Roundup, October 16

Associated Students of Boise Junior College

Although this file was scanned from the highest-quality microfilm held by Boise State University, it reveals the limitations of the source microfilm. It is possible to perform a text search of much of this material; however, there are sections where the source microfilm was too faint or unreadable to allow for text scanning. For assistance with this collection of student newspapers, please contact Special Collections and Archives at archives@boisestate.edu.
Civilian Pilot Trainees Banned from Gowen Field

Frosh to Sponsor Hallow‘e’en Dance

The next all-college informal dance will be Oct. 26, and will be sponsored by Boise Junior college’s freshmen, announced Dave Fleetwood, president. It will be held in the college auditorium.

Margaret Rea and Edvard French were named co-chairmen and have announced the following committees:

Finances—Earl is chairman of the committee, assisted by Bob Vaught, Dick Alexander, Bob Larson and Olada Lloyd.

The floor committee is composed of Dick Black, Paul Beery, Warren Lamb, and Condie Will Shepard, Reed Puller, Frank Will, Norman Rusten, Irving Higgin and Frank Buckingham.

Planning decorations are Connie Dennen, chairman, Max Yor- rington, Kay Easley, Alba Hock-shower, Stan Burns, Beverly Dod- dley, Betty Smith and Margerito Solante.

Mrs. Chisholm is chairman of the refreshment committee, assisted by Margaret Summer, Kay Baxter, Gay Py, Glen Seibel and Virginia Elliott.

Arranging publicity are Phil Owernan, chairmen, Bill Joy and Helen Holland.

Don Dougherty is chairman of the entertainment committee, assisted by Judy Harris, Bill Joy and Helen Holland.

Planning programs are Coleen Ramin, chairman, Janet Patrick, Ralyn Ogle, Margaret Baxter, John Welmers, Floral Roberts and Helen Westall.

A.W. Mixer Huge Success

The first A.W. mixer was held at the home of Josephine Bay. The other locations were Gladys and Dorothy Fox, the first was to have lasted from 6:30 to 10:30 but the weather was so bad that the guests were not able to attend.

Craven Gets Wings

Second Lieutenant Francis G. Craven, Jr., former student at Boise Junior College from 1936 to 1941, was commissioned as an officer in the United States Army Flying School in Lubbock Texas on August 5, 1942.

Later a period of primary training at Oklahoma Air College, in Oklahoma, Lt. Craven went to the Lubbock Field School, one of the largest in the country. The training was the twin-engine bomber of aircraft.

Lt. Craven was a student at the time of his entrance into the Army Air Forces.

Falk Breaks “Something”

Miss Jessie Falk, of the business department, suffered a broken arm when she was thrown from her horse, Tuesday evening.

Miss Falk had ridden about a mile from her home when the accident occurred. She could not remount her horse. After making a makeshift sling of her sweater, she resumed her arm. Miss Falk said that the horse had apparently become frightened and ran away, when a covey of birds flew from beneath its feet.

“I have ridden twenty-five years, and this is the first time that I have ever broken anything,” Miss Falk said.

Intramural Teams Grid for Battle

Eager to battle for the intramural six-man football championship are 40 men, comprising five teams, who have been struggling hard since last week under direction of Dale Pickle, new athletic director.

The championship will be determined on a percentage basis after a round robin series, said Pickle.

The championship is favored by the first game will be Frank Willy’s and Lew Westbrooke’s team. The first game will be October 19, at 4:45.

Intramural six-man football championship are 40 men, comprising five teams, who have been struggling hard since last week under direction of Dale Pickle, new athletic director.

Craven Gets Wings

Second Lieutenant Francis G. Craven, Jr., former student at Boise Junior College from 1936 to 1941, was commissioned as an officer in the United States Army Flying School in Lubbock Texas on August 5, 1942.

Another B.J.C. alumni has received his wings in the service of our country, Lt. F.G. Craven, ’39, was commissioned at Lubbock Field Texas, August 5, 1942.

College Campus May Be Site of New Air Field

Probable curtailment and even complete abandonment of the Civilian Pilot Training program was faced when Lt. Craven announced that Gowen Field placed a ban on all C.P.T. planes.

Reliable sources estimate that the loss of the program would turn $500,000 over from the Boise channels into other communities.

“With the loss of the airport’s use the student pilots will have to fly from a practice landing strip. As soon as the rains come it will be impossible to land and take off from the strip and unless some solution can be found immediately all C.P.T. planes will be grounded,” Mr. A. Knowles, head of Boise Aviation, said.

Civilian Pilot Training officials have been experimenting for some time but the city council has not provided Boise with a civilian airport.

Officals have been examining the old city airport in the Boise Junior College campus and it is noted that it can be used. Such an arrangement would mean the loss of the secondary program because the faster planes in the hands of student pilots would be hazardous to land and take off from such a field. Work subject to approval has been started on the campus.

“Cotton Swing” Date Set

Forks, here’s one evening that you must save, you know—May 15, 1943. That’s the date for the annual B-Cube “Cotton Swing,” announced Junell Sanford, president. That sounds like a long way off, but as Junell Sanford exclaimed, ‘tis just a matter of getting the $400,000 now being paid to the college for the school year.

Six B-Cube girls did their bit for patriotism by selling posies on the streets of downtown Boise Saturday, in the annual Columbus day for gem—set or sale for disabled American veterans. They were Janet Rense, Florence Johnson, Marjorie Harkins and Margaret Curtis. They were awarded ten per cent of the proceeds for the club’s annual Christmas party.
"REAL" SUGGESTIONS FOR SCHOOL SPIRIT

Student leaders are forever busily seeking an elusive something called "school spirit" and they joke about in moody archives of their minds, muttering generalities of what they seek, and bewailing the war-caused lack of sports, and finally, these same leaders will pass out the portals of B.J.C. still definitely looking for the dormant something no one knows how to revive.

Here are some suggestions for creating school spirit:

1. A Campus Week.

One of the things that can do more to break down the barriers of reserved and stilted behavior of students is to dress them up in old clothes and proclaim a campus week.

Boise Junior College's campus is always neat; there are no leaves to rake; but there must be plenty to do around the school that could occupy the students and beautify the campus. Such a week would stimulate a feeling for the school and cement the students together as a group.

2. Alumni speakers.

Speakers from the "old" school can do much to play up the traditions of a college.

3. Recreational activities.

College dances are not completely informal and do not appeal to all persons. There are many other things a group can do. What about some marshmallow roasts, midnight picnics and so on.

4. By advertising the school to the students.

Club leaders and other school leaders should impress upon the students that Boise Junior College has a spirit. This would be a direct campaign of propaganda but all propaganda is not bad. And B.J.C. is good!

...Why not tell the students so? At present there is little or no mention of the spirit of the school.

"ALL OUR ENERGIES---"

"The challenge of the present day must be devoted to winning the war. Yet winning the war will be futile if we do not throughout the period of its winning keep our people prepared to make a lasting and worthy peace. This time the peace must be global the same as the war has become global. Around the peace table the voice of the United States will have great weight. It is of tremendous importance that that voice shall represent the aspirations of a people determined that mankind everywhere shall go forward to its destiny. The soul of that destiny is maximum freedom of the human spirit."

---President Roosevelt's Message to the Inauguration of Dr. Everett Case as Ninth President of Colgate U.

"I AIN'T KIDDIN!"

by JOSO

Who is she? She's from Cascade, and wow, can she dance! Her name is Marie Hansen. How about that boy?

There was a rumor that Chuck (he-men) Richards was going to let his beard grow for two weeks to prove he had one. It's been a week now and I haven't seen any stubble yet. Have you B------?

...Laverne Sarvis is wearing a ring, a large square ring. Who's is it? Is it Verne?

There will be more information divulged at your request.

...There is a group of club leaders and others who are more than anxious to have an encounter with Bob Gossett, Car-lsen, etc. Rosmary Royer seems to be having a fine time with our council friend from Iowa, or is it Chief? I heard her say he was from--"censored."
Diamond Diggers Find Study "Very Fascinating"

In that stone real? Just as any of the geologists—especially the gals, who are finding this heretofore man's study quite fascinating. The women's interest in this study of rocks is due to a transfer from botany, which is not being offered this year.

As yet, the geology students are in the metamorphic, igneous and sedimentary stages, but perhaps a little study on the side will produce some lapidaries. Who'll really know what's what? A warning to you boys—next time you give the gal friend a rock find out what it is first.

The geology students have two class lectures a week and one 3-hour laboratory period when they go on field trips to places around Boise. Professor Edward Rhodenbaugh is instructor for the course.

P.S. If any student finds a bunch of rocks lying around please return them to room 206, sec 4.

But War Bonds Today!

Varied Assemblies Planned

Personalities and fine talent will be presented to Boise Junior College students in future Northwest Assemblies. The Northwest Assembly has already been held.

The world-famous Jubilee Singers under the personal direction of Thomas J. Pruitt spoke on the history and welfare of the American negro. He also spoke of the negro contribution to the American war effort.

Bob Good, brilliant young American cartoonist-entertainer will present "Dramatic Adventures With联合国." Friday October 25 is the date set for his appearance.

A Gowen Field assembly will be presented to students on November 4.

Following the Gowen Field Program is a "Public Health Program" on November 19.

William M. Lord, mental wizard whose presentation is entitled "Making the Most of the Mind." Mr. Lord can write two long letters on unrelated subjects (one with each hand) and conduct a conversation and mentally work out the answer to a mathematical problem at the same time. He will appear December 3.

Daniel Dew, "America's most versatile magician" will appear with his original company December 6 in a program he calls "Dew Magic."

Betty Lowman, adventurer extraordinary, who is a newspaper writer, platform speaker, musician, and athlete. Miss Lowman paddled a canoe from Seattle to Ketchikan Alaska. She will come to Boise Junior College Monday, January 18.

"The Cyclops of Pelonar," demon strated by Robert T. Edgar, and a model of the 200 inch telescope which some men hail as the world's greatest scientific achievement is to appear March 19.

Pheasant Season Opens Sunday

Get your birds with the right kind of shells and equipment

**DISCOVERY**

"Georgia Porgie, pumpkin pie Kissed the girls and made them cry!"

This went down in history as an example of no finesse, tact, or technique. Porgie was strictly an amoral casanova.

**THINGS MY MOTHER NEVER TOLD ME**

---that everyone in a chorus stays in good shape.
---that the song about a nudist going through a bobbed wire fence is very Did We Get Together?
---that a wink is as good as a smile.
---that some guys use mon dice in blackouts.
---that we have a building program which hasn't been completed as yet.
---that—(damn these censors)—

**CATCH-LINE**—She was only a chiropractor's daughter, but she got all the breaks

**************

---that in love but she sure had the student body.

---that we have a building program which hasn't been completed as yet.

---that when two people kill the ---that a wink is as good as a smile.
---that some guys use mon dice in blackouts.
---that we have a building program which hasn't been completed as yet.

He arrived at her promptly at 8 o'clock and looked at her reflectively.

"You look like Helen Brown."

The girl smiled, to10rantly. "I look even worse in gray!"

**PLAY OF THE WEEK**

Time: 12 o'clock midnight

Telephone rings.

"Hello."

Hello, sleepy.

"Jeanie, are you asleep?"

"Yeah."

"O.K., I'll phone you tomorrow. I wouldn't want to wake you up!"

**BOOST ON THE MOOCH**

Localbumshave raised the ante on their mooches.

Typical scene...

Bum: "Have you got a buck for a cuppa' coffee?"

Victim: "Isn't that a bit expensive?"

Bum: "Naw, I like mine with sugar!"

**JUST COMMON SENSE**

If she looks young--
---She's old.
---If she looks old--
---She's young.
---If she looks back--
---Follow her.

**DANCE**

For speedy service and fine foods try one of Ward's plate luncheons the next time you want to get the best in a hurry.

**DINE**

and enjoy his excellent malted milks and thick milk-shakes.

**SELECT**

Flowering Bulbs
Darwin Tulips
Daffodils
Crocus
and Others

Boise, Idaho

---AINT KIDDIN'---

Helen Westfall was seen eating her lunch at the Student Union.

That wasn't all she was doing though. She was making eyes at a certain G.P.A. His name is Carl, Helen.

Cubes laboriously sold Get-Me-not last Saturday. It's rumored they are planning a big Christmas affair.

Jerry Laubahn seems to have forgotten the A.C. and has a new interest at Boise High.

Boise theatre seems to be quite the place too.

Jeve Chisholm and Bob Vaught still seem to be getting along just fine. What about June Coffin and her affair?

Bob Leaverton has no apparent interest at B.J.O., but, from a reliable source Joso learned that he does have an interest.

I'm still wondering about Deyas Johnson and her flames. What about our friend? "Whoop! There's the bell"

More later.

By now,

Joso

**"PERSONALIZED" Dry Cleaning Will Make Your Suit Look Like NEW!**

We're not exaggerating when we say your garments will look like new... CITY DYE WORKS Cleaning actually improves the fabric, restores colors. Perfectly pressed, no odors remaining. Try us — our work pleases them all!

**Olsen Leaves Junior College to Work for Kaiser**

Boise Junior College lost its very able bursar this week when Mr. Gordon Olsen left for Portland. He will do personnel work in addition to being assistant paymaster at the Swan Island Shipyards, owned by Kaiser.

Mr. Olsen has been living in the Boise Valley for the last eighteen years and has been at Boise Junior College for the past three years.

He said of his work, "I have enjoyed my connections with the college immensely. The students and faculty have cooperated with me one hundred percent. For that reason, it is hard for me to leave."

His duties have been taken over by Mr. Poole.
