the College will appoint a special hearing board consisting of three faculty and three students with the Dean or his/her designee as the Chairperson.

E. The Academic Grievance and Academic Dishonesty Board will be the final hearing in the event of an appeal.

Power and Authority

A. The Board shall be empowered to recommend changes relating to student grades and behavior and to recommend changes relating to academic conduct, instructional procedure and testing.

B. Recommendations regarding students will be referred to the Vice-President for Student Affairs. Recommendations regarding faculty members will be referred to the Provost of Boise State University.

Residence Hall Judicial Board

A Residence Hall Judicial Board system has been established in the residence halls to hear Code of Conduct and policy infraction cases which occur within the halls or adjacent areas, in the residence dining hall and at residence hall functions. Cases involving residents away from these areas and cases involving sexual harassment and/or assault shall be referred directly to the ASBSU Judicial Board. Residence Hall Judiciary power is vested in a judicial board composed of one appointed member from each residence hall and a chairperson. When a problem arises within a residence hall, it should first be taken to a Resident Advisor or the Resident Director and then to the Director of Student Residential Life. If a satisfactory solution is not reached, the complaint or problem will be referred to a Residence Hall Judicial Board. Any appeals from the Residence Hall Judicial Board will be referred to the ASBSU Judiciary through the Office of the Vice President for Student Affairs.

Inter-Greek Judicial Committee

The Inter-Greek Judicial Committee will convene to deal with disputes and charges between or against University fraternities or sororities. The Committee will be the initial hearing board for alleged infractions of internal Greek rules, University or civil regulations. If any individual or group wishes to file a complaint, they should contact the Student Activities office for advice on how to proceed.

The University’s judicial procedures, as stated in this handbook and the ASBSU Judiciary Board Hearing Procedures, shall serve as the procedures for the Inter-Greek Judicial Committee. The University advisor to the Greek organizations will attempt to mediate the concern between the parties involved. If after consultation, the complainant wishes to pursue the matter, a formal hearing of the Inter-Greek Judicial Committee will be held.

If any party feels the decision rendered by the Inter-Greek Judicial Committee is unfair, the decision may be appealed to the ASBSU Judiciary in accordance with the Appeal Procedures stated in this handbook.

The Inter-Greek Judicial Committee is composed of two representatives (one being the president) from each fraternity and sorority and the presidents of the Inter-Greek Council. Each member of the Judicial Committee shall have one vote. The University advisor to the Greek organizations shall convene the first meeting of the Inter-Greek Judicial Committee and shall serve as procedural advisor to the committee. The members of the committee shall elect a chairperson who shall preside at all meetings and hearings and shall vote only in case of a tie.

Student/University Personnel Grievance Board

Purpose: To provide a procedure whereby students may bring a grievance against University personnel, that is faculty, classified staff or administrative staff, for an alleged violation of BSU Policies and Procedures. This grievance policy does not pertain to discrimination grievances or sexual harassment grievances covered by the Affirmative Action Policy, academic grievances already covered by the Academic Grievance and Academic Dishonesty Board or matters of academic freedom.

Responsibilities: The Student/University Personnel Grievance Board (hereinafter “Grievance Board”) has the responsibility to act as the final board of review in complaints arising from grievances filed by students against University personnel. No further appellate provision will be available at BSU to the student bringing the grievance.

Composition: This board will consist of seven voting members: the ASBSU Chief Justice as Chairperson, ASBSU Vice President, an ASBSU Student Senator, Chairperson of the Faculty Senate, Chairperson of the
Association of Classified Employees, Chairperson of the Professional Staff Senate and a seventh member to be selected (by the above-named members) from the same employee group that the respondent is from. The Director of Affirmative Action and the Director of Human Resources shall serve as non-voting members.

**Procedure:**

1. In order to obtain a hearing before the Grievance Board, the complainant should: present the complaint to the University employee concerned; if no solution is reached, the complaint should be presented to the appropriate department head or supervisor and to the unit head or dean of the appropriate college or administrative unit. If the complaint is against a dean or unit head, it should be presented to the appropriate vice president. If it is against a vice president, it should go directly to the Grievance Board. The complaint should be presented to and addressed by the appropriate University officials within a reasonable amount of time.

2. If the grievance is not resolved after contacting the employee, department head or supervisor, unit head/dean or appropriate vice president, it should be presented in writing to the Assistant Director of Student Activities on the appropriate Student/University Personnel Grievance Board form available in the Student Activities Office.

3. When the Assistant Director of Student Activities has received the written grievance, s/he will convene the members of the Grievance Board within five working days to determine if the Grievance Board has jurisdiction.

4. If the Grievance Board determines that it does not have jurisdiction, the complainant will be directed to the appropriate individual or body to handle the grievance.

5. If the Grievance Board determines that it does have jurisdiction, the Director of Affirmative Action or a designated member of the Board shall then issue a Notice of Hearing which will set the date, time and place of the hearing (no sooner than five working days nor later than ten working days from the notice) and an Order of Hearing.

7. If, after reviewing the case, the Grievance Board rules that a violation occurred, then all information pertaining to the case will be forwarded to the President of the University within five working days of the conclusion of the hearing with a recommendation for action, for final review and disposition. All parties to the grievance will be notified in writing of the recommendation of the Board. All parties to the grievance will be notified of the President’s decision in writing within ten working days after s/he has received the recommendations of the Grievance Board.

8. If, after reviewing the case, the Grievance Board rules that a violation did not occur, the case will be closed. All parties to the grievance will be notified in writing of the decision of the Board within five working days of the conclusion of the hearing. The notification will be deemed made when the recommendation is deposited in the United States Mail addressed to the last known address of the parties.
STUDENT ORGANIZATION POLICIES

Student organizations and activities policies are made by the Student Policy Board, approved by the University administration and administered by the Director of Student Union and Activities. The Student Policy Board recognizes ASBSU's role to regulate student organizations within its constitutional authority. The Student Activities Office staff is available for consultation and advice on policies, procedures and expenditures pertaining to student organizations as well as planning, scheduling and implementing programs, activities and social events.

A. Organization Defined

1. Any group of students living or acting together, electing officers and/or assessing dues or fees for their mutual benefit is an organization.

2. The President or primary officer for an organization must be a full-fee paying student at Boise State University.

3. All voting members and remaining officers must be fee paying students at this institution and carry a minimum of three credit hours.

4. All groups of students fitting the definition of an organization must be officially recognized by the University through the ASBSU Judiciary.

B. Recognition Agreement

Recognition of a group or organization extends to them the privilege of identification with the University and the use of institutional facilities. The group agrees to accept those regulations and policies necessary for the protection of the University’s essential functions, for equal sharing of time and space, and to assure the reasonable health and safety of the community.

Recognition of student groups does not mean that the University supports or adheres to the views held or to positions taken by such groups. Responsibility for any actions which violate federal, state or local laws must be assumed by the group itself.

C. Recognition Steps for New Organizations

Boise State students interested in organizing a new organization shall:

1. Set an appointment and meet with a Student Activities Advisor to review the recognition process. At least one individual attending the appointment must be a BSU student currently enrolled for three or more credits. A student I.D. number will be requested at the time an appointment is being scheduled.

2. Complete an “Intent to Organize Card” at the initial meeting with the Student Activities Advisor. The card requests the names, addresses (mail and e-mail) and phone numbers of the students organizing the club as well as a potential name of the group.

3. Obtain from the Student Activities Advisor a “Temporary Organization Privileges Card” which is necessary to access facilities and promotional services.

4. Reserve rooms in the Student Union, or other campus facilities, for a Constitution Development Meeting, an Informational/Organizational Meeting and an Election Meeting. Coordinate meeting times with the Student Organizations Advisor in Student Activities so a Student Activities Advisor can attend and facilitate the Constitution Development Meeting.

5. Advertise and promote the organization and all its meetings throughout campus in an effort to recruit new members.

6. Complete the Constitution Development process (with the assistance of a Student Activities Advisor or with the tutorial program on the Organization Complex computers) and have the membership vote to approve the constitution. Ensure that the organization’s BSU constitution meets the University’s Constitutional Requirements listed later in this policy. The organization is encouraged to write bylaws for the organization’s specific rules of procedure.

7. Submit two copies of the proposed constitution to the Student Activities Office.
8. Complete an “Organization Officer Card” listing the organization’s officers and advisor, their addresses and telephone numbers and submit it to the Student Activities Office.

9. File a copy of the constitution or comparable information of the parent organization with the Student Activities Office (if the student organization is affiliated with a community, state, regional or national organization).

10. Maintain communication with the Student Organizations Advisor in the Student Activities Office until the organization receives a notice that Official Recognition has been granted. (The Advisor will review the officers card, the BSU and parent organization constitutions for compliance with all University requirements. When all requirements have been met, a Student Activities Advisor will recommend to the ASBSU Judiciary that the organization be granted official recognition. During the summer months when the ASBSU Judiciary is not in session, the organization will be granted Official Recognition Pending Judiciary Approval.)

Constitutional Requirements

There are at least eleven articles that are necessary in a new or current constitution in order to be recognized and to maintain recognition.

1. Name. The name by which the organization will be known.

2. Statement of Purpose. The statement of purpose for the organization.

3. Affiliation.
   a. Affiliation with Boise State University clearly stated - what does that affiliation mean? What are the obligations and responsibilities?
   b. This organization shall be subject to the regulations and policies of Boise State University, the Constitution of the Associated Students of Boise State University and all local, state and federal laws. Boise State University policies and procedures and the ASBSU Constitution shall take precedence over the constitution of a regional/national organization.
   c. Affiliation with a community, state, regional or national organization (if applicable).

4. Nondiscrimination Statement. It is the policy of the University not to discriminate unlawfully against any individual on the basis of age, race, color, religion, gender, national origin, ancestry, disability, sexual orientation, veteran status, or political affiliation (gender excludes organizations which have been determined exempt according to federal law). The University requires each organization to include a nondiscriminatory statement in their BSU constitution. The University also requires each organization to submit a copy of the charter, constitution and bylaws of the parent organization where applicable. This is necessary to determine whether discrimination for the aforementioned reasons is encouraged on any level.

5. Membership. At least fifty-one percent of the total membership must be fee-paying Boise State University students, carry a minimum of three credit hours, and reflect minimum University academic requirements. Voter eligibility: all voting members must be fee paying University students and carry a minimum of three credit hours.

6. Meetings. Organizations shall indicate what is necessary to achieve a quorum, the necessary voting percentages to conduct business, and the frequency of meetings.

7. Officers. How these officials are selected and replaced, the qualifications for office and officer duties. Method of electing officers, specific time of elections, type of vote, term limits and methods for filling vacancies. The minimum University requirement is that the President or primary officer for an organization must be a full fee-paying student at Boise State University and all remaining officers must be fee-paying students and carry a minimum of three credit hours.

8. Advisor. The organization is required to have an advisor. The organization is encouraged to use BSU faculty and staff. Explain the duties and role of the advisor within the organization and the University.
9. **Removal of Officers and Members.** Grounds for removal shall be spelled out. Process for providing adequate notice of charges, opportunity for a fair hearing and the right of appeal. The form of vote shall also be indicated.

10. **Sources of Financial Support.**

11. **Constitutional Revision.** Any changes in a group’s constitution require the approval of the ASBSU Judiciary. The steps for approval are the same as those for new organizations.

**D. Temporary Recognition Status**

1. Temporary recognition status is assigned to new organizations upon completing an “Intent to Organize Card” with a Student Activities Advisor. Temporary recognition is for the purpose of organizing as a group, recruiting members, developing a University-affiliated constitution, completing University requirements for gaining Official Recognition, and holding elections.

2. The following are limited organization privileges extended to temporary organizations:
   - Use of campus publicity services for promoting the organization including the Poster Distribution System, marketing booths, and other services described in the Getting Organized Manual.
   - Use of rooms in the Student Union on three occasions for an organizational meeting, a constitution development meeting, and an election meeting.
   - Photocopying and other services listed on a “Temporary Organization Privileges Card” given to the group by a Student Activities Advisor.
   - Fund raising limited to the collection of dues from members in order to establish an organizational treasury.

**E. Maintaining Recognition Status**

The privileges of Official Recognition Status will continue when organizations fulfill all of the following conditions:

1. Complete an Organization Officer card within four weeks at the beginning of each fall semester and within ten days of any election.

2. At least one student officer for the organization attends the mandatory Getting Organized meeting scheduled each fall semester.

3. Collect mail at least once a week from the organization’s mailbox in the Student Activities Office.

4. Maintain a positive balance in the organization’s financial account kept at the ASBSU Business Office.

5. Abide by the minimum Eligibility Requirements for Extracurricular Activities for officers and abide by enrollment standards for organization membership (at least 51% of the membership must be fee-paying students at Boise State University carrying a minimum of three credit hours).

6. Abide by the organization’s constitution and stated purpose.

7. When requested to do so by the ASBSU Judiciary, the organization must amend its constitution to reflect current Boise State University policies and local, state and federal laws.

8. When the constitution is revised, submit three revised constitutions to the Student Activities secretary for review and approval by the ASBSU Judiciary.

9. Abide by Boise State University policies, and local, state and federal laws.

**F. Ad Hoc Organizations**

The ASBSU Judiciary, through its own procedures, is authorized to grant temporary recognition to a student group organized for a one-time event or single purpose of supporting or opposing a candidate or issue on a ballot measure in any special or regular ASBSU election.

**G. Withdrawal of Recognition**

1. The process of withdrawing a group’s official recognition begins when it has ceased to function as evidenced by any of the following:
a. Notice of dissolution from officer and/or advisor.

b. Failure to hold any meetings over a twelve-month period.

c. Failure to submit a current roster of officers within four weeks of the beginning of each fall semester or within ten days of an election.

d. Failure to have a student officer attend the mandatory Getting Organized meeting held during each fall semester.

e. Failure to correct a negative balance in the organization's ASBSU account within three months time.

f. Failure to abide by the minimum Eligibility Requirements for Extracurricular Activities for officers or enrollment standards membership.

g. Failure to regularly pick up mail from the organization's Student Activities mailbox during the academic year.

h. Failure to comply with ASBSU Judiciary's written request to amend the organization's constitution within two months time.

2. Either the Vice President for Student Affairs or the ASBSU Judiciary may withdraw a group's official recognition whenever the above conditions occur or the rules and policies of the ASBSU and/or the University are violated.

3. Prior to withdrawal of recognition, the group will be warned, given the opportunity to take corrective steps and be allowed to speak in their behalf before the ASBSU Judiciary.

H. Activity Scheduling

Any organization recognized by the ASBSU may schedule, sponsor or hold activities utilizing appropriate University facilities, property, buildings and grounds, providing that all events are scheduled in the Student Union Reservations Office for events held in the Union or through the appropriate office administering other facilities.

Scheduling Procedures

1. An officer of a recognized organization must contact the Student Union Reservations Office and obtain a Facility Requisition for events held in the Student Union.

2. The sponsoring organization is responsible for the conduct, control and handling of the event at all times. Maintenance, security or other staff are present to assist and advise only. Should an organization or the University feel that an event is beyond the organization's control, appropriate action may be taken to ensure personal safety and/or to prevent damage to University property.

3. Tentative dates and room assignments for pending events in the Student Union may be scheduled with the Reservations Office. However, the event must be either definitely confirmed with a completed and approved Facility Requisition or the dates canceled at least two weeks prior to the tentative date. All facility requisitions must be submitted to and approved by the Student Union Reservations and Catering Office. Please notify the Student Activities Office in the case of cancellation of events outside the Student Union.

a. No publicity may be released until the Facility Requisition is completed and approved.

b. All advertisements and posters must be removed the afternoon after the event.

4. Times for decorating the facility used should be indicated on the Facility Requisition and must be confirmed in person with the director of the facility used well in advance of the date scheduled.

5. Facility Requisitions must be picked up at least three weeks prior to the event to allow adequate time for completion of the form (i.e. approval of dates and facilities) and for completing all necessary arrangements.

6. Without the approved Facility Requisition, the possibility strongly exists of conflicting dates, competitive events on the same date, and pre-scheduled facilities. It is in your best interest to make sure your event is organized and planned well in advance.
Eligibility Requirements for Extracurricular Activities

In its official capacity as the primary agency for the development and administration of the Student Code of Conduct, Student Judicial System and other student policies and procedures relating to student life on the campus of Boise State University, the Student Policy Board requires that:

1. In order to represent the University or a recognized student organization in any extracurricular activity of an intercollegiate nature such as debates; regional or national student, fraternal or organizational conferences; competitions; workshops; clinics; etc., student must:
   a. Be currently enrolled as a student.
   b. Not be disqualified or suspended from the University.
   c. Meet the standards (academic, enrollment, behavior) of the University organization being represented.

2. The minimum standards for the selection and continuation of individuals as officers or appointed officials of student organizations are:

   President or Primary Officer
   a. Enrollment as a full-fee paying student (at least 8 credits) by the tenth day of each semester and continuation as a full-fee paying student throughout the academic term.
   b. Maintenance of a cumulative GPA of 2.00 or better.

   Other Officers
   a. Enrollment for at least three credits as a fee paying student by the tenth day of each semester and continuation as a fee paying student throughout the academic term.
   b. Maintenance of a cumulative GPA of 2.00 or better.

Each organization may incorporate more stringent requirements in their constitution for officers or other special situations.

3. The minimum standards for the selection and continuation of individuals as officers or appointed officials of the Associated Students of Boise State University (ASBSU) are:

   Executive Officers, Student Justices and College Senators
   a. Enrollment as a full-fee paying student by the tenth day of each semester and continuation as a full-fee paying student throughout the academic term.
   b. Maintenance of a cumulative GPA of 2.25 or better.

   At-Large Senators
   a. Enrollment in a minimum of three credit hours by the tenth day of each semester and continuation in three credit hours or more throughout the academic term.
   b. Maintenance of a cumulative GPA of 2.25 or better.

   a. Enrollment by the tenth day of each semester and continuation as an enrolled student throughout the academic term.
   b. Maintenance of a cumulative GPA of 2.25 or better.

In periods between fall and spring and between spring and fall semesters, a student is eligible to continue in her/his position as long as s/he met the requirements in the previous semester and is intending to continue as a student with the appropriate eligibility requirements in the following semester.

The Student Policy Board encourages ASBSU and other student organizations to set additional standards that they deem necessary and beneficial to that organization.

The Student Policy Board feels that the duty of relieving a student from the position s/he holds because of lack of compliance with the aforementioned requirements is the responsibility of the appointed official(s) of that organization.
OTHER UNIVERSITY POLICIES

UNLAWFUL CONDUCT OR INTERFERENCE ON UNIVERSITY PROPERTY

33-3715. Interference with conduct of institutions of higher learning—Legislative intent. The legislature, in recognition of unlawful campus disorders across the nation which are disruptive of the educational process and dangerous to the health and safety of persons and damaging to public and private property, establishes by this act criminal penalties for conduct declared in this act to be unlawful. However, this act shall not be construed as preventing institutions of higher education from establishing standards of conduct, scholastic and behavioral, reasonably relevant to their lawful missions, processes and functions, and to invoke appropriate discipline for violations of such standards.

33-3716. Unlawful conduct—Penalty.

1. No person shall, on the campus of any community college, junior college or university in this state, hereinafter referred to as "institution of higher education," or at or in any building or facility owned, operated or controlled by the governing board of any such institution of higher education, willfully deny to students, school officials, employees and invitees:
   a. lawful freedom of movement on the campus
   b. lawful use of property, facilities or parts of any institution of higher education, or
   c. the right to lawful ingress and egress to the institution's physical facilities

2. No person shall, on the campus of any institution of higher education, or at or in any building or other facility owned, operated or controlled by the governing board of any such institution, willfully impede the staff or faculty of such institution in the lawful performance of their duties, or willfully impede a student of such institution in the lawful pursuit of his educational activities, through the use of restraint, abduction, coercion or intimidation, or when force and violence are present or threatened.

3. No person shall willfully refuse or fail to leave the property of, or any building or other facility owned, operated or controlled by the governing board of any such institution of higher education upon being requested to do so by the chief administrative officer, his designee charged with maintaining order on the campus and in its facilities, or a dean of such college or university, if such person is committing, threatens to commit or incites others to commit, any act which would disrupt, impair, interfere with or obstruct the lawful missions, processes, procedures or functions of the institution.

4. Nothing in this section shall be construed to prevent lawful assembly and peaceful and orderly petition for the redress of grievances, including any labor dispute between an institution of higher education and its employees.

5. Any person who violates any of the provisions of this section shall be deemed guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine not to exceed five hundred dollars ($500), or imprisoned in the county jail for a period not to exceed one (1) year, or by both such fine and imprisonment.

MAINTAINING ORDER

Reference: BSU Policy 4204-B.

I. Policy: As designees of the chief administrative officer charged with maintaining order on the campus and its facilities, members of the Boise State University faculty are responsible for ensuring orderly conduct in areas under their direct supervision.

Therefore, a member of the University community, in fulfilling his professional and contractual obligations, may dismiss a student from the course for the remainder of the semester when a student violates any of the following specific policies listed under the Code of Conduct in the Boise State University Student Handbook:

A. Harassment: Any practice by a group or an individual that detains, embarrasses or degrades
a member of the University community, endangers his/her health or interferes with class attendance or the pursuit of education is prohibited.

B. Lawful Orders: Failure to disperse or leave; disrupting or obstructing a University building or facility, room or other premise; failure to identify oneself with an identification card; or to cease the use of loudspeakers, amplifiers or other forms of noise after being given notice or a lawful order to do so by a duly authorized agent or administrative officer of the institution is prohibited.

C. Disorderly Conduct: Detaining or threatening another person; obstructive or riotous acts in or associated with the University community are prohibited. The above includes verbal abuse of any member of the Boise State University community on or off campus where the situation involves the educational purposes or objectives of the University.

D. Official Notification: Failure to comply with any official notification, written or verbal, of a duly authorized administrative, faculty or judicial representative of the University may result in disciplinary action.

In addition to the Student Code of Conduct, students may be dismissed for violation of Idaho Code 33-3715 and 33-3716.

II. Procedure For Dismissal From One or Two Class Periods Only: A written report of any student dismissed from class must be submitted to the appropriate academic dean, with a copy to the department head, no later than one working day after the dismissal.

III. Procedure For Dismissal for the Remainder of the Semester: The faculty member, if s/he feels it is warranted, may choose instead to dismiss the student from the course for the remainder of the semester. If the instructor does dismiss the student from the course for the remainder of the semester, s/he must submit a concise Statement of Fact specifying the reasons for the dismissal, the individual or group, the factual details of the incident, the names of witnesses and any applicable dates, times or places. This Statement of Fact must be submitted to the appropriate academic dean, with a copy to the department head, no later than one working day after the incident. Immediately upon receipt of the Statement of Fact, a hearing should be scheduled to afford the student and the faculty member opportunity to present their positions to the dean.

The student and the professor are to be notified by the dean, or his/her designee, no later than two working days after receiving the Statement of Fact if the dismissal is upheld. If the faculty member, department head and/or dean feel further disciplinary action is necessary, a complaint may be filed with the ASBSU Judiciary.

IV. Procedure for Appeal: If the dismissal is upheld by the dean and the student desires to appeal the decision, an appeal request must be filed with the Academic Grievance and Academic Dishonesty Board within three working days of the above notifications.

SPEAKER'S POLICY

Students and student organizations shall be free to express their views and to examine all issues of interest to them. They are also free to support causes by orderly and peaceful assembly which will not infringe upon the rights of others or with the regular and essential operation of the institution.

Scheduling of Speakers

Officially recognized student groups are allowed to invite or to hear any person of their own choosing. As with any activity, routine procedures are required before a speaker is invited to appear on campus. These procedures are desired only to ensure orderly scheduling of facilities, financial responsibility and adequate preparation for the event. University control of campus facilities will not be used as a censorship device. It shall be made clear to the academic and larger community that sponsorship of guest speakers does not necessarily imply approval or endorsement of the views expressed by either the sponsoring group or the University.

All recognized sponsoring groups or committees are to obtain a Facility Requisition from the Student Union Reservations Office, complete the necessary information and file the form with the Reservations Office in the Student Union.
1. Political Speakers

Only Student Union facilities may be used for the presentation of a candidate’s view during political campaigns and only when approved by the Vice President for Student Affairs.

2. Controversial Speakers

In highly controversial issues, it is recommended that speakers with opposing views be invited and given equal facilities and consideration. The sponsoring student group will not necessarily be held responsible for unforeseeable illegal actions on the part of their guest speaker, but will be held responsible if they have prior knowledge or intend themselves to sponsor events in violation of the law or to purposely incite illegal acts. Guest speakers are accountable for their actions under valid general laws and are not immune from legal action if so warranted.

SEXUAL HARASSMENT

The University has the responsibility to maintain a harassment-free environment. Any student who believes that s/he has been sexually harassed (defined as unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature) or harassed because of his/her gender by any BSU student, staff or faculty, has the right to file a grievance with the Affirmative Action Committee and/or a Code of Conduct violation complaint with the ASBSU Judiciary. To lodge a complaint of sexual or gender harassment, contact the Affirmative Action Office and/or the ASBSU Judiciary.

SEXUAL ASSAULT POLICIES AND PROCEDURES

Following is a summary of procedures developed to ensure that all reports of sexual assault are handled in accordance with BSU policy and state and federal laws:

1. Students who have been assaulted are encouraged to call campus police (385-1453), campus security (385-1681), any residence hall staff or member of the University faculty or administration. Emergency telephones are located throughout the campus.

2. Victims of assault may file complaints with police or with the ASBSU Judiciary or both.

3. Victims may have on-campus living arrangements or class schedules changed if changes are reasonably available.

AIDS POLICY

1. Screening for infection with Human Immunodeficiency Virus (HIV) shall not be a requirement for University attendance. The sexual orientation of a student shall not be used as a basis for determining that s/he is an infected individual. No person shall be asked to provide information as to his or her sexual orientation.

2. Students testing positive for HIV antibody or having been diagnosed as having AIDS shall under normal circumstances be permitted to attend classes and utilize university services in an unrestricted manner. To lodge a complaint of sexual or gender harassment, contact the Affirmative Action Office and/or the ASBSU Judiciary.

3. The determination of whether an infected student should be restricted from attending class, living in University residence halls or participating in University activities shall be made on a case-by-case basis by a team composed of the student and/or his/her representative, the attending physician and appropriate University personnel. In those cases where the student is unable to return to class, a medical withdrawal will be permitted.

4. In accordance with BSU Policy 4000-D, Confidentiality of Records, the identity of an individual known or reasonably suspected to be infected with the AIDS virus shall not be revealed by the University.

5. The University shall provide education and information about HIV infection and the disease AIDS.
ALCOHOL AND DRUG POLICIES

Boise State University wishes to encourage a chemically healthy environment for its students, guests and employees. To this end, the University: (1) developed policies and procedures regarding a drug-free work place; (2) promotes education and training programs, both internally and externally, regarding alcohol and drug use/abuse; (3) implemented an Employee Assistance Program; (4) provides wellness programs and activities for employees and students and (5) participates in numerous community support and resource base programs.

In the interest of the personal health and safety of the campus community, Boise State University will not condone or ignore alcohol or drug abuse. Further, the illegal manufacture, distribution, dispensation or possession of a controlled substance on University owned or controlled property will not be tolerated.

Boise State University will assist members of the campus community who are experiencing problems with alcohol or drugs in making informed decisions about appropriate use as well as the adverse consequences of alcohol or drug abuse on one’s health and behavior.

Boise State University prohibits illegal possession, consumption, manufacture and distribution of alcohol and drugs by students in college or university owned, leased or operated facilities and on campus grounds. Any individual who violates the policies stated in the Code of Conduct in the Student Handbook may be subject to any or all of the following: expulsion, suspension, conduct probation, censure, restitution/compensation.

Any questions regarding these policies and/or requests for assistance should be directed to the Vice President for Student Affairs (385-1418), Health Promotions Director (385-3364) or the Counseling and Testing Center for information and referrals (385-1601).

FUND RAISING

For the purpose of this Handbook, the term “fund raising” refers to those recognized student organizations which intend to raise additional monies not included in the ASBSU budget through the solicitation of donations, the charging of admission or the selling of products or services.

1. The authority to approve or disapprove all activities and requests involving the solicitation of funds or fund raising for whatever purpose is vested in the Vice President for Student Affairs.

2. The Vice President for Student Affairs has delegated his authority as follows:

   a. For all fund raising activities by recognized student organizations (except as written in Section 2b below), prior application must be made and approval granted through the Office of the Director of Student Union and Activities.

   b. For all fund raising activities within University residential facilities by residential organizations, prior application must be made and approval granted through the Office of the Director of Student Residential Life. Other recognized organizations conducting fund raising activities within University residential facilities must obtain approval from the Director of Student Union and Activities and the Director of Student Residential Life. Residential organizations conducting fund raising activities outside of University residential facilities must obtain approval from the Director of Student Residential Life and the Director of Student Union and Activities.

   c. In all cases, a written application form is required and the following information must be included: the name of the sponsoring organization, the product or service being sold, the purpose for which profits will be utilized and the location of the proposed activity.

3. Student organizations should check with city officials for off-campus solicitation regulations.

CAMPUS FOOD SALES

The University contracts with a commercial food service vendor to provide an exclusive contract for the merchandising of all campus vending and food service sales. The one and only exception to this policy is the provision that allows recognized student organizations to apply for a “Food Service Waiver” in conjunction with an approved fund raising activity (see Fund Raising, Section 2.) Forms and additional detailed provisions for a student organization “Food Service Waiver” may be obtained from the Director of Student Union and Activities.
LICENSING FOR PRODUCTS USING BSU NAMES, MARKS AND SYMBOLS

Boise State University's licensing program was established in 1988. The purpose of this program is to protect and control the use of the University's names, marks, slogans, official logos and other related indicia. The University licenses only those products or goods which promote the image of Boise State University and demonstrate quality and good taste.

Any commercial use of the marks, names or symbols associated with Boise State University in any manner must be approved and licensed by the University directly or through its licensing agent prior to the item's production. Student organizations that wish to have items produced that use the Boise State University marks, names or symbols must receive design approval prior to production. Such items produced for resale must be produced by a vendor that is licensed by the Collegiate Licensing Company. Items that are not produced for resale, but are produced for use only by the student organizations' members and the number produced is limited to the number of active members, can be produced at a non-licensed vendor. Design approval for such items is still required prior to manufacture.
